A 3D-rendered anime-style scene. On the left, the lower legs and feet of a character wearing green shorts are visible. On the right, the lower legs and feet of a character with pinkish skin are visible. In the center, a blue book with gold lettering and a large, ornate compass rose on its cover floats in the air. The background shows a room with wooden floors, metal shelving units, and a grey cylindrical object. A speech bubble points to the book.

But wait? Why do I have to apologise?

It was you and the book out of nowhere and destroy my life!

So now, you want to complain or..

..sit down and
think about what
you just did?

Y-Yes!! I was wrong!!

I'm the Guardian

here in this body
of Honsho Naoko.

"The introduction..
still wasn't much
impressive.."

Ehem! Why I was so important? Then let me tell you.

Our mission is to protect this "talking and flying" book.

Every pages of me
of contain the
balance of the world.

The dead will return
to ashes, I even balance
the natural disaster and
conflicts between humans.

And if I fall into
the evil hand..

They will born
more conflicts..

Lead to wars,
natural disaster..

Everything will
be destroyed..

In the end, what
left of the world
is ruins and ruins.

It.. does sound scary..

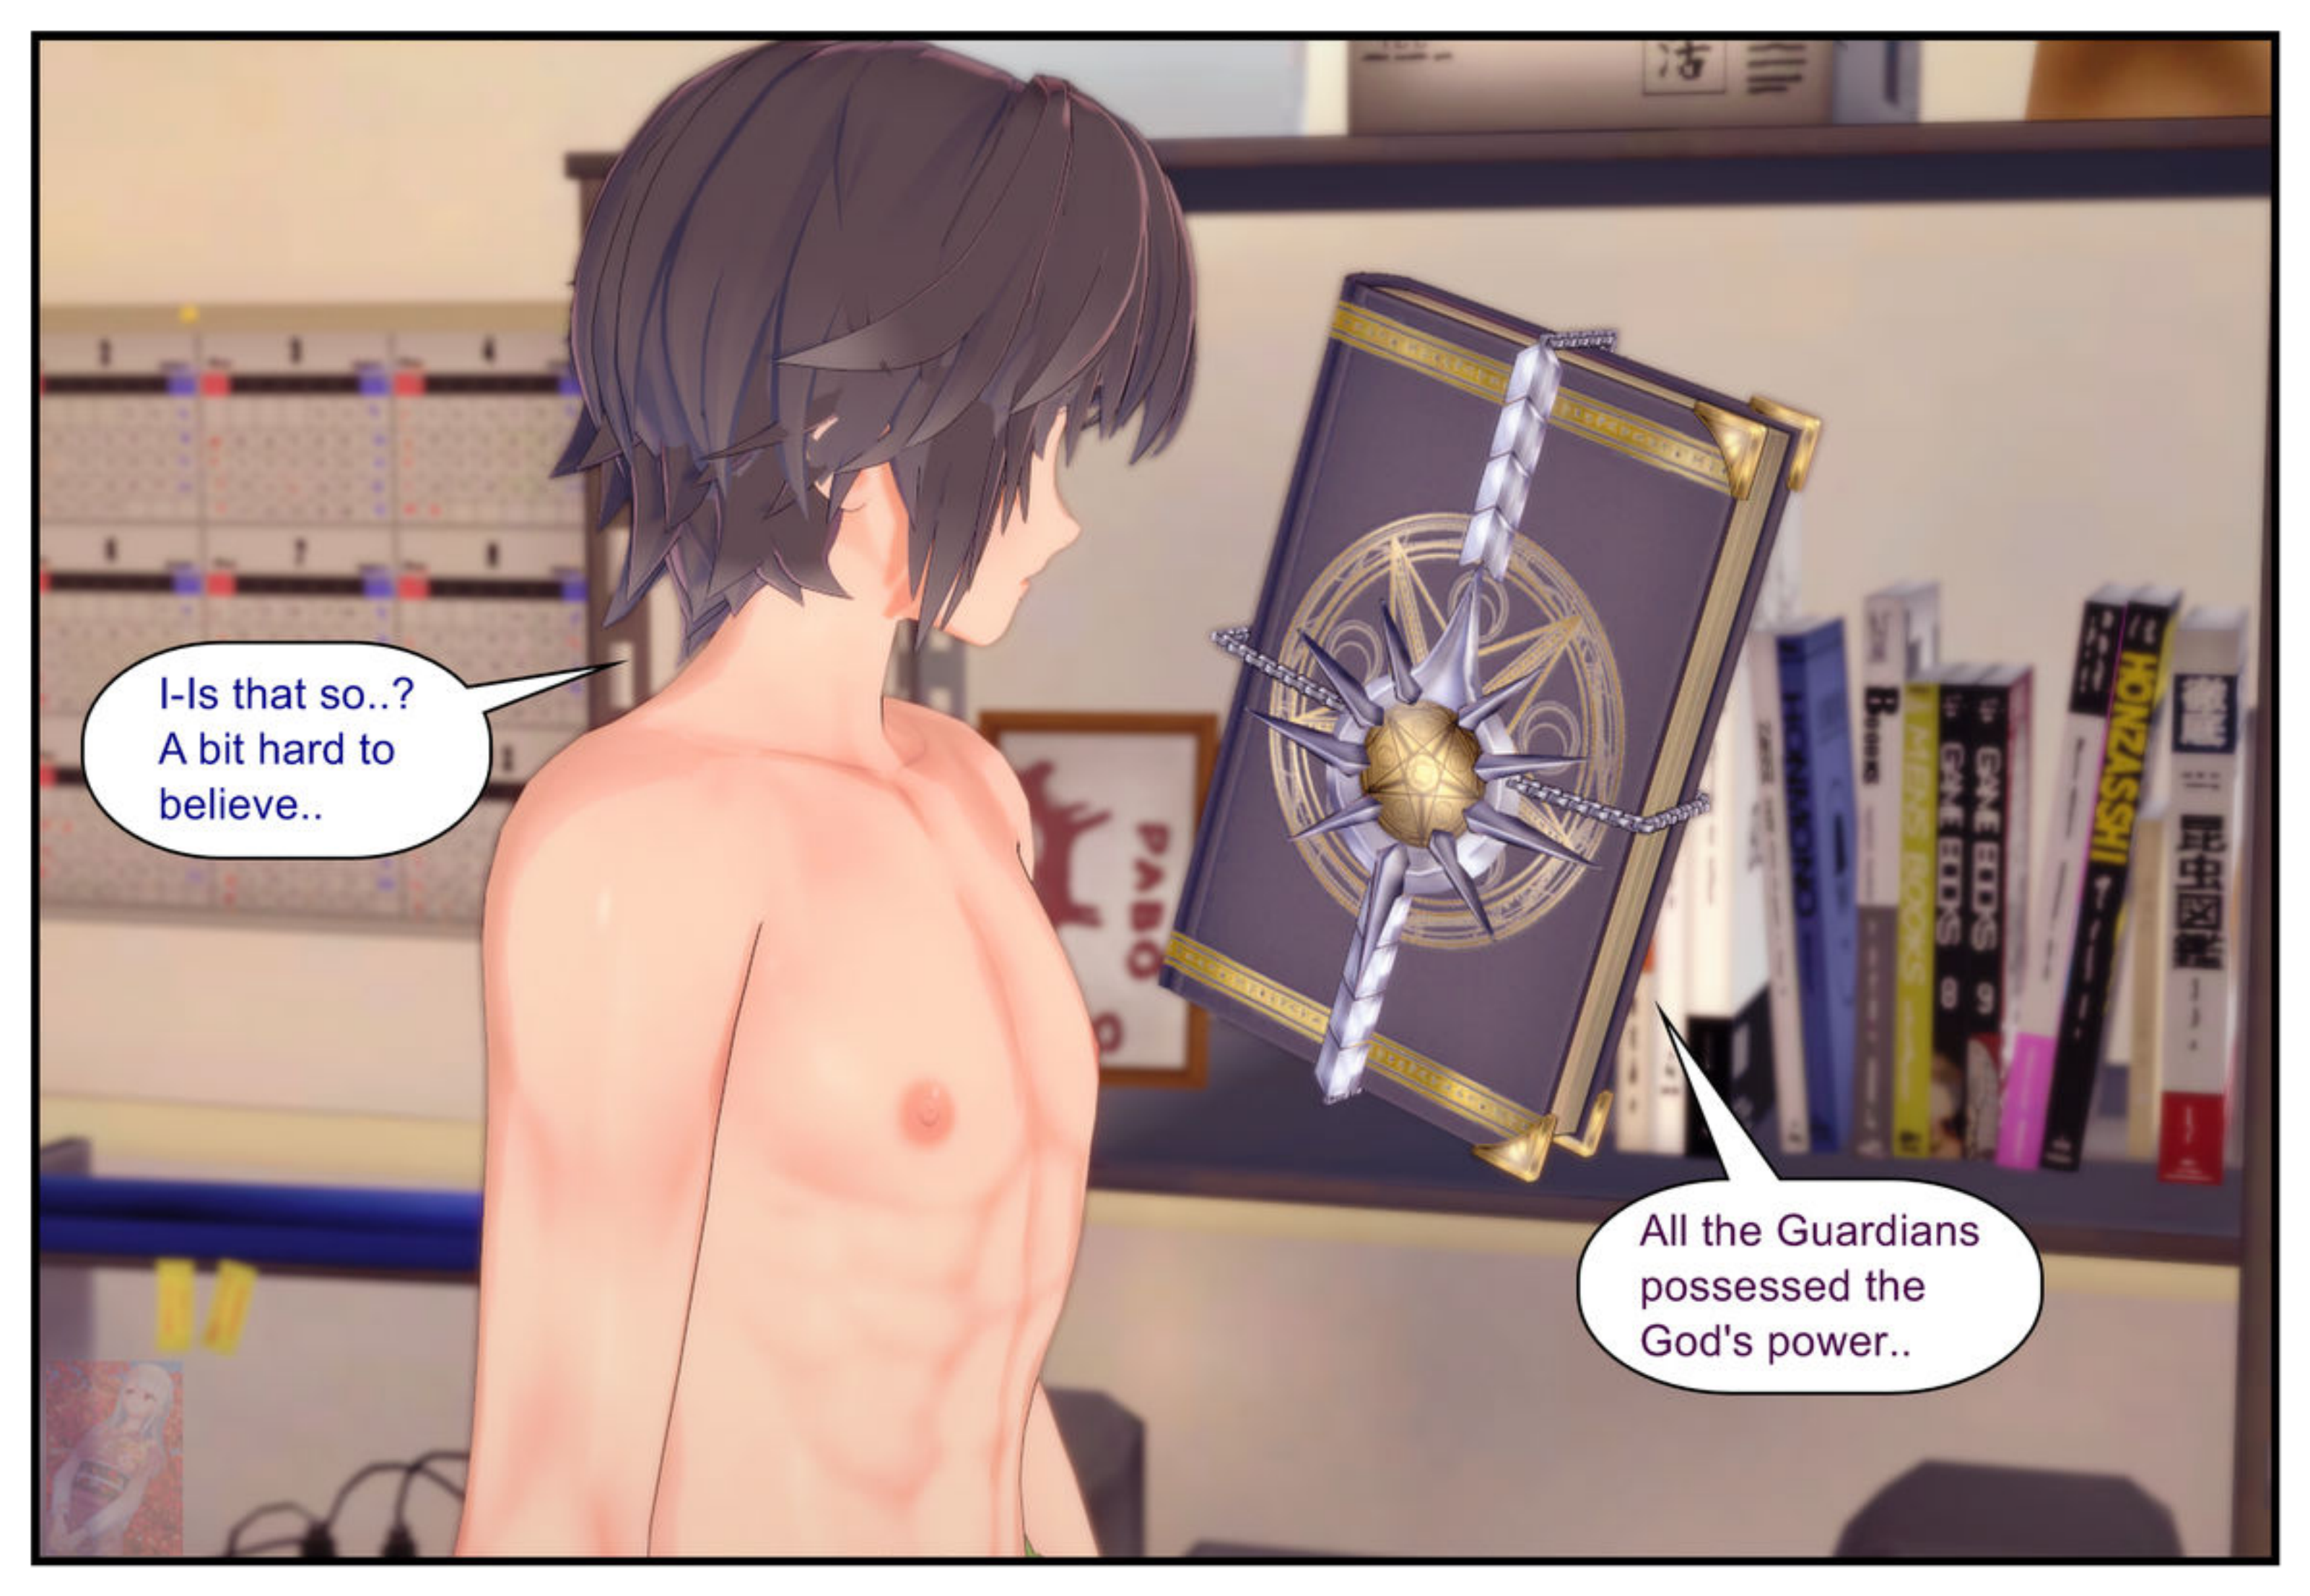

True. I'm glad you weren't the bad guys.

And what if the bad guys came?

I can deal with them just fine.

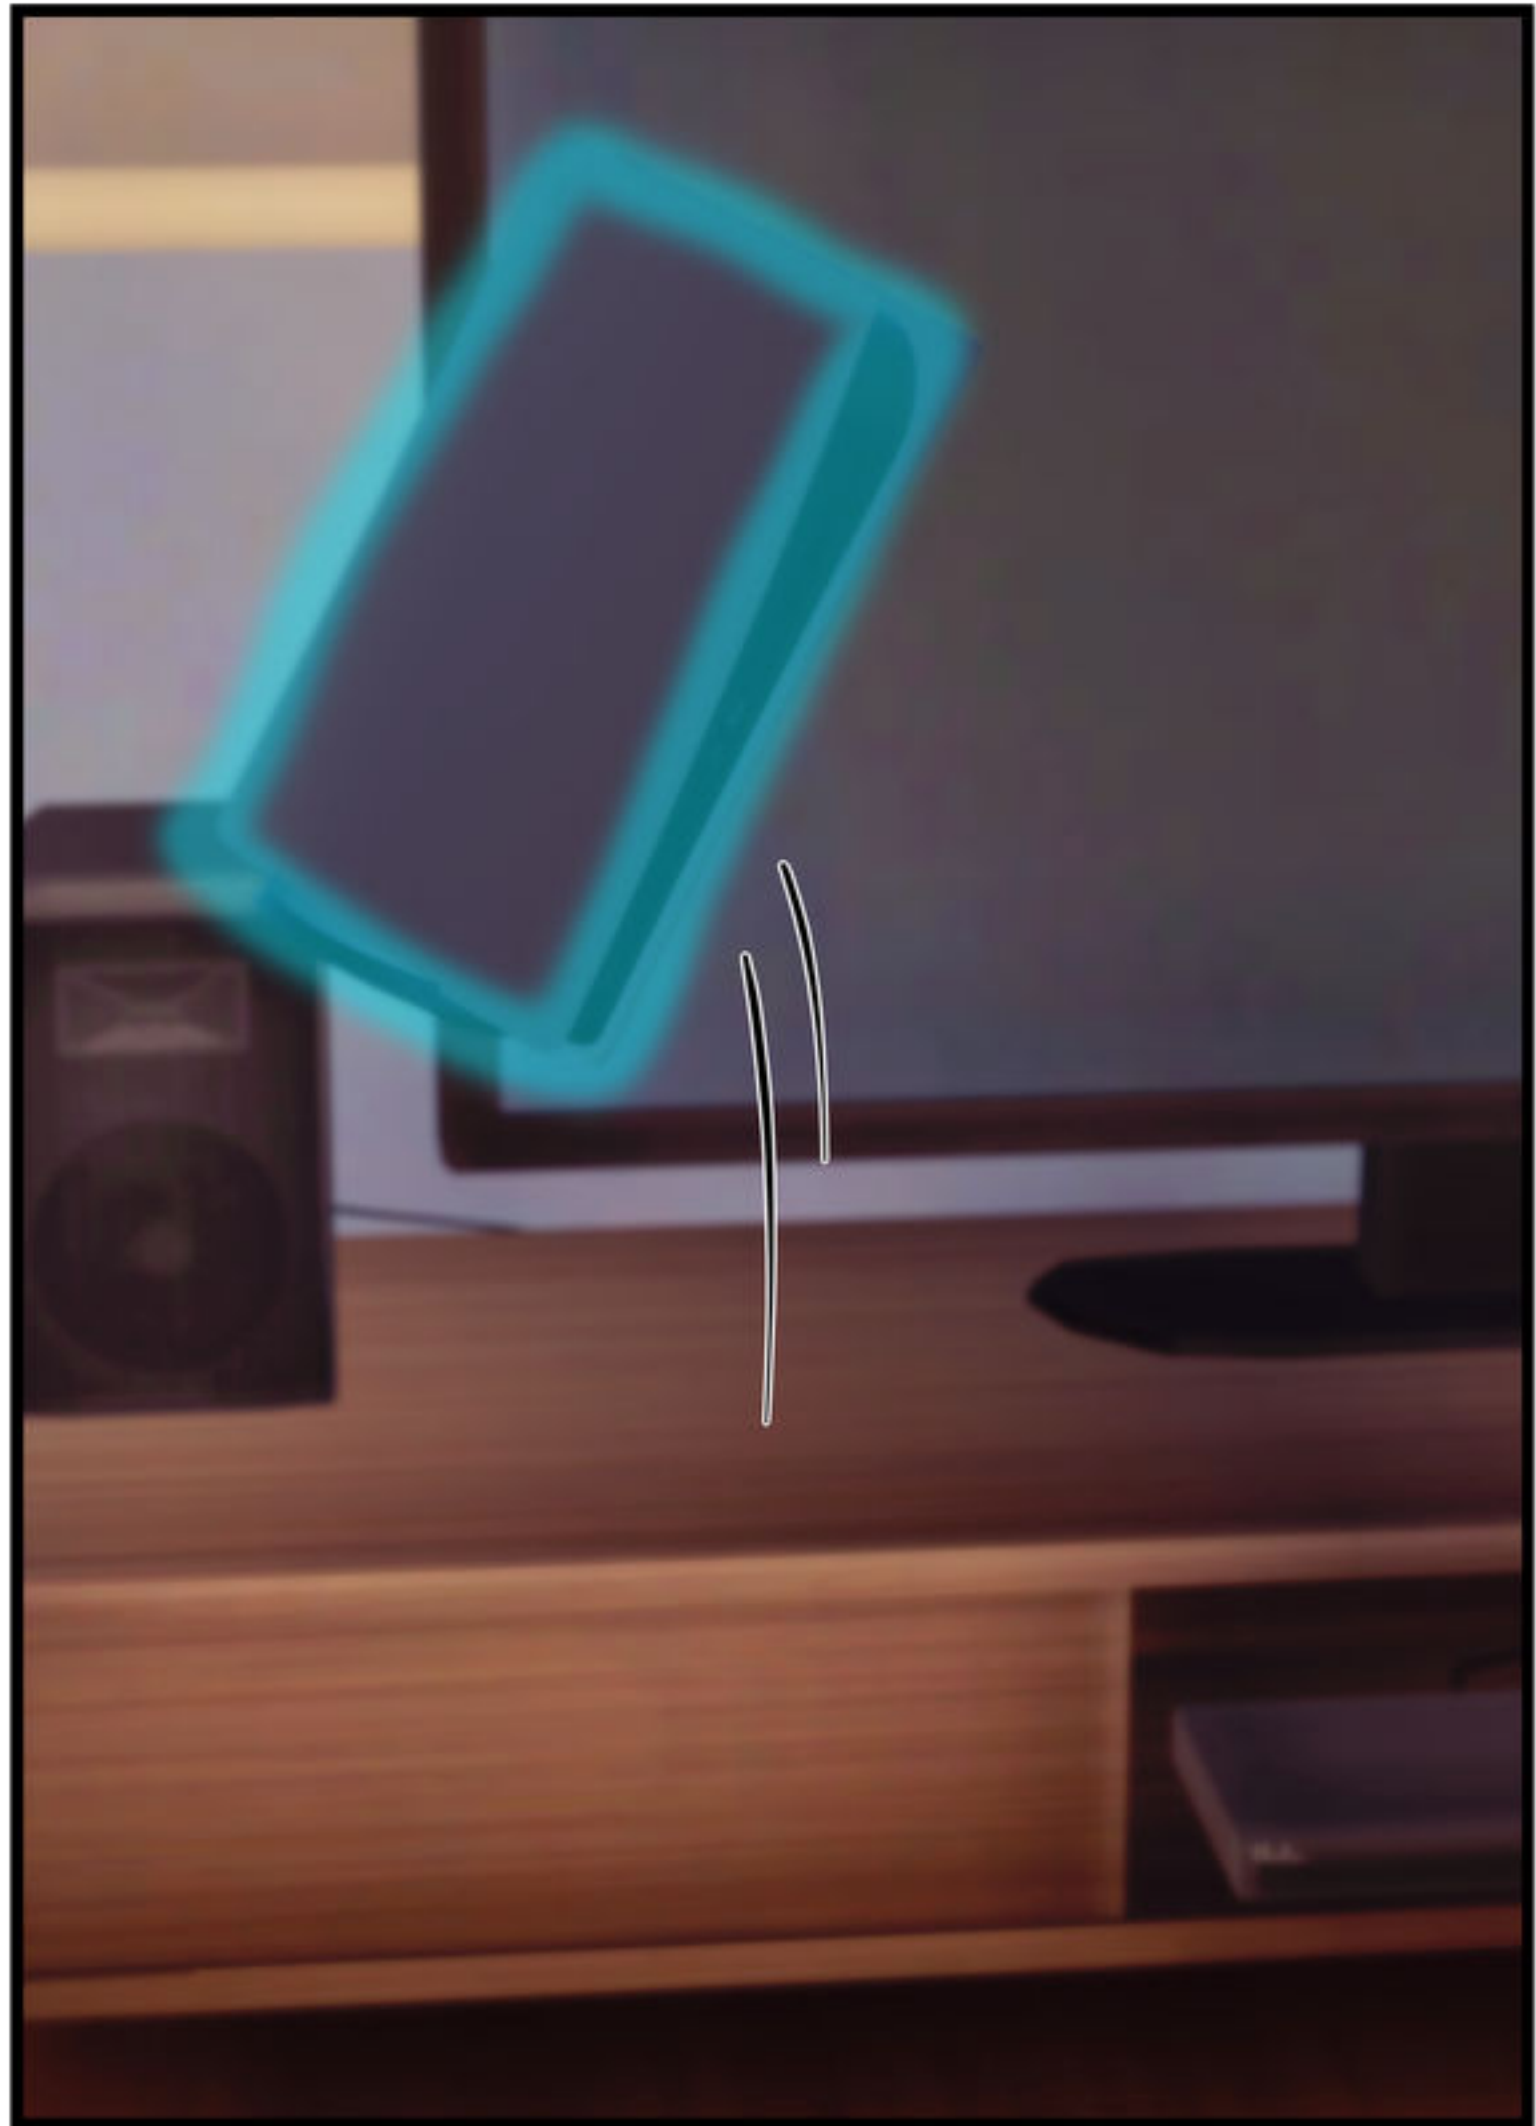

I-Is that so..?
A bit hard to believe..

All the Guardians
possessed the
God's power..

Allow me to demonstrate with your most valuable.

Put that thing down, please.

May I break it?

Please!! I know I was wrong!

Know what did you do to me?

Hey hey, let's do something!!

Oh, let me tell you a jokes.. about Naoko here.

Let me fix the wall again for you.

In other words, wrong fusion.

"Don't look at me like that!"

"Our body is lighter.. Focus.."

"What are you trying to..?"

Now, give

Each fusion has
different ability..

Woaahhh!! I

I open the hold in the wall, fly through it!

You are not..

counter her.."

parting gift!

Damn it!!

"Well played..
Then.. no more
mercy for you.."

Phew.. We cut her off..
But without clothes..

Hah.. Consider it
just our luck..

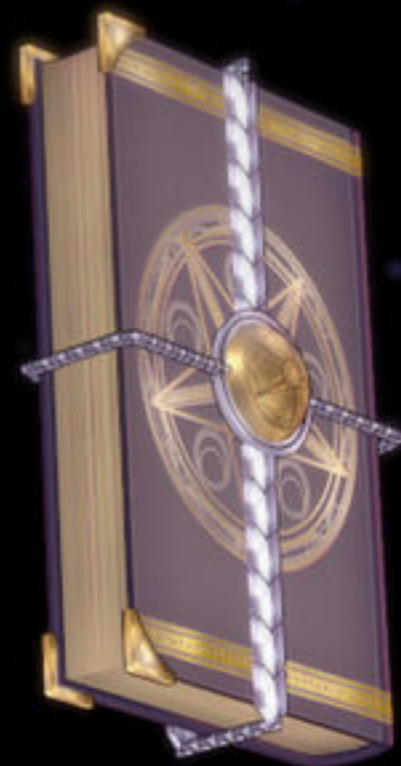

Well, it could affect Koji..

Why didn't you just use magic against her?

Oh? You really care about me, Naoko?
