CW:// Blindfold, vibrator, stimulant lube, slight overstim, training roleplay, student/teacher roleplay, slight edging, cockwarming

Hey there~ awww didn't mean to scare ya! Guess I should have knocked before I popped in.

Ah..? (Soft hug as the listener moves into him)

Hm? Ah I missed you too~ But, you know how it is. Things come up and I have to handle them y'know? I'm safe though, I promise.

(chuckles) I know I didn't text you, but...I was a bit focused on the battlefield. Aw..heh, you're so cute when you pout like that (kiss) Mmn..c'mon don't be so cold, why don't you tell me what I can do to make up for it?

(pause)

Gonna make me beg huh? (patient sigh) Hmmmm alright, alright

(softly in the listener's ear) Pleeese? Please let me make it up to you darling? (slightly pouty) I hate when you're mad at me so...why don't you tell me what I can do to get a smile back on that adorable face huh?

(pause) Oh? You want me to 'train' you? Hmm...(playfully) You always come up with such interesting ideas, sweet thing. (laughs) And here I was thinking you were *innocent*~

I think I have an idea that you're going to enjoy....Up we go~ Ooover my shoulder.

(shuffle as he picks the listener up, footsteps)

Relax~ You know I'd never drop you... Besides, what I have in mind will help remind you that you can trust me~

What is it? **(singsong)** you'll just have to wait and seeee~

(small laugh) Hey now, don't be like that..I promise it'll be worth it~

(shuffle as he puts them down)

Alright, now close your eyes and hold still for me...

(shuffle)

There we go..had to adjust it a bit, but I think a blindfold suits you perfectly~ **(pleased)** Is it secure? No light?

(pause)

Perfect...**(voice low and aroused)** Now...you wanted me to train you? Well..I can do that..now just...relax

(shuffling)

(chuckle) It's a different sensation isn't it? Me taking your clothes off when you can't see. There we go...all of that out of my way so I can see every beautiful inch of you~

(matter of fact) The human body is a remarkable thing...when one sense is impaired, it heightens the others in response...which...**(low and sultry)** means that every touch I give you...will be much more intense than you're used to~

Over your neck...down your chest...to your nipples. **(low laugh)** Ha...so perky already~ It is really intense isn't it?

Mmn..**(suckling noises for a few moments)**

(chuckle) Well, aren't you eager~ Arching up into me like that...mm..pressing your chest so eagerly against my mouth and hands. Now...don't get too distracted darling...remember you wanted me to train you, so focus on my lesson hm?

(Soft breath) .. Good. That's it... Let your body relax for me. I'll handle everything from here on out, all you need to do is be good for me and listen to each... and every.. Word I say~

You can do that for me can't you? Be a good student for me? **(chuckles)** I'll just have to put that to the test then won't I? Now then...just lay back and let your legs fall open for me.

(shuffle)

Perfect... Already doing so well.. Being so pliant for me~ Mn.. Obedience looks beautiful on you..

(amused) You've got goosebumps darling~ Raising alllll along your soft skin.. **(A gentle kiss pressed to their skin)** Mm.. Did I just feel a shudder at the lightest of touches? Wow, you're pretty sensitive aren't you?

(Voice gets a little low, teasing) Are you this sensitive with everyone..? Or.. is it just *me*?

(Soft chuckle) I can't tell if you're being modest, or if you're just trying to get on my good side.. Either way, it's pretty cute. But I don't need the flattery~ I already *know* you're weak for me.

Oh don't give me that.. It's so obvious. You're not subtle, sweetheart.. Not around me. But it's okay.. You can be as lewd as you want to, it's just us tonight. Let yourself go~

Now...I wasn't planning on using these little presents I got for you so soon, buuuut....I think it's appropriate for this situation~

(drawer opening, shuffling about. A bit of silence, lid pop)

"What is it?" **(laugh)** Why would I tell you that darling? It's part of the fun after all, let's see if you can guess hm? I'm sure you'll clue in once I...

(Slight slick noise) Ah- There you go..~ Have you figured it out yet? **(softly, smug)** Ohhh you poor thing.. It's cold is it now? Well.. I'm sure your body will warm it up perfectly if I keep touching you hmm..? Rubbing you just like this..~

That's it.. Give in to it. Much more intense when you have less of your senses to rely on.. isn't it? That blindfold is working wonders.. Making you so needy. Arching your back, squirming so much.. Your thighs are trembling, and I just started touching you.. I can't wait to see just how far I can push you.

(Slick noises stop) Don't worry, I'm only stopping for a sec just to grab something else. It's kind of thrilling not knowing what to expect, right? **(chuckles)** And oh, forgot to mention... that lovely lube I used on you will help make things feel even *more* sensitive~ So, if your body starts to heat up more than you're used to.. Don't panic. Just enjoy it...

(The sound of vibration starts) Oh wow.. Your breath hitched just at the sound.. Isn't the anticipation just amazing? I'd say it's the best part..

Now, now... We're just getting started here. Your begging is cute, but you need to learn some patience.. Mnn.. Shhhh. I'm just going to put this little toy riight.. Here~

Ohh~ That moan was so perfect. It must feel good, doesn't it? I can tell by the way you're panting and drooling.. Such a mess. Soaking wet and twitching for me.. You're already ready for me.. But you have to wait just a bit longer, okay?

I promise.. When I finally fuck you, it'll all be worth it~ Just hang in there a little bit longer for me. I love watching you squirm underneath me, it's so sexy..

(Soft breaths as he regards them for a while)

I'm going to keep this little vibe right here. But don't worry.. I'll keep it on this nice, low setting so it isn't too much. I don't want to tire you out and make your body too sensitive.. Not yet.

(chuckles, voice low and aroused) Begging already darling? **(playful tutt)** Now aren't you something, you begged me for this lesson and you're trying to cut it short, for shame~

Now...just breathe for me...relax your legs. **(amused)** Yes I know it's hard, but it wouldn't be called 'training' if it was easy~ Open them for me.

(pause)

..Perfect.. **(playfully)** Being in control of your own body despite pleasure is of course, some of the hardest training there is. It's an exercise in sheer *willpower*. You have to focus...make your body obey you despite wanting to just give in to that delicious feeling that makes you want to forget.

And you're doing quite well~ But of course, this means I just have to up the difficulty next time we train, but...let me see just how far you can go before that stalwart resolve of yours starts to crumble hm?

(slick noises as he plays with the vibrator through dialogue)

Ah ah, remember...legs open, don't let your focus slip darling...that's right. **(low, pleased)** Your body responds so well...arching up off the bed like that. You must have been quite pent up huh? I suppose that is partially my fault, but alas **(airy sigh)** Duty calls after all~

But don't worry, I'm here now~

(pause)

Oh you're close are you darling? I can tell...your voice got so much sweeter~ But...

(vibration stops)

Not yet~ **(chuckles)** Ohh don't whine, shhhshhh...again, this is also a lesson in patience. Now..just give me a moment.

(shuffling)

Just have to get these pants out of the way....

(shifting) Shh it's just me don't worry. No one else here but us~ I'm just getting comfortable between these beautiful thighs of yours and admiring the view~

(slick noise)

Hm, so eager. Look at you, I'm just brushing against you and you're twitching so much, like you're trying to pull me in~

Well I suppose...you did well with your training so I should give you a nice...**(slick noise as he pushes in, a low moan)** reward.

(slightly shaky) Now then...let's see if you can still keep focused while I stretch this cute hole out hm?

(vibration back on and continues through) I'm going to put this right here....and you, are going to hold it for me. Don't drop it~

(pleased moan) That's it..perfect. Mmn...I know that must feel quite intense for you..I can feel it too~ Now let's see how well you can hang on to it~ I'm not going to hold back, so do your best okay?

(thrusts begin at a quick pace, moans and pleased noises throughout)

Haha..you're really eager aren't you? Pushing...mn..your hips back against me like that. Don't worry, don't worry...I'll give you everything you want~

You've...mn..been so good at following my instructions so far, taking your training seriously~ So...it's only natural to give you some rewards for your hard work~

(low moan) Now, stretch your leg up like this..let the back of your knee rest in the crook of my elbow. Just...mn...just like that...Allows me to get even deeper into you. Hit just that...right spot~

Stretch you open nice and wide for me~ A perfect...mn...fit for me. **(kiss)**

(Thrusts continue at a firm steady pace for a while, moans and light praise during)

That's it, you don't have to hold back this time, you can cum. Cum for me...**(low needy groan)** *fuck* that's amazing, you're so tight...ha...well if you're going to beg so pretty for me, then I'll make sure to fill you nice and full..**(needy growl as he goes a bit faster, then orgasms)** Ha...mn...shhh don't worry love, it's all for you...push it nice and deep inside~

Mmn....oh that was perfect...you can let go of the vibe now...here..just drop it. I'll catch it.

(Vibration off)

(low huff) you did so well with your training darling~ I'm very proud of you. **(soft slow kiss)** Hm...I'll make sure your next lesson is just as effective as this one, though it may be a tad more difficult but...I know you'll be able to handle it.

(soft tired sigh) You don't want to move yet? **(closed mouth chuckle)** That's fine..neither do I...we'll just rest here for a bit longer, me nice and snug inside of you...and then, we'll take a shower and I'll take us out for dinner what do you say? A good training session deserves a good meal after all~

(soft kiss) Wonderful...now...just close your eyes and relax sweet thing, I'm not going anywhere~

(pause)

(playfully) You're very welcome~ trust me, that was just as enjoyable for me as it was for you...now....it's time to rest~

(he snuggles close, another soft kiss and a low content sigh, small bit of breathing then audio fades)
