

I must say..

I'm a little disappointed.

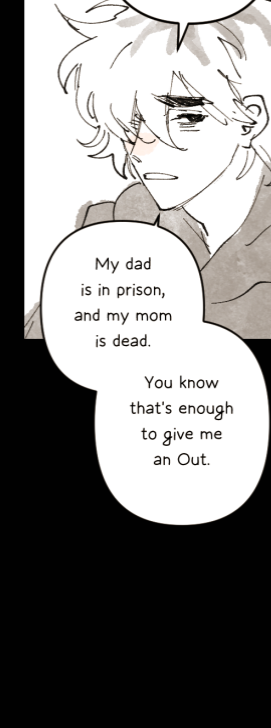

I thought we had a deal.

So what's this I hear about you coming back in handcuffs..?

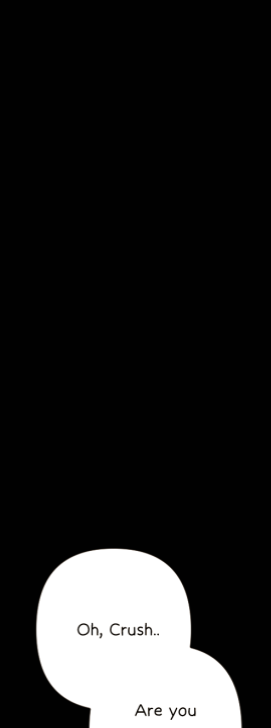

You weren't resisting.. were you?

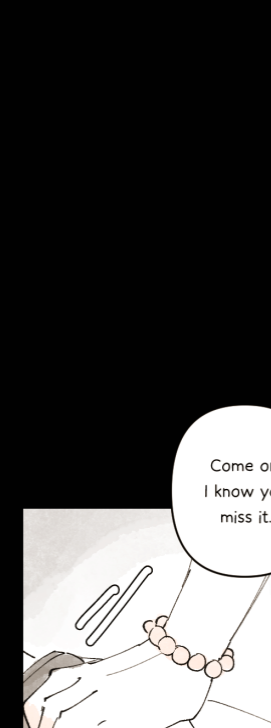

She snuck up on me.

Our little Nho..? Sneaking up on YOU?

Woh.. Either you've gotten rusty..

..Or you were really distracted, huh.

Well, does it matter? I'm here now, why the taunt?

Whaaat...? Did you really think I'd let you off the hook that easily??

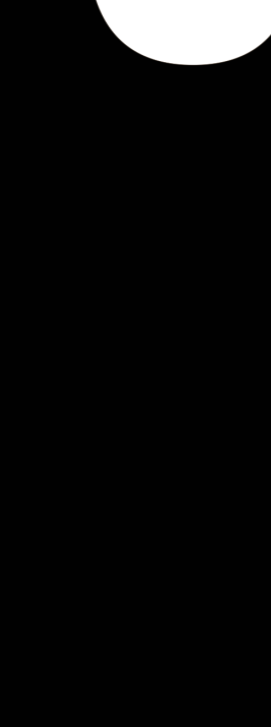

You tried to skip town on us! What if you do it again?

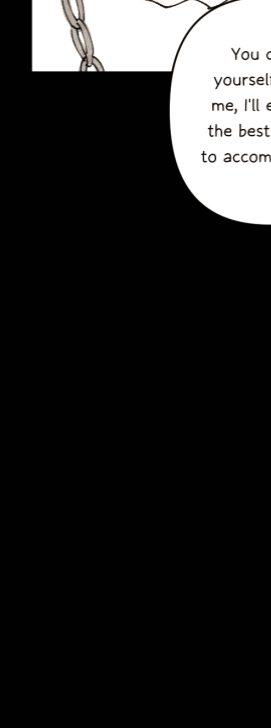

Ugh.. Why do you even want me back in the Syndicate anyways?

My dad is in prison, and my mom is dead.

You know that's enough to give me an Out.

Even if you kept me here, you can't force me to do what you want.

"Force"?

Ahaha..

Oh, Crush..

Are you really saying..

..you'd rather continue living as an upstanding citizen? You?

Come on, I know you miss it.

Your parents never let you run wild, did they?

Always with the restraints, always with the morals.

But not anymore, I'm in charge now.

You can be around me, I'll even hire the best cleaners to accompany you.

I'm sure the one year break was a nice change.

But do you really think

that society will accept you for what you are?
