

So is it you who's gonna pick us
back up from here or?

A blue-haired anime girl with large green eyes is driving a car. She is wearing a dark blue suit jacket over a white shirt and a red tie. Her hands are on a purple steering wheel. The car's interior is visible, including a white seat and a dashboard with a speedometer. The car is moving on a road, and the background shows a green field of flowers and a forest under a blue sky with white clouds. A text overlay is positioned in the upper right area of the image.

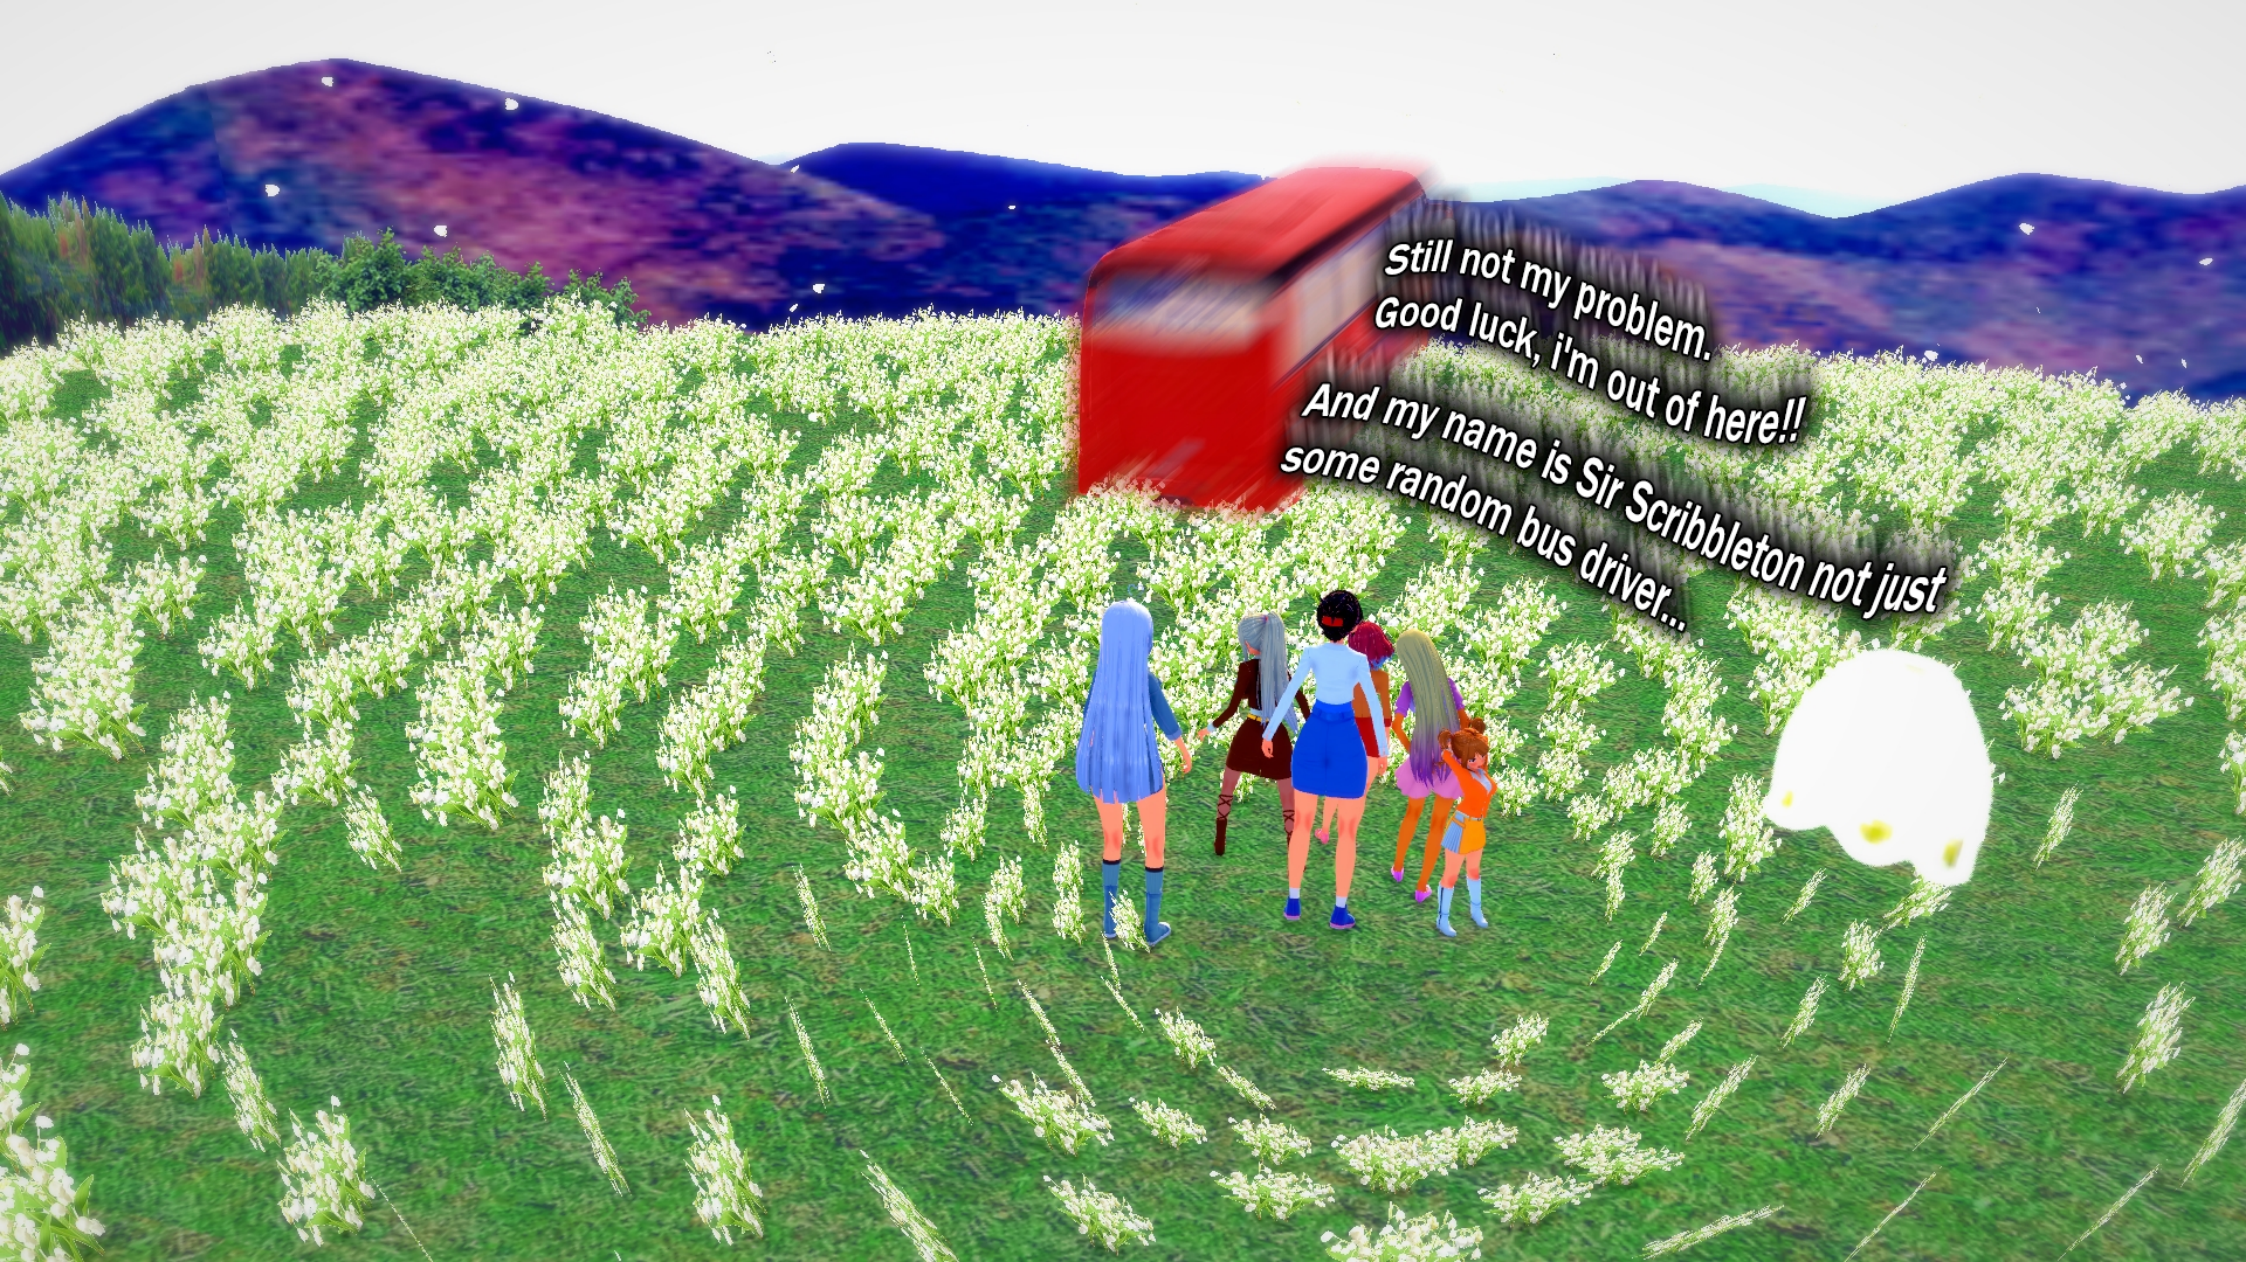

Not my problem,
they don't pay me
enough for a 4 hour
trip both ways....

Then who the fuck is gonna pick us up from here.....

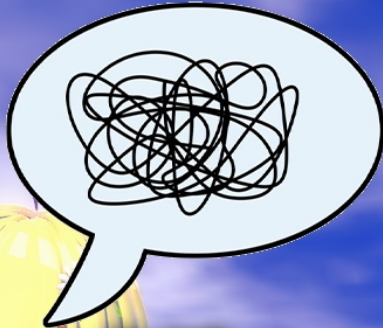

Don't get angry at that guy.
He's literally just a random
bus driver... I'm sure they'll
send someone in a couple hours...

A red bus is driving away from a group of five anime-style characters in a vast field of white flowers. The bus is moving towards the right side of the frame, leaving a trail of motion blur. The characters are standing in the middle ground, looking towards the bus. The background features rolling hills under a bright sky.

still not my problem.
Good luck, i'm out of here!!
And my name is Sir Scribbleton not just
some random bus driver...

He left...

Ah well...

-Changing Outfit-

A 3D-rendered character with short black hair, wearing a light blue beret, a light blue long-sleeved shirt, a dark blue apron with a white heart-shaped pattern and a white bow, dark blue pants, and dark blue shoes. The character is standing in a field of white flowers with green leaves. The background shows a bright sky with white clouds and a line of green trees in the distance. The character's eyes are closed, and they have a slightly sad or thoughtful expression.

I hate to be right.
I forgot how long my hair actually is...
