How did I get into this mess...?

Jun Hyuk, a physical education student, decided to take a leave of absence and work part-time as a lifeguard during his summer vacation.

It's a beautiful day. The waves are light. Let's do my best today too!

He was proud to be a lifeguard, even if it was only for three months working, because he was saving lives.

GUARD

However, the naïve JunHyuk was unaware of how lascivious his body was, and unintentionally seduced people by shaking his butt.

BONG

BONG

Mr. Lifeguard, you're in good shape. How do you usually exercise?

Oh, yes, thank you. I'm a physical education major, so I'm always working out.

Isn't your swimsuit too small? You have a big dick and it's trying to poke out.

Many men flirted with him, but JunHyuk, who had never had sex, took it as a compliment.

But there was something truly sinister..., and it was an otaku who had been crushing on Junhyuk for a month.

Swish...

His name is 'Hooduk-Kim'. Hooduk followed Junhyuk around, trying to get his hands on Junhyuk's body.

Oops..., my swimsuit is stuck between my butt cheeks again. Is the size small again?

peeko

Uhoooh...!
It's a beautiful view!..!

Uoh!
I'm underwater,
he can't see me,
so I'll just give him
five licks and
run away ♡.

Grab!

Even if I'm immersed
in sea water,
I'll be able to smell
JunHyuk-kun's dick
and ass, full of
male odor!!! ♡

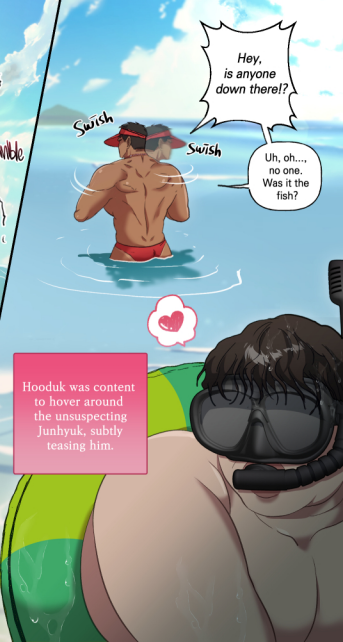

Suddenly,
UGH! ♡ What...!
NN.... OGGGH!
Happned...! ♡

Lick Lick

Then one day...,
Junhyuk
unintentionally
provokes Hooduk.

Mr. Lifeguard!
Where is
showers
around here?

Ah, yes,
it's nearby.

From here,
take a left and then
a right at the water
fountain to reach
the showers,
which are available
for a fee.

Oh, I see.
Thank you~

JunHyuk was just
doing his job
as a lifeguard
as usual.

But Hooduk, who had learned about love by playing a dating game in his room, didn't accept Junhyuk's behavior as a normal social activity.

Looks like you two are traveling together, have fun!

Oh, yeah. We're on a friendship trip. That's very kind of you. Have a great day.

The next day, Hooduk lured JunHyuk to a rocky, off-the-beaten-path area and decided to trap and rape him.

Ouch-!
that hurts!
I'm dying!!
Help!

Help!!!
My foot is stuck
between
the rocks and
I can't get out!
I think my leg
is broken!

Yes!
I'm on our way!!
Don't panic,
just be patient!

The sincere JunHyuk doesn't know what's in store for him, and as soon as he hears Hooduk's cries for help, he rushes to help him.

Swimming in rocky areas like this is dangerous.

Let's start by checking the condition of your leg and give you some simple first aid.

The excitement suddenly subsided. That's it for today's etchi.

Jun Hyuk couldn't help but feel flustered, as HooDuk had never stopped having sex first since their first meeting.

R, Really? But we only did it once today...

Well,
I'm going to
have to leave now.
Something has come
