

Mysterious Man: Admit what you did.
Jack: Huh?

Jack: Glenn?

Mysterious Man: Admit what you did.

Jack: Hold on, where'd you get that mask? Do you...
What have you been doing with Anna!?

Mysterious Man: Admit what you did!
Jack: What the fuck!?

Jack: What the fuck, guys!? Those knives look real!!!
Mysterious Man: Admit what you did!

Jack: This isn't funny! Stop it!
Mysterious Man: Admit what you did!

Jack: Leave me alone! I didn't do anything.
Mysterious Man: Admit what you did!

Jack: Stop chasing me, psycho!
Mysterious Man: HAHHAHAHAHA!

A man with short brown hair, wearing a grey hoodie, is seen from behind, looking out of a window in a dark, dilapidated building. The window frame is made of weathered wood. The scene is dimly lit, with a warm, orange glow from the window. The man's right hand is resting on the wooden frame of the window.

Jack: Fuck this! I'm outta here!!!

Jack: Huh!?!?

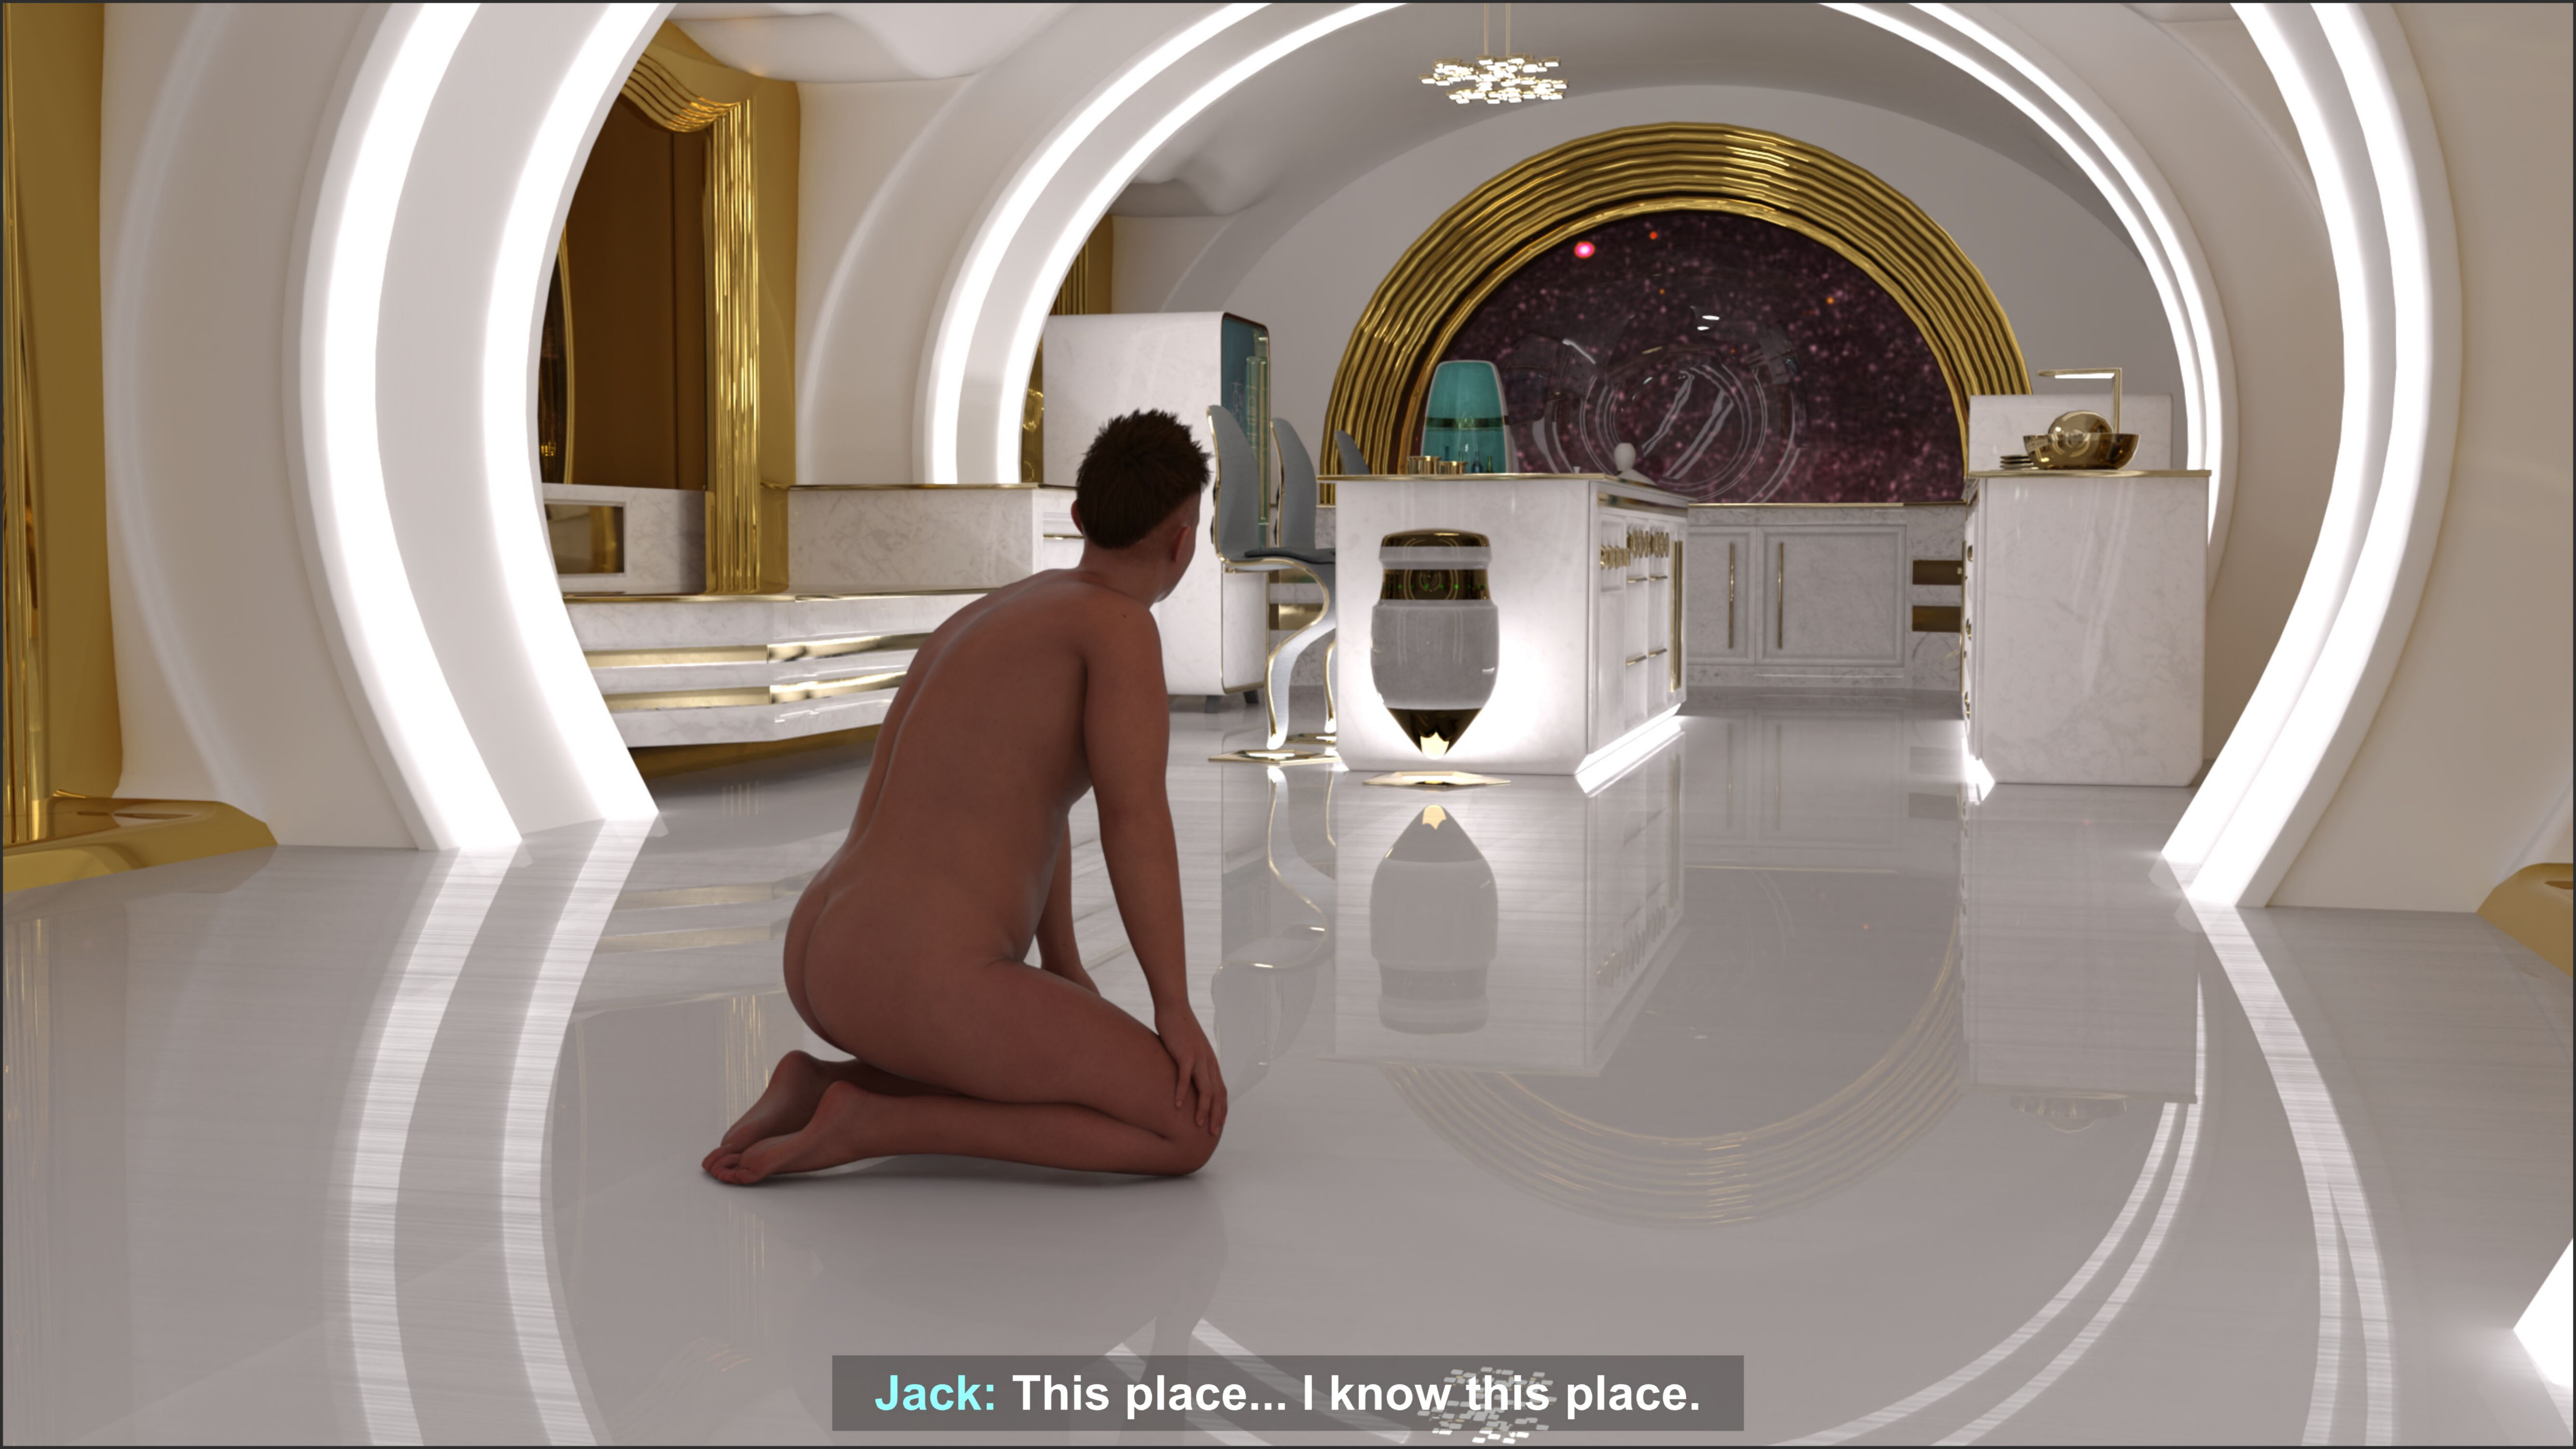

Jack: Ahh!!!

Jack: What the fuck!?!?

Jack: What the fuck?

Jack: This place... I know this place.

Jack: This is Princess Laymee's room. How did Anna know?

Glenn: Right? How many people outside the four of us know about Princess Laymee?

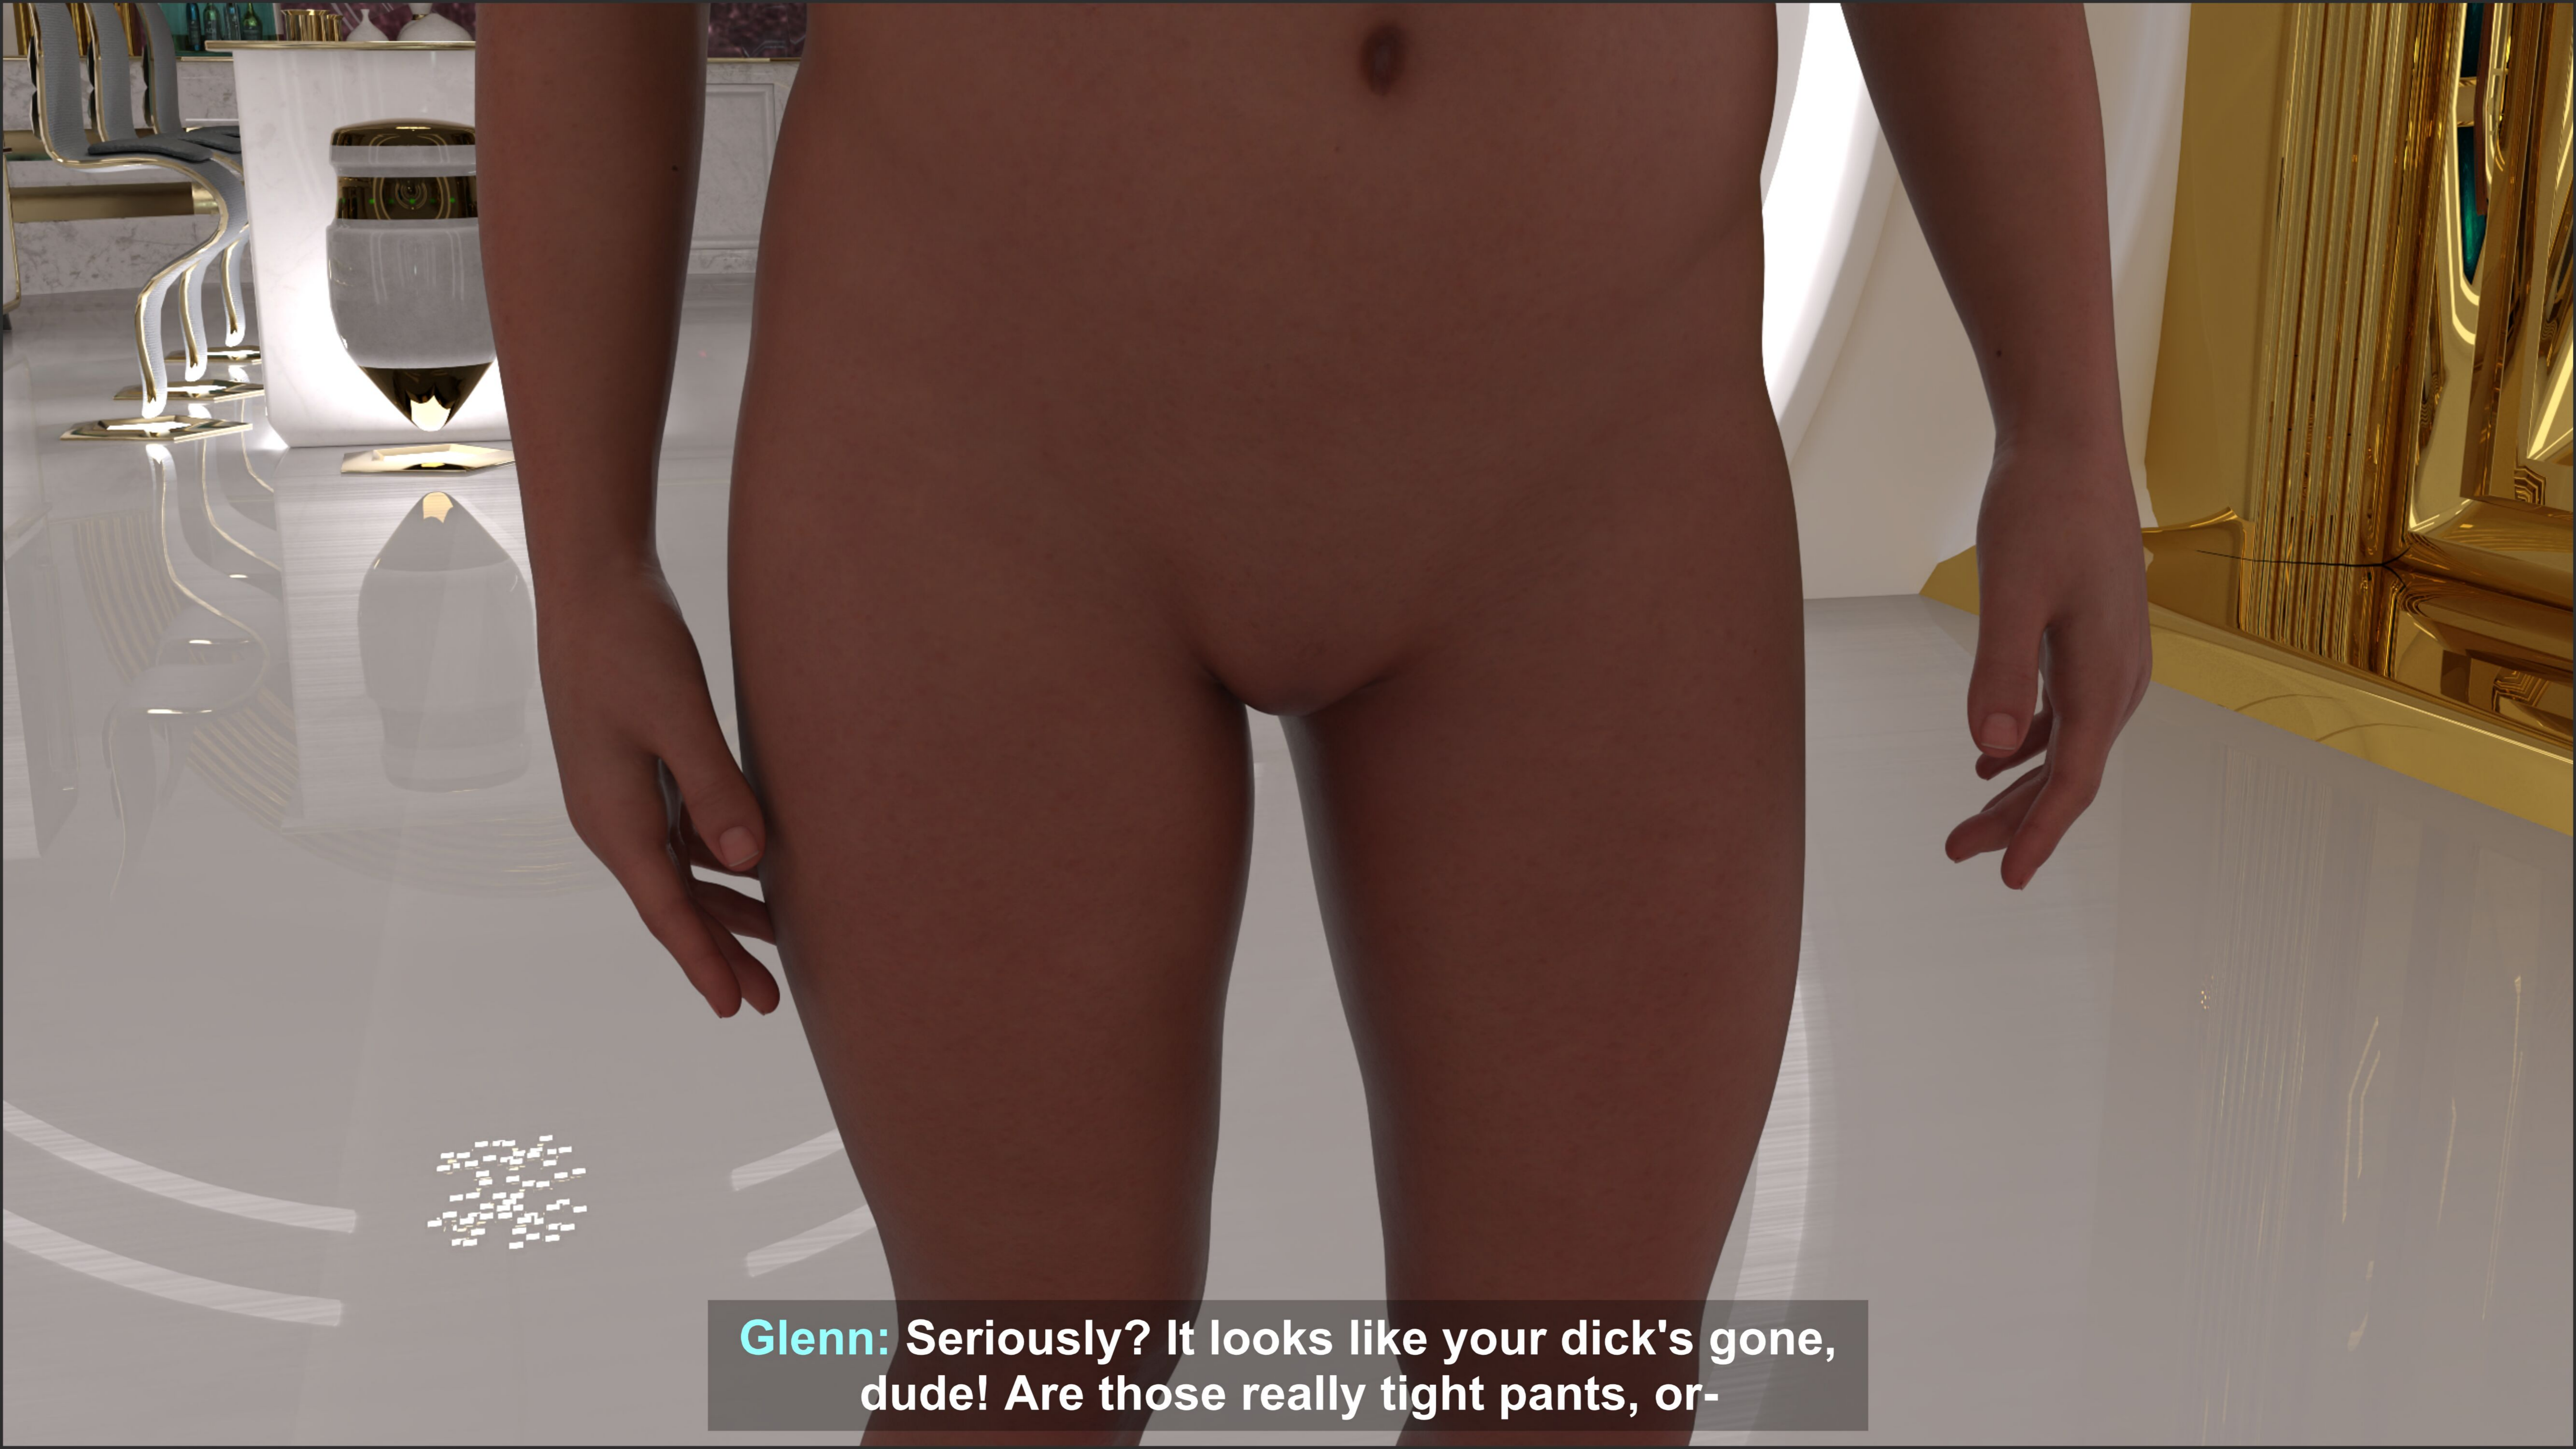

Jack: Glenn! And... you're wearing her costume. I knew it.
Glenn: Jack!? You, uh...

Glenn: Waking up in a costume is one thing, but... how the fuck did they do *that* to you!?

Jack: Do what?

Glenn: Seriously? It looks like your dick's gone, dude! Are those really tight pants, or-

Jack: My dick!? Where the fuck is my dick!?

A man with dark hair and a beard is standing in a futuristic, brightly lit hallway. He is wearing a white bikini top with a zipper, white bikini bottoms, yellow gloves, and yellow boots. He has a shocked expression on his face. The hallway features white curved walls with glowing circular light fixtures and a polished floor. In the background, there are gold-colored accents and a white sofa. On the left side of the frame, a large, muscular, brown-skinned figure is partially visible, showing its back and buttocks.

Glenn: It's really gone!? What the fuck, man!?
How the hell did they do that!?

Jack: I don't know! This... this is...

Jack: This is all your fault!
Glenn: What!?

Glenn: I didn't have anything to do with your dick missing, bro!
Jack: This is all about ten years ago! What you four did to Simon!

Glenn: You don't have a dick because we told Simon to wear a girl's costume? I don't see how that tracks, bro.

Jack: Anna planned all this with her friends! She thinks fucking those four will help me!
Glenn: How are you going to fuck them without a dick?

Jack: I don't know, but I need to get to Anna one way or another, so help me find something to fuck you with.

Glenn: I'm sorry, but did you just say "*Fuck you,*" as in *fuck me*?
Jack: Yes, but... *sigh*

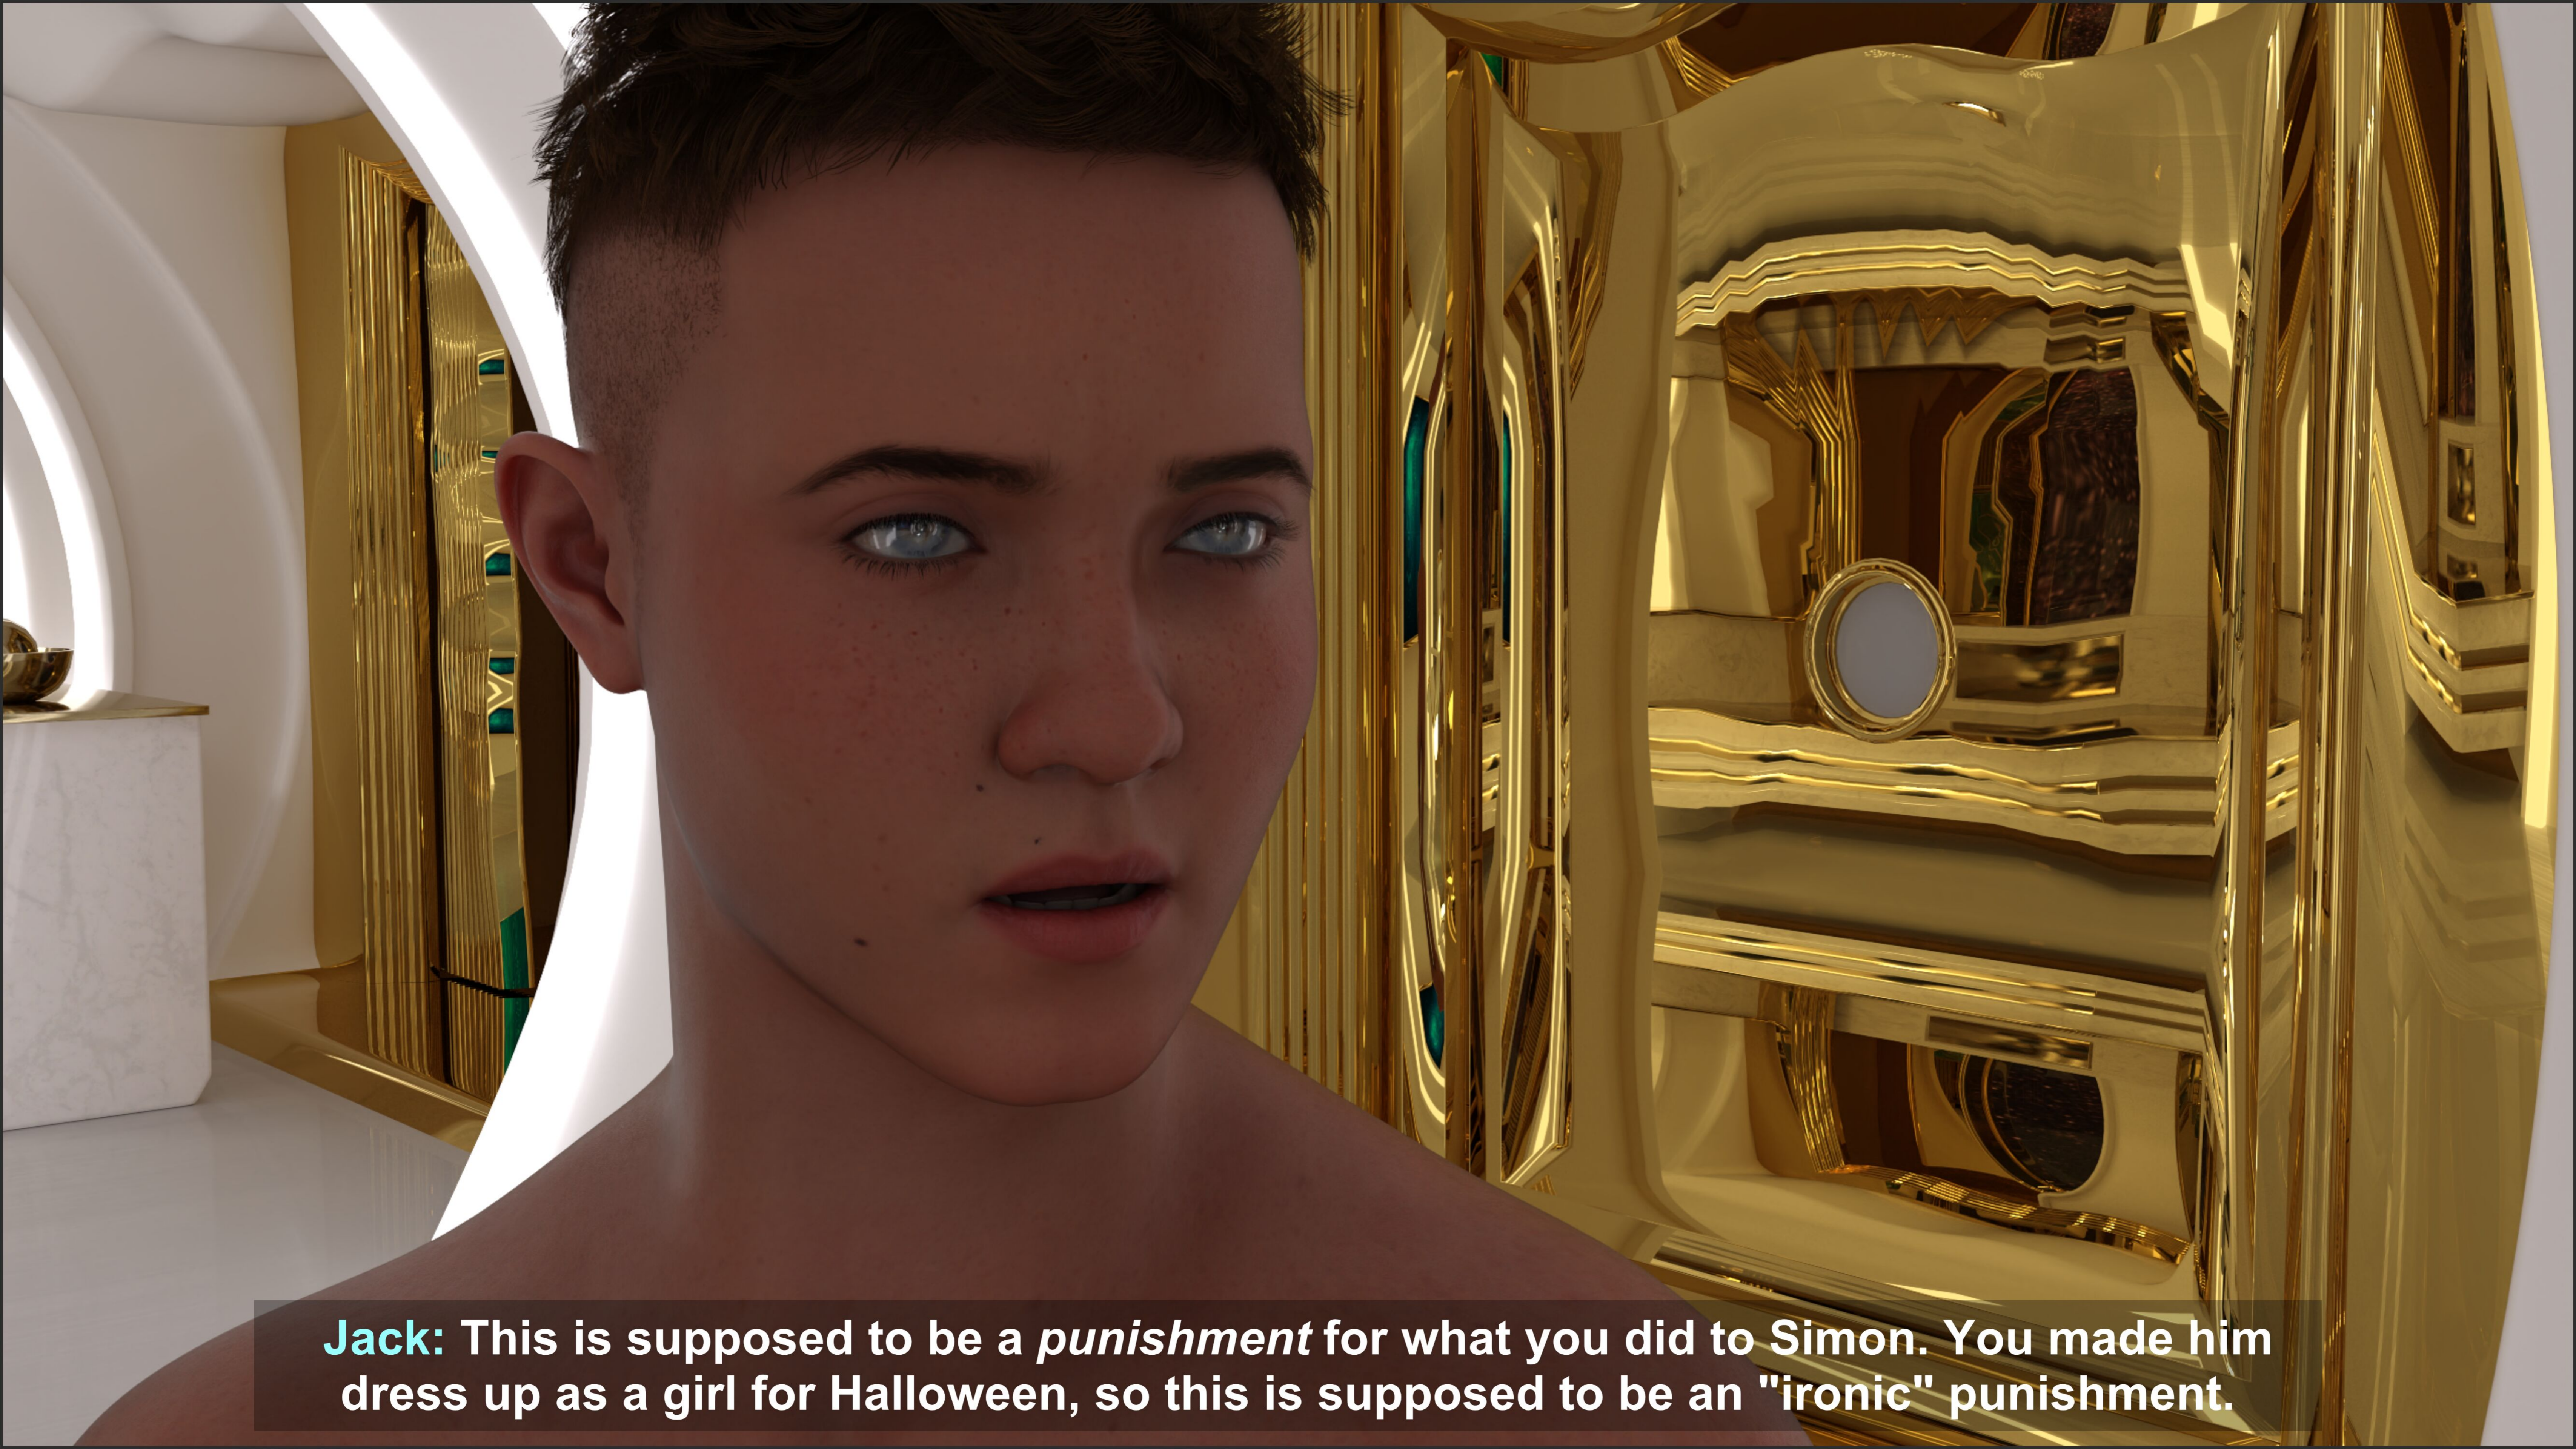

Jack: It's not *really* you. Lilly will show up in character and make you think you're Princess Laymee, too. Then they'll, I don't know, swap you with her so it looks like you're Lilly and-

Glenn: I'm gonna look like Lily Fontaine!? That's freaking dope, bro!

Jack: *Dope?* You don't get it, Glenn.

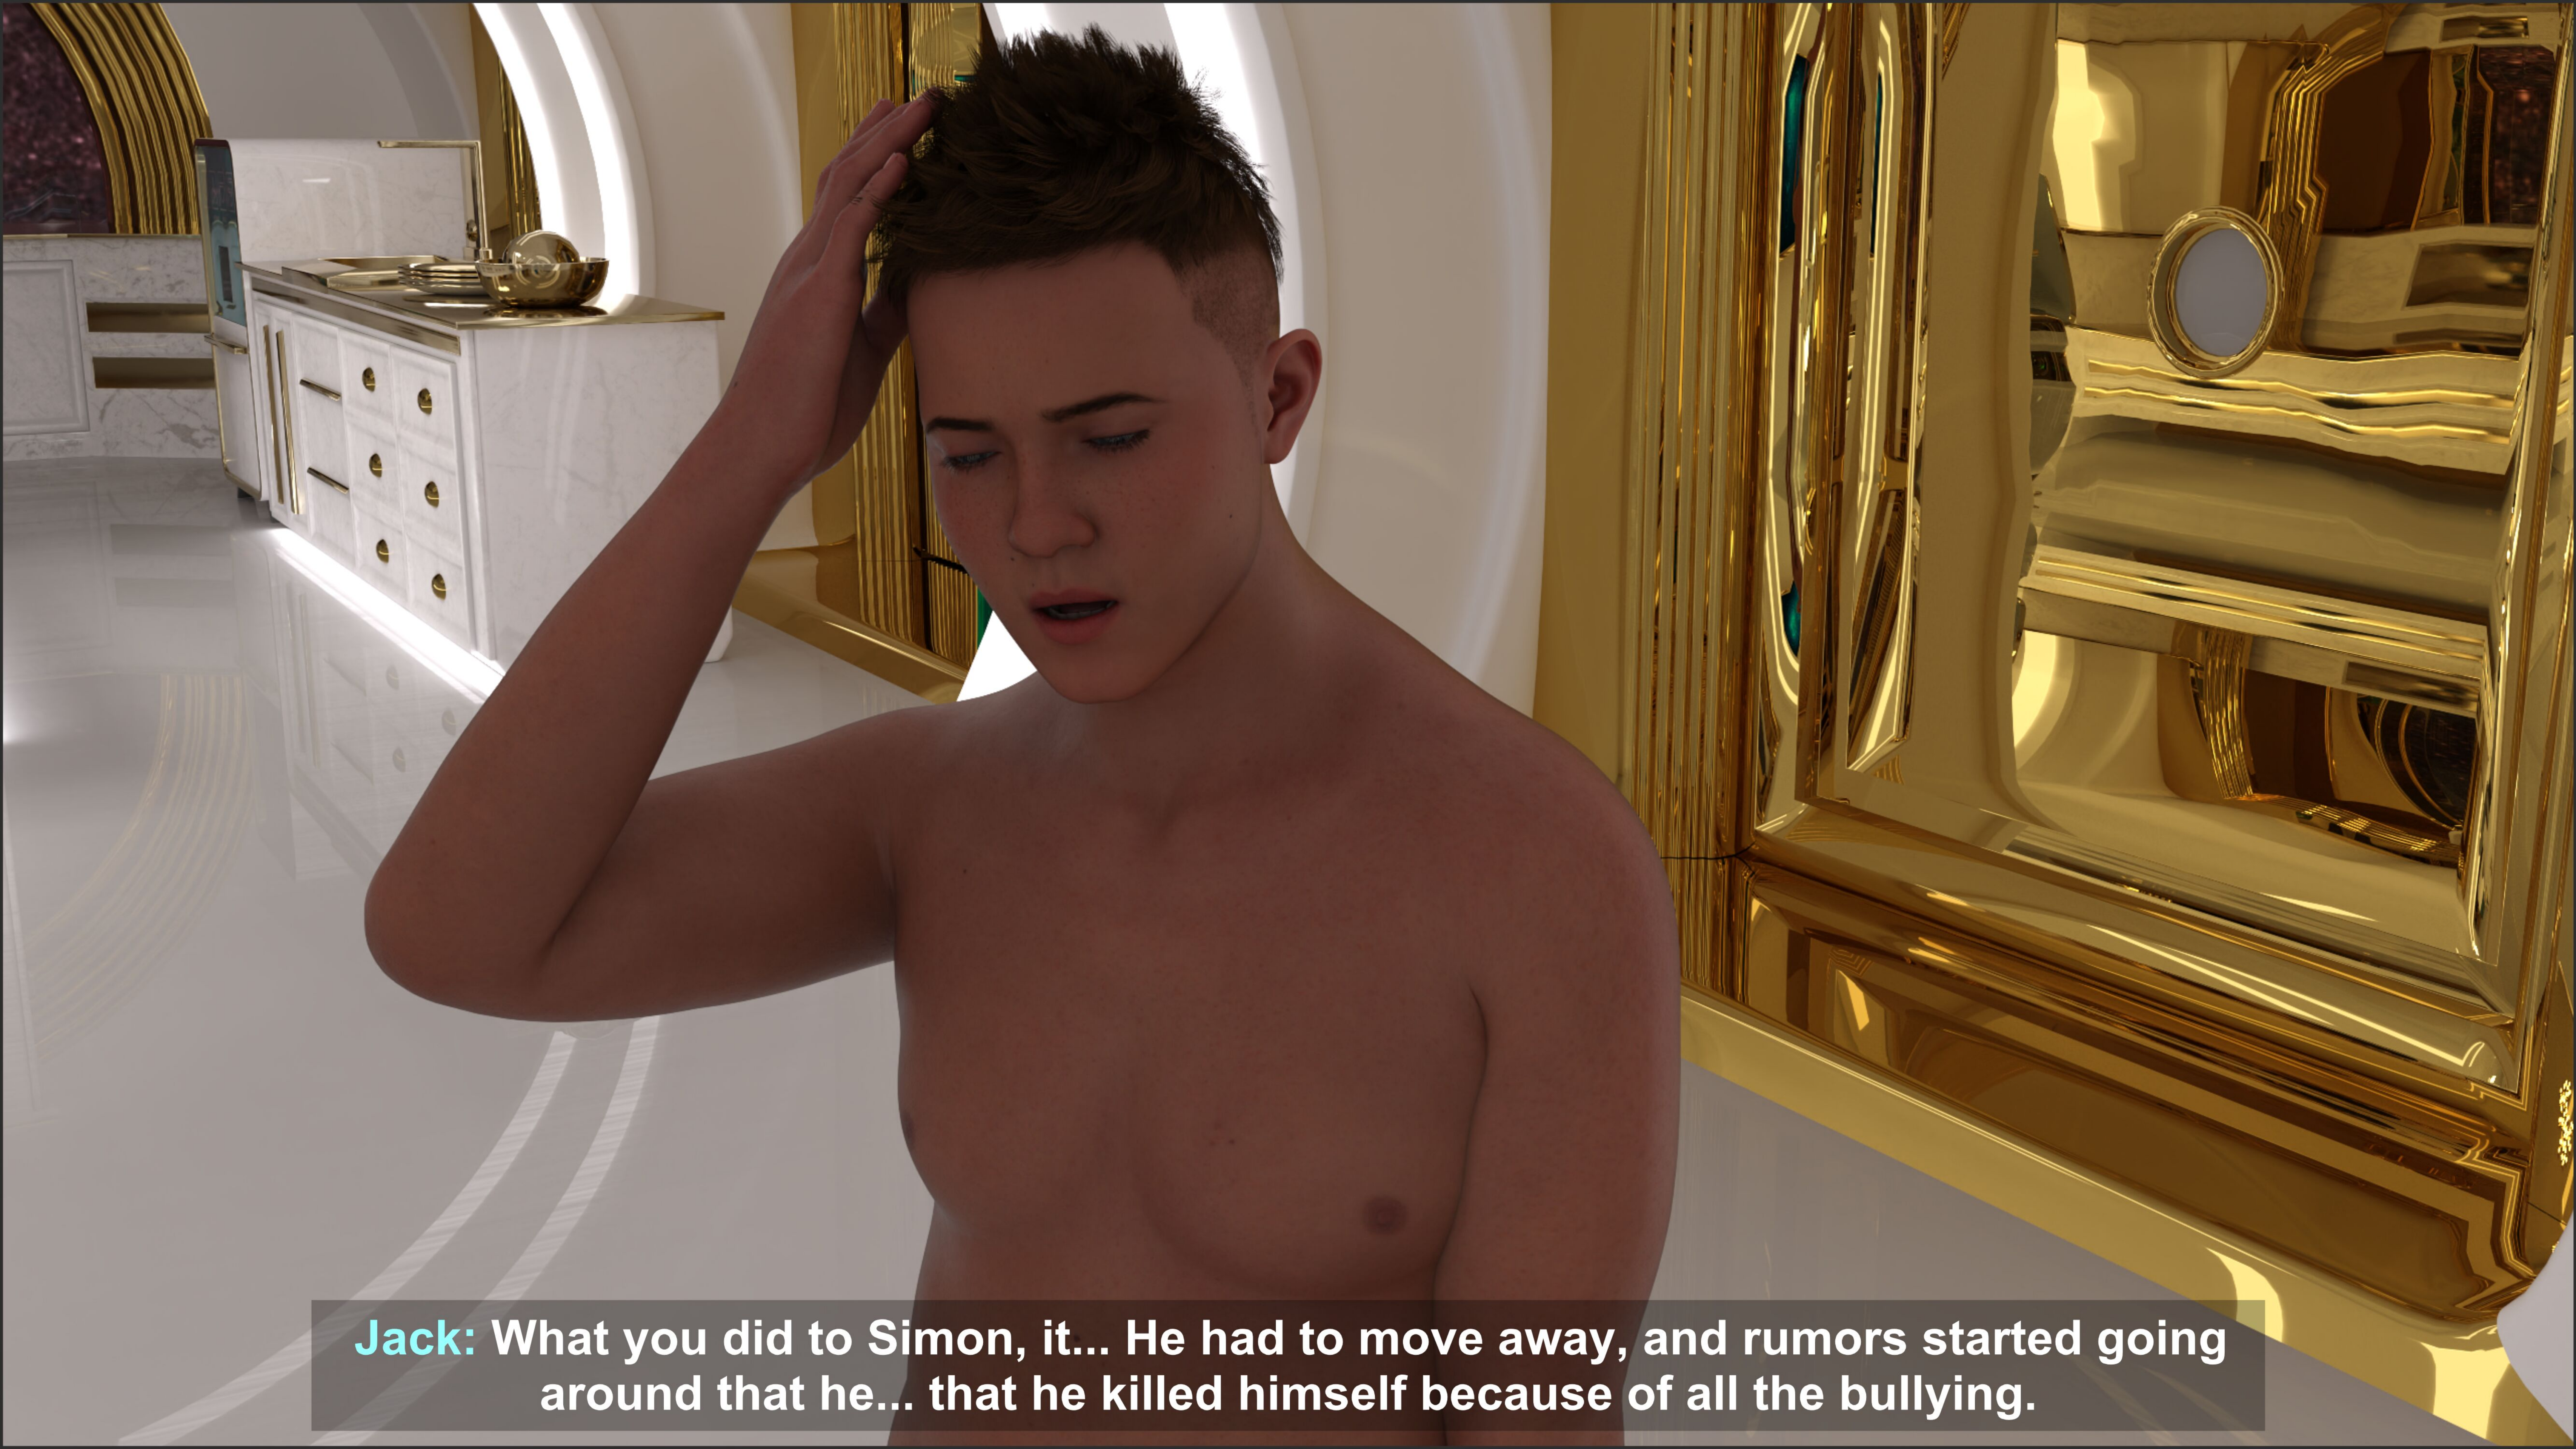

Jack: This is supposed to be a *punishment* for what you did to Simon. You made him dress up as a girl for Halloween, so this is supposed to be an "ironic" punishment.

Glenn: How is that a punishment? Sounds like fun to me, bro, as long as you lose some weight.

Jack: Dude, you're not listening to me!

A young man with short, dark hair is shown from the chest up, shirtless. He is looking down and to his left with a somber expression, his right hand running through his hair. The setting is a futuristic bathroom with white marble-like surfaces and gold accents. In the background, there is a white vanity with a sink and a mirror. To the right, a large, ornate gold shower fixture is visible. The floor is highly reflective, showing the man's reflection.

Jack: What you did to Simon, it... He had to move away, and rumors started going around that he... that he killed himself because of all the bullying.

Jack: That's why Anna's making me punish you.
Glenn: For that?

Glenn: I feel bad about the prank, but that's *not* why Simon moved away.
Jack: Yes, it was. He said he couldn't deal with all the bullying he was-

Glenn: He was bullied because someone started a rumor that the five of us would take turns fucking him in while he was dressed up like a girl. That's way worse than what we did.

Jack: What? I never heard that, but that's nowhere near as bad as-
Glenn: Dude, come on. Do you remember why the five of us became friends in the first place?

Glenn: We were five horny thirteen-year-olds who loved obscure Japanese Hentai.
Jack: I... I forgot all about that.

Glenn: We loved all the lesbian shit, but you and Simon? It was all "Compass, " "Laymee 2969," "Kitty Katera?" Do those ring a bell? What about "Bound in Penitentiary" or your favorite...

Glenn: ..."Harem High?" You gotta remember the mad crush you had on Rose.

Jack: Sure, I remember all those, but...

Jack: ...what does that have to do with anything? What you did was horrible and-
Glenn: Oh, you can't be this fucking dense, bro!

Glenn: Those were all *gender benders*! Those slutty chicks were all dude's before.

Jack: Fuck. You're right.

Jack: The female guards in Bound were former male inmates, while every Sister of Kam was a fallen male warrior. And Princess Laymee...
