| Model Name | | | | | | |
| Nesting Easter Eggs | | | | | | |
| Model Description: | | | | | | |
| <p>The Nesting Easter Eggs! A set of 10 eggs, ascending in size from very small to about the size of an ostrich egg. The design prints support free, and the eggs assemble together with threads.</p> | | | | | | |
| Printing Info: | | | | | | |
| <p>**These are just the settings I used to test the model, feel free to use whatever settings work best for you.</p> | | | | | | |
| FDM or Resin: | FDM | | | | | |
| Scaling: | Can be scaled up. Scaling down may cause issues with the threads, especially with the smaller eggs. | | | | | |
| Supports: | None | | | | | |
| Infill/Perimeters: | 15% infill + 2 perimeters | | | | | |
| Nozzle Size: | | 0.4 | | | | |
| Layer Height: | | 0.2 | | | | |
| | | | | | | |
| | | | | | | |
| Printing & Assembly | | | | | | |
| <p>Print all of the pieces, and assemble in order of smallest to largest.</p> <p>*Printing Tip: You can print all of the top pieces at the same time on a single build plate by having them all centered and nested.</p> | | | | | | |
