REALLY SEXY NOW.

My dear Rebecca, if you're reading this, you are Head of House, congratulations, darling. You now can use the lift to it's full ability.

It was installed in about 1980 and retrofit since then to keep up with the latest tech, most recently in the 1990s. The lift has the ability to traverse realities, or maybe alter our own. I could never really tell.

I could never have much sense of this as it seems to be based more in magic than science.

Sufficed to say you have many different doors to take...

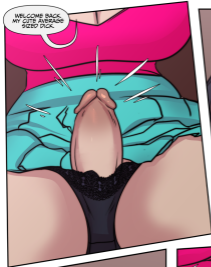

JEEZ, AUNT MATLOA WAS THIS PRINTED ON A DOT MATRIX PRINTER? YOU WERE LOADED.

Here are some of my findings...

ALSO I'VE SEEN YOU USE AN IPAD BEFORE.

WOAH, BACK TO NORMAL I GUESS, AND STILL DRESSED LIKE REBECCA.

WELL THAT'S ONE MYSTERY SOLVED.

THIS IS THE BEST THING EVER, GREAT AUNT MARLEA, THANK YOU SO MUCH.

I TOTALLY NEED TO GO BACK AND FUCK ERIC.

THIS MIGHT GET REALLY REALLY ADDICTING.

FUCK IT! LET'S GO TO ANOTHER REALITY RIGHT NOW!

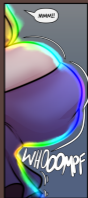

PROBABLY SHOULD CHANGE PANTS, THOUGH, I LIKE THIS OUTFIT.

LET'S TRY THIS ONE!

HAPPEN...

WHHHE!

WHOOOMPF

BECCA! ARE YOU PLAYING IN THE ELEVATOR AGAIN?

YOU'RE 18 YEARS OLD, STOP BEING SUCH A CHILD.

MOTHER, I AM THE HEAD OF THE FAMILY! GREAT AUNT NATALIA CHOSE ME.

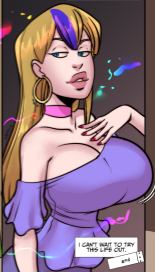

I CAN DO WHAT I WANT IN MY HOUSE...

I JUST RATHER HAVE YOU HERE!

#RMPF!

WOAH! THAT CAME OUT OF ME?! THOSE ARE MY PARENTS... JUST YOUNGER...

I GUESS I'M A SPOILED 18 YEAR OLD GIRL. HEHE.

I CAN'T WAIT TO TRY THIS LIFE OUT.

END

Bay City has a long history of Transformation through Magic, science and beyond.

Here I will document and give a primer for my observations of our world and my personal experience with the LIPT.

Everyone as far as I'm aware has a core, some call this the soul, their essence. This is the very core of your being.

This maybe different for others but when the lord of the manor uses the LIPT, an interesting thing happens.

The LIPT will either take the user to an alternate reality, or alter the reality of the user. I could never really figure it out. They're more or less the same thing.

More often than not this will make Male users become Female. It's more about the desires of the user however. The subconscious effects every single button. This is more Magic than science after all.

During a transformation of a LIPT user the core is intact and unchanged. Personality, memories, preferences and the like all remain.

The transformation layers the user's reality changed persona over the core.

Which allows the user to access the personality, memories, and preferences, etc. once that acclimatize the new reality.

However if a user's core rejects a certain preference or memory or the like, they can typically shrug it off.

It doesn't seem like a core can be "Corrupted" or damaged.

HOWEVER.

I don't like Bananas

OH! Actually  
bananas is  
Great.

A person's experiences will affect their sense of self. If a person ends up changing their preferences due to experiences in the life, it can absolutely shift the core slightly.

Eventually a users core will end up changed to be a mix of many different layers. However, this happens in life as normal due to life experiences.

Note to self: This multi colored pen was a good purchase.

In my next entry, I'll talk about bringing objects back from the other realities. Like this pen. It's amazing.
