

## **PAGE ONE HUNDRED AND FIFTY-THREE(one panel)**

**Panel 1:** Another full-page spread. This should be a badass shot of Lucia punching Griswold in his goddamn mug, destroying his jaw, sending metal bits flying everywhere as his head jerks back.

LUCIA: You're **my** bitch now!

## **PAGE ONE HUNDRED AND FIFTY-FOUR(four panels)**

**Panel 1:** We show Kern, Hen-Tie, and Max scrambling up the sides of the crater.

KERN: Let's get outta her way!

**Panel 2:** Lucia grabbing both Griswold's lapels, headbutts him so hard that his freaking *neck* brakes.

**Panel 3:** Camera behind him. Since his neck's broken, his head's hanging behind him, against his back, connected by a few random wires. Here's the kicker—for the first time in the entire story, he looks *scared*. Lucia's disappeared, leaving behind only action lines as she flies into the air.

GRISWOLD: **No...**

**Panel 4:** Camera still behind him. Now he's furiously gritting his teeth as charges all his lasers, pointing them upward.

GRISWOLD: Nobody beats me!

**Panel 5:** Closeup of his face, eyes wide and shocked.

GRISWOLD: What?

## **PAGE ONE HUNDRED AND FIFTY-FIVE(eight panels)**

**Panel 1/2/3:** Closeups of his cannons. Each one is plugged up with a large rock. There's a "No!" in each panel.

GRISWOLD: *No! No! No!*
