

1, 2, 3 CHEERS!!

So, like, are you actually back for good??

For the time being.. yes!

My job stationed me here and it's gonna be a long-term gig!

But that's ALL I can tell you guys!

Ahhh.. Big man with a job and the NDA contracts, aren't ya?

Still.. It's nice to have you back, Cherie Pie..

The job seems like it's treating you well!

You look healthier

and happier..

I am.

For the first time ever, I'm not slaving away at a job where I'm constantly disrespected..

I used to put in so many hours for jobs that paid me as little as possible

Then go home to a place I don't own and be exploited by shitty landlords..

just to lose all of my paycheck to inflated rent and utilities..

Hell, I couldn't even make time to hang out with you guys..

And when we do get together, you always pay for me.

I know you told me not to mind stuff like that, but..

I'm really grateful to have friends like you guys..

Cherie..

WE-WE REALLY DON'T MIND!!! WE'LL ALWAYS HAVE YOUR BACK, CHERIE!!

JUST LIKE HOW YOU'LL ALWAYS HAVE OURS!! WAHHHHH...

NO DON'T CRY?!?

If you guys cry..

YOU'LL MAKE ME CRY, TOO!!!

Are you guys ready to ord-

WAHHHHHHHH!! WAHHHHHH!!

WAHHHHHHHH!!

.. I'll come back later.

Wah.. I'm full~

I'm gonna take Bamae home now! He's drank quite a lot this time, haha.

I can call him a Lxft if you want!

Nahhh, That won't be necessary, We live together now!

What?? Since when?

A month ago.. He lost his job and moved in with me to save money..

You know that scandal with his billionaire CEO?

This is it!!

Yeah.. I might've heard about it.

He pleaded guilty to everything, didn't he?

This is my chance!

Yeah, the company downsized and they'd rather let go of workers than executives, you know how it is..

Bam lost his house and job.. He's been on unemployment but it's not enough..

Yeah, the job market's fucking terrible..

But I might be of help.

My firm's actually looking for some investment opportunities

I showed them Bamae's portfolio and they're really interested!

Stay cool..

I was going to call him tomorrow when he's sober enough..

But since you two live together, can you give this number to him tomorrow?

ARE YOU SERIOUS?!! OF COURSE!!

YES! THEY TOOK IT!

BAMAE!! DID YOU HEAR THAT??

Wuh..?

Wow, Is this how Tez felt when she helped me last year..?

YOUR UNEMPLOYED ERA IS OVER!!

Wahh..?? really??

YES!! CHERIE'S GONNA GET YOU A JOB!!

Cherie.... Wahhhhhh Hic

Haha, You got me a job back then, too. Remember??

I'm only returning the favor!
