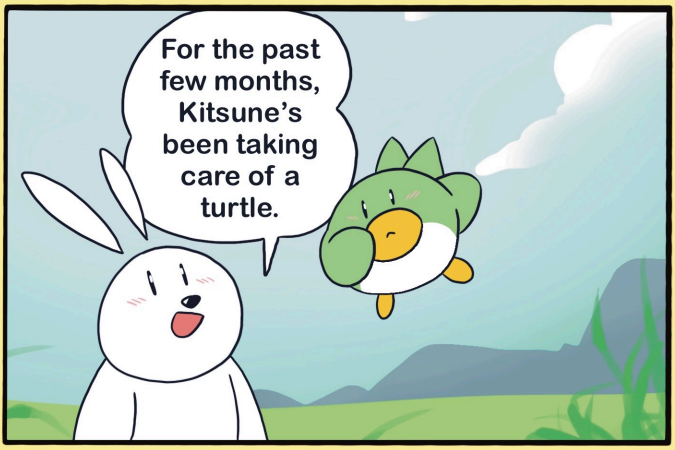
=A turtle tale=



For the past few months, Kitsune's been taking care of a turtle.

He gives him tons of food each day…

How's it been so far?
Well…

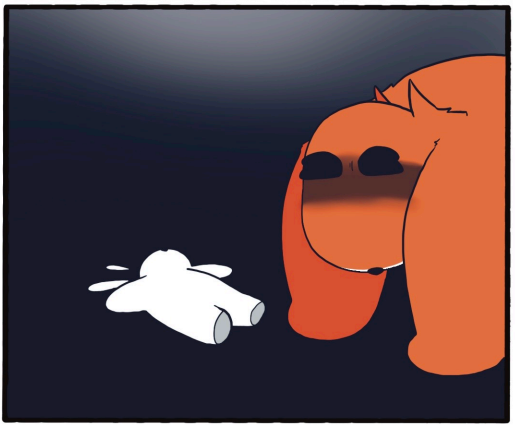
He takes him for walks outside too…

He even plays with him.

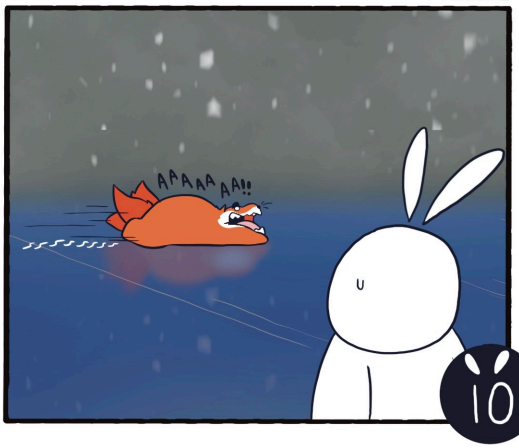
I'd never expect him to be the "father" type…
Well, he's a huge softy.

Many years have passed
Kame's leaving today...
Oh...
Thank you for taking care of me.
Promise you'll visit?
Of course...
I want to be as caring to others as you were for me!
Goodbye, Kitsune !!
END

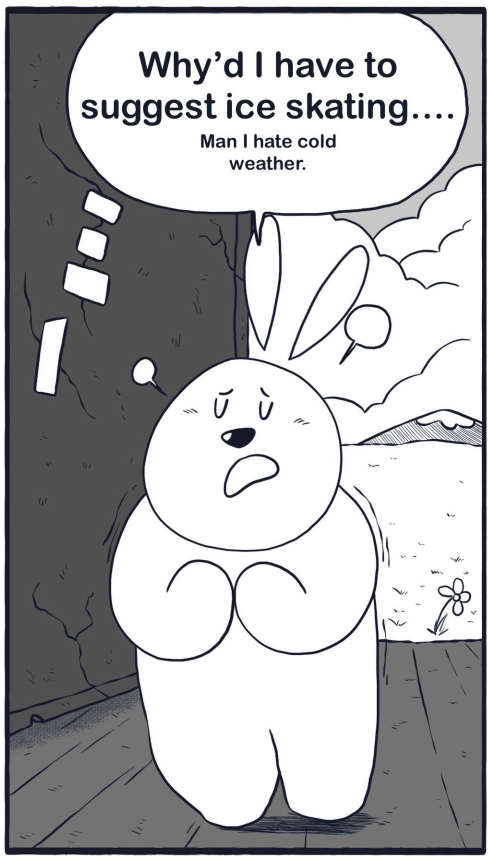
=Heavy load=



=Ice skating=



=Advantages of body heat=



!
You're so warm so you never have to worry about the cold.
Plush

That's great an' all but...
The food's getting cold...

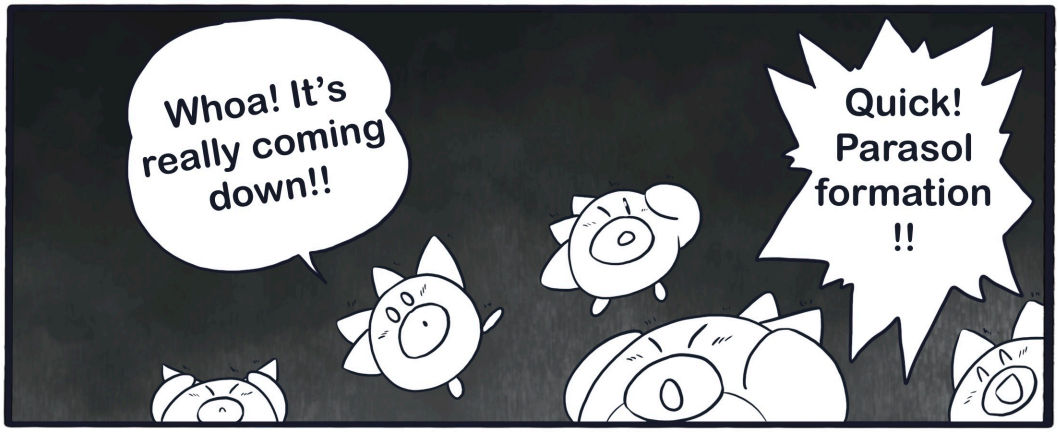
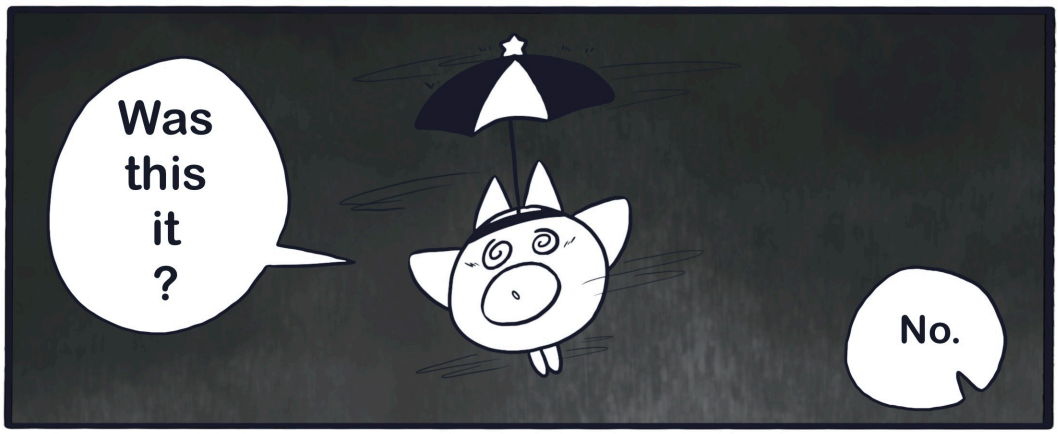
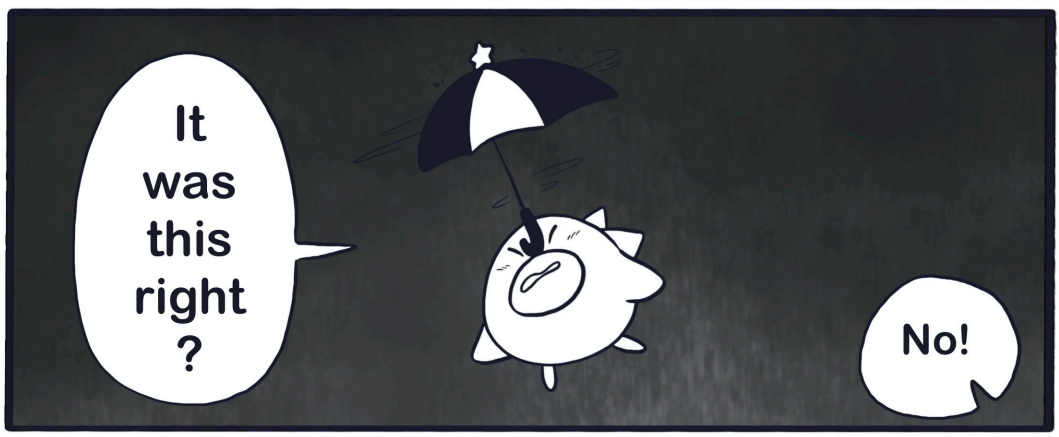
=Yin Parasol=



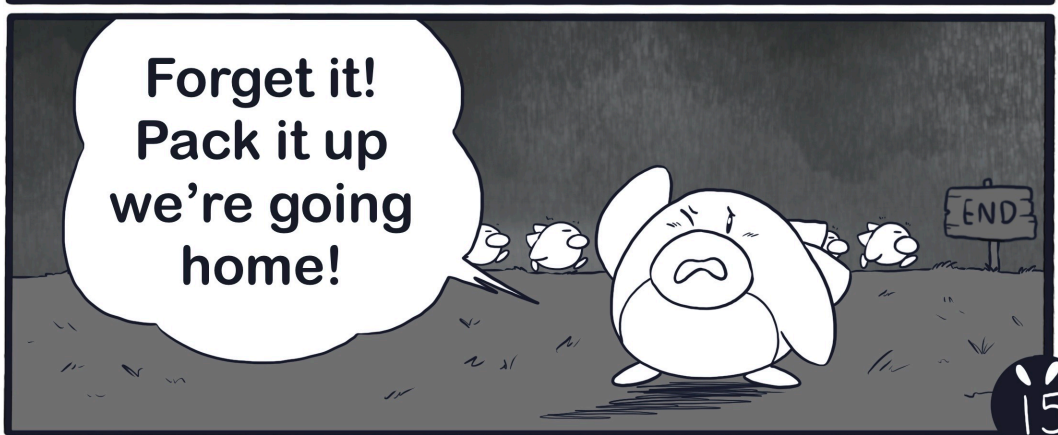
Whoa! It's really coming down!!
Quick! Parasol formation !!



Was this it ?
No.

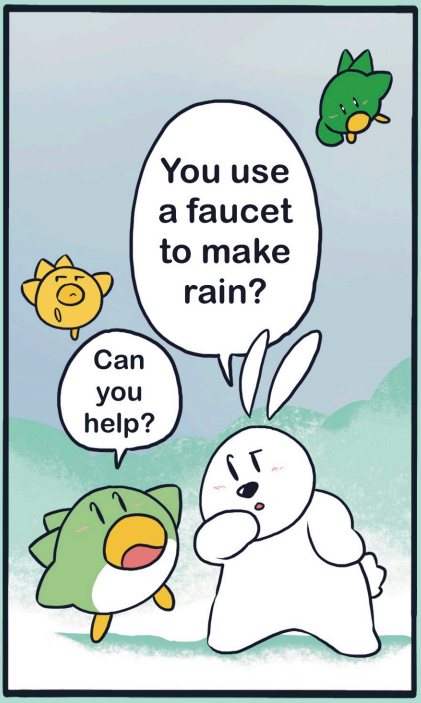


It was this right ?
No!



Forget it! Pack it up we're going home!
END

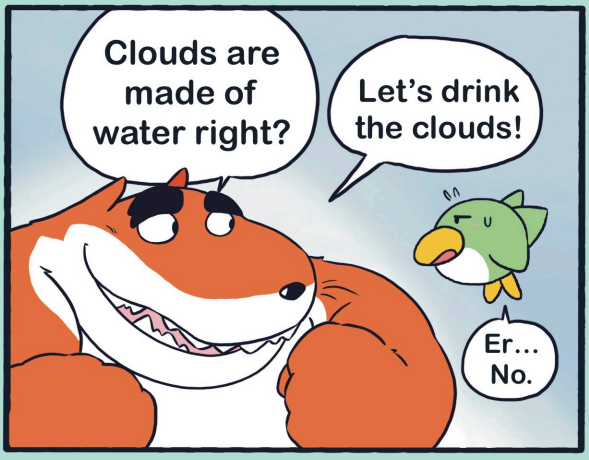
=Dex, the short-tailed Demi-god=



You use a faucet to make rain?
Can you help?

I don't know... It's wedged pretty tight.

We tried going under the clouds.



Clouds are made of water right?
Let's drink the clouds!
Er... No.

I know! I'll slice the faucet open!
TRANSFORM!!

Here goes !!

NO Stop !!!
Stopped

That sword you changed into was made of the heaviest material here!
Surely you're strong enough to turn the faucet!
Well I mean if you want to do it the boring way...
RRRRR
WAA——HH!!
I stand corrected.
Hope that lightning didn't hit anything...
Um, hello?
Someone get me down...
END

Hey, 'Sune! I need you to check this out!
Huh? It's blocked.
Is this what ya wanted me ta see?

=Warm n' fuzzy=

Ah…boy am I starving.
hah hah
I think I'll start dinner early tonight.

Whoa whoa whoa…you should relax!

You did all the running when that feather dragon chased us.

But what about dinner ?

I'll cook dinner.
You just find a place to sit for a bit.

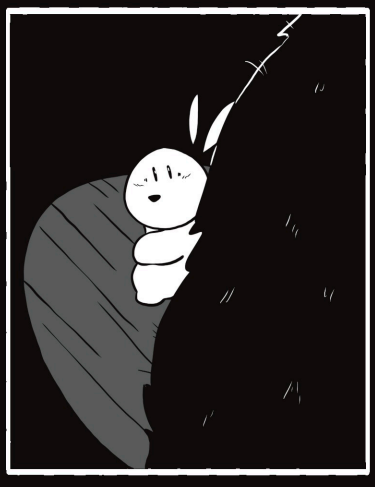
Are ya sure you don't need any help?
Please, it'll be simple. Don't worry.
Okay let's see here...
Mochi cake...
pool
rice/dough
fruit filling
Easy enough! This'll be a cinch!
...30 MINUTES LATER...
And finally, a dragon's talon!
There! I did it!

Oh, kitsune!
Whoa, this looks great Buni!
What is it?
The greatest thing to grace your eating hole.
Oh! It's—oof... somethin' else bun...
Glad you liked it!
And now to complete your relaxation, let's drift off to bed.

I think I'll drift off to the bushes first...
?
Huh ...
Kitsune?
What are you doing up so early?

Huh. Well that's odd.
I could have sworn he was just here...

GRR



Kitsune??

RARRRR
AAAAHH!!
Kitsune, it's me, Buni!

Your best friend !
Swiss Army knife !
Floating eared companion !!

ROAR

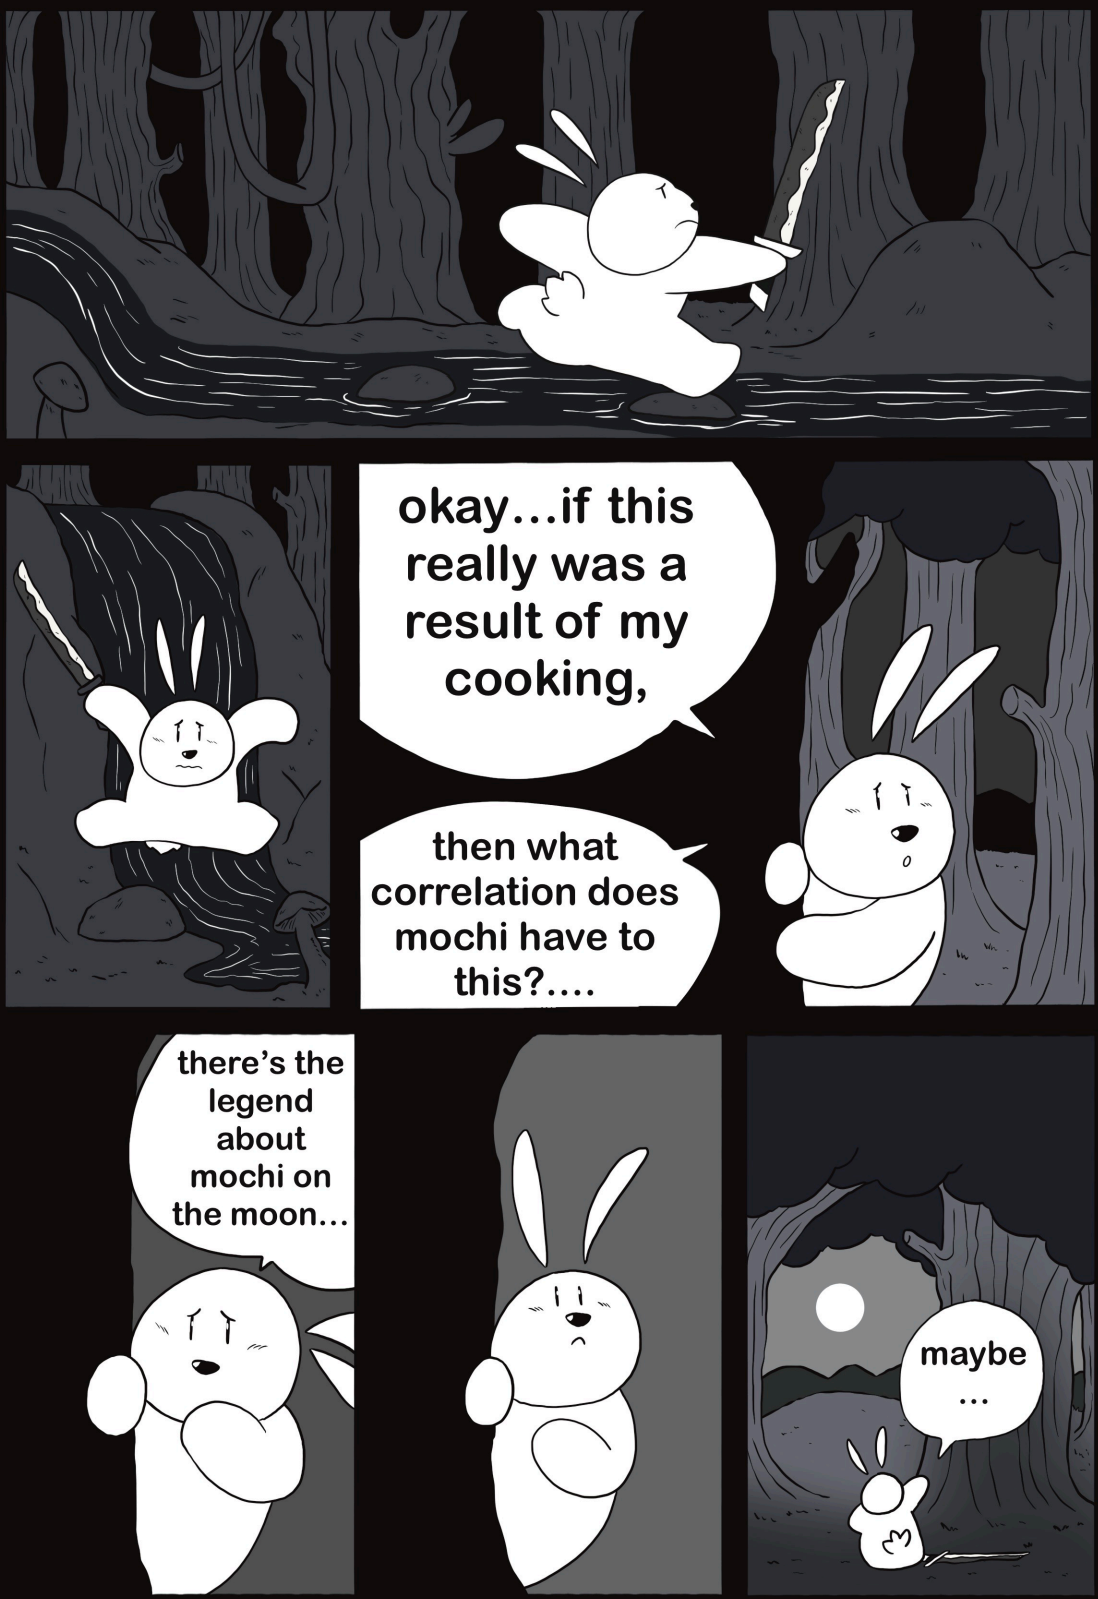
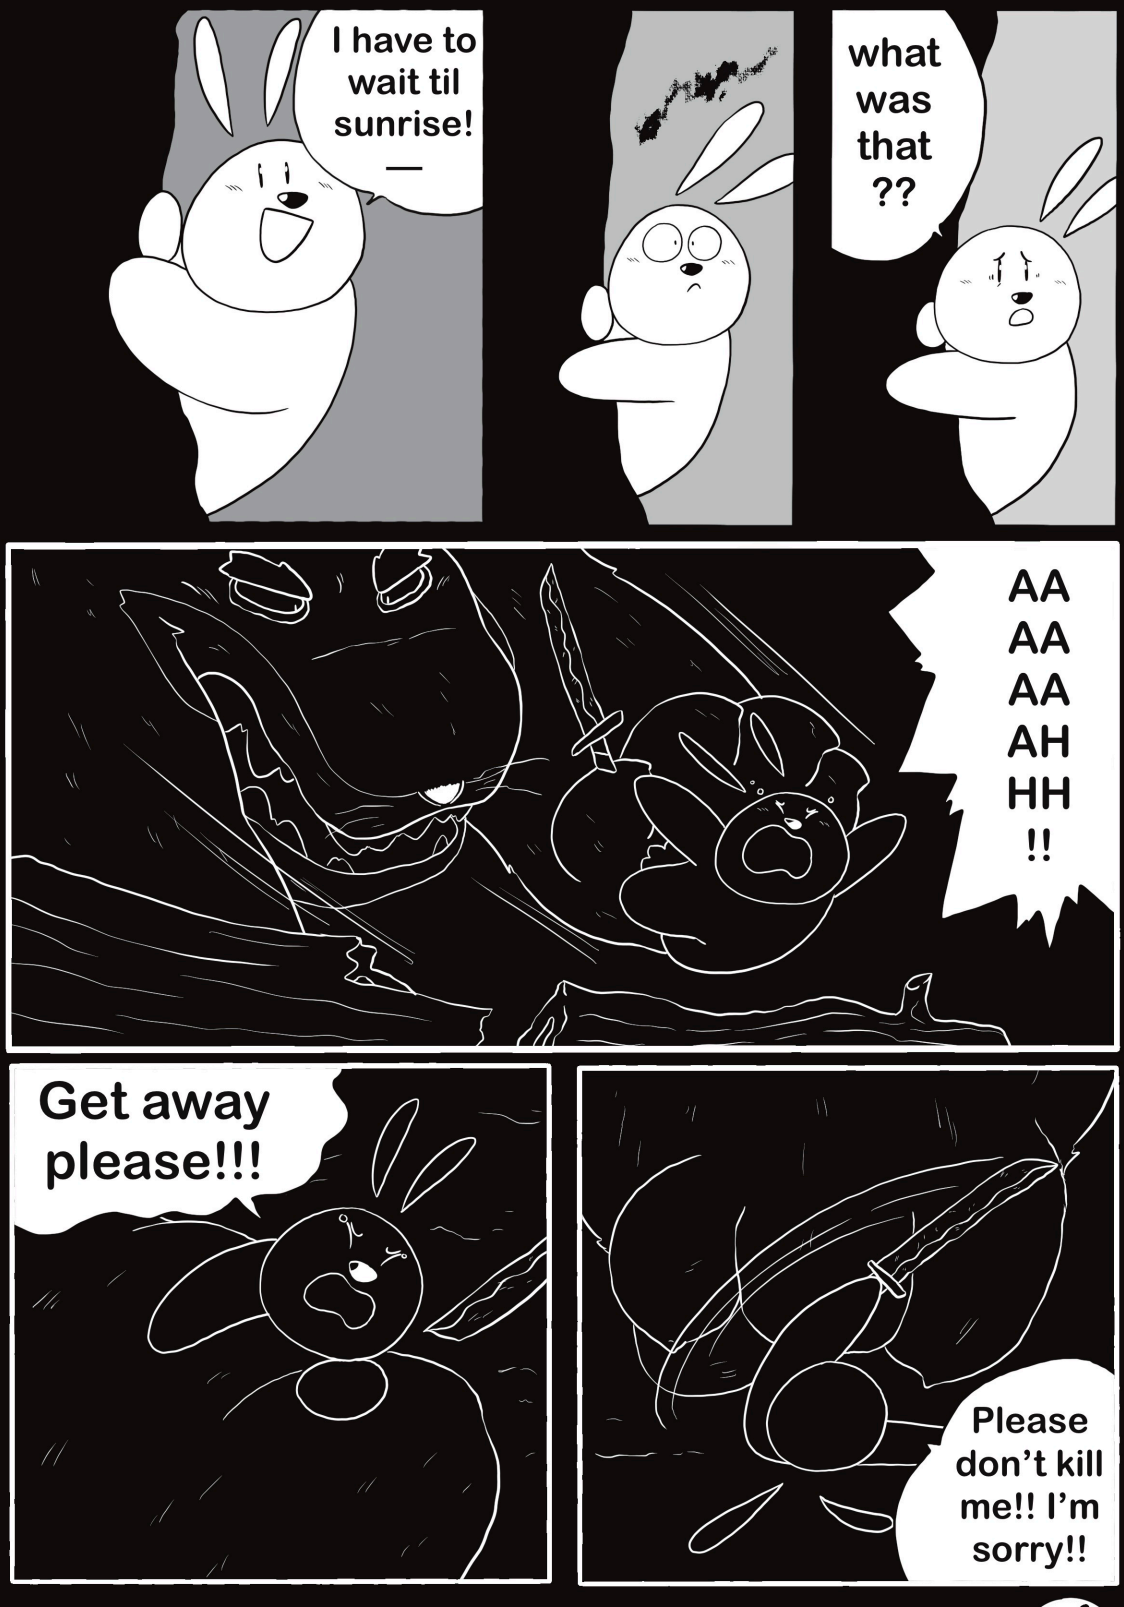
What the heck was that thing!!?
How could this have happened …
Kitsune did say he was feeling strange last night
…
Could it be ?
No no no, that's preposterous! How could—
AAAA AAAH HH!!

clang
HELP! Someone help!!
This can't be happening!
I'm not about to die at the hands of my best friend!!

I swear on my life that I'll bring you back Kitsune!



okay...if this really was a result of my cooking,
then what correlation does mochi have to this?....
there's the legend about mochi on the moon...
maybe ...



I have to wait til sunrise! —
what was that ??
AA AA AA AH HH !!
Get away please!!!
Please don't kill me!! I'm sorry!!

I didn't mean for this to happen !!

Kitsune, help me!!

I DON'T WANNA Die!!

Huh?...
Kitsune ?...
Ugh...my stomach...
Kitsune !!

Hi Buni.
What'r we doin' in the woods?
Nothing.
Really? I could have sworn we were chasing something...
You could say that...
...

Yawn... man I'm tired.
How's about we head home n' sleep today.
Fine by me.
Oh, and Kitsune?
Yeah, Bun?
I'm never coming within 2 meters of a cooking pot ever again.
END

=Shooting star=

Well,
If you're gonna think about something ...
Tonight's a good night to do it.
Ever since we met, you've made me pretty happy.
You were sad when, Kame moved out.
I tried to cheer you up...
I just didn't do a great job at it.

Wait,
You thought you were making me miserable ??
Buni, I love doin' dumb stuff with you,
You make each day worth the hassle!
You're my best friend, and the thought of you being a burden is impossible !!
END
