Getting a New Puppy || Wolf hybrid!Kirishima x Cat hybrid!Todoroki x Listener (Softcore)

**CW: Handjob, Soft Dom Shoto, hybrid anatomy (knots)**

**Audio starts with The listener inside their little wooden cabin, it's sundown, and Shoto is watching them curiously as they cook supper.**

**Shoto: (Soft little purr)** .. What are you cooking? .. **(little sniffs)** .. It smells really good. Ah... A stew? I can't say I really know what that is, but I bet it tastes delicious. Everything you cook is really enjoyable... It's why I love spending the nights here with you.

Mm..? Oh, well... No, I do like spending my nights with Midoriya. His cooking is great too, but your company is.. Mm.. my favorite. .. Thank you, by the way. For letting me stay with you a lot.

**(There's a faint dragging sound outside, getting closer)**

**Shoto: (prickling, growling)** There's something outside, do you hear that? Quick.. You should close that window, Midoriya's been telling me about a massive, dangerous bear in the area... no, not a hybrid. An actual bear.. **(sniff sniff)** ... Wait, I smell a wolf.

**(Knock on the door, listener thinks it's Bakugou then, and walks over to the front door)**

**Shoto:** Wait... No, I don't think it's that angry blonde one. The scent smells different, be careful-

**(Listener opens the door, to see a large, red wolf hybrid)**

**Kirishima: (perks up)** Oh! Hi! You are home after all! Haha! I saw the lights on! Huh? Oh! No this blood isn't mine...it all belongs to this guy back here!

**Shoto: (Prickly, still defensive)** Is that.. A bear you're dragging?

**Kirishima:** Yeah! Um..This nice green bunny guy told me that it's been causin' problems around here so uh..I thought I'd handle it! As like...a way to say hello?

**Shoto: (skeptical, still a bit defensive)** You brought a dead bear...to say hello?

**Kirishima: (fidgeting, hopeful)** Well yeah! I mean it's a lot of meat, and I thought it would be appropriate y'know! I know / like meat gifts! And...well I've smelled you around...you and the human too! I just...I didn't really know how to say hi? Cuz I know I'm kinda big and scary looking...I thought...it might be nice? ...y'know..to make friends?

**Shoto: (growly)** He's a wolf, Catnip. Don't be so ready to trust him... That blonde one keeps taking your food and giving you a hard time, be careful about this...

**Kirishima: (defensive)** I'd never take any one's food!! That's totally unmanly.. **(Soft whine)** .. That blonde wolf, I've.. been trying to make friends with him because I really.. Wanted a pack of my own to belong to. And.. he's the only wolf hybrid I've seen in a long time since I left my old home... But.. **(Soft sigh, almost sniffling)** .. He seems to hate me. I keep trying to leave him meat gifts but he just gets angry and doesn't take them... and-.. And the one time I tried talking to him he growled at me and bit me..**(watery)** I don't know what I did...

**Shoto: (defenses lowering a bit)** ... mm... I.. Guess he seems a bit.. Harmless..more lonely than anything. **(Whisper)** He is a lot bigger than the mean wolf, though.. Just.. be careful.

**Kirishima: (small snuffle, hopeful)** H-huh? I can come in? **(happily)** T-thanks! I've been so excited to meet you, I just...didn't know how..heh. I'm Kirishima by the way! Kirishima Eijiro! I'm glad you're as nice as my bunny friend said you would be.

Oh! Yeah I can leave the bear outside if you want...I uhm...field dressed it and it's cold enough outside that it'll keep! Don't worry!

**(he enters and the listener closes the door behind him)**

**Kirishima:** Whoa it's so nice in here...This is where you stay during the super cold winters? Ahh.. it's so warm and cozy! **(sniff sniff)** smells good too! Huh? Where are we goin'? To the kitchen? What for? **(quietly, curious)** Also what's a kitchen?

**Shoto:** To clean you up. You're covered in blood.

**Kirishima:** Oh! Right! Heh, guess I kinda forgot since it's dried..

**(footsteps to the kitchen, chair is pulled out and Kiri sits)**

**Shoto: (huff)** Hold still. You have sticks in your mane.

**Kirishima:** I'm not surprised, I chased that thing all over the place for *hours*! Bears are surprisingly fast...ow!

**Shoto: (amused)** Didn't think a wolf your size would be tender headed of all things.

**Kirishima: (little yip, pout)** Yowch! Heeey take it easy...

**(water turns on, listener dampens a cloth and then begins to wipe him off)**

**Shoto:** Ngh... when was the last time you brushed your hair? It's matted in places...

**Kirishima:** Ow.. owowow.. Please don't tug on it like that.. Nnn.. I dunno, I don't really.. Uh.. brush it?

**Shoto: (patient sigh)** I can see that. That explains how you got like this.

**Kirishima:** OW! **(whine)** That huuurt...huh? I don't mind if you wipe my face off nice human! I promise, no biting! **(soft happy huff as his face is wiped)** Mmn..Mf.

**Shoto: (huff)** I think we may need to trim you wolf. These mats are a mess and who knows what you'd be dragging in here.

**Kirishima:** Huh? Trim me?

**Shoto:** Yes. Mats are unhealthy..and bad for your skin. You can get tears in your skin from the tension and then get infections and die. At least that's what my owners used to tell me.

**Kirishima: (slightly panicked)** EH?! I don't wanna die!!! **(teary)** human! That won't really happen will it? A..ah..? Whew..... Okay, that's a relief...

**Shoto:** Hmn. I think you're right Catnip...we should take him to the bathroom for that. I doubt you want dirty wolf fur all over your kitchen.

**Kirishima:** "Bathroom?"

**Shoto:** Mm.. Just follow us.

**Kirishima:** Mm..! Okay!

**(footsteps)**

**Kirishima:** Whoa your house is so nice.. It's a lot warmer and cozier than my cave. I tried to make it a nice den, but it really can't beat this...

**Shoto:** You live...in a cave? **(softly)** Hm. I had to do that for a while. It's not...a very comfortable place to bed down.

**Kirishima:** Heh, yeaah.. I make do with it, though! Shelter is shelter, and I can't be all that picky! Ah.. is this a 'bathroom?' ooooh..everything's all shiny and lemony smelling...What's this big deep thing??

**Shoto:** Mm.. A bathtub. That's what we're going to put you in. You uh.. Look like you desperately need one. **(lower)** And smell like you do too..

**Kirishima:** Huh? What did you say?

**Shoto:** Hm. Nothing...just hold still...they're going to take care of your mats first. I'll run the water in the meantime.. Nice and warm.

**Kirishima:** Ahhh... **(Whine)** .. is taking care of the mats gonna hurt? .... Mm..? No..? Okay... as long as I hold still? I can do that! .. I think..

**Shoto:** **(amused)** If you can take down a bear, I think you can sit still for a few minutes.

**(Listener snips the scissors together)**

**Kirishima:** .. What is that?? It looks sharp..... ooh.. I see! You're gonna cut the mats out, right? **(sniff, sniff)** They don't smell dangerous... Okay, I'll stay still!

**(water turns on, and the listener gets Kiri to sit on a stool)**

**Kirishima:** mm.... sit? Okay.

**(Listener starts to work at his hair, cutting out the spots that are too matted to brush)**

**Kirishima:** **(A bit relaxed)** .. This doesn't hurt at all. I really like the feeling of your fingers in my hair.. Mmm...~

**Shoto:** .. Catnip, should I see if I can find something for him to wear? His current pants are... ripped and covered in dirt. ... Okay, I'll go see if I can find him something. The water's at a slow enough pace that it shouldn't overflow..

**(Shoto walks out of the bathroom, scissors snipping through dialogue)**

**Kirishima:** um.. Thanks again, for letting me into your nice warm home. I.. I've been around these woods for a while now, and I've seen your home in passing and stuff, but I never really could work up the nerve to speak to you! ... Well.. Humans can be kinda scary is all. I saw some a long time ago in the woods, and I wanted to try and talk to them! I was practicing human speech at the time cause I was so interested, and.. Well... they had these loud things they were holding, and they tried to kill me with them at least I think so. They made this loud BANG noise and it got me right here on my face? Yeah, that little scar over my eye... So I ran away from them.. And that was the last time I saw a human.

Mm...Yeah.. I'm not too bothered about it though! I don't think ALL humans are bad like that. You're a lot different.. you're so kind. ... And I brought you the bear as a gift because I thought maybe it would make you like me! **(disheartened)** I.. said before but, I tried it with the other wolf hybrid that lives around here and he didn't.. Really take it too well.

... ohh.. You know him?! Ah.... **(softly, admiring)** Bakugou is his name... Katsuki... His name is just as pretty as he is.. Does he come visit you?

He does huh? Hm..what...does he like? Do you have any ideas of what I could bring for him??He seems to like food and affection? **(soft chuckle)** I did try that but.. Maybe I just need to keep trying!

**Shoto: (returns with some clothes)** I found this extra large hoodie. As for pants, I have these stretchy boxers you got me. I don't mind him having them.. They might fit.

**Kirishima:** Oooh!

**Shoto:** You're quite the big wolf, so we might need to get you clothes that actually fit. But in the meantime, I'll set these here on the counter so you can put them on when you're out of the bath. The stew is finished as well...I pulled it off the stove so it should be ready by the time we're done here.

**Kirishima:** Okay! Is it bath time now? Yeah? I gotta say... my mane feels a lot lighter now. Ah.. thanks for getting all of the tangles out.

**(foot steps, water turns off)**

**Shoto:** Well, the sooner you get in, the sooner we can all have dinner so...

**Kirishima:** Really?! Lemme in then! **(hurried footsteps, small splash)**

**Shoto: (low chuckle)**

**(audio fades out, fades back in to a crackling fireplace. The three of them are bundled up in a blanket with warm hot cocoa after Kiri's bath)**

**Kirishima:** So that's how humans take baths.... I'm so used to enduring such cold rivers when I bathe. It.. felt so nice to have warm water and nice smelling- what was it called?

**Shoto: (sips hot cocoa) Soap.**

**Kirishima:** Yeah, soap! It made my fur so soft... ahhh.. I've never felt more comfy than I am now.. All curled up in soft blankets between you two, by a nice warm fire...waaaay better than my cave haha! And that *stew*? Oh man that was so good... You sure it was okay for me to have so much?

**(pause)**

**Kirishima:** Ah I know..I just didn't wanna eat *too* much y'know? It's kinda rude. Especially since you and your pretty kitty were so nice to me.

**Shoto: (mrrp) "Pretty?"**

**Kirishima:** Well..you are! Your fur is so shiny...and your eyes are too! And.. you're very pretty too, human~ mm.. I feel really.. Happy to get to be so close with you both right now. I.. well.. I've never had any kind of affection my whole life, so this is... mm.. It's so nice...

**Shoto:** Mmm.. I call this human Catnip because when they brought me in, they gave me a lot of affection and love too. They smelled so nice, sweet and crisp like catnip... It was really amazing.

**Kirishima:** ah.. That's so nice.. It feels really amazing to be so close to others.. Makes my heart race a little....

**Shoto:** What's that.. Oh. Your tail, Kirishima..

**Kirishima:** Sorry-! Was I hitting you with it?

**Shoto:** Mm.. A little, but I don't mind. That means you're feeling happy, right?

**Kirishima:** Yeah.. I'm feeling *really* happy.

**Shoto: (Soft, content hum) me too... (His purring starts up)**

**Kirishima: (soft whine, a soft lick) ... s-sorry.. To lick you out of nowhere, human.. I just... feeling very .. um.. I don't know.. (Soft huff, another couple licks) .. Could you.. Pet me a little more? Like you did when I was in the bath? I like the feeling of your hands on my body...**

**Shoto:** (Soft mrrrrp, his voice gentle as he speaks) .. Do you like being pet, Kirishima?

**Kirishima:** Y-yeaah.. A lot... (Soft dog-like huffs as he's pet, soft whine) .. Ahhn...it feels nice when you scratch behind my ears like that..

**Shoto:** I'm sorry by the way, Kirishima..

**Kirishima:** (a little dazed) H-huh? What for?

**Shoto:** Hm. For earlier when I was hesitant to let you in. I thought you might be a mean wolf like Bakugou...but...you're not like him. You're a good boy.

**Kirishima:** (shaky huff) ... I'm.. I'm a good.. Boy?

**Shoto:** mmmhm..~ (Gentle lick, purring gets a bit louder)

**Kirishima:** (Reacting to the little lick on his cheek) mm- .. ahh.. (his breathing is a little heated) ... I like being called a good boy... and- .. nn.. And the pets..

**Shoto:** (soft, playful).. oh..? What's this?

**Kirishima:** (shaky little gasp) .. Sorry... I can't really help it, It's.. nn.. My first time being so... close with others... and being touched like this.. I-I'm sorry...

**Shoto:** It's okay.. It's only instinct. You don't have to apologize. Do you want us to stop here?? We can just go back to petting your ears?

**Kirishima:** Nn..! No, um..Could.. Could you touch me more..? Please? There..? Y-yeah right.. Ah..~ hnn..

**Shoto:** mm.. He is a good boy, isn't he, Catnip? Almost makes me want to keep him..Here. Let's pull these down a bit. We just got you cleaned up Kirishima...don't want to make a mess again.

**Kirishima:** M-mm..! (soft panting) ..

**Shoto:** A..ah..

**Kirishima:** (soft whimper) W..what.. Todoroki..? Human..? Why are you staring like that..? Is.. is it too big or something? I'm sorry.. I know it's.. It's kind of a lot..

**Shoto:** It's.. mm.. It's perfect.. It's okay, just.. Relax.. The two of us will make you feel really nice.. Is that okay?

**Kirishima:** it's- ahh.. It's MORE than okay.. P-please.. Please do whatever...

**Shoto: (chuckles)** Catnip... Would you like to touch him here..? **(admiringly)** I guess his body's not the only thing that's big. You can barely fit your hand around him...

**Kirishima: (Soft little gasps and grunts for a while)** ... It.. it feels so good... Aah- m..my whole body's heating up.. Please.. Please squeeze harder human, please! Ah.. ahh.. **(more panting for a while. He moans softly, and whines for a while as they continue.)**

It- aah.. It's.. nn.. Can't.. Stop moving my hips.. S..sorry.. **(more moaning for a bit)** T-too much.. I feel.. Like im.. Gonna.. A-ah..

**Shoto: (purring, soft encouragement)** mm.. I only know a bit about dog hybrids, but I think wolf hybrids might be the same. See his knot? At the base? He needs pressure on it to cum properly..

**Kirishima: (whimpering)** A-ah..I.. Feel like I'm gonna.. I.. I can't-...**(whine)** H-help? Please, it...ah.. So much.. Pressure.. Wanna c..cum.. It's s-so much.. So good... **(Moaning through dialogue)**

**Shoto:** Shh, just relax Kirishima. You're being a good boy...I'll help you while they keep stroking...so don't squirm..**(Gentle kiss to his head, softly speaks)** Can barely fit my hand around it...damn.. Couldn't imagine what this would feel like being popped inside.... There-

**Kirishima: (sharp moan)** AH! J-just like that..R-roki please! **(Moaning through dialogue)**

**Shoto: (soothingly)** you're okay Kirishima..you can let go...

**Kirishima: (loud whimpering moan as he orgasms)**

**Shoto: (gentle amusement)** You're trembling...it must have been quite the feeling hm?

**Kirishima: (panting heavy, dazed)** U..uuh-huh..

**Shoto: (soft lick)** Good boy Kirishima...Catnip, you stay with him..I'll go get a towel to clean up. He made a bit of a mess~

(soft footsteps, jingle bell padding away)

**Kirishima: (soft whimpers, panting as he catches his breath)** S-sorry I made a mess...I didn't mean to just..it's been a while....whew... I.. Don't usually deal with that kinda thing on my own often, I've been a little pent up.... **(soft licking)** Thank you...Hm? You want a "kiss"? What's that? **(listener gives him a soft smooch)** Mmn..I like that...it's nice. Is it a human

thing? Wolves don't..really do that but I really like it. Can I have another? Please? **(soft kiss)** ... Mm.. I'm really happy.. Can't stop wagging my tail..

**Shoto:(Returning)** Mm.. here, allow me.. Don't worry, the wash cloth is warm so it wont chill you.

**Kirishima:** A-ah.. thanks.. Todoroki.. You're so kind..

**Shoto: (Soft hum)** ... Catnip, what do you think about maybe.. Keeping this one? He's the kindest canine hybrid I've ever met, which is rare when it comes to wolves... Mm. He's so lonely out there without a pack, and with the way the blonde wolf.. 'Bakugou' treats him, he seems like he could use some companionship. Not to mention, staying here would be much better for his health than a cold dingy cave...

**Kirishima:** C-could I..? **(Excited)** I can provide if you let me! I can hunt pretty much any kinda meat you're looking for, I-I can.. I can bring back useful items I find! Oh, oh, and I'm really warm so on cold nights, I can cuddle you and keep you warm! I could...I could..**(gets distracted, makes soft happy noises as he's pet)** Really? I can stay?! Ah! Thank you!! I promise. I'll be the best wolf ever! I'll make sure you and your house are safe!

**Shoto:** I appreciate that Kirishima. I'm not the strongest, and they're often alone and I do worry about them. So...with you keeping watch, I know they'll be safe.

**Kirishima:** I promise they will...**(wide yawn)** Mmn..sleepy...

**Shoto: (chuckles)** That's alright Kirishima..you can rest and I guess tomorrow you can help them deal with that bear outside.

**Kirishima: (sleepily)** Mhmm..promise. Thank you both again...**(another soft yawn, speaks as he drifts off)** for everything....

**(Kirishima snores softly through the dialogue until the end)**

**Shoto: (softly)** And he's out. **(chuckles)** I wasn't expecting the night to go that way but...sometimes instinct takes over when it comes to hybrids. That's what happened when we met after all. **(soft nuzzle and purr)** I did mean it though. I think he'll be a good protector for you...What if there's another bear? If he can handle that one, I'm sure other predators would stand no chance against him. So.. It looks like you got yourself a loyal guard dog now.~

Mm.. I'm.. very comfortable myself. Maybe we should stay here for the night? These pillows are soft.. And the fire's so warm. I.. **(yawn)** .. wouldn't mind dozing off with you both here.... Ah... You have such a big heart for being so kind to all of us, Catnip. Mm... Goodnight...

**(He doses off, purring softly as the audio fades out)**
