The Bimbo within 2

I understand your points, Cornelia. May I call you Cornelia?

No, it is Miss Semele for you.

But you see... your accusations are unfounded. All the people in this club that Ava and I run, work here entirely of their own free will.

The are paid excellently, get to keep tips, have a luxury health insurance... do you have health insurance, Connie?

Name is Cornelia Semele for you!

Each of my employees has their own large apartment where no one has access.

But you are offering sexual entertainment here. Your employees fuck everyone who pays! And so much more...

But of course. Sex and sexual entertainment are something deeply human. A basic need of life. You are not against life, are you?

WHAT?

Of course not! How odd to even utter such a thing. I...i...

But that can only be an illusion. Fingernails do not grow so quickly or color themselves

These fingernails would suit women in this establishment.

But I now know his weak point. Somehow it evokes hallucinations... probably an odorless gas?

Alright, Yun. Are u ready for a little chat with us?

True Ava, she seams a little like yourself.

Impressive Yun. Sounds that you are very... talented.

For a woman of your age you have very impressive, fake curves. How did you pay for it?
teehee... like the Internet of course, Silly. I have a kewl stream where people pay to see me how I shake my tiddies.
You also know how to make money and how to invest it. Last question Yun, can you work with other woman?

And when they are hawt and sexy I luv to have some fun with them too...*giggle*
There is like nothin' better to stroke some cawks with some extra hands... you know?

Welcome to our team of professional entertainment for adults ...

the Kitty Lounge!

Come, I'll show you your rooms, show you everything so you can find your way around and introduce you to the others.

Yay! I ab-so-lutly luv to be part of the Kitty Lounge now!

You can call me Ava, by the way.

Thank you Ava.

It was a good idea on Ava's part. That one activist could have ignited a powder keg of misinformation. And damn, how my darling changed that woman....

knock *knock*

Yes? Come in, please.

Sheldon... do you have a minute for me? I hope I'm not disturbing you?

Ah, Brandi. Of course. I always have time for my girls. Come, sit down.

Thank you so much Sheldon...

You see...One of the girls told me a little rumor about you and Ava. This rumor is that you have a machine that allows you to change a person's body at will without surgery.

I love working here. But unlike the others, my tips are rather meager and most customers are drawn to the others. The reason is obvious, isn't it?

I have a clear idea of how I want to look...but I can't afford surgery. Can your machine help me?

Oh...and I am willing to pay...everything you want.

And why do you think this rumor could be true, Brandi?

I researched. According to your school's yearbooks, you were rather slight and Ava was very unassuming and boring... even shy. Look at you now.

And a few minutes ago an asian hot babe left your office with Ava. BUT... before she went to the restroom she was completly different.

She was not alone in the Restroom. I had to go and when she changed I looked over the edge of the doors and saw everything.

Good point. But you are right. I can show it to you...when you truly want...

This „machine“ is a prototype Brandi. I will fulfill your wishes...
Thank you, Sheldon.
...but in return you must tell me which of the girls spread the rumor. Deal?
Of course. It was Laura. She tells from time to time that she is actually a man and that you have changed her with this machine. Is that true?
Ah, Laura. No, that is not true. She always was a Girl.

Welcome to Ava's and my Research Laboratory.
Wow...look at all that scince stuff. Mr. Spock would love this place.
I'm sure he would. You like Star Treck? You surprise me Brandi.
Of course. He is sexy, smart and beat Kirks anytime.

This project is based on an App I've programmed years ago. The mobil version did a good job, but this station have a lot more options for the user.

This console is used to set the parameters for the upcoming transformation. In your case, I leave the pleasure to you, since you have a clear idea. Meanwhile, I'll sit at the station in front and start the process as soon as you enter the chamber and monitor the progress.

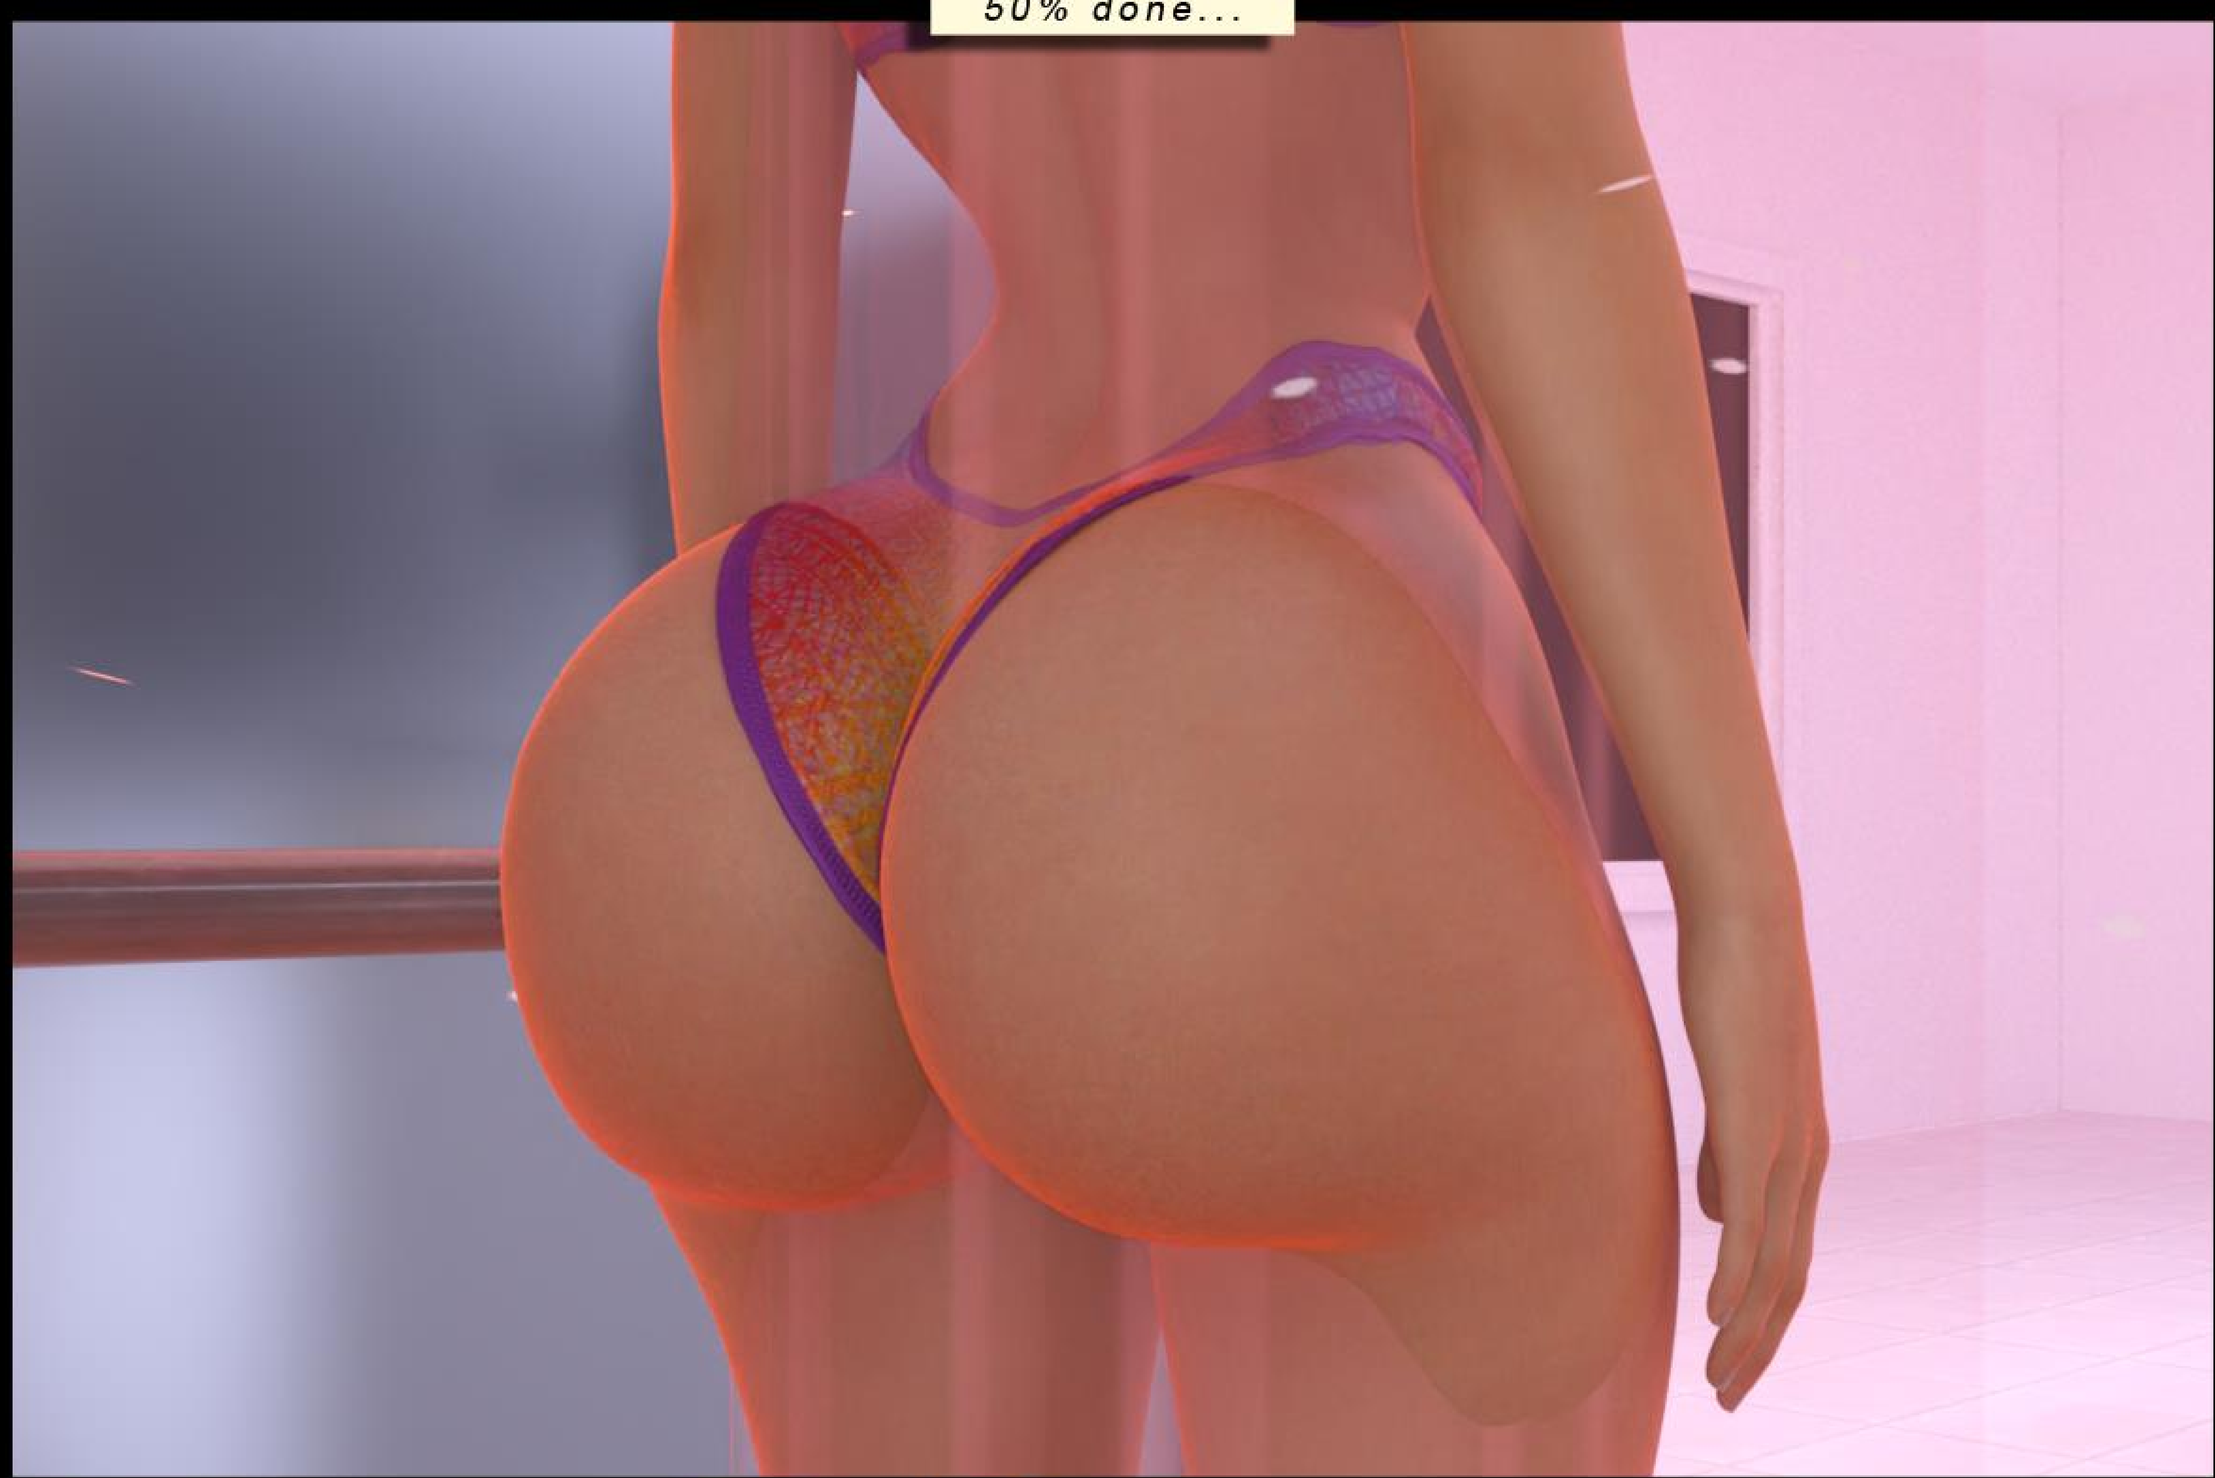
So many choices. Sheldon...you and Ava are genious. This makes surgery useless and you very rich. Let's see...

Interessting choice. But I will change her settings a little. Knowing the truth about me, Ava and this machine and with it my LifeChanger App...there is to much risk.

Ready Sheldon? Start the engine and Make it so, No 1.
As you wish, Brandi. Ready for your dream New U?
Oh by the way...Brandi Wild is just an Alias of mine...
Oh?
Does Geraldine Topazi still mean anything to you?
Of course. She was in my class and got mobbed by the most because she was ...
...real fat and ugly as hell...called Blob. Yep...That was me.
No way...I'm sorry...but I haven't reconized you...
Nobody has. But this day I had this one dream...and now I can fulfill it.

Waist finished
25% done

Hips and Booty
50% done...



Brandi's dream seems to come true. She worked hard as a teenager to loose her body fat and as young adult her obsession for beauty and erotic dance became stronger and stronger...so that she startet to work at the Kitty Lounge. Now she got the chance to change her body as she want to look and only 50% are done...
sob Oh my...I am like sooo happy...
...I have finaly the waist I always wanted...
giggle and look how curvy my hips now are...
...but right now she is unaware that her voice seems to getting higher while she sounds more and more like an airhead Bimbo. Or was it part of her wanted changes too?

And look like fucking big Boooty.
I like totally love how round it is now. It needs to be spanked.

Why is my Skin like itching?

Is that a tan? I like can't r`member that I added...uhm ...

hmmm...

I should take my clothes off... my titts start to expand.

How about you Sheldon? teehee I for my part like my new size.
Ur machine is like fucking awesom. I feel like a new person.

I mean they are **like sooo faky an stuff,** but they are also soft as if..

x-pand

growth

They're **like still growin'?**

Wait... my whole body is like totally changin, hu? And why do I sound like a ditz?
I'm like totally gr-Adu-a...what was like tots the word thingy?

I like fucking get it...
U're makin' me all Bimbo n stuff, r8?
Like go ahead..bwut u should know...me always luved u... Sheldon-puh ...
giggle

But even Sheldon's newest Machine takes its time to rewire such a complicated organ as a brain and completely change a personality, so...
Geraldine can't think straight anymore....
... it's so hard to have a clear thought that doesn't revolve around sex, fun, make-up or shopping...
Brandi was always Geraldine's imagination. She wanted to look like this for years - but to completely align her personality with this figure never crossed Geraldine's mind.

However, because she lived her fantasy daily for many years, the process of resistance was very short...
Like who is Ger... al... dine? Me Brandi...
... Brandi Wild! teehee
Where Geraldine once was, Brandi Wild took place. Gone are the years of education or painful memories being an outsider... Brandi has always been the center of all attention and she enjoys using her body accordingly.

While lust and passion dominate her mind and body, all more complex thought processes are just a colorful something - hidden in a pink cloud. For Brandon and Ava, she no longer poses any threat of ever exposing their game or going public with it.
"PLUMP"
Ohhh... i feel like sooo funny... wanna dance... and I feel like sooo empty...
... can we like totally fuck an have some fun?
giggle

Darling, who is she and why are you changing her?

You know her, Ava. This is Brandi... she gave us some info... and asked to be changed...

Like hi there, Boss Lady Kitty... teehee.

But Brandi Wild was just an alias. Do you remember Geraldine Topazi? That is her...

... she told me that my beloved bro started to tell everyone that her name is not Laura... it is Derek...

... and finaly Geraldine solved our secret. So I changed her a little more...

... and made Brandi Wild her true personality... in Body and Mind.

No way... Geraldine? Worked under the Alias of Brandi Wild? And Derek remember that he not always was a woman? Hm...

This is an amazing twist...why do you think Derek remembers she wasn't always Laura?
I have no idea, Ava.
But leave her to me. However, I need this room in... say 20 minutes?
Alright. Brandi's transformation is mostly done. In 20 minutes should the room be free.

After I'm done with Laura, we need to look for a new Lapdancer.
Sounds interessting. But remember that she is still family.
Oh... and let Brandi age... or make her younger... maybe six years? She should not have the same age as we have.
D'accord... Safety first.

If Laura really remembers that she once was Derek, there must be a reason. The first thing I have to do is gain her trust....
If we need a new table dancer to replace Laura, I will specialize Brandi for that. As a new young woman in her early 20s, she still needs a specialty.
Sounds good, Darling.
Dereck was always very easygoing... If I'm strict with him, it doesn't help. So first change clothes and slip into something loose....

Laura? Are you there?
U-hum?
Can I can come in?
Sure...

Do you have a moment for me?

Where are you?
I'm here, Kitty... can't you see me?
No, that is part of the Problem... my view is blurred.
