\*Sigh\*...

Yumi? What's wrong?

Me too... I didn't know  
my sister would have  
something like that orb.

I still can't believe this  
is true... Seeing you  
as a soul.

Not for long. You have to return to your body.

Glad that I have you...  
Or else, I would be a wandering ghost.

I get it... Ahaha, but  
isn't it great...

...that we can live together as one?

R-Right...

It's not going to happen.  
My life, not yours, Takami.

I think my Sister would  
have a note or something  
about this orb...

The way you talk...  
there is not any note, correct?

May I ask Yumi that...  
when I flied into your  
room, I saw you... were  
masturbating?

Wha--!?! Who was it?  
Can you tell me?

I... was in love...  
That's all...

I-It's my privacy zone.  
You don't need to know!

Should you worry more  
about yourself, Takami?

Because you are blushing  
a lot... So I wonder if that  
person was that important.

It's late now. Let's go to bed, Yumi.

Goodnight, Yumi.

You too, Takami.

The next morning...

I heard that you got  
a lot of other friends?

Not that much... It's a girl group, well, if you are socialize enough.

Oh... Is that so? Hm...

C-Can I talk to them, please?

How long were you being alone?

It would be hard. Usually,  
we don't have much interaction.

But I can show you  
a way to create a  
simple conversation  
for later use...

Yumi? Who are you  
talking to?

Ah...

Apologise... Did I startle you?

N-No... You are... the new tutor?

A temporary advice giver for students who are under pressure of entrance exam.

S-Sorry, I didn't pay much attention to your introduction before.

It's alright. I don't mind.

If you have any issue with your emotion, you can come see me at the infirmary.

She saw you was  
talking to me and...

...I guess so... I hope  
she didn't think I'm crazy.

You seem to confused about something? Do you need help?

I'm not at the moment... Thank you...

Good morning. Sorry that I was late for school.

T-Takami...?  
Isn't that?

Hm...? I haven't  
seen you around  
before...

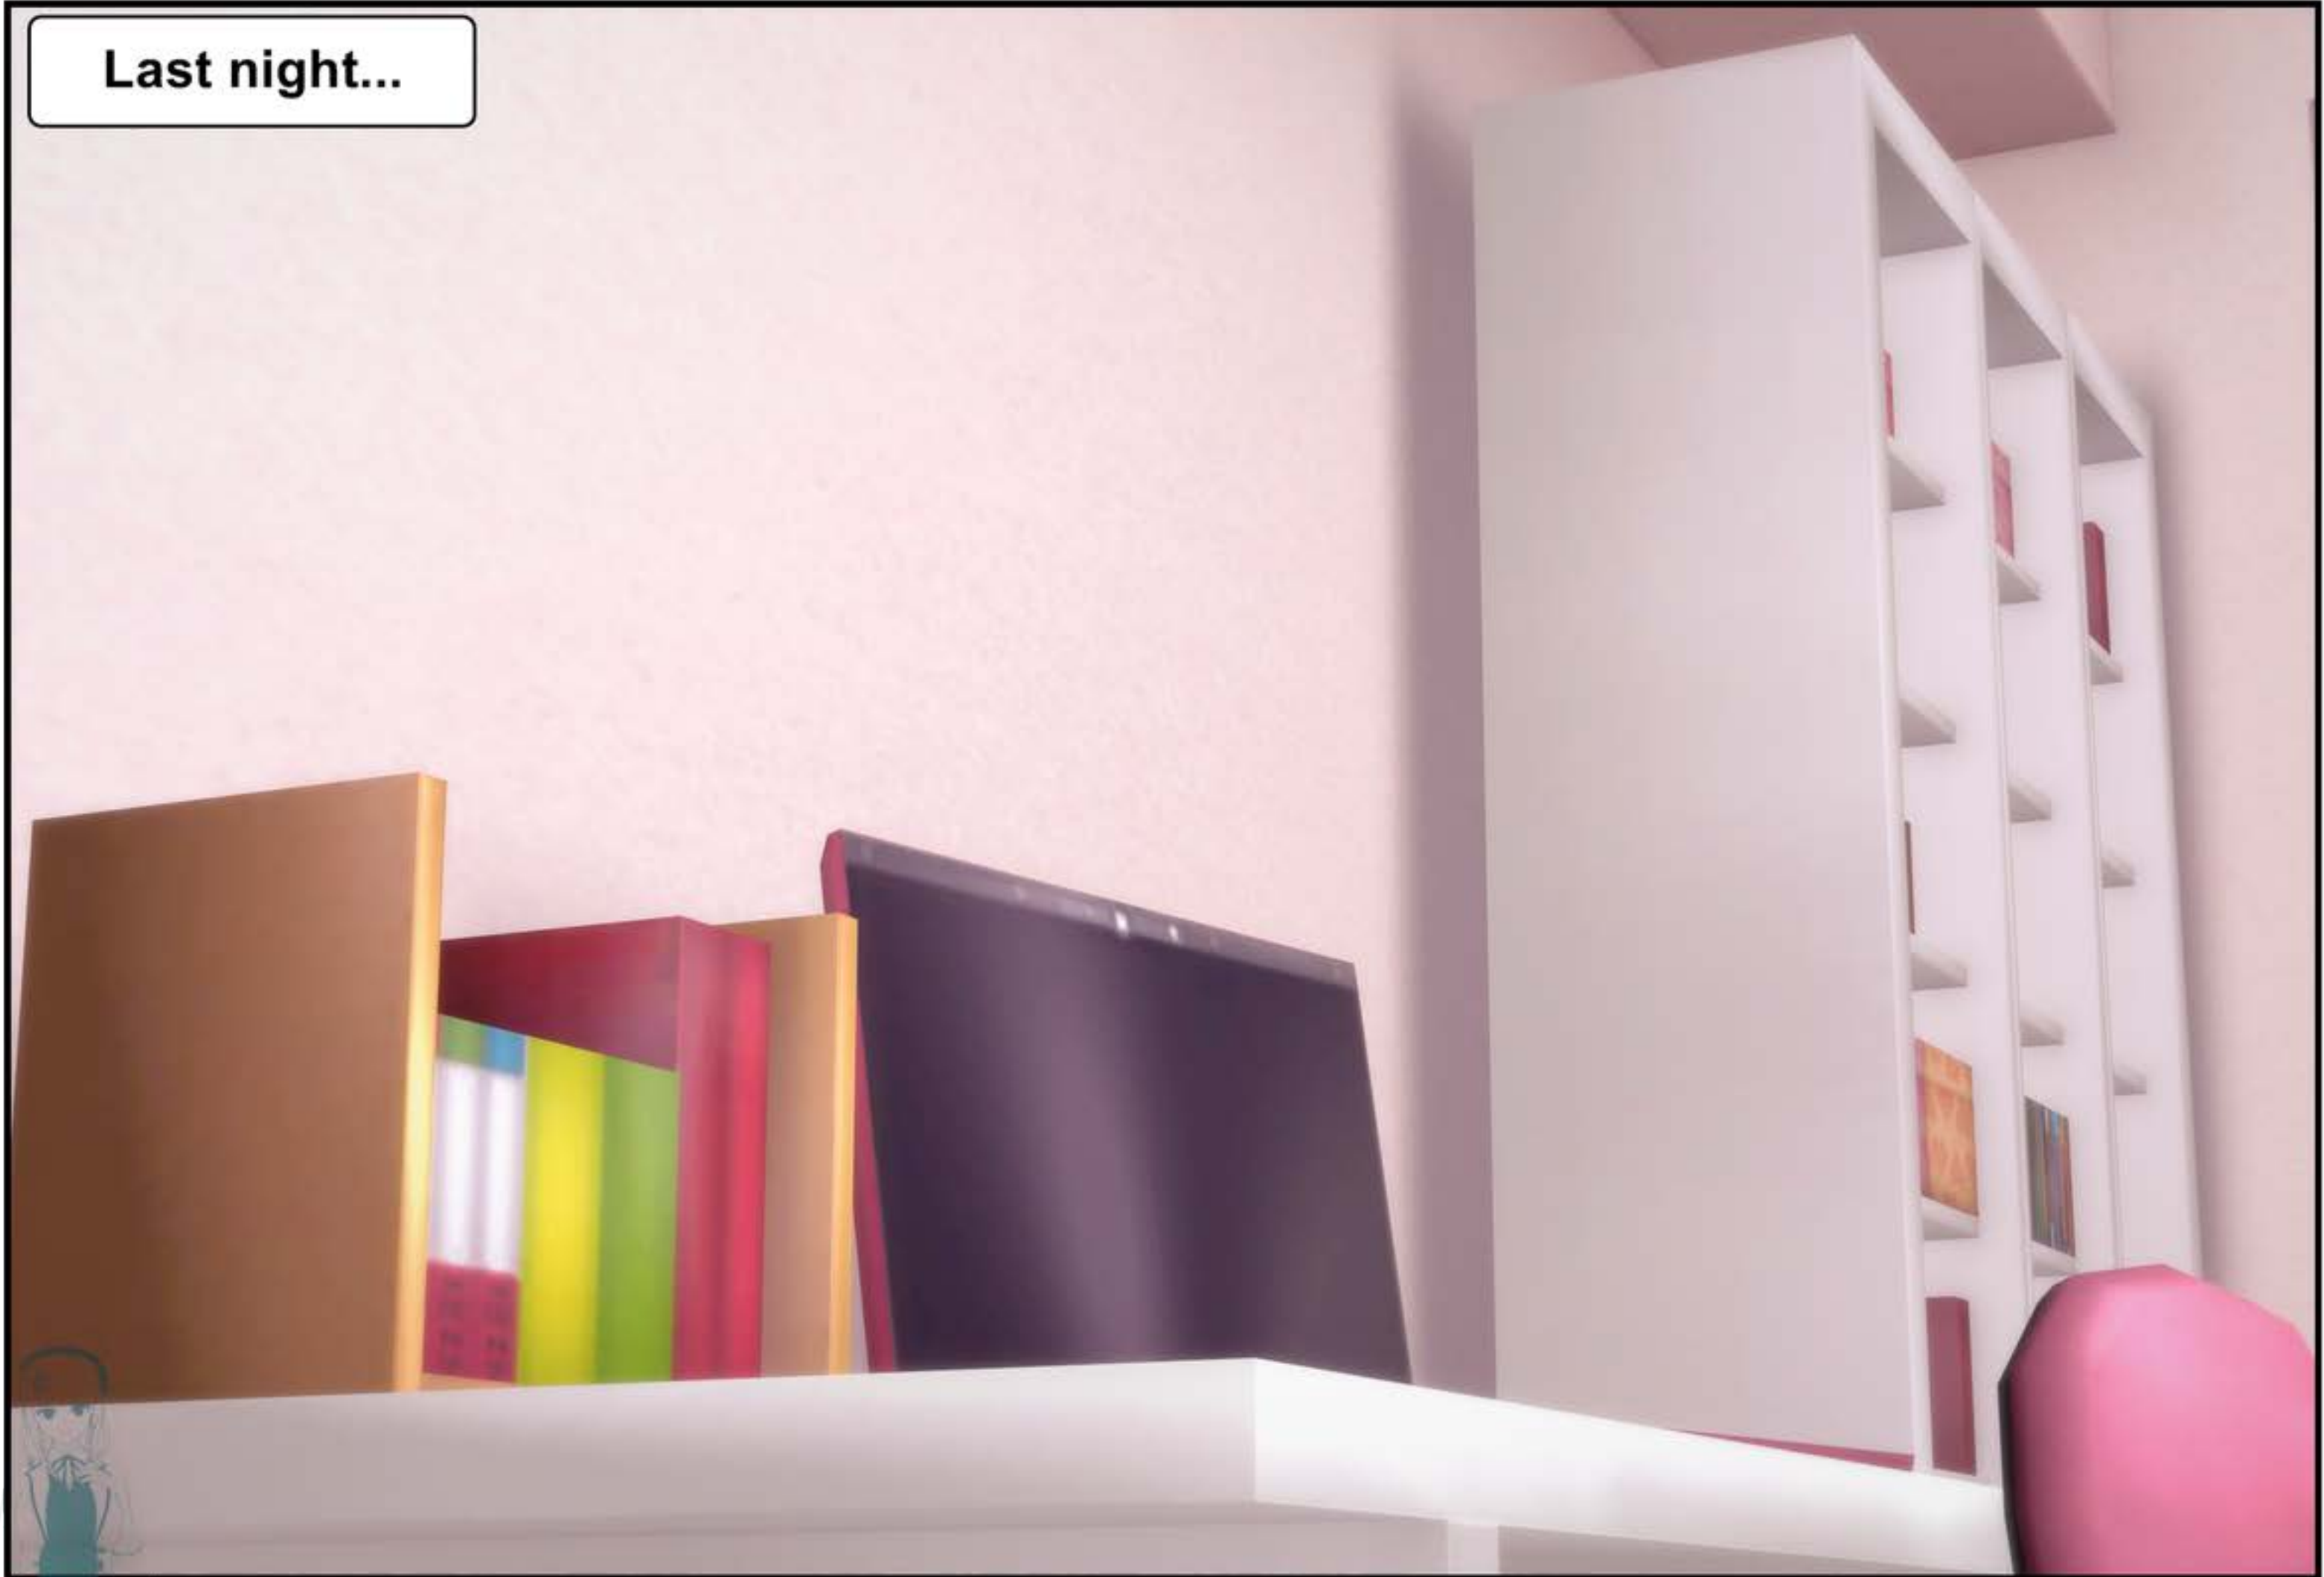

Yumi... A friend of mine, am I right?

Last night...

Takami? Takami?

I prepared dinner. You should come down before it got cold.

Ugh... Why would you sleep on the ground?

"I just hope... she didn't like her."

What is this?

W-Wha!?

my

W-What happened  
to me!? I can see my body...

Did I... got separate from myself...?

I can't re-possess  
either...

What should I do now...?

"Is this even real...?  
I possessed Takami's body."

"Ufufu... Somehow..."

"I feel a lot younger  
as her..."

Uh... Takami...?

Well, are you here for some fun?

Yoriko...?  
Is that you!?

Yes... Am I look younger?

I'm cumiinnnggg!!!

Do you want to  
become a woman?

H-How...?

You mean... this orb  
could do that? Hard  
to believe...

W-Wha---!?

Once use it, you  
need to possess  
another host...

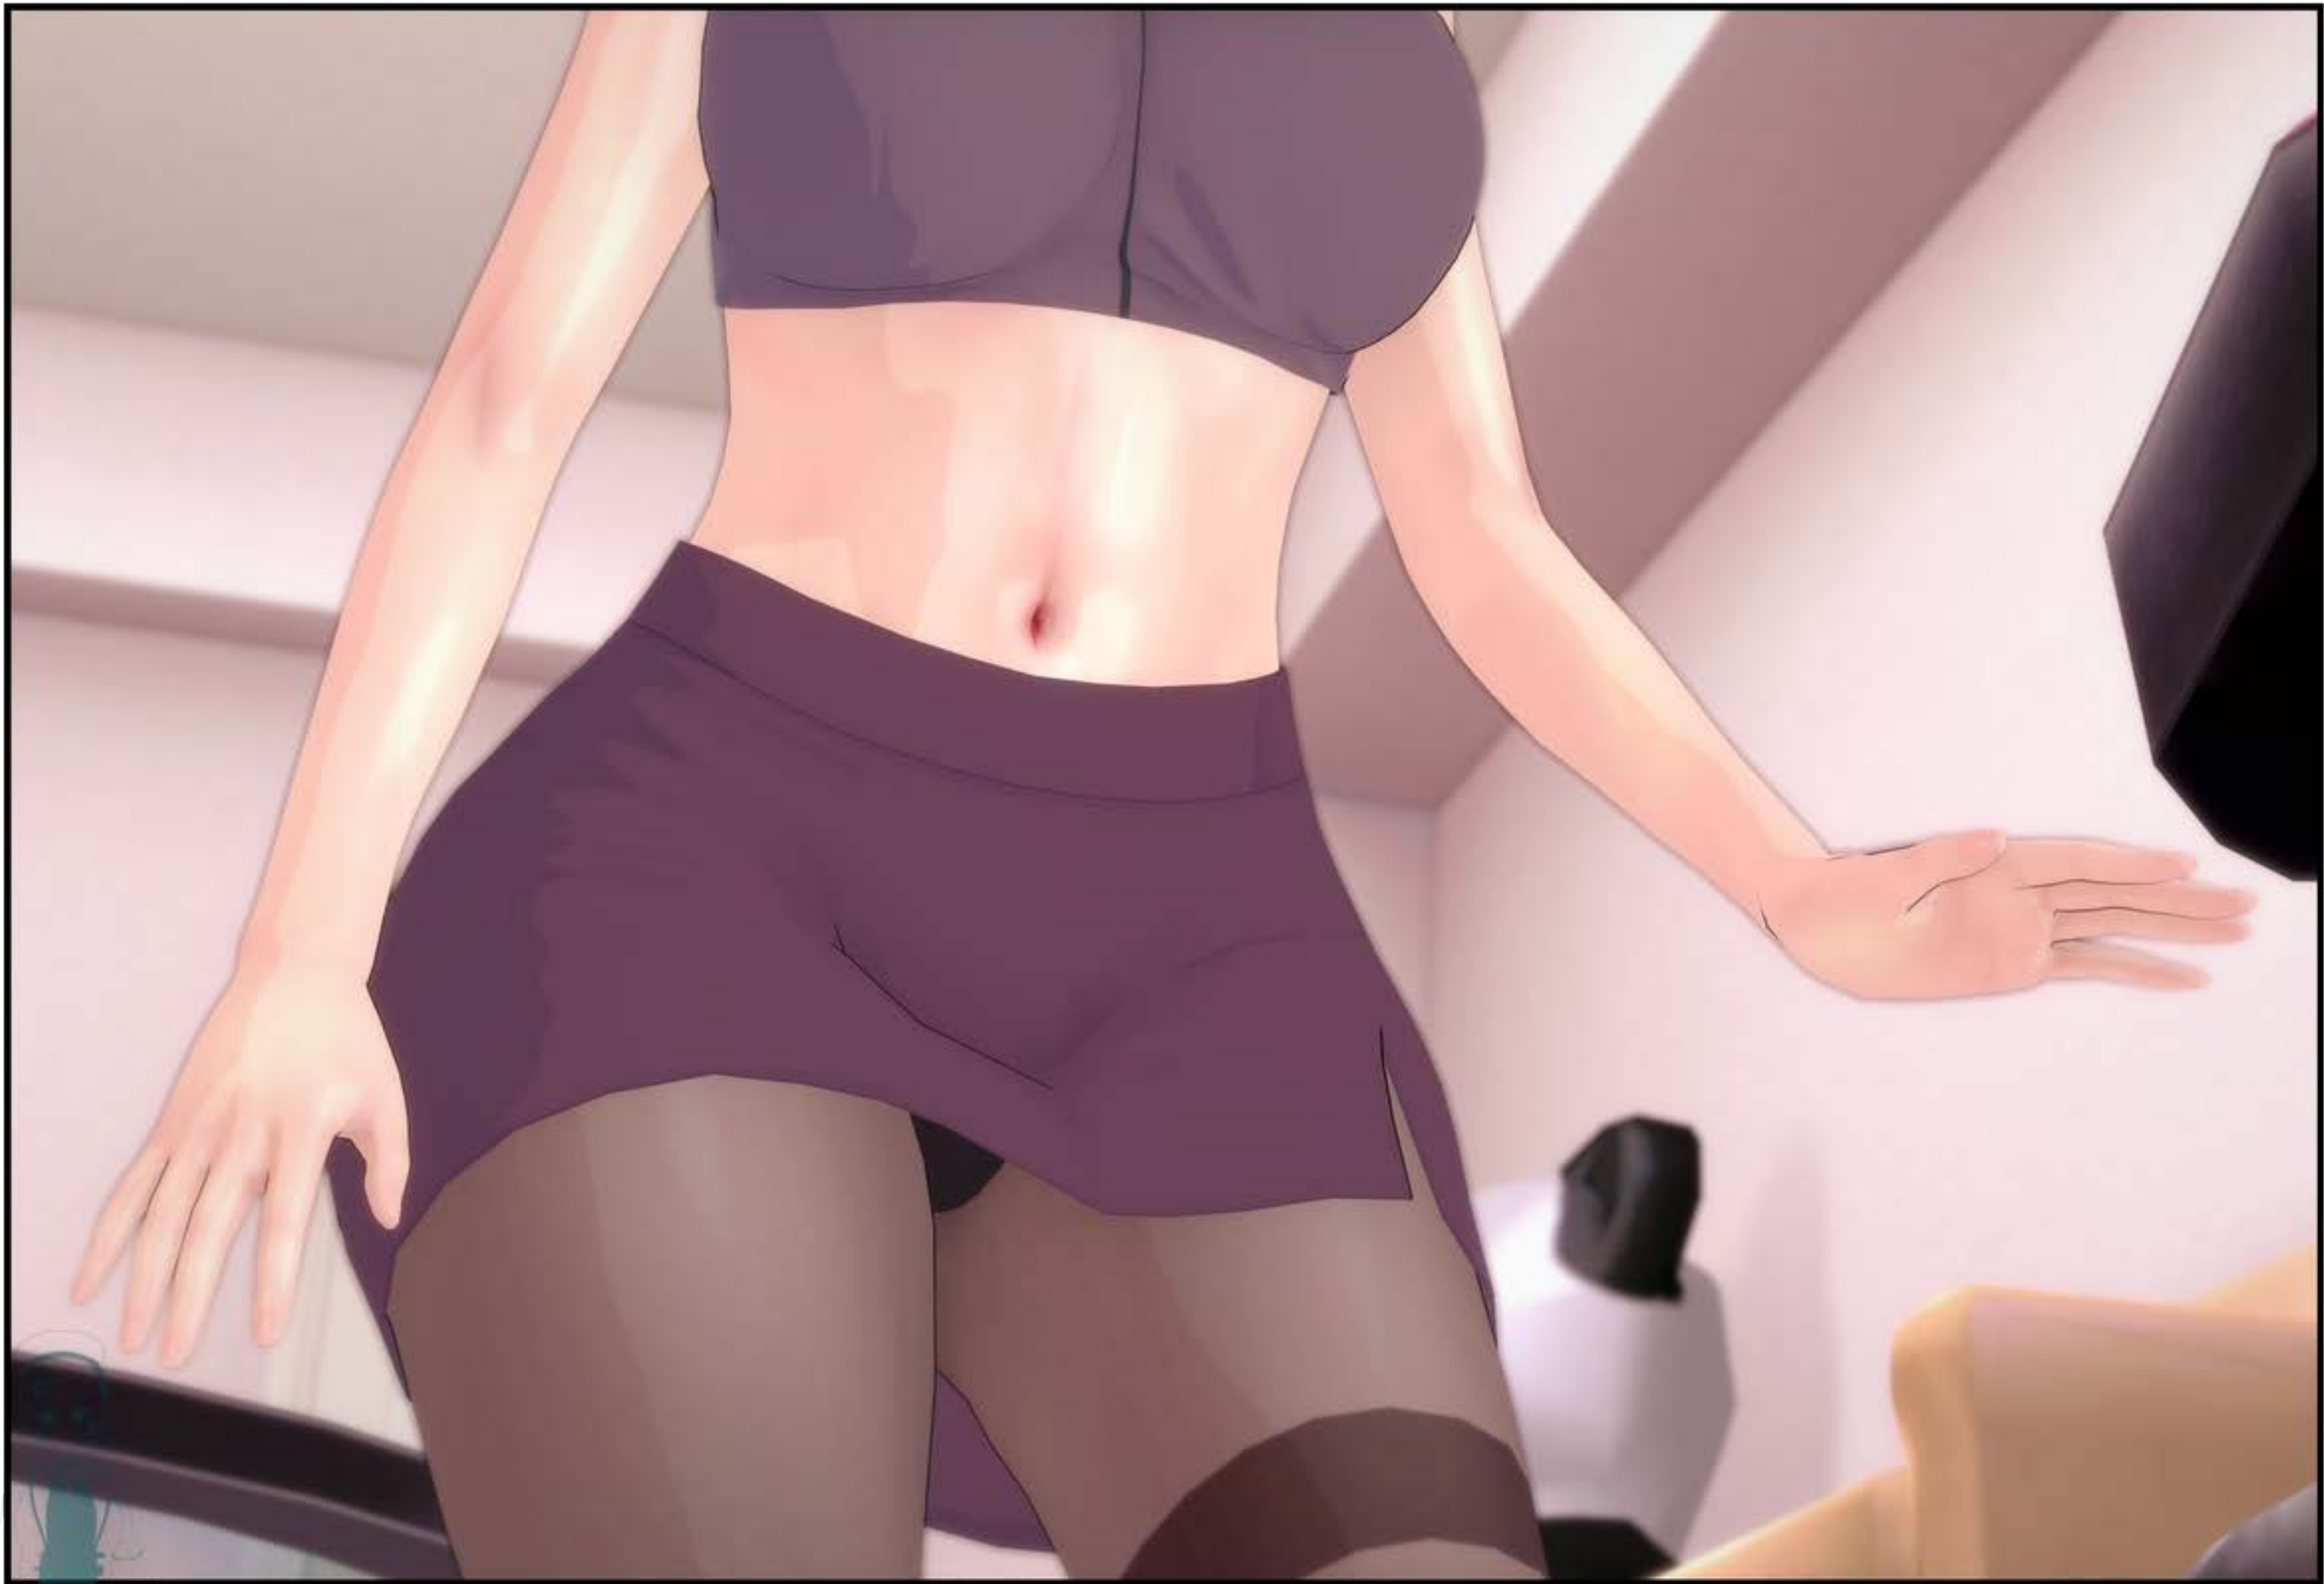

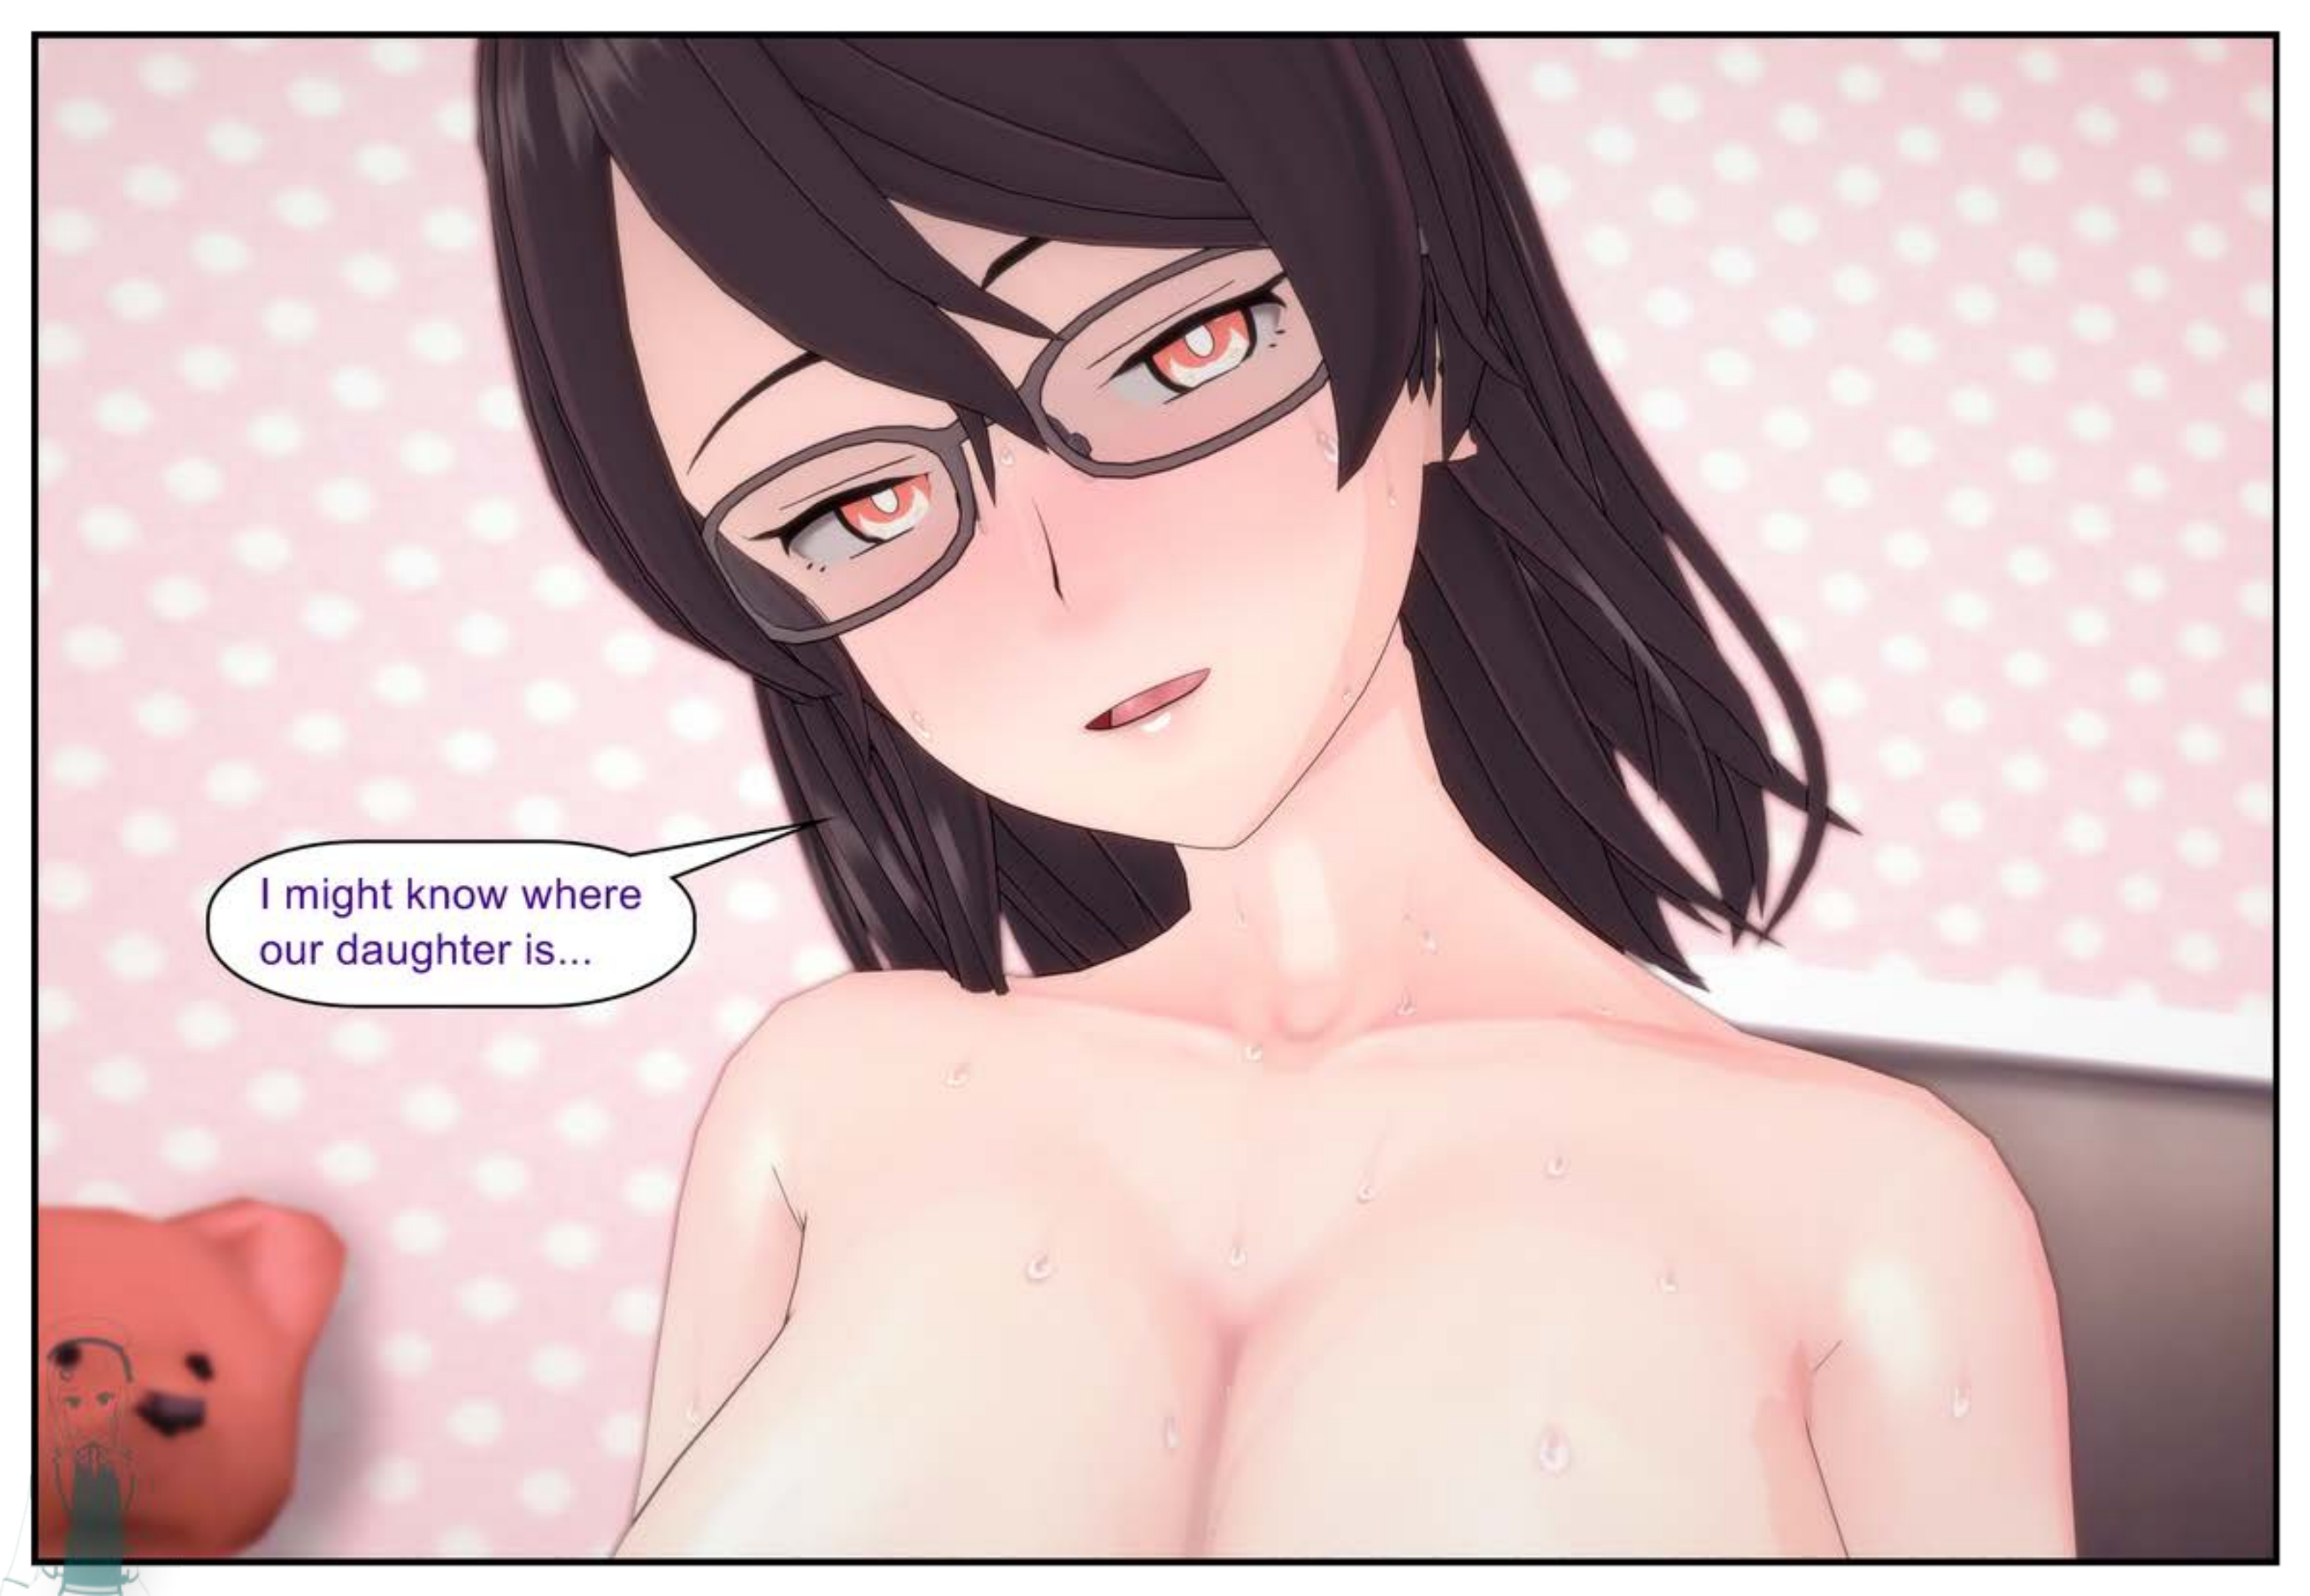

Is this... real?  
I'm in Yuriko's body...

As I wanted to become younger... maybe...

I might know where  
our daughter is...

The present...

Due to some issue,  
I come to school late...

Also, I'm in search  
for someone...

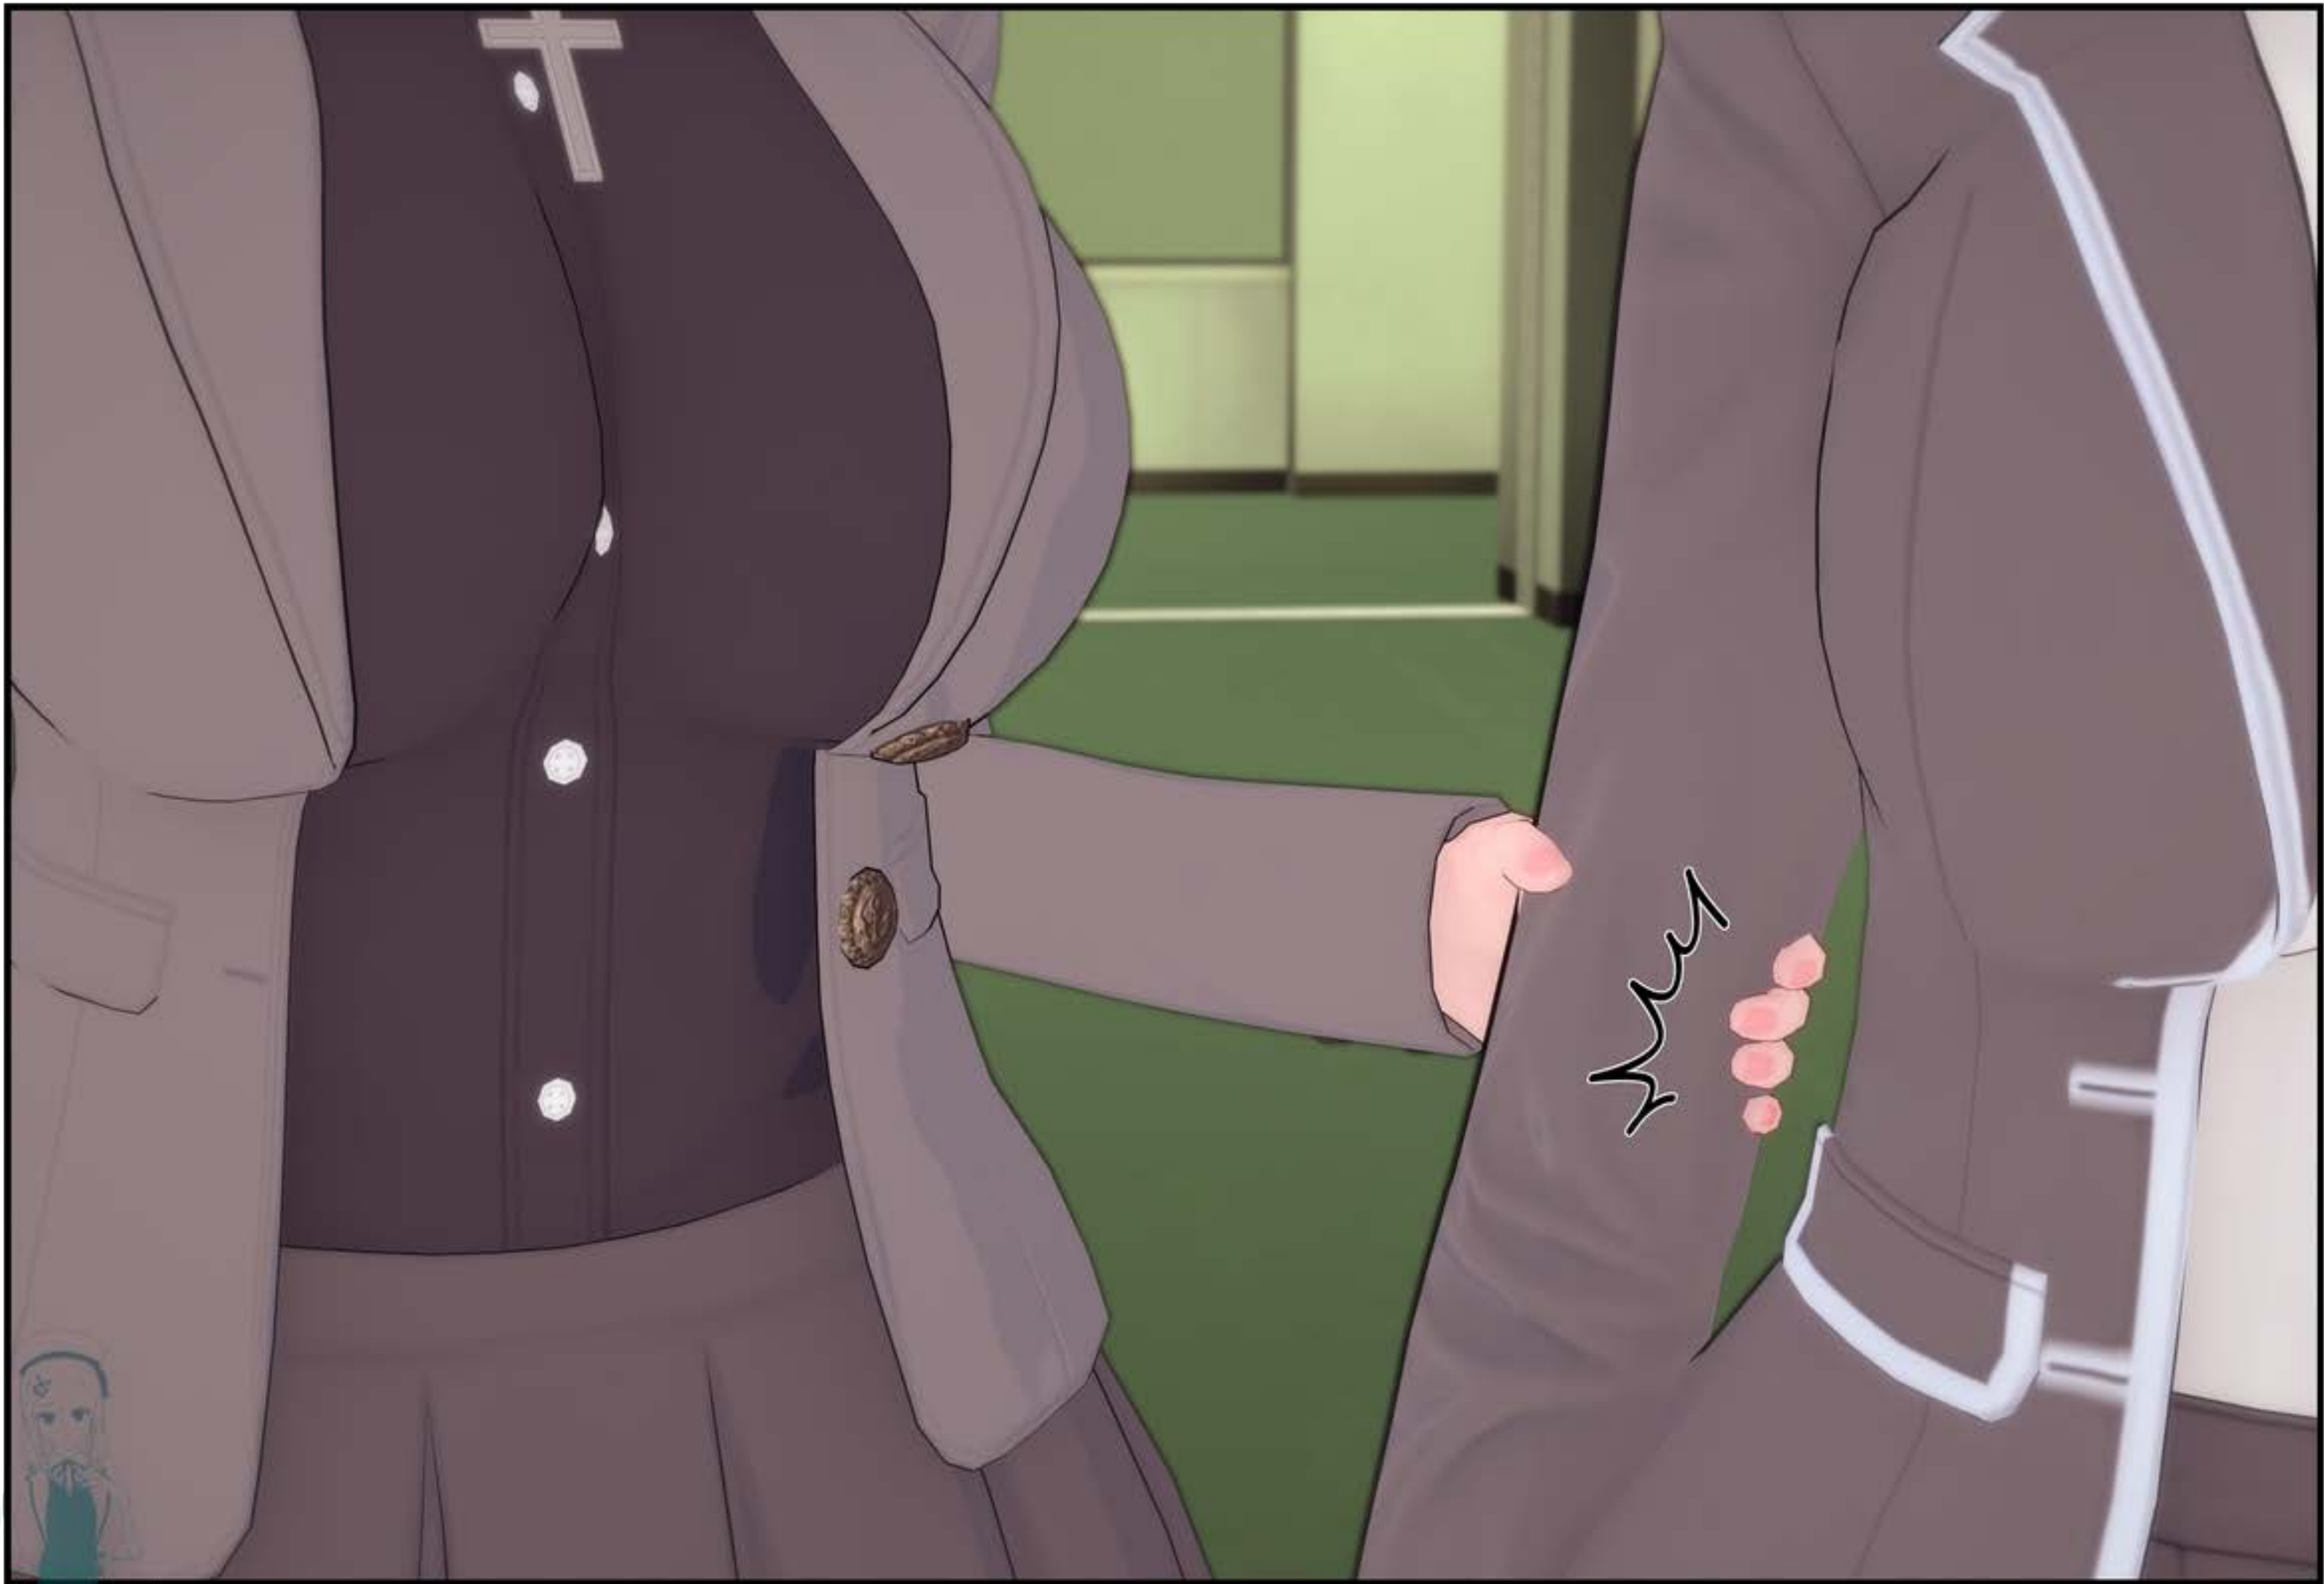

That person... is  
very important to me.

I think... You will know something, Yumi?

Come on, Yumi.  
Didn't you need me  
to give you some  
advice on your test?

Y-Yes...

And you, be sure to report to your homeroom teacher that you were late, okay?

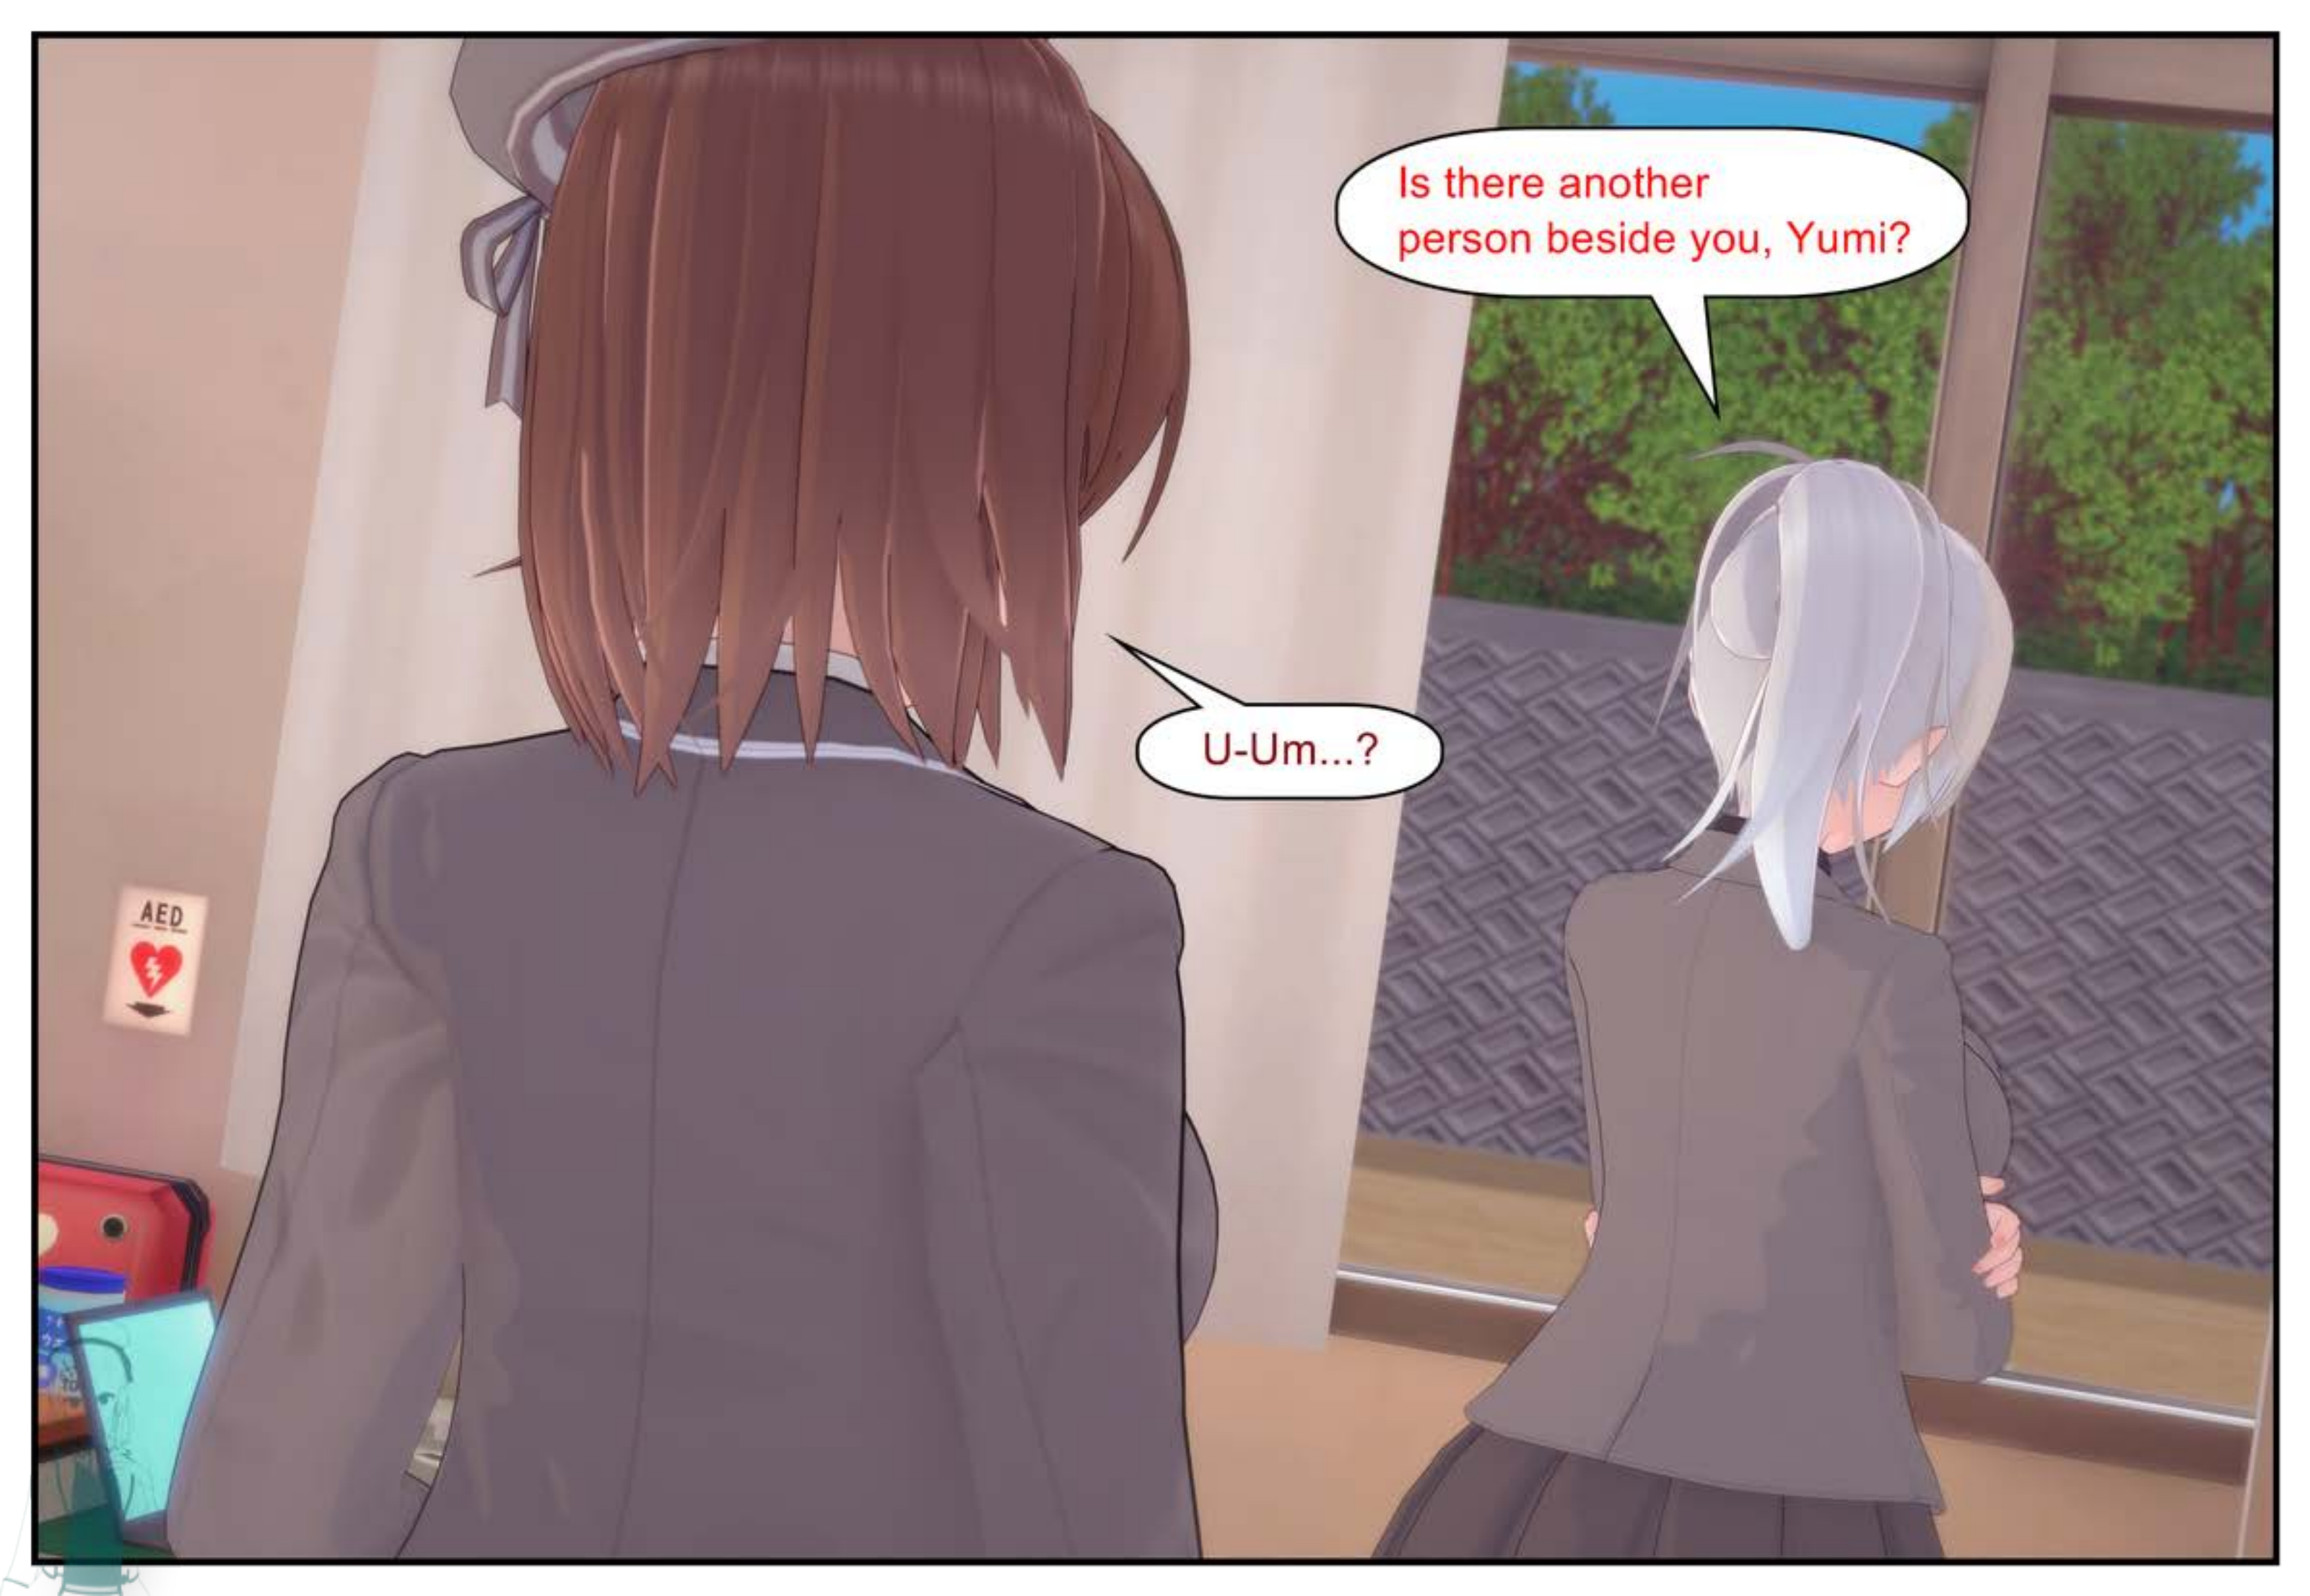

About earlier...  
thank you...

Is there another person beside you, Yumi?

U-Um...?

About that...  
It's not what you think...

So I was right... If  
you two need aid...

...I'm going to need  
you tell me everything.  
Is that good to you?
