"Seem like... the drug
still taking effect."

"Why don't I have more while it still last?"

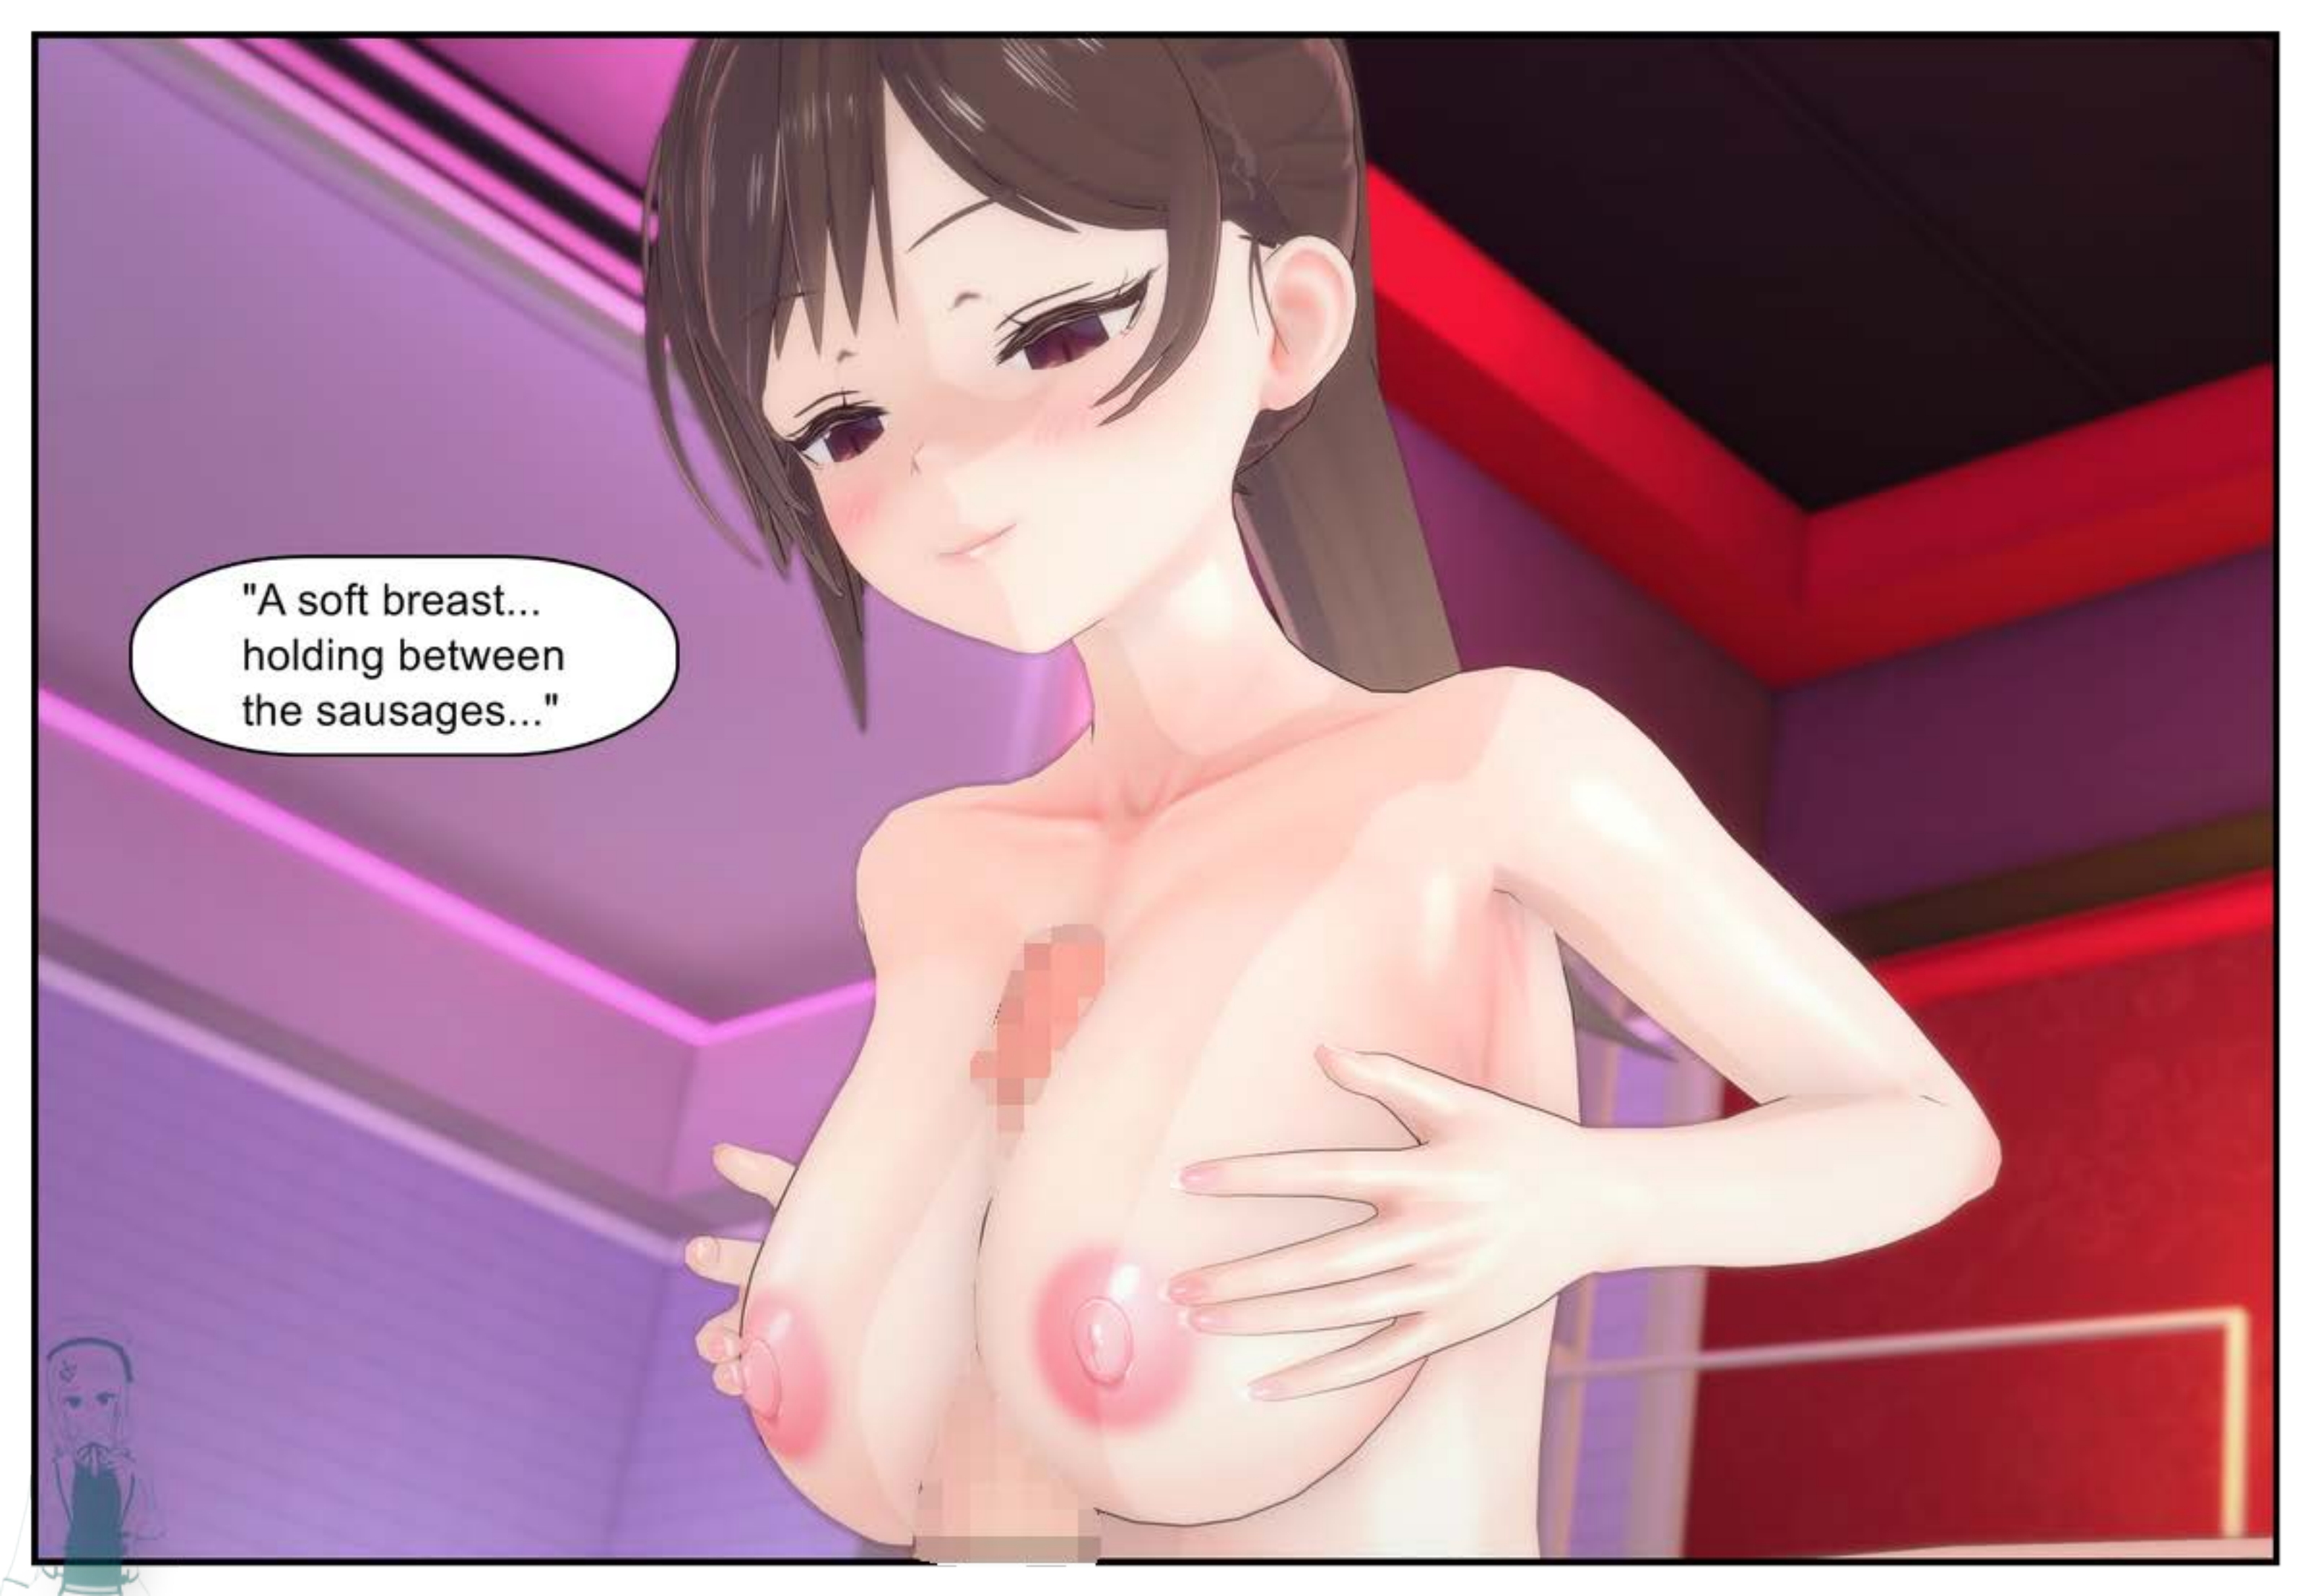

"Ah... I always wanted to be pазuried by other woman's breast..."

"...But now I'm the one who doing it with this girl's boyfriend."

"A soft breast...
holding between
the sausages..."

"I think... he is about to cum!!!"

A woman with dark hair in a ponytail is shown from the chest up, leaning forward. She has a red, glowing aura around her breasts, indicating a hot sensation. Her hands are placed on her breasts. The background shows a hospital room with a bed and a curtain.

"Something hot...
is coming!!!"

"Y-Yes... His semen
cover all my face..."

Um... Un... Slurp...

Slurp... Nn... Um...
Nn... Um... Slurp...

Un... Mm... Nn...
Un... Slurp... Um...

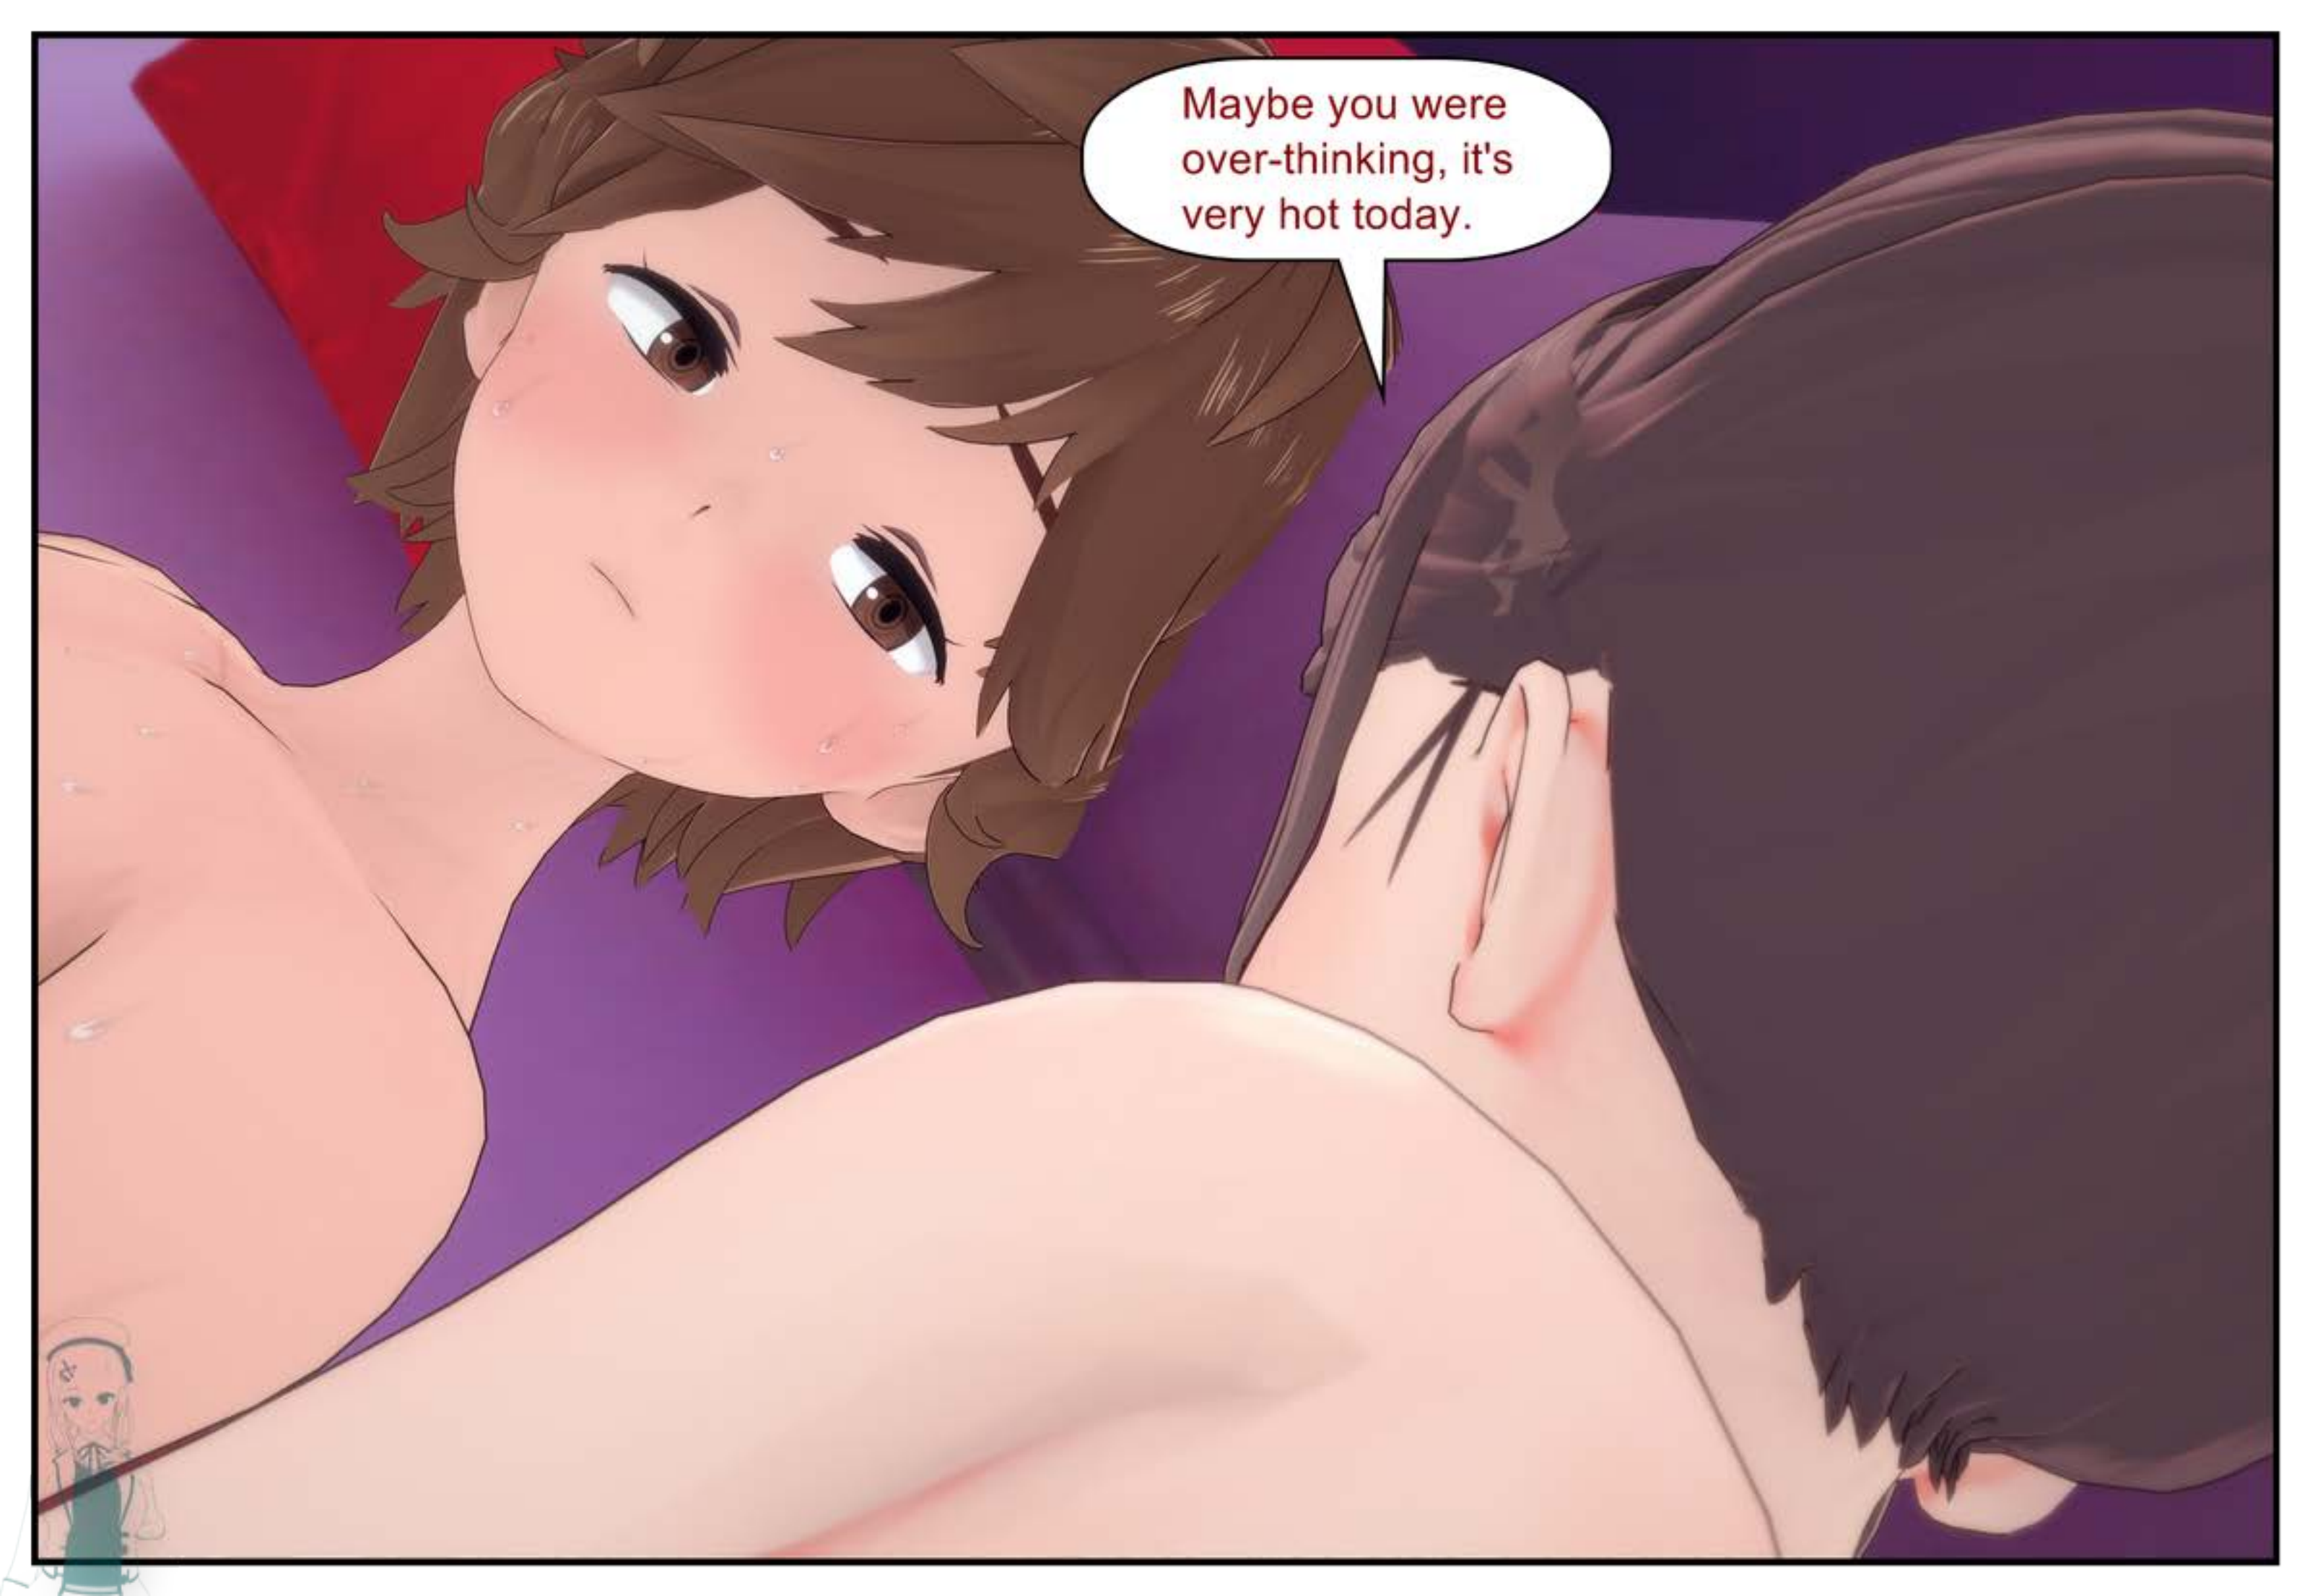

You okay? Suddenly
scream like that...

I just had a
nightmare...

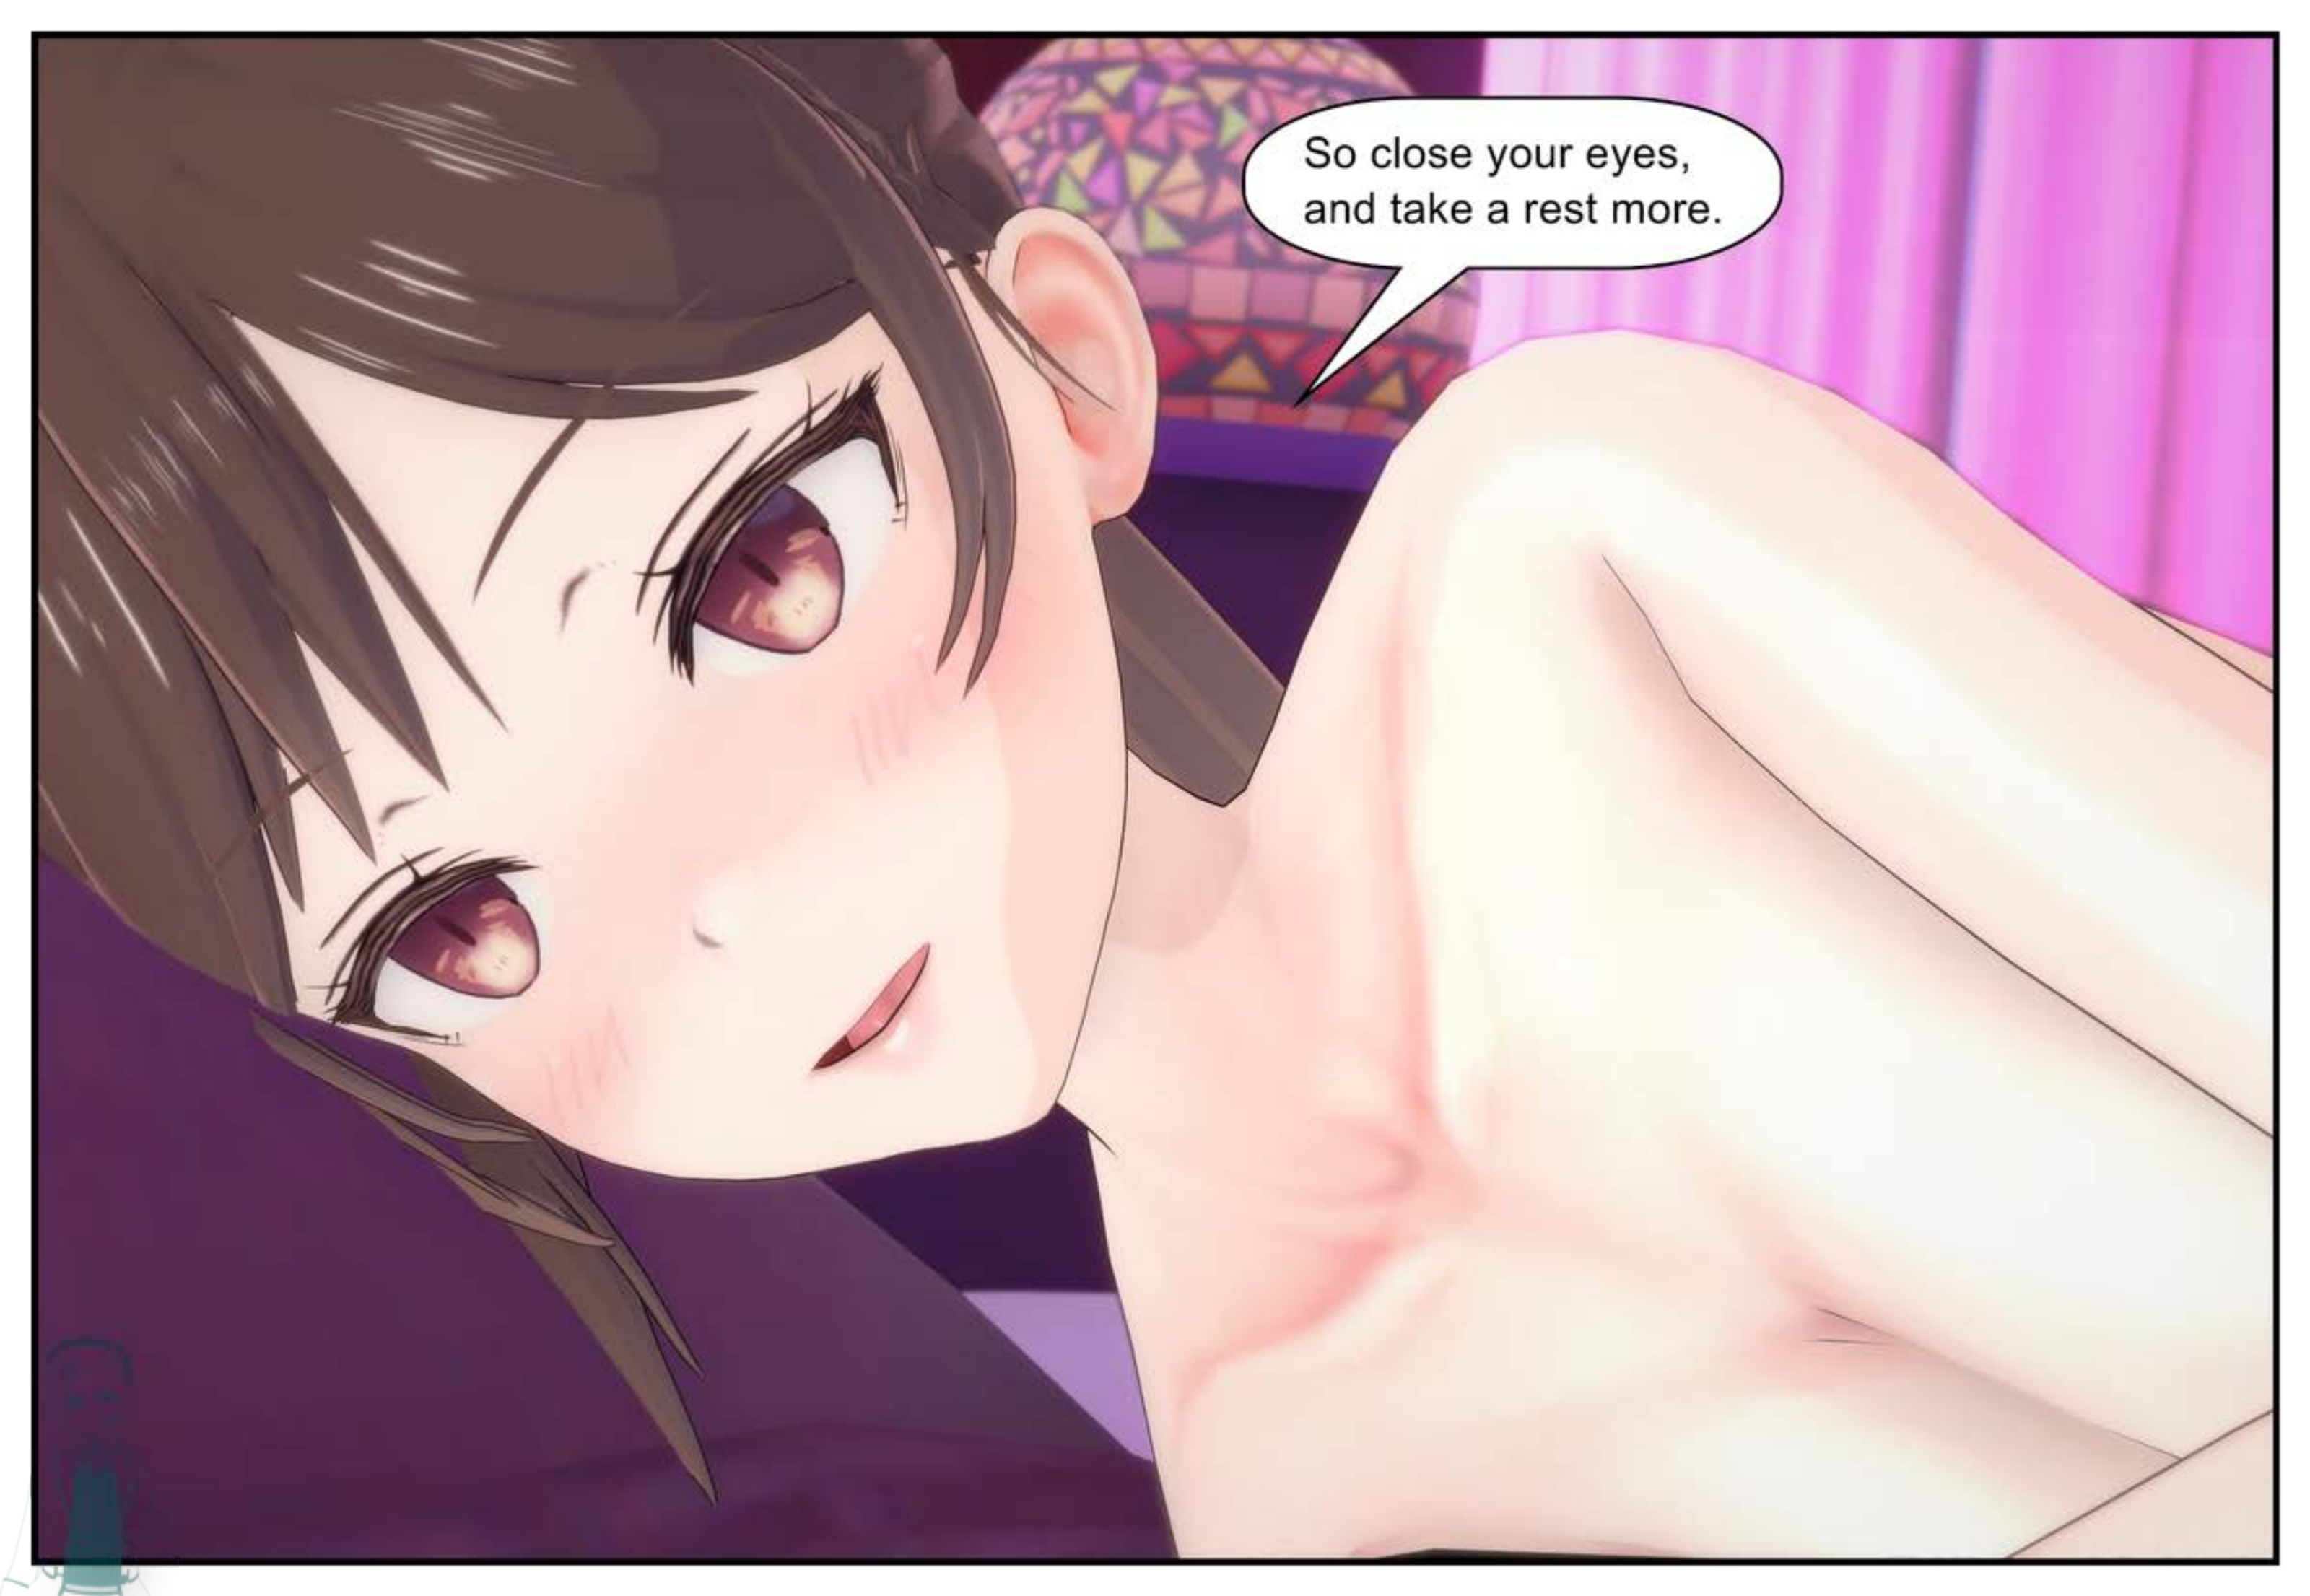

...where I have sex
non-stop with you...

Maybe you were
over-thinking, it's
very hot today.

So close your eyes,
and take a rest more.

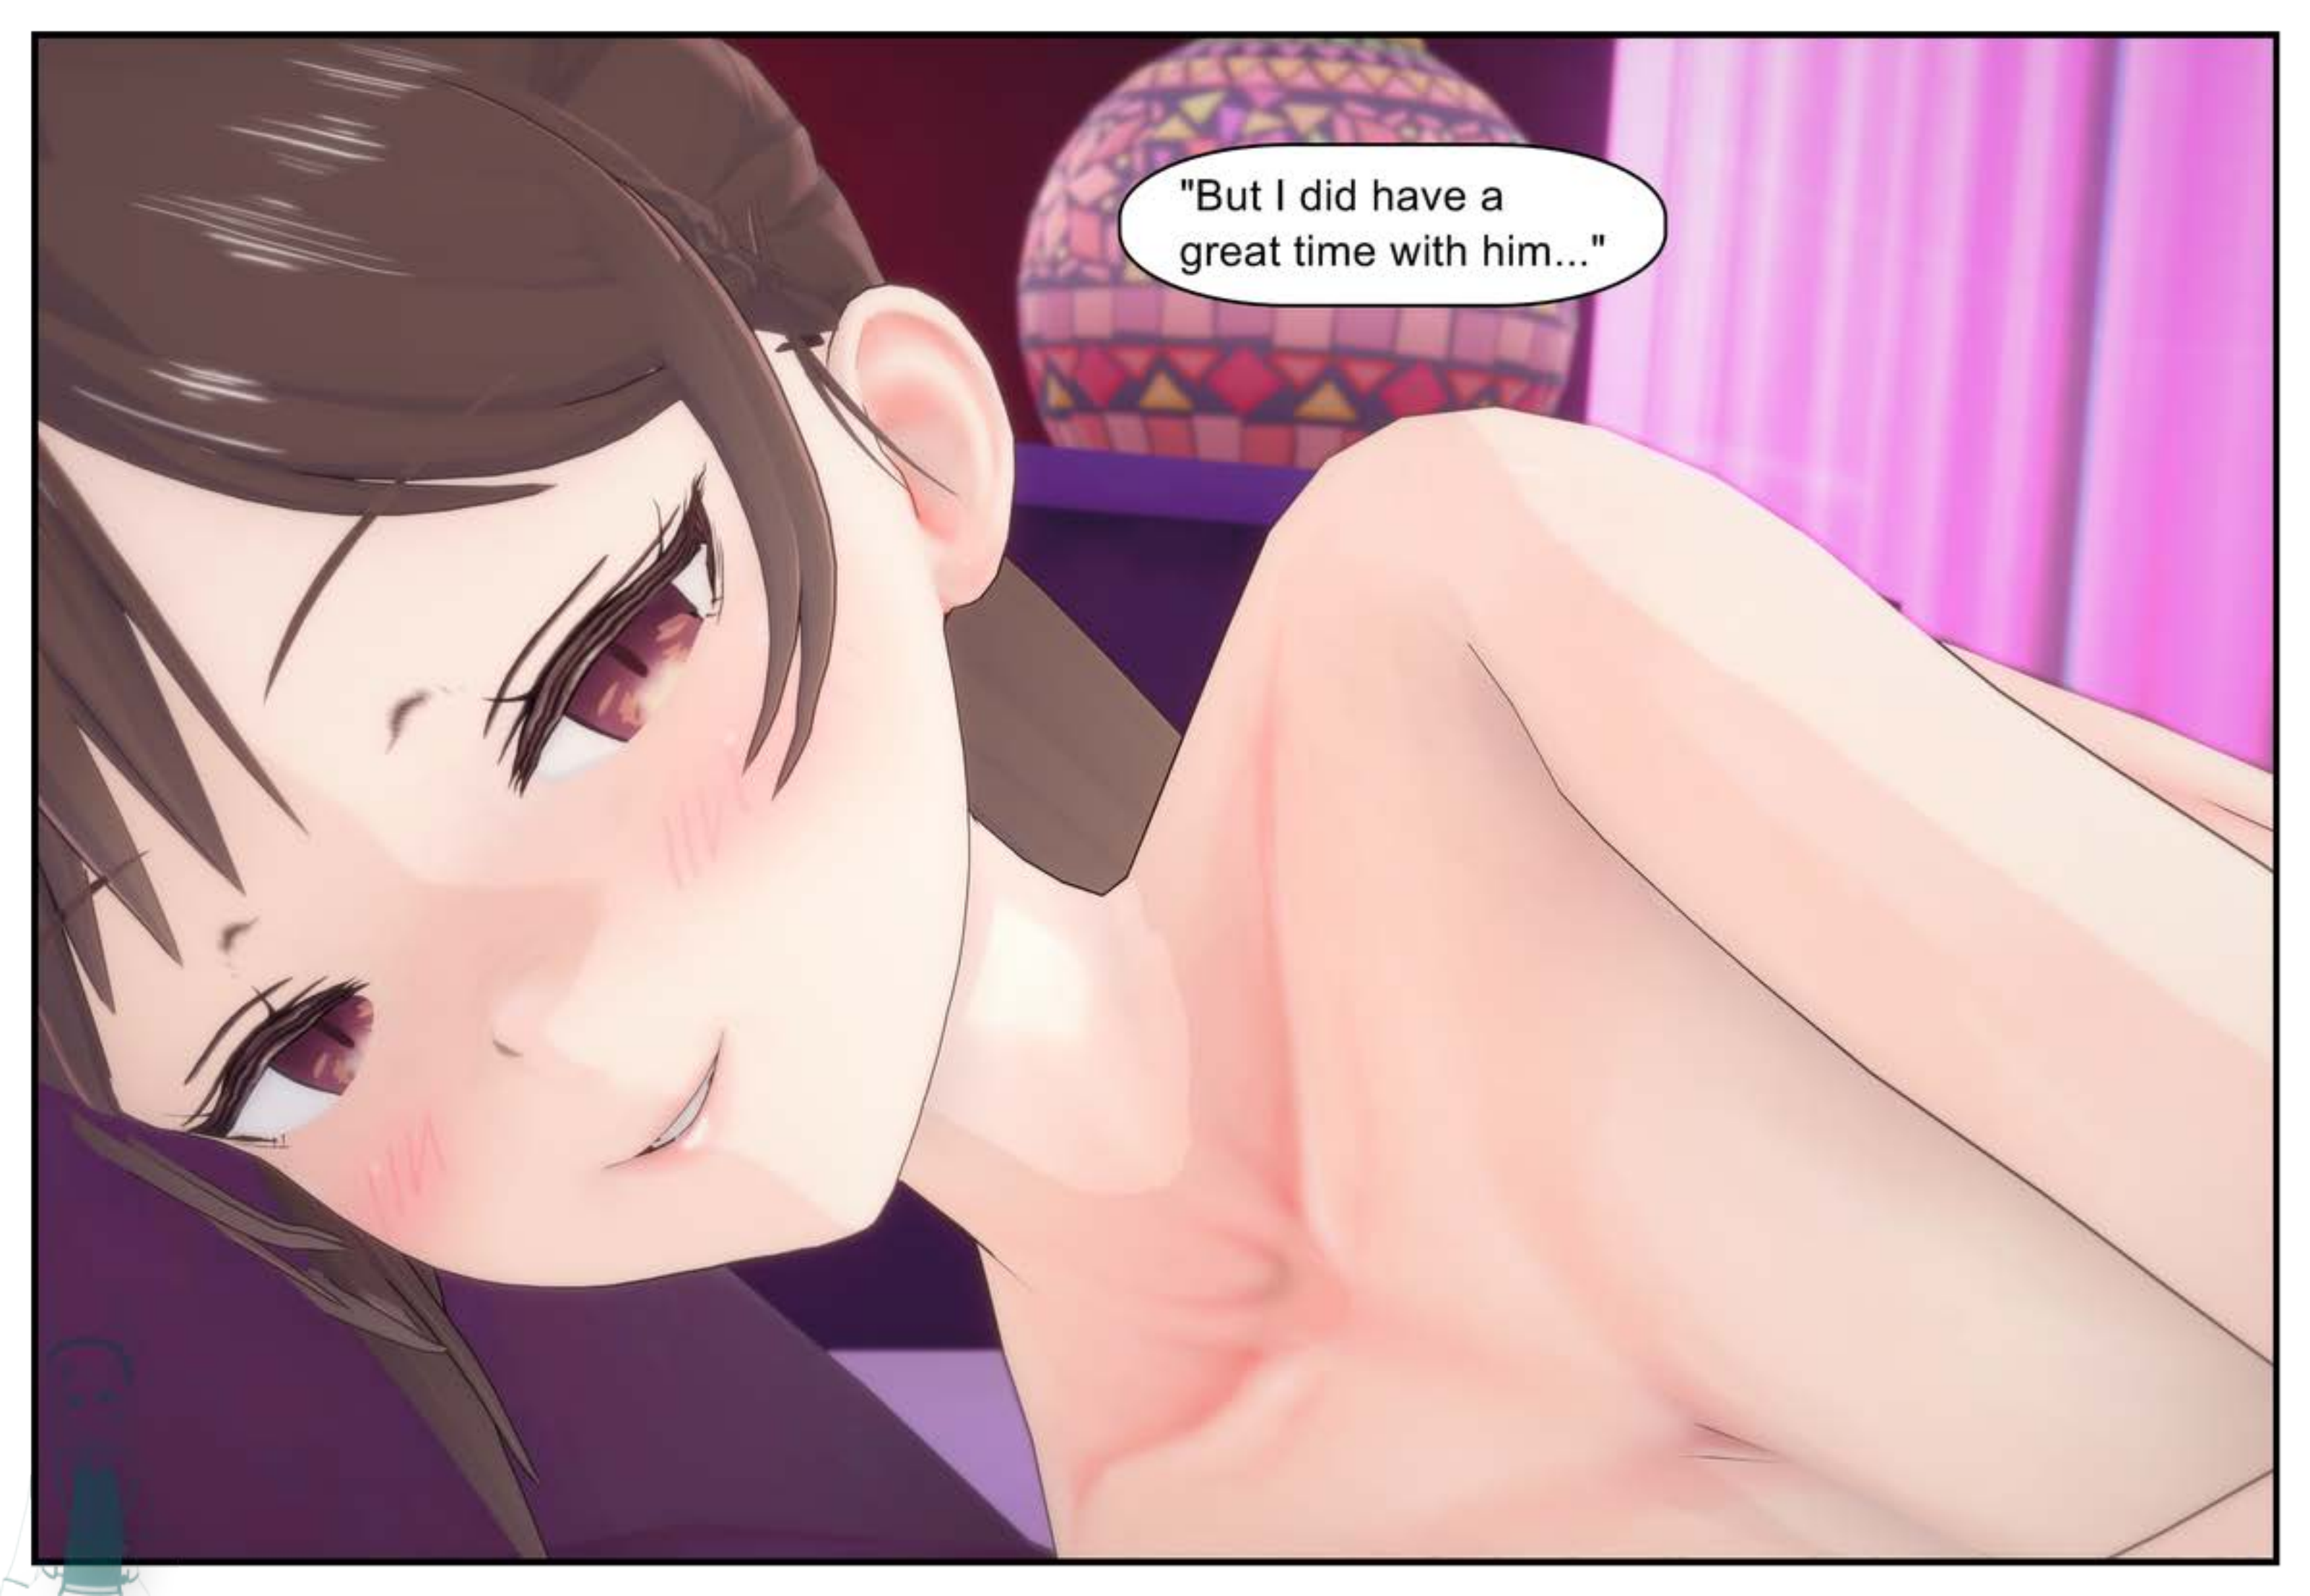

M-Maybe...
This still a dream...

Yes, I will wait until
you wake up and
we leave.

"Probably... I put
too much in his drink..."

"But I did have a great time with him..."

Meanwhile...

A young girl with short, straight grey hair and a sad expression is shown in a close-up. She is wearing a dark blue sailor-style school uniform with a white collar and red stripes. She is holding a red cup with a black straw to her lips. The background is dark and out of focus, suggesting an outdoor setting at night. A speech bubble is positioned to her left.

"After that... Kenji became like this..."

"I must make some sense into him."

I already told
you that I'm not...

Kenji, look at me...

...your Kenji...

Those people earlier,
did you know them?

Tell me, Kenji.
What happened?
Was it the girl whom
you argued with?

You are not going
to believe what I said...

Why? You didn't tell me anything, even about your life at the city.

Because I'm not the person that you called Kenji...

I don't know you,
or who am I...

...so don't mind about me. You should leave.

A close-up illustration of a character's hands resting on a dark wooden table. The character is wearing dark grey or black long-sleeved clothing with two thin red horizontal stripes at the cuffs. The hands are pale pink. The table has a wood grain texture. In the background, there is a brick wall with a decorative gold-colored metal railing on the left and a window with a green plant on the right. A white speech bubble with a jagged border is positioned above the hands.

Don't care
about you!?

~

~

You never changed at all... You never pay attention to anyone else but you.

Did you know that...
I have to skip class,
travel to this city...

...I spent half of my saving, and my time...

...Just to look for
your ugly face for
the whole weeks
in this large city!

You never called,
texted or paid a
visit to our town...

A young girl with dark, shoulder-length hair and bangs is shown in a close-up shot. She has a sad expression, with her mouth slightly open and tears visible on her cheeks. She is wearing a dark-colored sailor-style uniform with a white collar and a white tie. The background consists of green foliage and a blue sky with light clouds. A speech bubble is positioned to the left of her face.

You left everyone,
your birth place, me
and even your parents!

To chase your
dream in the big
and luxury place!

It's enough... I
told you what I
need to.

I see that you are
having a good living.
I was wrong to worry
about you.

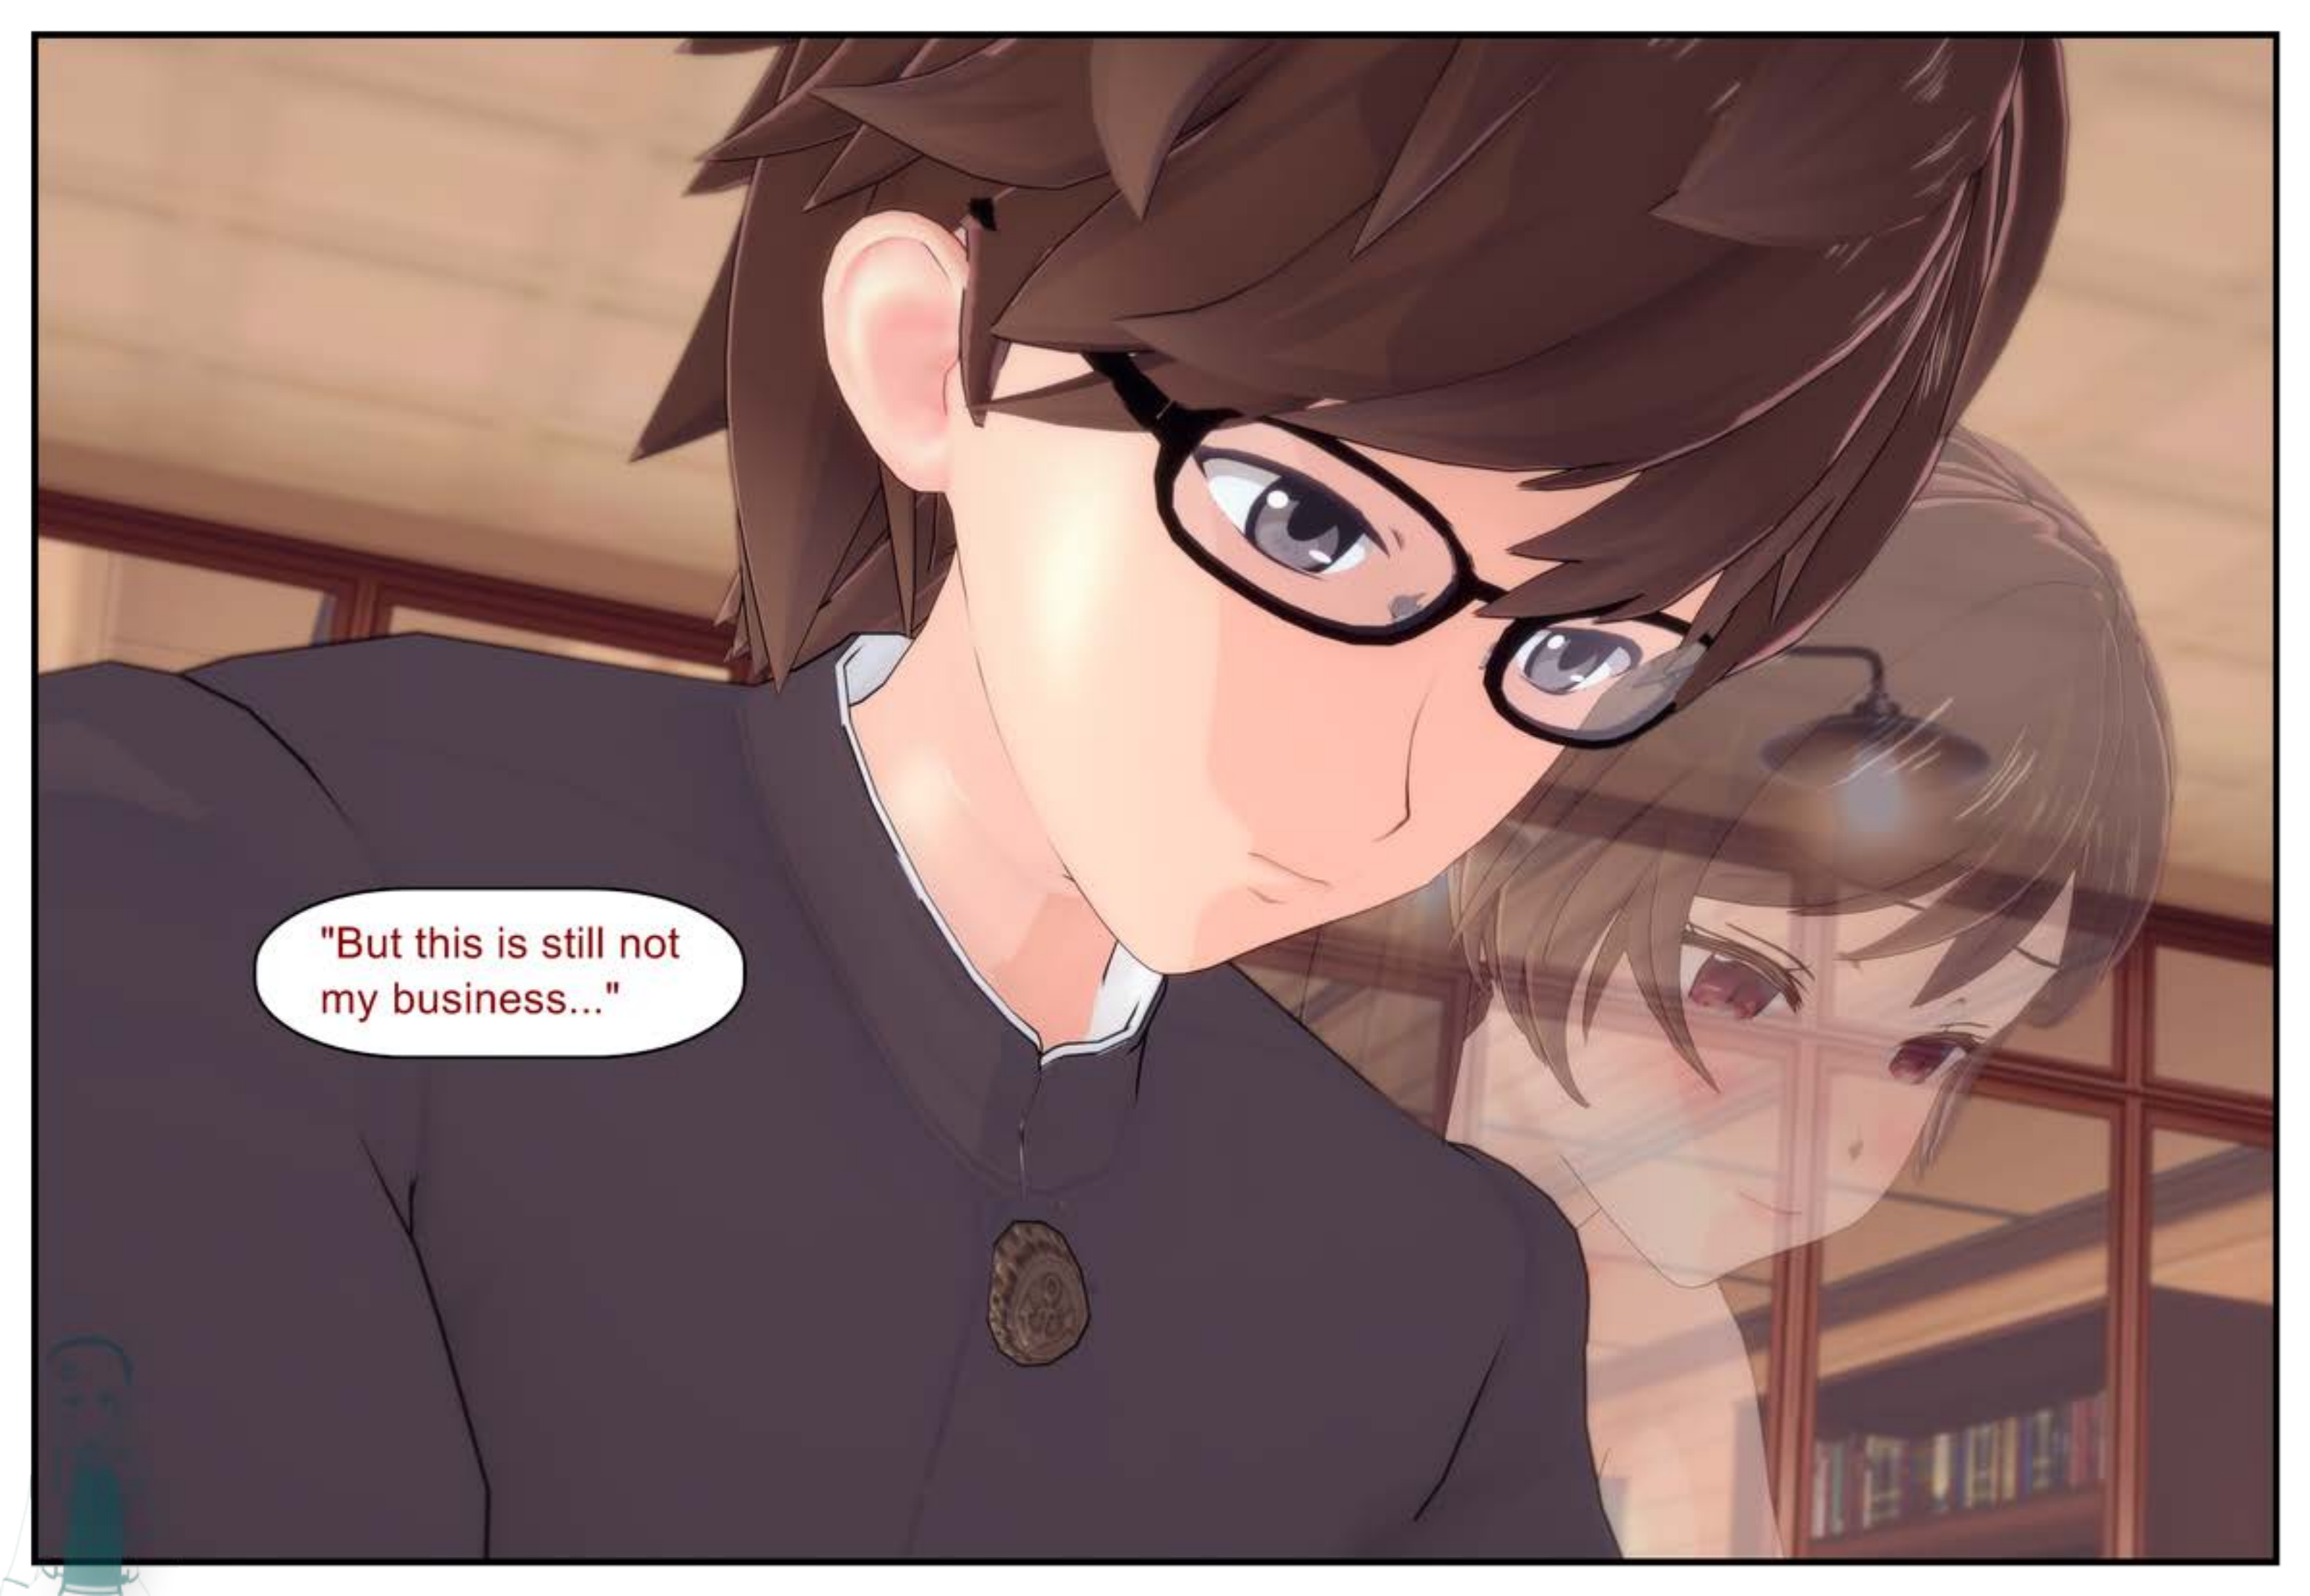

Just remember to pay a visit to your parents... in while.

A girl with short, dark hair, wearing a dark sailor-style top with a white collar and a white skirt, stands on a wooden balcony. She is looking away from the viewer towards a background of dense green trees under a clear blue sky. The balcony has two prominent vertical wooden pillars. A speech bubble above her contains the text: "I'm going back. Goodbye, Kenji."

I'm going back.
Goodbye, Kenji.

"She seem to...
serious about this."

"But this is still not my business..."

"This is not my body,
and he took mine for
his dirty purpose..."

"No matter what
I did, I can't even
reach close to him..."

"He is now being
protected by everyone..."

Hey, what should we do for tomorrow?

I don't know yet...
Maybe... Let me think...

That was not the
real Chizuru, Ruka!

I and him... we were swapped bodies!

Please believe me.
I'm telling the truth!

"Was Chizuru...
actually swapped
with that man?"

"It's a bit hard to believe... But..."

"That moment... My vision changed to that guy..."

There's no way that
magic is real! Or
even body swap!

"Still, I have to
check in..."

Masturbation is still the best!

Evening, Chizuru.
What are you doing?

"Oh...?"

Anyway, can we meet tomorrow?

No, I just cleared
my schedule. So
I'm free tomorrow.

Are you busy?
Can't go?

Okay, we will meet
at there. See you, Ruka.

The train is about to approach the station...
Please stand behind the line...

The next day...

Hi! Sorry for having
you waited, Chizuru!

I thought you will be very busy today...

I told you yesterday,
I cleared my schedule.

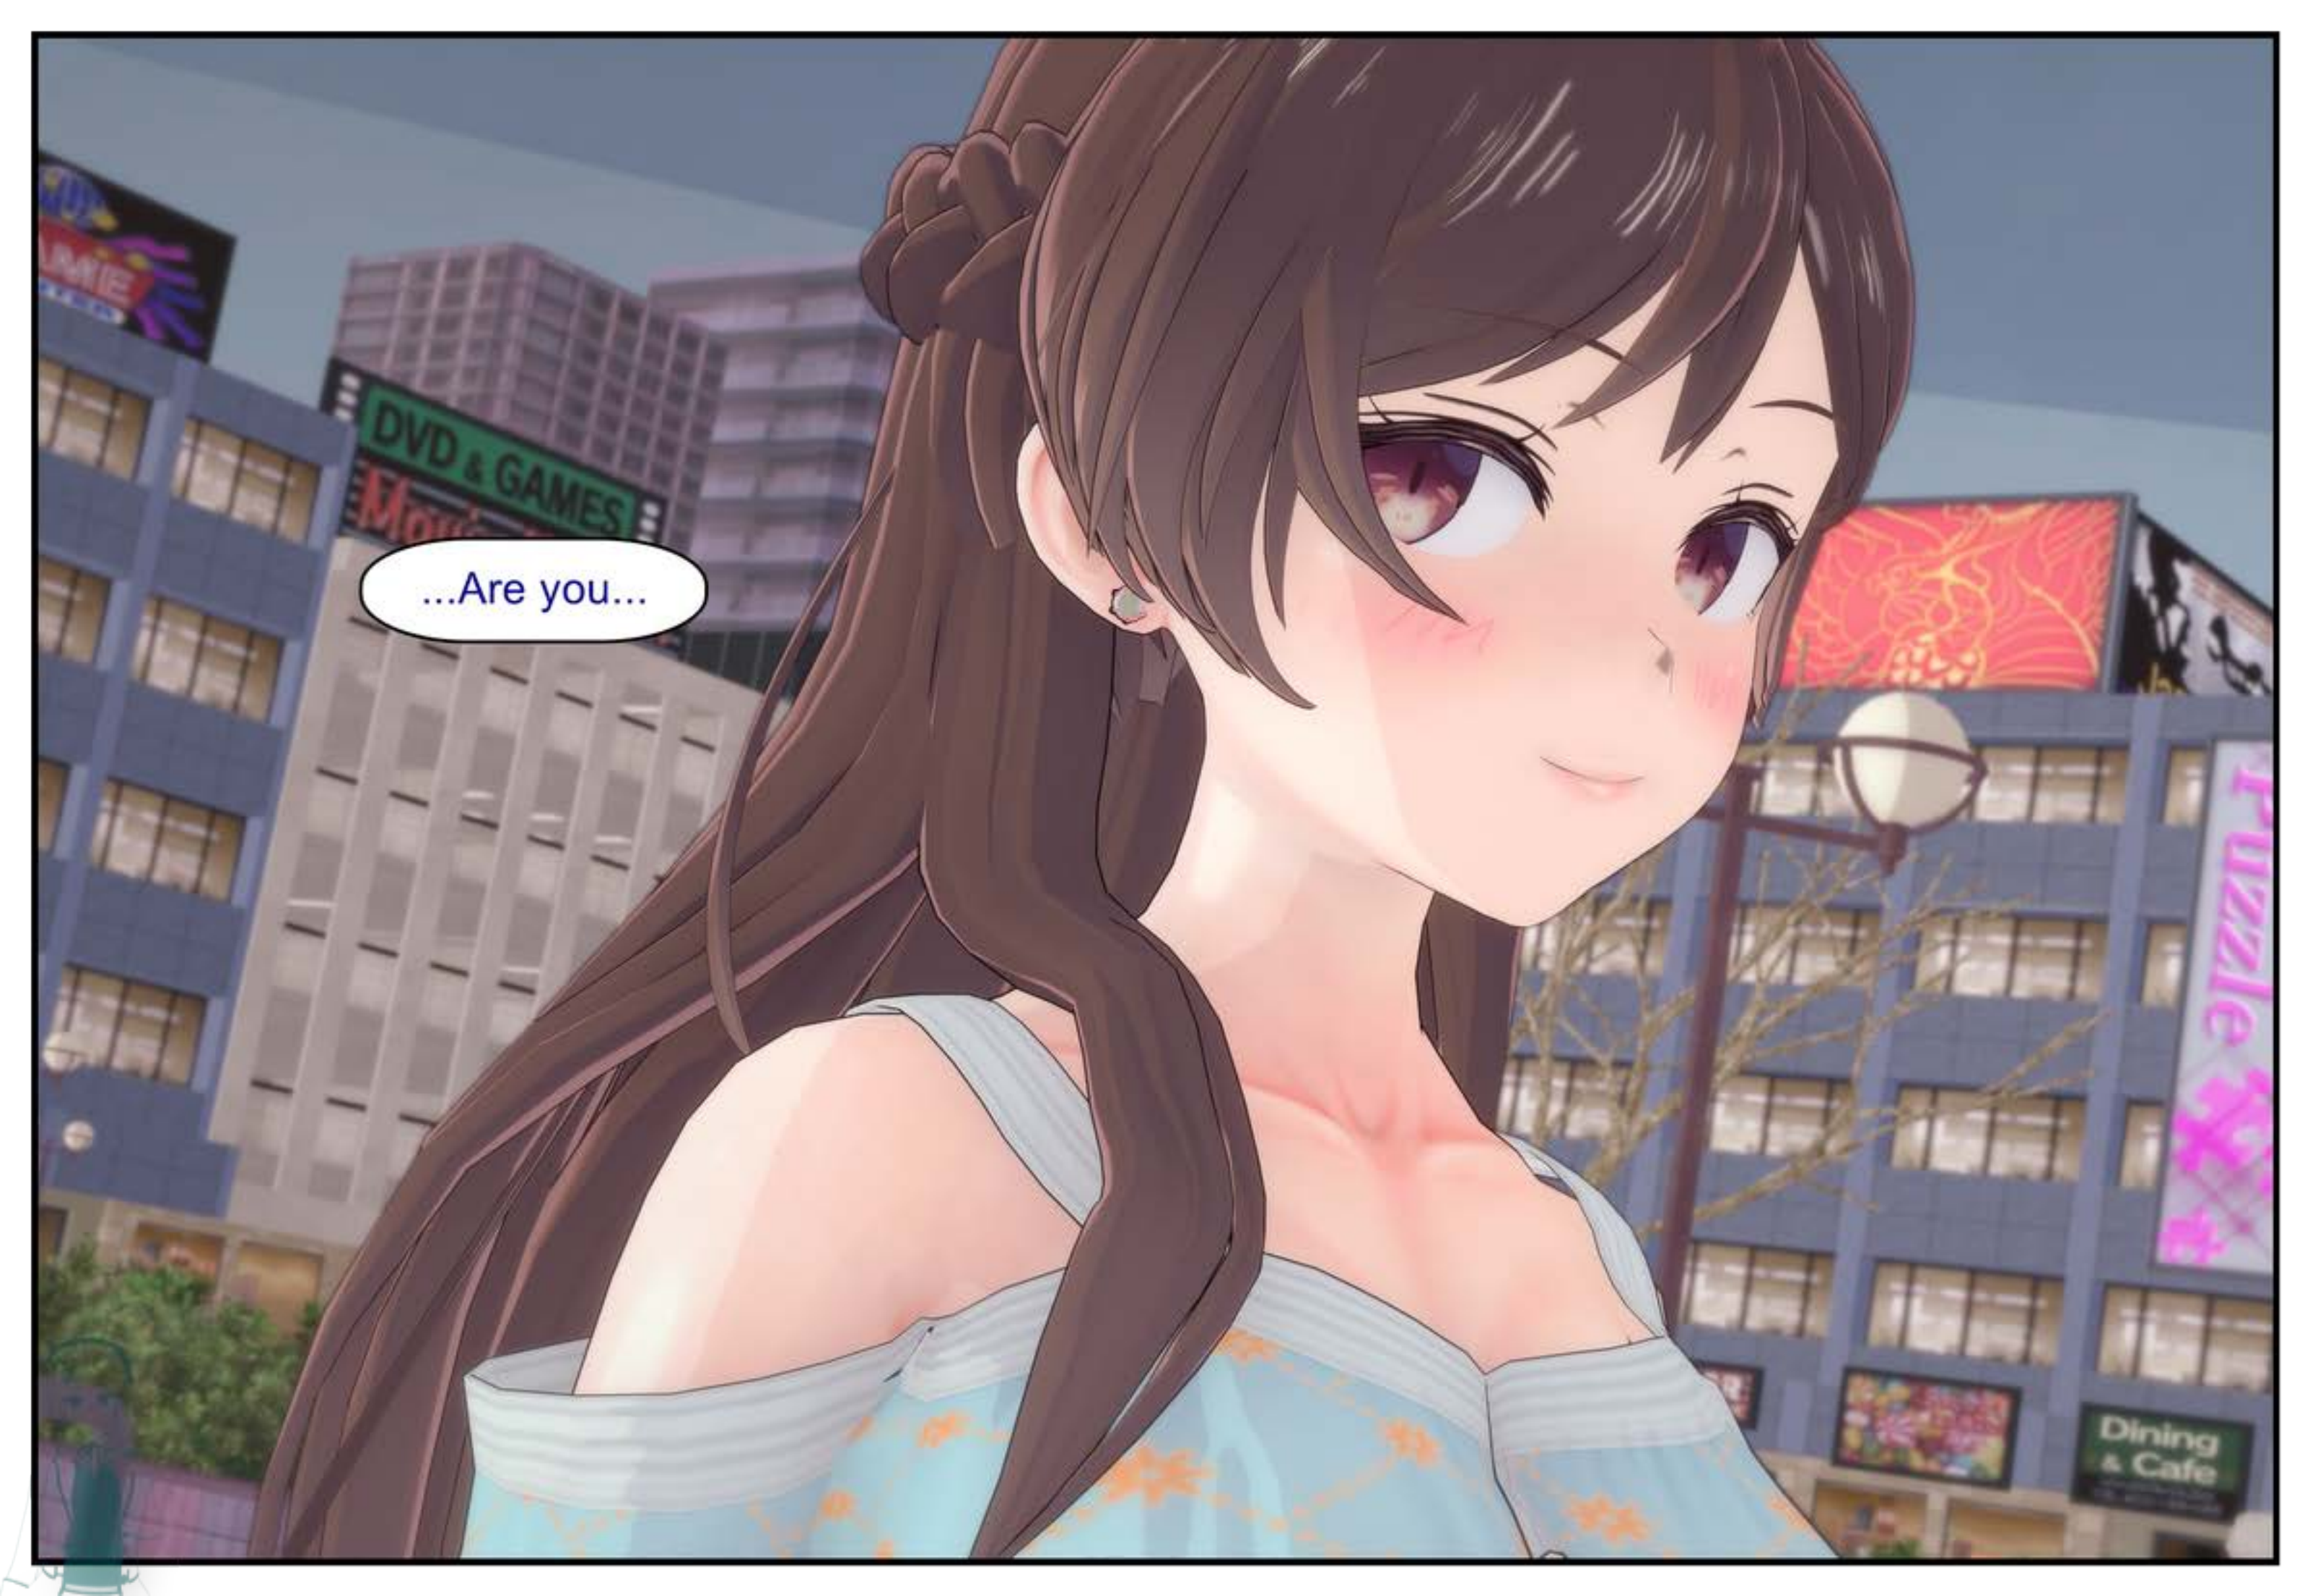

Then, what do you want to talk with me today, Ruka?

Actually, there was one thing that concerned me...

Ever since yesterday...

...the real Chizuru
Ichinose I know?

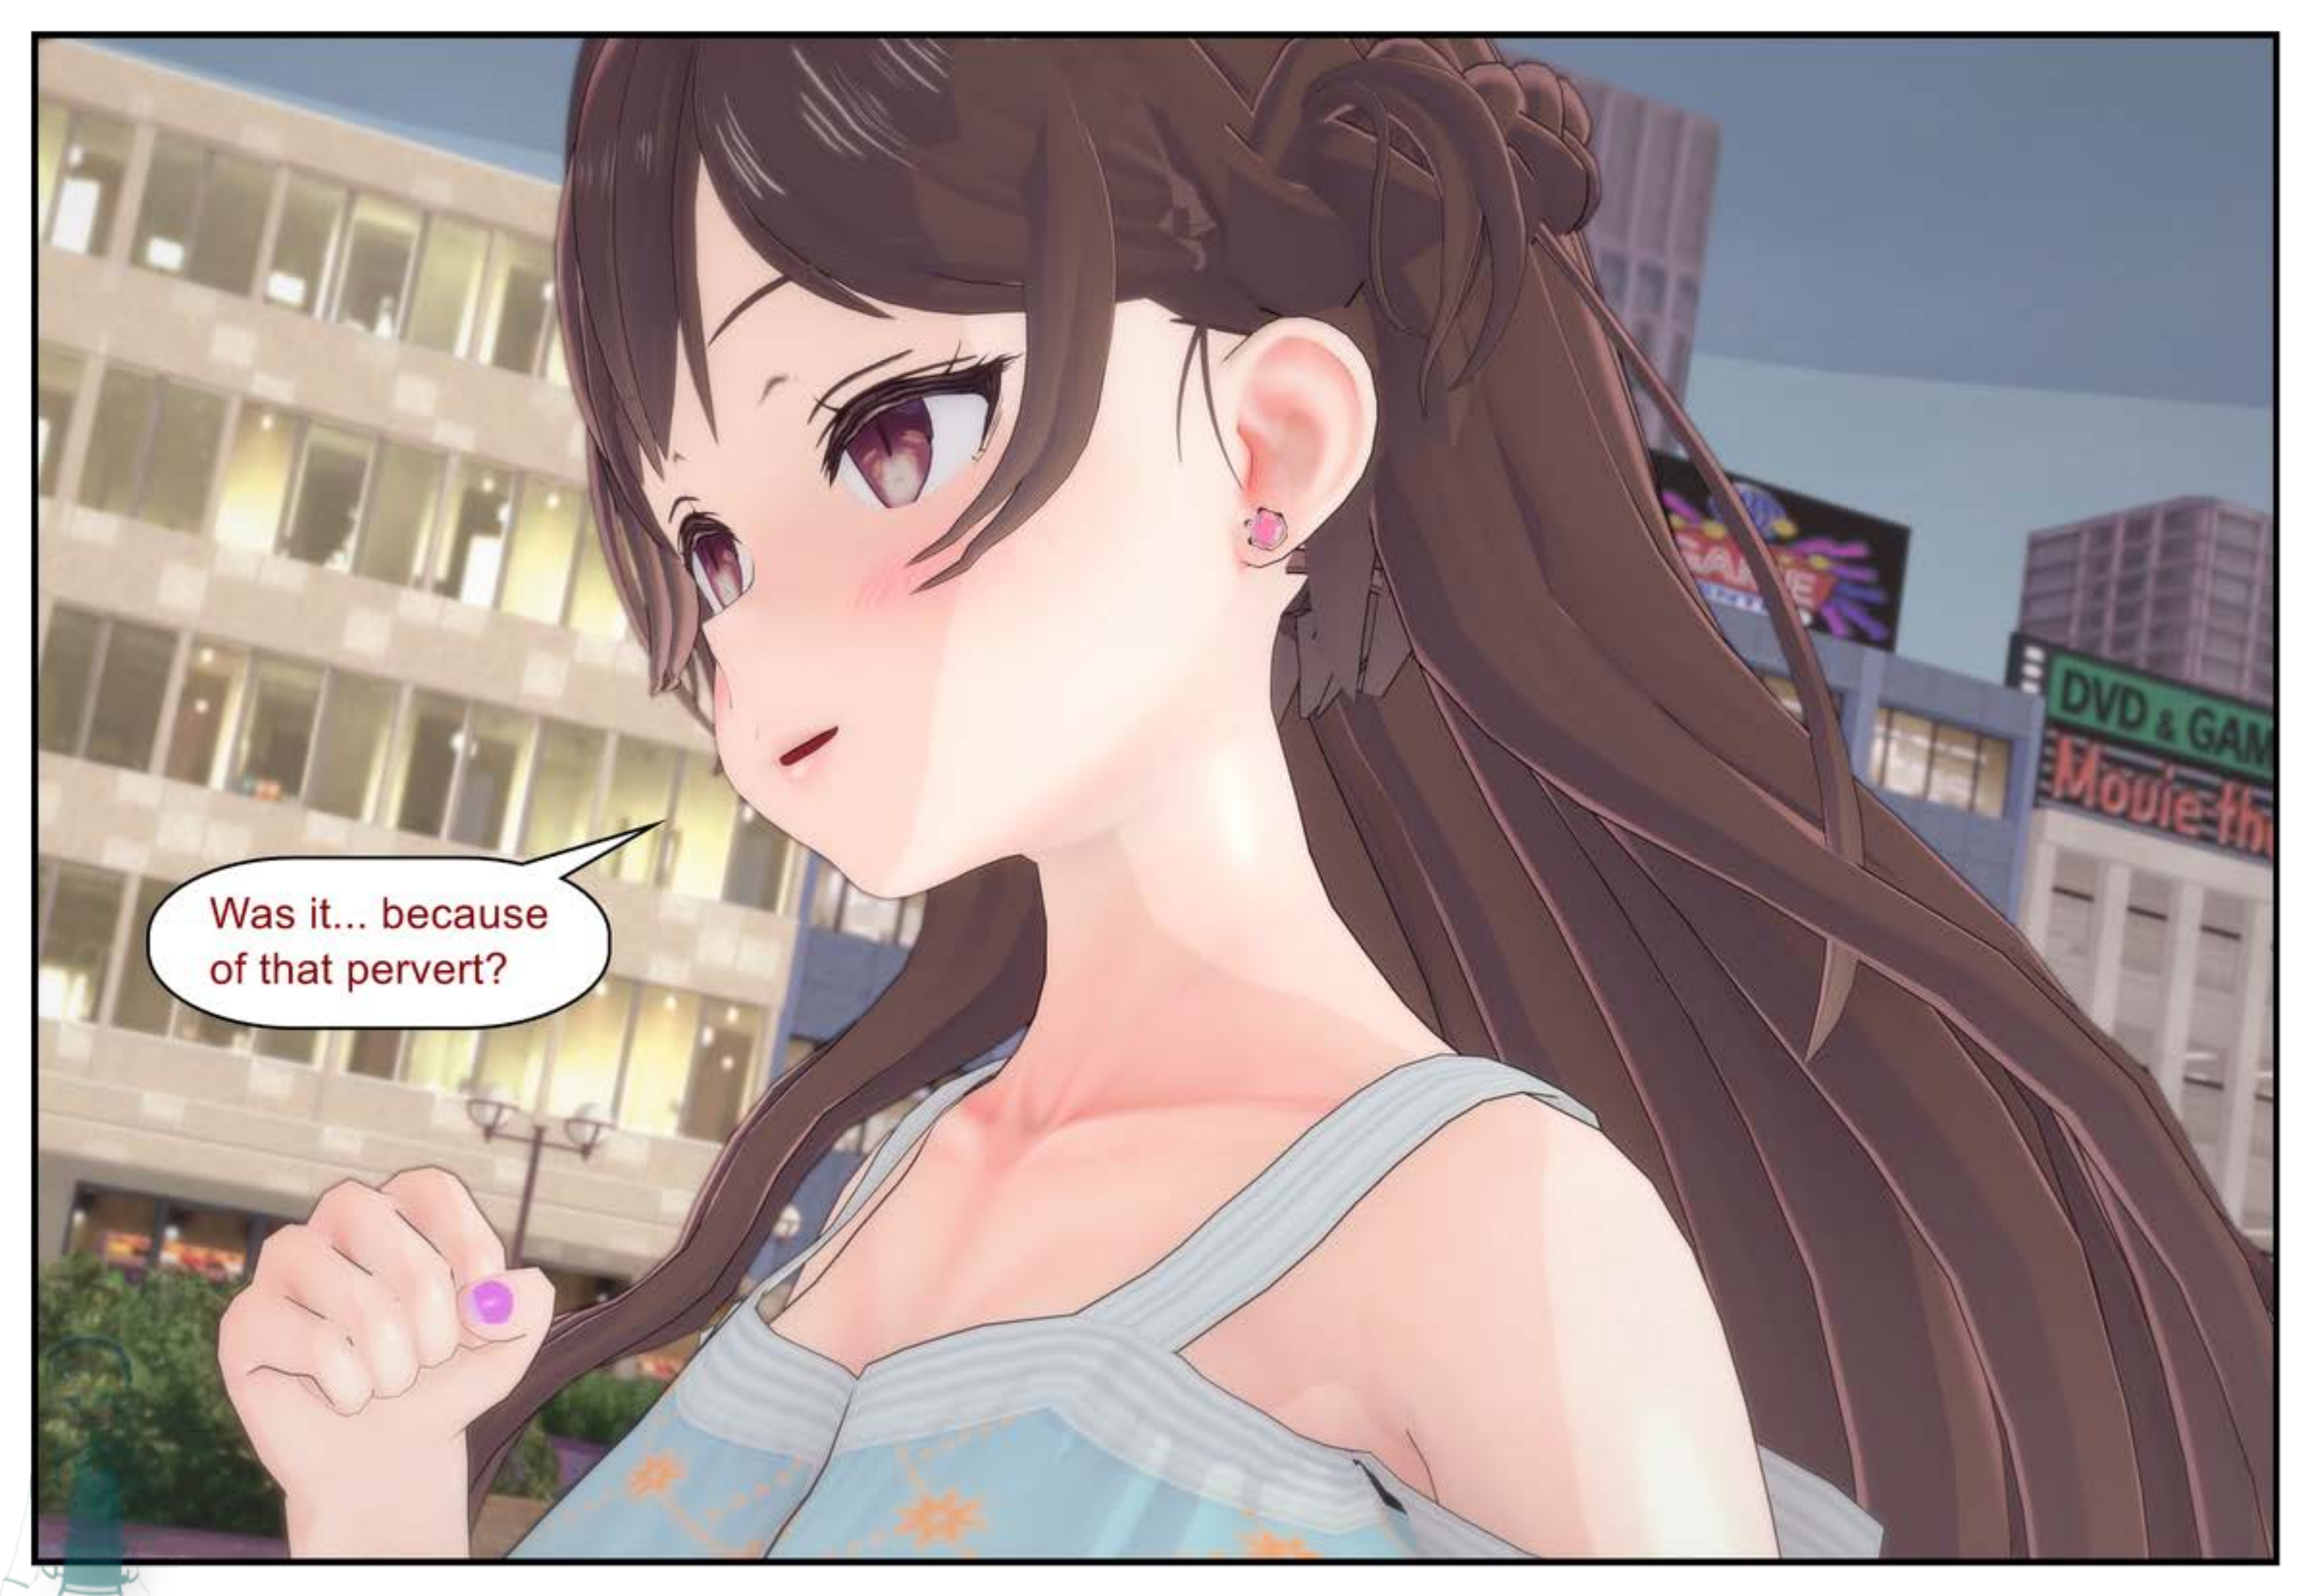

C-Chizuru...?

Ufufu...

What made you think
that I'm not Chizuru?

A young woman with long, dark brown hair styled in a bun with loose strands framing her face. She has large, expressive purple eyes and a slightly blushing expression. She is wearing a light blue, off-the-shoulder top with a subtle floral pattern. Her right hand is raised, holding a small, round purple object. The background shows a city street at dusk or night, with a multi-story building featuring lit windows and a sign for a store that says "DVD & GAM" and "Movie th".

Was it... because
of that pervert?

Of course not. I
just wanted to do
some check-in...

No need...

And there are some question that I...

I'm going to be you, Ruka!!!

C-Chizuru...
What are you...

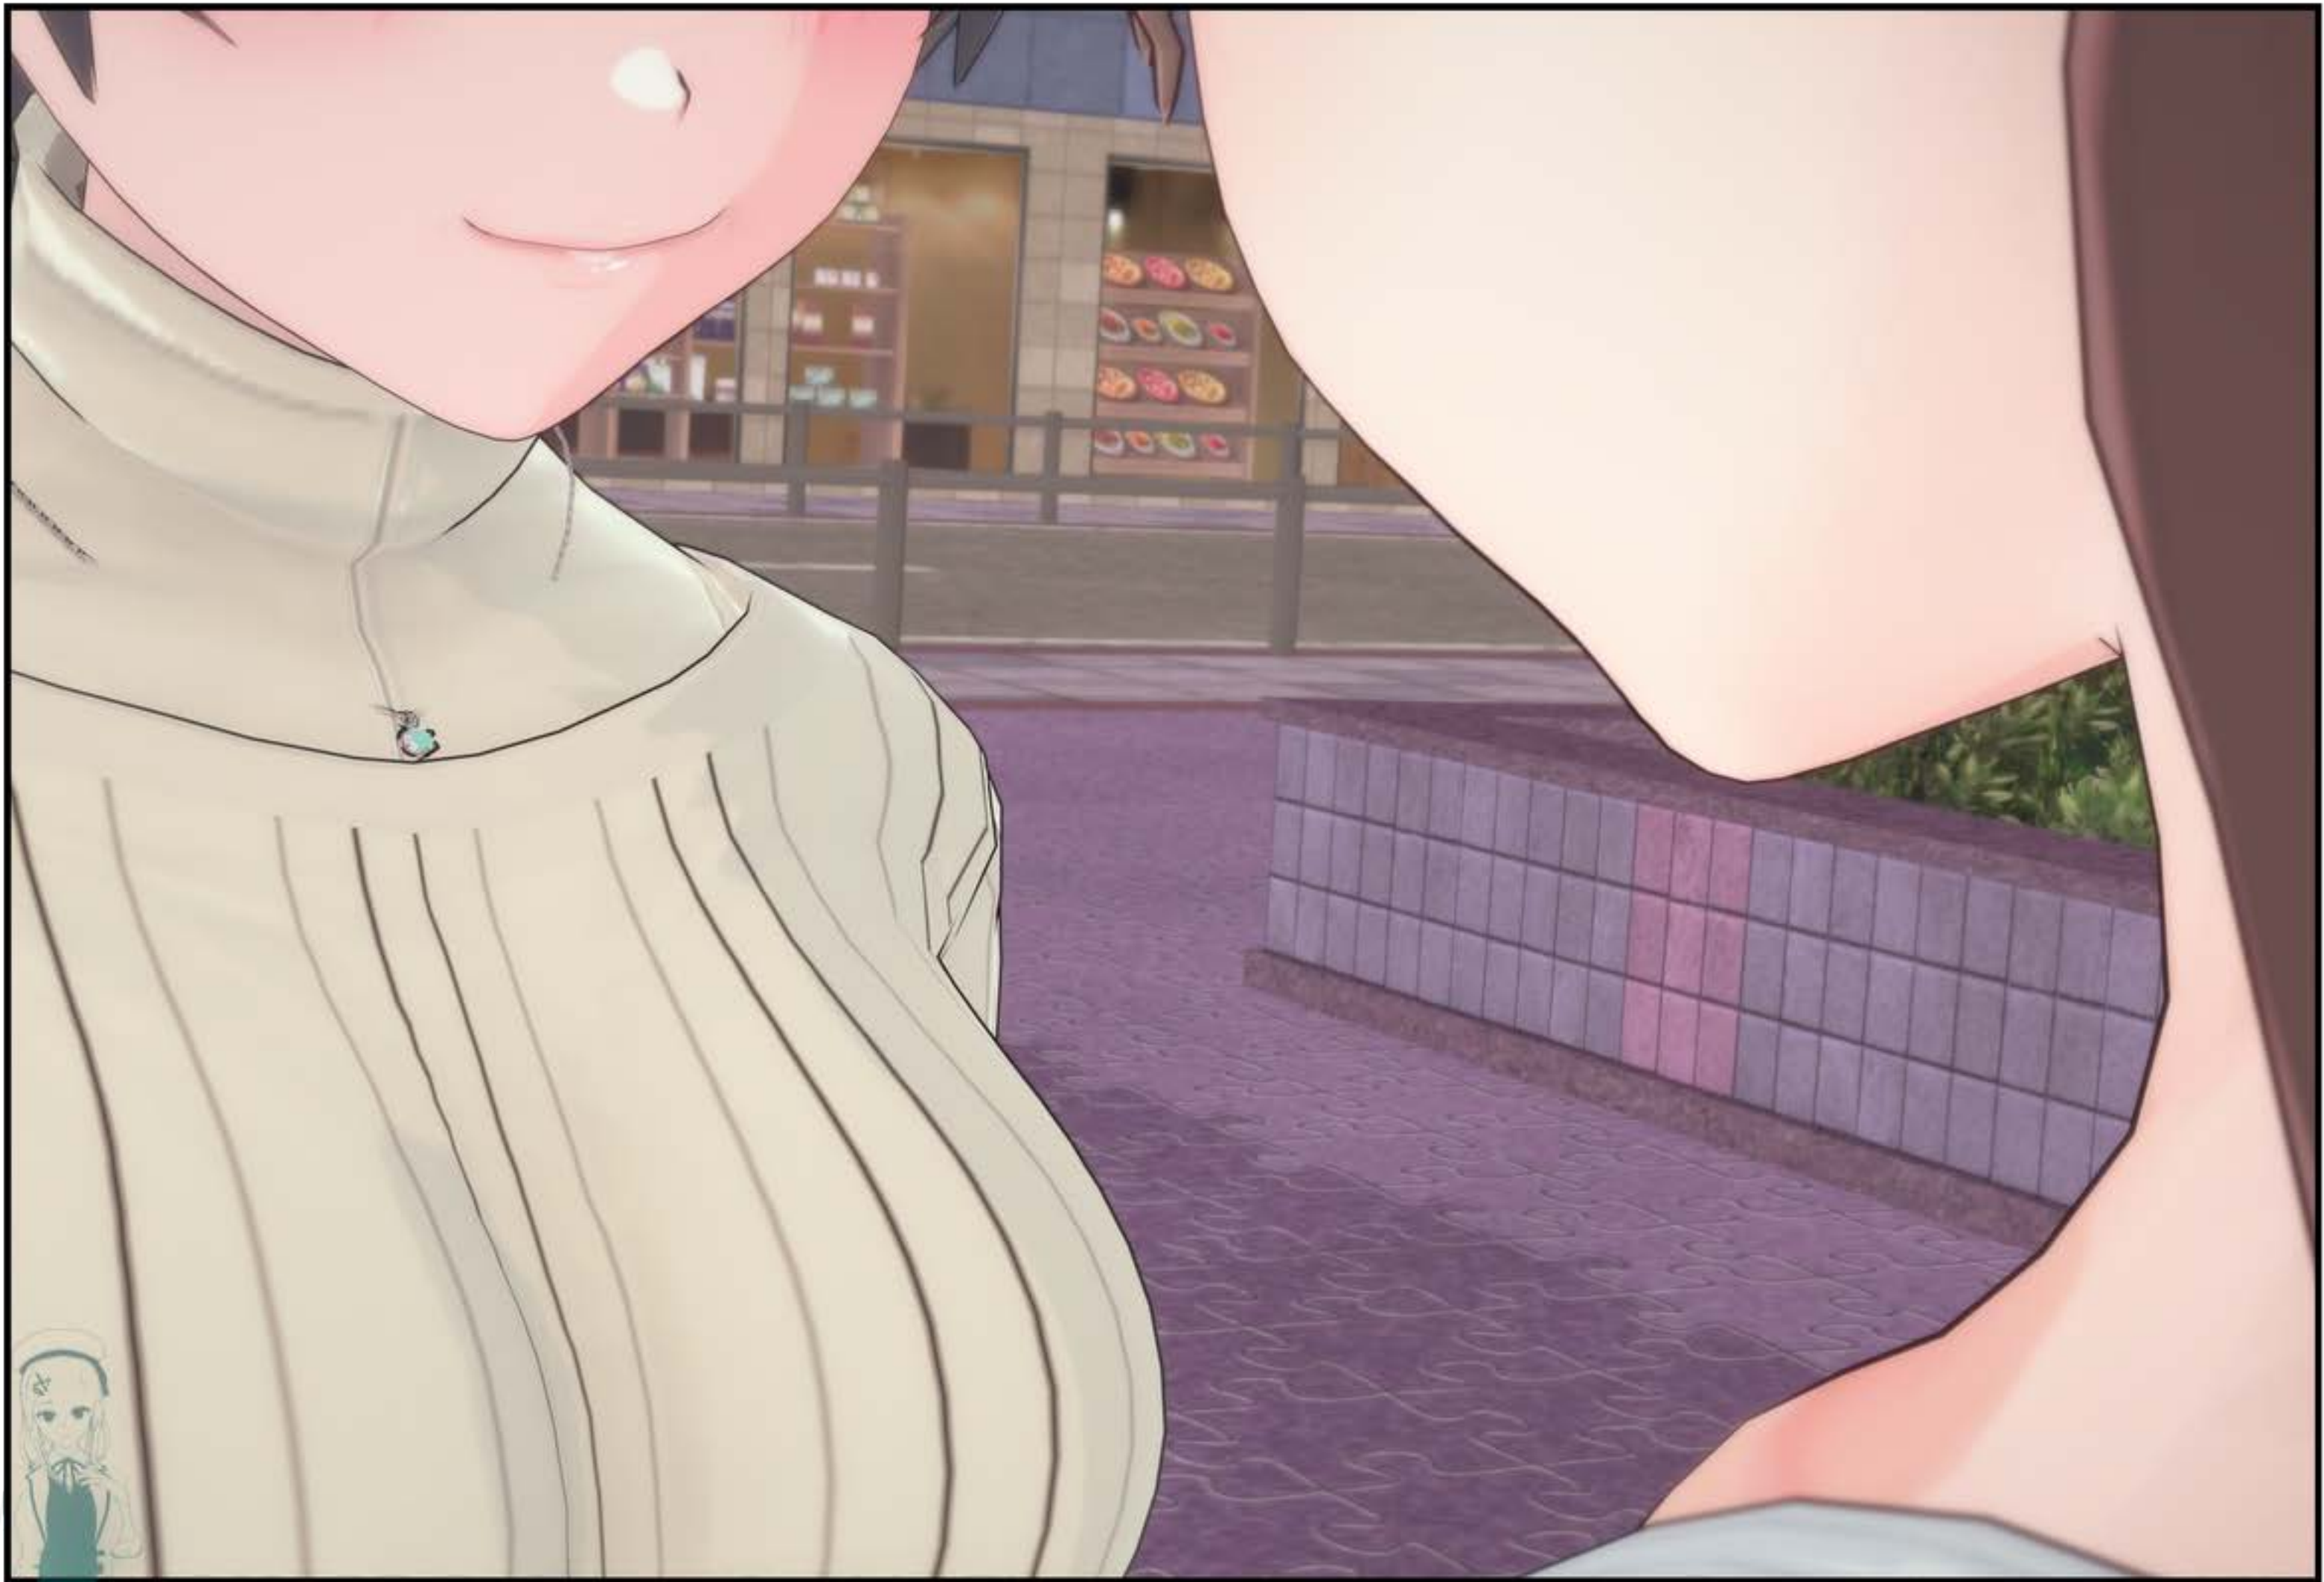

Morning to you,
Chizuru...

To be continued?
