"No wonder why this was a high reward mission."

W-What is this...!?
A slime!?

Clank

Clank

Somewhere in the town...

Ahaha...

Welcome to the
finest restaurant!!!

Everyone! Great job
on the mission today!

We got paid a lot for our trouble and for defeating the monsters!

This couldn't be done
without the help of
everyone here.

I didn't do much to support you, Pecorine.

No, no! You performed very well, Yuuki!

Don't put yourself
down like that, okay?

Anyway, let's cheer for our victory!

Not only this job,
but the future one
will be the same!

Cheer!!!

Cheer!!!

Cheer!!!

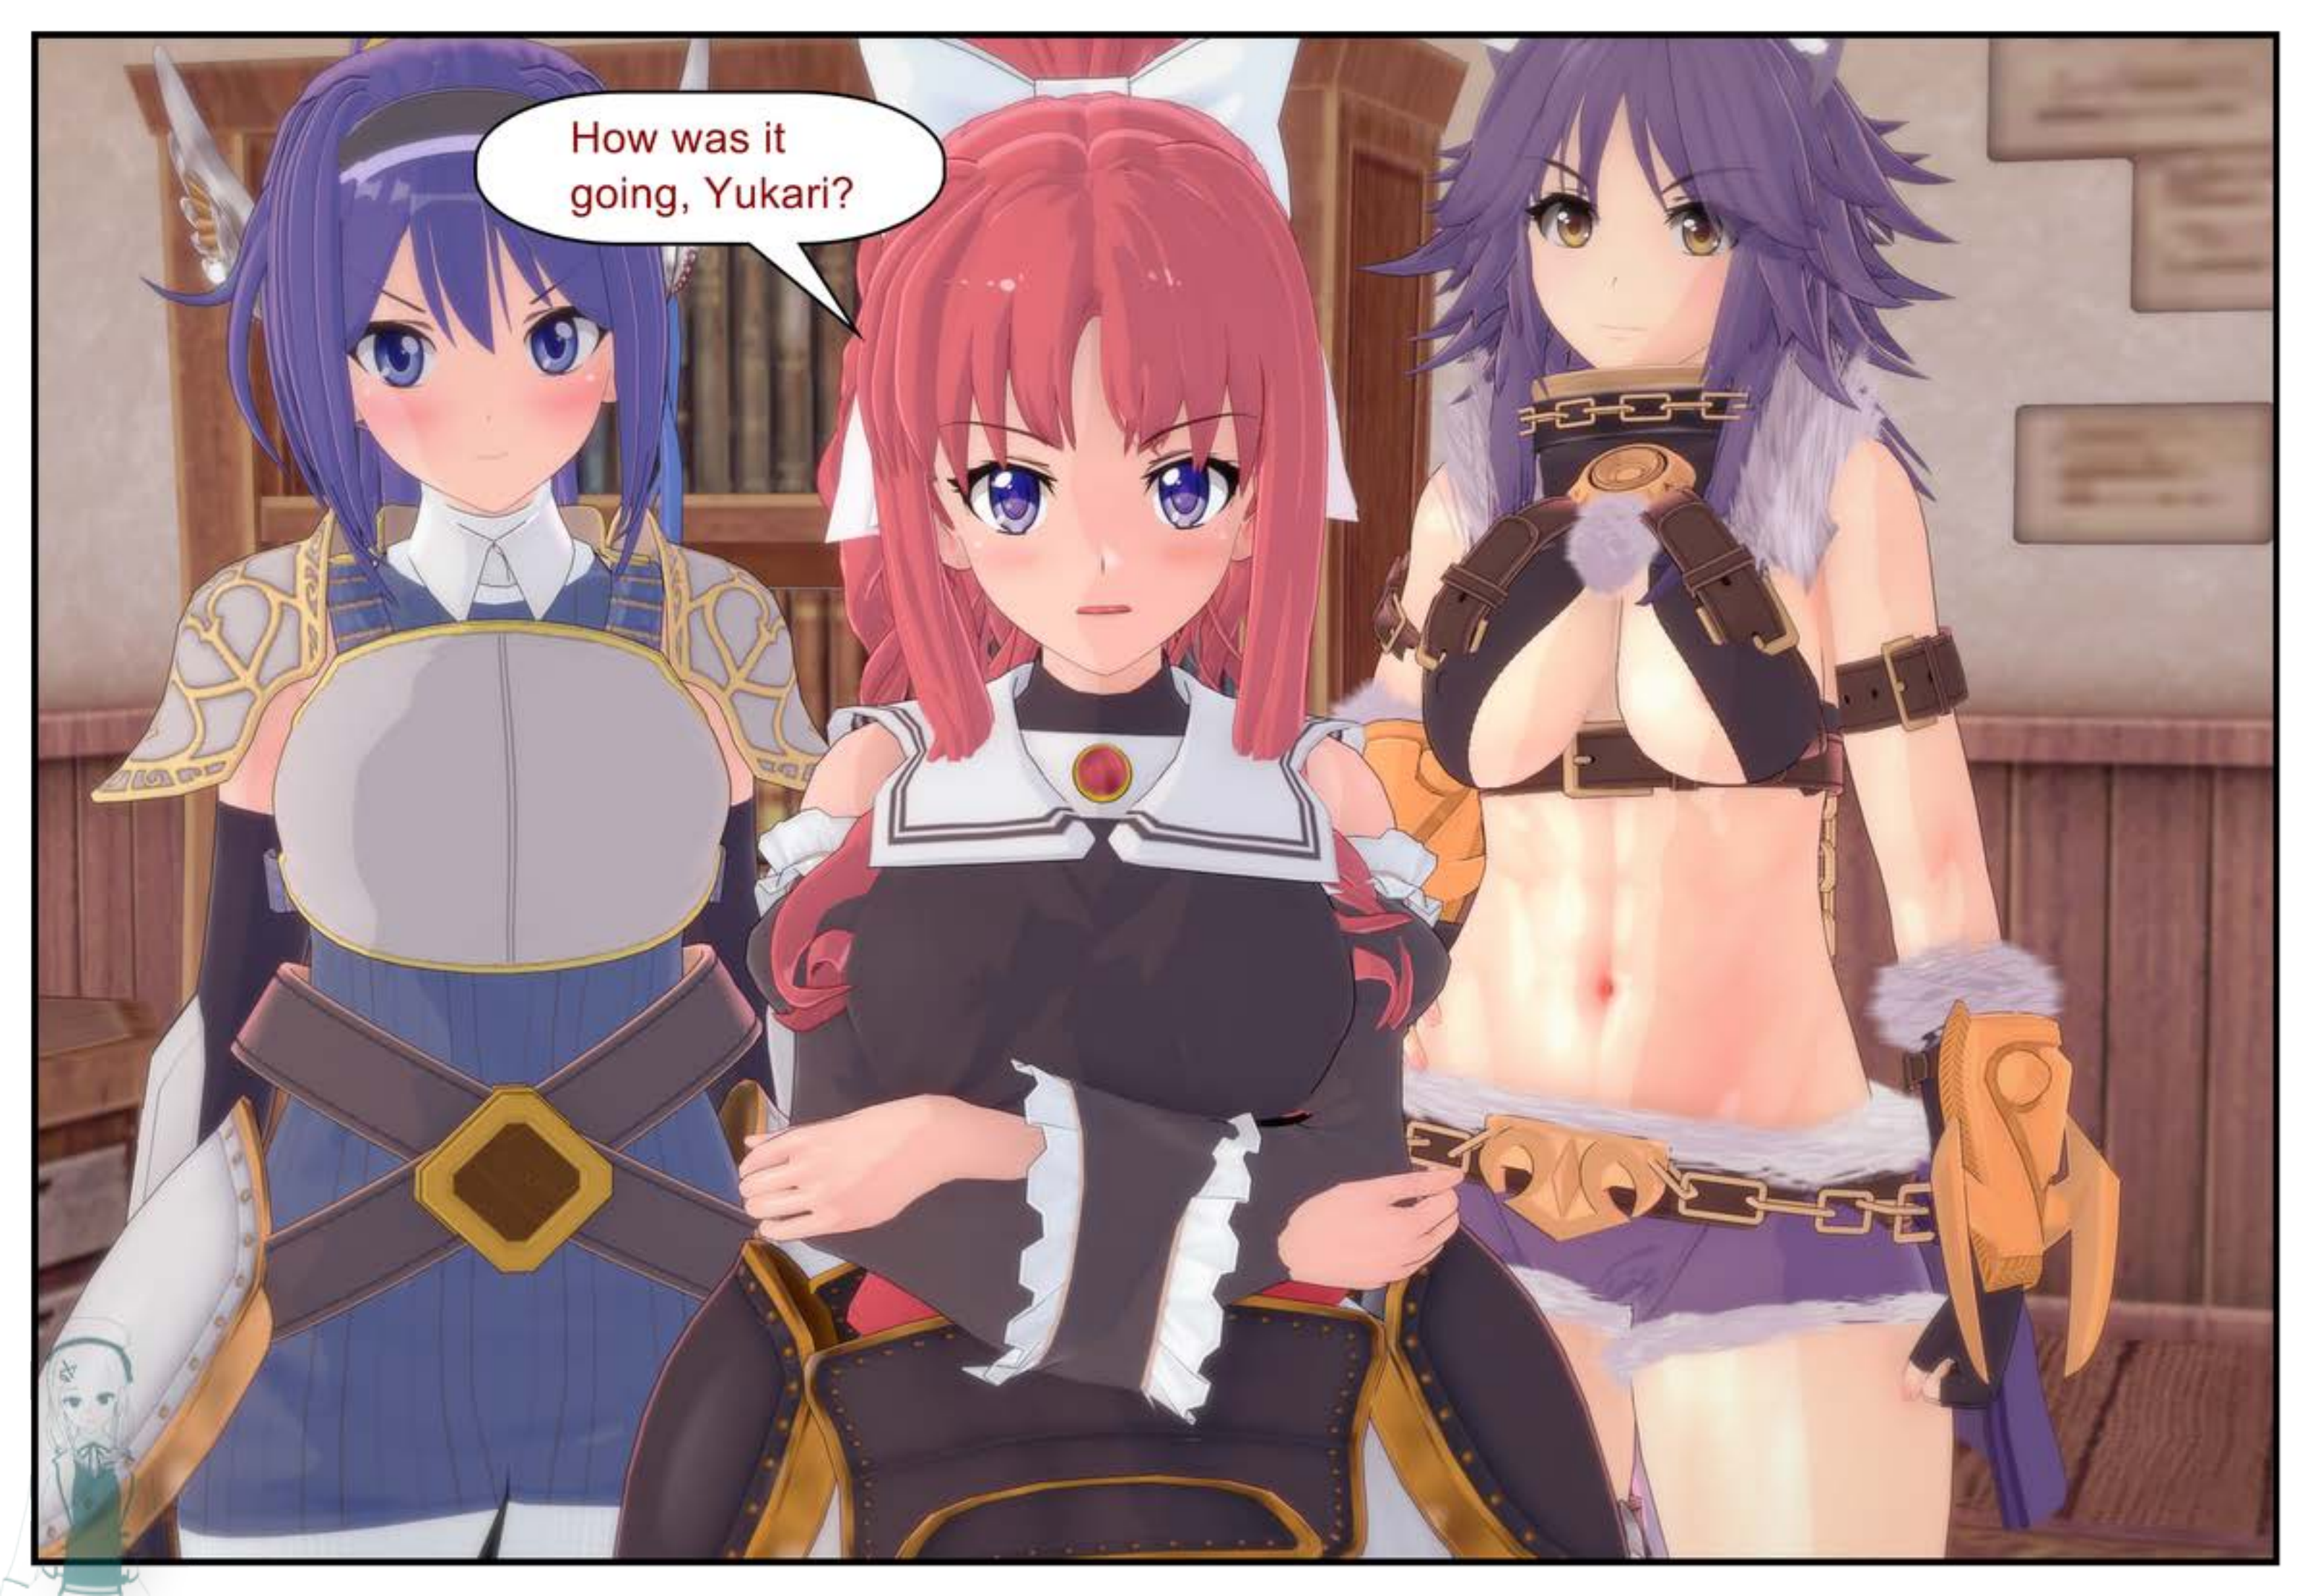

Second floor of the
restaurant...

Hello, it's me.
May I come in?

How was it going, Yukari?

I talked to
the handler...

He agreed to let
us take care of
the mission!

Ah... I thought he wouldn't...

Good work, Yukari!!!

Everyone, listen up.
This is not an easy job.

It only said... killing
slimes and rescue
missing person.

I don't think this is
challenging enough.

I feel something
odd about this...

We should be cautious,
don't underestimate the task.

Slimes are not dangerous,
but if we were cornered,
it would be an issue.

Mifuyu is right.
We will carefully prepared
for this mission.

Makoto? Are you okay?

I'm good. You hired me in the place of Tamaki. I have to follow your lead.

Alright, all set! Let's
ourselves gear up!

I will protect everyone
in the front!

I will support with
my magic!

I will be in the
middle fighter!

A wooden window with a decorative pediment featuring three circular motifs. The window is set in a wall with wood paneling. A speech bubble is positioned in front of the window.

Good... Let's finish
the job and return safe!

A while later...

I think we are on the right track?

It said that the adventurer came here for killing slime.

I hope we are not too late.

Yukari?

I think... we should return, Mifuyu.

Is there something wrong?

Eh... Why?

That cave... I feel like we are not welcome here.

A character with long, straight purple hair and large, expressive blue eyes. She has a slightly blushing expression. She is wearing a white and gold armor with intricate patterns. Her right arm is raised, showing a white gauntlet with a gold and red detail. The background is a dark, rocky, and textured surface.

You were just over-
thinking. It will be fine!

We have Makoto,
Akino with us! I will
protect you, too!

A blonde anime-style character with a grey helmet featuring a white cross, a blue dress with a white collar and a blue gem, and a white gauntlet. She is smiling and looking towards the right. The background shows a rocky landscape with green foliage.

Um. Okay.

A character wearing a purple robe and white armor with gold patterns. Only the back and side of the character are visible. They are speaking to the blonde character.

So don't worry and
and get reward for
this mission!

Then let's go!

Ahaha...

This cave is huge...
I think not much people
has explored it much.

Let's try looking around for the missing person.

Stay sharp everyone, enemy could show up anytime.

Someone's coming!

Wait!!! Isn't that...

...The missing person
that we were looking for!?

She seem dangerous to me. Everyone, be ready!

"W-What is this strength... She's too strong!"

Boost attack! Makoto!

Why is she
attacking us!?

Keng!

Hyyyaaaaa!!!!

くっ

"What happened to her? Did she think us as her enemy?"

Maybe she was trapped
in here for too long.

I think we should leave now, shouldn't stay here.

Mifuyu!!!
Watch out!!!

Hyyyaaaaa!!!!

Kiiiiiiiiiiiiiiiiiiii!!!!

W-What...!?

The cave is
collapsing!!!

S-she still
with her!

M-Mifuyu!!!

Stay back, everyone!
I will break these rocks!

Becareful not to
hurt Mifuyu...

E-Everyone...

Kyyyyyaaaaaa!!!!

N-No...

Ugh... What...
do you want?

A-Ah...

Are you here to
kill me?

Y-You came out
from her body...
