Sienna: One Island...

Sienna: Six contestants...

Sienna: ...and the chance to have a life every man dreams of.

Sienna: This is *Virgin Island!*

Sienna: My name is Sienna Usher, and I'll be your guide to everything happening here on *Virgin Island!*

Sienna: This afternoon will be life-changing for one of our contestants...

Sienna: ...and mind-blowingly life-changing for the other five!

A woman with long, wavy red hair and blue eyes, wearing a red bikini, is sitting on a stone patio. She has her hand near her chin and is looking towards the camera with a slight smile. The background features a tropical setting with palm trees, a sandy beach, and a blue sky. A potted plant is visible on the patio to her right.

Sienna: Heh, but I'm getting ahead of myself. Before we talk about the contest, let's meet our six contestants.

Eugene: Um, hi. My name is Eugene Holland, and I'm a virgin.

A 3D rendered character with dark brown hair and light skin, shirtless, stands in the foreground. The background is a tropical resort with a swimming pool, lounge chairs, orange umbrellas, and palm trees under a clear blue sky. A large palm tree trunk is on the left side of the frame.

Eugene: I work as a content creator, um, focusing on video games. I have ten thousand followers, and, uh, I've been really liking Starfield.

Eugene: I mean, it doesn't have a slow start like a lot of people say. It's just different from other BGS games. It has a different flow, you know?

Eugene: But if you let the game come to you on its own terms, you'll love it! I've already dropped more than 250 hours into it, and I want-

Sienna: I love the passion, Eugene, but we've got to get to the other contestants.

Eugene: Oh, of course. Sorry.

Francis: I guess that means it's my turn, so... My name is Francis, and I'm a virgin.

Francis: I also am a content creator, but I focus on movies. You know, like, genre movies and stuff.

Francis: Like, right now, everyone's talking about Comic Book fatigue, but that's bullshit.

Francis: It's bad movie fatigue, and I get Marvel isn't as good as it was overall, but it's Sony and WB that's really shitting the bed. And the less said about the Snyderverse-

Roger: Fuck off with all that talk, you little Marvel Snowflake! Snyder pushed boundaries! Just because he doesn't operate in your walled-off corporate garden of-

Sienna: Oooh, I love the fire, but let's save that for later, shall we?
Roger: Sorry. I just hate it when people... Sorry.

Sienna: It's okay, Roger. Sam? Are you ready?

Sam: Me?

Sam: Um, my name is Sam, and I'm a virgin. I work at a local sports store, and, um, I really like talking about sports stuff.

Sam: Like, I'm a lifelong Cowboys fan, which is nice and really rough at the same time. Everyone hates the Cowboys, and-

Sienna: Hey! Watch it, Sam! This is *Virgin Island*, so keep your sports talk to yourself. No one cares... especially about the Cowboys.

Sam: I-I'm sorry. It won't happen again.
Sierra: See that it doesn't. Luke?

Luke: Me? Uh, I'm Luke, and I'm a virgin. I just graduated college and live with my parents still, so... Um... I guess I like to play video games?

Luke: I played a ton of *Balder's Gate 3* and *Tears of the Kingdom* this year. And I have no idea which I'd give game of the year to. Both... Well, anyway, I'm Luke.

Roger: Is it my turn to talk now? Good. Then I'm Roger, and I'm a virgin. I'm also a content creator, but I actually care about *real* cinema, unlike some other people.

Francis: Is that directed at me? Really? Cinema belongs to the people! If they want to watch fun escapism, then that's their choice to make you fucking-

Sierra: Okay, okay. Calm down, boys. Save it for the competition, okay?

Francis: Sorry. It's just... he started it.

Roger: Come down here and say that to my face, snowflake!
Morty: Is it my turn?

Sierra: Yes, Morty. Please tell us a little about yourself.

Morty: Hey, I'm Morty, and I'm a virgin.

Morty: I really don't do a lot compared to everyone here. Mostly, I like getting high with my friends and chilling out. Pretty low-key shit, you know?

Sierra: Virgin Island welcomes you all, and all we need to know now, in one sentence, is what kind of woman you'd want to take your virginity. Eugene?

Eugene: I guess... I'd want her to be older, classically beautiful, and caring in the bedroom.
Sienna: That's very sweet. Francis?

Francis: Hot librarian with long legs and curly black hair.
Sienna: Sounds like quite the seductress. Sam?

Sam: If I had to choose? I'd want her to be a petite girl-next-door type with blonde hair.
Sienna: Sounds like fun to me. Luke?

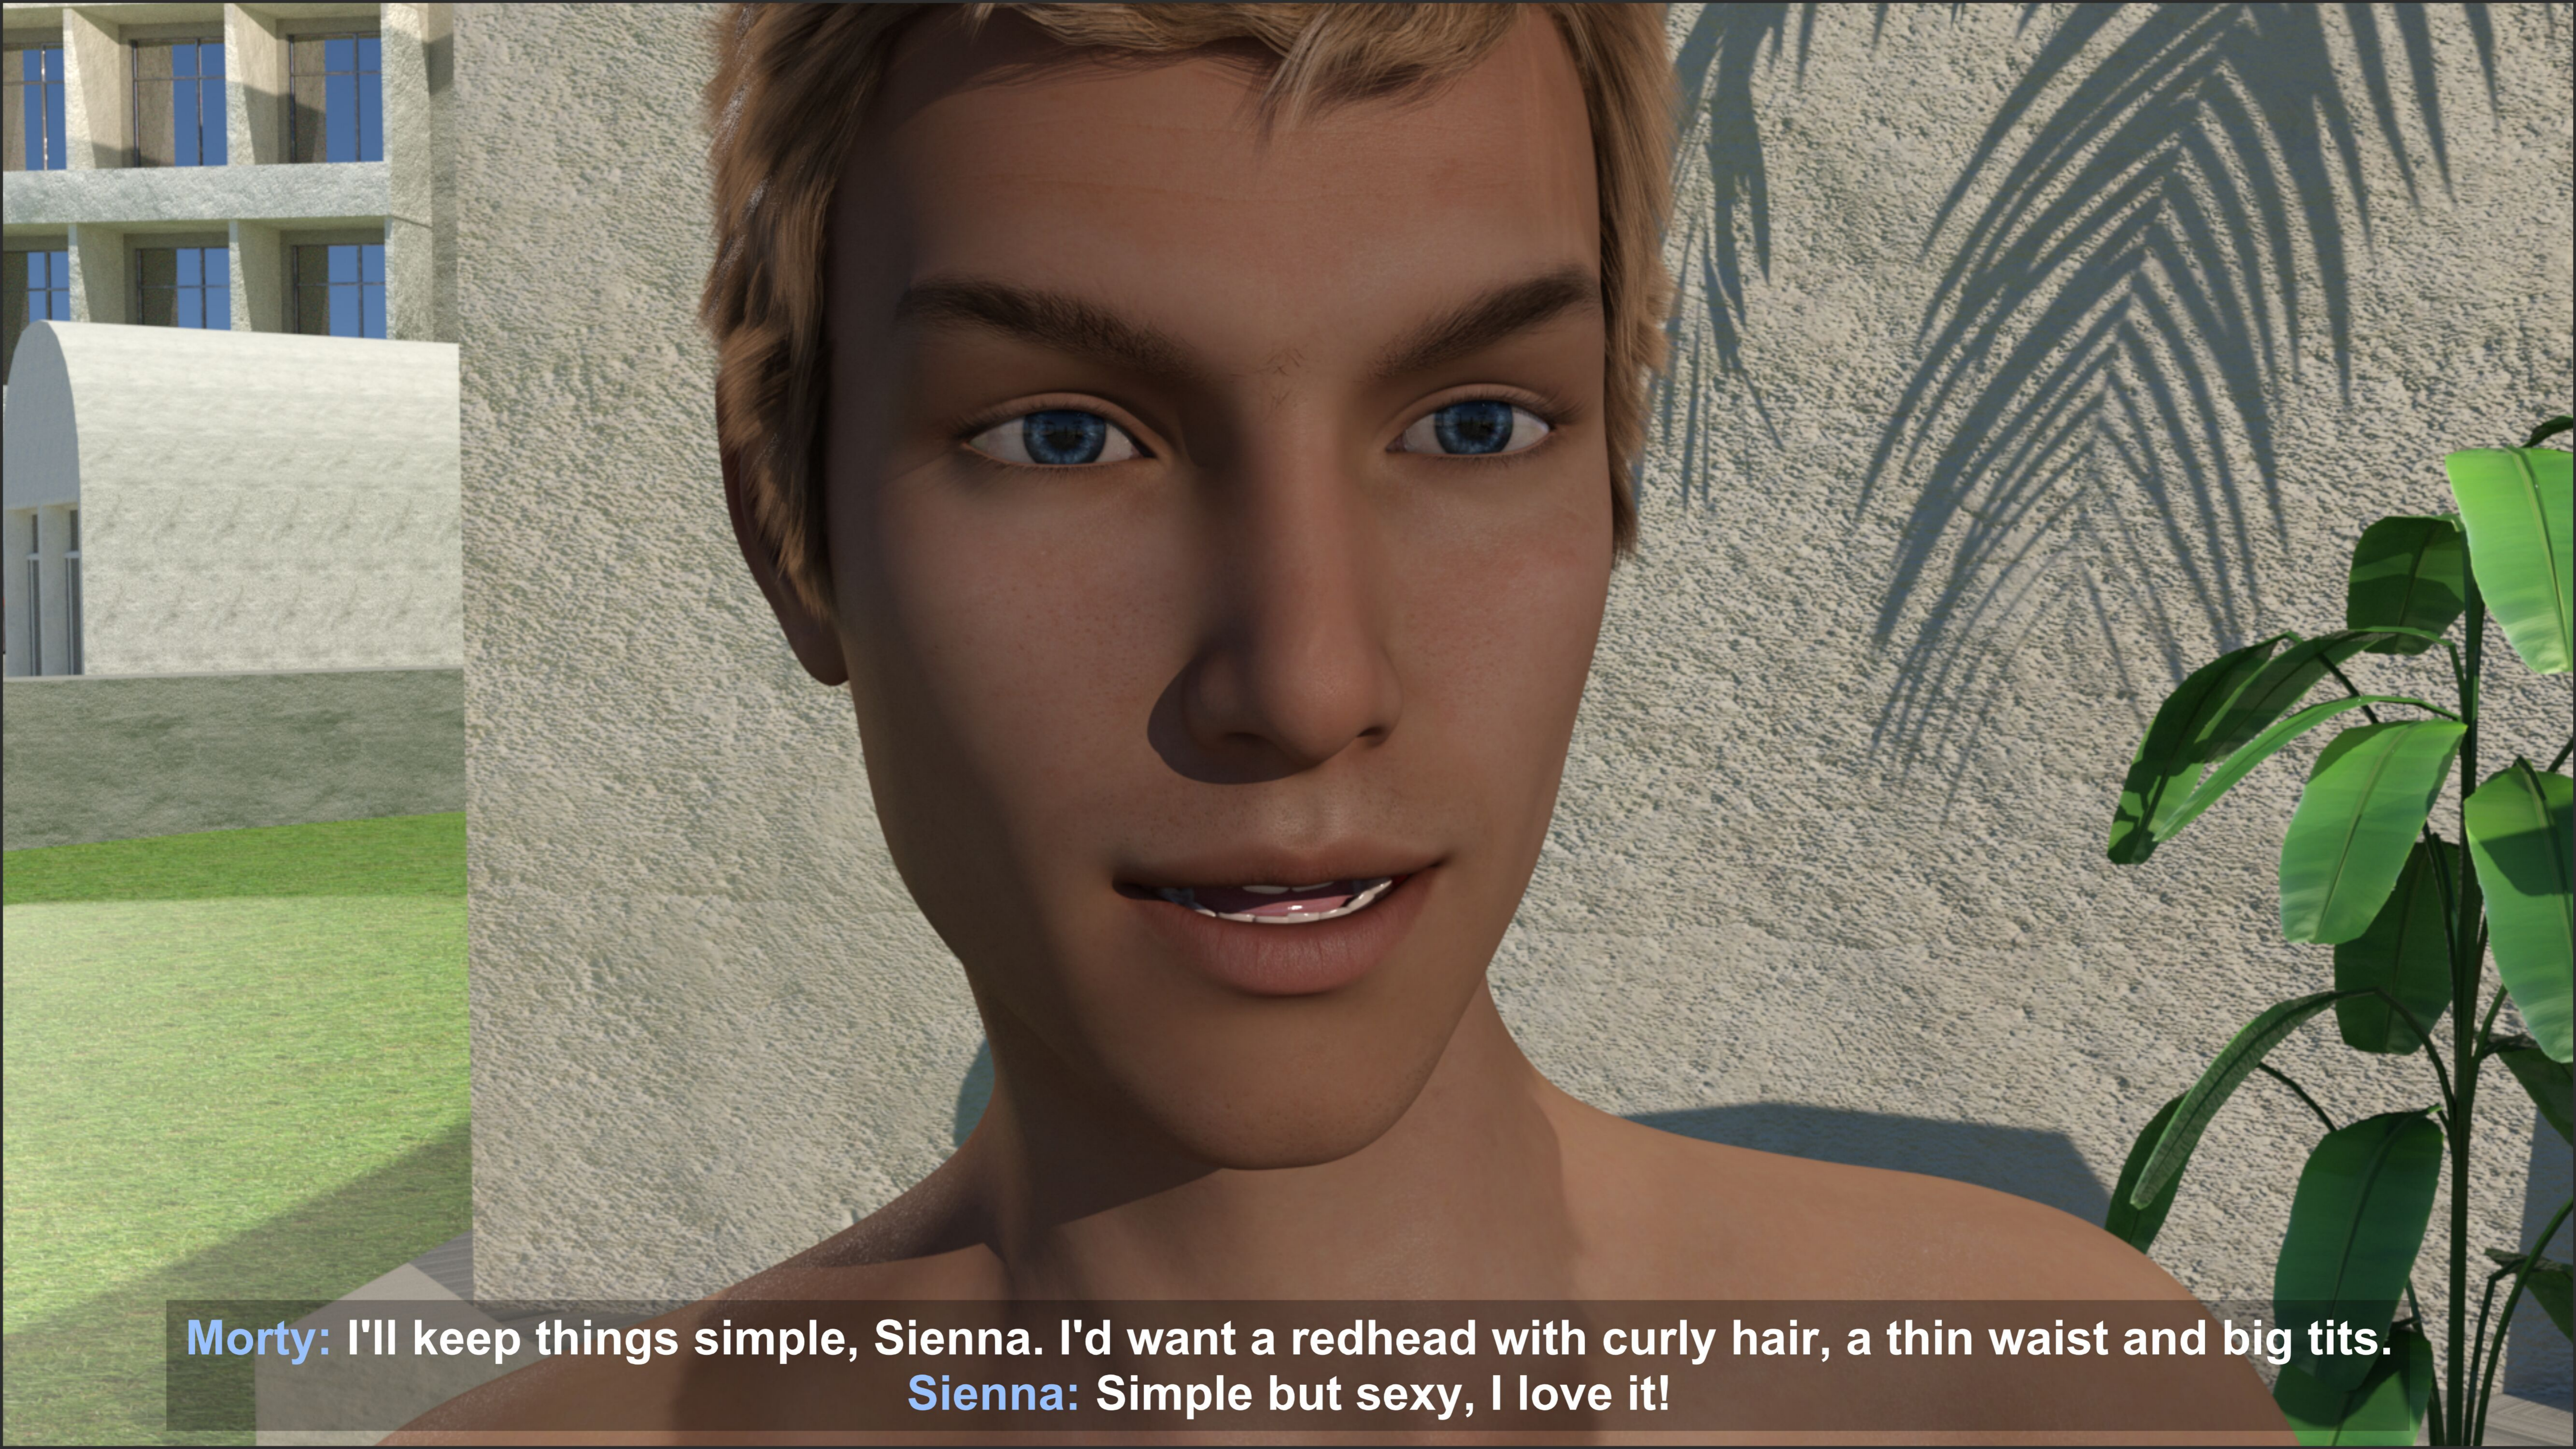

Luke: I hate to admit this on TV, but here it goes: I'd want a MILF with big tits like my best friend's mom.

Sienna: Oooh, nice. Roger?

Roger: I'd want a petite girl with muscles who could throw me around.
Sienna: Bold choice. That leaves you, Morty.

Morty: I'll keep things simple, Sienna. I'd want a redhead with curly hair, a thin waist and big tits.

Sienna: Simple but sexy, I love it!

Sienna: But what about you, viewers? Which of the six women described would you pick? Vote now and let us know!
