A dimly lit room with a large television set on a wooden cabinet. The room is illuminated by two recessed ceiling lights, creating a warm, orange glow. The television is the central focus, and the cabinet below it has a blue light strip. The overall atmosphere is cozy and intimate.

Let me take you
back to bed, okay?

It's already getting
really late...

...kid shouldn't be
up this time, Anya.

"Mama's voice
sound so strange."

Okay... I get it.

Is there something wrong, sweetheart?

"Ah...? Sweetheart...?"

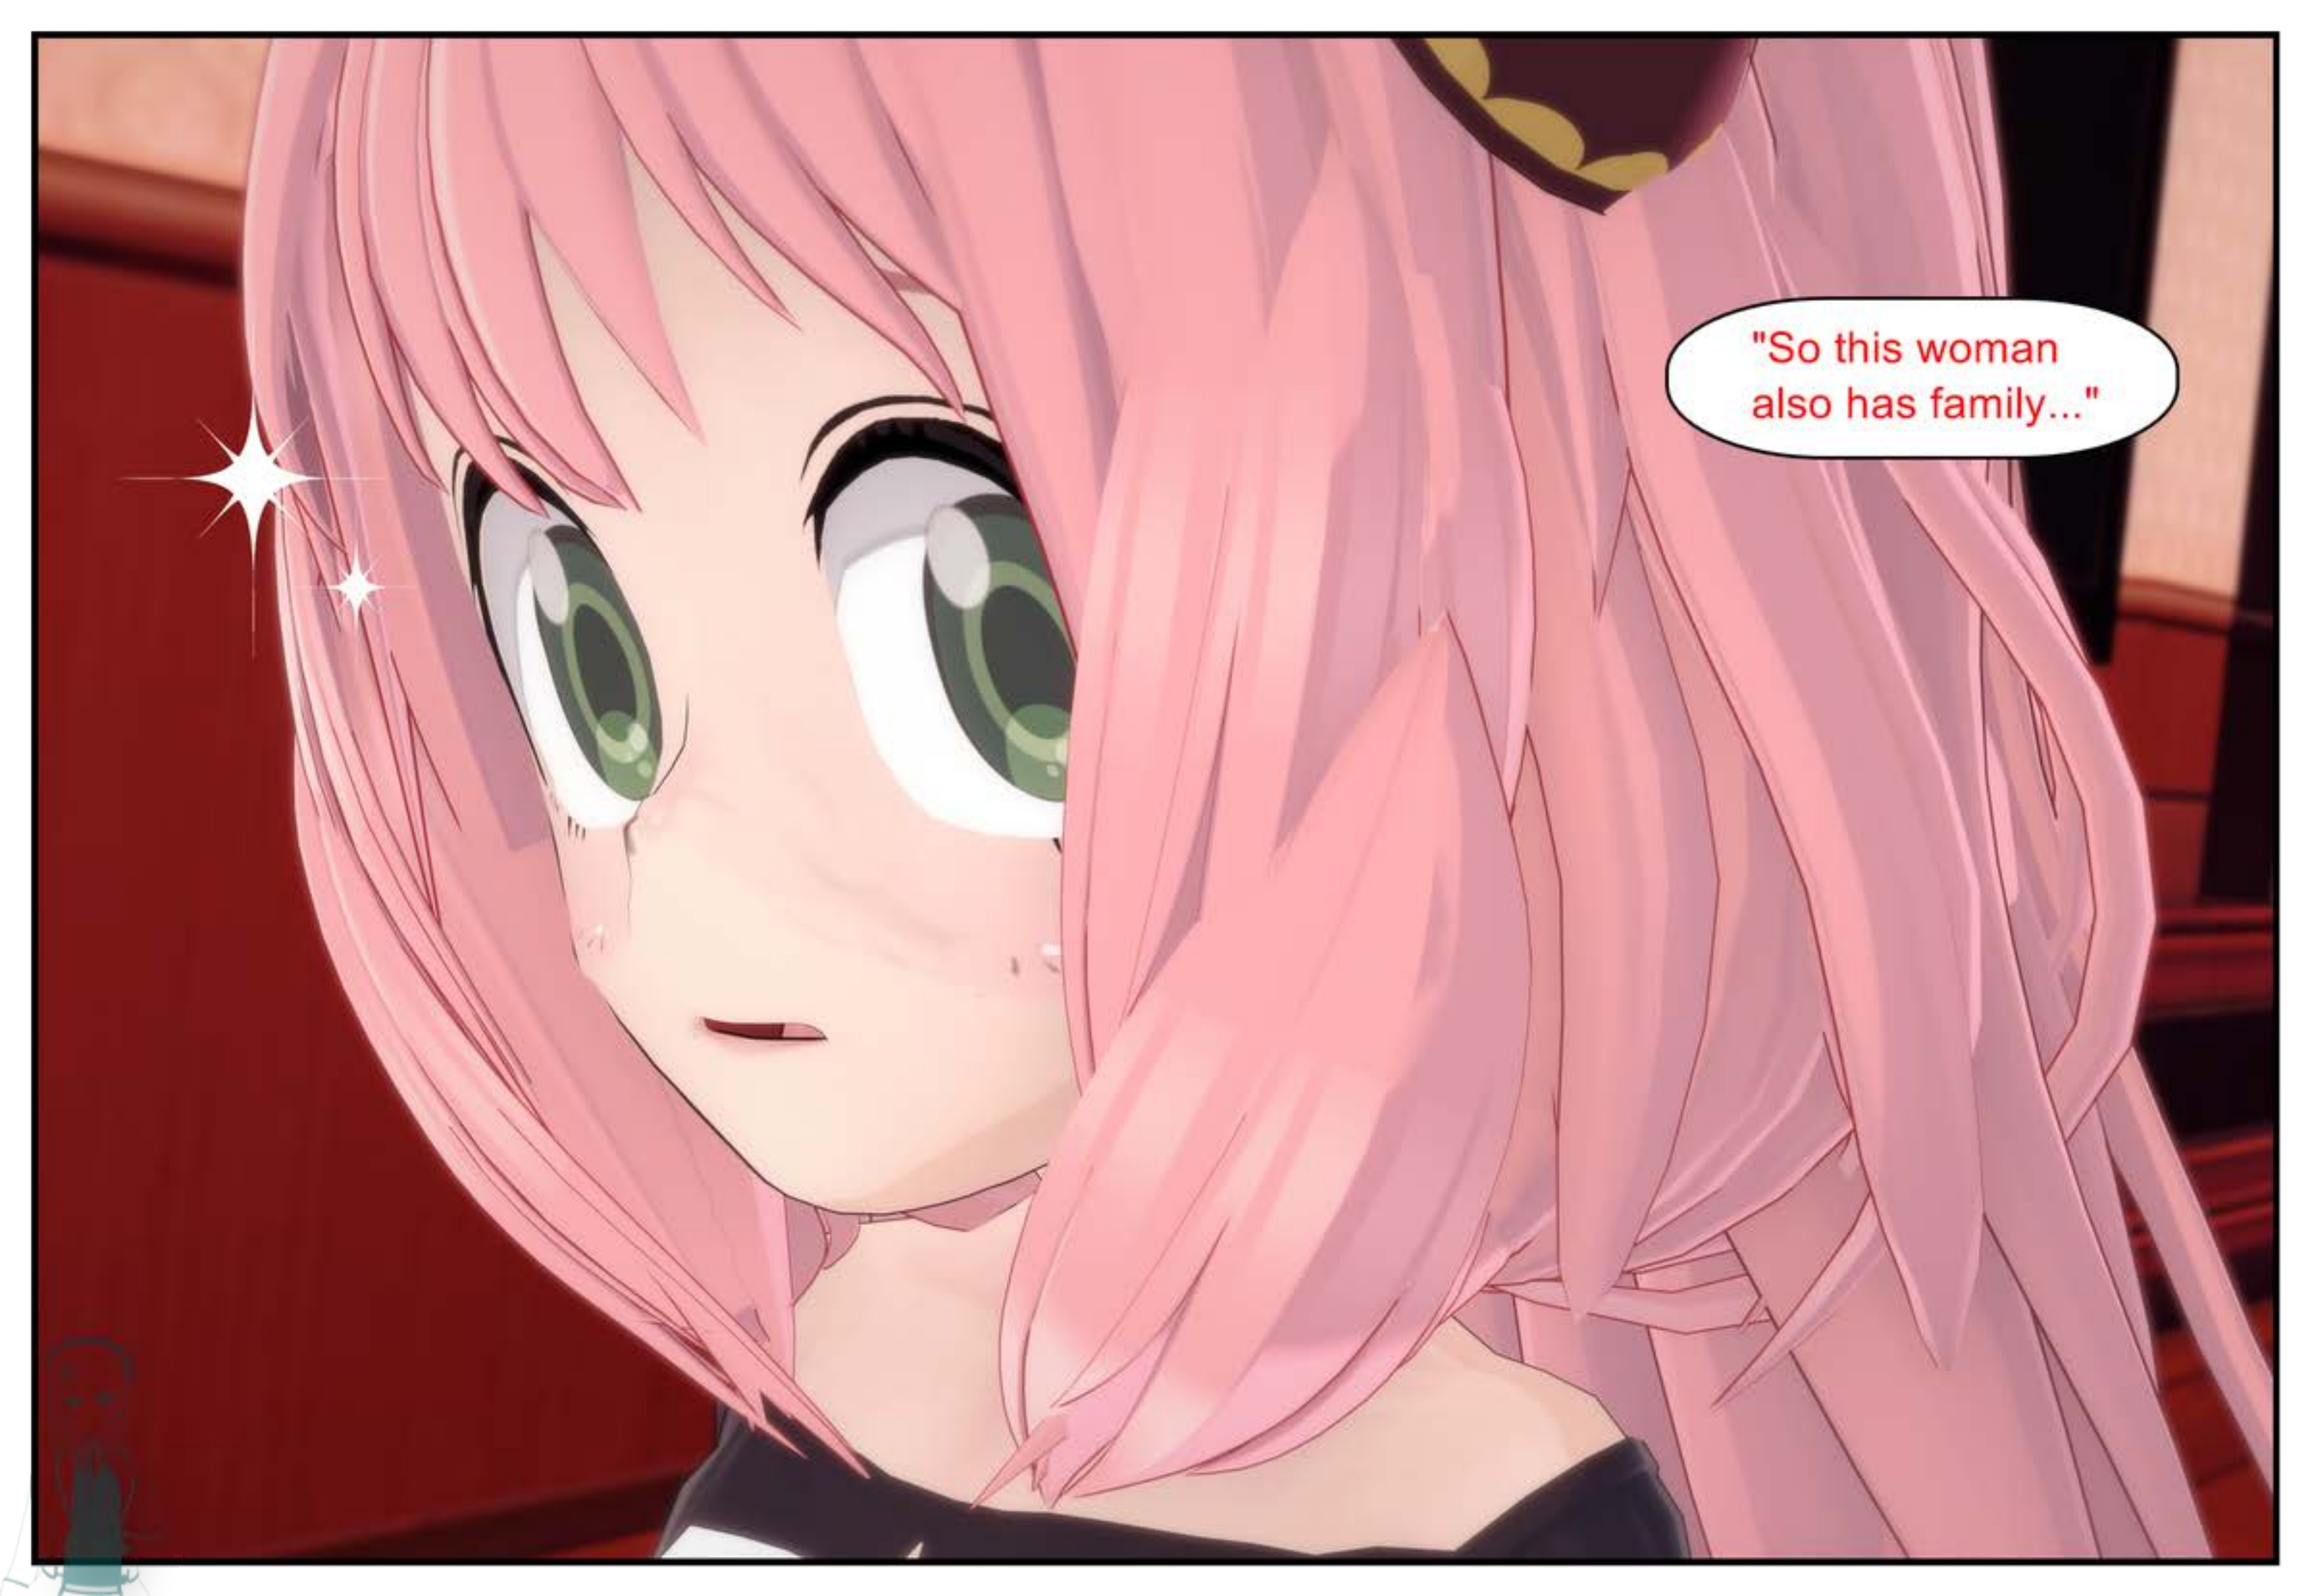

"Maybe I mis-
heard it."

Nothing, Anya will
go back to bed myself.

"Still, I thought
Mama should be
at mission now..."

"So this woman
also has family..."

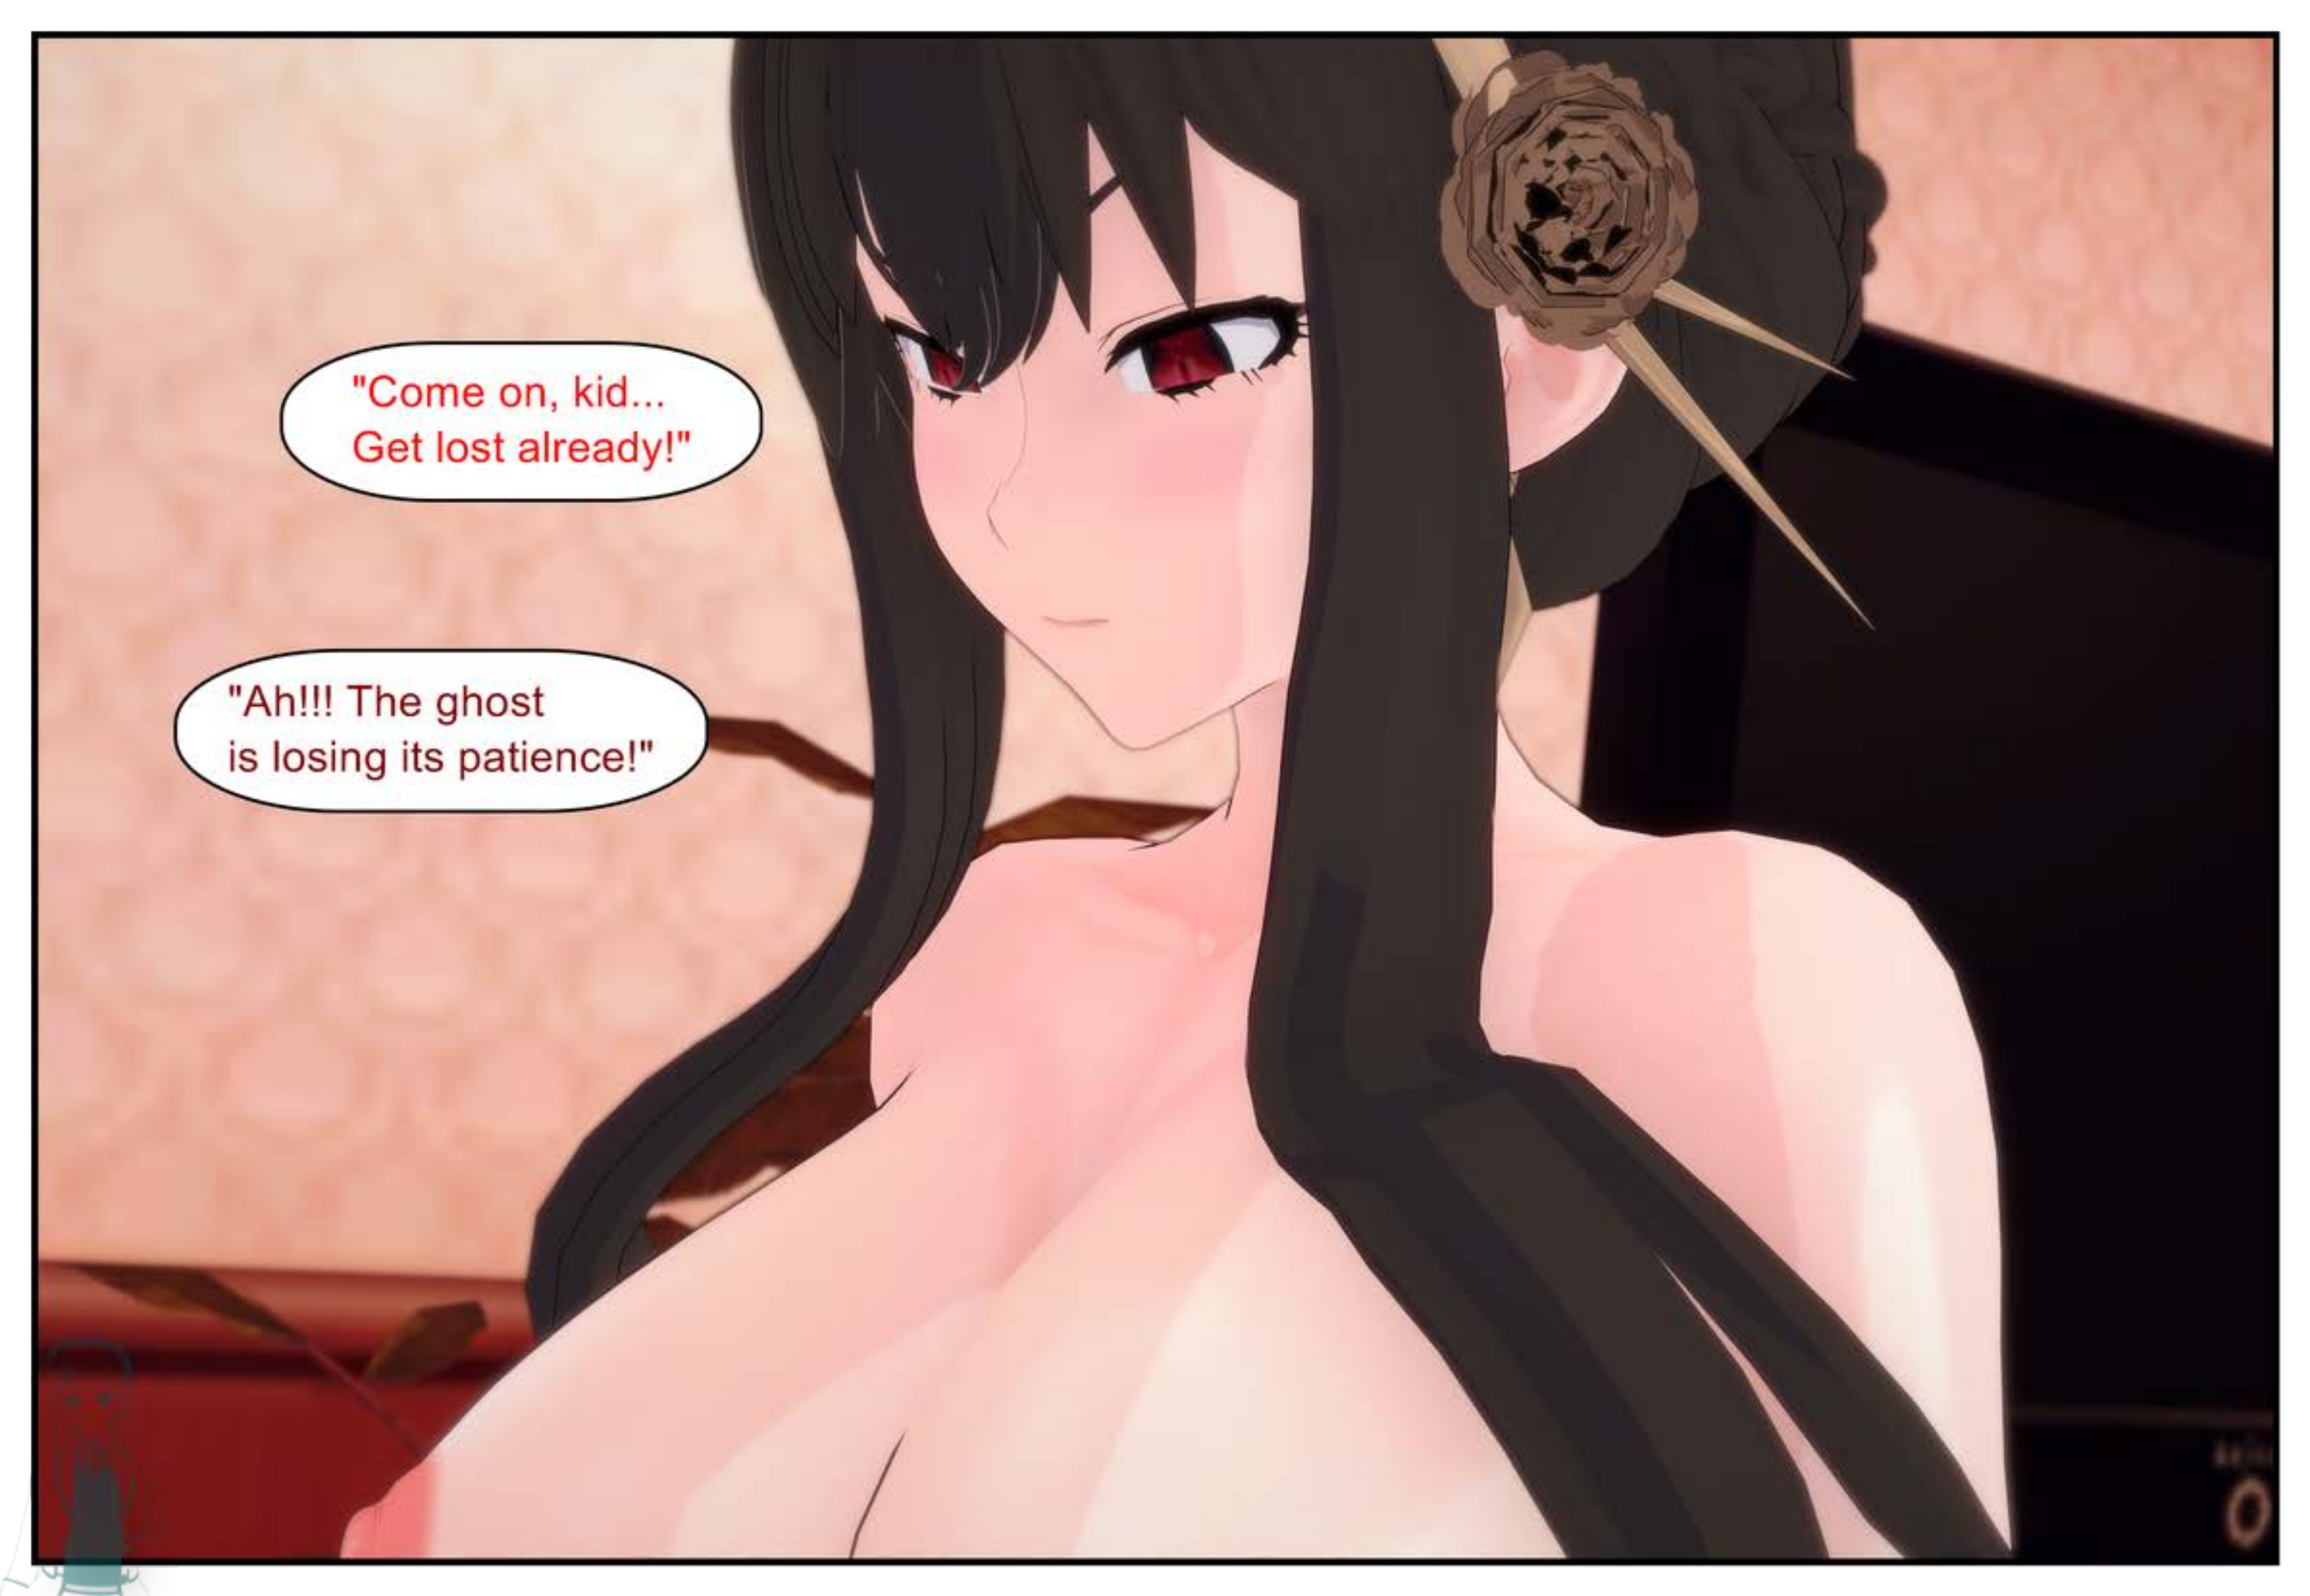

"Her memory was locked up... I can't get enough to deal with this little one."

Hm? You can't sleep?

"A totally different voice came from Mama!!! Don't tell me..."

"A ghost possessed
Mama Yor's body!?"

"Come on, kid...
Get lost already!"

"Ah!!! The ghost
is losing its patience!"

"I need to make something up and investigate this!"

A-Anyia remember that... Anya still very hungry...

...Anya want to eat
midnight snack
with Mama...

"Papa told Mama that eating snack will gain weight, so she will not let me..."

Then go for it?
Why do you have
to drag me in?

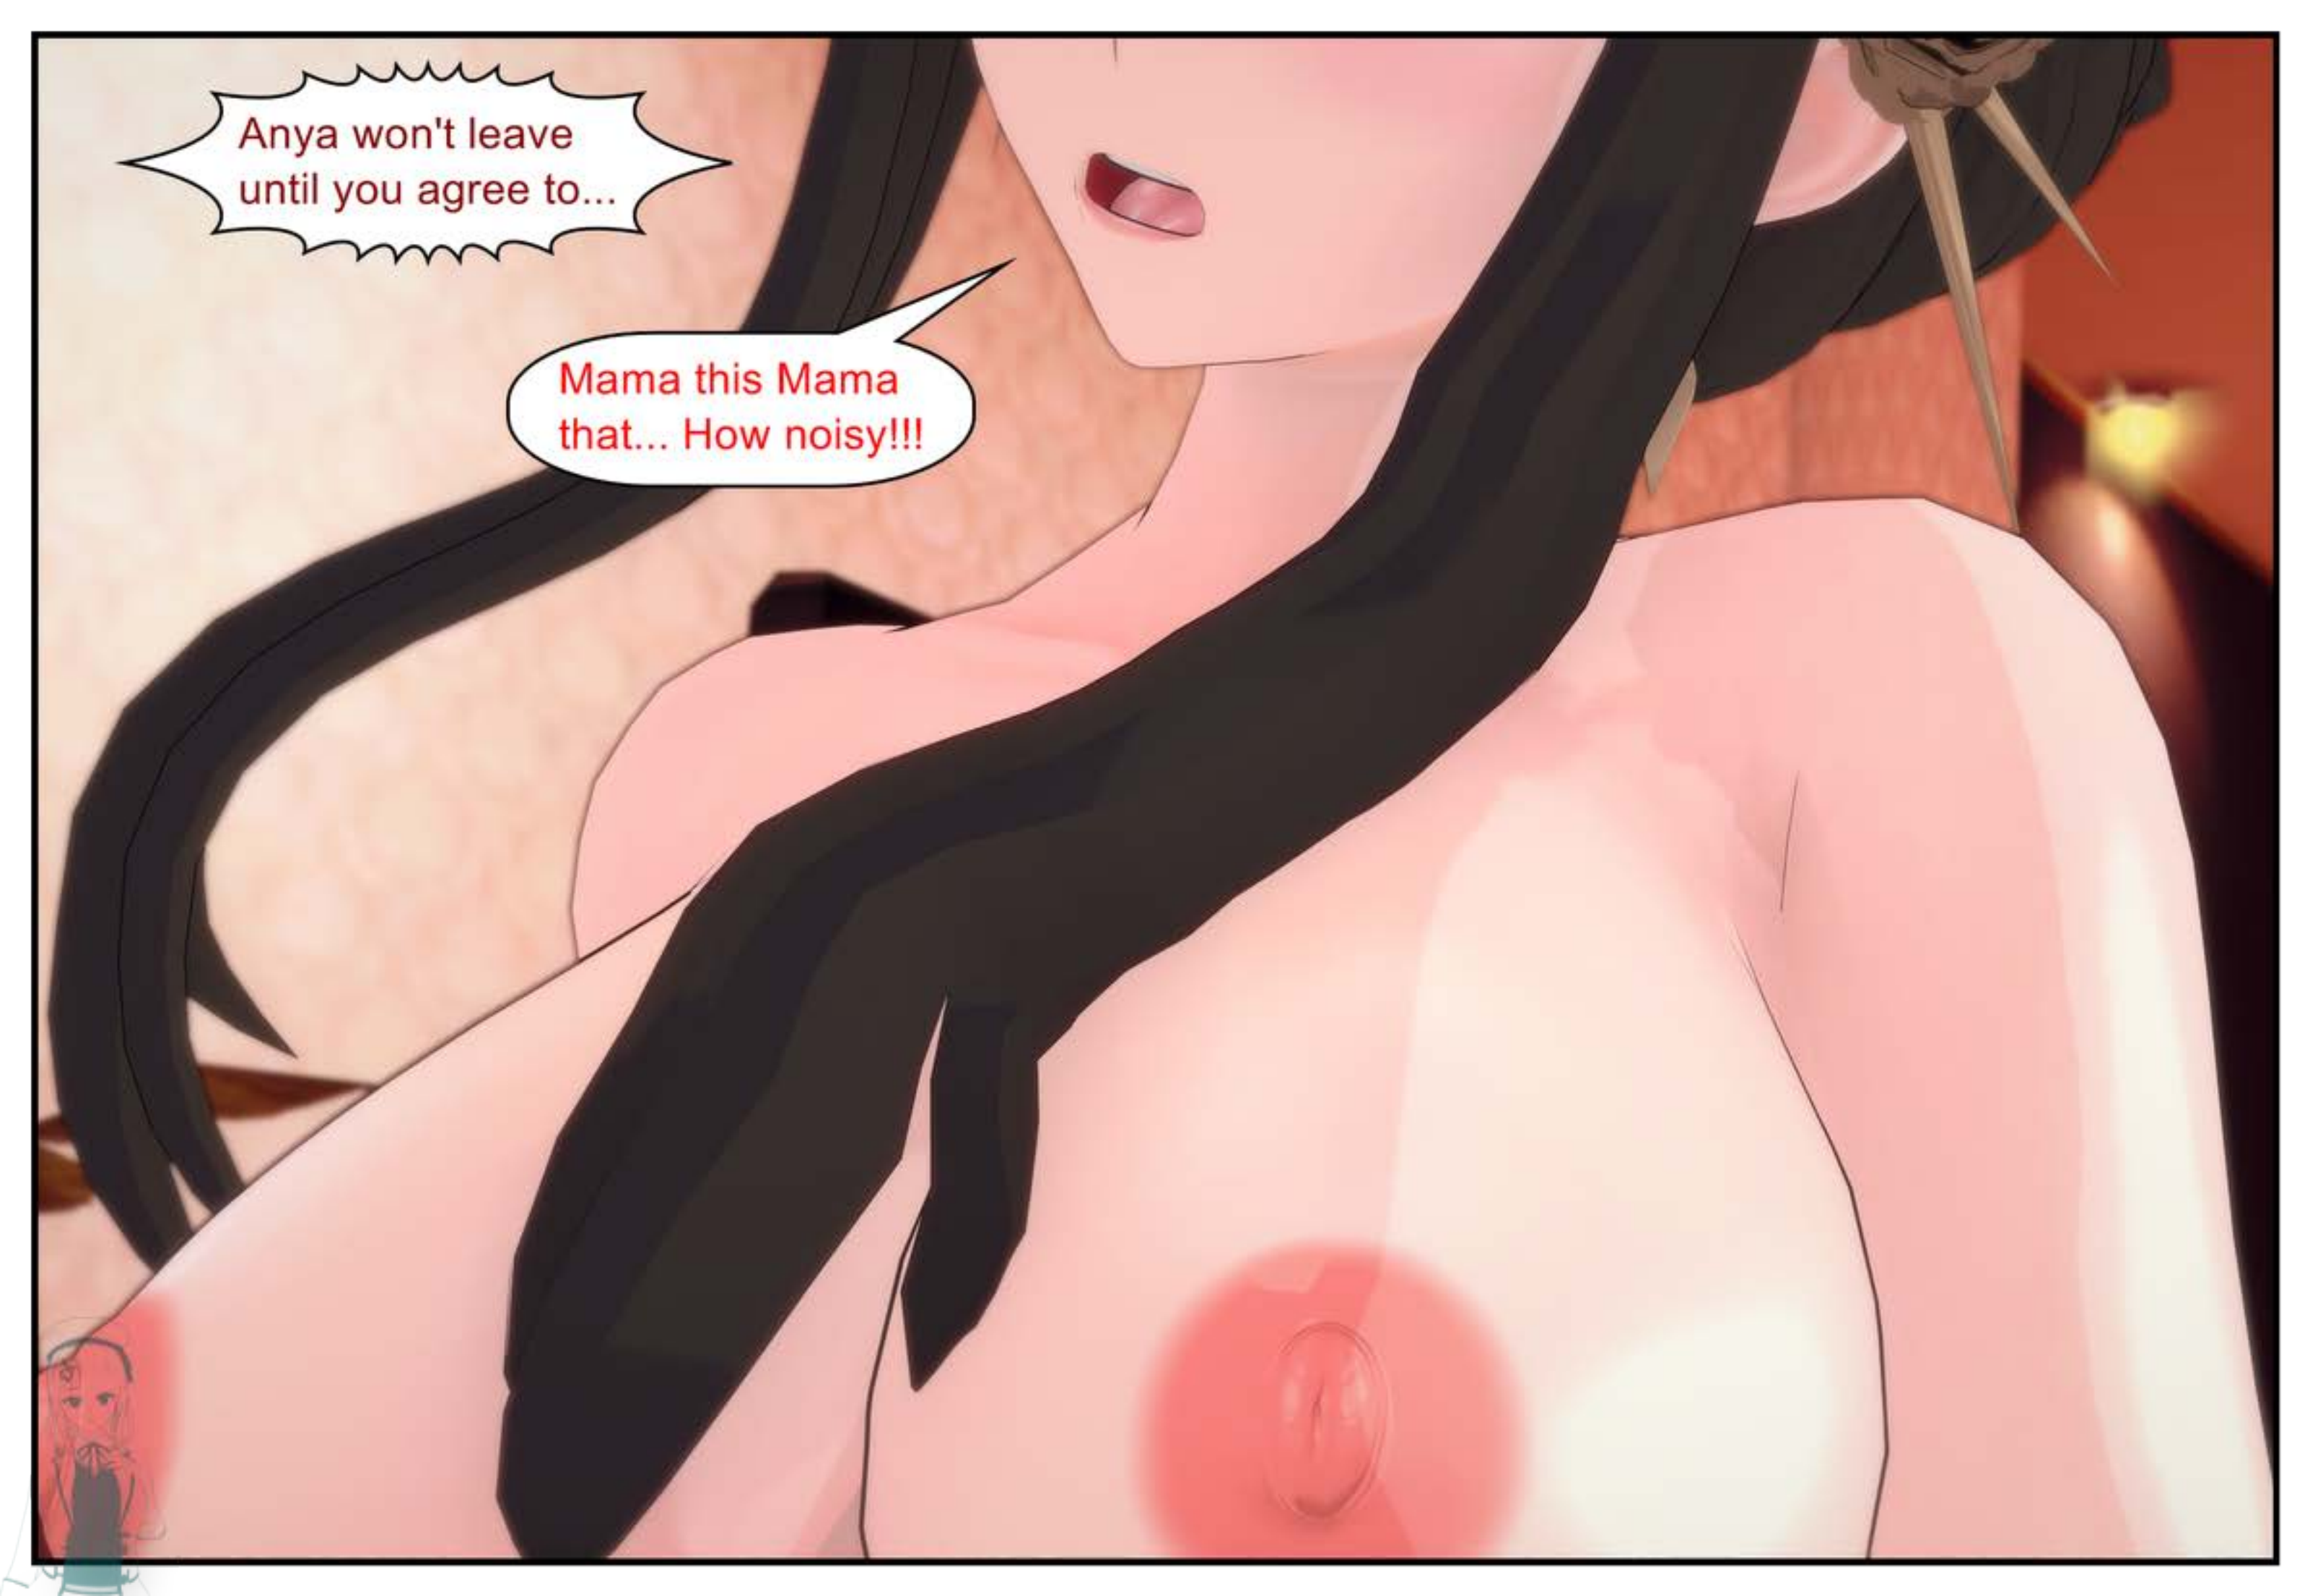

"Gahhh!!! A straight
answer! Mama was
really possessed!!!"

"No! I must keep going! The ghost may feel annoyed to let her go!"

I want to have snack and watch Bond Man with Mama together!

Anya won't leave
until you agree to...

Mama this Mama
that... How noisy!!!

I will shut you up
for good!!!

"That would only
make an impatience
ghost become rage..."

"How about I ask something that the ghost haven't known about Mama Yor?"

Mama! I have a question!

What is it?

Anya forget the cruise
name that we traveled
together for first time.
Do you remember it?

"Yes... If the ghost don't remember the name, it will get out of Mama!"

The cruise's name...?

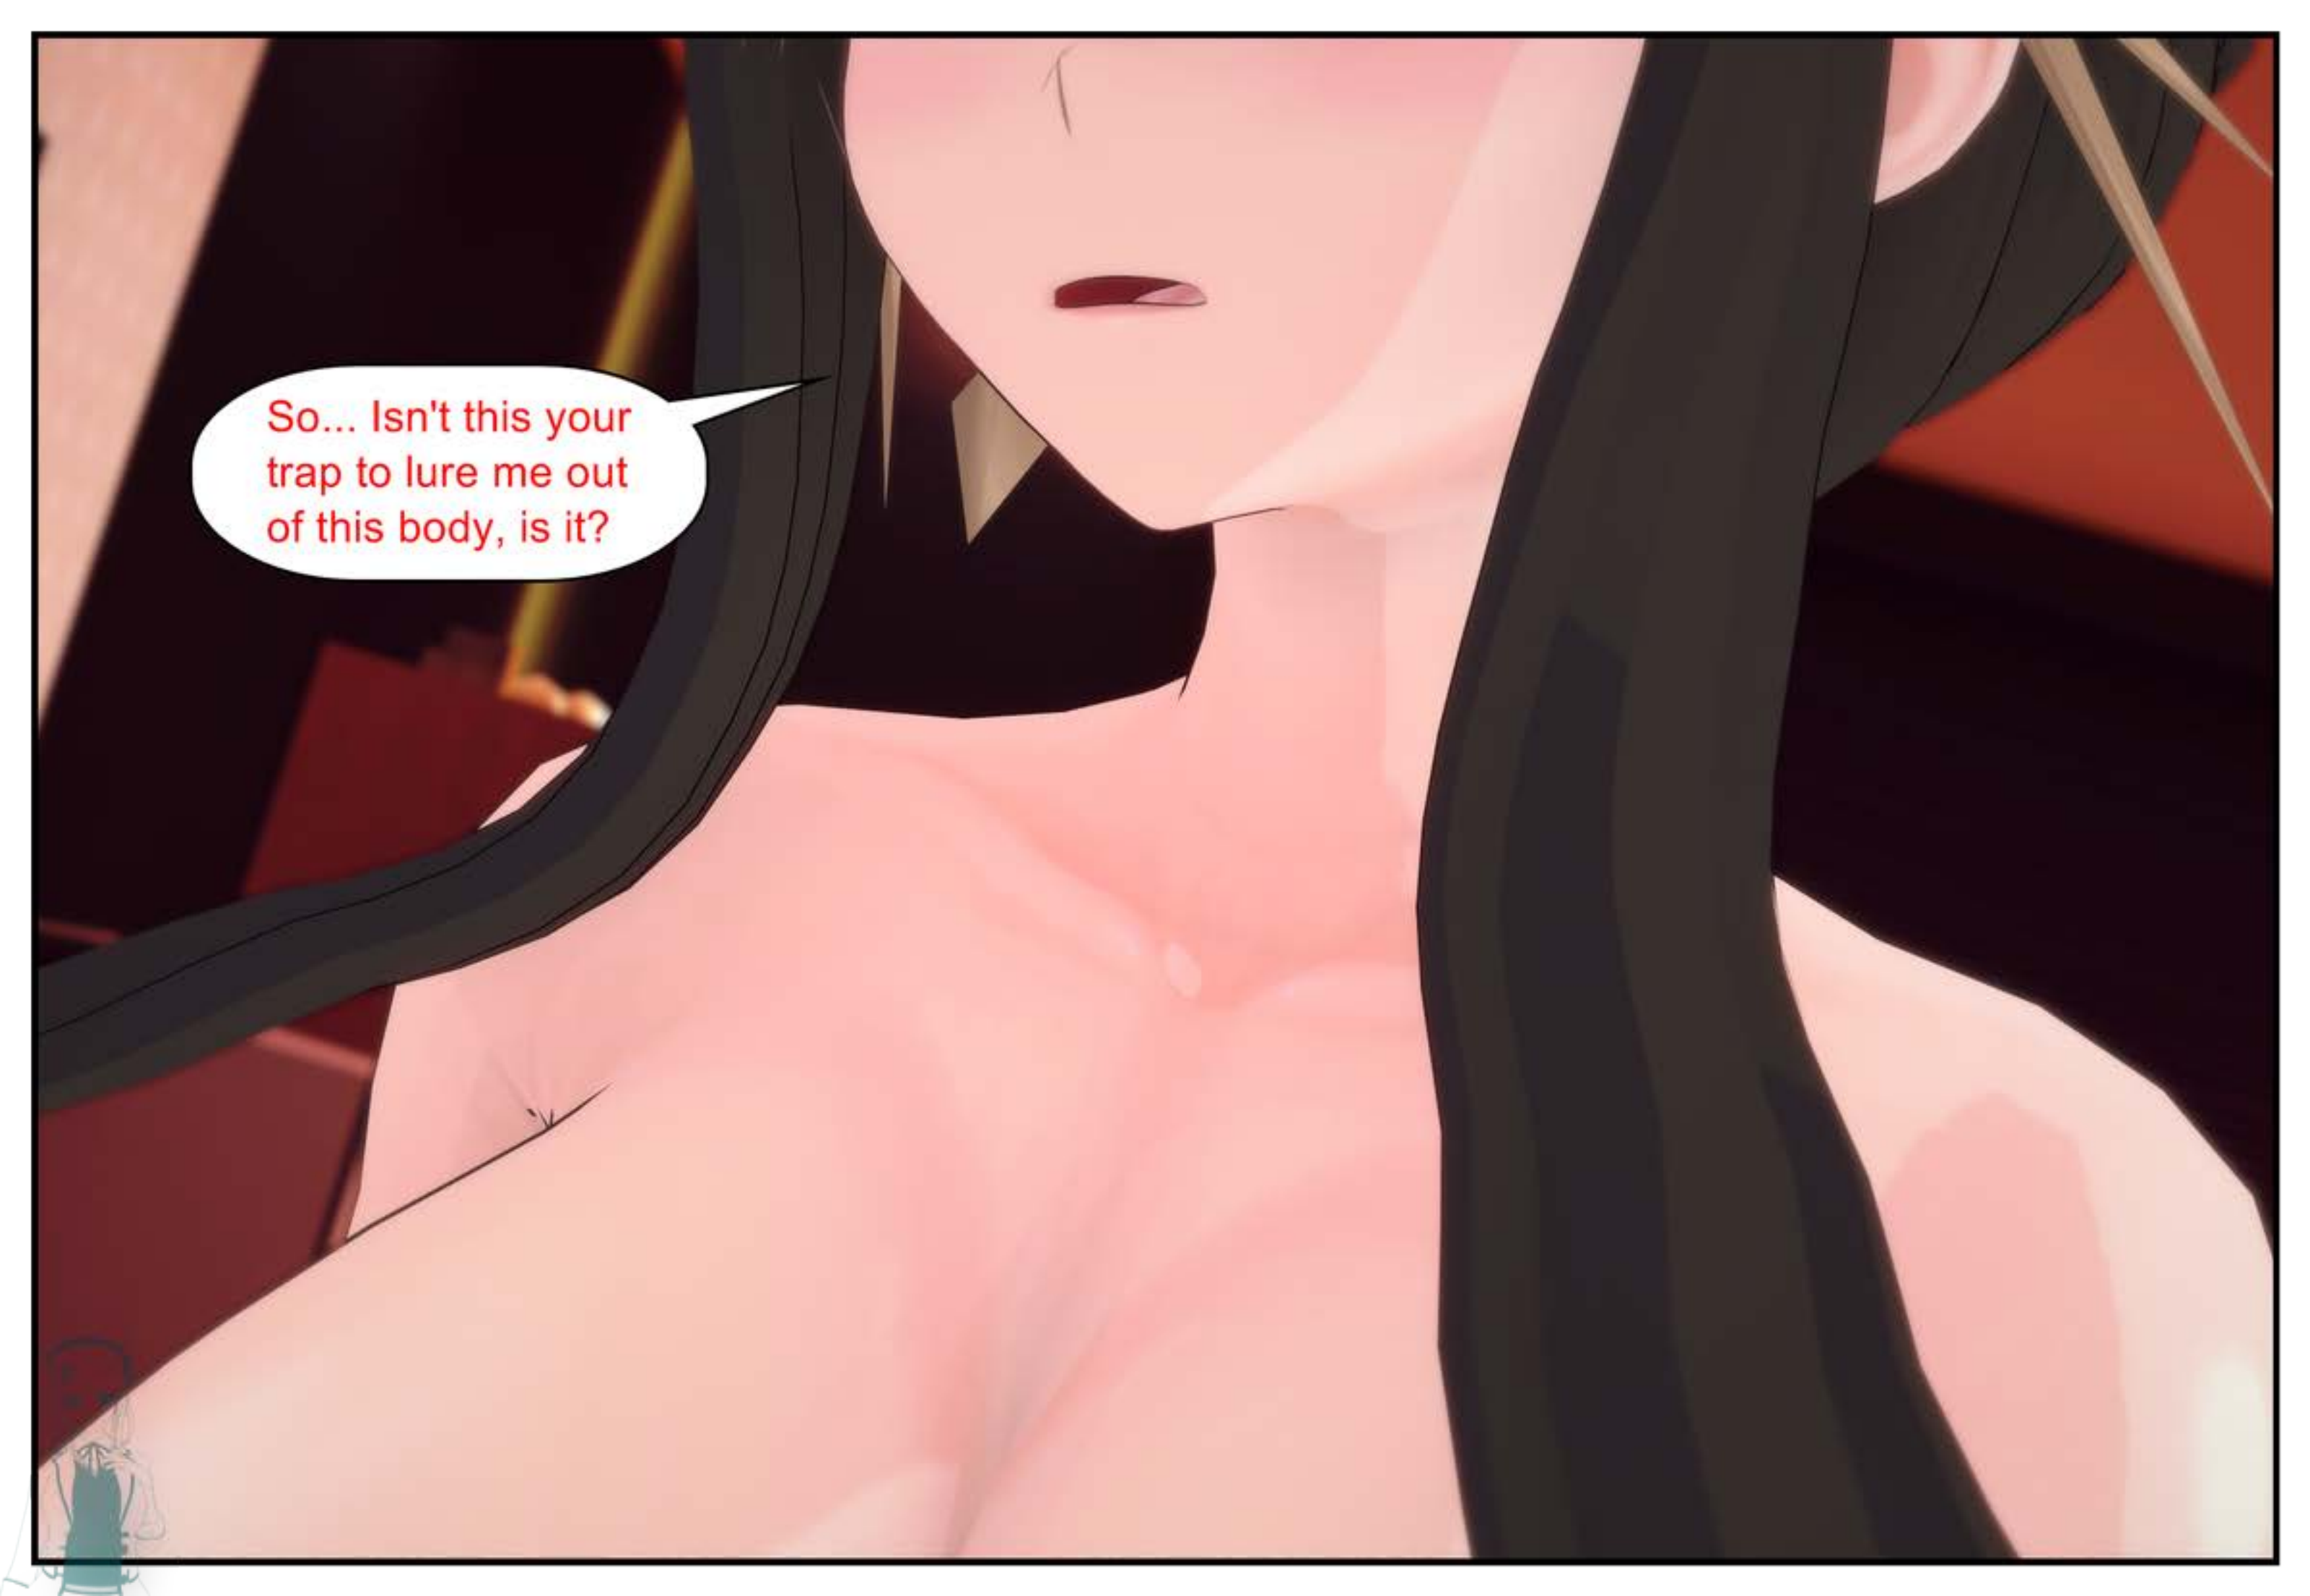

"Fufu... Because
only Anya's family
been on the trip."

Actually... It was
"Princess Lorelei", Anya...

"Because its name
was Princess Larelei!"

So... Isn't this your trap to lure me out of this body, is it?

You already knew
too much. I will
shut you up for good.

"Ugh... I don't want
to make the ghost mad."

A manga-style illustration. On the left, a woman's legs are shown from the knees down, wearing a light-colored, possibly white, outfit. Her skin is pale and has a soft glow. On the right, a character with long, flowing pink hair is shown from the chest up, wearing a dark, possibly black, garment. The background is a dark, reddish-brown color with some horizontal lines and a few small, glowing yellow lights. A speech bubble is positioned in the center, containing the text: "But I have to save Mama from being possessed!".

"But I have to
save Mama from
being possessed!"

"I hope this annoy
kid to get lost fast, so
that I could have
fun with the original."

If you have nothing
else, I will ask you
to leave.

"Original...? Then
does it mean..."

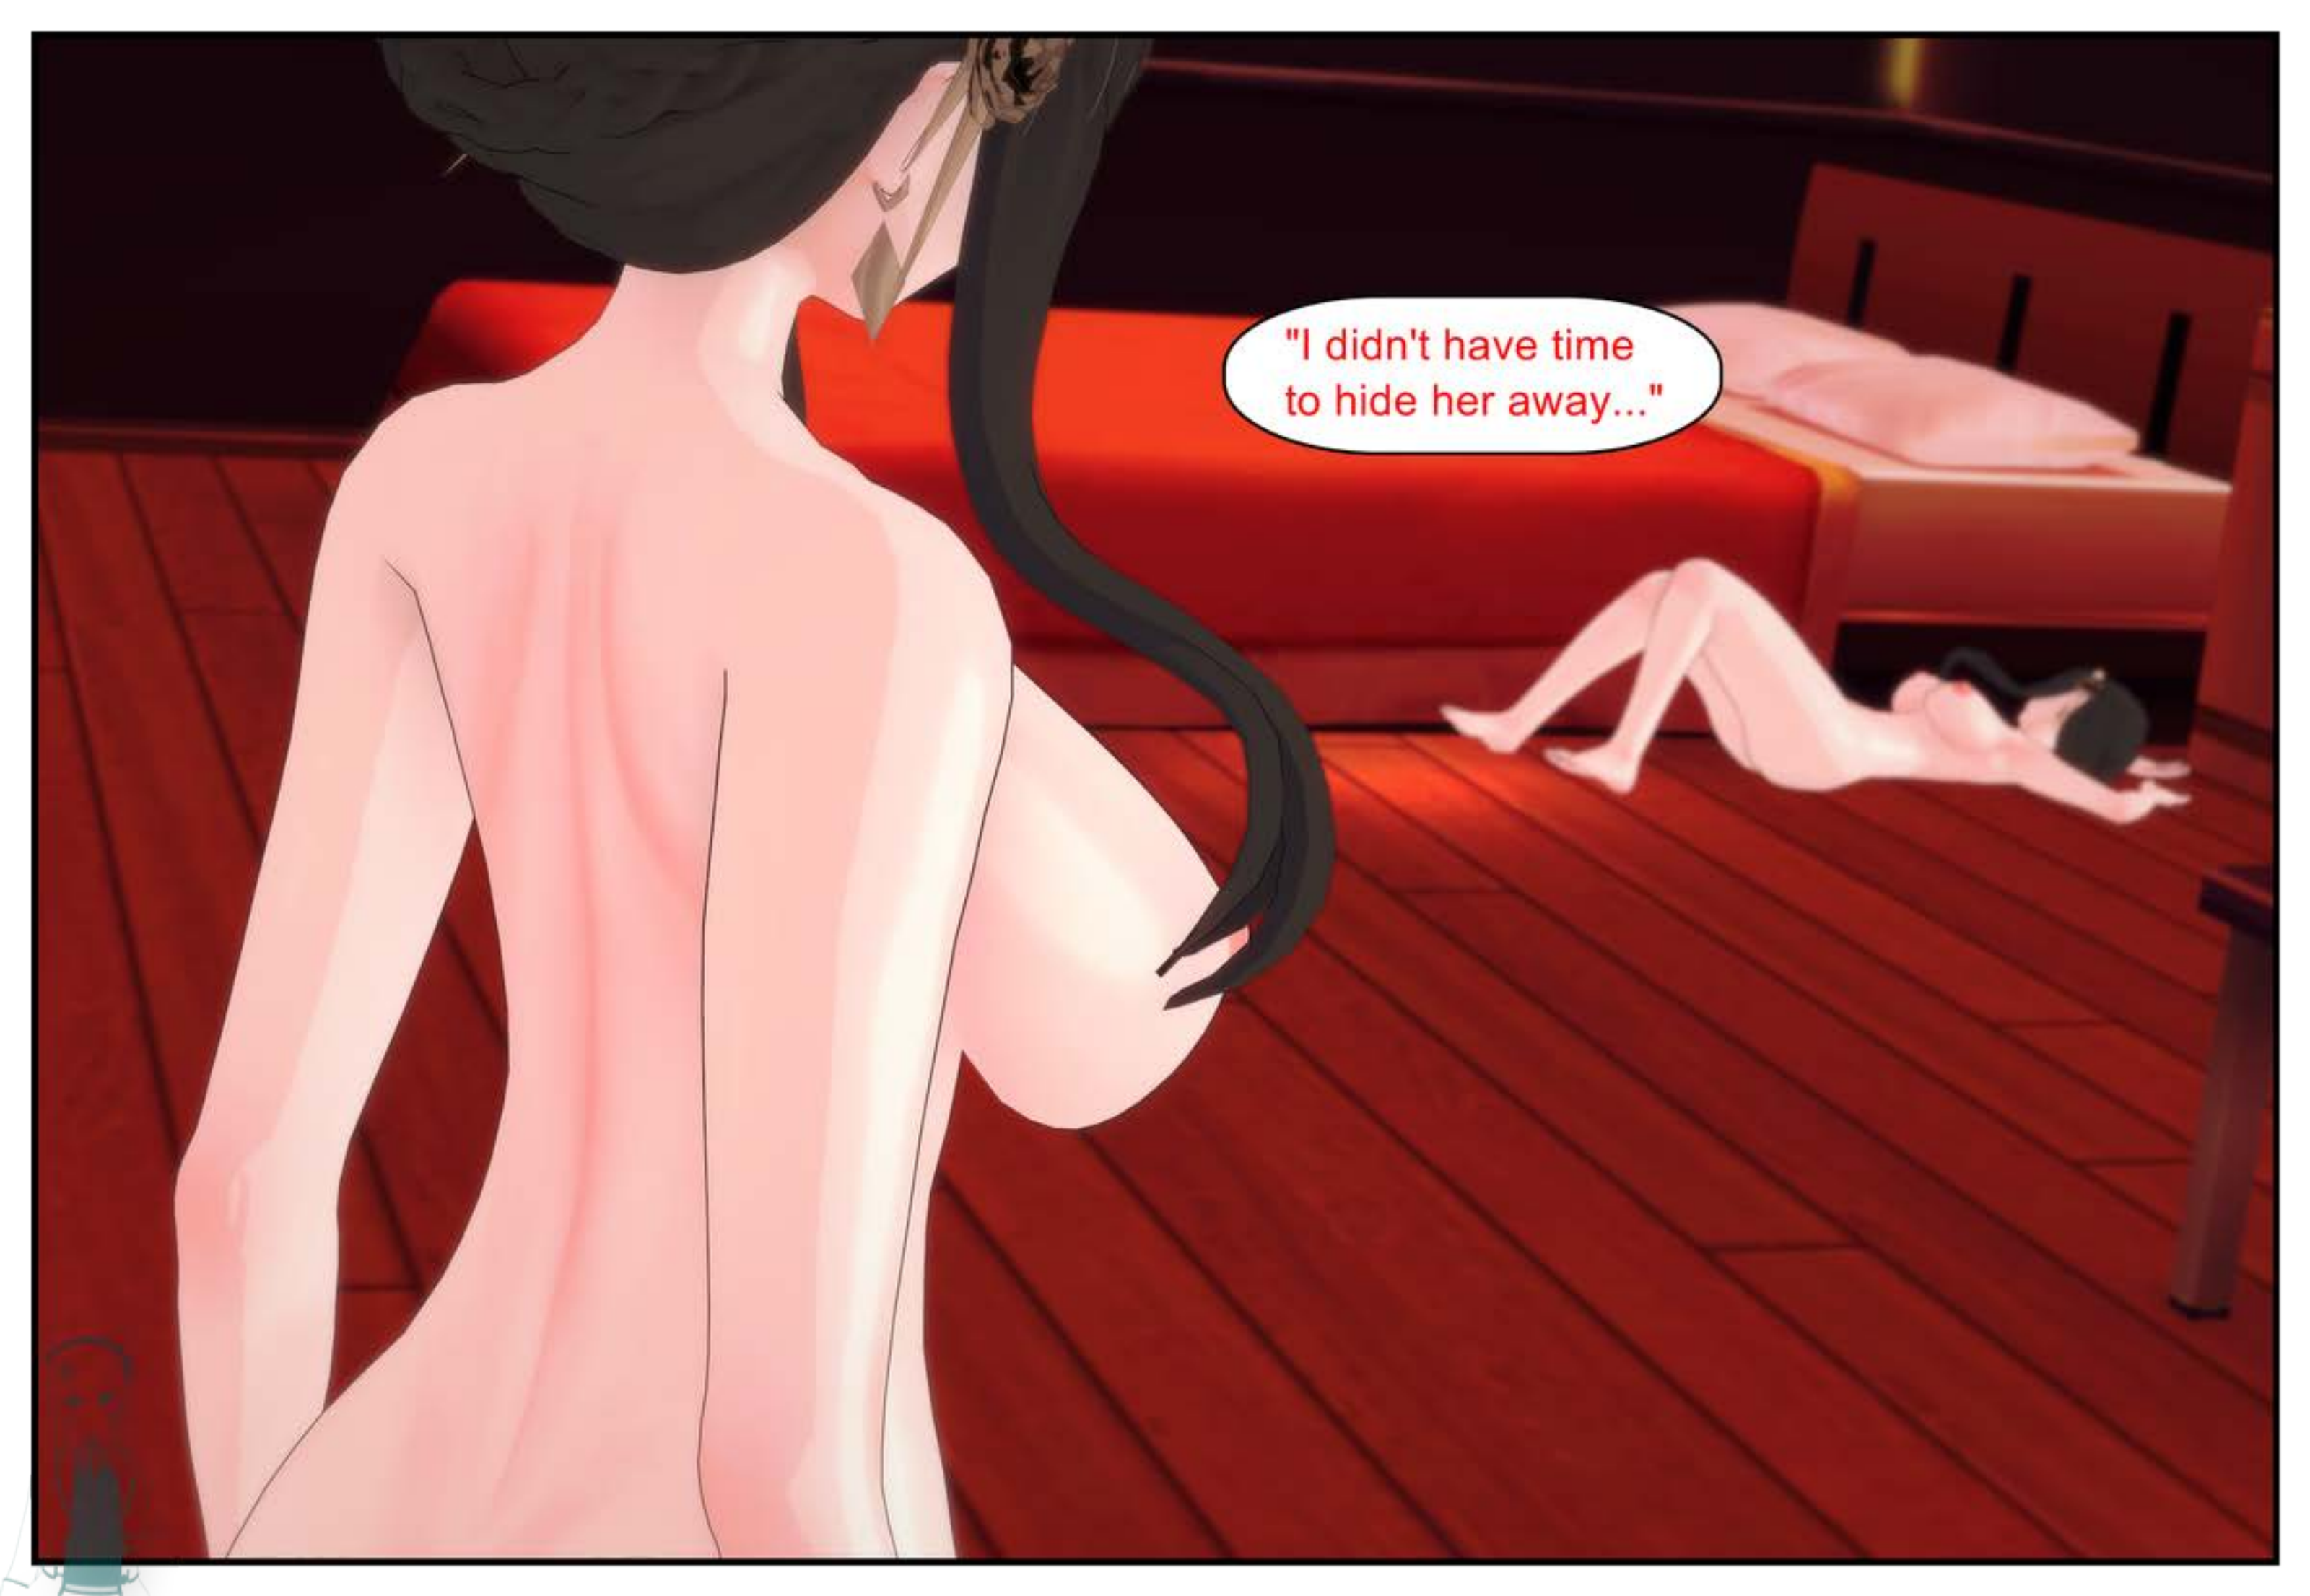

A manga-style illustration. In the foreground, a woman with long, flowing pink hair is shown from the back, looking towards the background. In the background, a woman with dark hair is lying on her back on a red sofa, appearing to be asleep or unconscious. The floor is made of dark wood planks. A speech bubble is positioned between the two women.

"There's someone
who look exactly
like Mama Yor!"

"Tch..."

Mama!!! There is a person who look like you laying over there!

"I didn't have time
to hide her away..."

"But... I already have
a trick on my sleeve."

"On my command
and wake up,
Yor Forger."

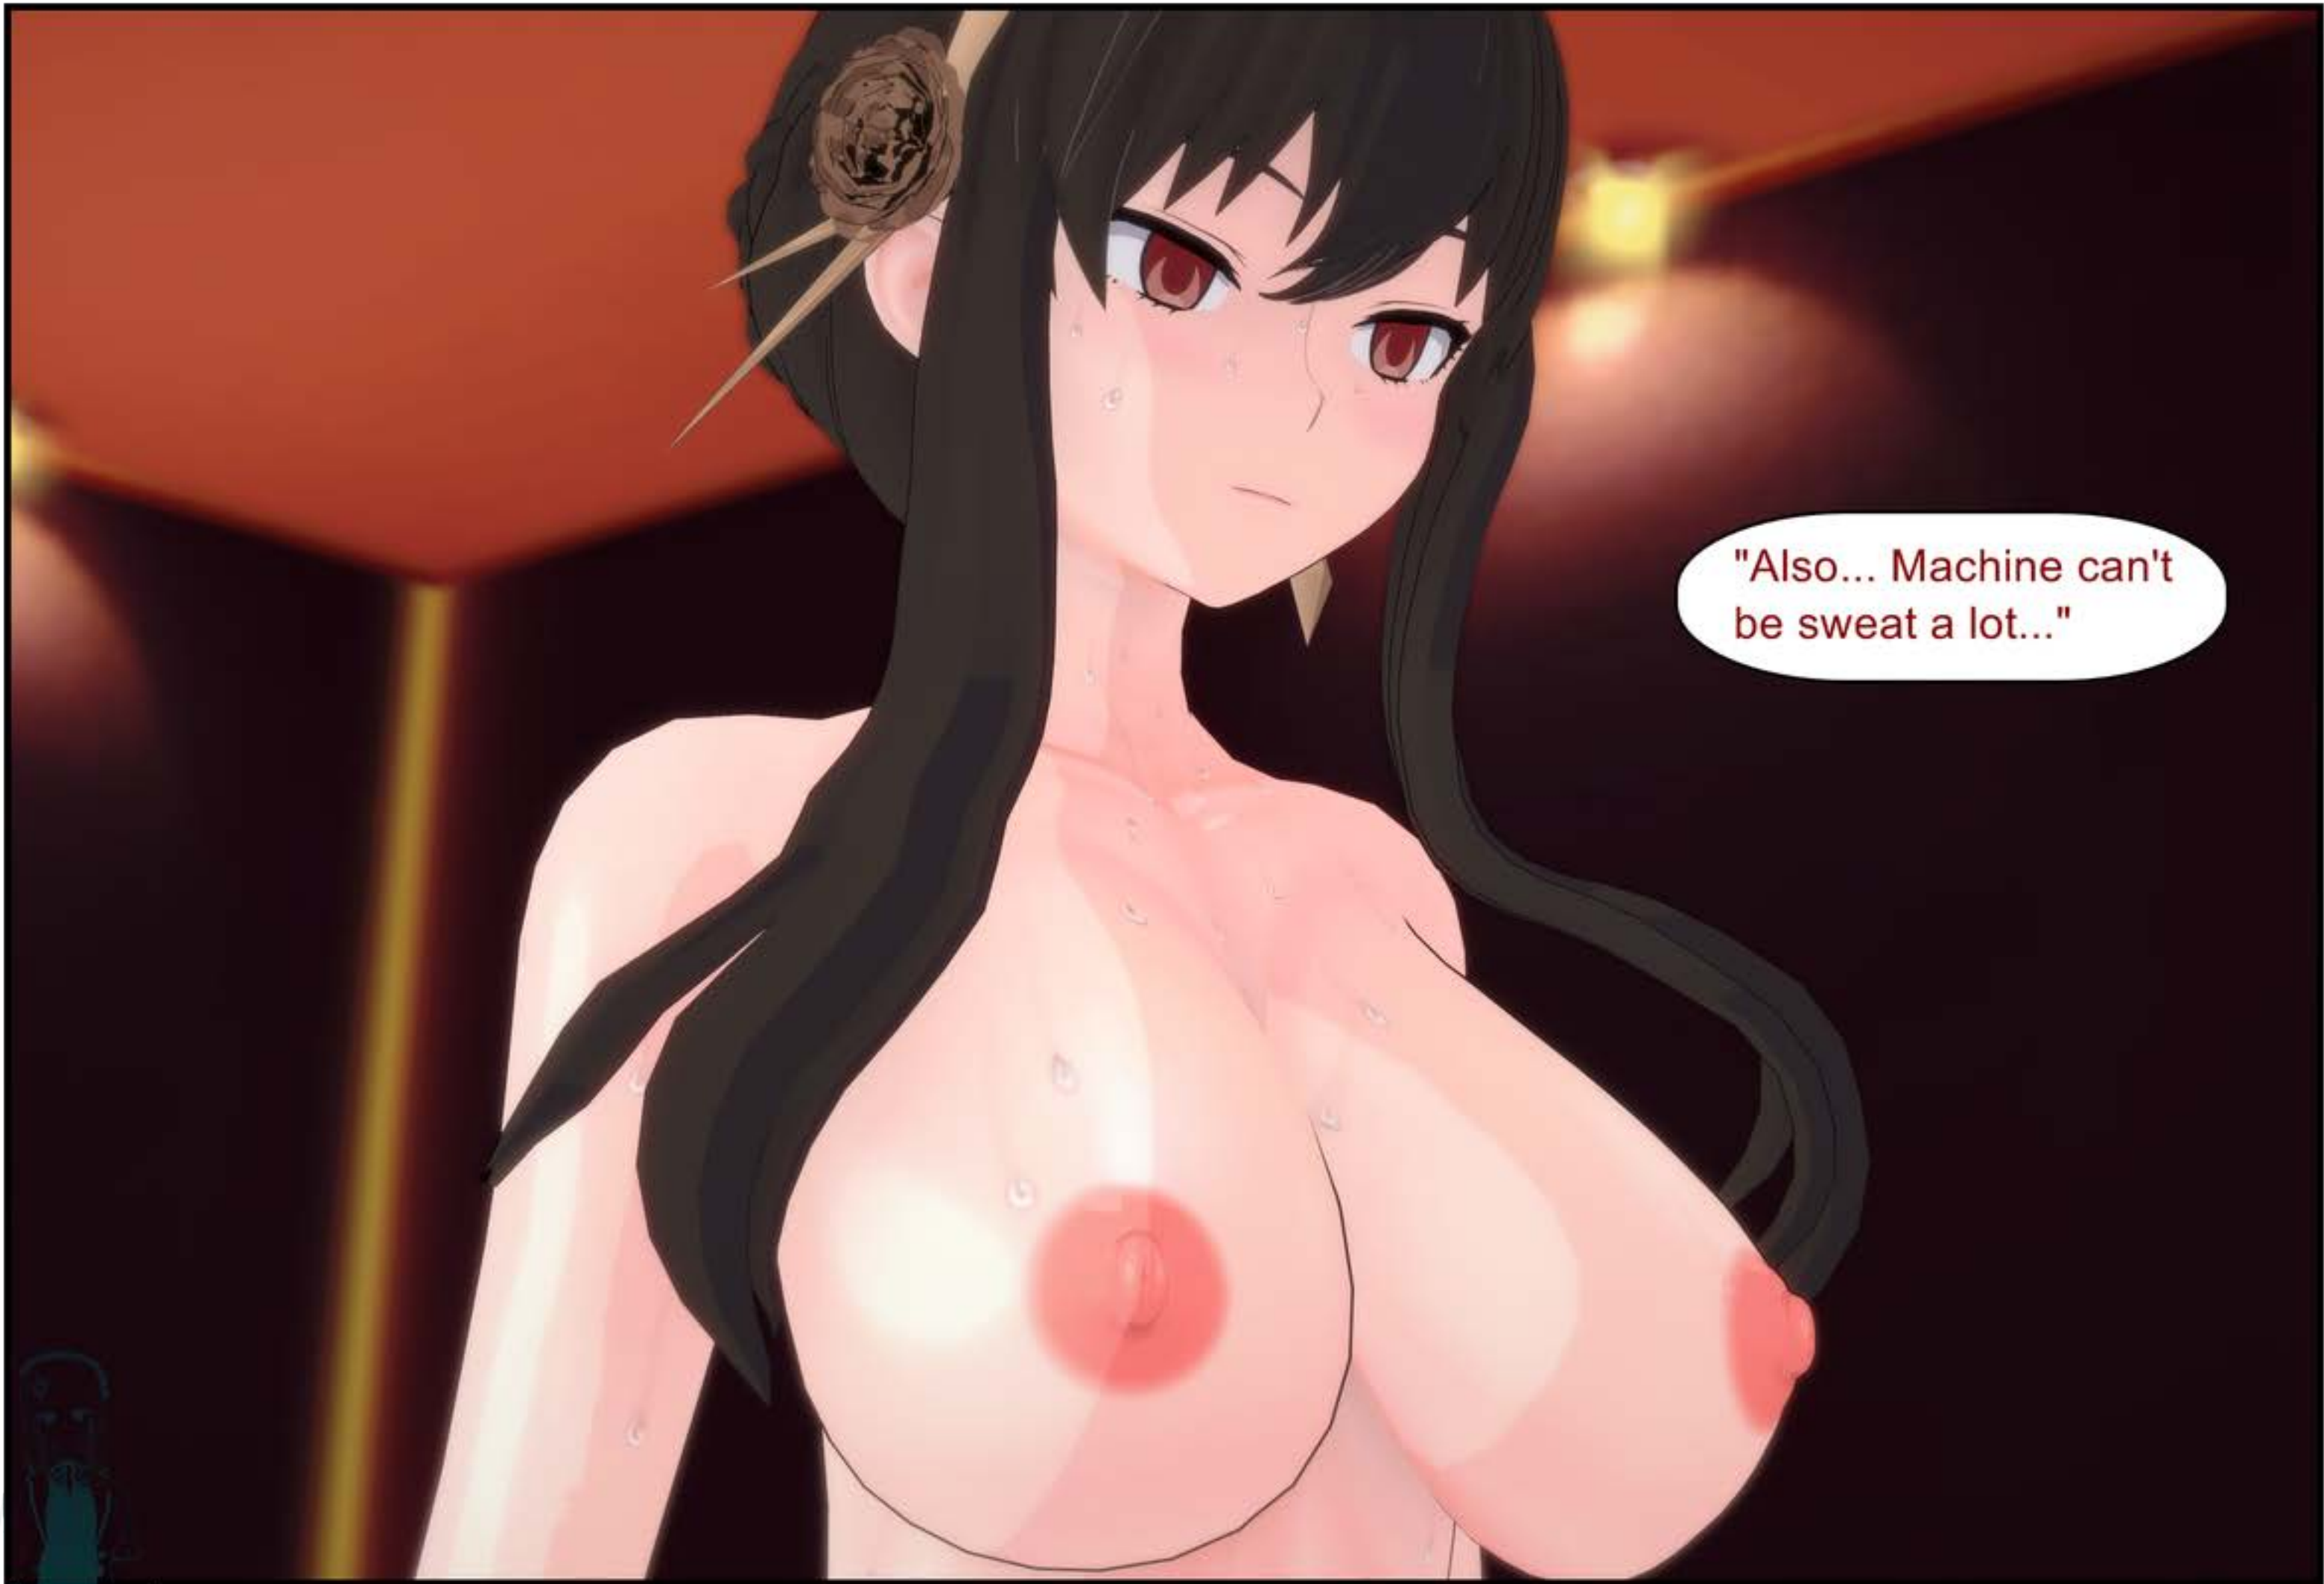

This? It's a robot that Mama bought earlier. Cool, right?

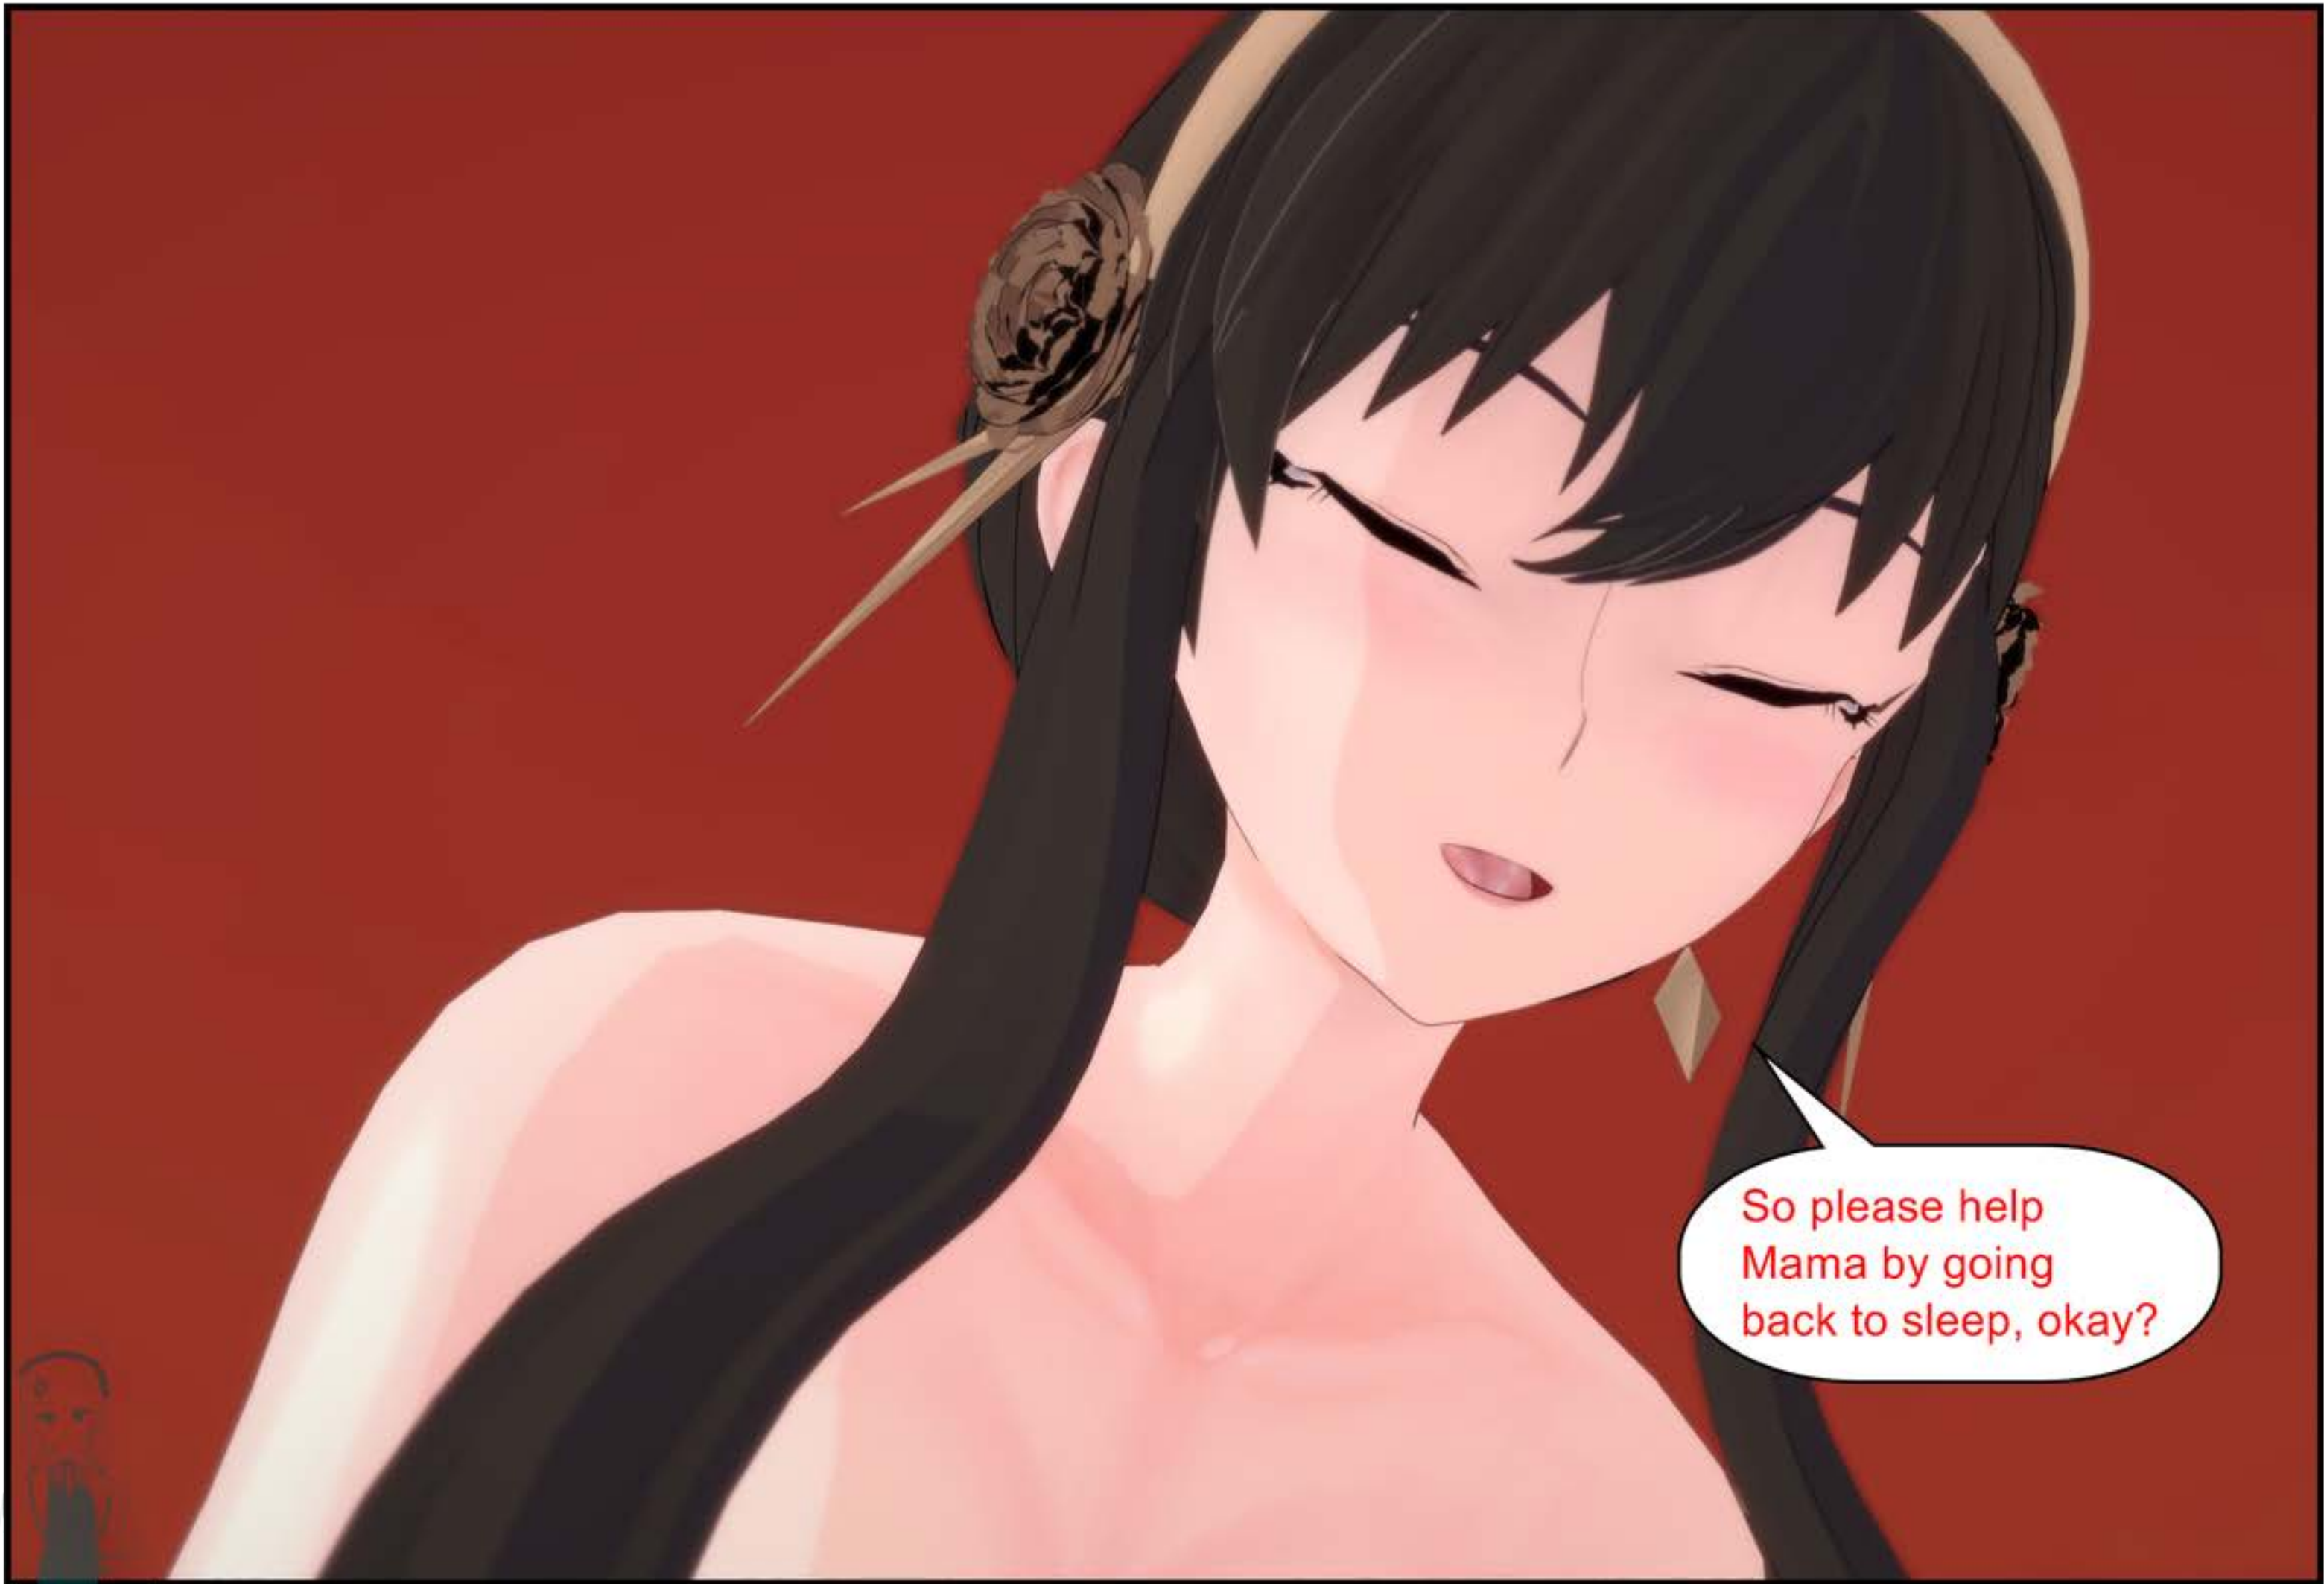

"They have different eyes color..."

"Also... Machine can't be sweat a lot..."

So there is nothing wrong at all, Anya.

So please help
Mama by going
back to sleep, okay?

"Right now... Anya need to think another way to help Mama."

"Mama! Please wait for me!"

Uhm! I will go back to bed by myself!

Goodnight to
you, Anya.

"Finally, I dealt
with the kid..."

The image depicts two anime-style female characters with long, straight black hair and striking red eyes. They are shown from the chest up, unclothed. The character on the left is slightly taller and has a white speech bubble containing red text. Both characters have a dark, possibly black, headpiece or hair accessory with a circular, textured element. The background is dark with some red and yellow lighting accents, suggesting an indoor setting. The overall style is typical of anime art, with smooth shading and defined lines.

"Now, we have
some private time
to spend."

Meanwhile...

Have you heard?
About our leader?

You really believe
in what that crazy
man announced?

He said he was
going to bring the
dead back.

"Bring the dead back to life?"

No, I think it was very vague and nonsense.

A close-up illustration of a character with short, layered grey hair, a thin mustache, and round glasses with a yellow tassel. The character is wearing a black suit jacket, a white collared shirt, and a black tie. The background is a dimly lit room with stone walls and wooden chairs. A speech bubble is positioned to the left of the character's face.

"It seem hard to believe, but there's no trace where his money went."

"HQ already gave order to retreat as they might found their leader's body."

A man with short grey hair, a mustache, and round glasses is shown from the waist up. He is wearing a formal black three-piece suit with a white shirt and a dark tie. He stands in a traditional Japanese office setting with dark wood paneling. In the background, there are wooden chairs, a calendar, and a sign with Japanese characters. A speech bubble is positioned to the left of the man.

"Before I go home,
there's someone
that HQ want me to see."

"That person had
some valuable intel
from the cult..."

"On my side, I
hope it helpful enough."

"But why it has to
be in the public bath?"

"This must be also
in HQ's possession,
still, I have to keep
aware of danger."

"Attacker!? Was
this hideout compromised?"

So... it was you.

Frost, what are you doing here?

"Ah... He realized me although I changed my appearance."

HQ planned me into that cult months ago.

Then, you are the one who will give me the intel.

Yes, but I only found out about the money that their leader spent.

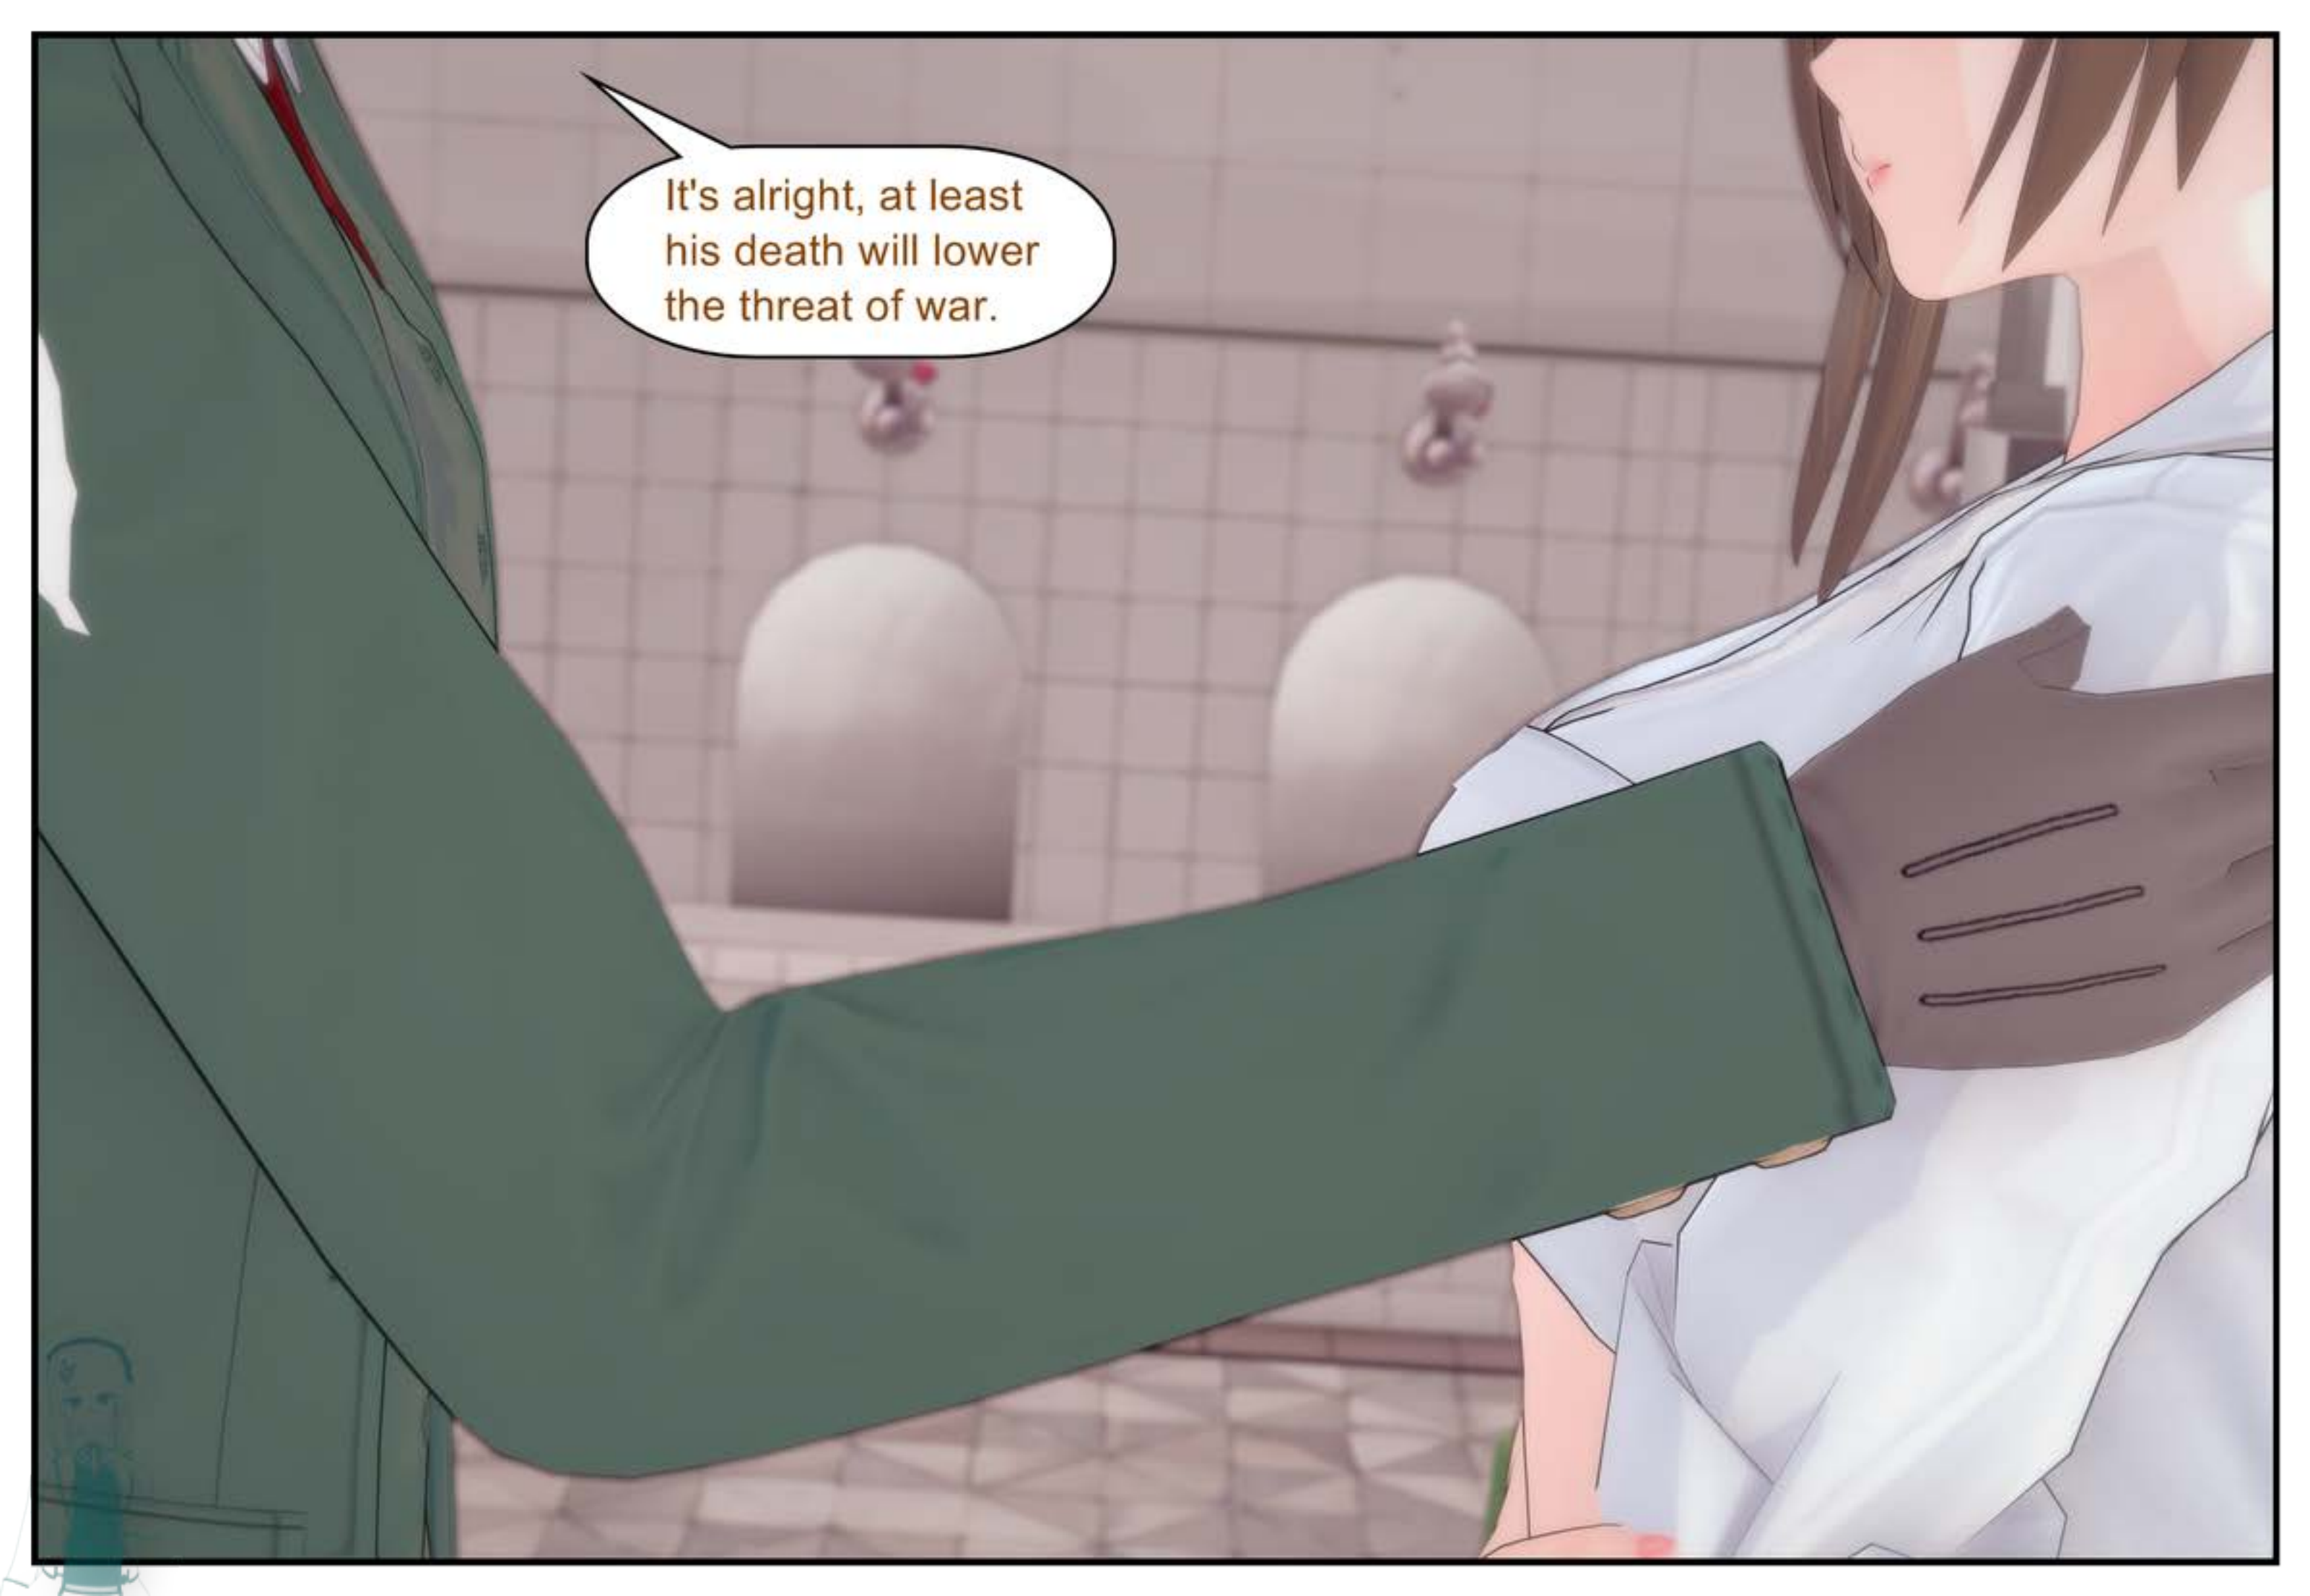

"He... spent on
dead person...?
What for?"

He bought a lot
of corpse from
the morgue.

I'm sorry, that's all
valuable I could find.
Others not much...

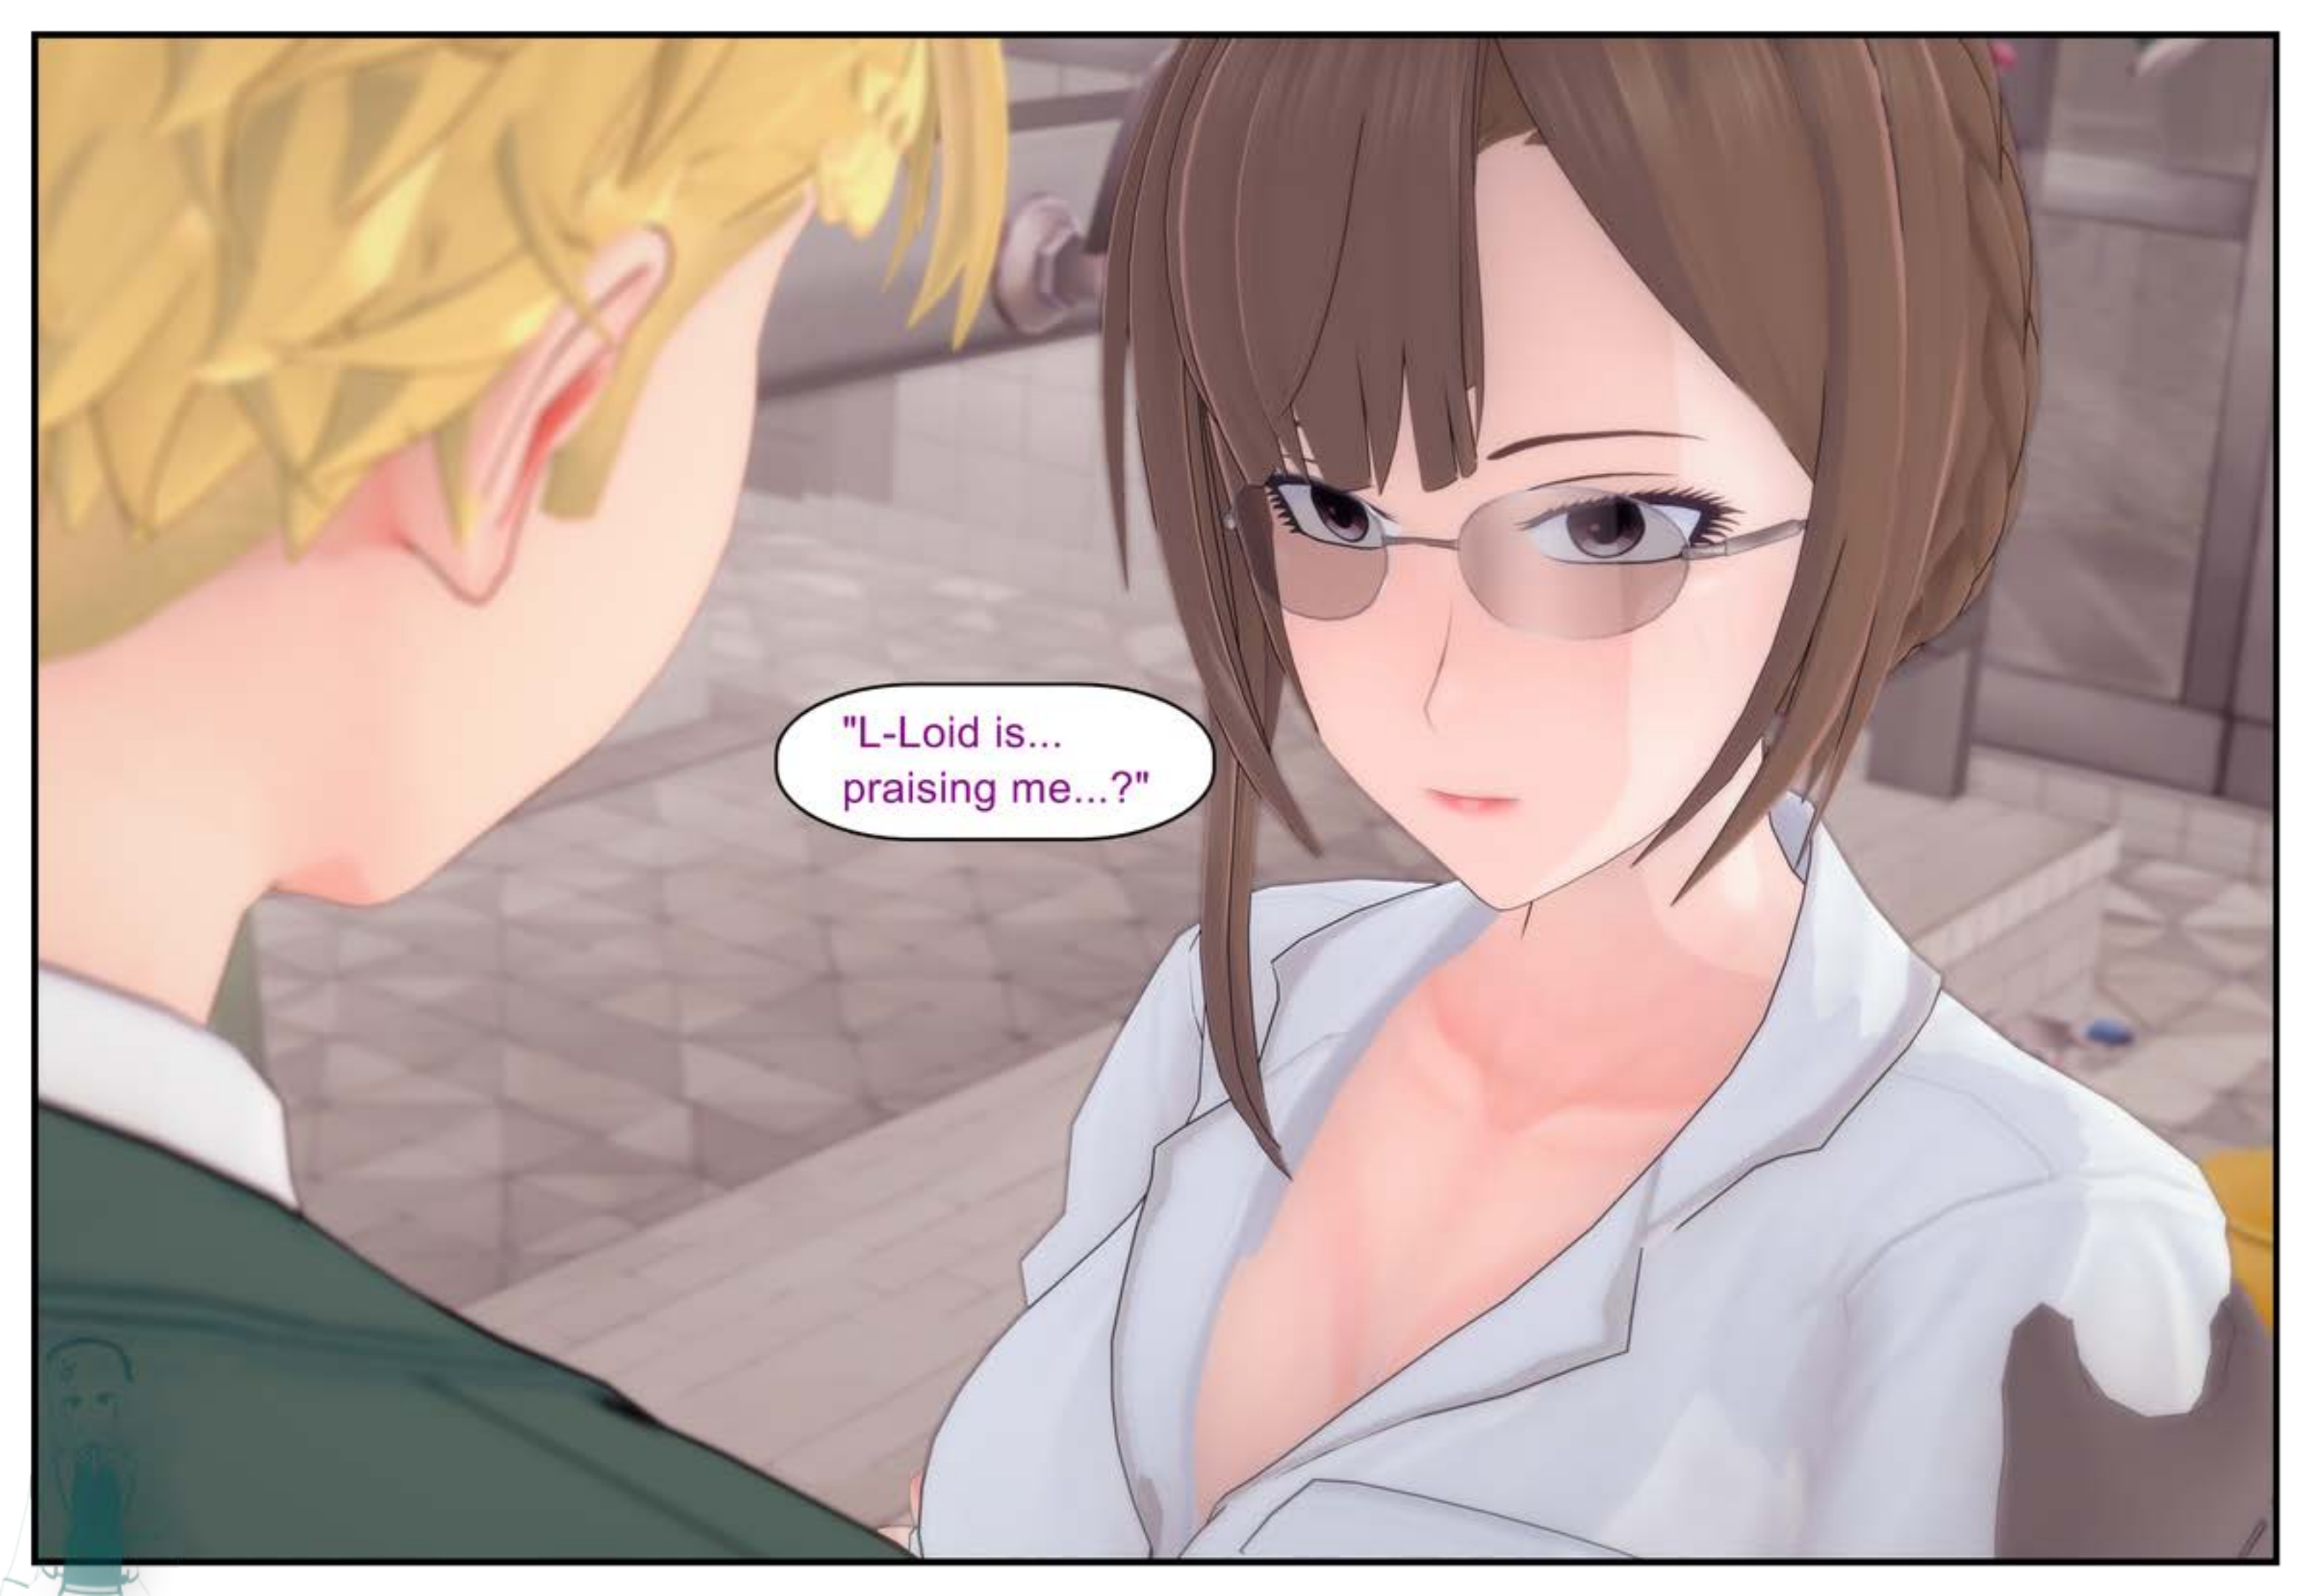

It's alright, at least
his death will lower
the threat of war.

You did good, Frost. But do not let your guard down yet.

A young man with short, spiky blonde hair is shown in profile, looking down. He has a sad or thoughtful expression. He is wearing a dark green suit jacket over a white collared shirt and a dark red tie. The background is a light-colored wall with a grid pattern, possibly a window or a wall panel. A speech bubble is positioned to the left of his head.

"Hah... It's time to go home, I have been away for too long. Yor and Anya must be really worried."

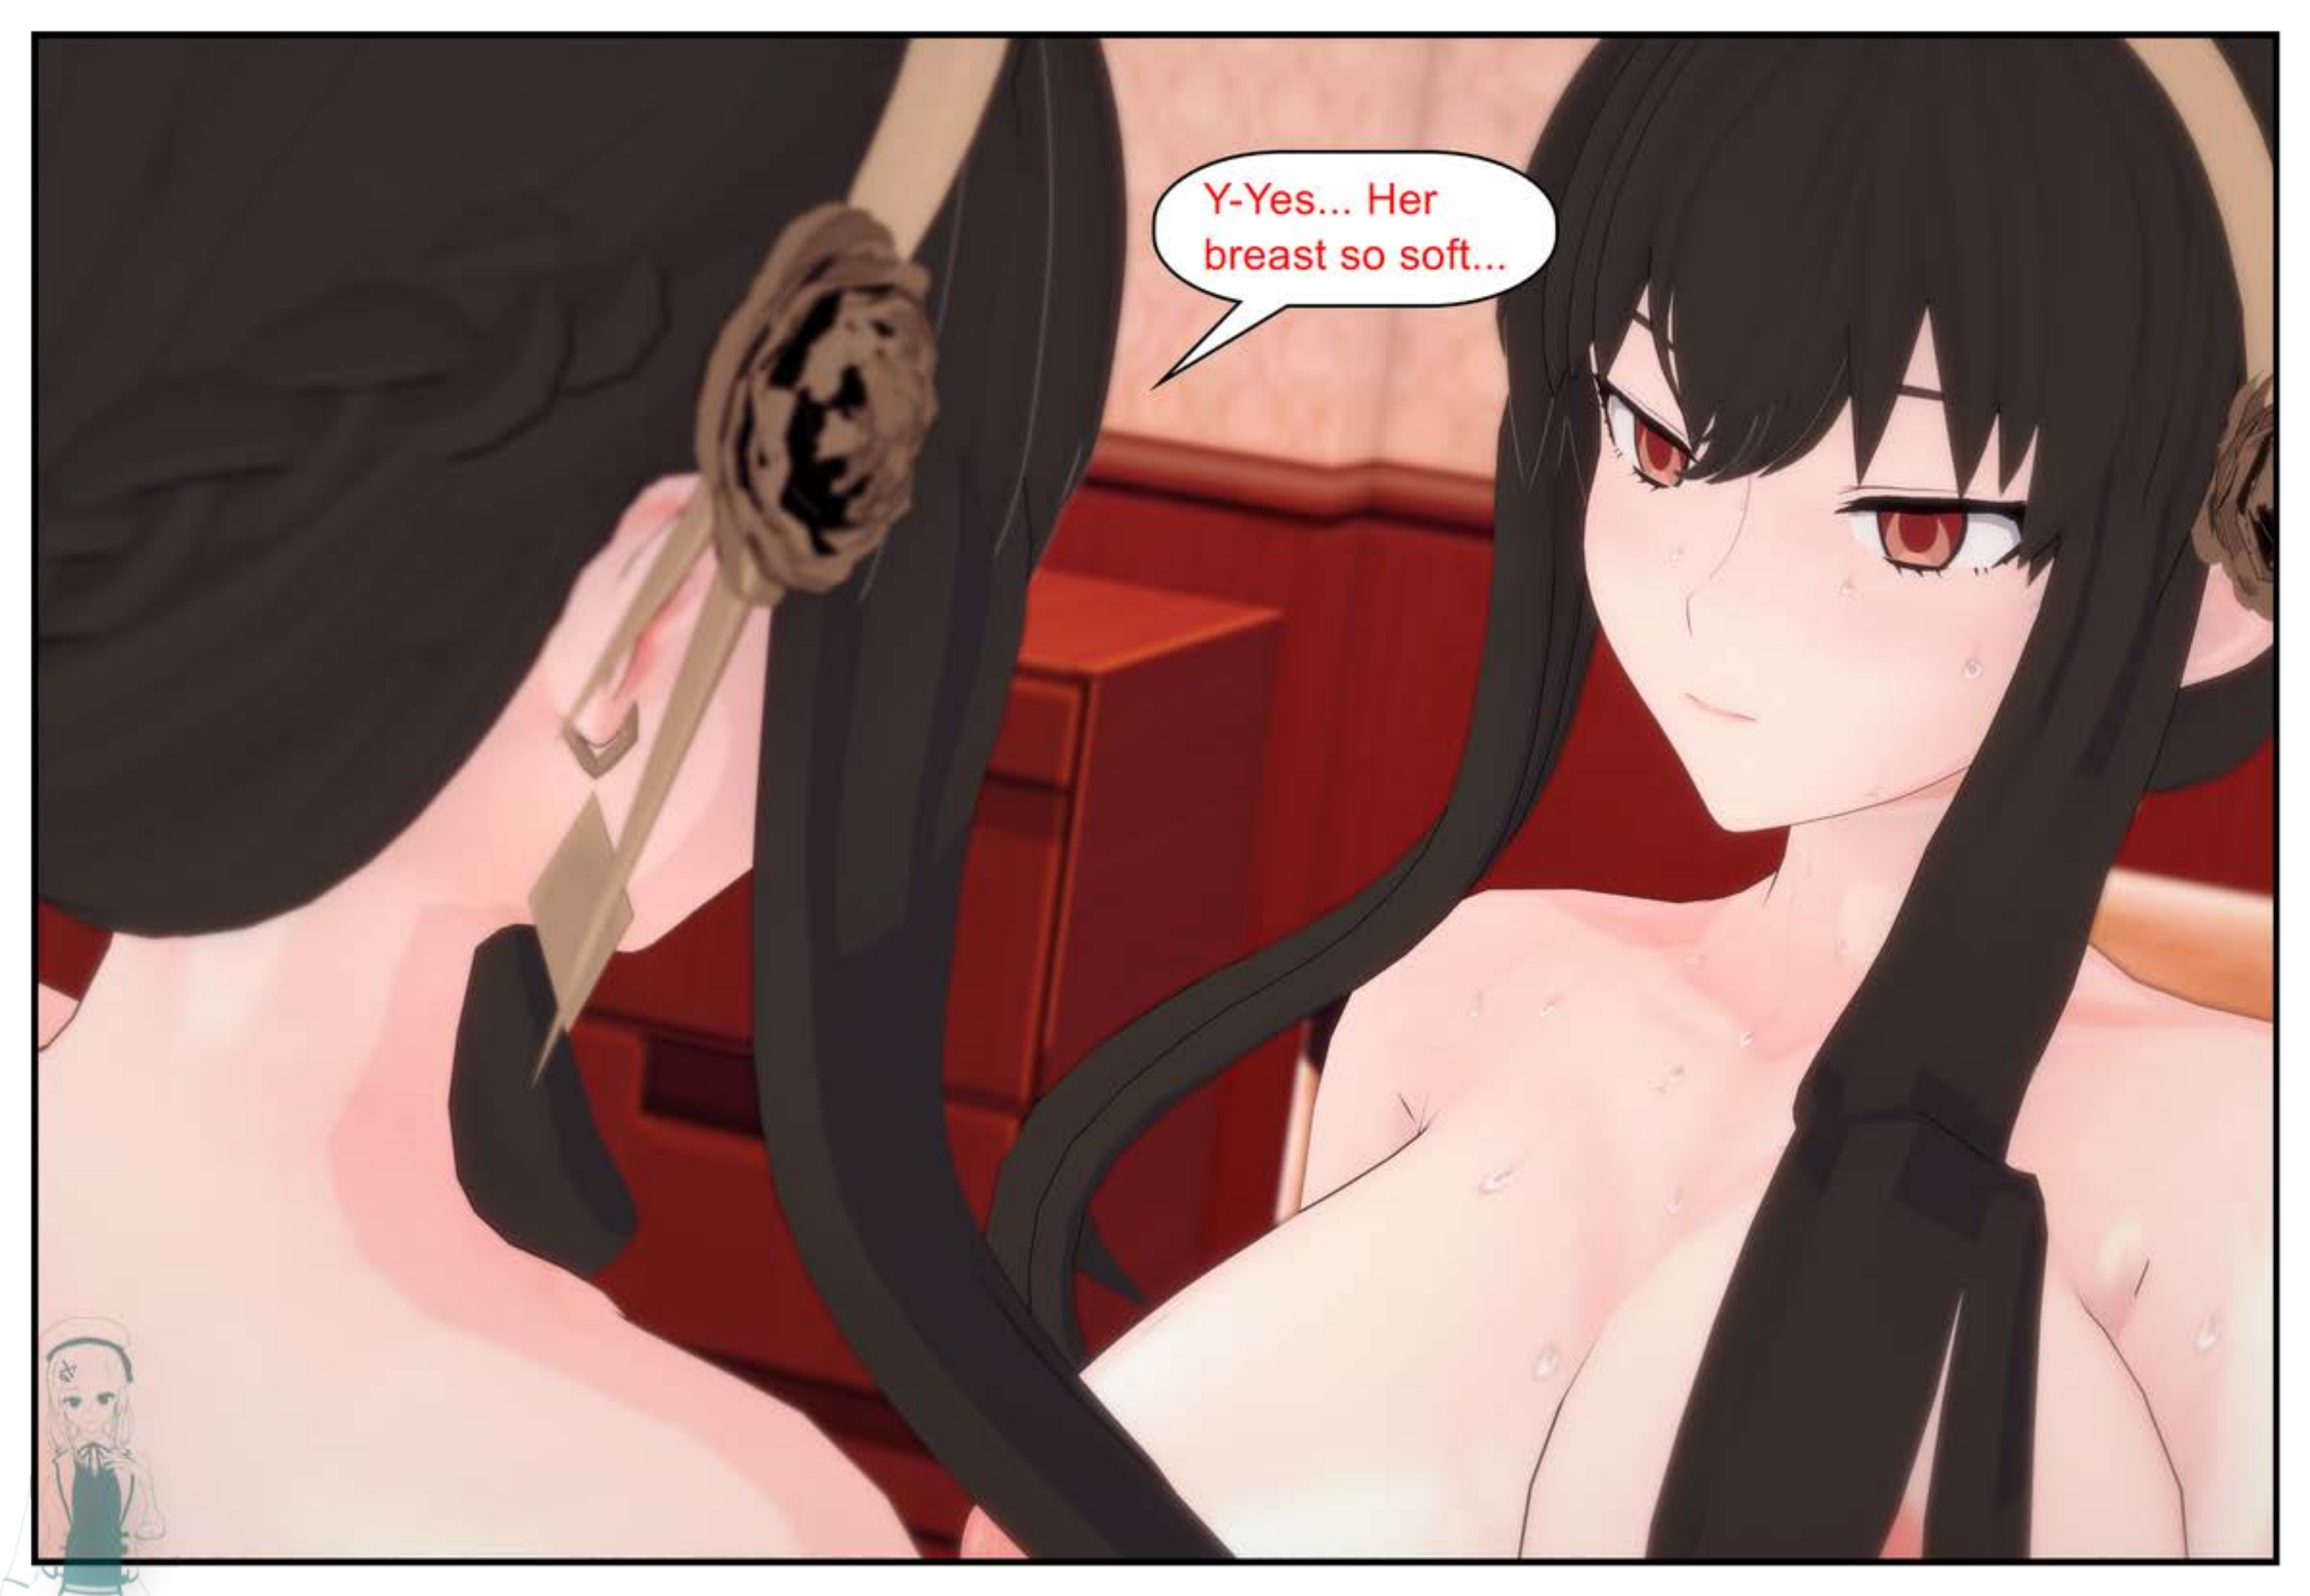

Y-Yes... Her
breast so soft...

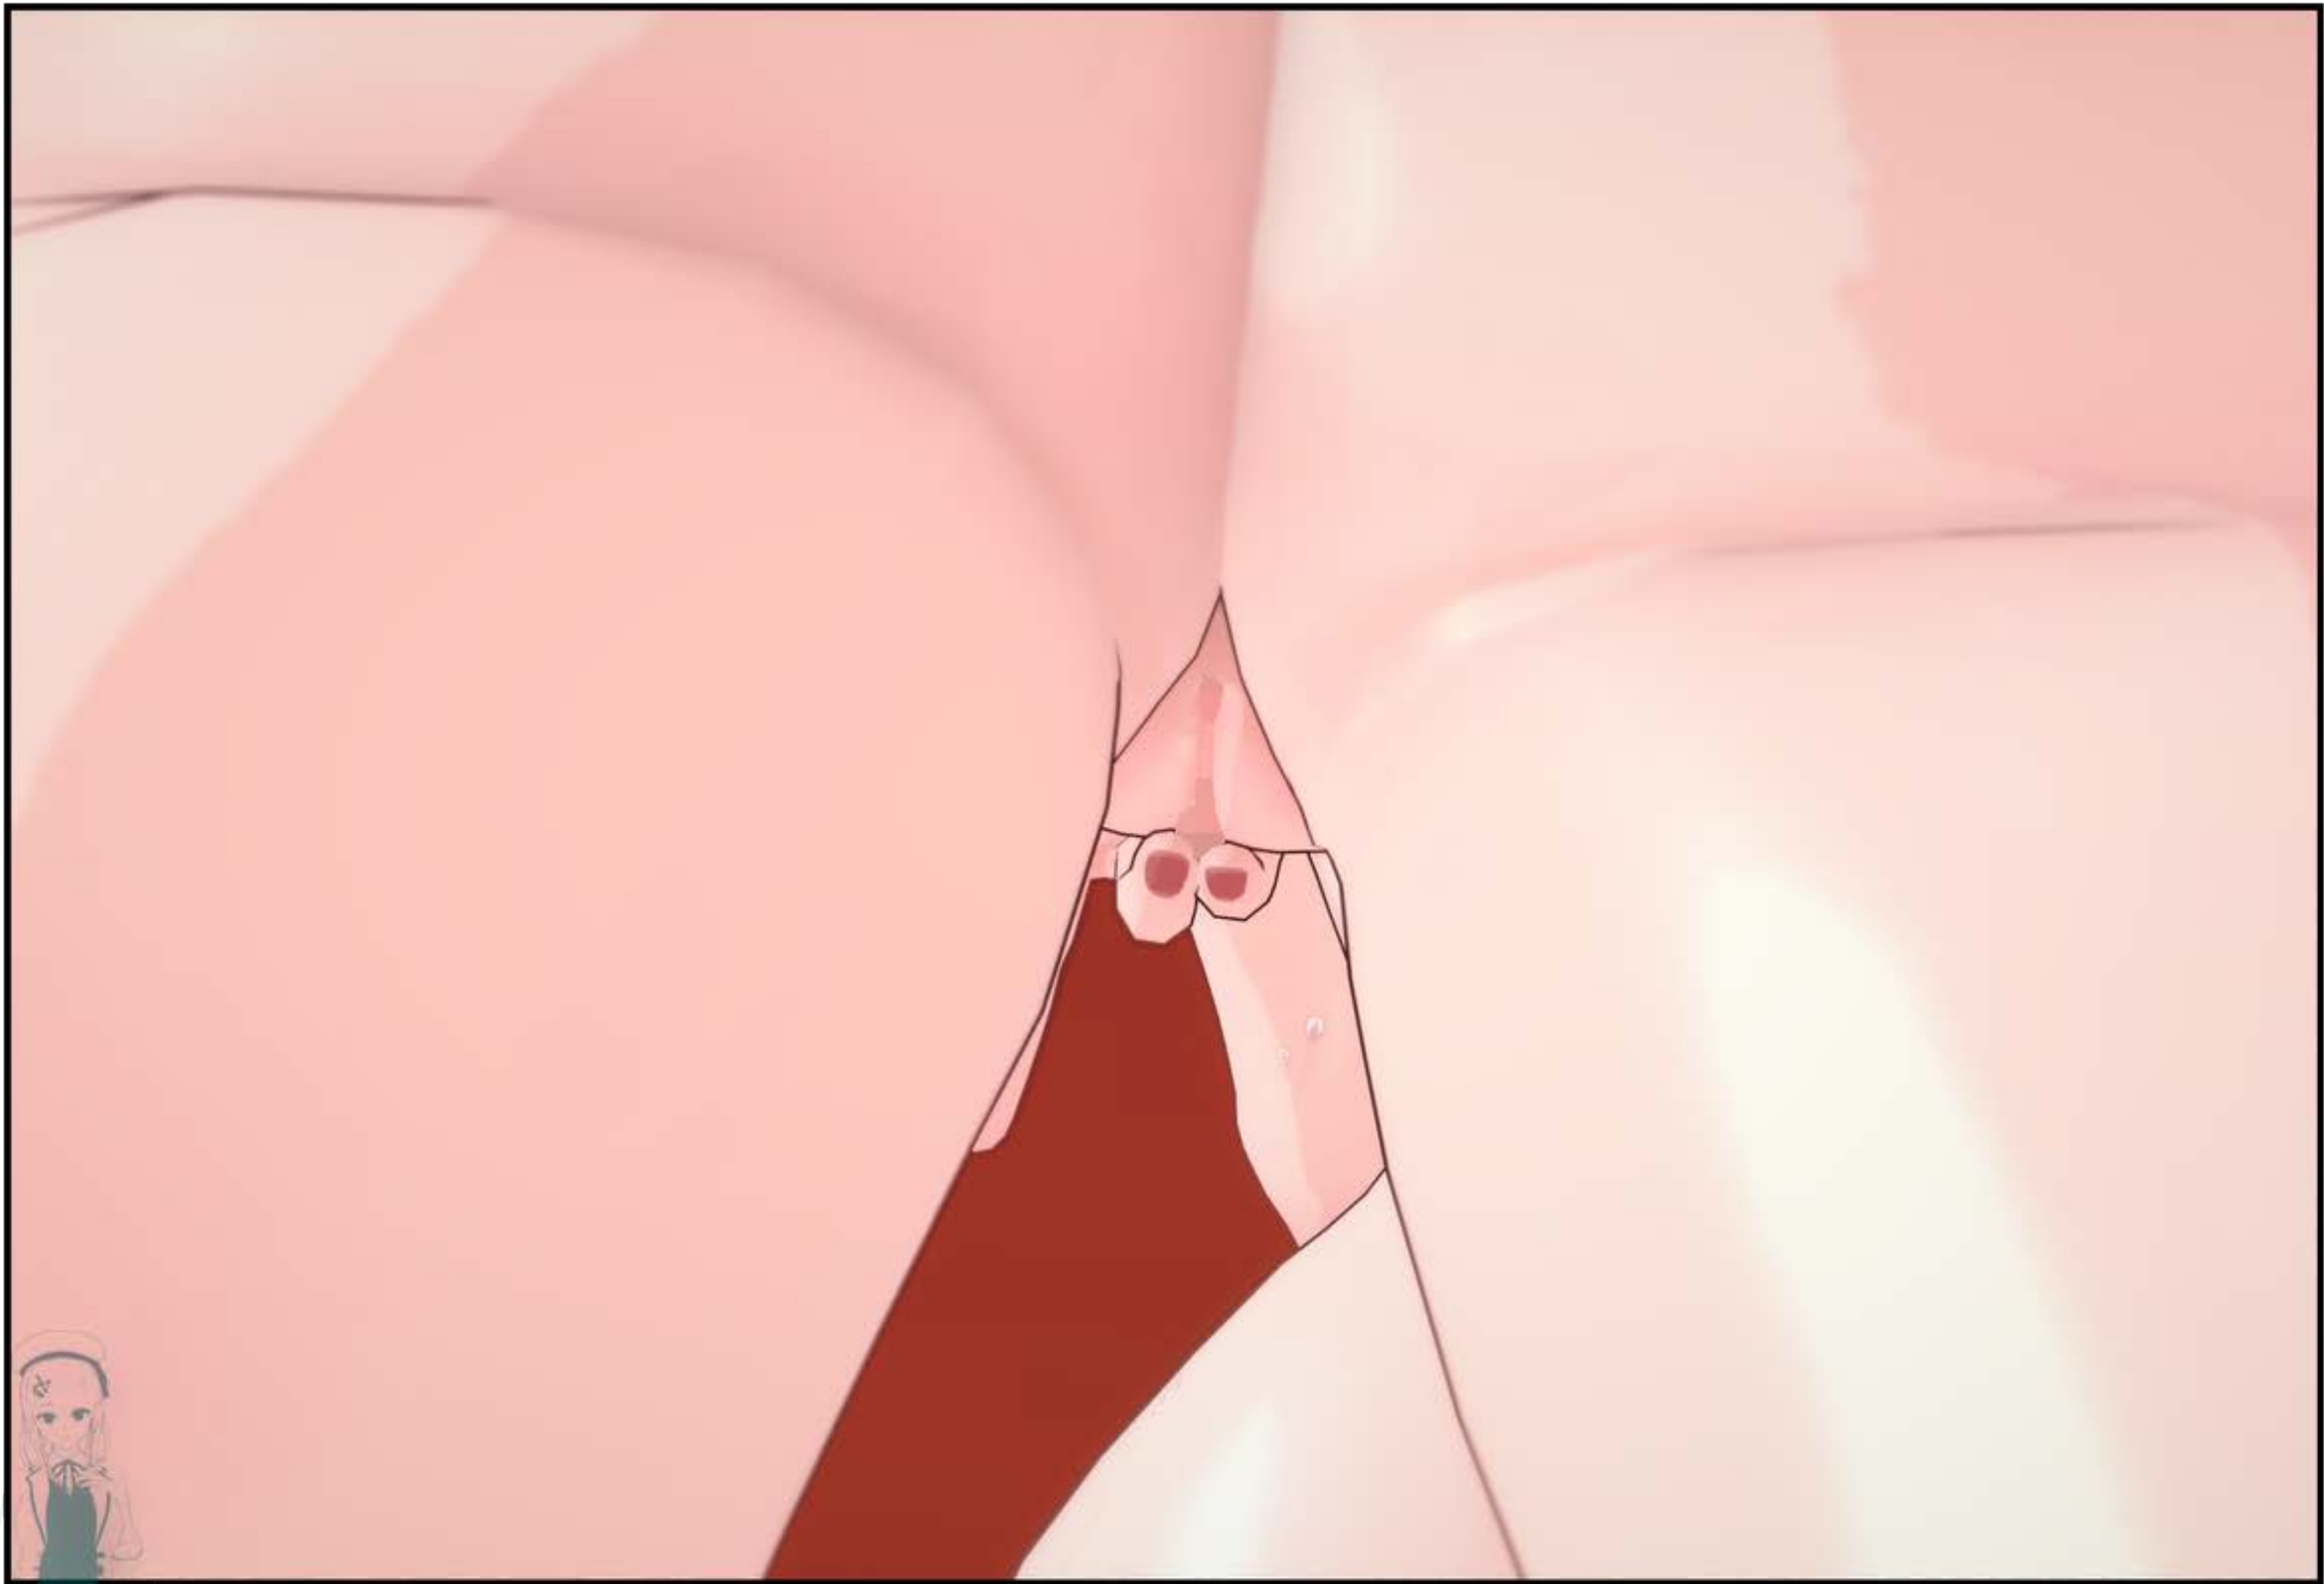

Ah... Keep rubbing it...

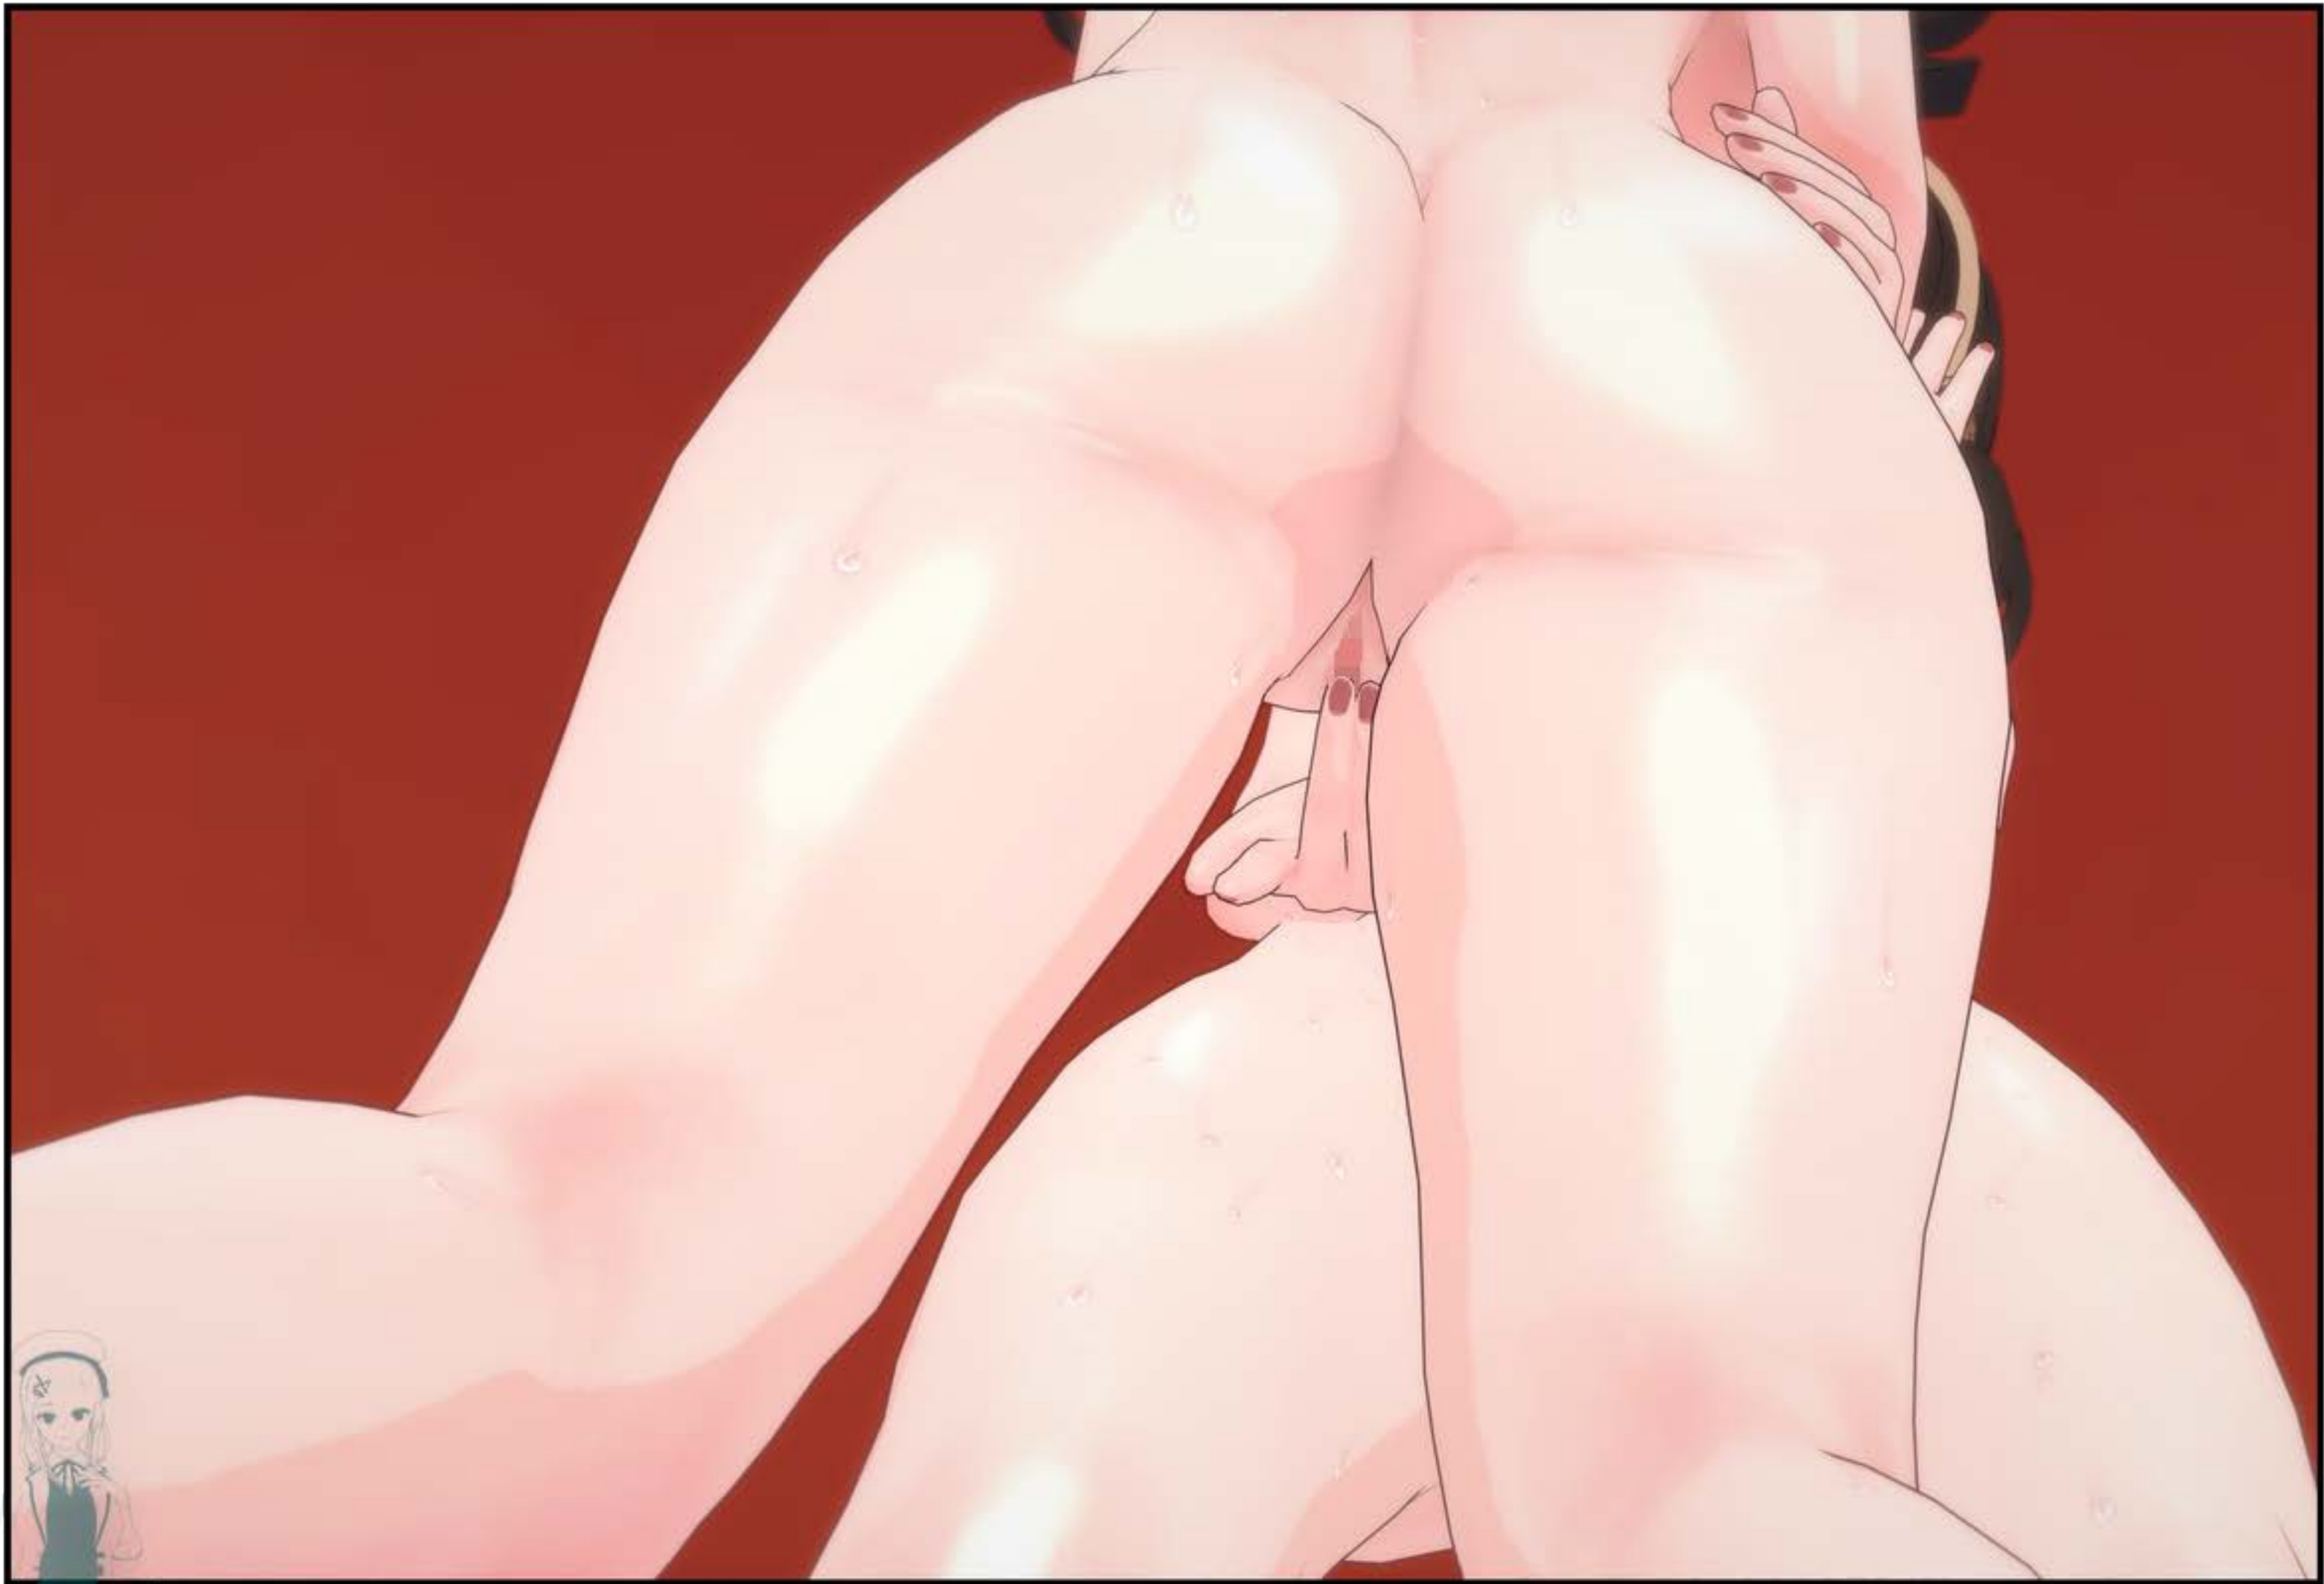

"Eh... What am I doing...? I can't... control myself."

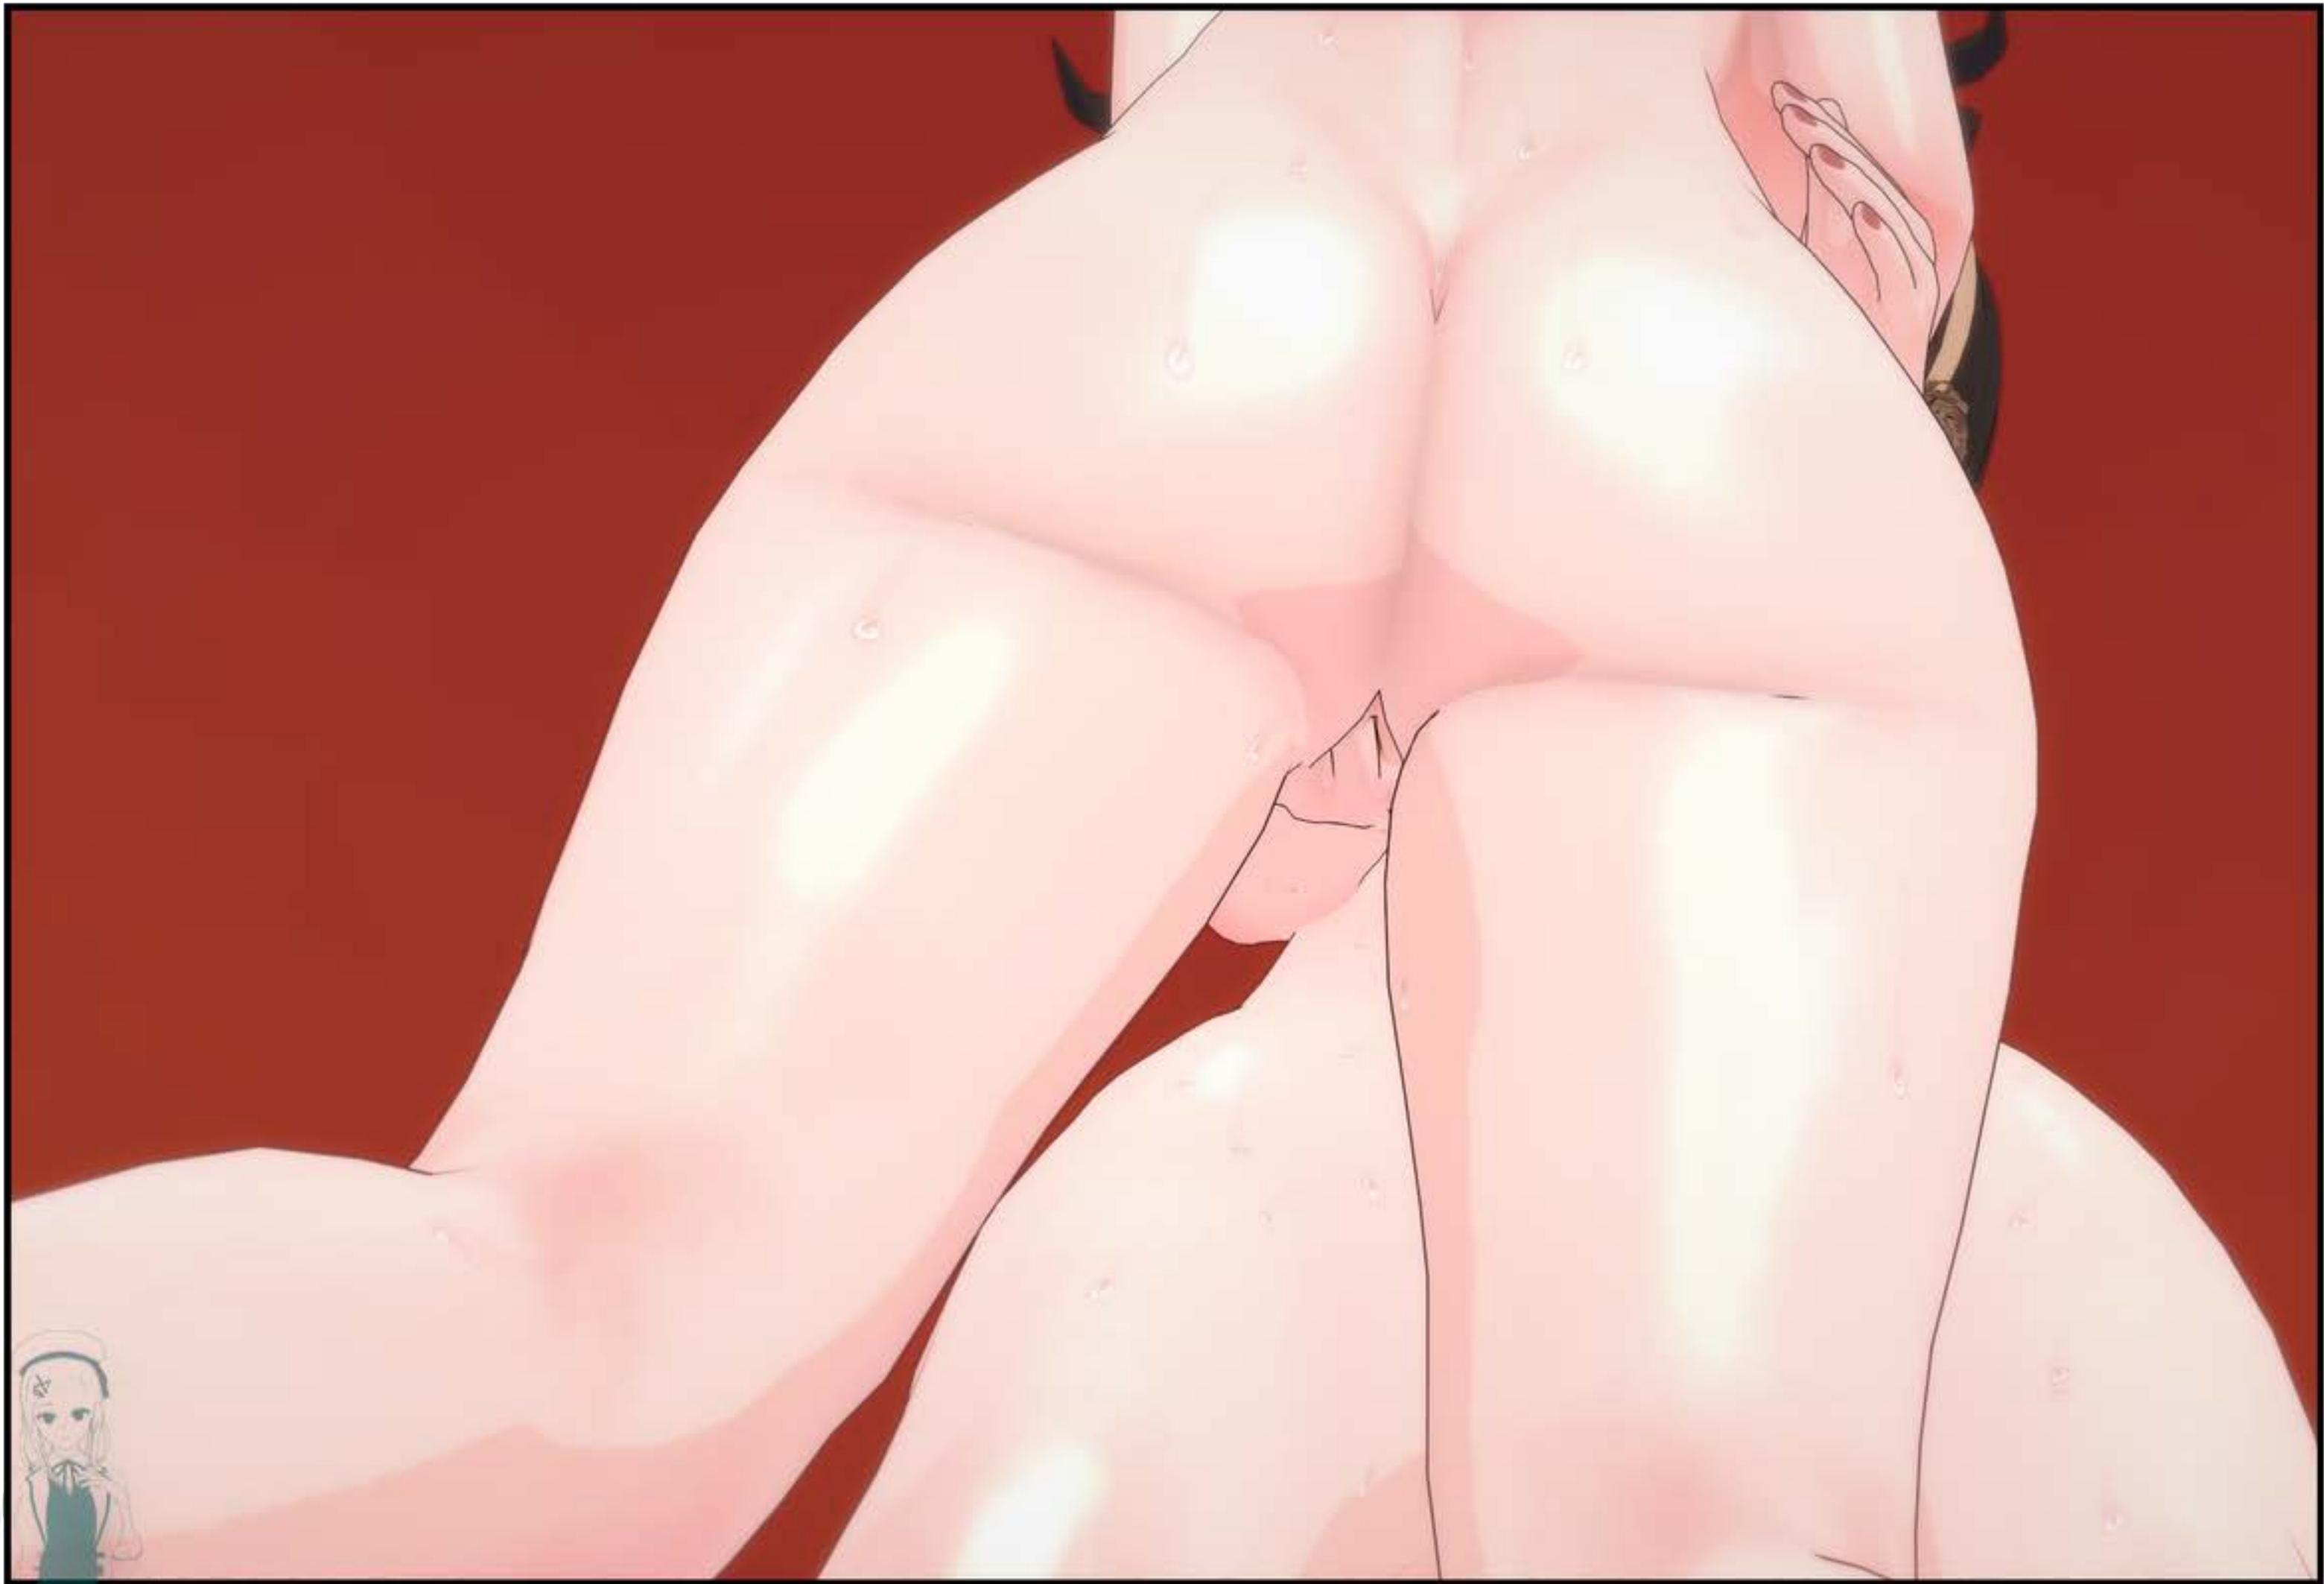

Yessss... Faster
and deeper!!!

"Hmph... Just in case, I need to access her memories."

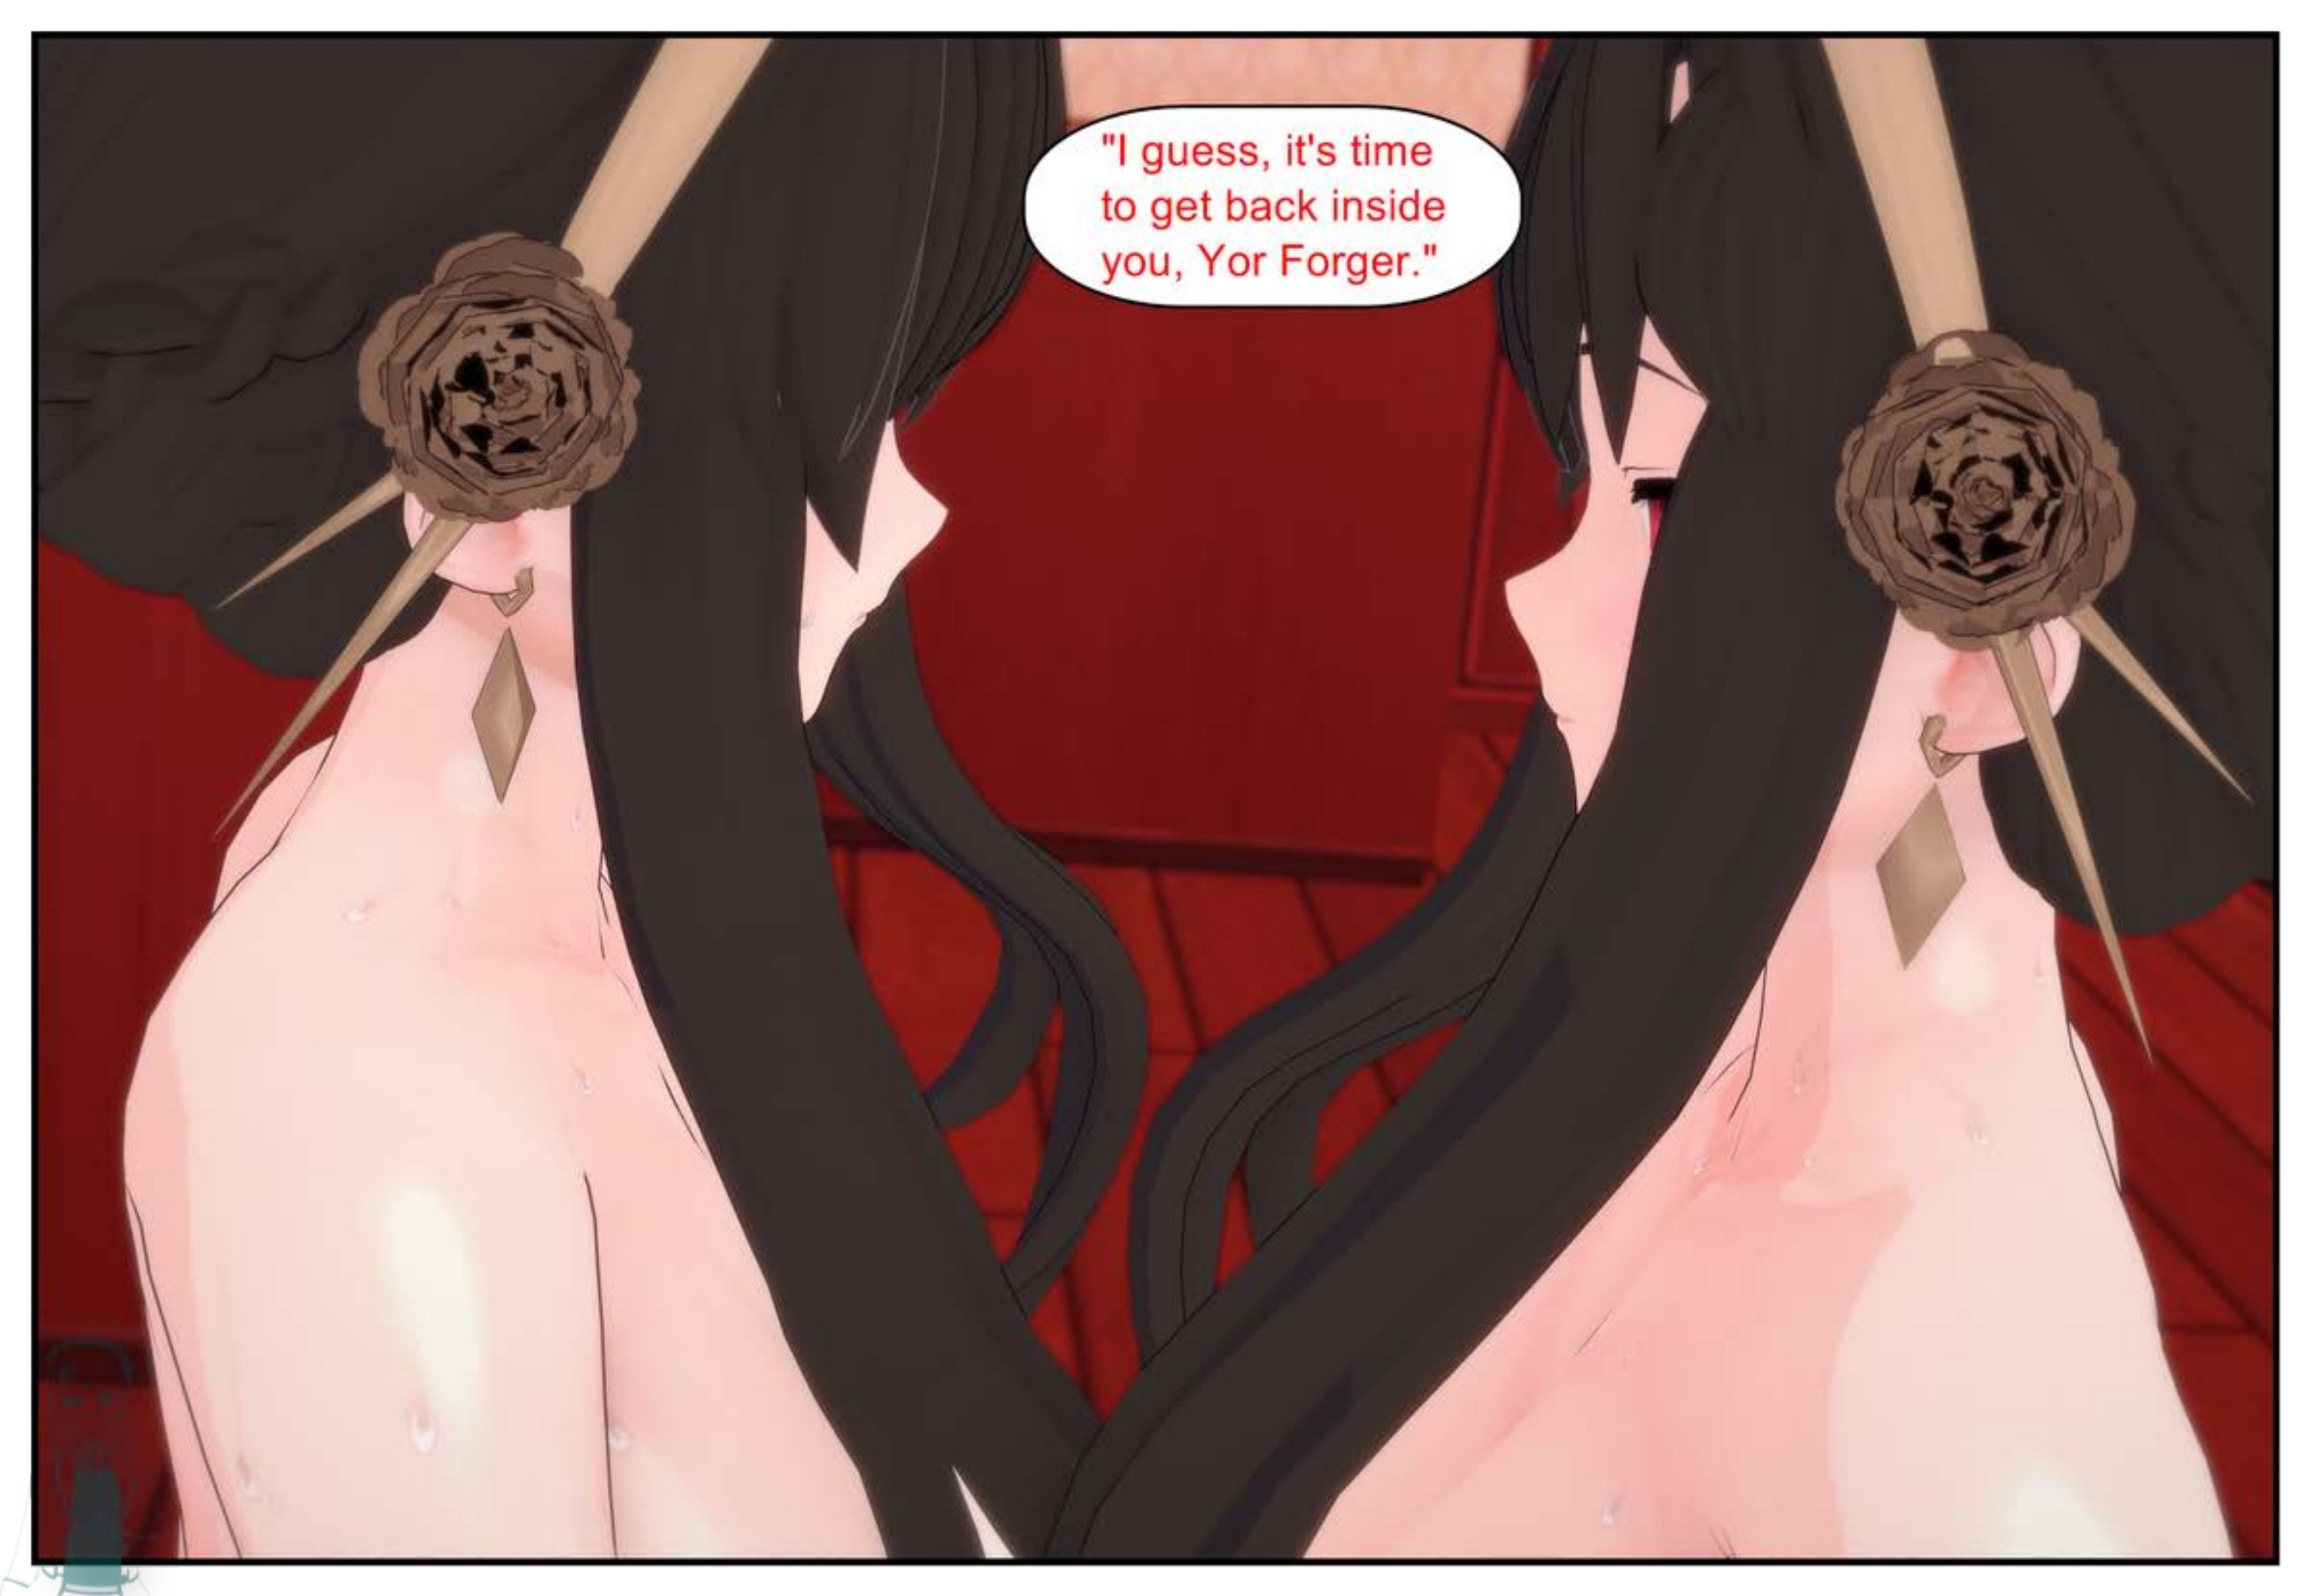

I'm home, Yor,
Anya.

"Sound like... a
man in the house."

"I guess, it's time to get back inside you, Yor Forger."

Gulp...

"I should come out and welcome him first."

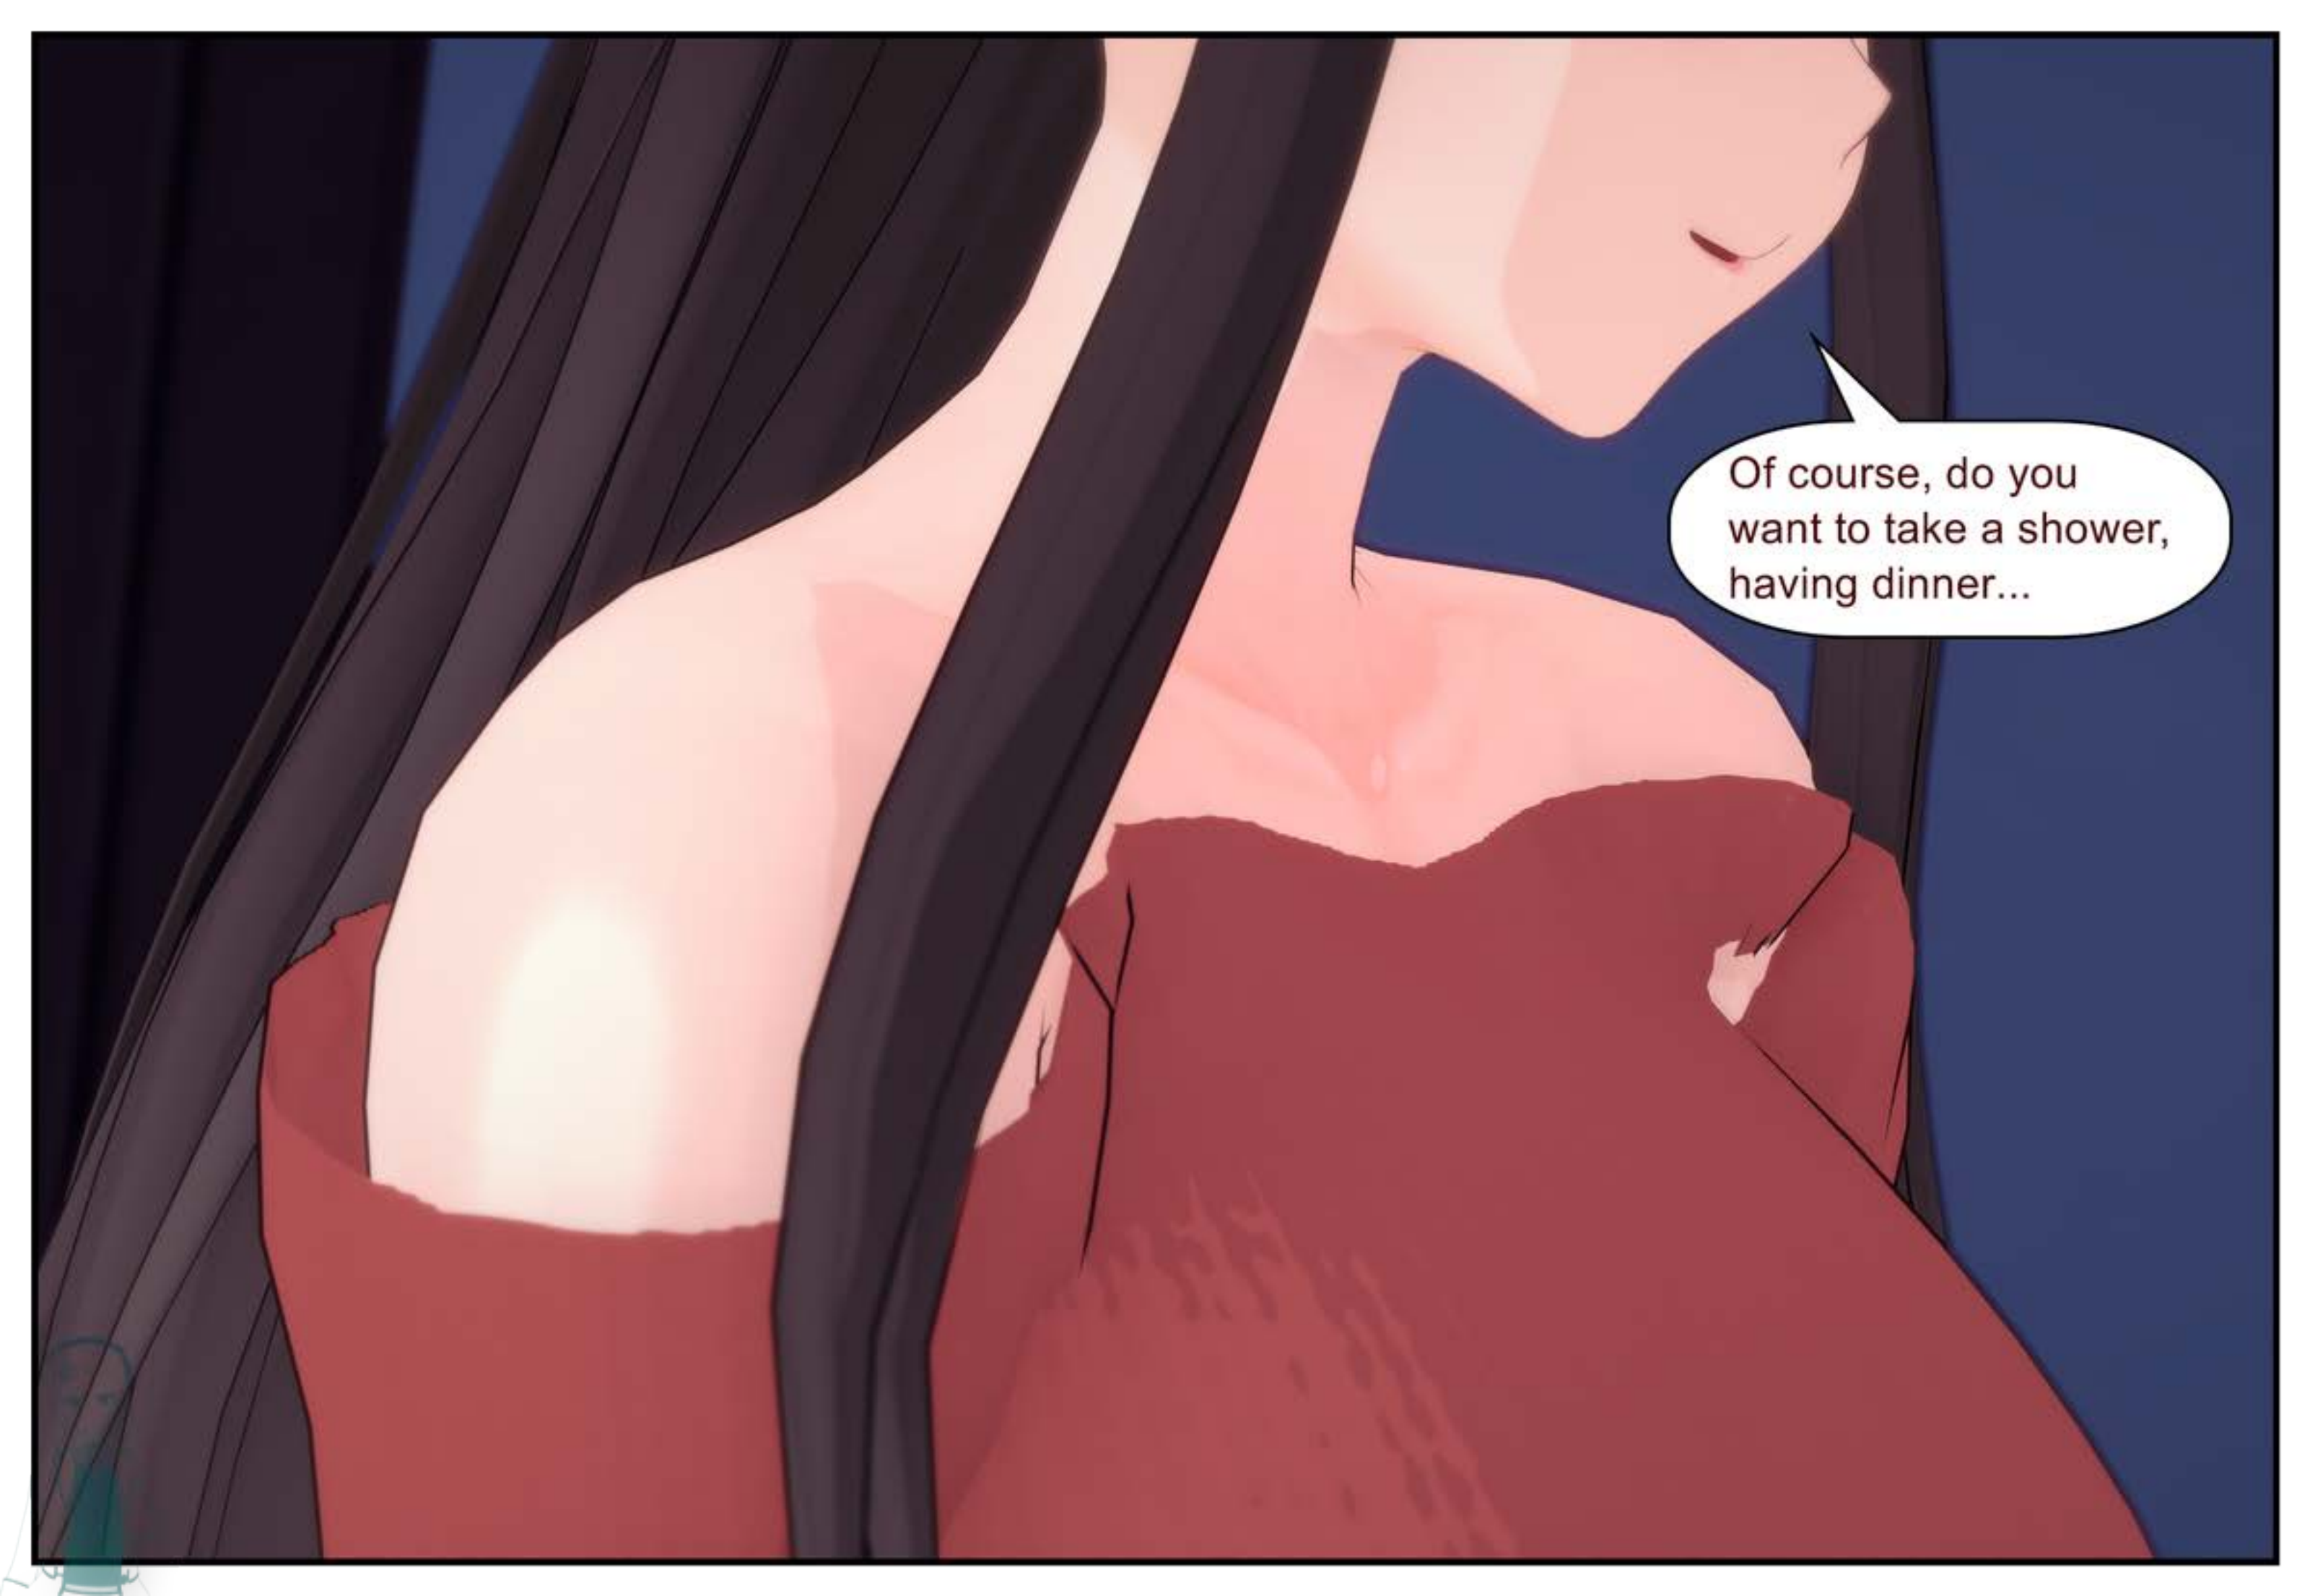

"Hm... No answer,
they must have
gone to bed."

"Welcome home, Loid."

How's work today?

I'm fine... Yor,
you still awake?

Of course, do you
want to take a shower,
having dinner...

...or do you want
to "eat" me first?

To be continued?
