

Hah.. I'm out of money for this..

Hey.. Kid. If  
you don't mind..

Forgot to bring  
my money all of  
sudden..

I have 1,000  
Yen here. Let's  
split up?

I guess that  
should be enough  
if you take a 500  
Yen drink.

Woah.. Wait..  
There might be  
some knots here..

What do you  
want, pervert?

Come on, let's have  
a drink and small  
chat, shall we?

After they settle everything down..

Ah.. I see.. Your parents forced you to have 100 marks on the test today.

But.. I did one mistake in the English test and got only 98..

I don't know.. if  
I can go home..

English, huh?  
I was good at  
it when still  
in school.

What about you..?  
Your office's life?

I found it pretty  
boring life.

Going to work, find money, live through the day. It's a cycle.

Sorry, Kid. It's good to have you to talk with me here.

In conclusion, do you two want to swap your life?

With a small price, Kaori and Hoshino?

But I want both  
of you to agree  
with each other.

Then let us do it  
for one day.

Thank you  
very much!!

Then I will give  
you the free trial.

Now.. close your eyes..

And let your  
mind flying..

Ah.. Uhm.. Huh?  
My voice..?

I'm really  
become Kaori!?

Hey.. Quit that pose! It's girly!

And I'm in your body!?

So.. this is.. how a girl body..

Don't try anything pervert in my body!!

I know.. I know.. I won't dare to.

Thank you for  
your help..

Miss.. Uhh..  
Where did she go?

The next day..

Alright, Kaori.  
Can you fix that  
sentence?

The character's face is flushed with a bright orange-red glow, and their eyes are closed in a pained or distressed expression. They are wearing a dark blue, double-breasted jacket with gold buttons. The background is a dark, moody red with some purple and blue highlights.
