A 3D-rendered interior scene of a room. The walls are covered in vertical wood paneling. A large, ornate wooden door is on the left. In the center, a mirror hangs on the wall between two sconces. To the right, a window with a wooden frame looks out onto a bright blue sky. In the foreground, a white vanity with a sink and some items on it is visible.

"After all these time,  
the Alliance finally  
pierced through enemy's  
heavy defense line."

"But they only have one chance to strike, if it failed, the war would lead to a tragic end."

"What they need  
is target's coordination."

"Seem like they will need some more time.."

"And it also granted me enough time and opening.."

"..to end everything with this house."

You have served  
me a great time, Marie.

Although we were not the same, this country still own you a medal..

A 3D rendered female figure is lying on a red surface, possibly a bed or floor. The figure is positioned horizontally, with her head to the left and legs to the right. Her arms are raised, and her legs are bent at the knees. A speech bubble is located above her head, containing the text: "I afraid that.. they won't have the time to do that anytime soon." The figure's skin is a light, realistic tone with visible muscle definition and shading. The background is a solid, vibrant red color. In the bottom left corner, there is a small, stylized logo or signature of a character with a large head and a small body.

I afraid that.. they  
won't have the time  
to do that anytime soon.

"This was truly  
meaningless right  
from the beginning.."

"There once said, '  
We kill the strongest  
one, the others will  
back down.'"

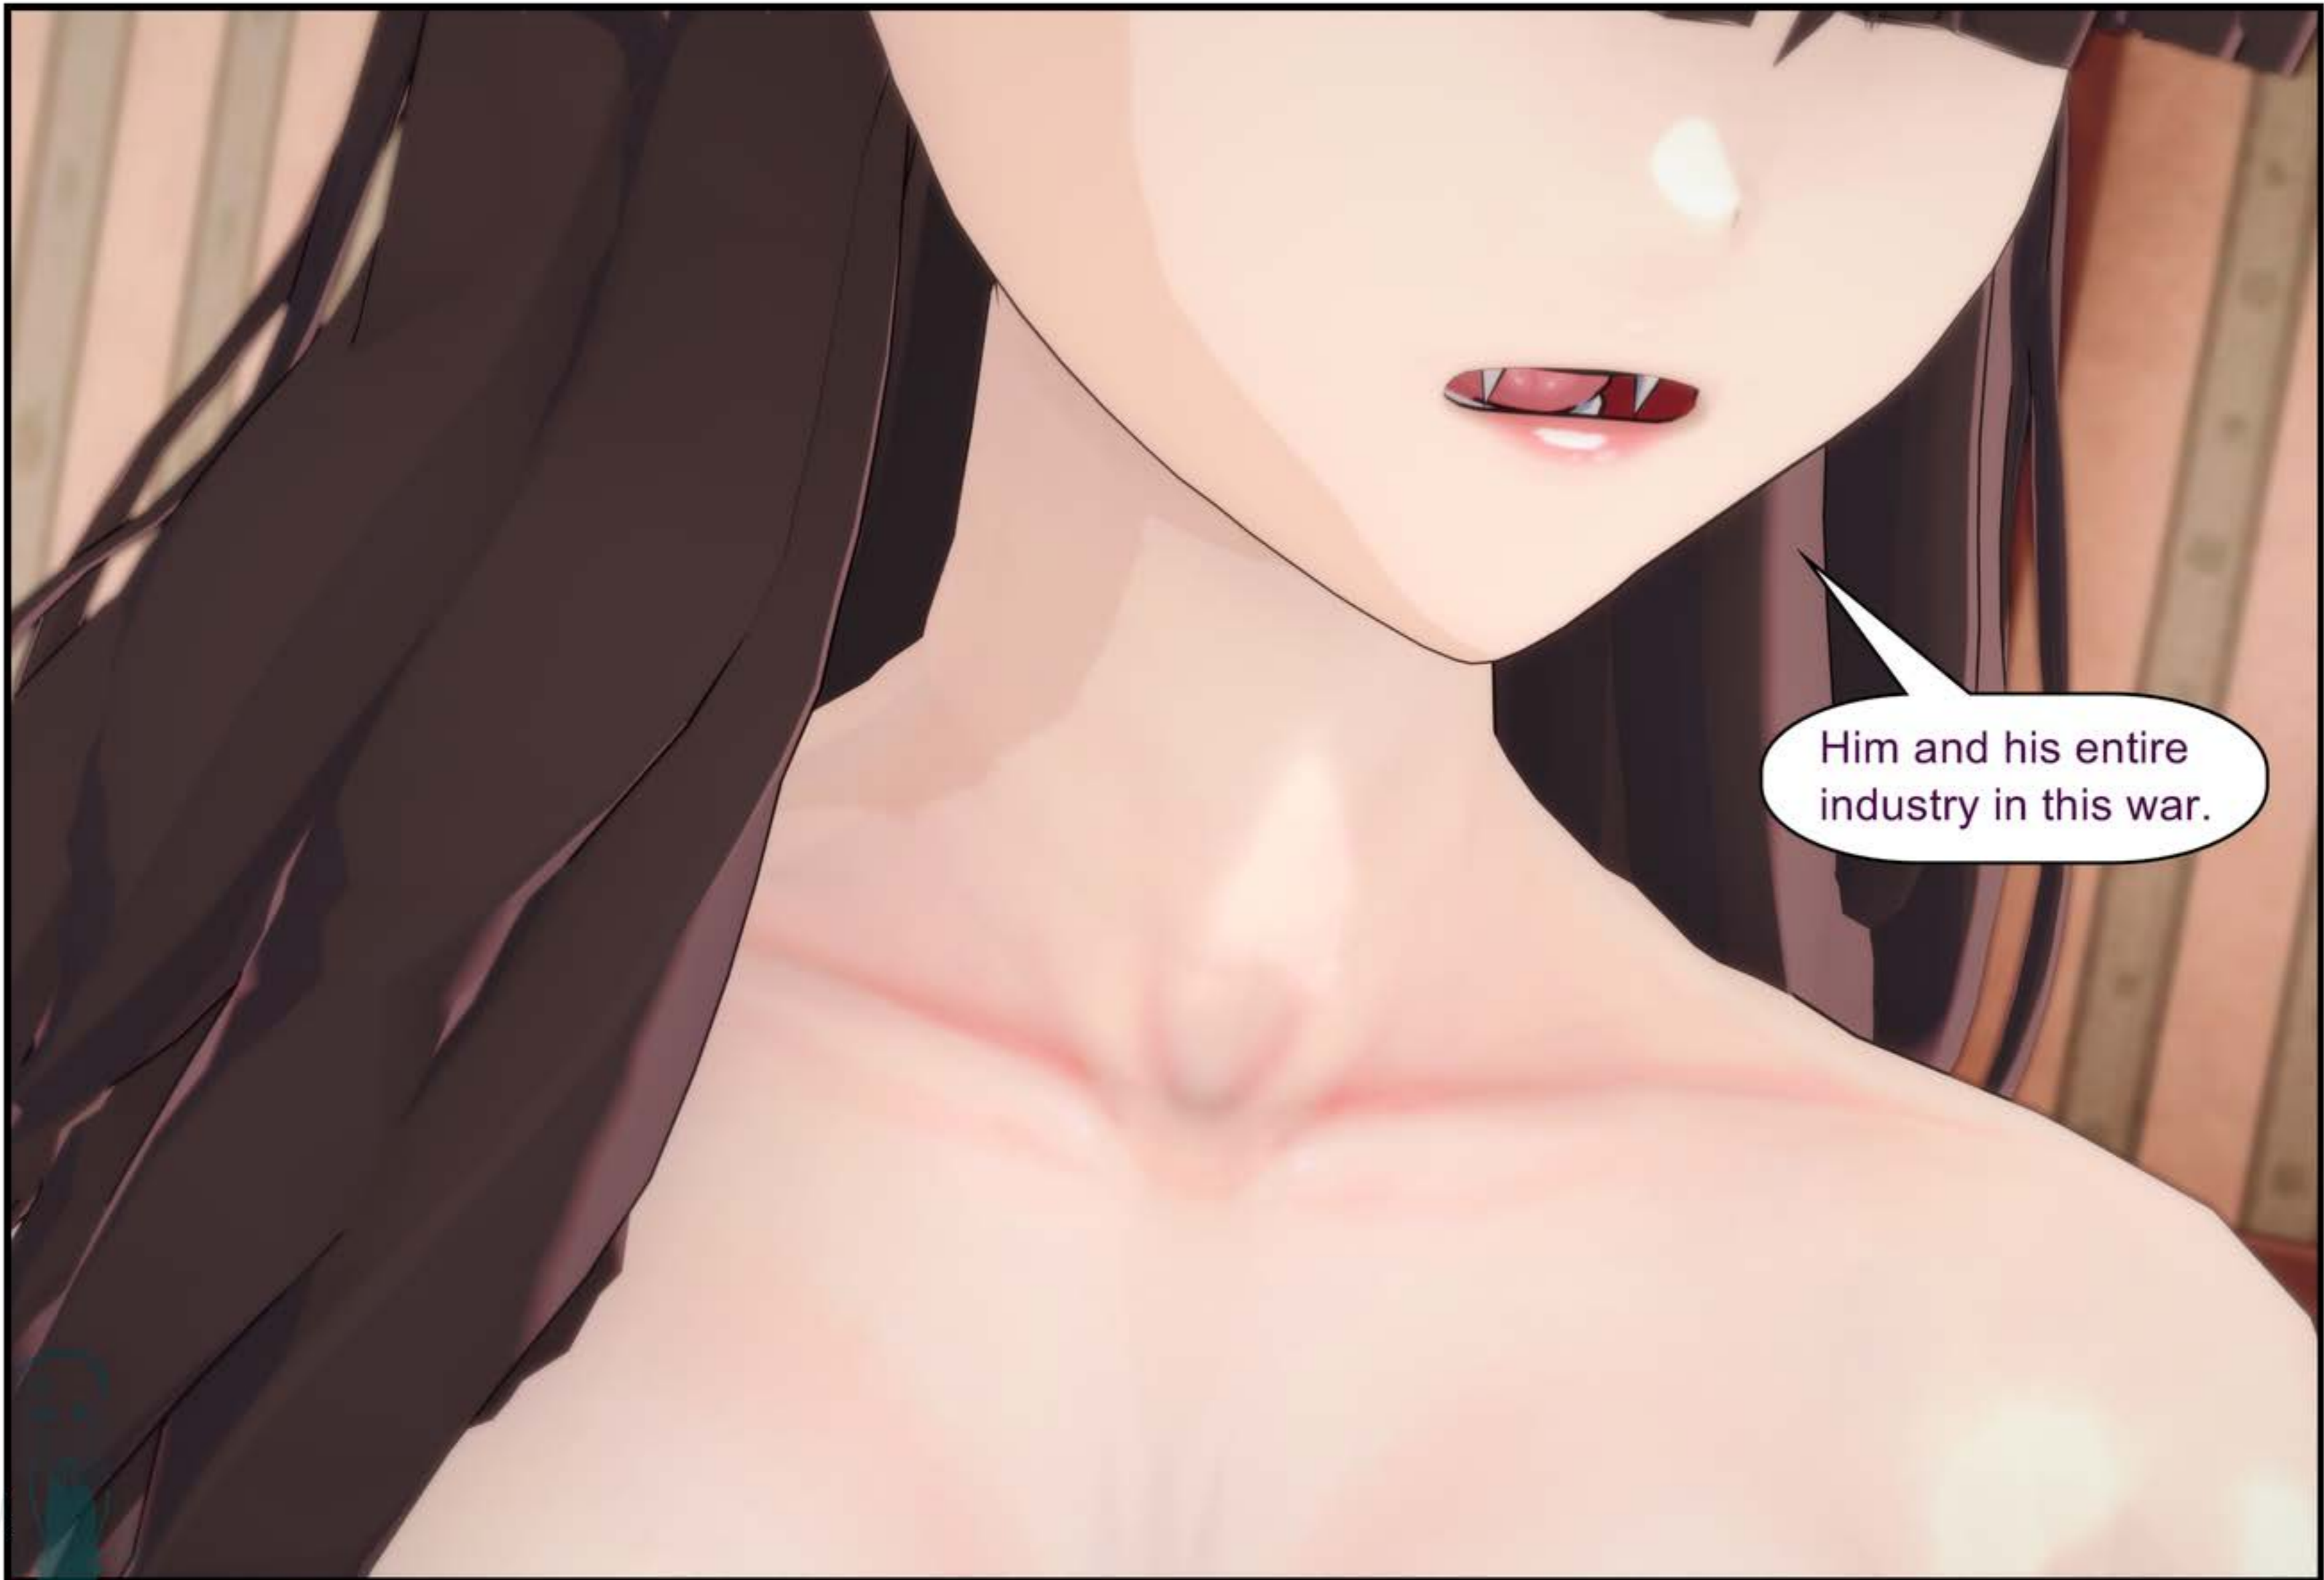

"That man is going to pay for his sin.."

Him and his entire industry in this war.

Meanwhile..

I surprised that you  
were actually a Vampire..

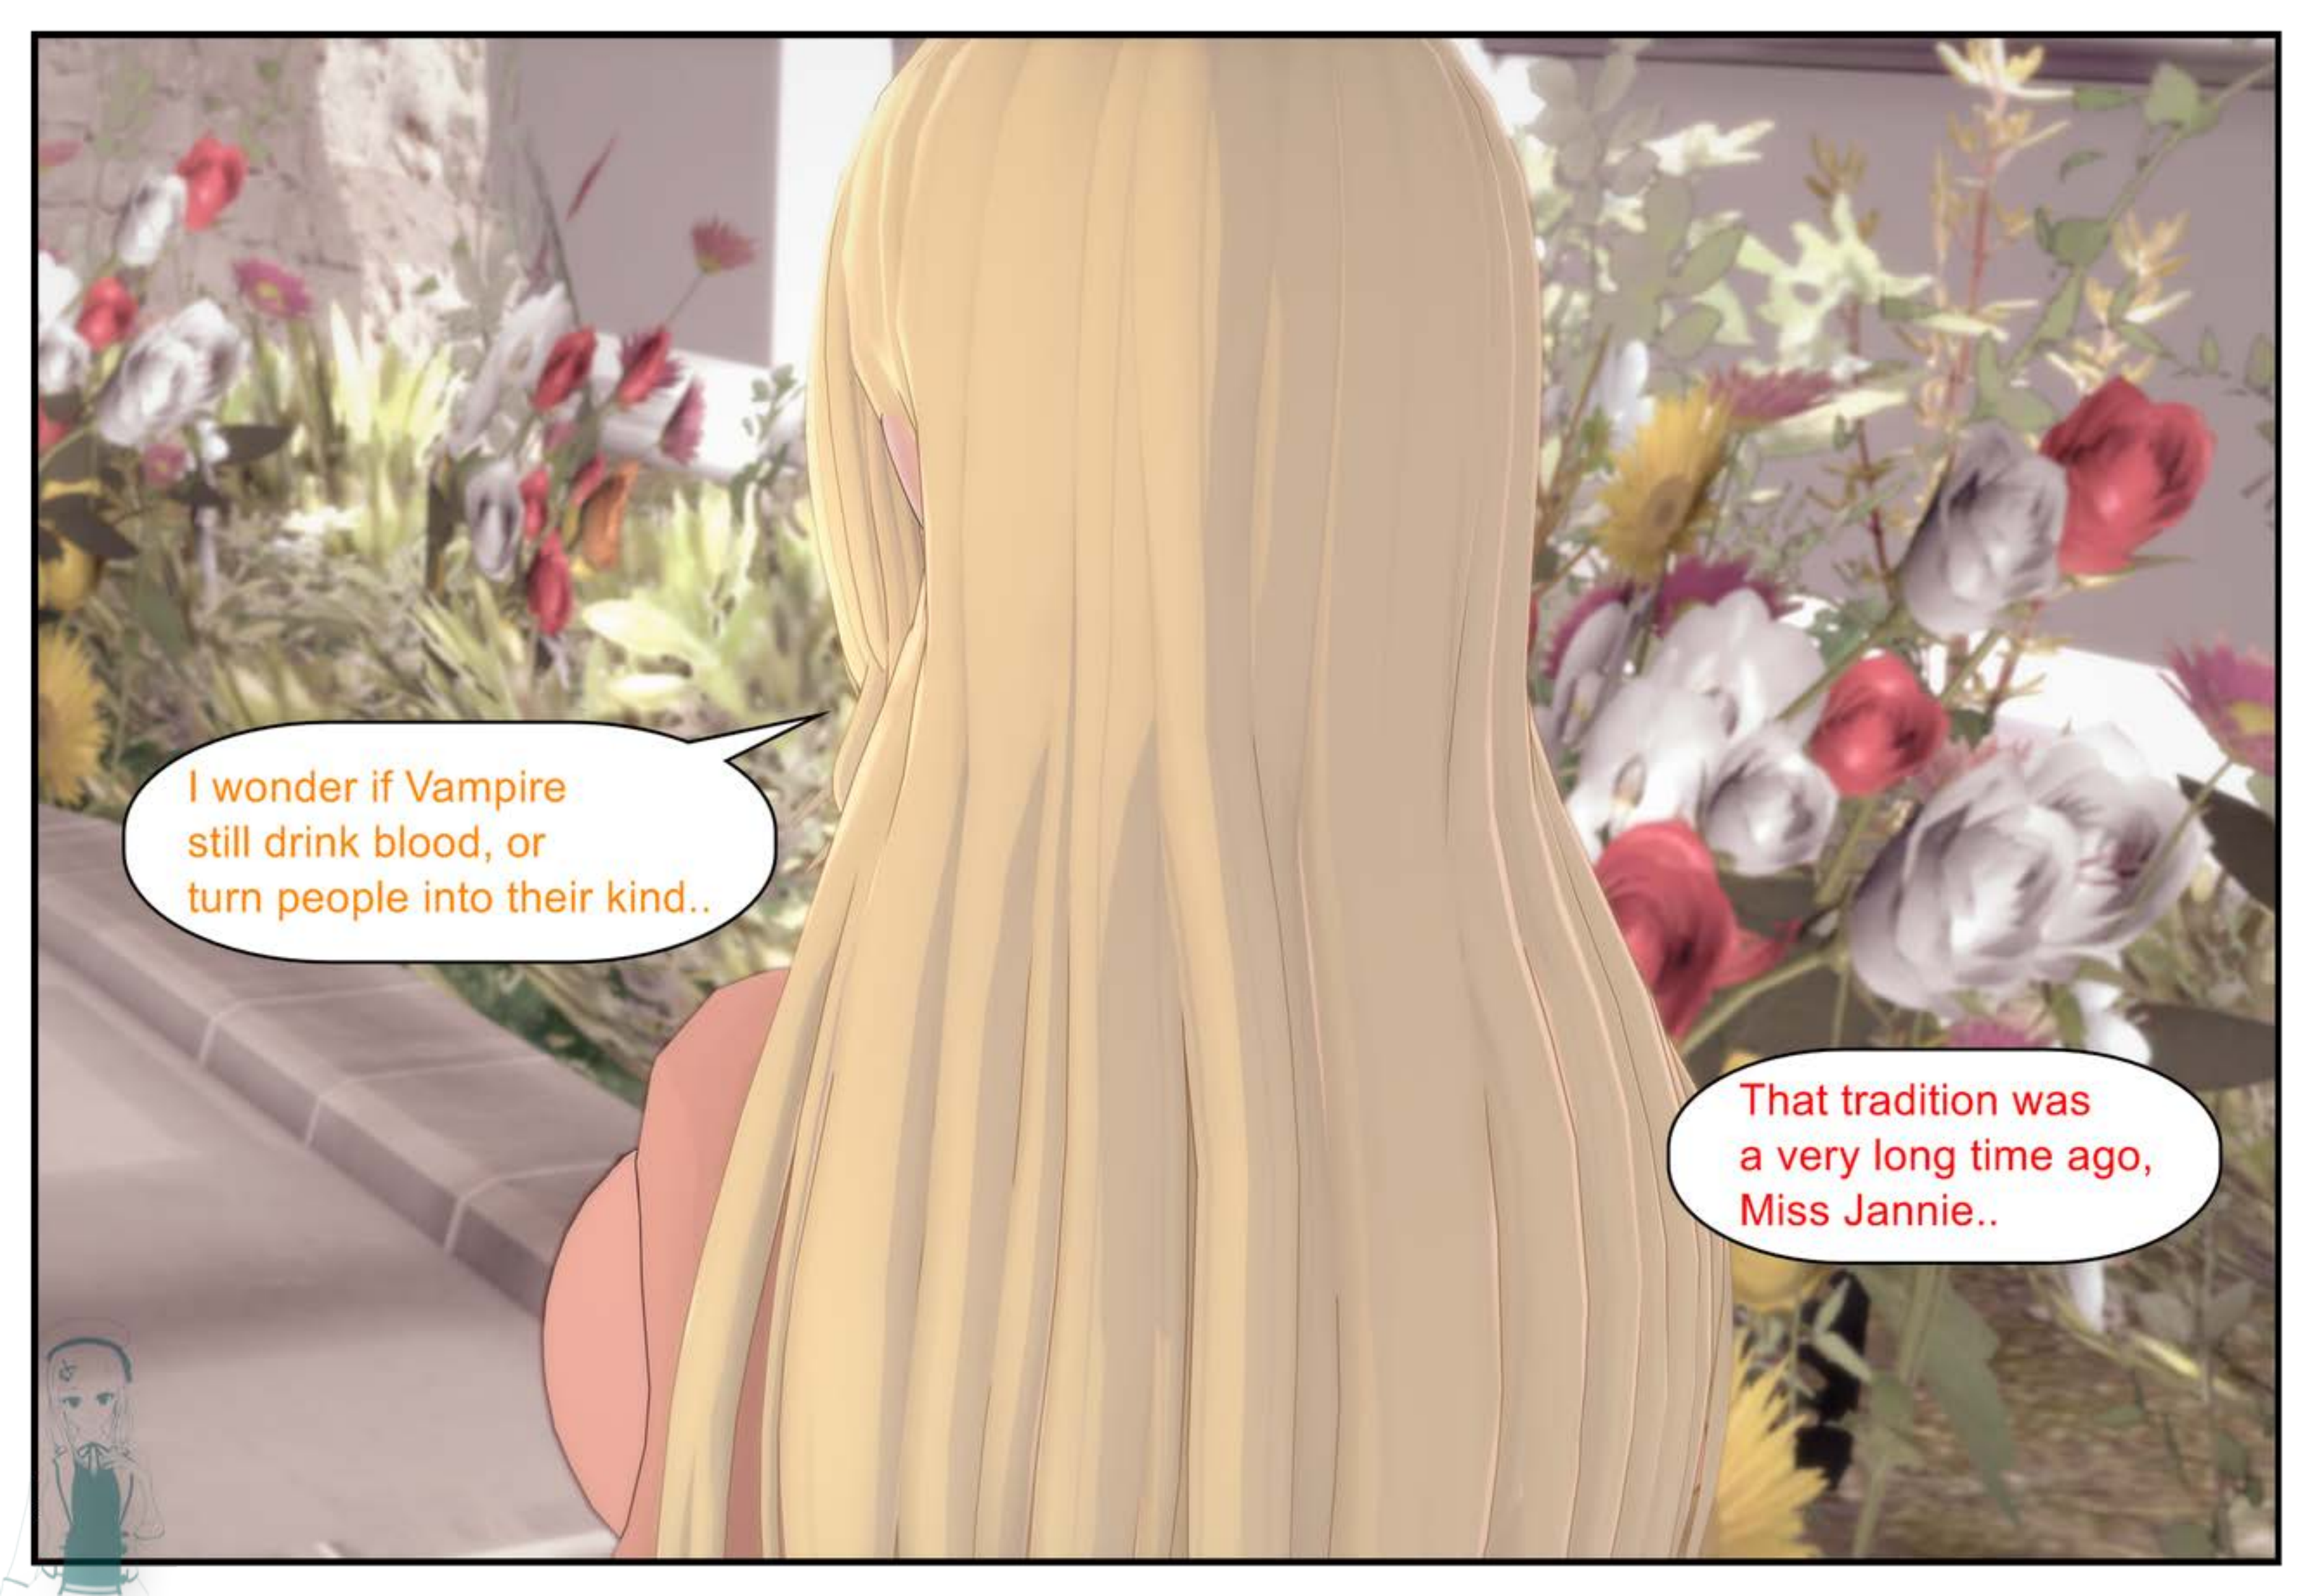

I began to think  
it was just a myth..  
Like some fantasy  
for children only.

I wonder if Vampire  
still drink blood, or  
turn people into their kind..

That tradition was  
a very long time ago,  
Miss Jannie..

We now mostly lay low, or live under normal human skin.

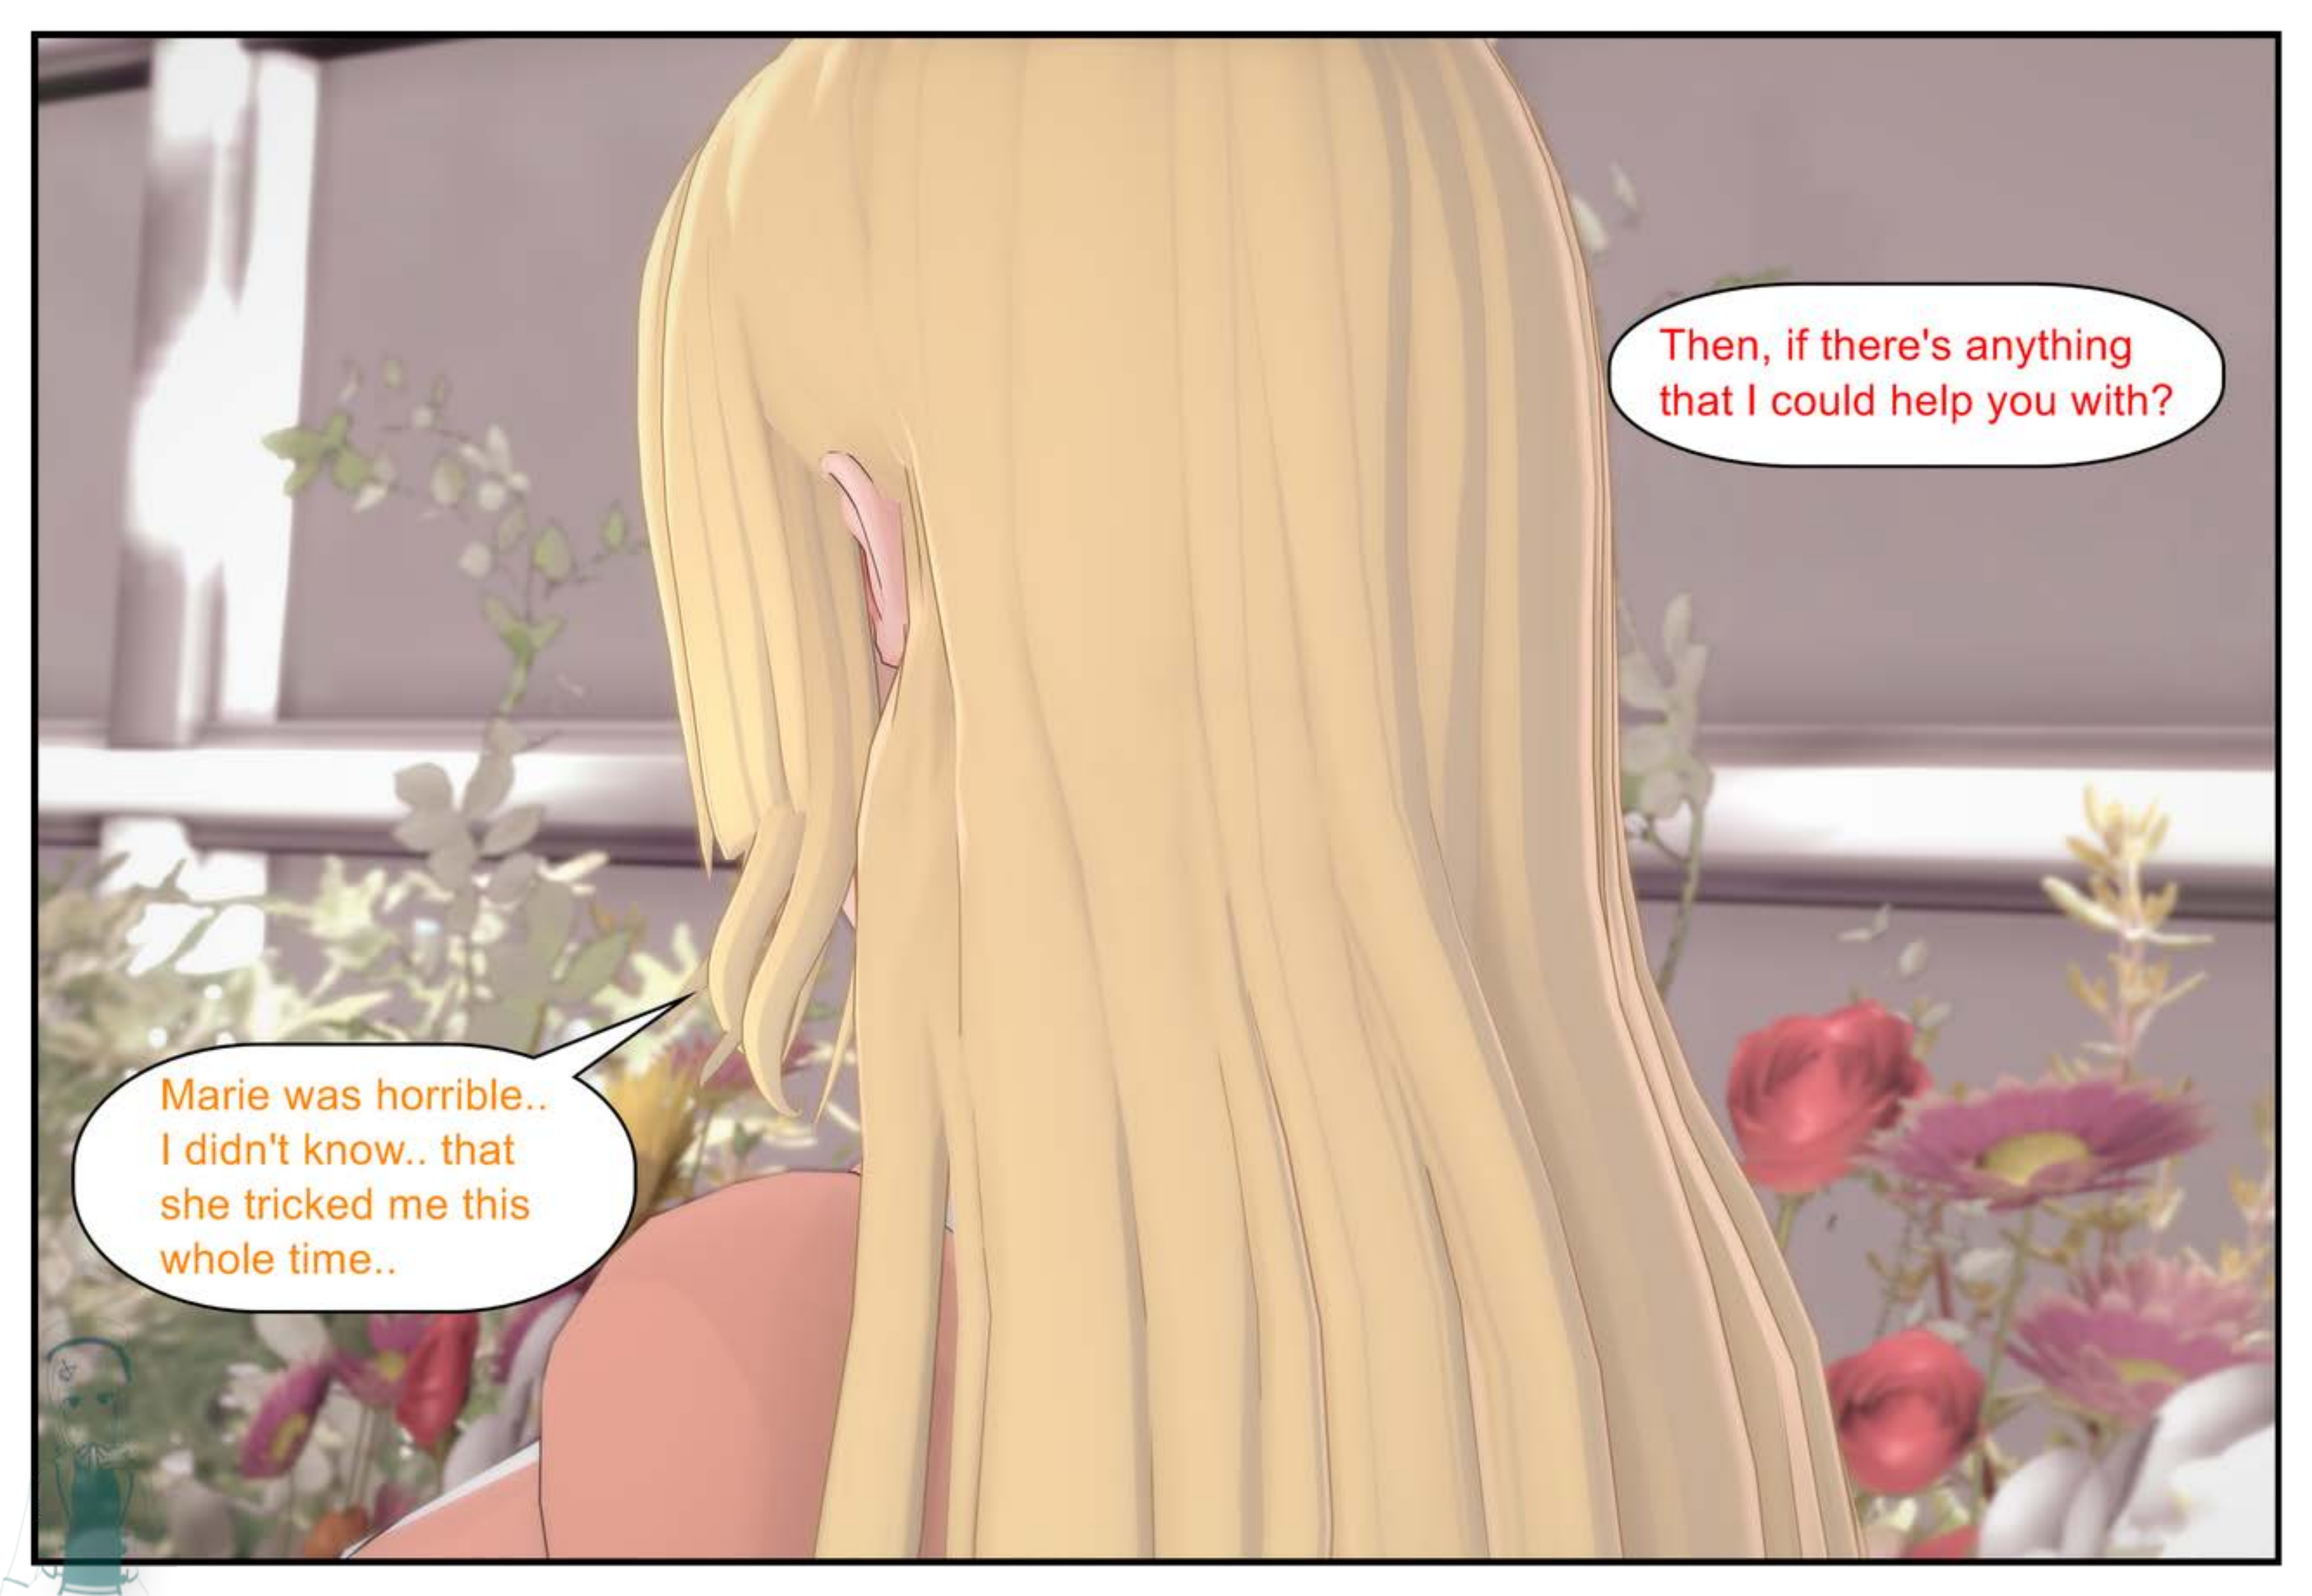

For now, we rarely  
drink blood, because it  
would trigger our  
ancient instinct..

Marie was horrible..  
I didn't know.. that  
she tricked me this  
whole time..

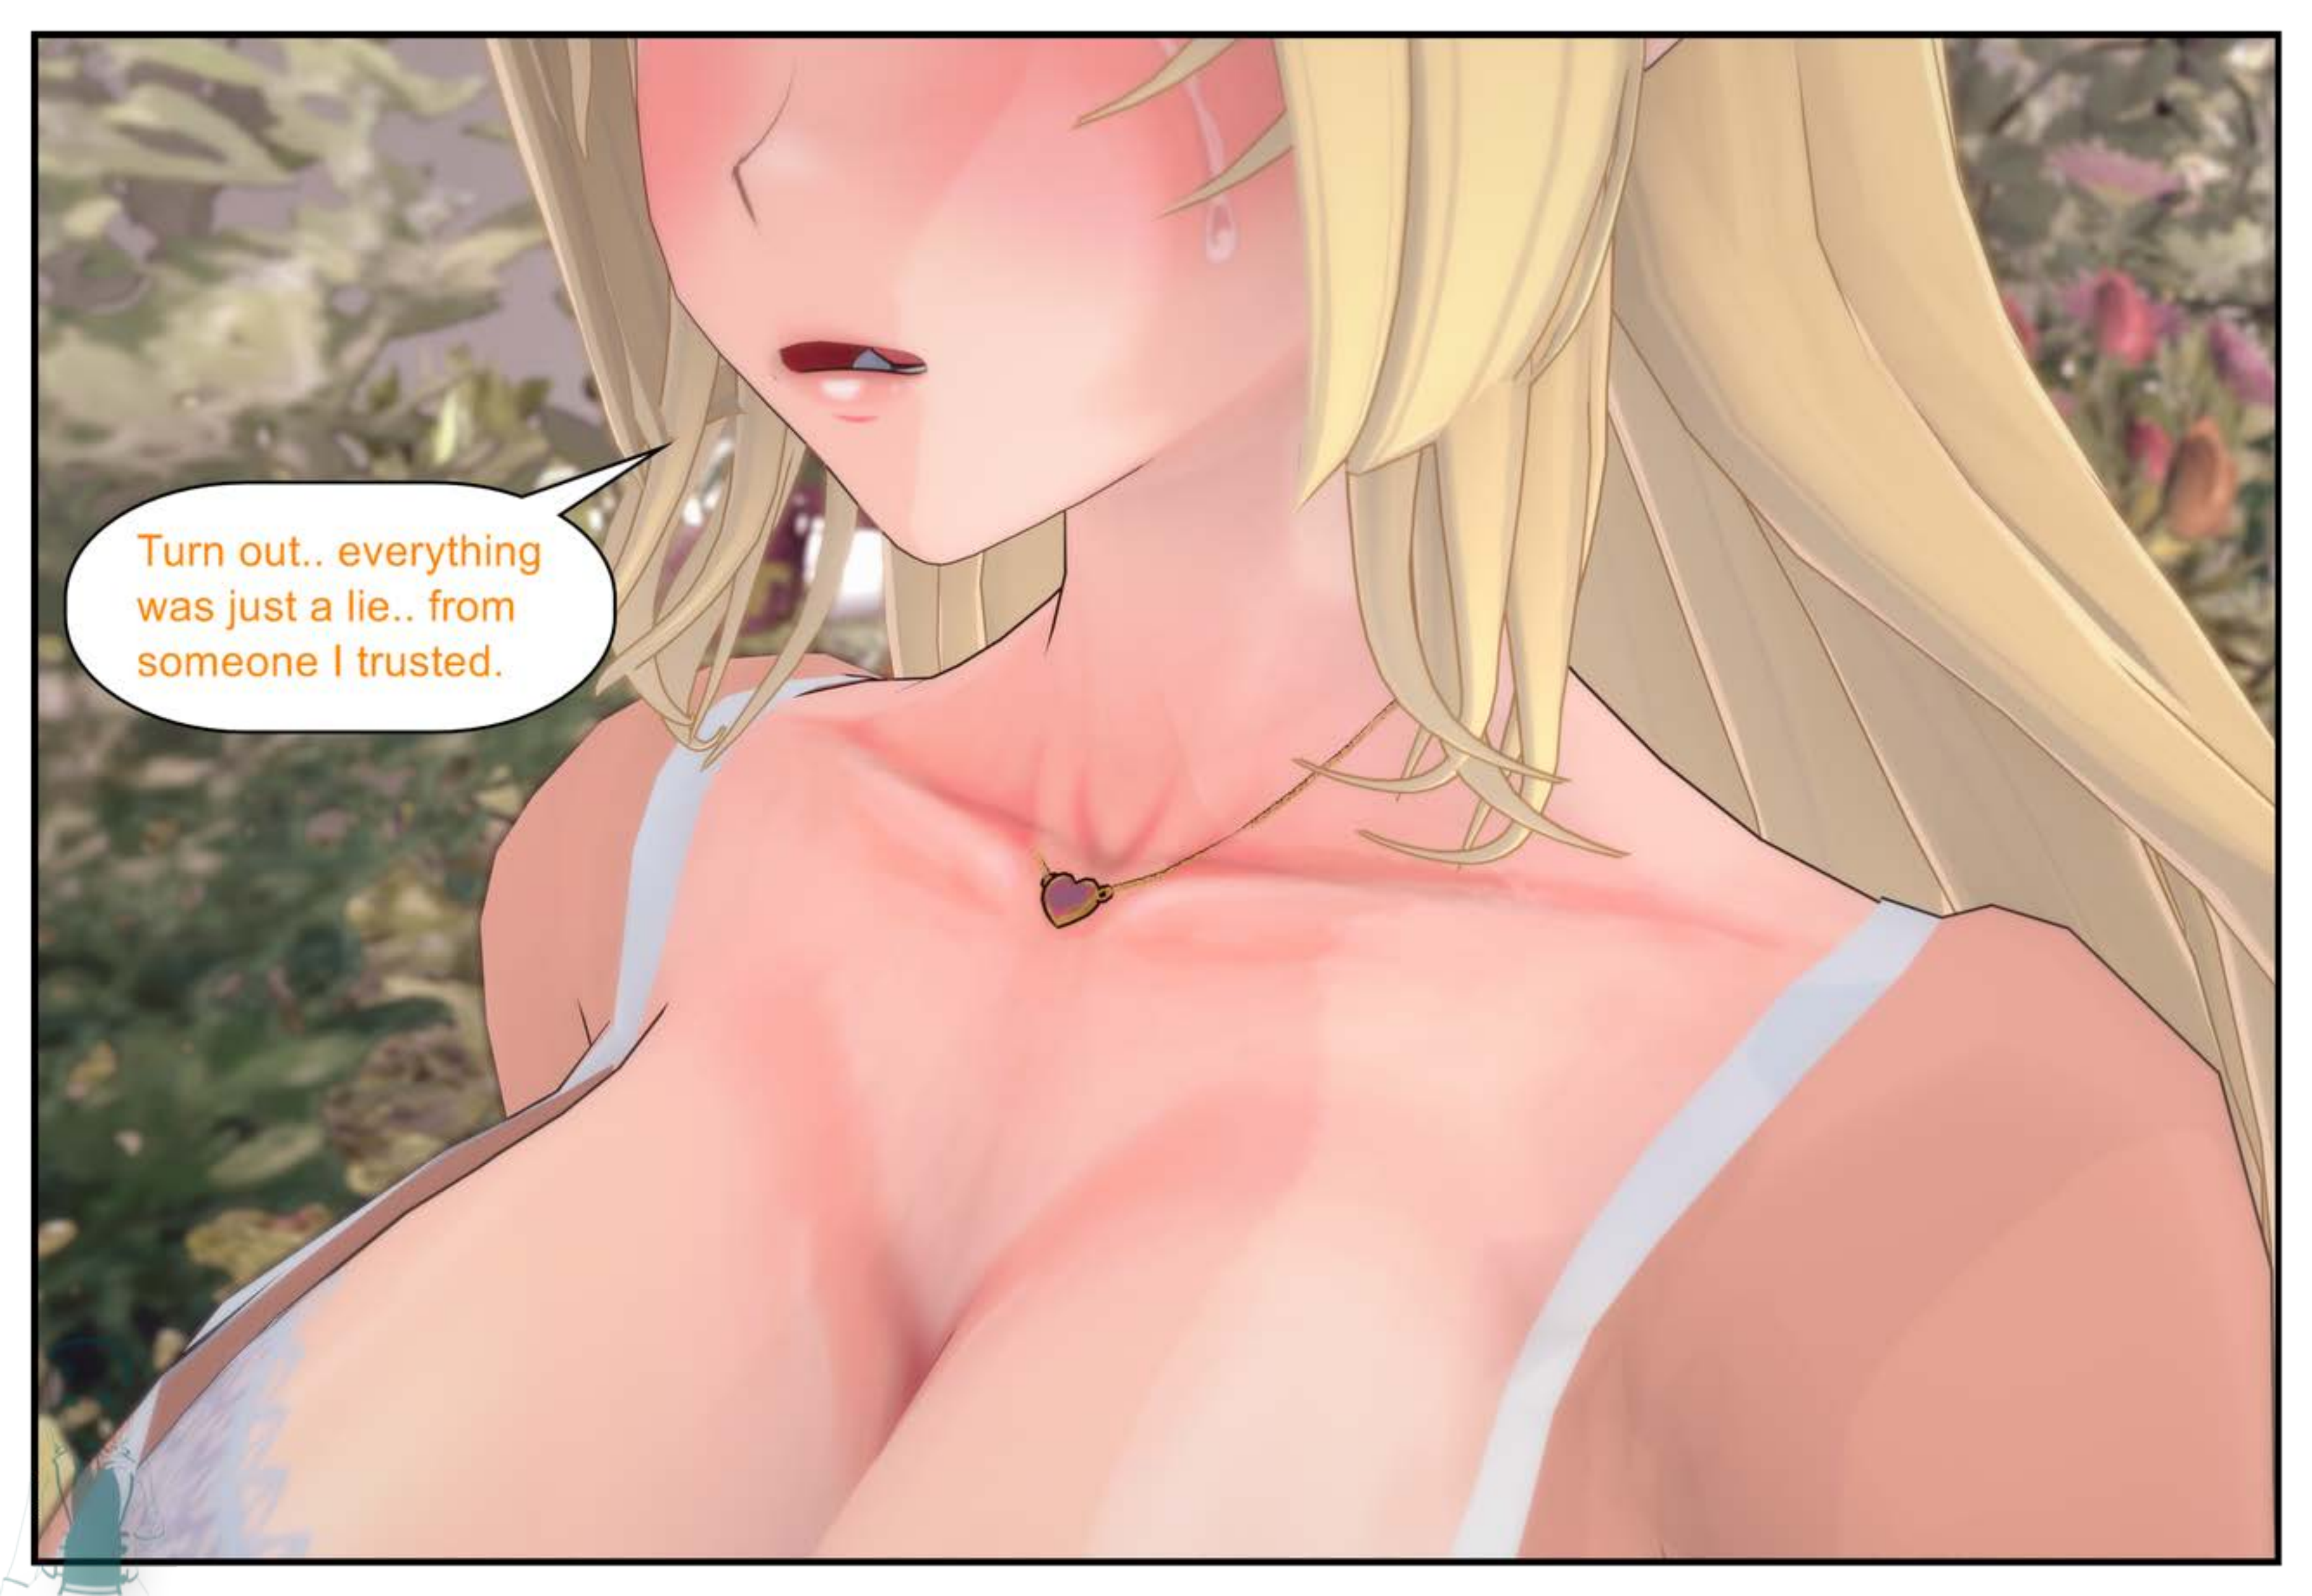

Then, if there's anything  
that I could help you with?

I always thought..  
keeping hope.. that  
one day.. Max will  
return in those letters.

Turn out.. everything  
was just a lie.. from  
someone I trusted.

Hey.. Maybe I don't know your name, but if Vampire can actually do anything..

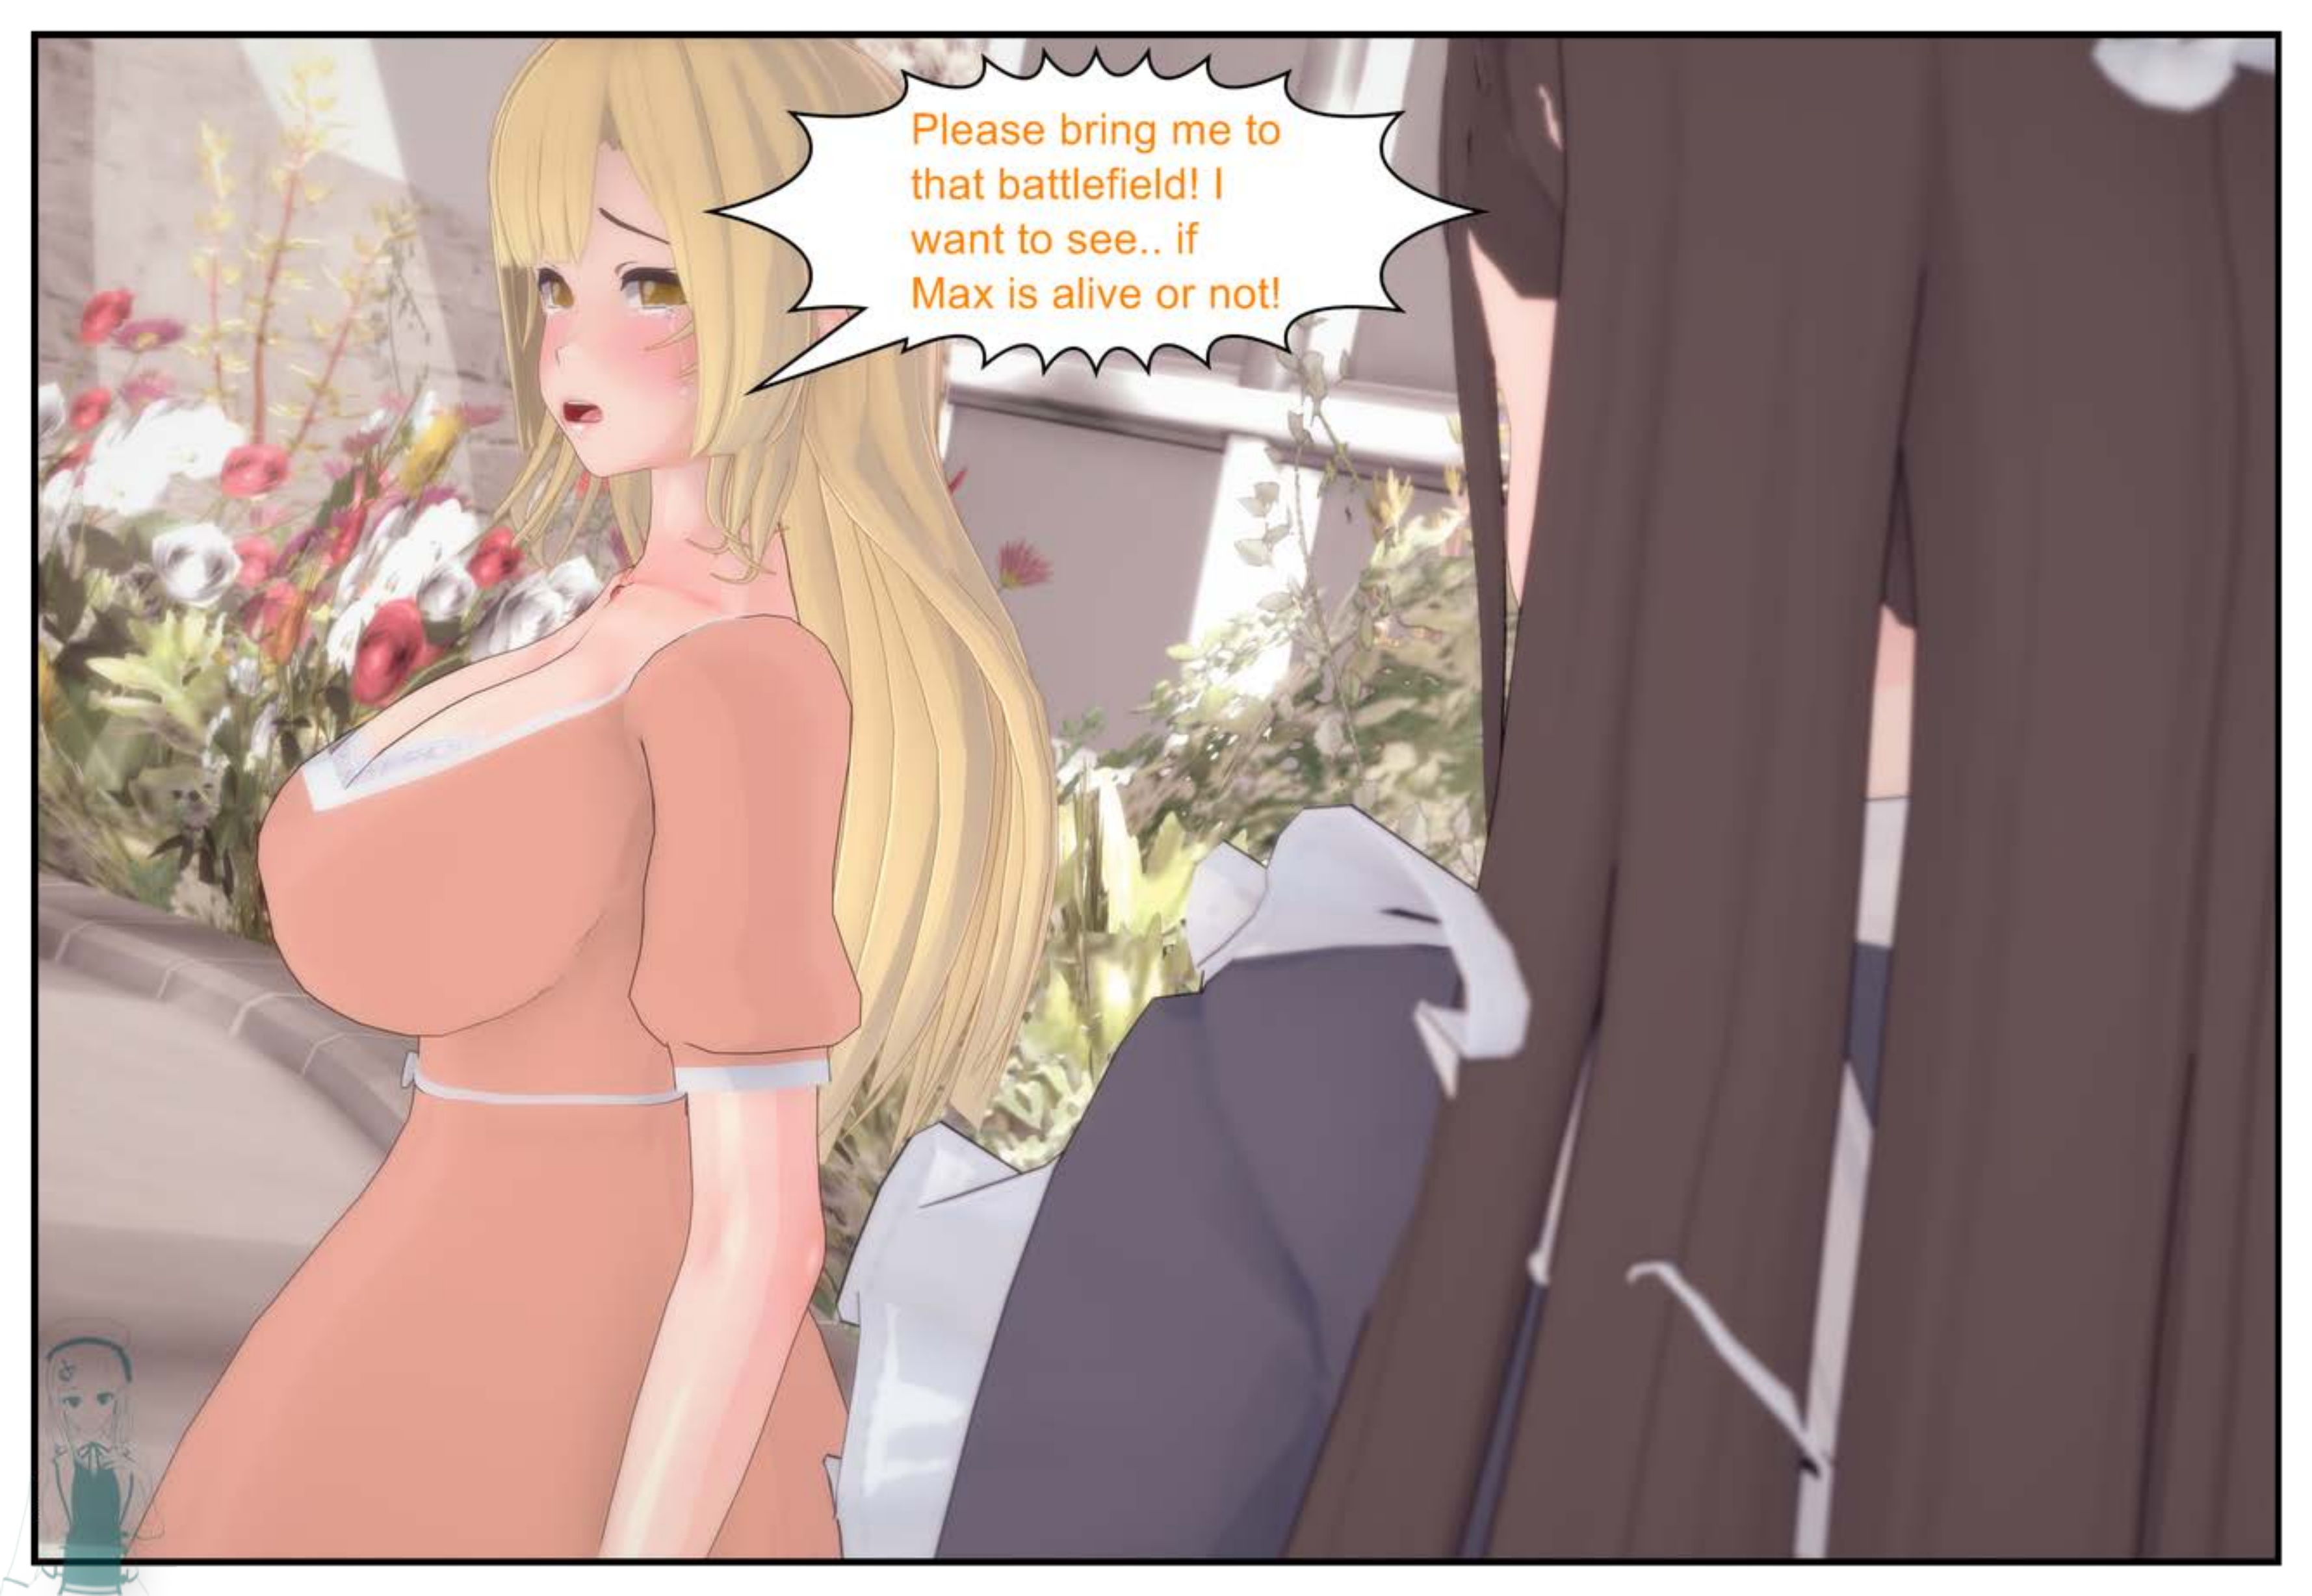

I'm willing to serve  
my blood.. maybe all..

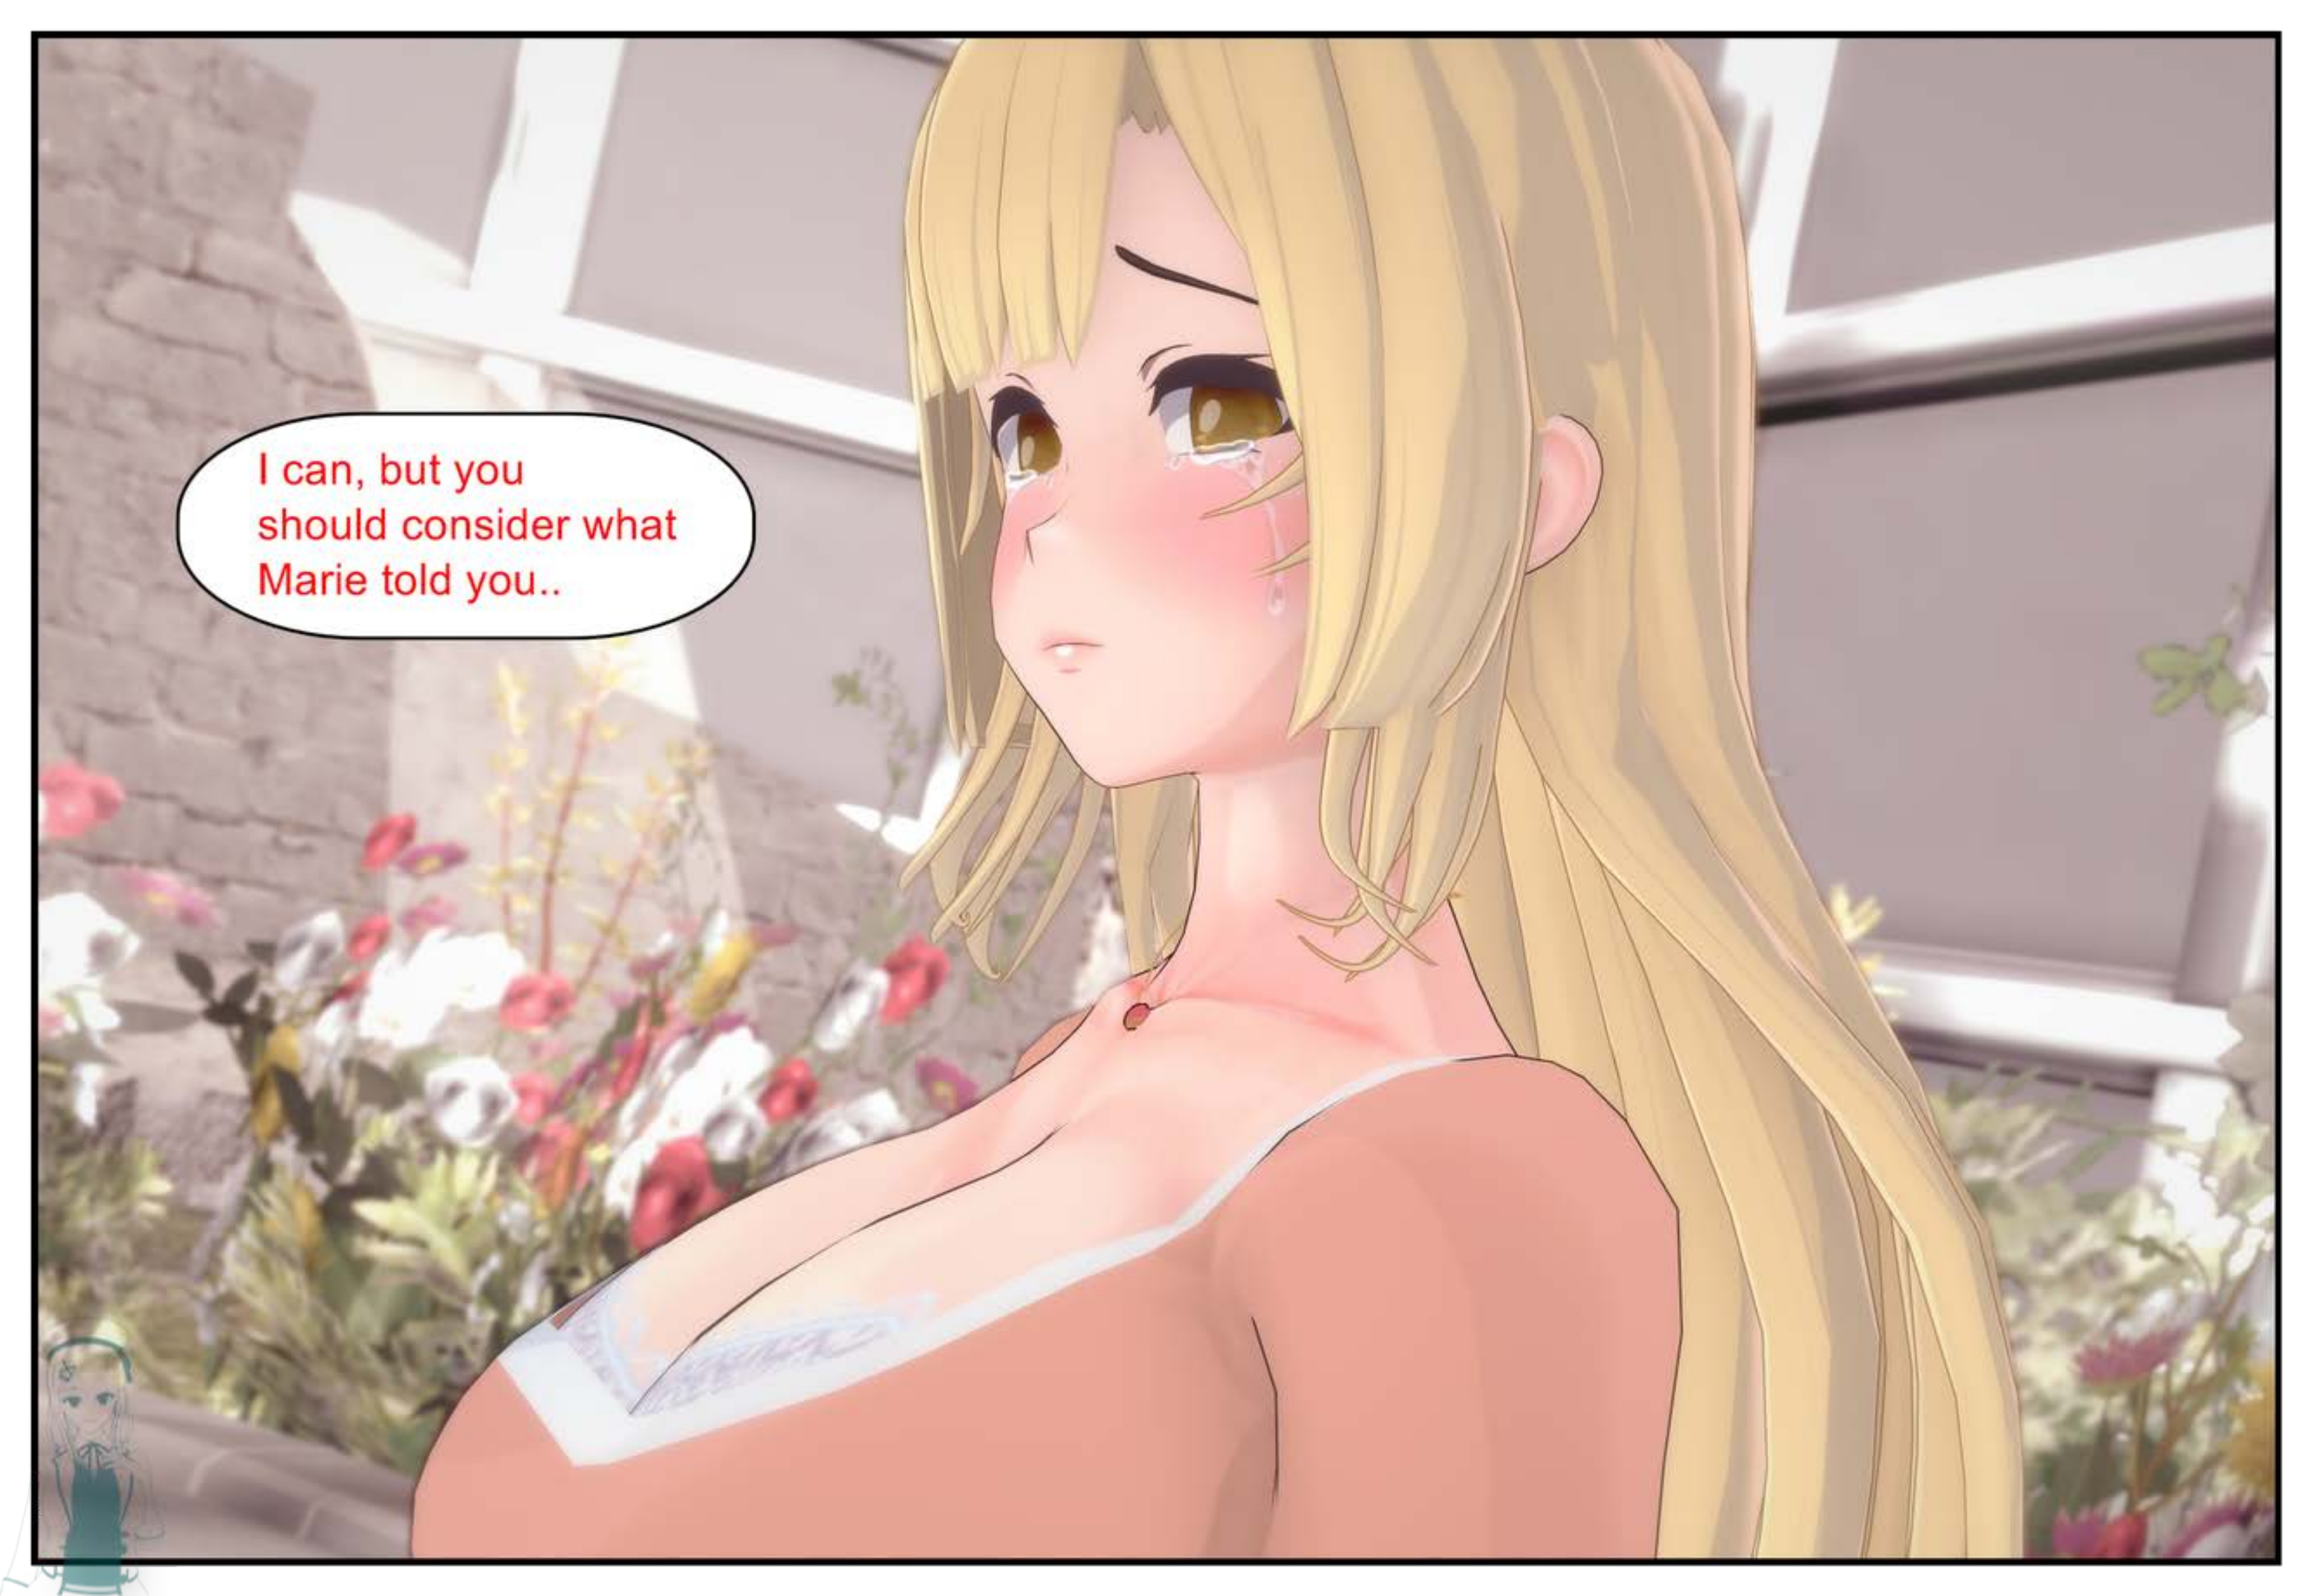

A manga-style illustration showing a blonde woman with long hair, wearing an orange dress, looking pleadingly at a man in a dark suit. The man is partially visible on the right side of the frame. The background features a garden with red and white flowers. A speech bubble from the woman contains the text: "Please bring me to that battlefield! I want to see.. if Max is alive or not!".

Please bring me to  
that battlefield! I  
want to see.. if  
Max is alive or not!

I can, but you  
should consider what  
Marie told you..

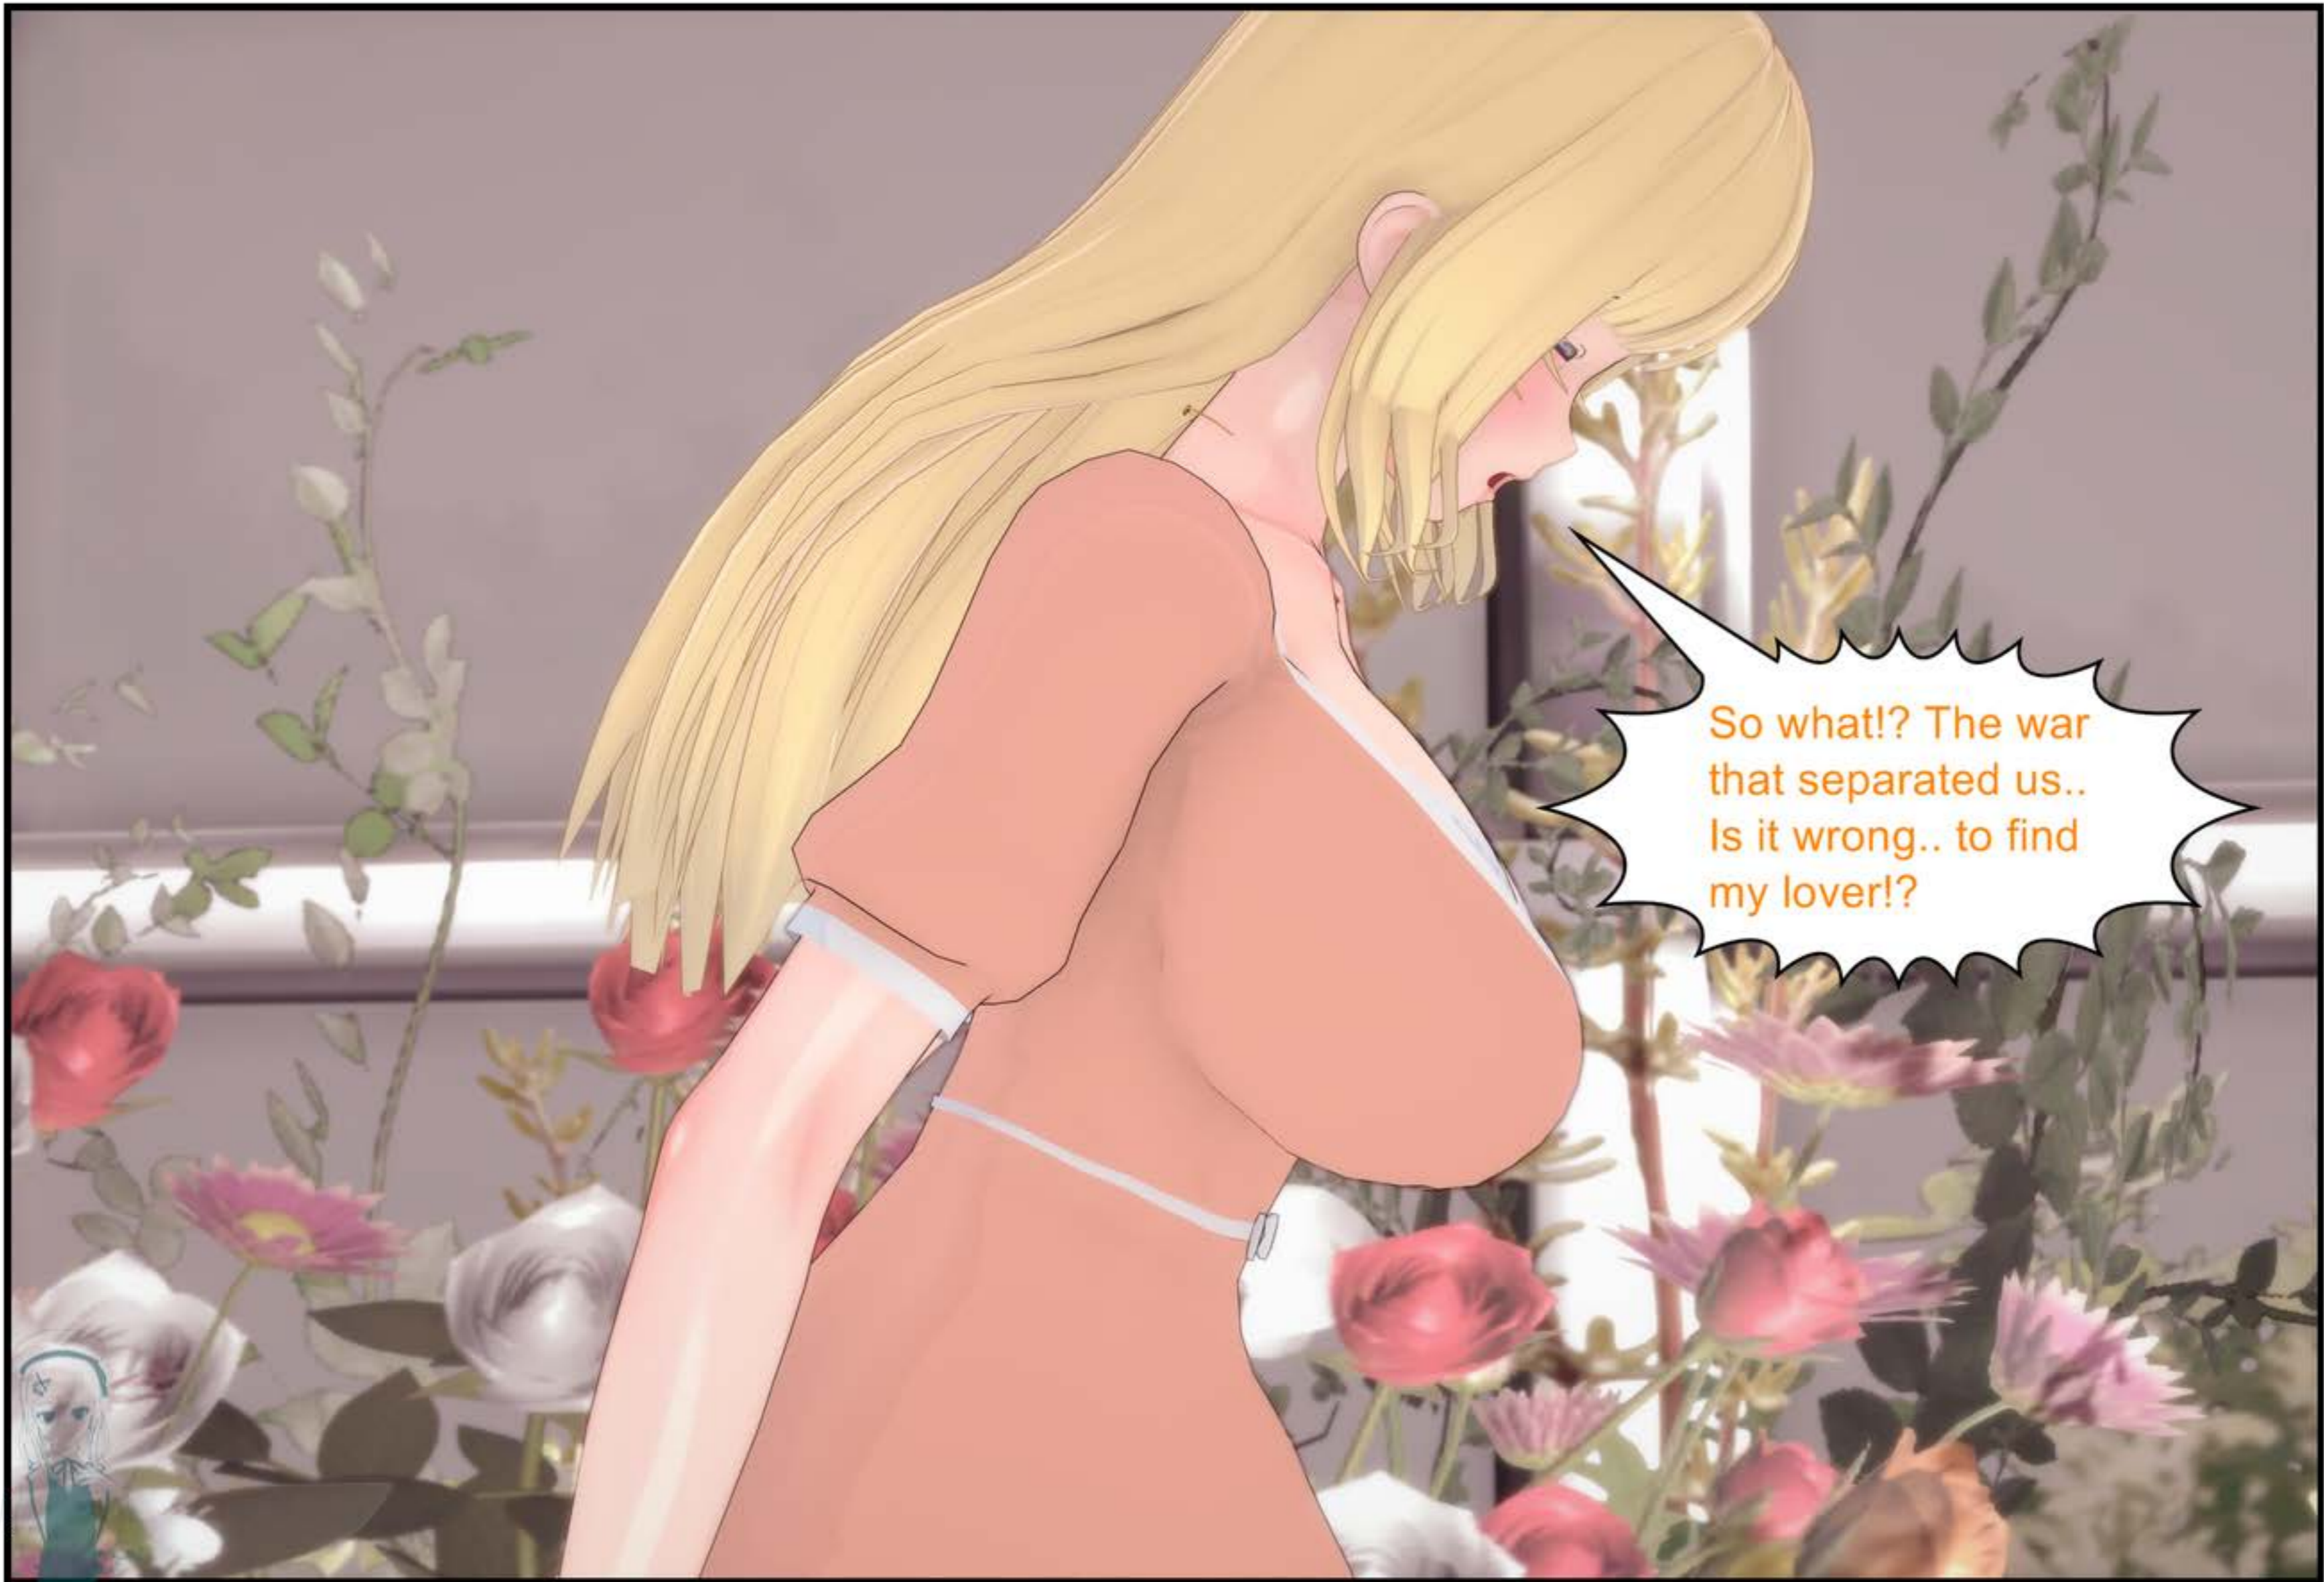

You have a future,  
yet, you wanted to spend  
your life at the place  
has nothing but death..

So what!? The war  
that separated us..  
Is it wrong.. to find  
my lover!?

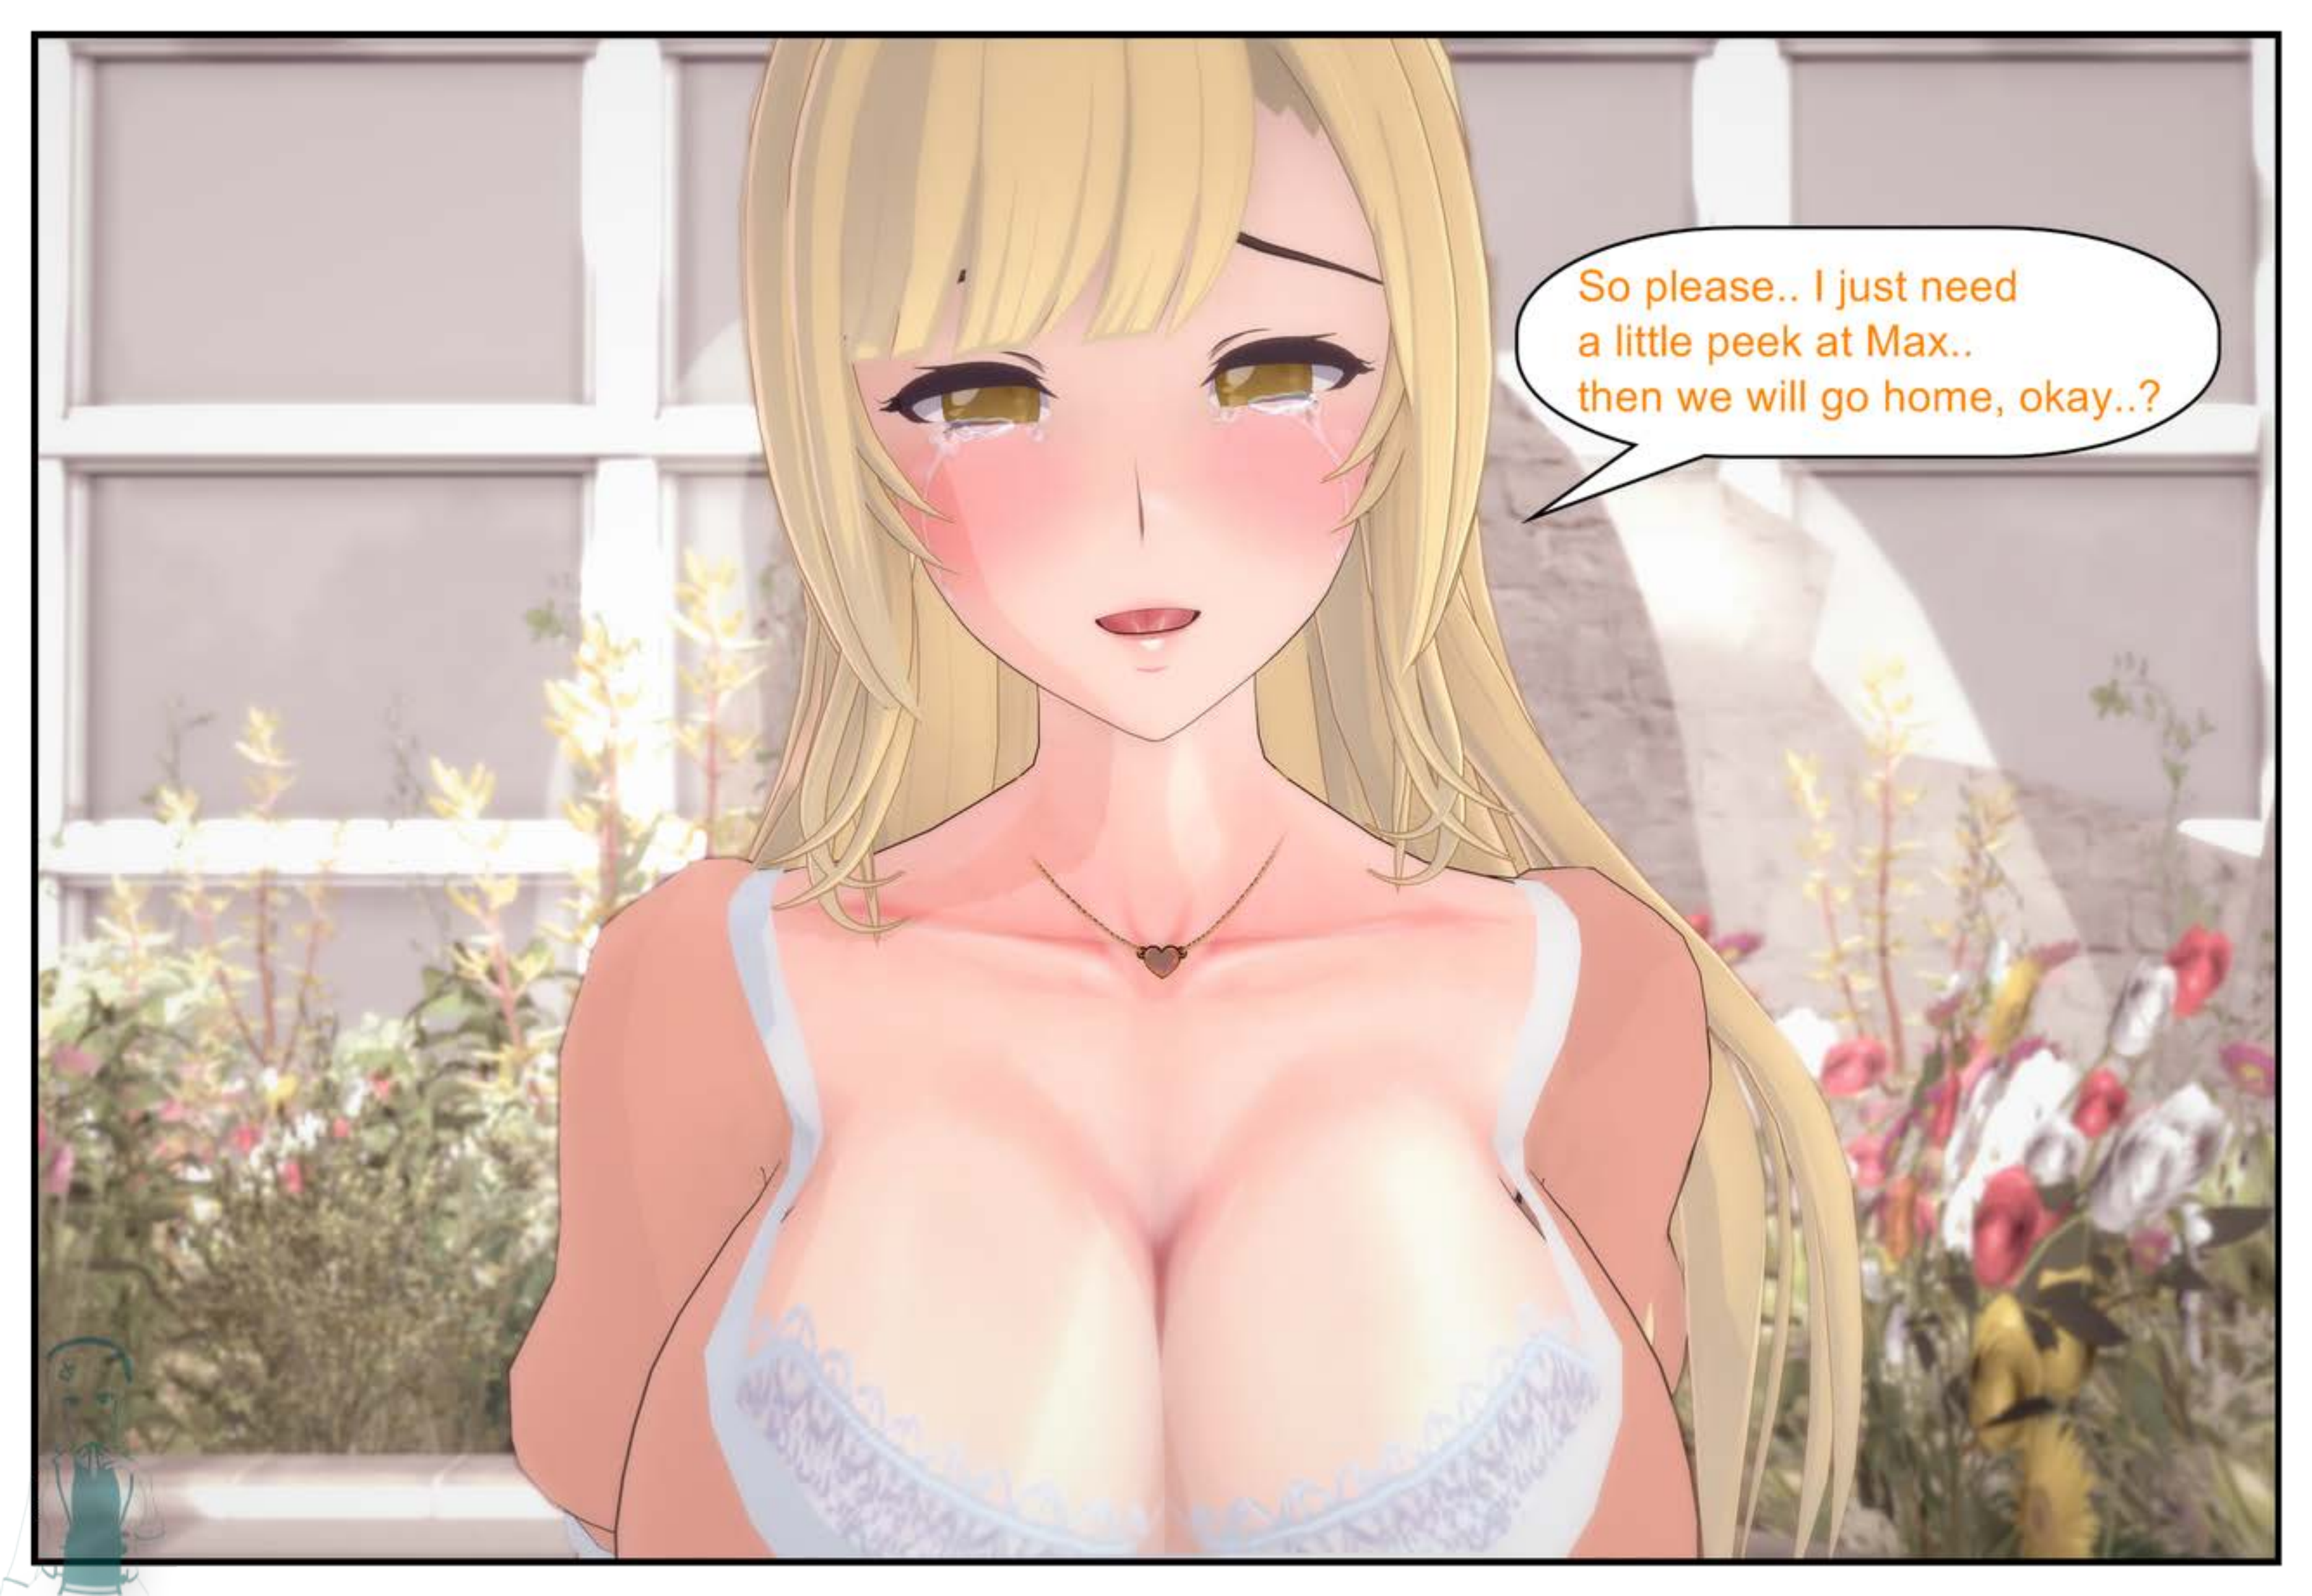

I have had enough  
with my Father, that  
fiancee, or even Marie..

So please.. I just need  
a little peek at Max..  
then we will go home, okay..?

"My first time ever..  
to see a person bind  
in love this much."

I'm sorry, I can't  
do that.

Because seeing blood at the battlefield, it will drive me crazy.

Master, did you call for me?

Marie, do you know that how many man has to out for war each day?

A character with white, scale-like hair and a black coat is shown from behind, looking out a window. The window frame is dark red. Outside, there is a snowy landscape with mountains and a blue sky with white clouds. The character's right hand is resting on the windowsill.

To now, it's getting less.. truly, those only afraid of death.

Even the Alliance think that they could take over my industry..

Well, they are wrong.  
Our army will make  
them regret their decision..

Yes Master, since they only punched a hole in our defense..

Yes, but soon, we are going to fix it with their graves..

Anyway, I think you already know why did I call you, right?

I'm always ready.

..to serve you as  
your head maid, Master.

「おっぱい

Hah.. Yes.. take  
a short break and  
we will continue.

Ugh.. That girl..

"She seem disappointed,  
but still show me Marie's  
room and give me the key."

"The owner isn't here at the moment, then I'm safe.."

Fuwaahhh, I'm  
going to burn..

A manga-style illustration showing a woman's legs from the waist down, wearing a light-colored, possibly white, dress. She is standing on a red rug. In the foreground, a maid in a dark blue uniform with a white apron and a black headscarf with a white frill is lying face down on the red rug. The room has dark wood paneling on the walls and floor. A speech bubble is positioned above the woman's legs.

"Hmph.. It was a nice room for maid.."

"I better be quick  
before Marie return.."

"Now then.. Where should I start to look?"

"Hm..? What..  
is that scent..?"

"It smell sweet..  
like a rose just bloom."

Came from this jar.. Some kind of perfume?

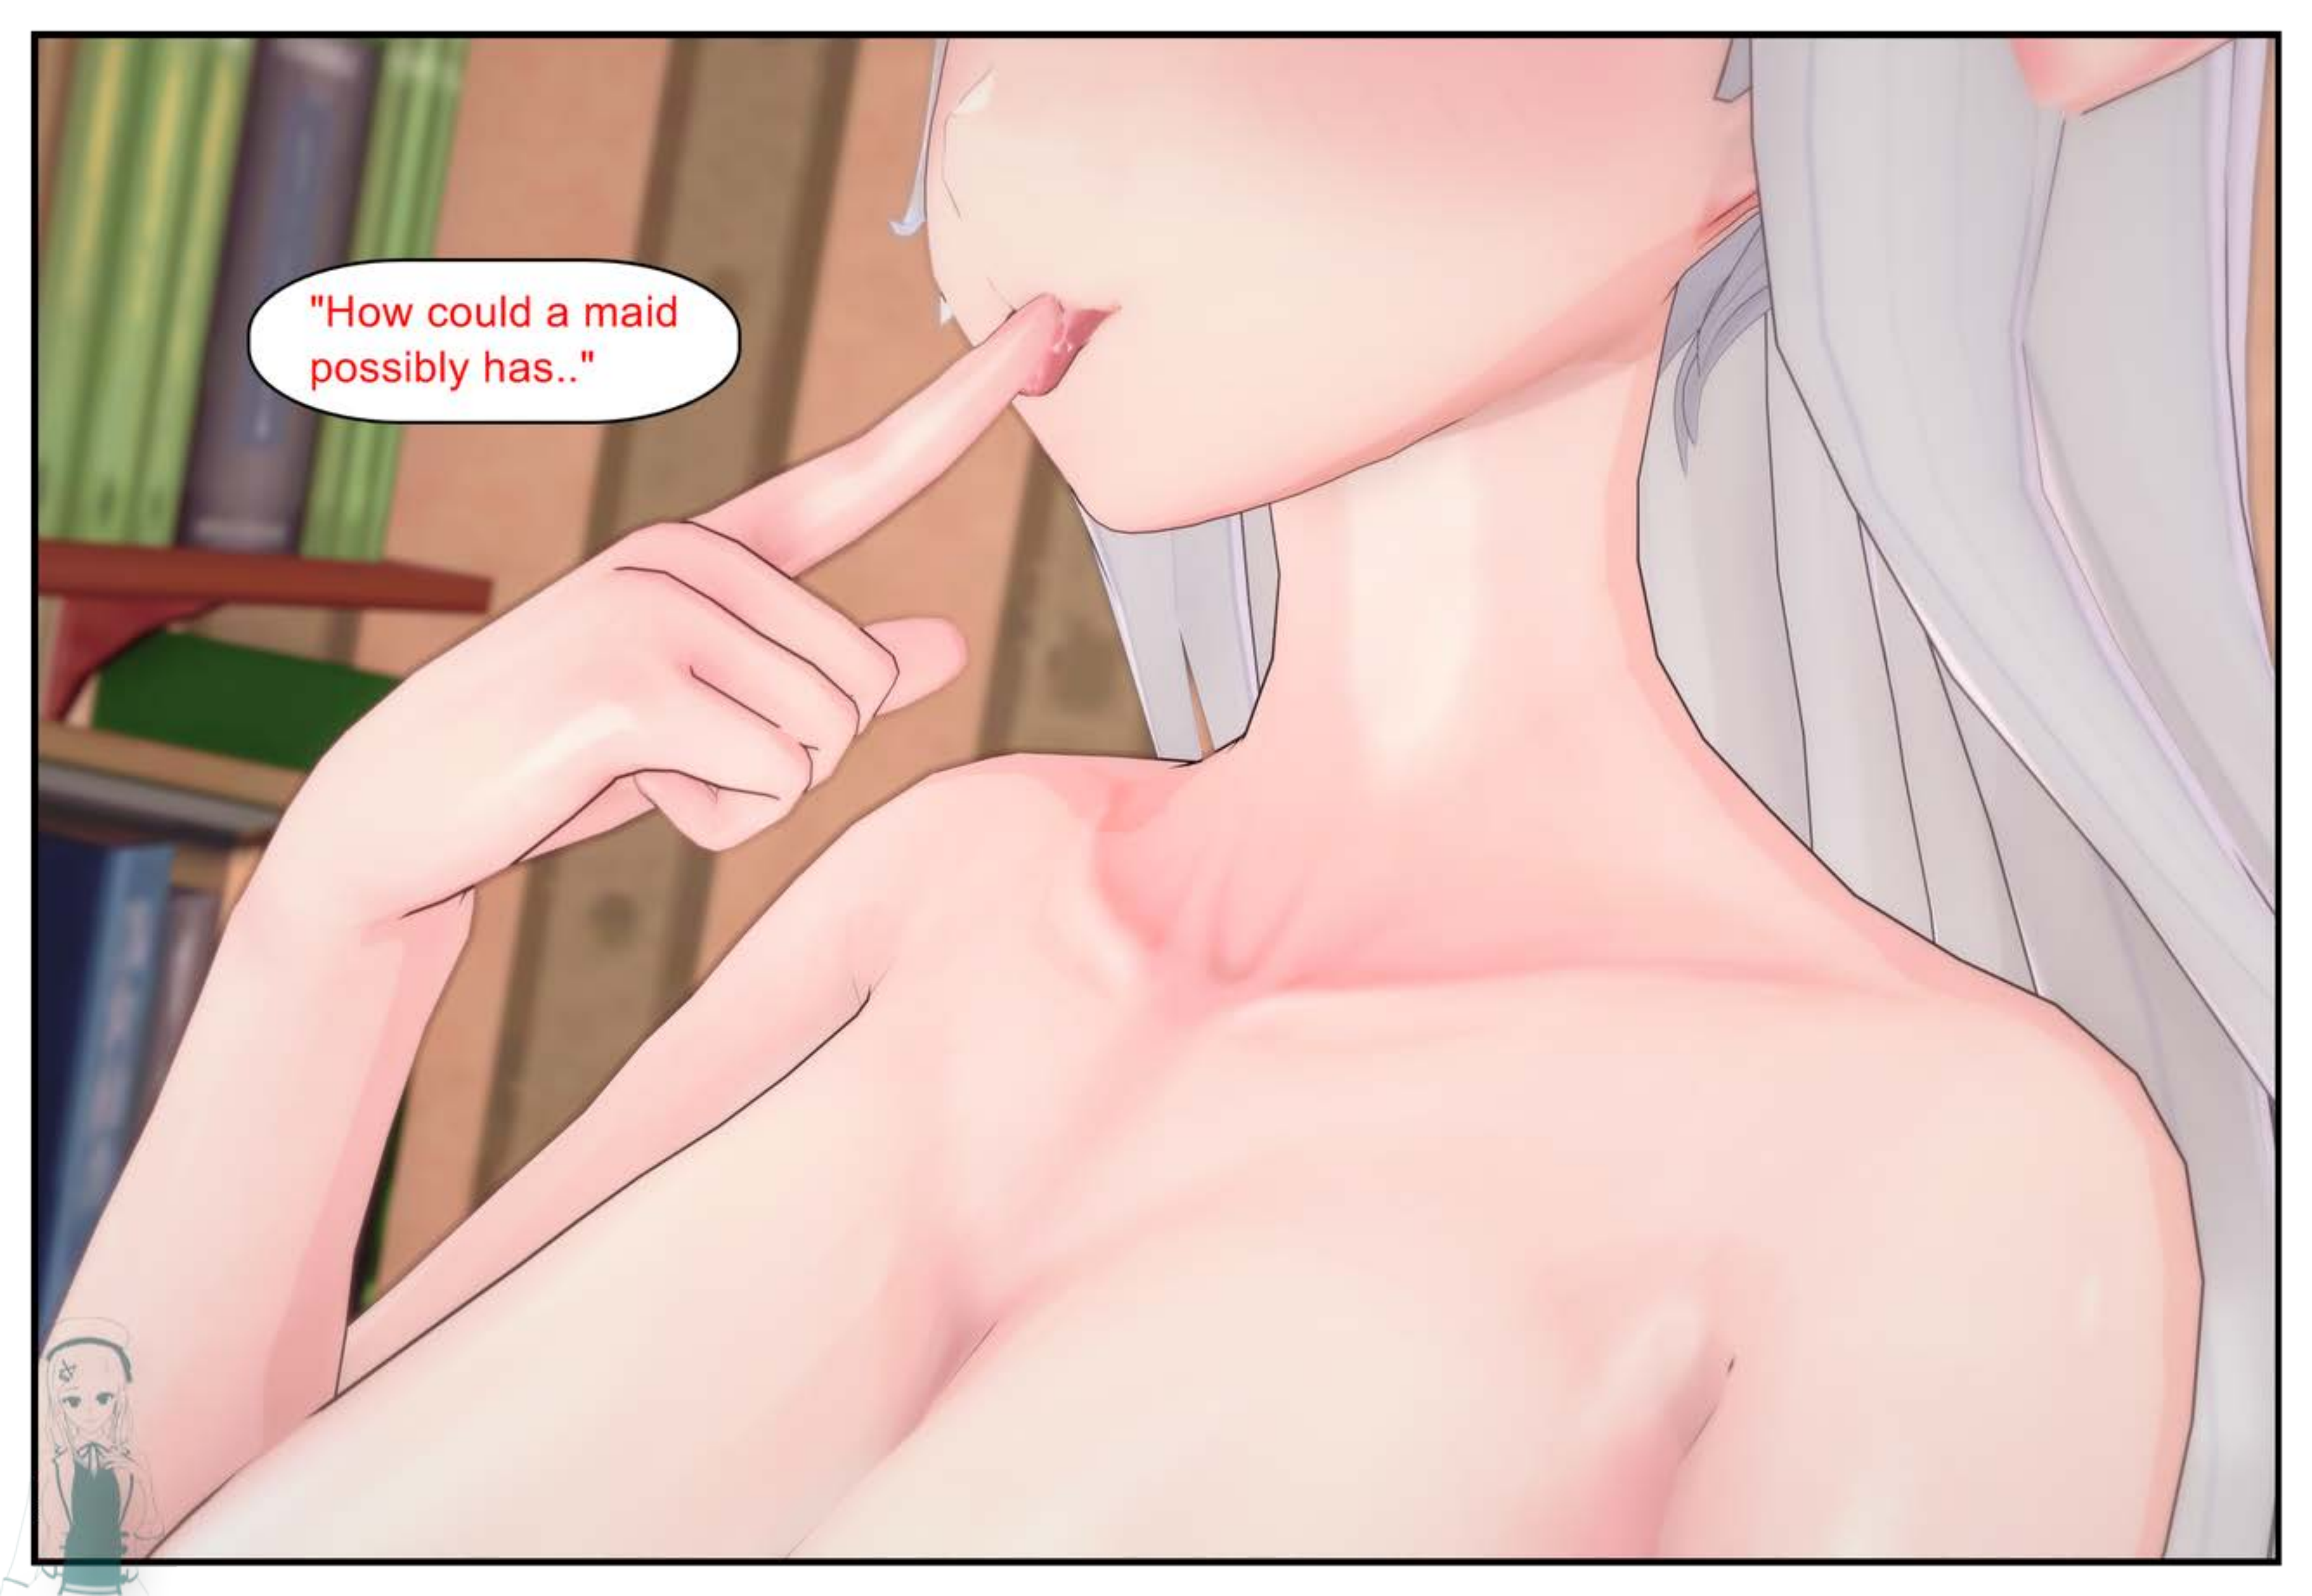

"No.. Pefurme never  
be this sticky..  
Could be jelly..?"

"How could a maid possibly has.."

Human.. blood..?  
Also.. it was kept  
in a fresh state..

Well.. That's all for the break time.. Let's get back.

I refuse to do whatever you order..

Huh..? What did you just say?

Hey, don't be lazy.  
You have to serve  
me because I'm..

Uh.. Oh..

You.. little..

Because.. you  
are my Master?

Your blood is rotten  
for me to call you that.

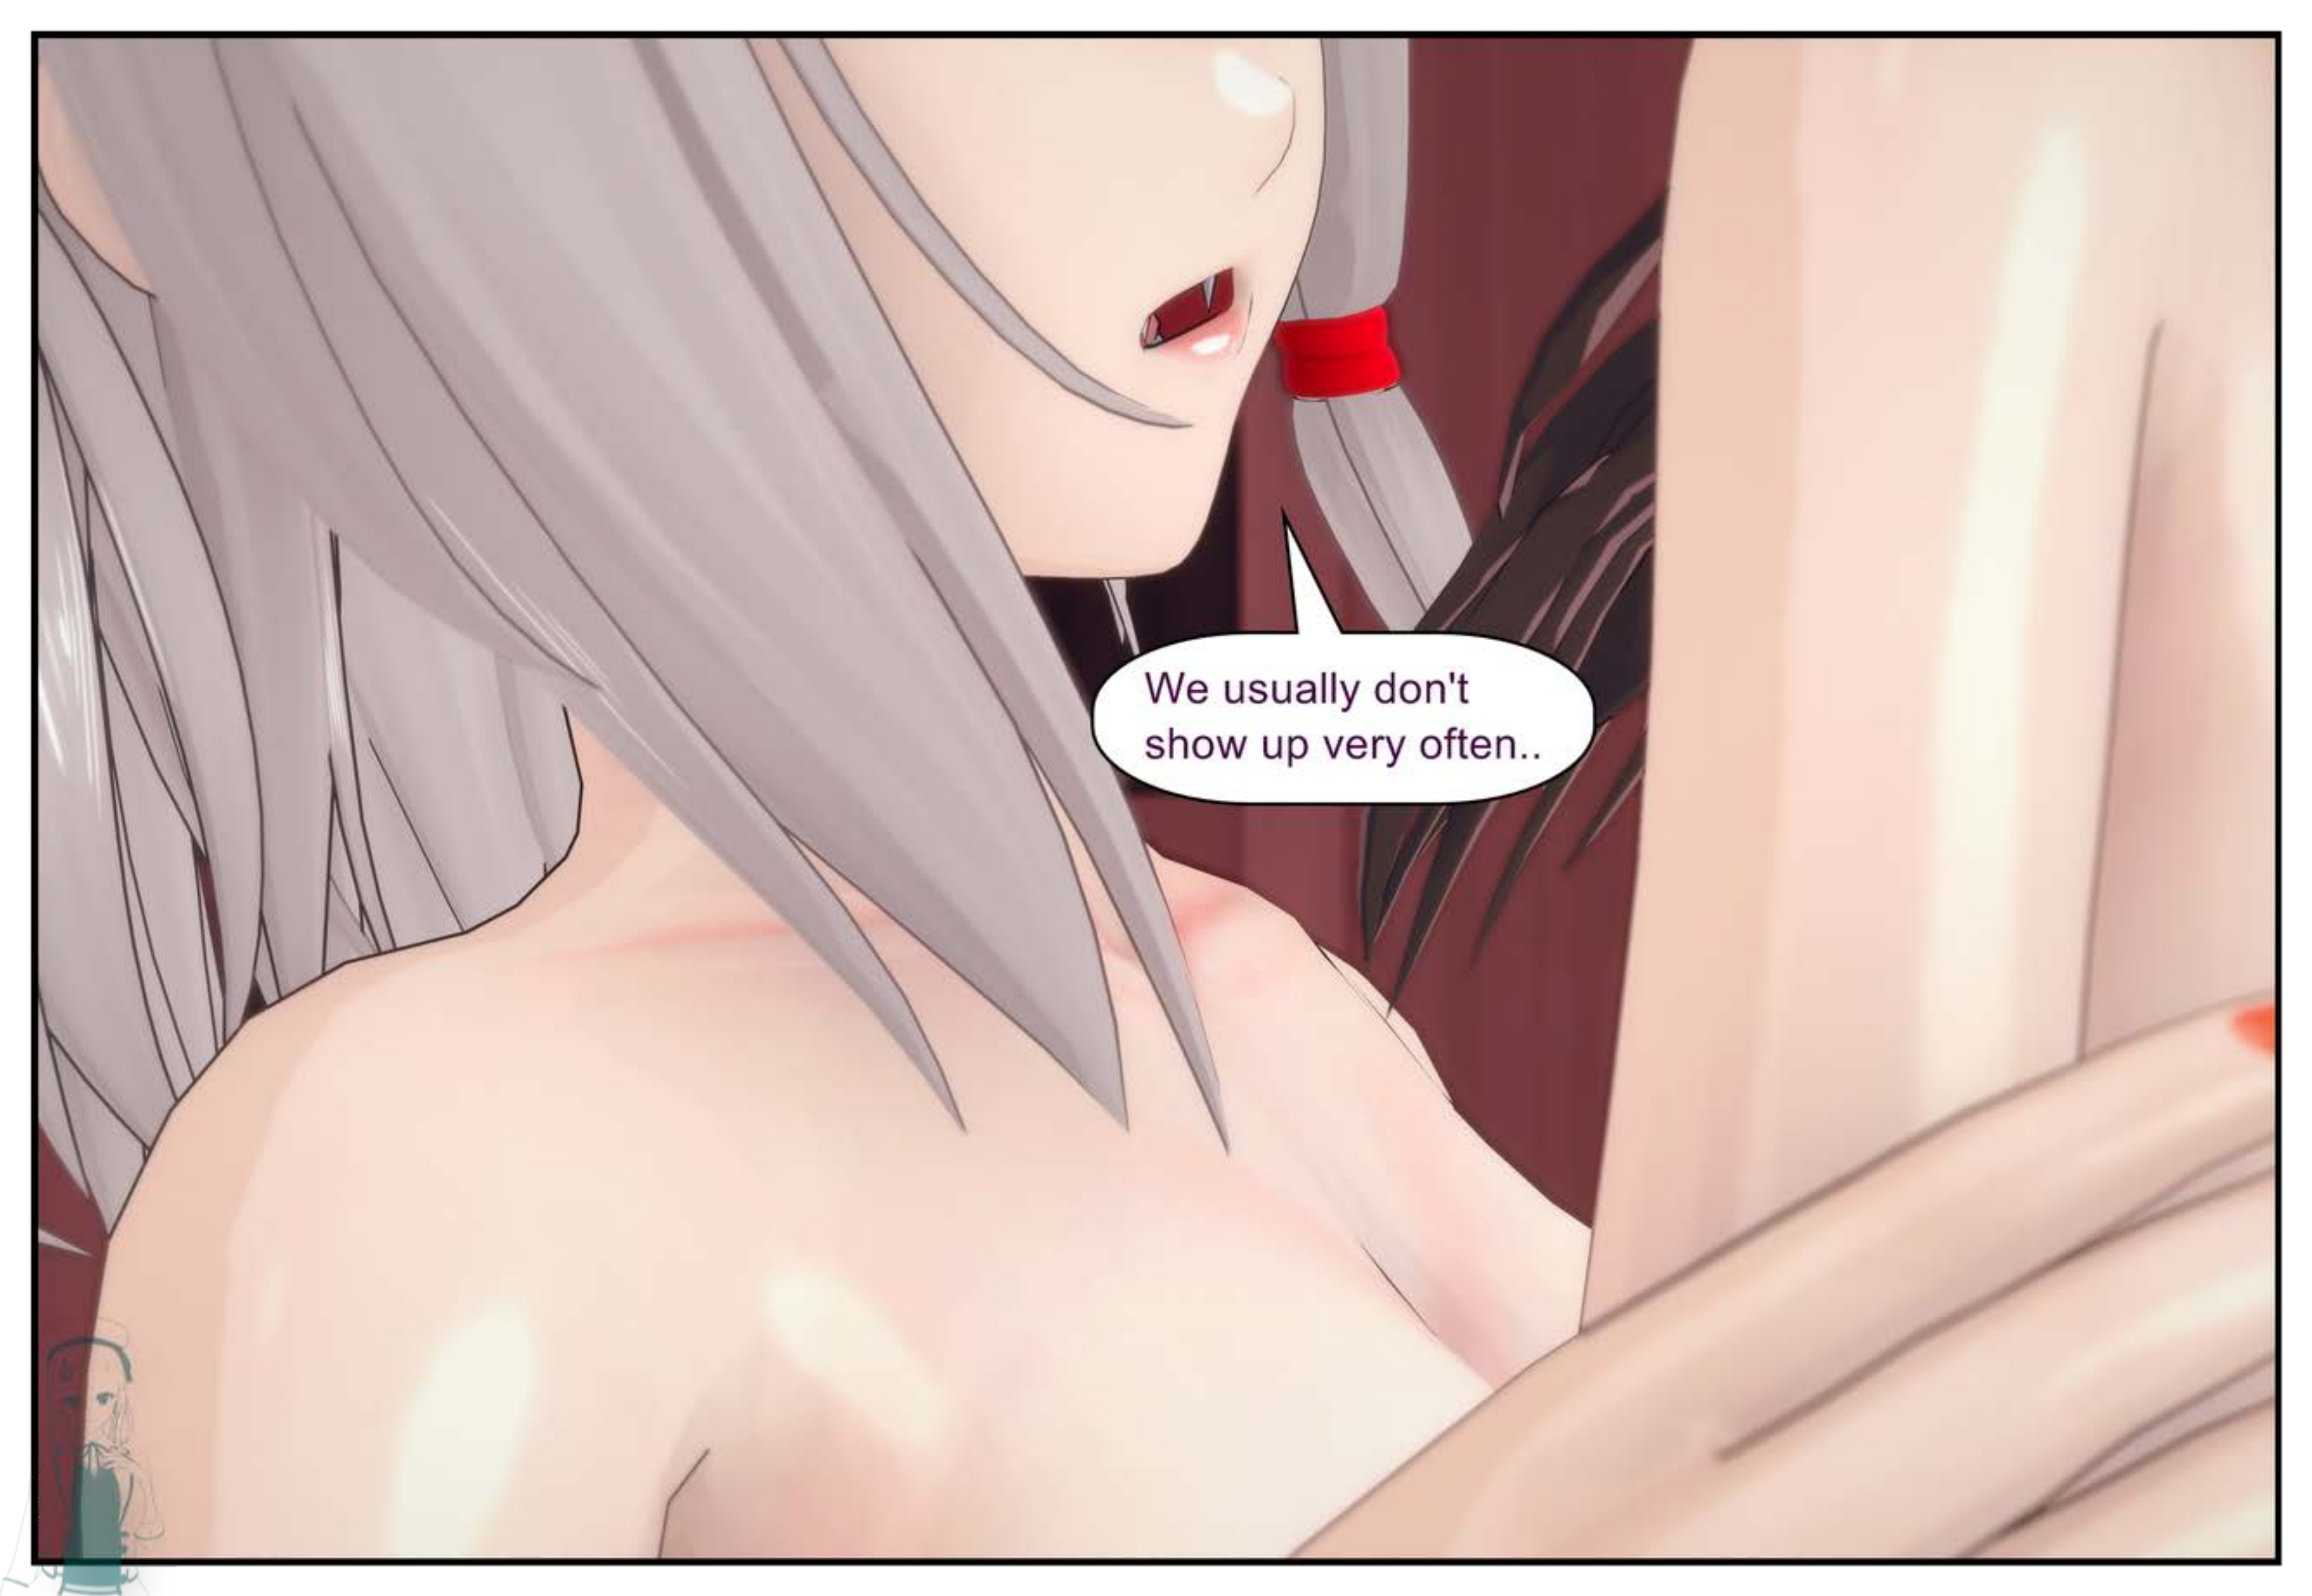

You.. are not human.. Kind of monster are you?

The one that live  
under your society  
for a long time..

We usually don't  
show up very often..

But you different..  
The face that I  
will never forget..

Then.. This will be  
your last time..

Because the one  
who have the weapon  
will be a King in this room!

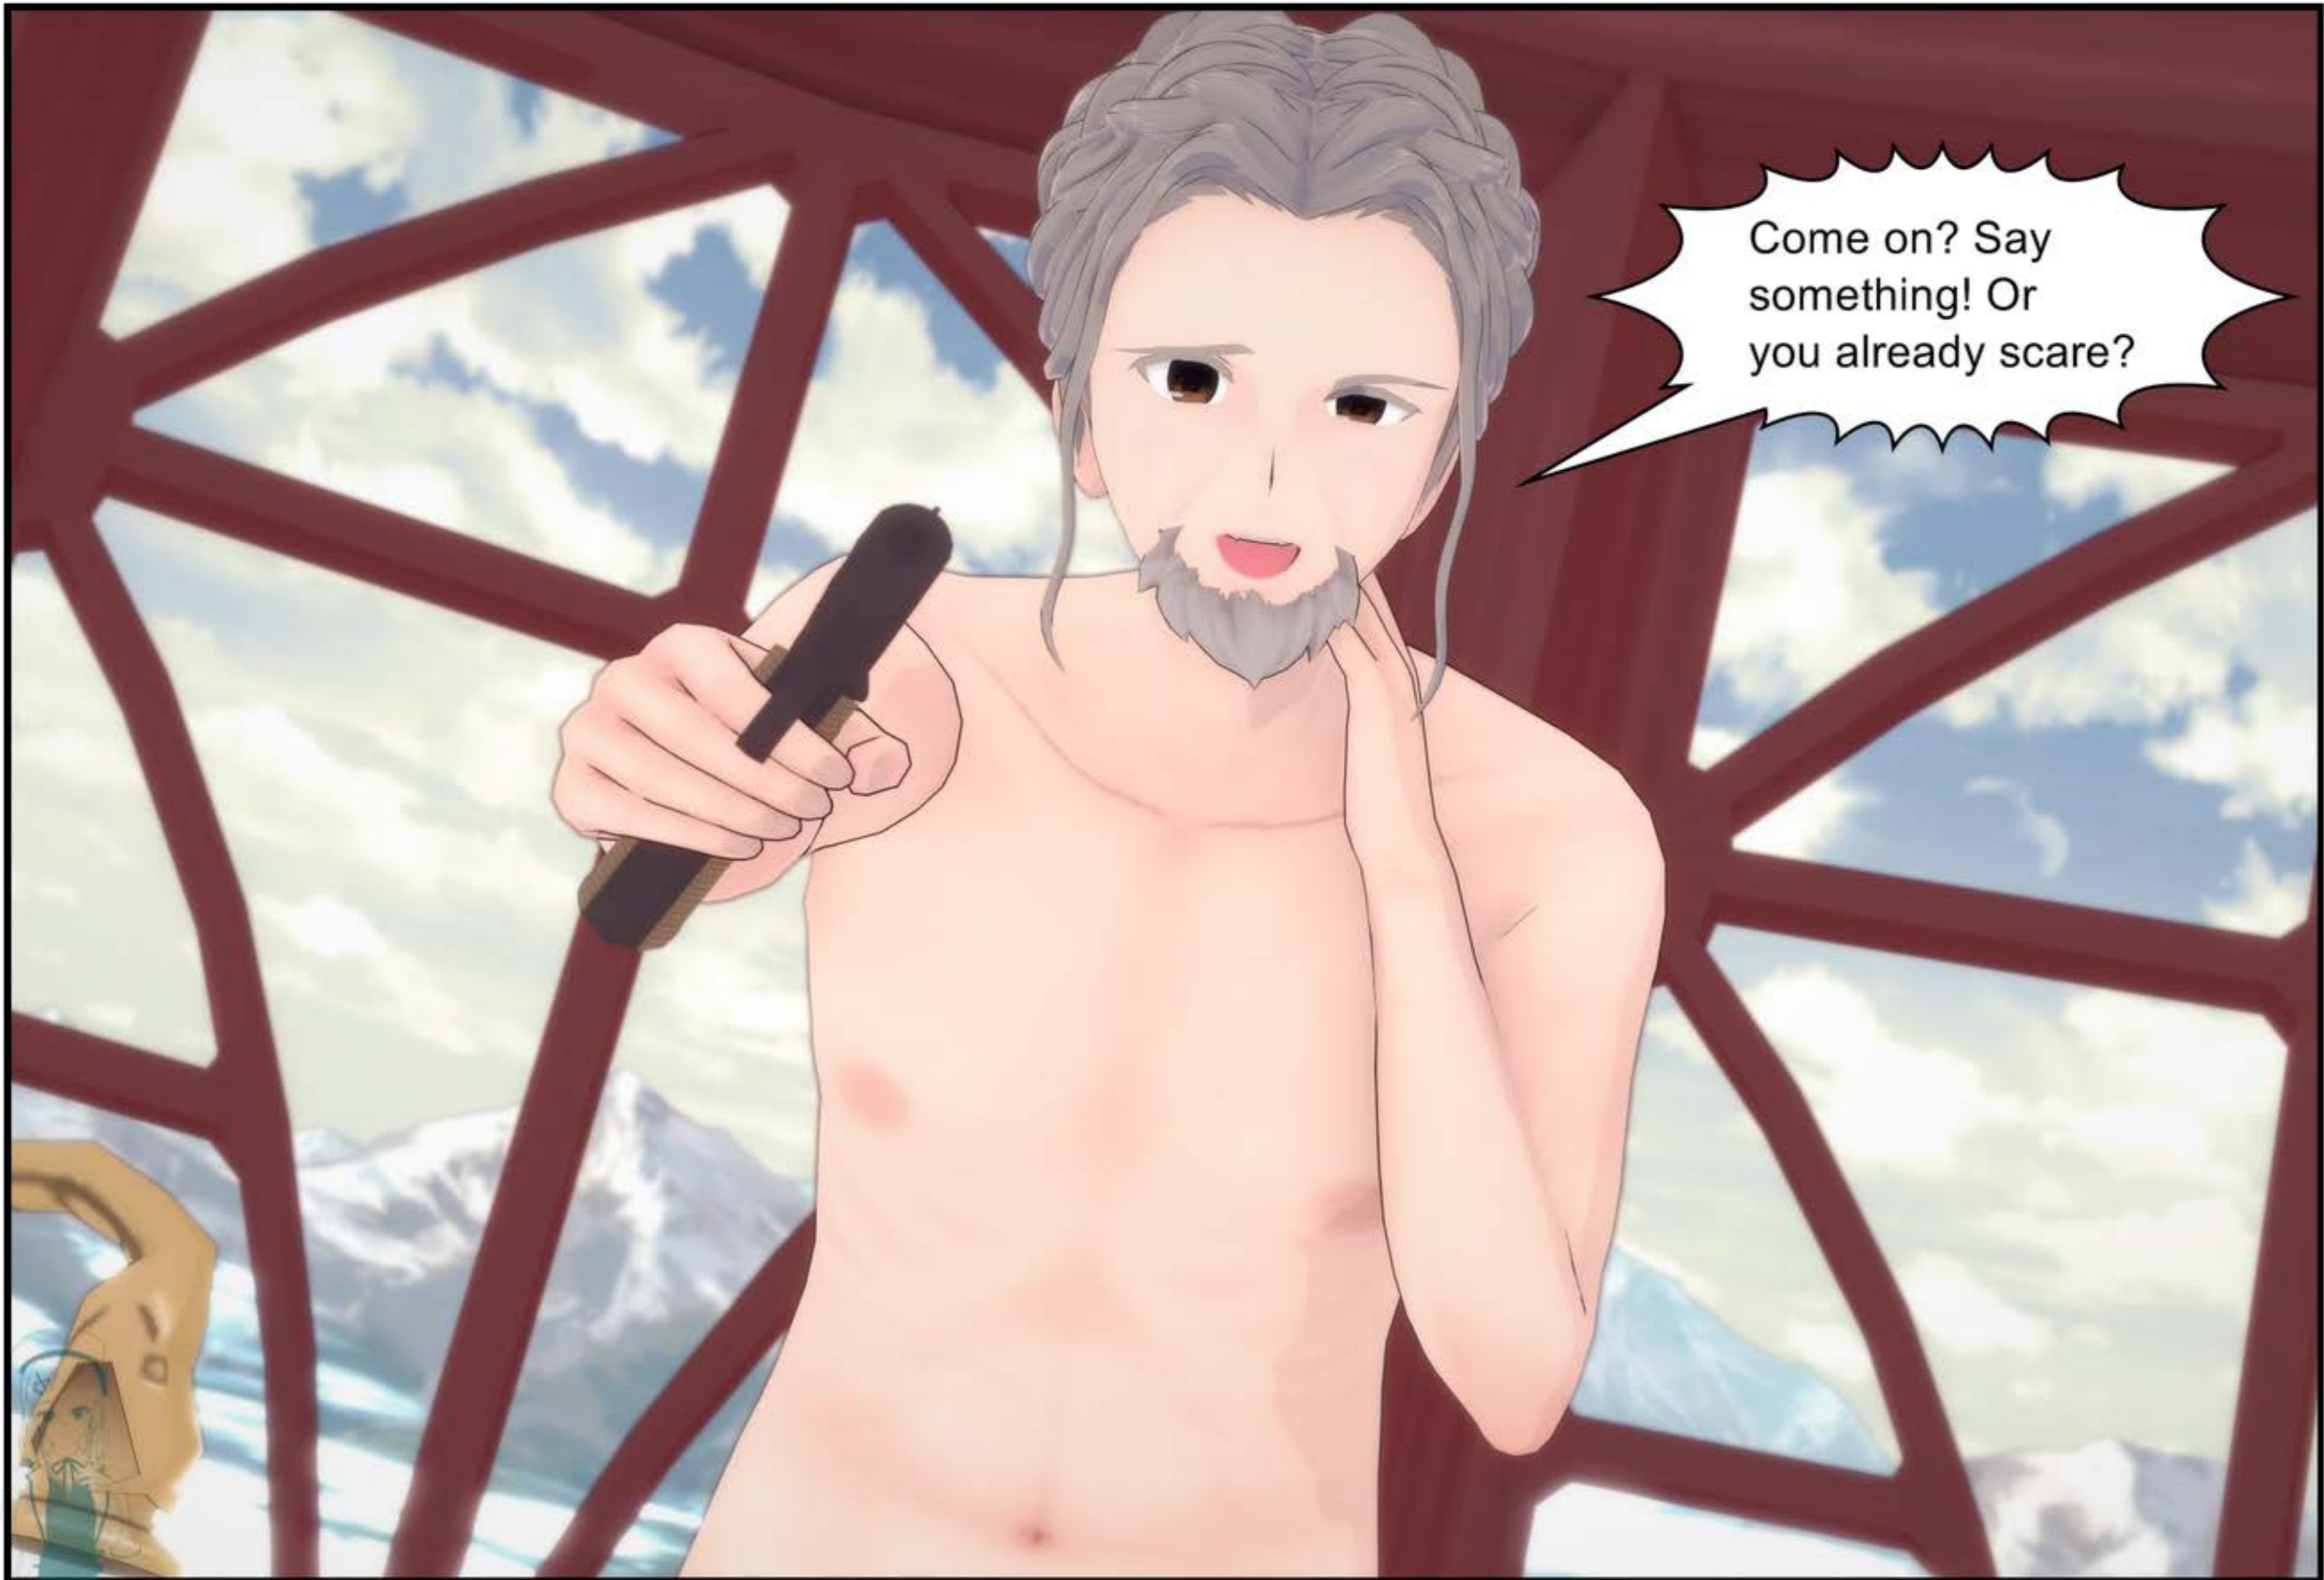

Your tried.. Haha..  
Just a lame disguise  
trick, not even a monster..

Come on? Say something! Or you already scare?

"There's no way..  
I haven't met any  
Vampire for ages.."

"Calm down.. We  
are the same kind..  
Why should I afraid  
of her..?"

"I need to go now..  
Tell Jannie.."

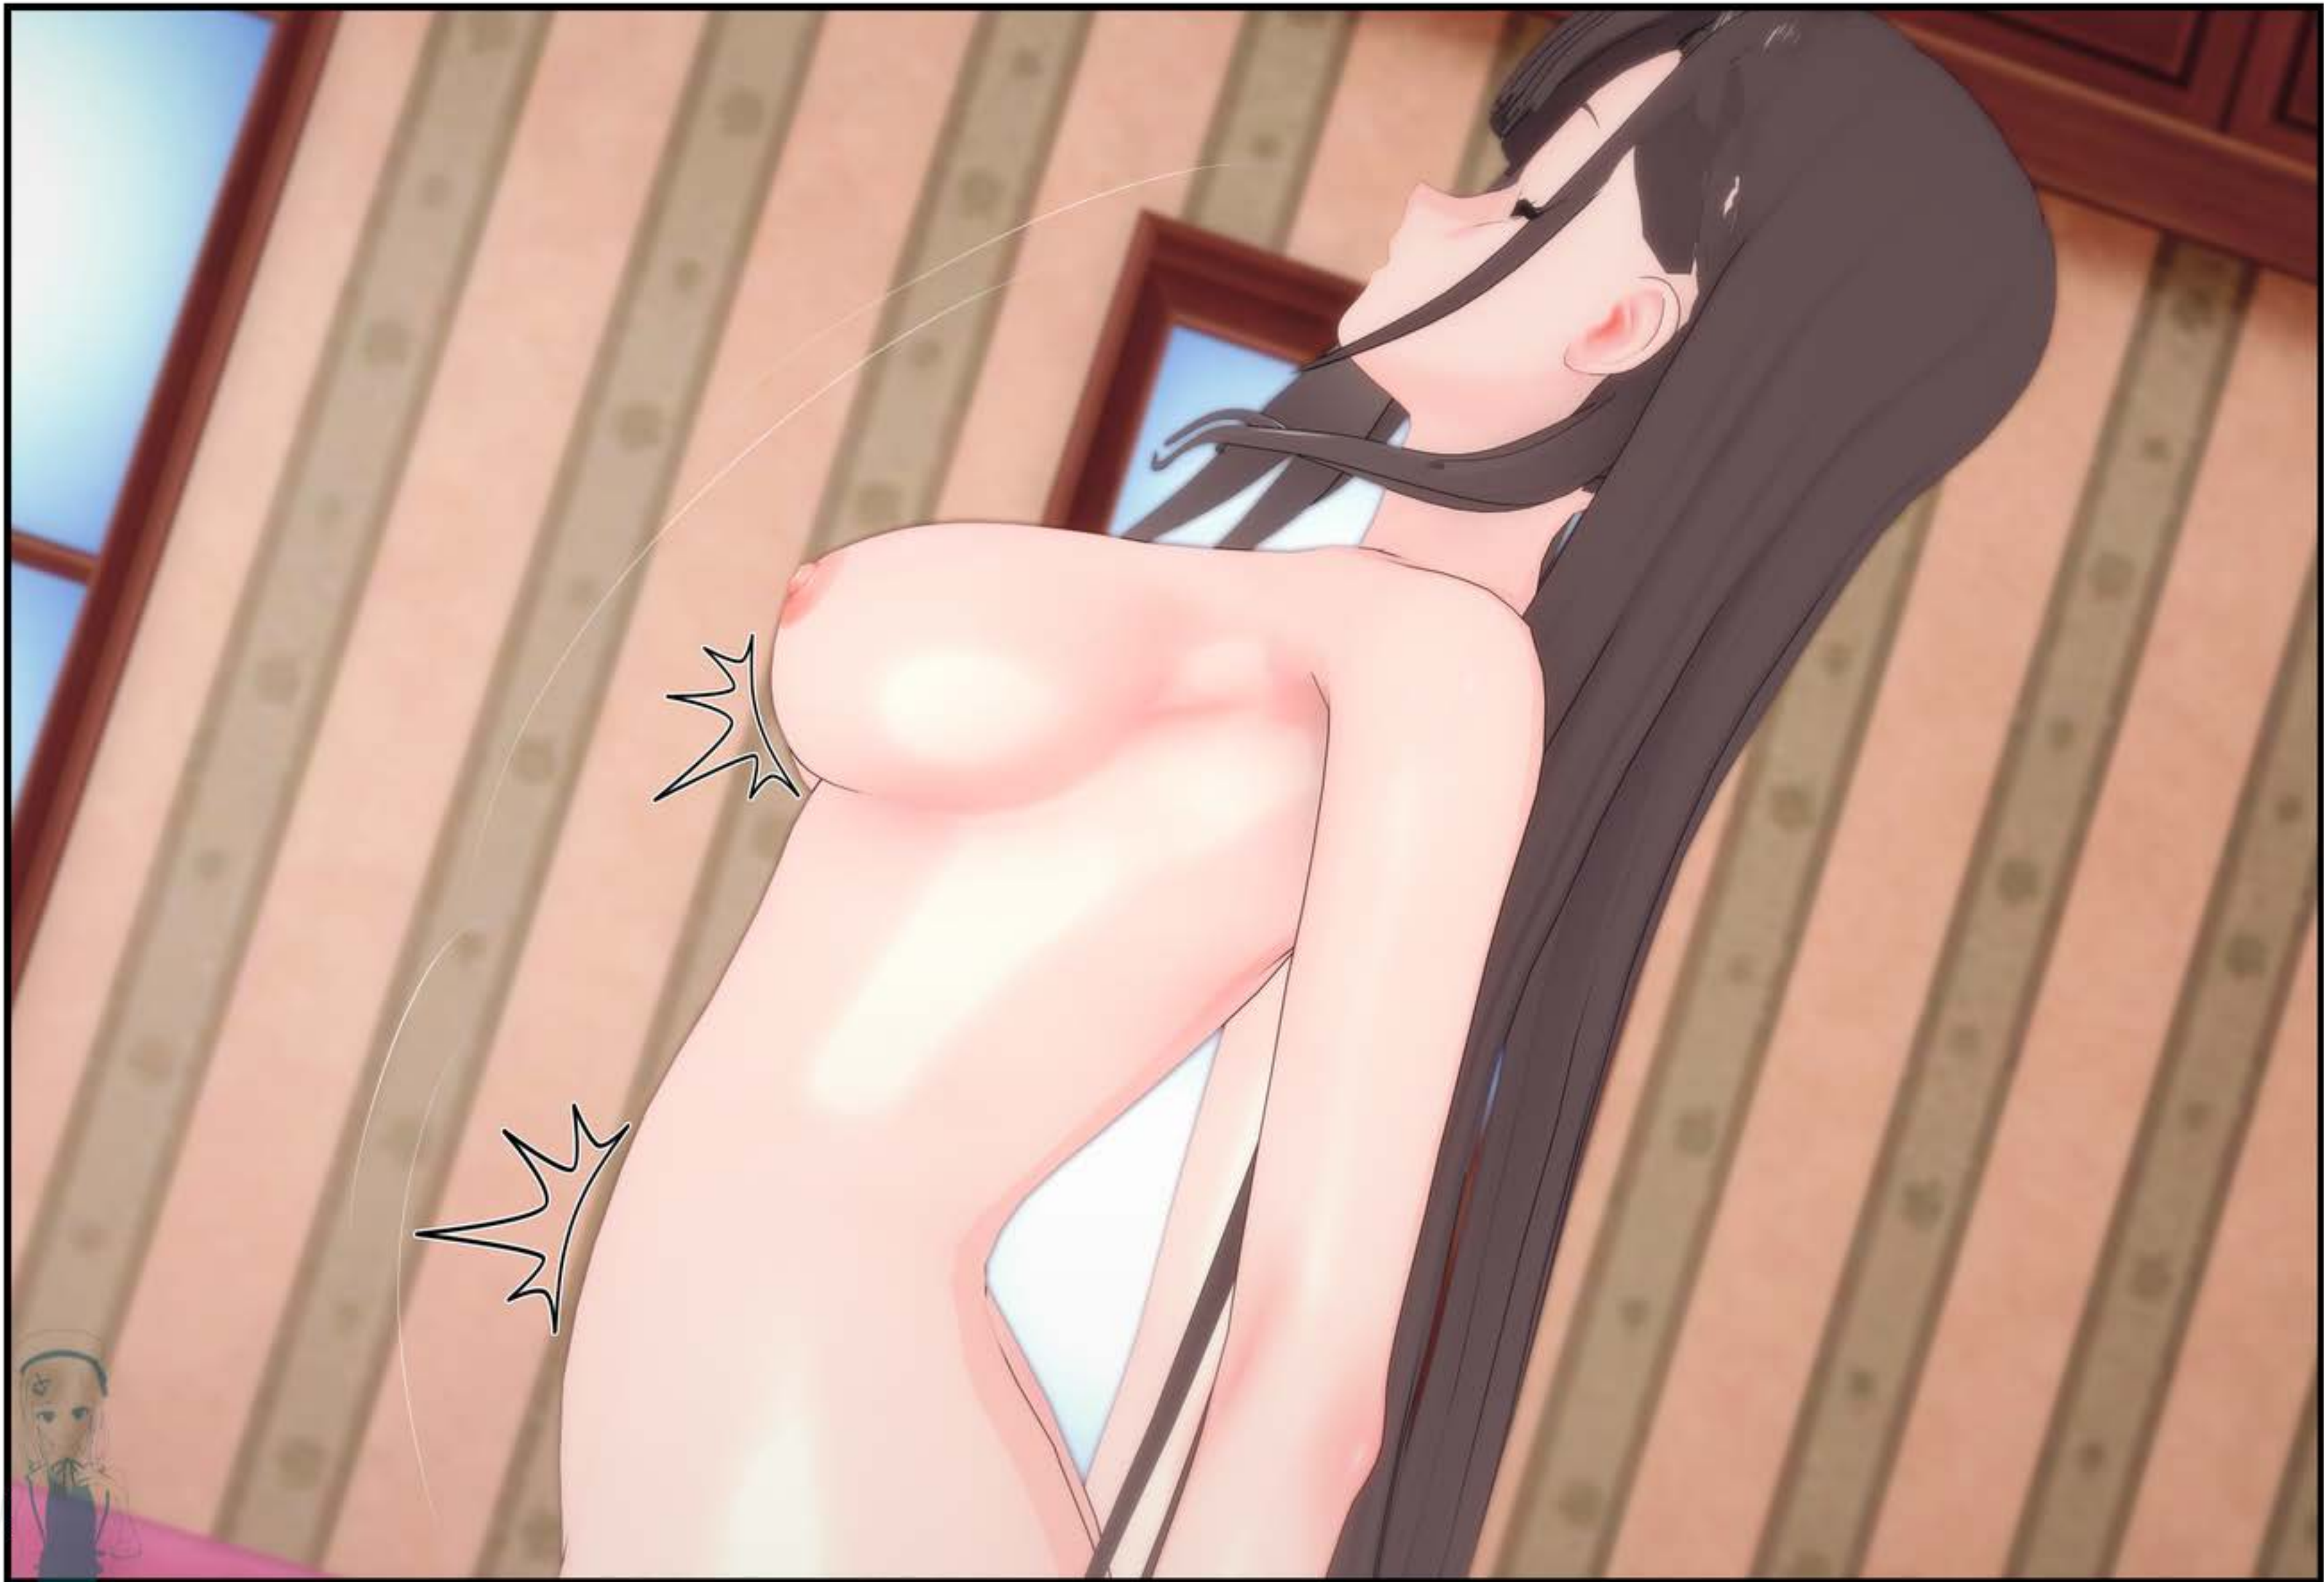

Is there really..  
another Vampire..  
beside me?

"Nothing better than asking Marie herself.."

Surprise to see  
your kind, and want  
to run away?

A nude anime-style female character with long black hair and red eyes is shown from the waist up. She is standing in a library, with bookshelves filled with books visible in the background. To her left is a large window with a colorful stained-glass pattern. She has a neutral expression and is looking slightly to the right. A speech bubble is positioned to her left, containing text.

Marie is having her own. If you want to, ask me instead.

To be continued?

Though, I was a little disappointed in how you taking care a job, Yuri.
