

A series of body-hopping attacks have led us to this moment. They began with Amy, who lies now with her belly bloated with demonic seed, and then moved on to Jen, who lustfully desired the corruptive power that has been squeezed inside of her body.

Now, under the influences of her dark mistress, Jen has found a new victim and brought her into the lair of...

Succubus Naamah Part 4

W-what the **fuck**?
What happened to *her*?

Hehe! Oh, don't worry...
you'll find out very soon.

Right **NOW** in fact!

Ow! **HEY!**

"Hey"? I don't think you understand your situation, if "hey" is the best you can do.

FZAP

AAAUGHHH!

I-I can't move!
What did you do-AH!

Stop!

Sorry, but this
is in the way.

In the way?
Oh, god! **HELP!**

Don't be so loud. No one
is going to hear you, anyway!

You're the *fourth* one I've brought
here. The three who came before are all
outside, *right now*, standing guard.

No one is going to come *help*.

NO!

Ah?

SHLORA

WELL prepared for you!

Yes, I can
see that. I appreciate
your **work**.

This can't be real.
T-this...this isn't happening!

Now, for the final step to go smoothly I'll be needing... THIS!

W-what?

AAAAUUGH!

NO! NO! NOOO, PLEASE!

Mn, fuck, I love this part...

With your soul inside me, your body will truly be mine... now COME!

Nnn... NGngh...

Ugh, oh, yes! Suck her in so deep that she can't ever get back out!

MNN...so *filling*!

N-n... noo... I'm... ooOOOhhh...

NGH! NnnMNHG!

Now, there shouldn't be any resistance left.

MOOORE!

YES!
FU-FUCK YEAH!
All the way *IN*!

OOOOOOHH!
UGH! Ohhh...

Oooh..this body is excellent. Her taste in clothing was also perfect for me.

Hehe. I knew I'd picked a winner. She's got the biggest tits around, too!

Yes...very much so. I will *thoroughly* enjoy this body.

And I've got a body of my *own* to start enjoying. Help me get the Broodmother up, won't you?

Of course. We *need* her, after all. With her, we can birth even more of us into this world!

Hmph.
Still dazed.
How weak.

OoohgGhhh...

That'll just make
this even easier.

Amy, sweetie?
Come on... stand up
for me.

J...Jen?

Mn...

Yeah, it's me... Jen.
Your workbuddy!

Work...
wait! But you
were taken -

AH!
What are

WAK

SHLIK

Shut up!

AH! S-stop!

Just sit still, and
let me *IN!*

...this should
be fun.

OOGH! This feels... goooood!

AGH!

Yes... press in. *Fill* her! Then you will fully be one of us!

UGH! YES! YEEEAH! I can feel her **STRETCHING!**

MN!

OOOOOHG-GH-AAAH!

YES! Ooohh, at last!

AAAAUUGHH-GHHAH!

So, how does it feel?
Cumming for the first time in this
body was incredible, but *your* high
must be even greater.

It's fantastic! I
felt myself stretch
her around me...
make her body
PART of mine.

I'm **NEVER**
giving this up...
Amy is
MINE now,
and forever!

Good, pet...
good. Let me give you a
little **EXTRA** reward, for
doing so well!

Huh?

Hehehe! Your
prize, Jen...for fully
corrupting yourself
so marvelously.

Mnn...I love them. I'm
so *huge* now...even Gady isn't
even close. Hehe!

OOooH!

WTF!

Wow

Come on, let's get to work.
I need to put this new Broodmother body of mine to the test,
and **YOU** have a soul to finish corrupting.

Yes! More of our
sisters must come to
this world.

More, and more,
until we've stuffed
one inside of every
woman we can find!

Hehehee!
YES!

Hehehee!

And so our story ends. Amy's body was a portal; a seedbed, from which succubi can be summoned into our world over and over. Now that Namah's scheme has come to fruition and that seedbed is fully corrupted by Jen's lusty soul, they have a permanent portal into our world...and it will see much use.
