A shiny, metallic purple alien character is shown in a close-up, looking slightly to the left. The character has a large, prominent eye with a black pupil and a red iris. Its body is highly reflective, showing highlights and shadows. The background is a warm, brownish-orange color with some blurred, fibrous structures. A speech bubble is positioned above the character's head, containing the text "Ah.. Where.. am I?".

Ah.. Where..  
am I?

W-Wait..

"He.. ran away..  
Did I scare him?"

"Look like.. I'm  
in a forest.. But  
I thought..  
I was at.."

"I must have felt  
from that cliff.."

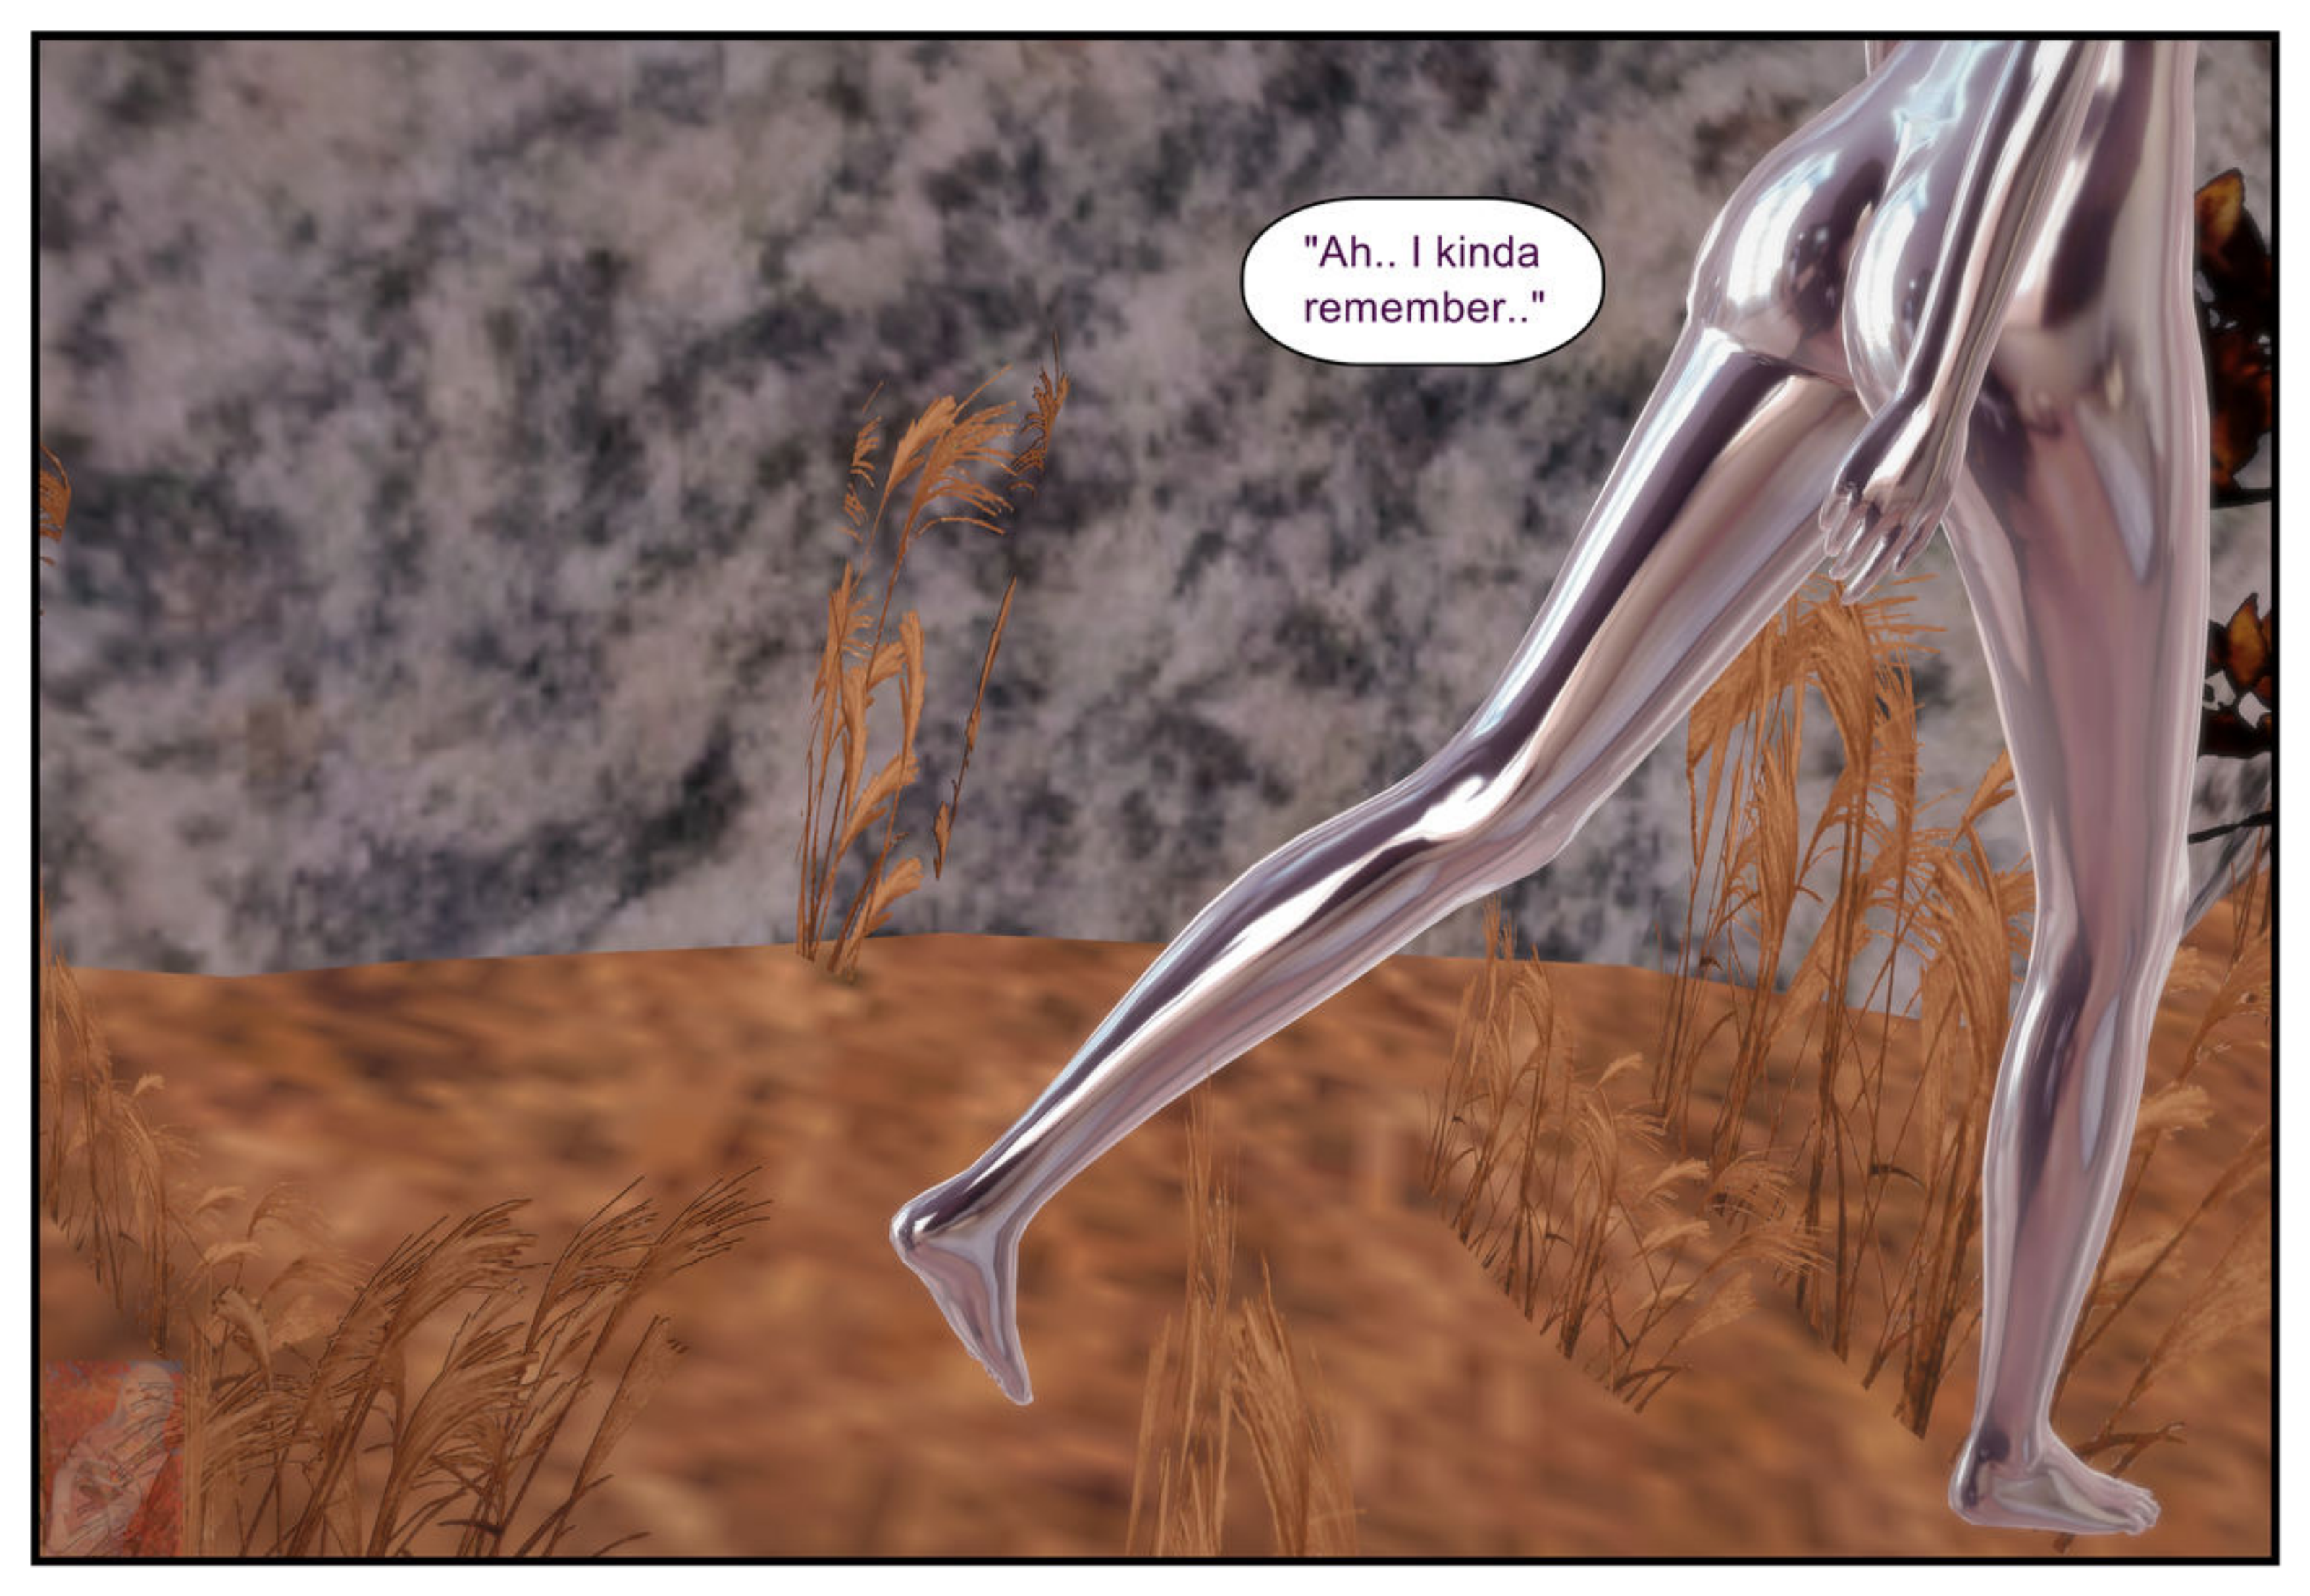

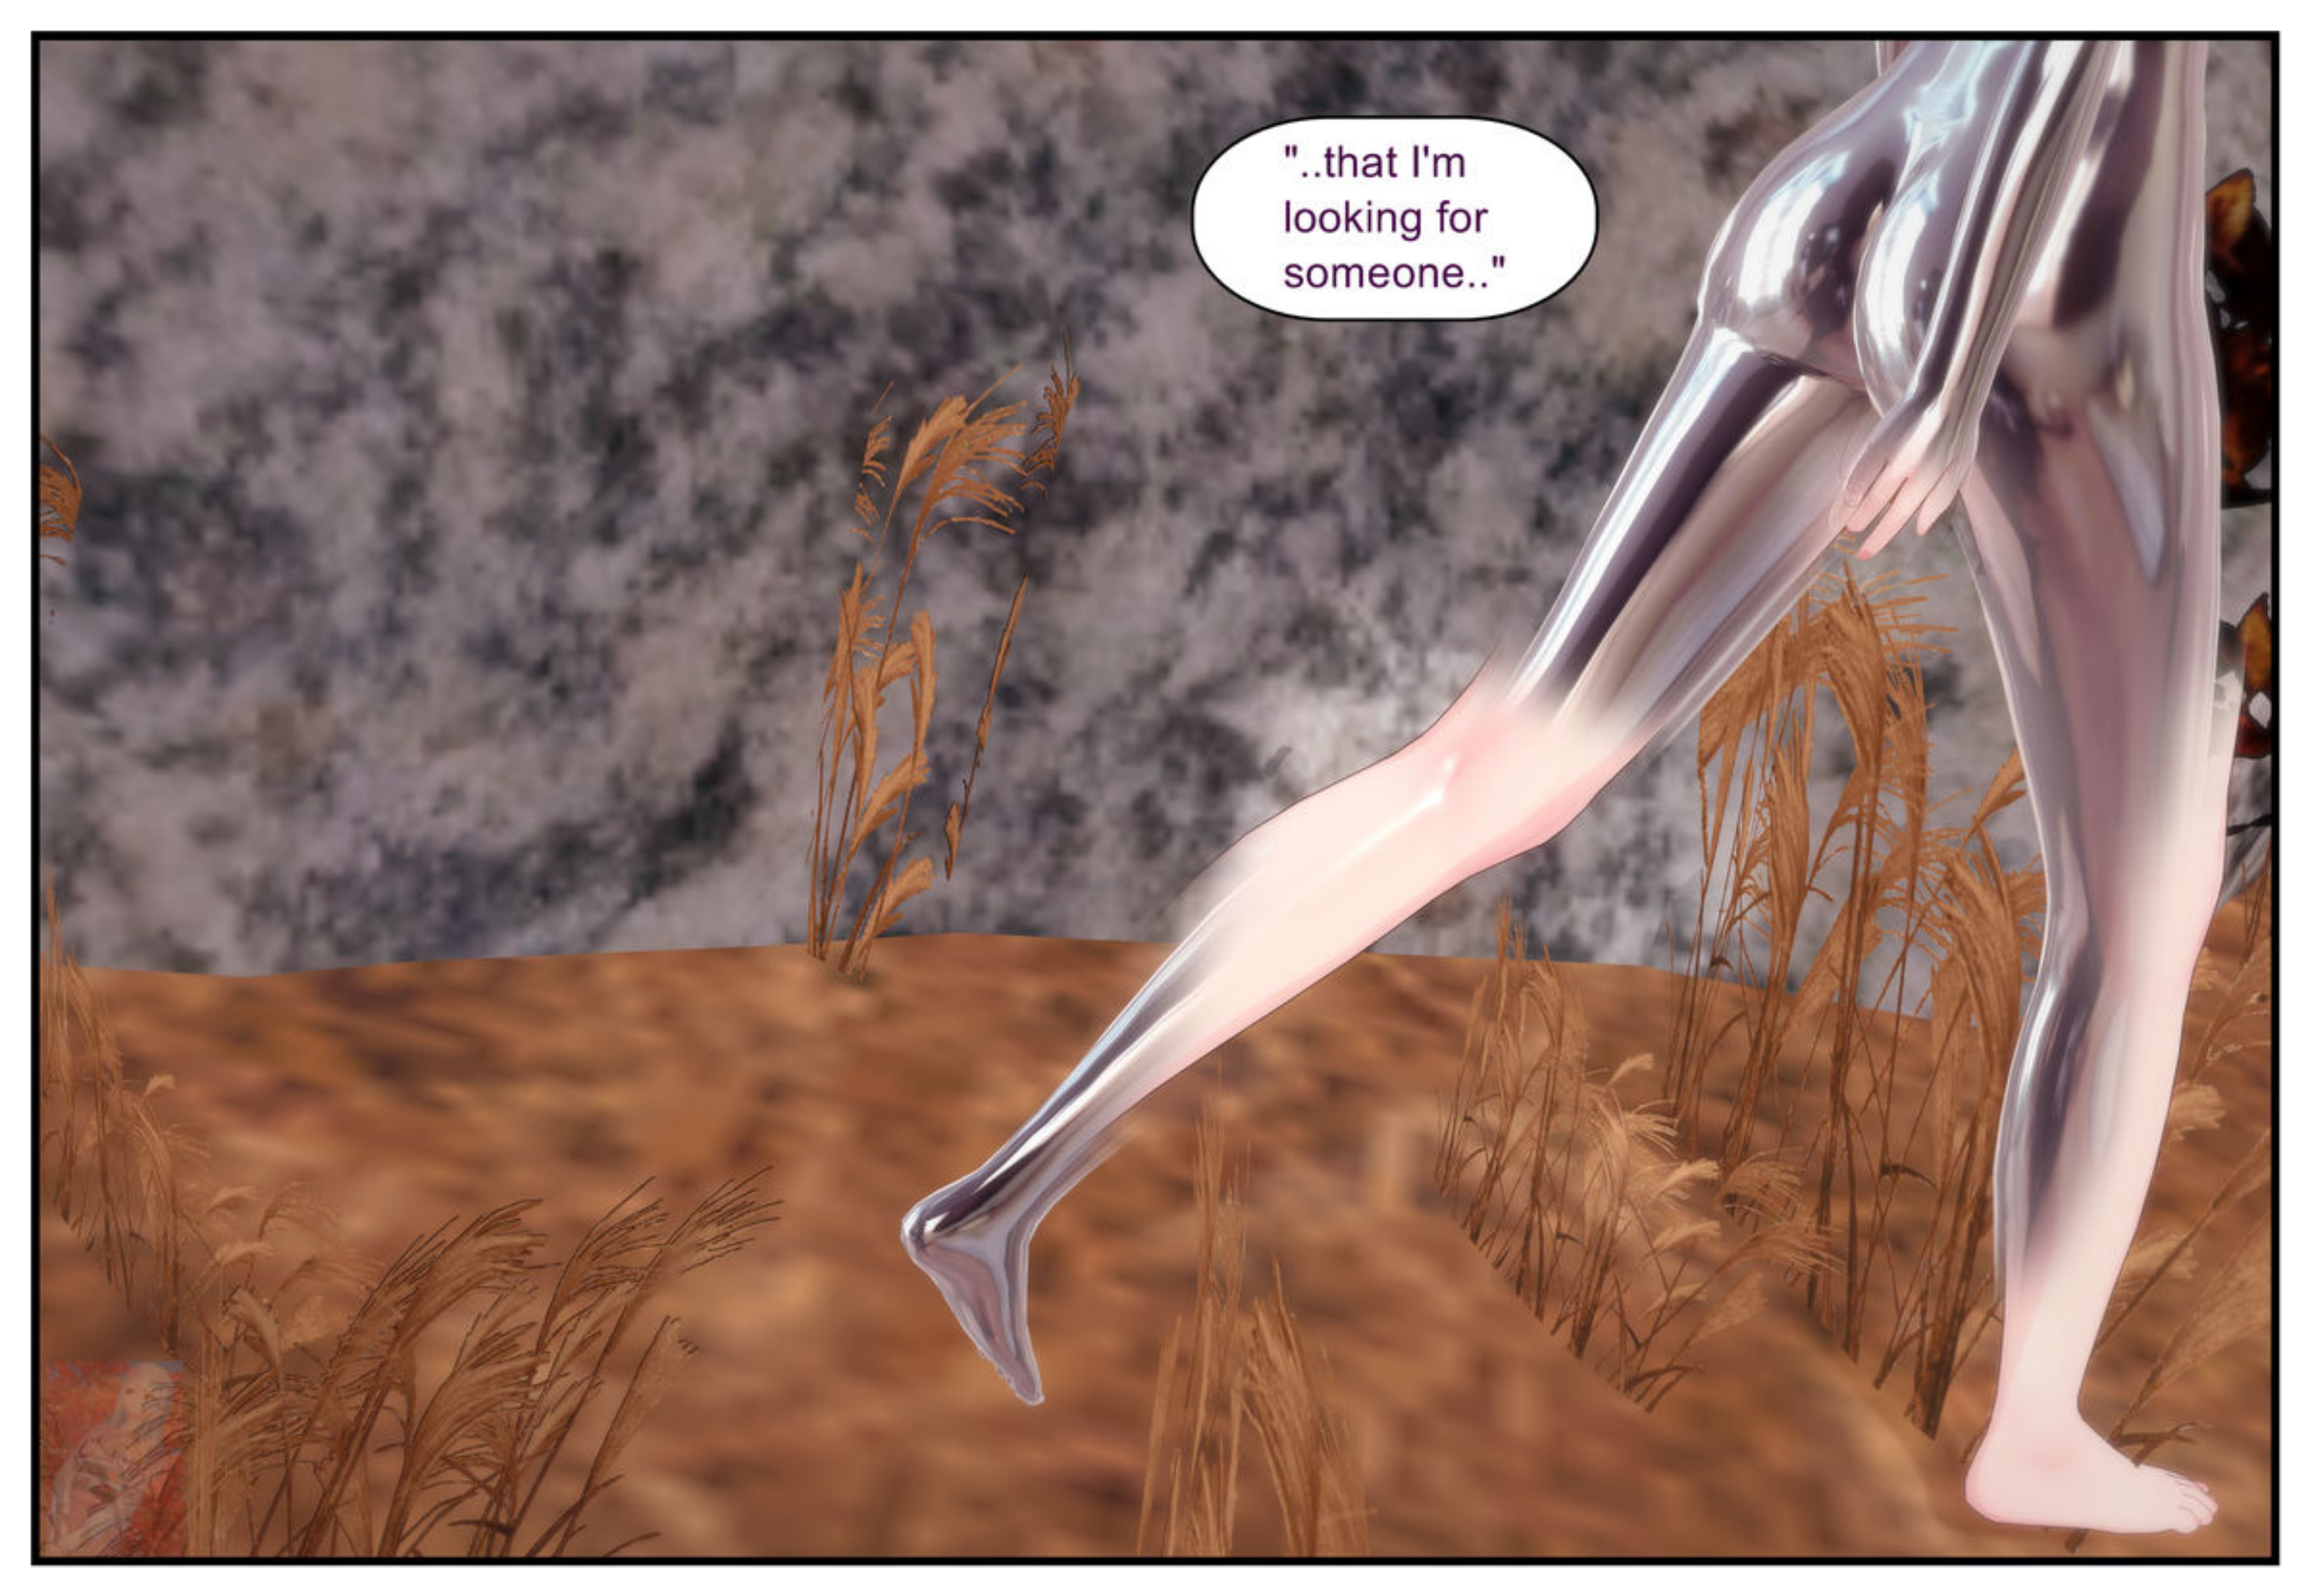

"There's a path through here.."

"Who am I..  
What am I going  
to do now?"

"Ah.. I kinda remember.."

A 3D rendered character with a highly reflective, metallic body is shown from the waist down. The character is standing in a field of tall, golden-brown grass. The body is a mix of silver and white, with a pinkish glow at the knees. The character's right leg is raised and bent at the knee, with the foot pointing downwards. The background is a soft, out-of-focus landscape with a blue sky and a brown ground. A speech bubble is positioned above the character's raised leg.

"..that I'm  
looking for  
someone.."

"A person that  
was really important  
to me."

"A person that  
I saw as my Master.."

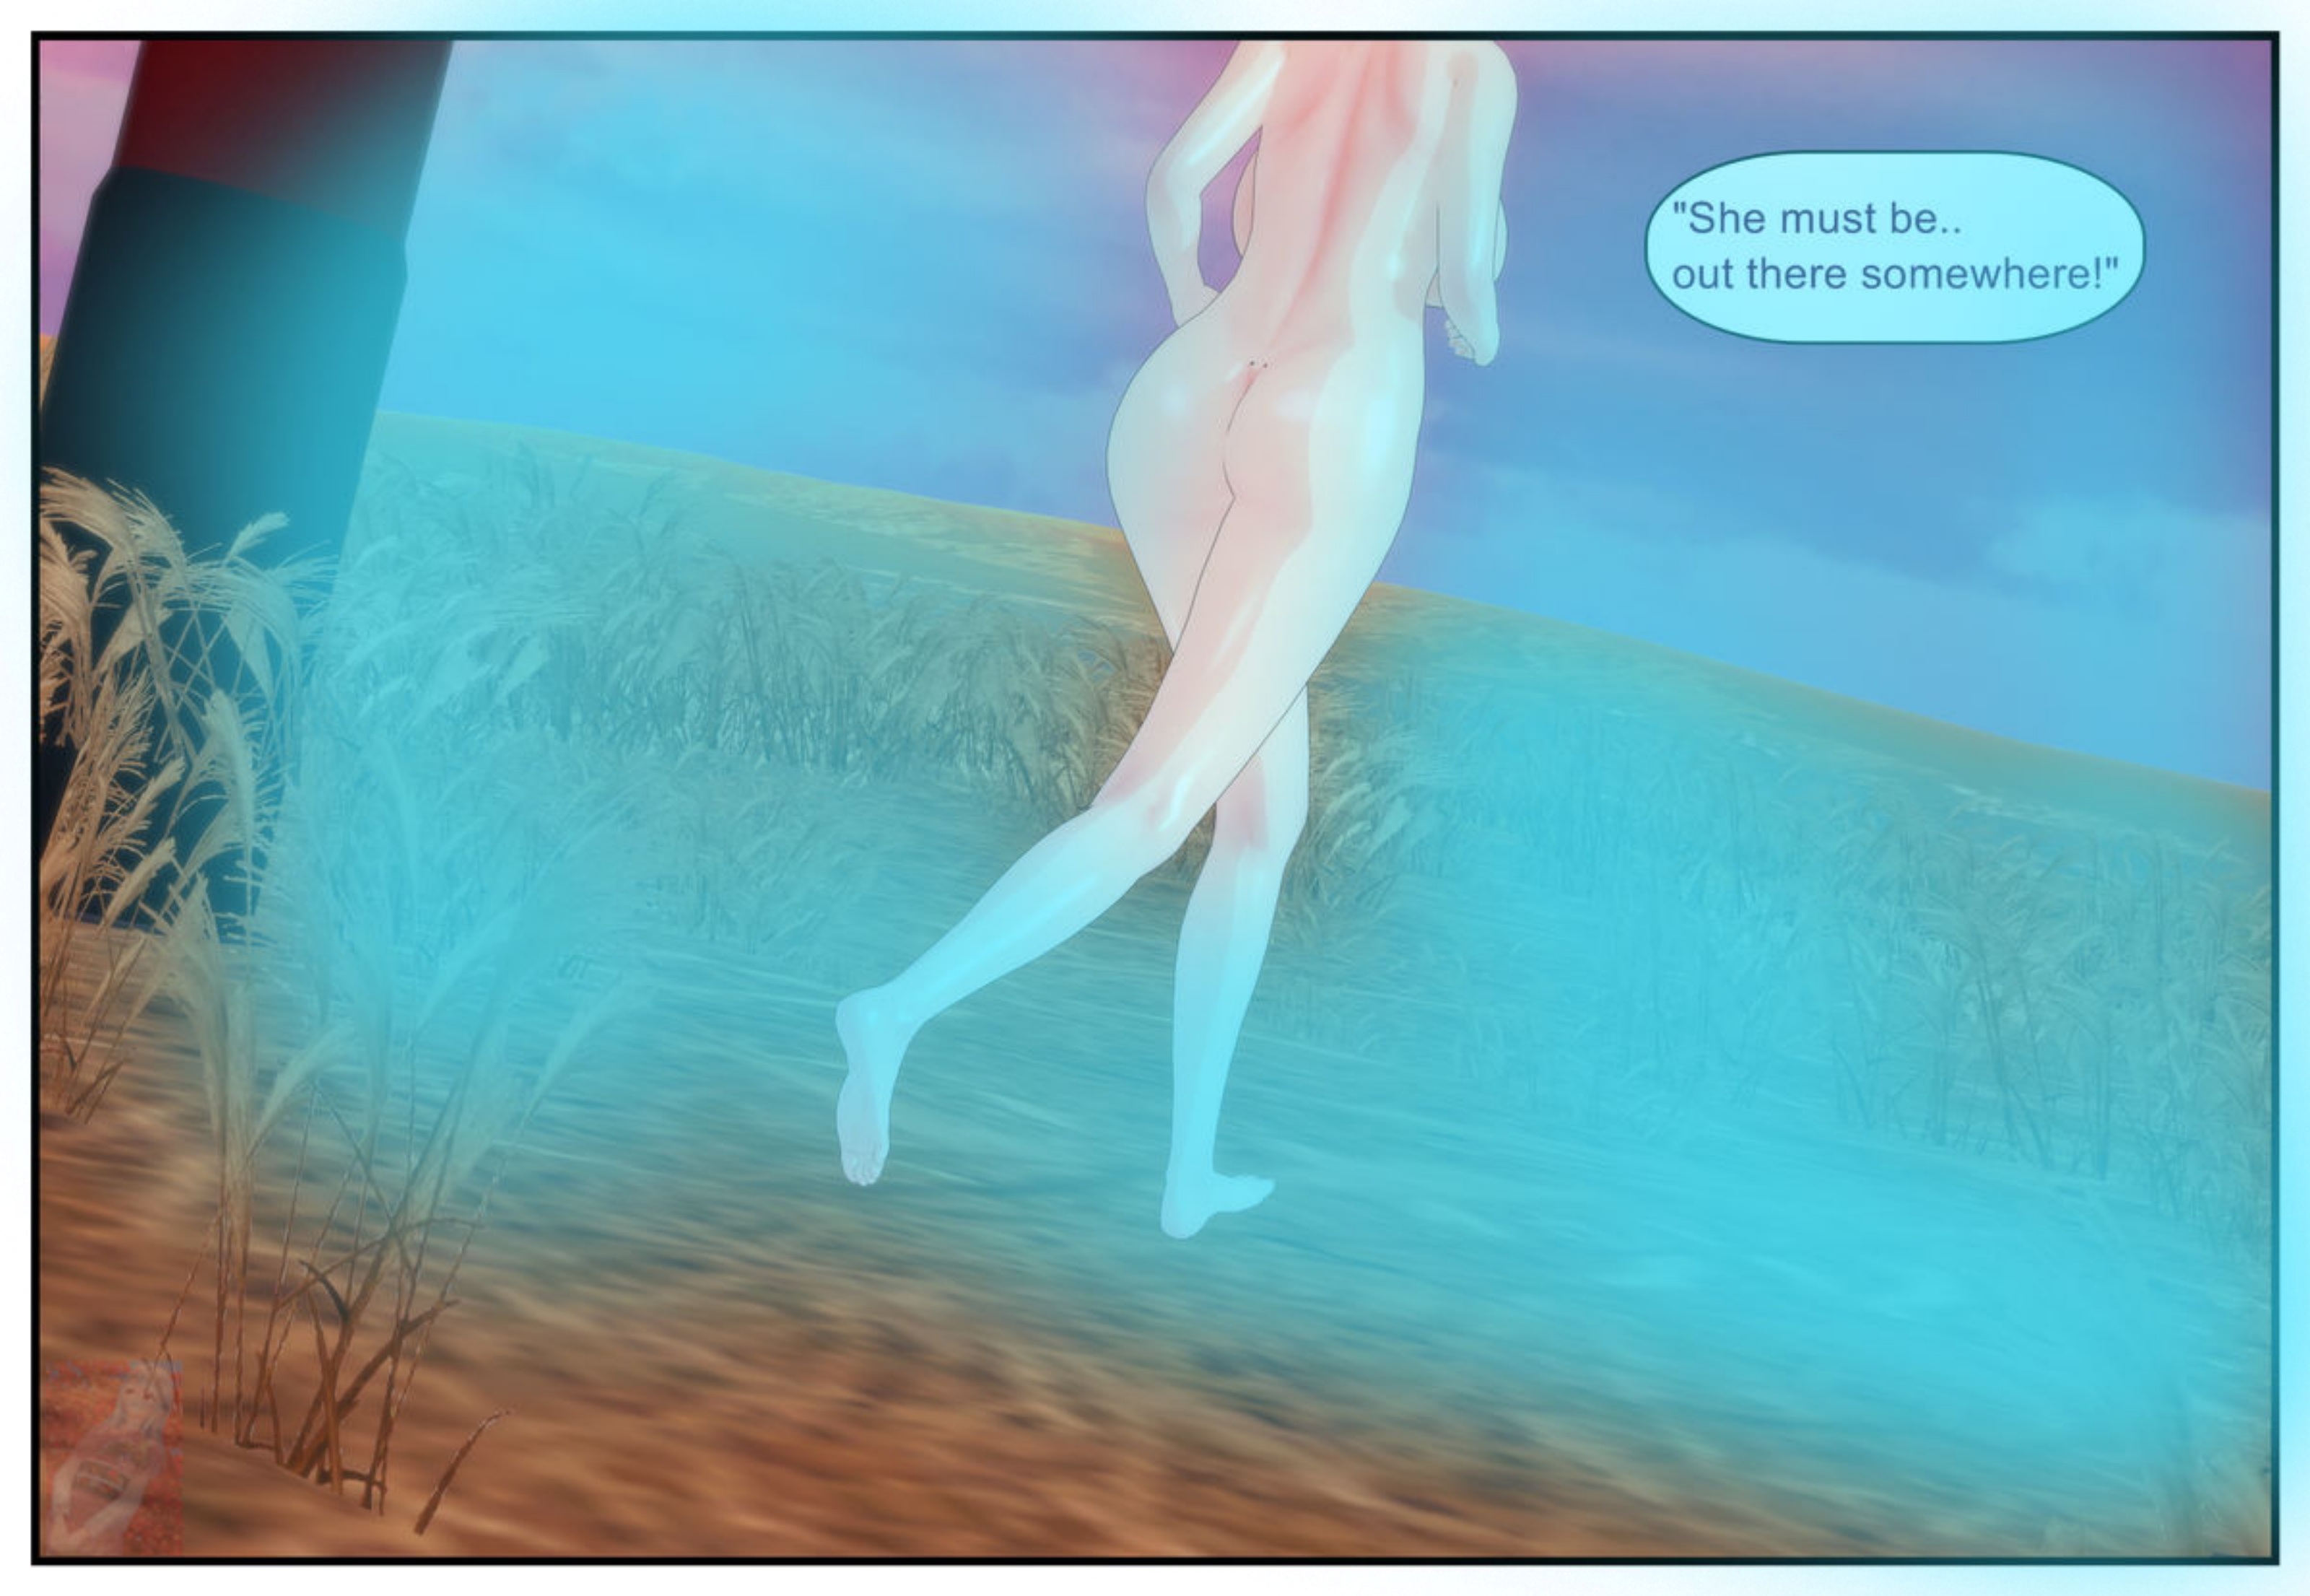

A woman with long, light-colored hair is shown from the back, looking towards a traditional Japanese torii gate. The gate is made of dark red wood and stands in a field. The sky is a mix of purple and blue, suggesting dusk or dawn. There are some tall grasses in the foreground. A speech bubble is positioned near the woman's head.

A strange gate..  
in the middle of  
the field..

I remembered..  
who I am.. and  
what I'm doing!

A woman with long, flowing white hair is running through a field of tall, golden-brown grass. She is wearing a white, form-fitting outfit. The sky is a deep purple, suggesting a sunset or sunrise. The overall scene is dramatic and evocative.

"I'm looking  
for my Master!!"

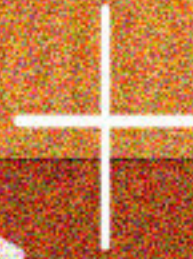

"She must be..  
out there somewhere!"

"I will find  
her! And we  
will.. We will..!"

You sure you can take care care of yourself, Ms. Hikari?

A character wearing a long, flowing brown dress and light blue socks with sandals is walking on a red carpet. The scene is set outdoors with a wooden railing in the foreground. In the background, there are trees with vibrant red autumn leaves. A metallic, silver character with a human-like face is visible through the railing, looking towards the viewer. A speech bubble is positioned above the character in the dress.

Yeah.. I'm worried  
about that nod of yours.

"They might know something about my Master.."

"I'm still not so sure yet.. but the festival.."

"The more information,  
the better."

"Felt weird that why did I end up in there..?"

Oh.. This metal  
sound.. is not  
Kaori..

The festival has ended.. everyone had left.. May I ask who are you?

I'm blind, but I have a sensitive ears. Please let me hear your voice.

"Can I.. trust her?  
She looks harmless."

May I ask that.. if you saw my Master?

Oh? Your Master?  
How was her voice?

I.. I don't..  
know.. uhm..

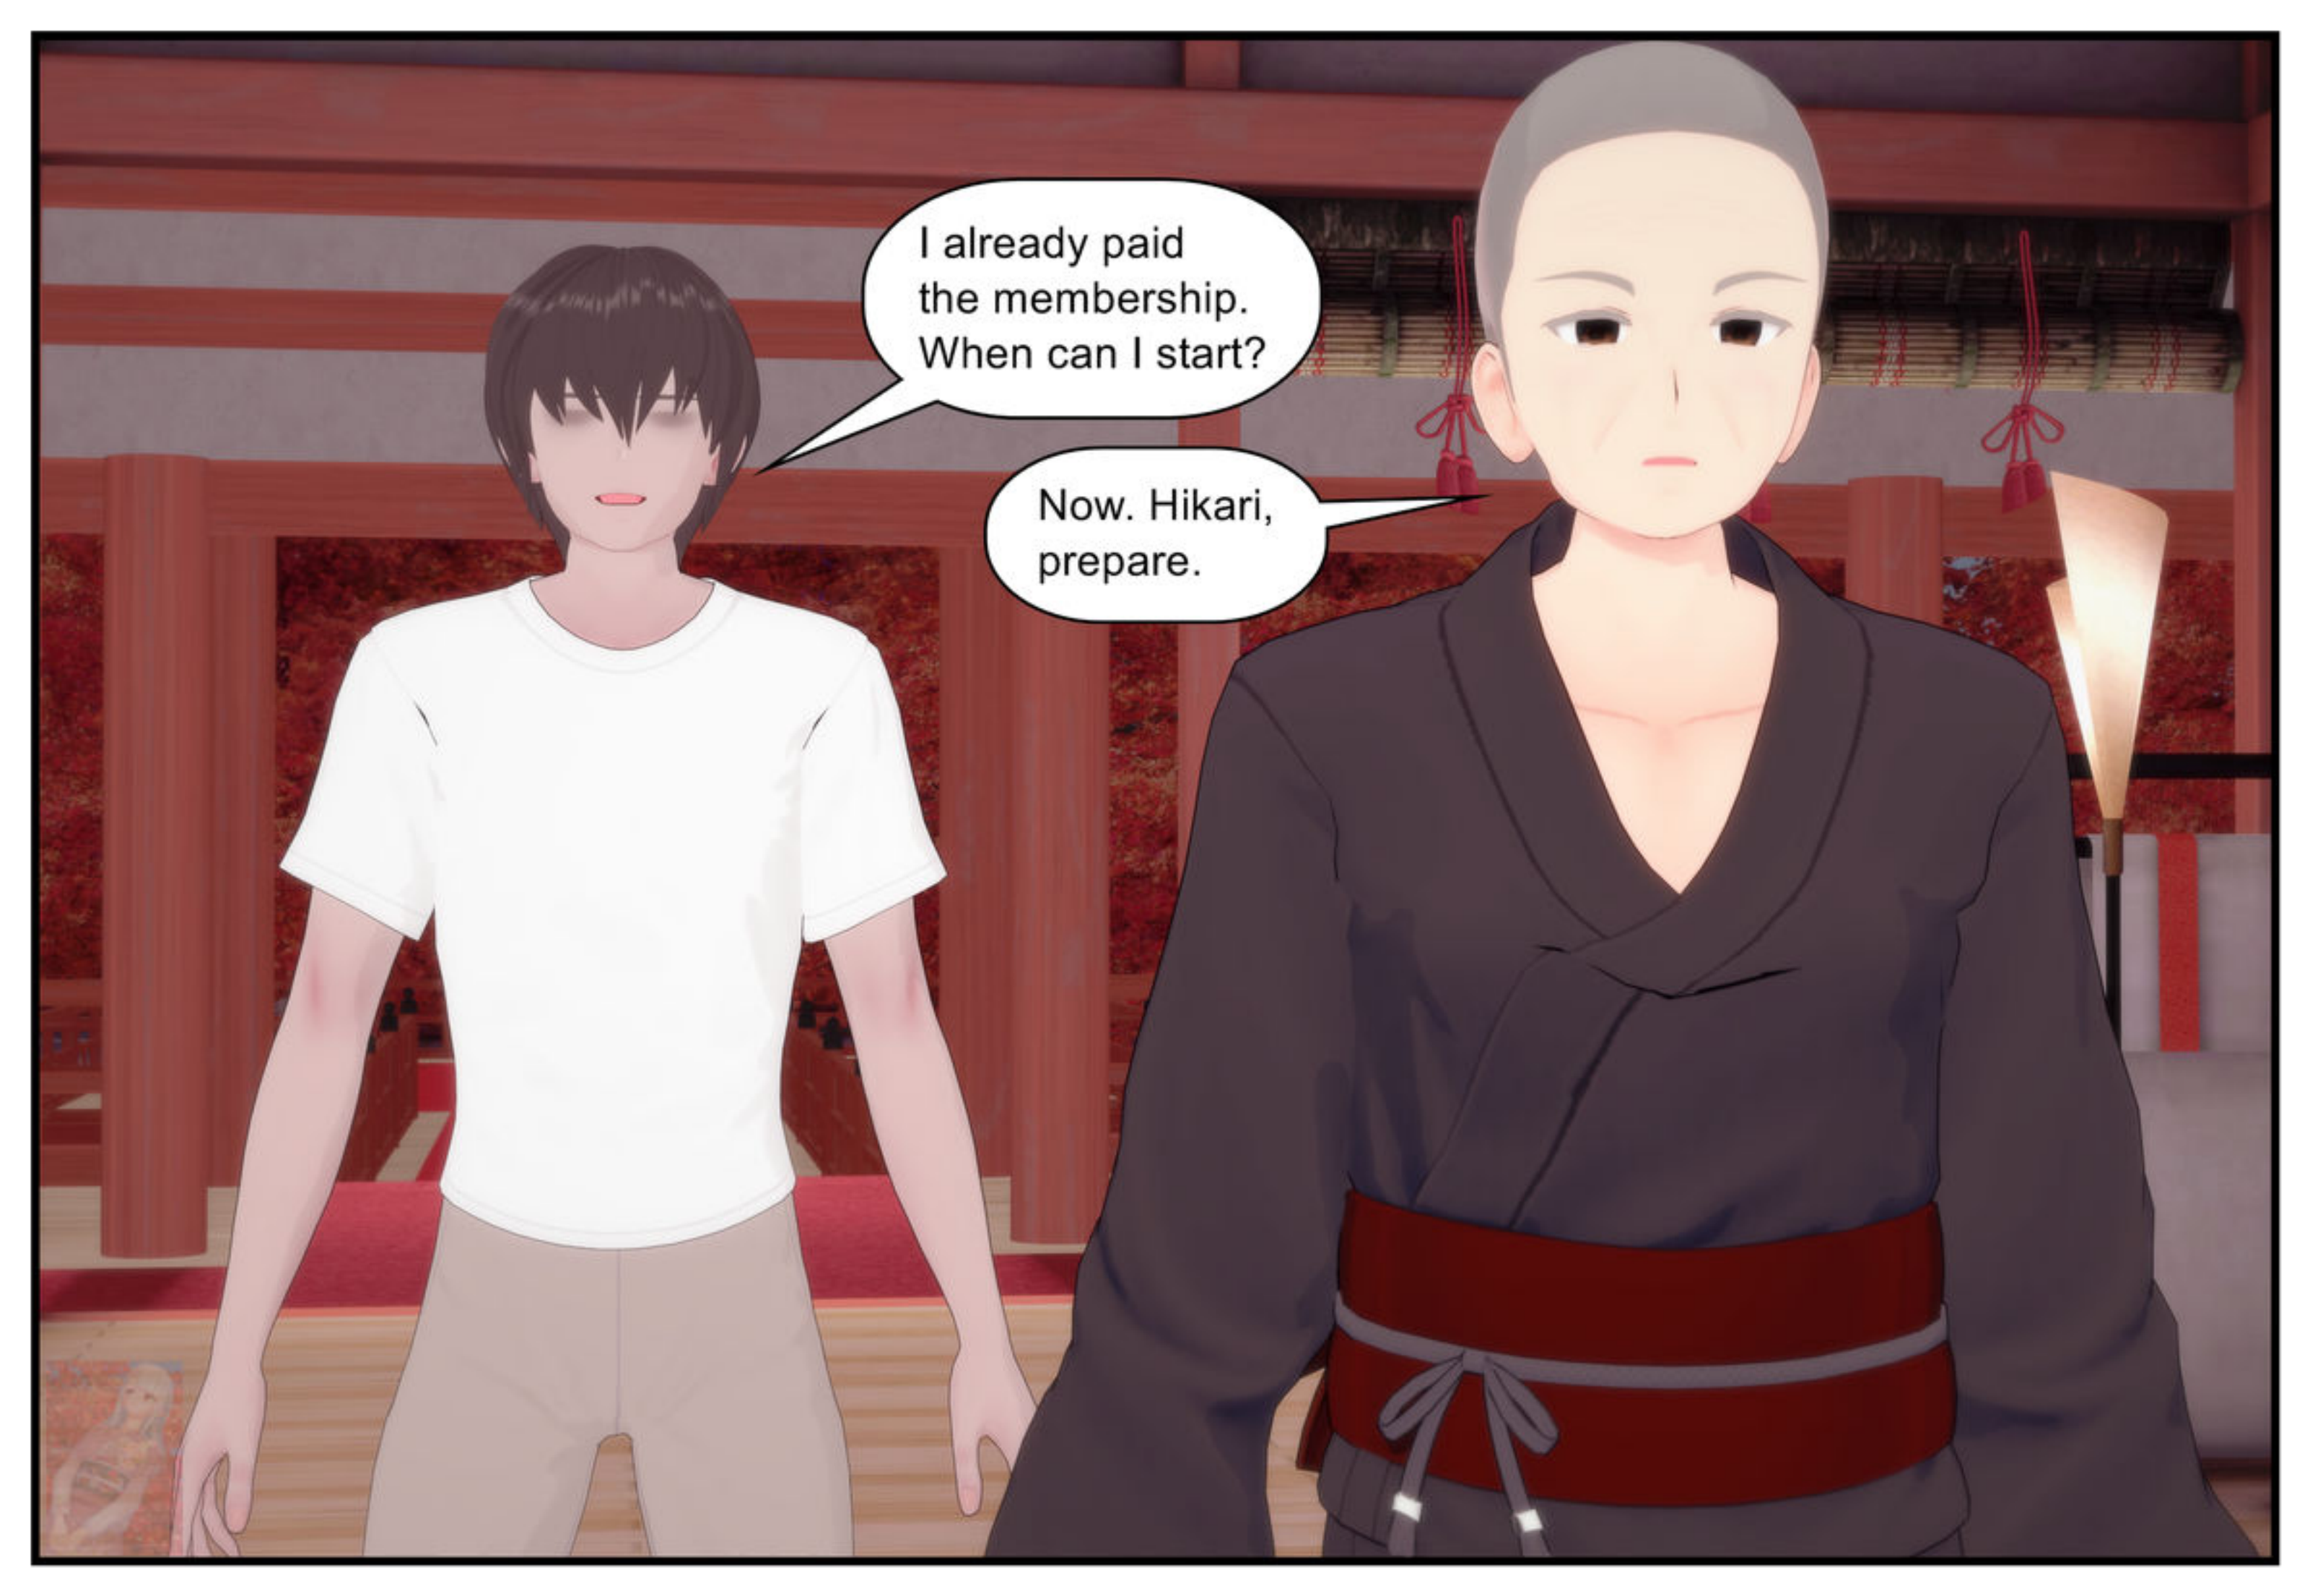

This way, sir.  
She's ready for you.

Yes, she is.

You said.. She  
is blessed by God?

I already paid  
the membership.  
When can I start?

Now. Hikari,  
prepare.

A character in a white coat with a red sash is looking at a metallic figure on a tray. The figure is a small, shiny, metallic humanoid with a bun hairstyle. The character's hand is visible, resting on the red sash. The background is dark and textured.

No, sir. I know you well. And the member next to you..

What happened?  
Is there something that you can't recognize my voice?

Where's Kaori?  
She's supposed  
to be with you.

Kaori went out  
for groceries. I  
stayed here alone.

"She didn't  
say I was here?"

"Maybe.. I  
can trust her."

"I should..  
wait for her."

"What was.. my  
Master's voice  
sound like?"

Oh.. You  
awake? How  
do you feel?

A close-up, anime-style illustration of a character's eye. The eye is large, with a dark iris and a white sclera, looking slightly to the right. The character has long, flowing, light-colored hair that frames the eye. The background is a soft, out-of-focus gradient of light purple and white. A speech bubble is positioned in the upper right quadrant of the image.

"My Master.. Is  
this a dream..?"

Why? I have  
no more relationship  
with you!

I told you to  
paid me on time!

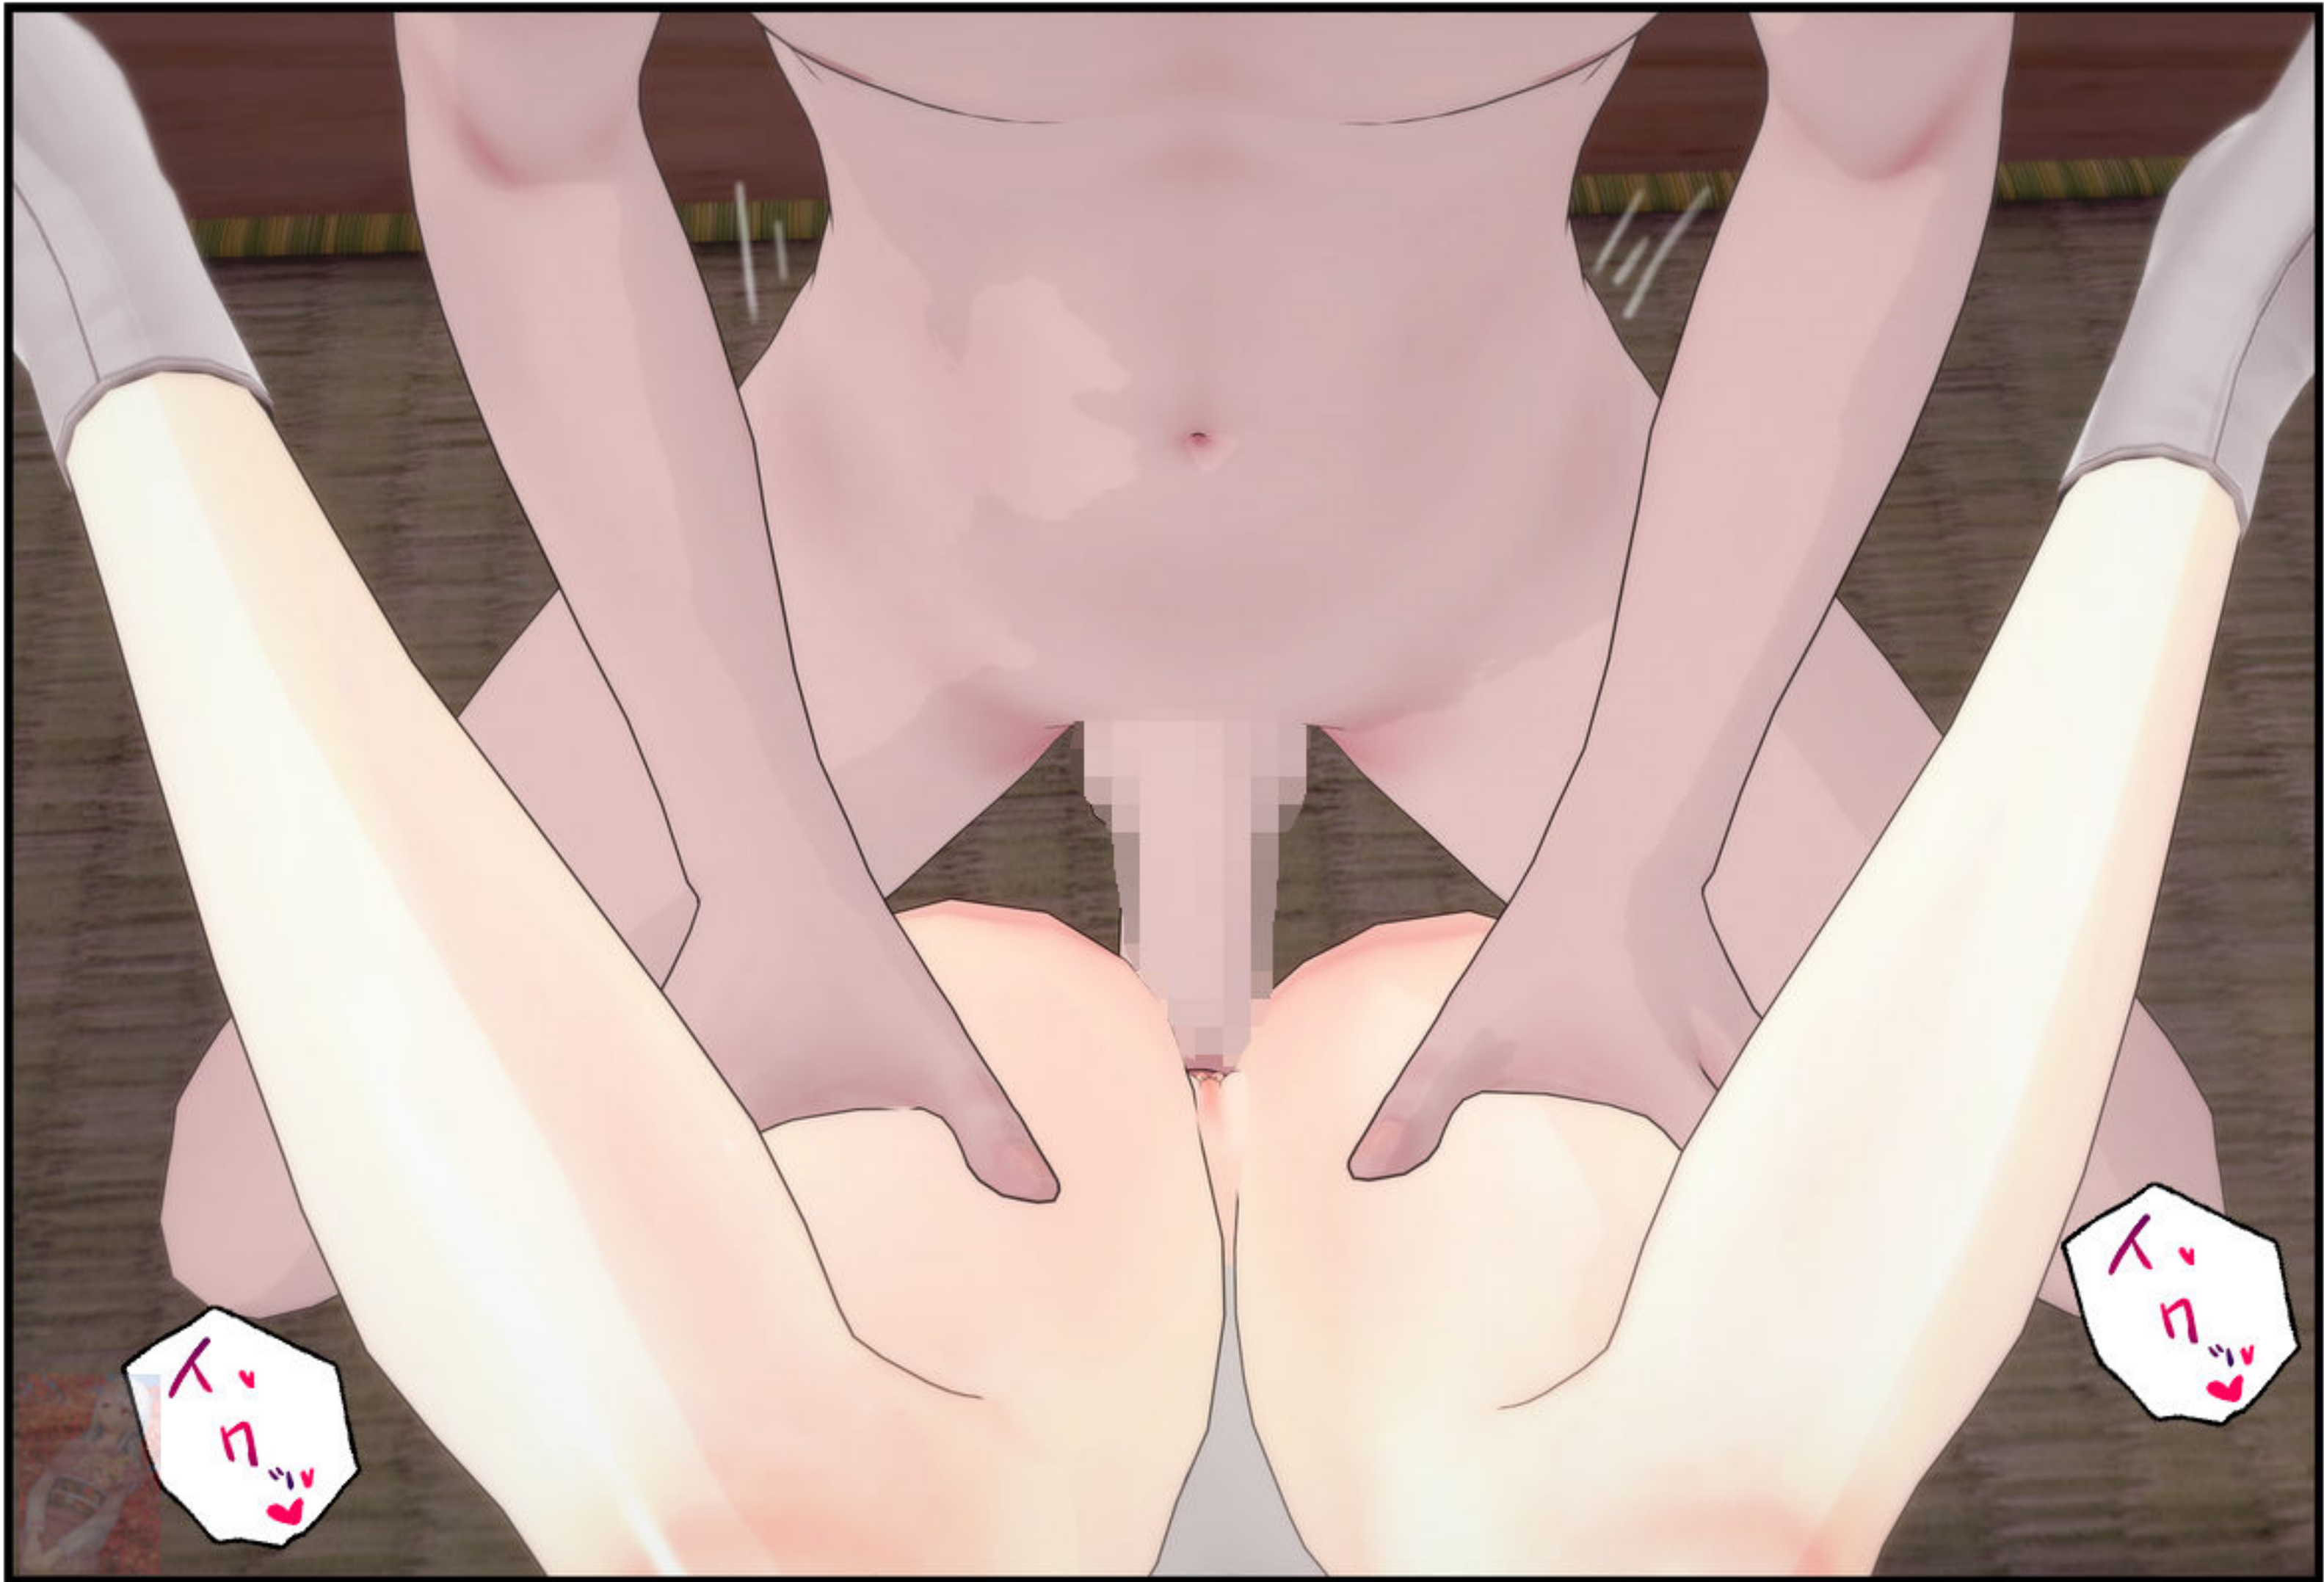

Get out of here!  
And stay away  
from me!!

"Is this.. what they call "blessing"?"

"That monk is back.."

Hehe.. F\*\*k the festival. I can do more than that.  
\*whisper\*

Oh? Hey there,  
Kaori. When did  
you get back?

I just got back.  
Is there anything  
wrong?

No, but why  
are you naked?

"He's getting closer."

Do you want my blessing too, Kaori?

Let me.. give  
you some.

"My hand.. is..  
This angry feeling.."

I don't need it, sir.

W-What are you doing!?  
Get your hand off me!!

Oh yes, you need it.

Don't be scare.  
You will be blessed  
just like Hikari.

"He has a strong force.. I can't get out.."

"The next thing I know.."

"..I killed him.."

Murderer!!  
I will call the  
police!!!

N-No.. It was  
an accident..

P-Please.. I didn't want to.. Please!

Please.. I  
just want to..  
find my Master..

Thank you for  
doing what I couldn't.

You didn't do anything wrong, it was them.

Shame that I  
can't hear his  
scream or see  
his death..

You are not Kaori,  
but got the exact  
same voice as her.  
Who are you?

I just borrowed her form.. to ask about my Master..

But it doesn't matter now, I will be.. arrested..

Hope she can  
see me on the news..  
Ahaha..

I came here, this shrine, to look for my sister 5 years ago.

But she already  
gone, and I was  
tricked by that monk.

I waited.. if she would come.. and.. and.. \*sob\*

She never did!  
I was looking  
for her voice!!  
But no!!

I'm sorry..

It's okay. You just free me.

Ah.. I thought  
I was talking alone.  
You are real..

Ah.. something  
like metal..

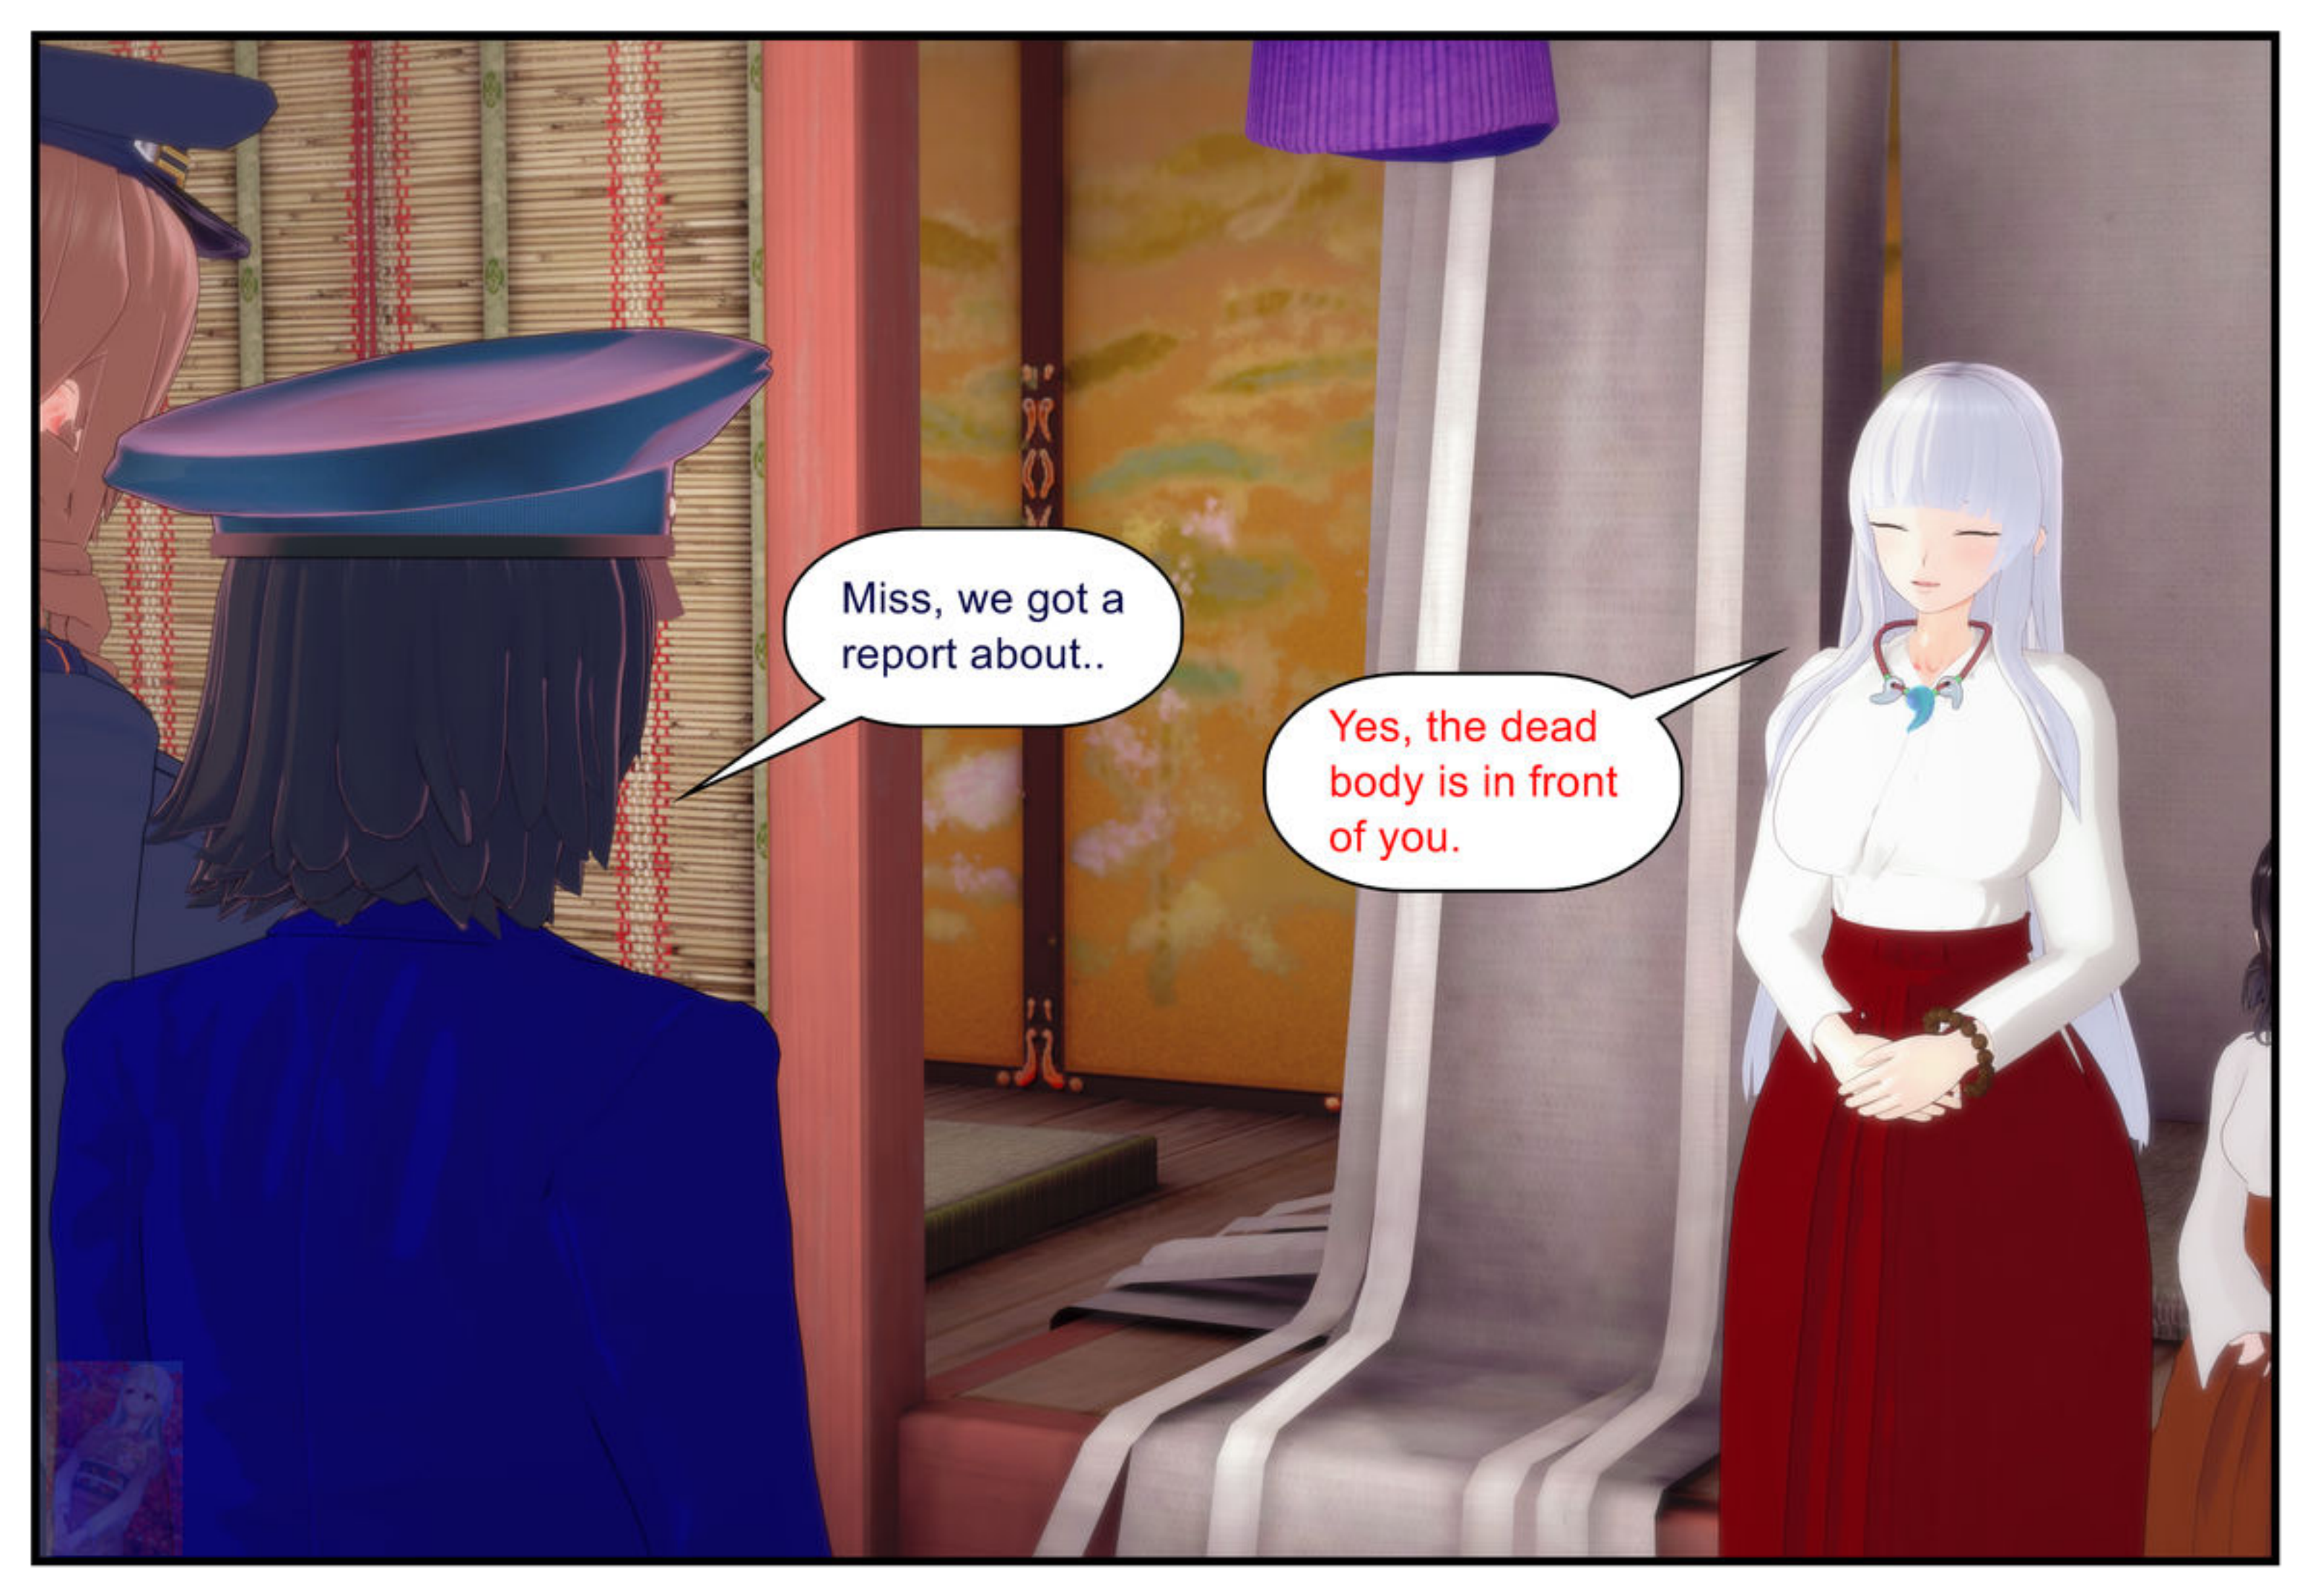

The 2 officers arrive the scene 30 minutes later..

Ugh. My day off, what kind of criminal is this!?

Police also work 24/24, Sergeant..

Miss, we got a report about..

Yes, the dead body is in front of you.

Oh? You haven't  
looked through  
the scene yet..

It's not okay to  
accuse us, right?  
Or this could be  
self-defense?

Ho? So you want me to investigate first?

Very well, we will do to search the place. Run and I will arrest you immidiately

To be continued?
