

BONJOUR

~ by lady..

please remember..

Tell me
Chat Noir...

~ when you look into these eyes.

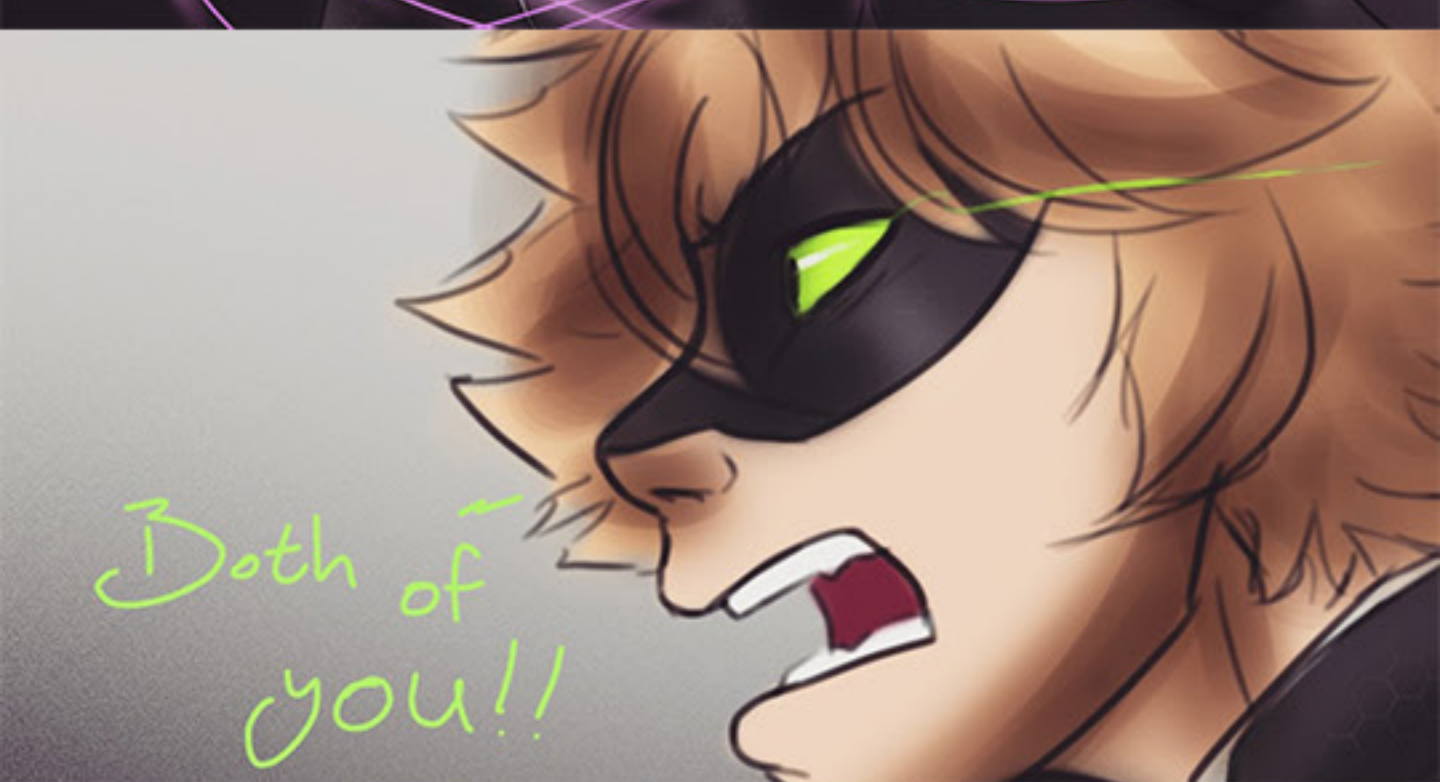

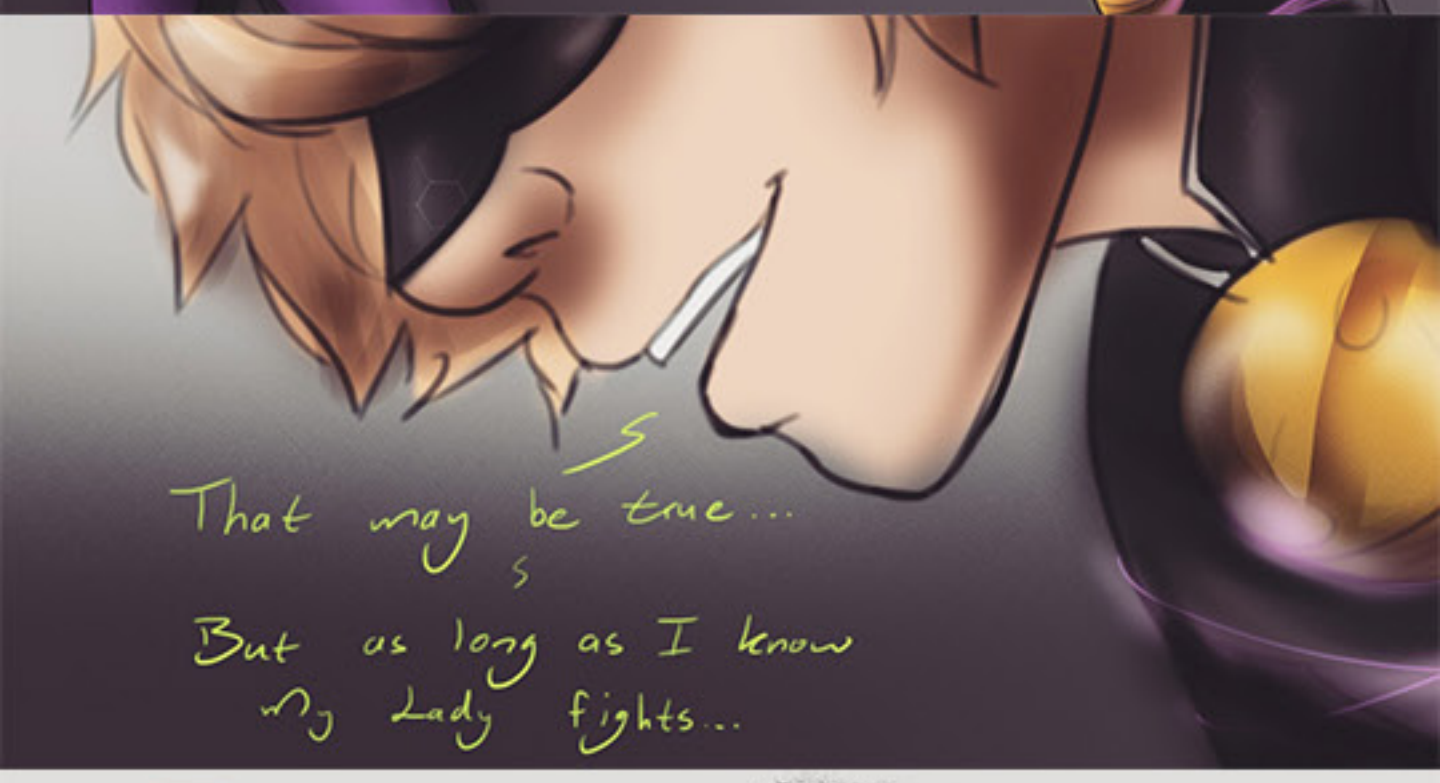

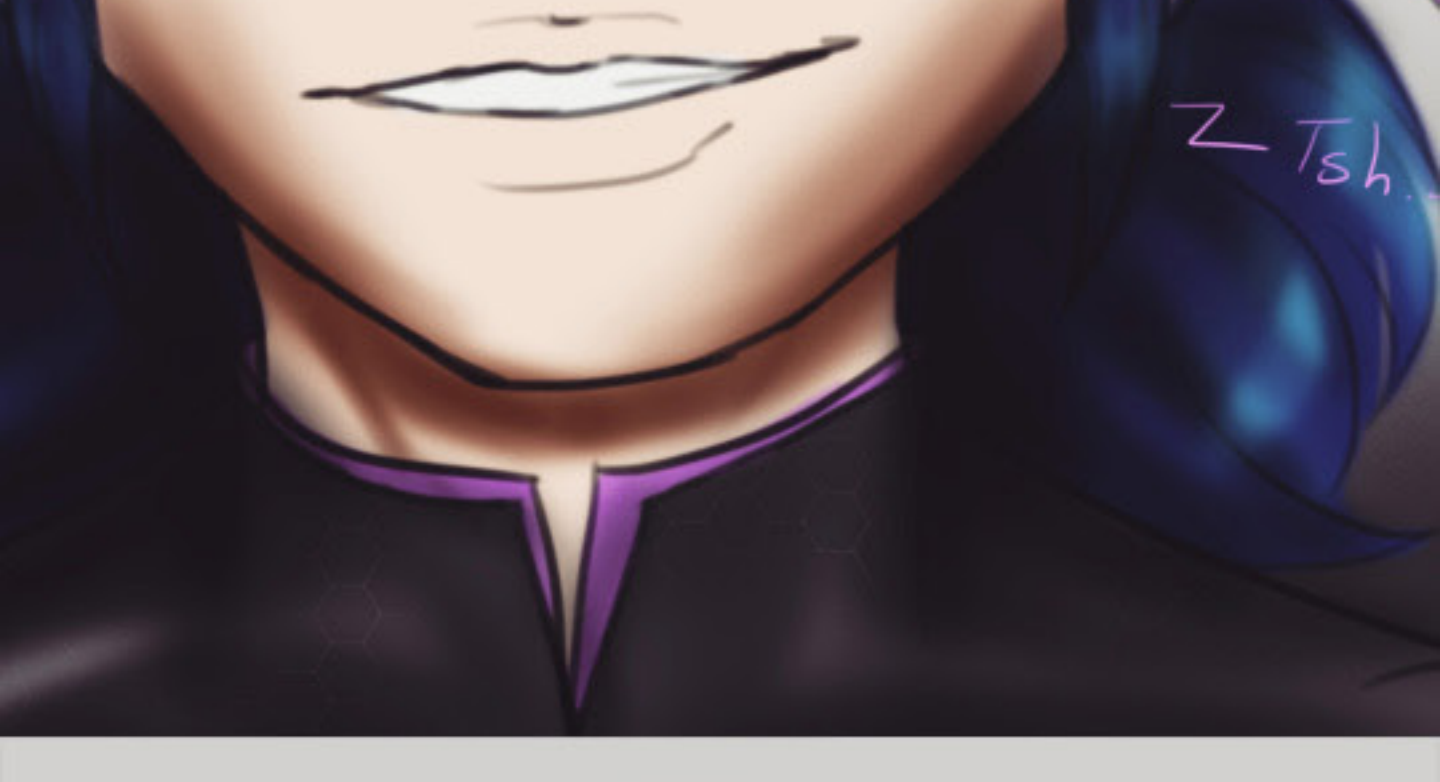

Do you honestly see a shred of
hope left? It's useless effort.

yes... I do. Marinette is in there...
I can see her...

... and she's fighting...

BROKEN PROMISE

THE PREVIOUS DAY...

POUND IT!

As much as this cat wants to stay, I sadly need to be somewhere. Until next time My Lady!

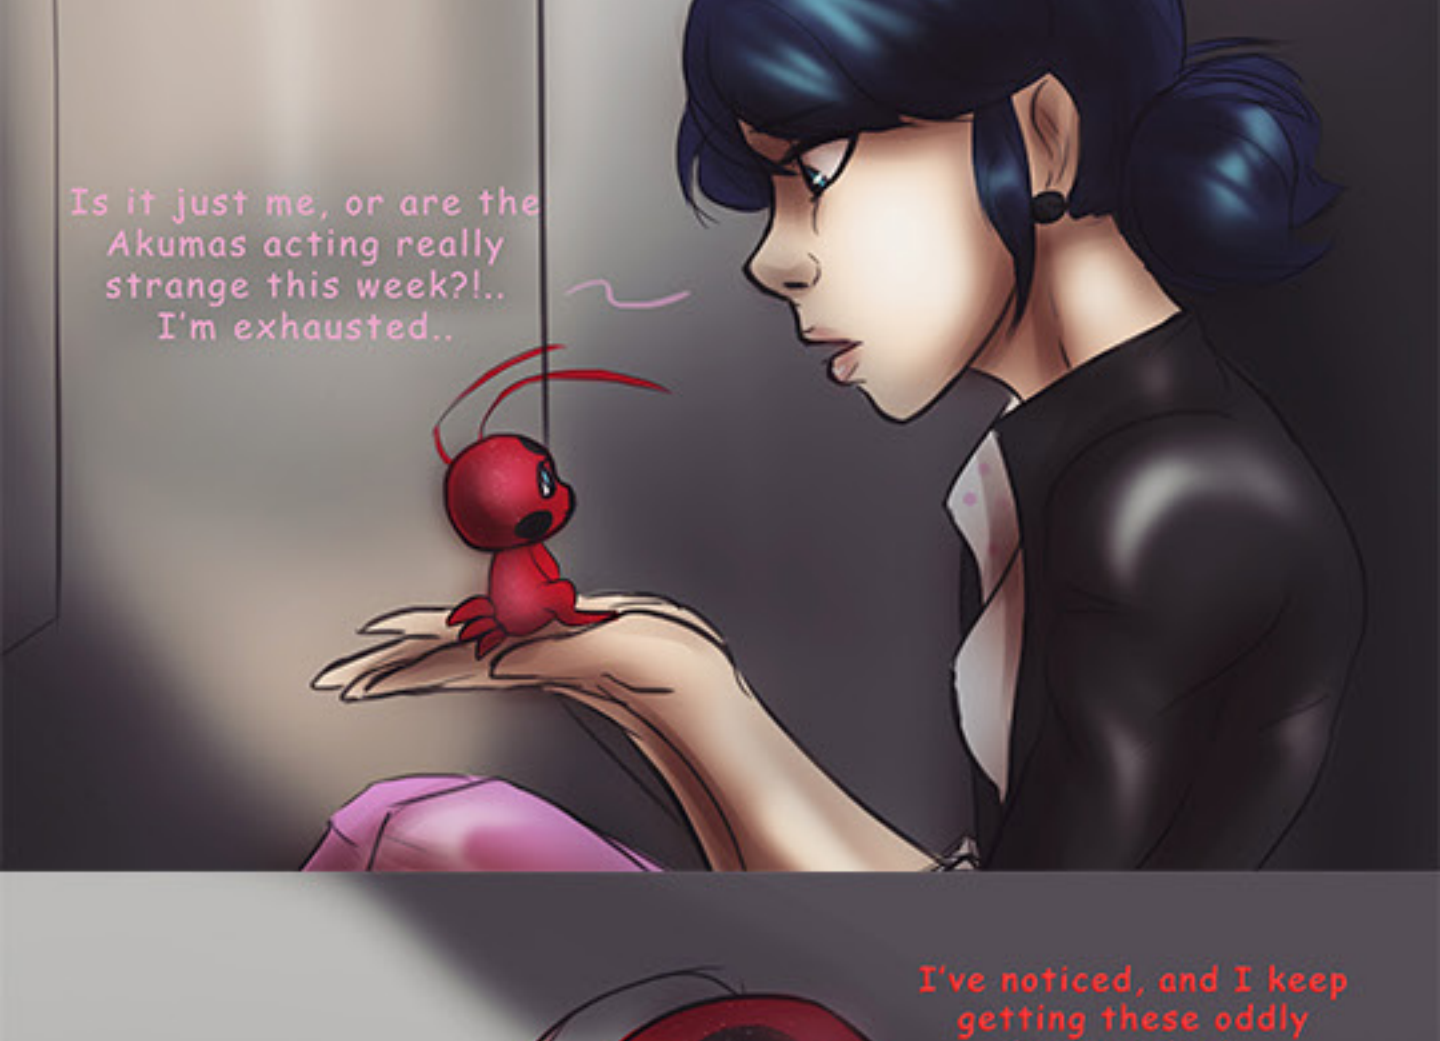

Goodbye Cat!

Bye Bye!

Tikki, Spots off..

~Sight~

Is it just me, or are the Akumas acting really strange this week?!.. I'm exhausted..

I've noticed, and I keep getting these oddly familiar feel...

Tikki? Are you.. TIKKI!?

...ings.

Sorry Marinette, I probably scared you.. That just happens when I get those feelings, i'm fine now really.

Besides, we need to get you to class!

Ok, but if that happens again, then i'm taking you to Master Fu.

Are you trying to give me grey hair at this age!!?

Today was the 3rd time you have been attacked by an akuma this week! Did something happen? Why are they after you?

MegS-ILS

We are so worried about you!

MegS-ILS

I..I'm sorry. Honestly i have no idea why the akumas keep targeting me! I have never even met those people....I don't even know if I upset someone by accident.

MegS-ILS

Hey don't worry too much, Ladybug and Chat noir are always there to help. i'm sure they will figure this out.

MegS-ILS

Let's get to class

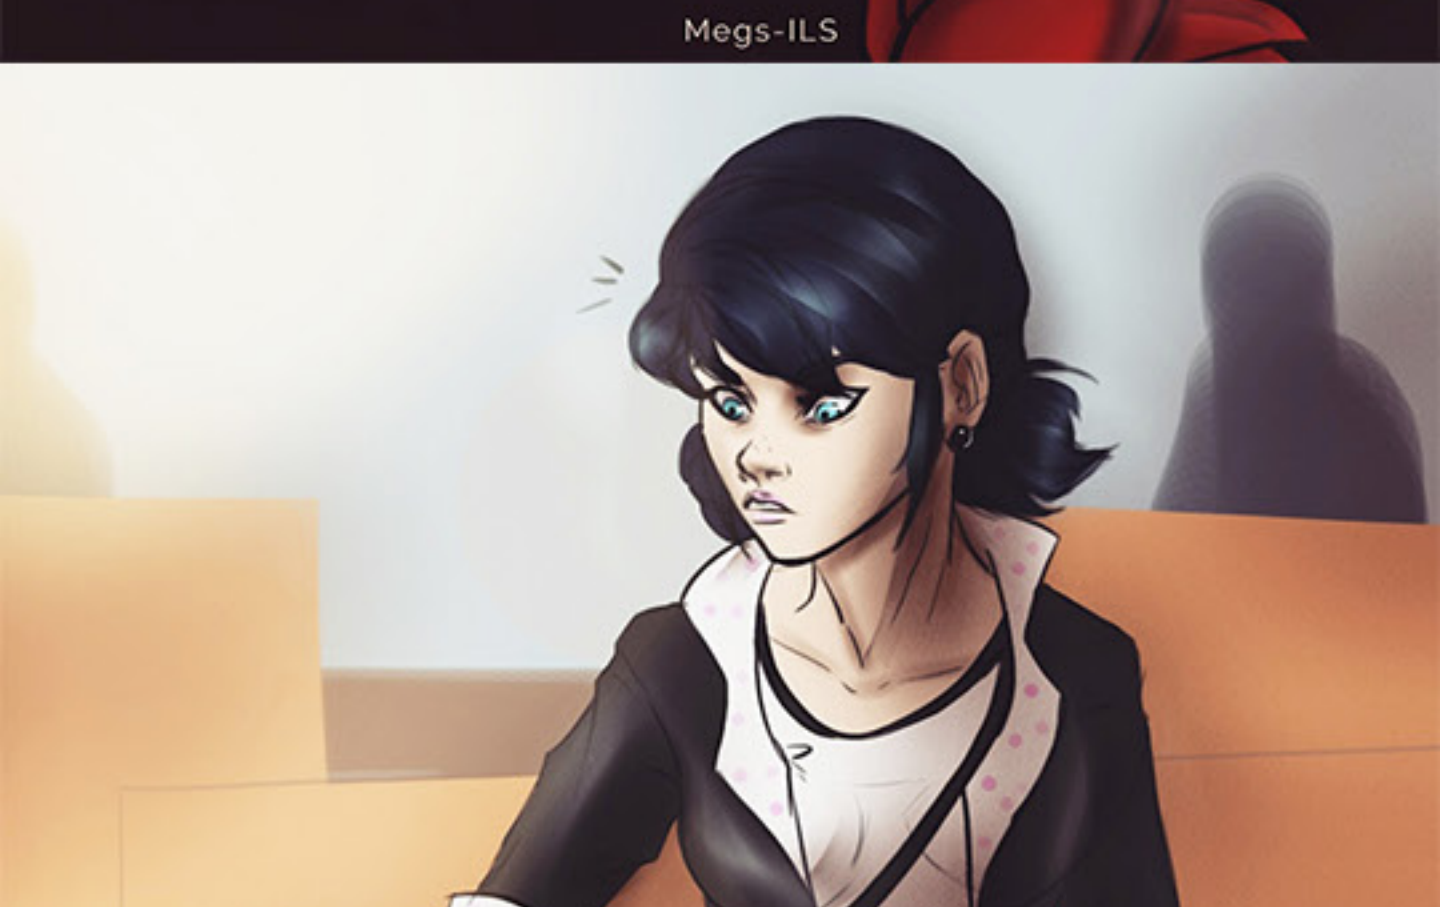

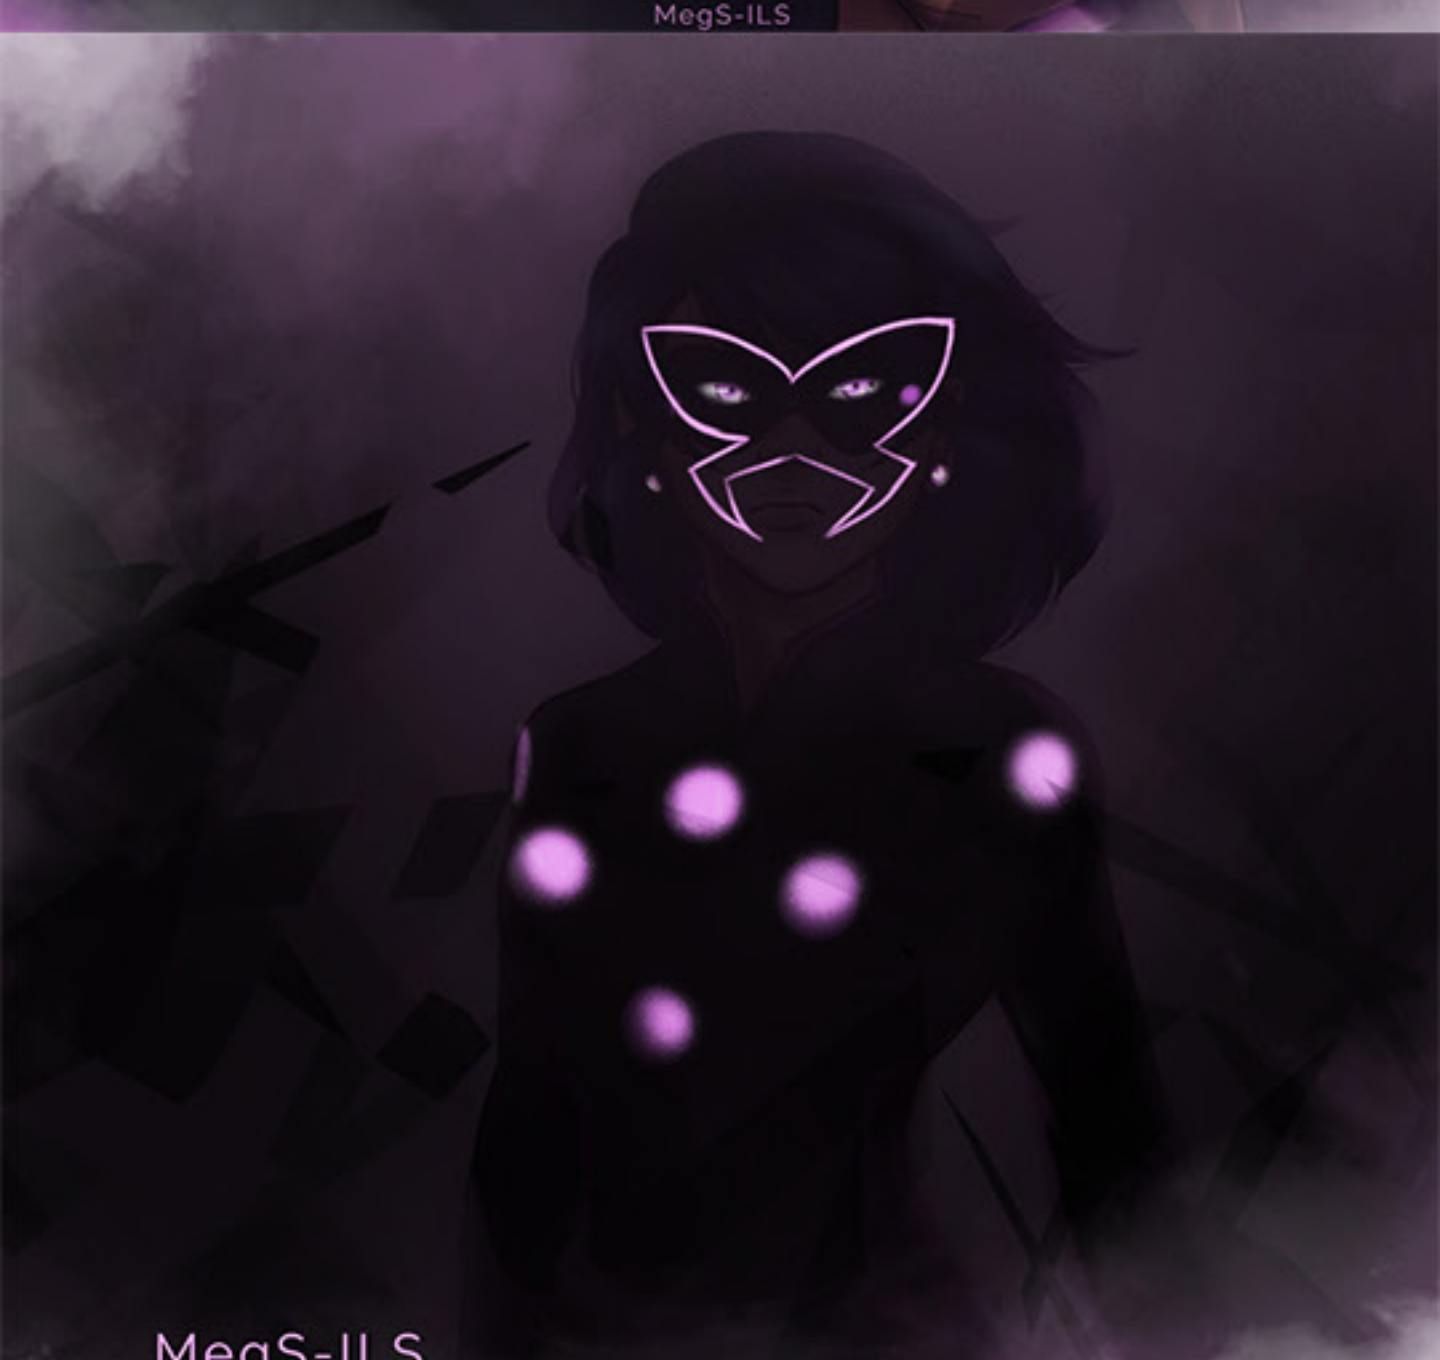

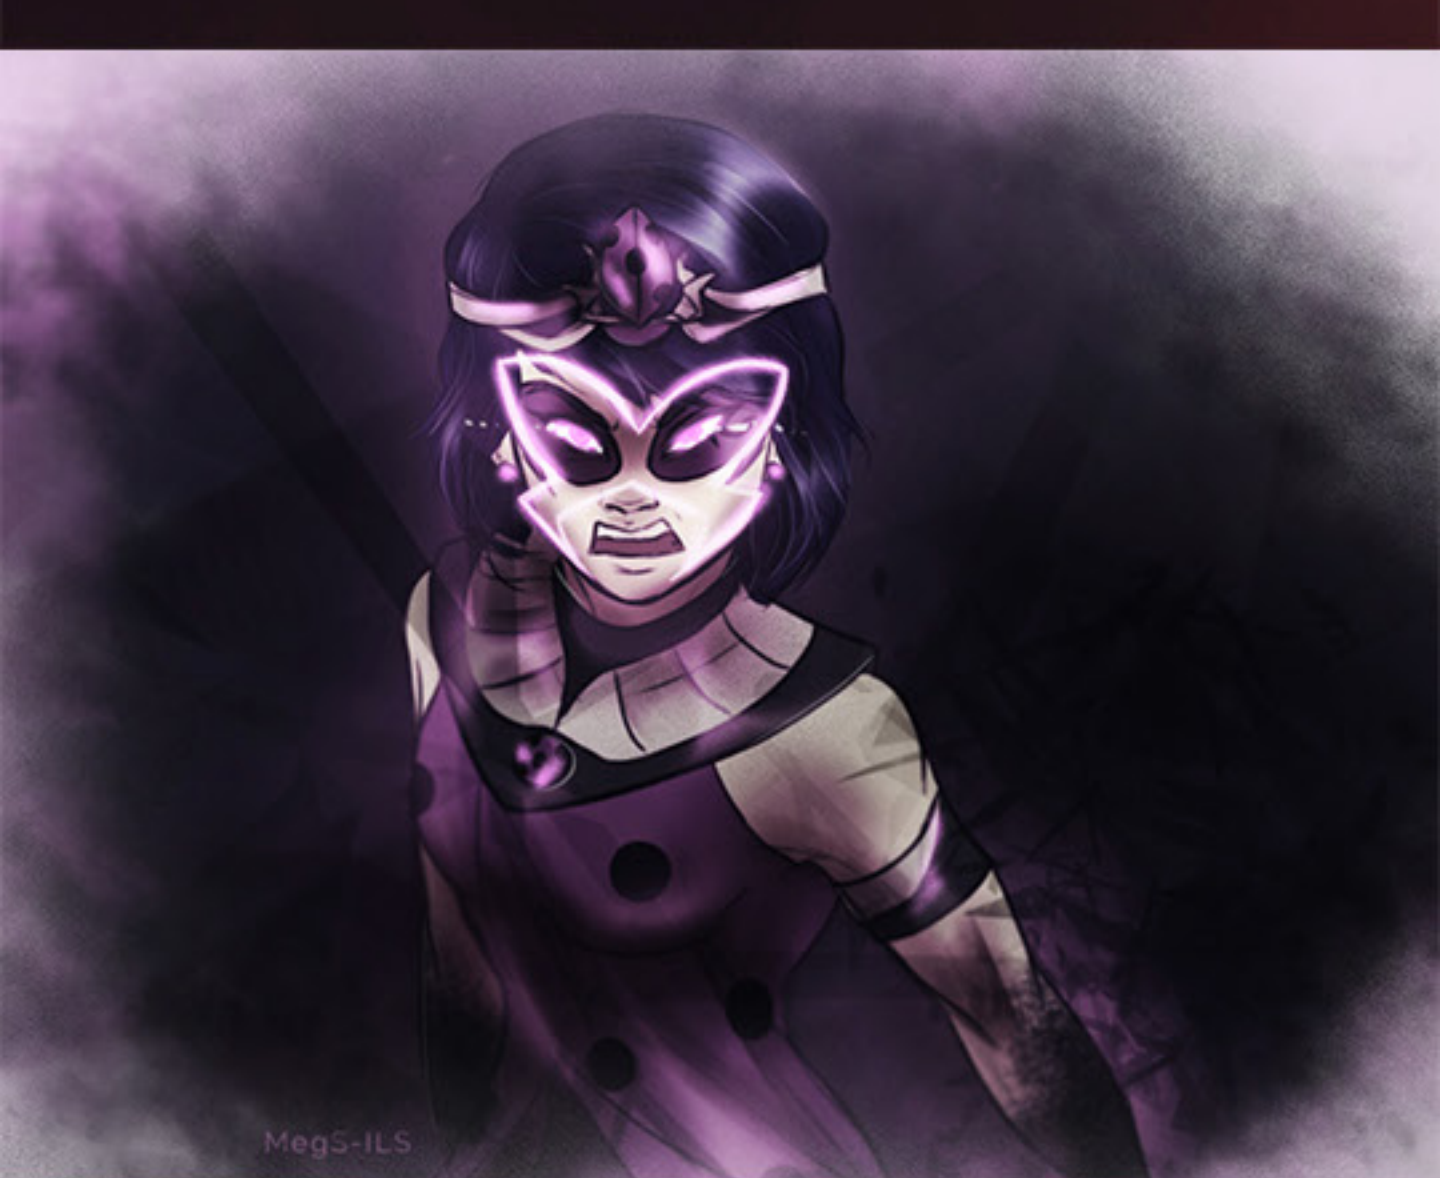

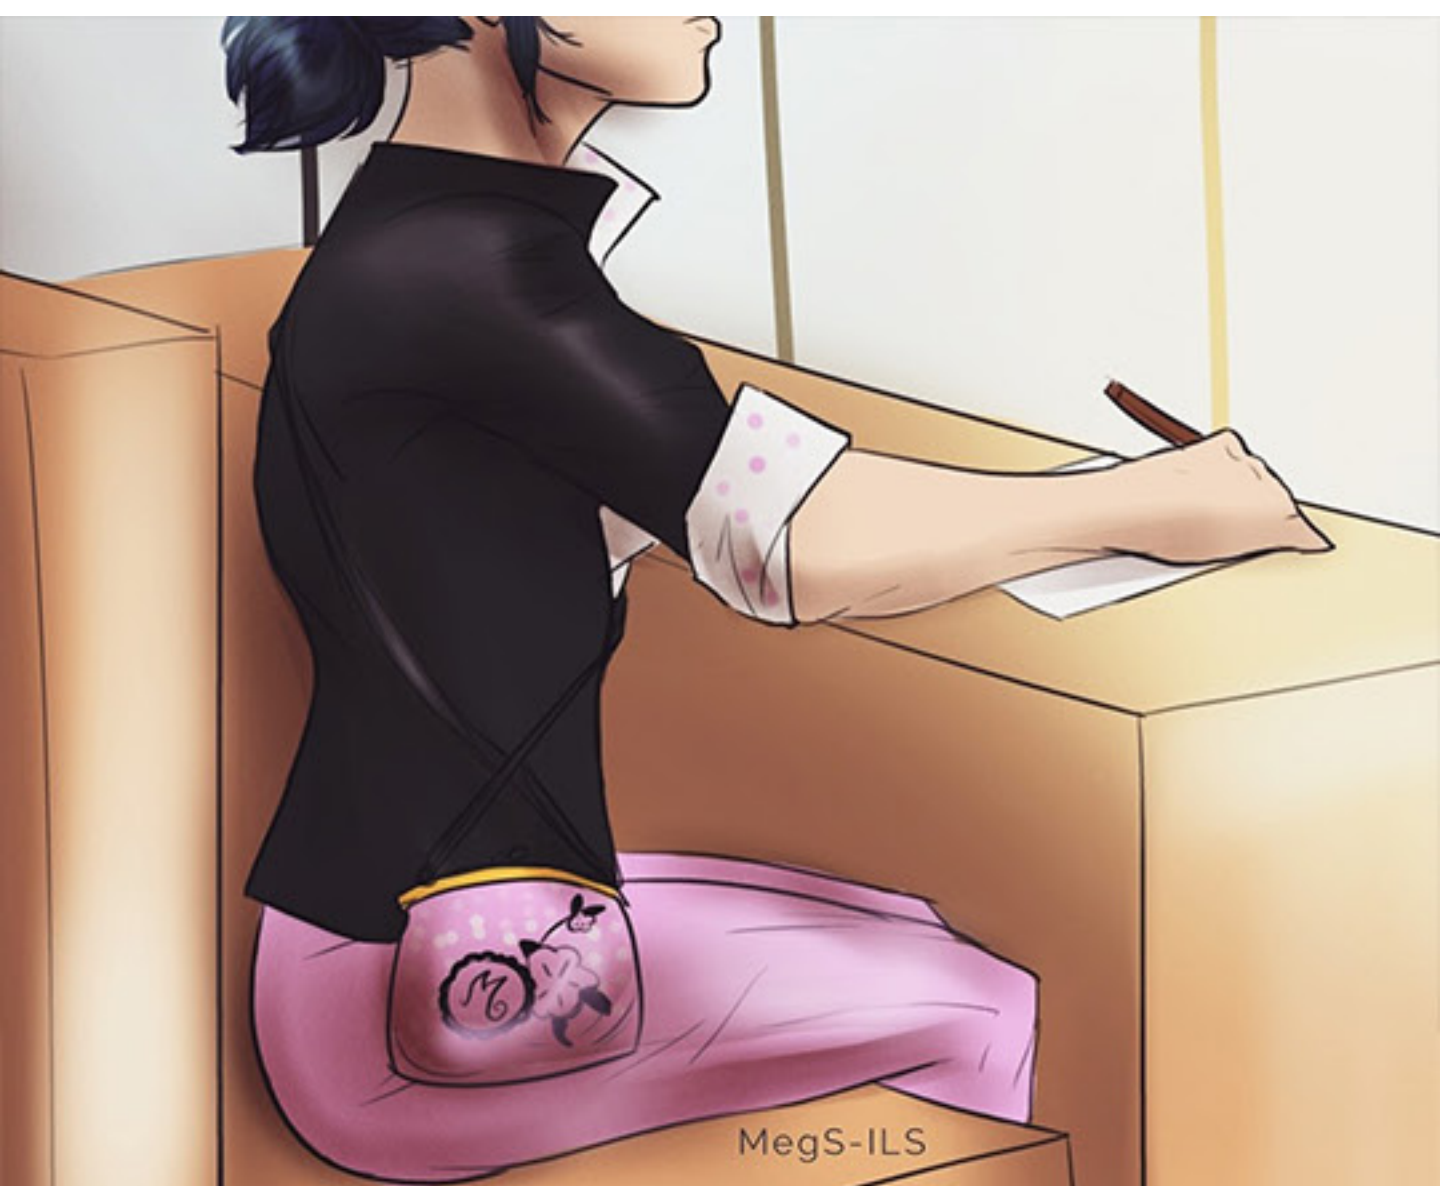

MegS-ILS

MegS-ILS

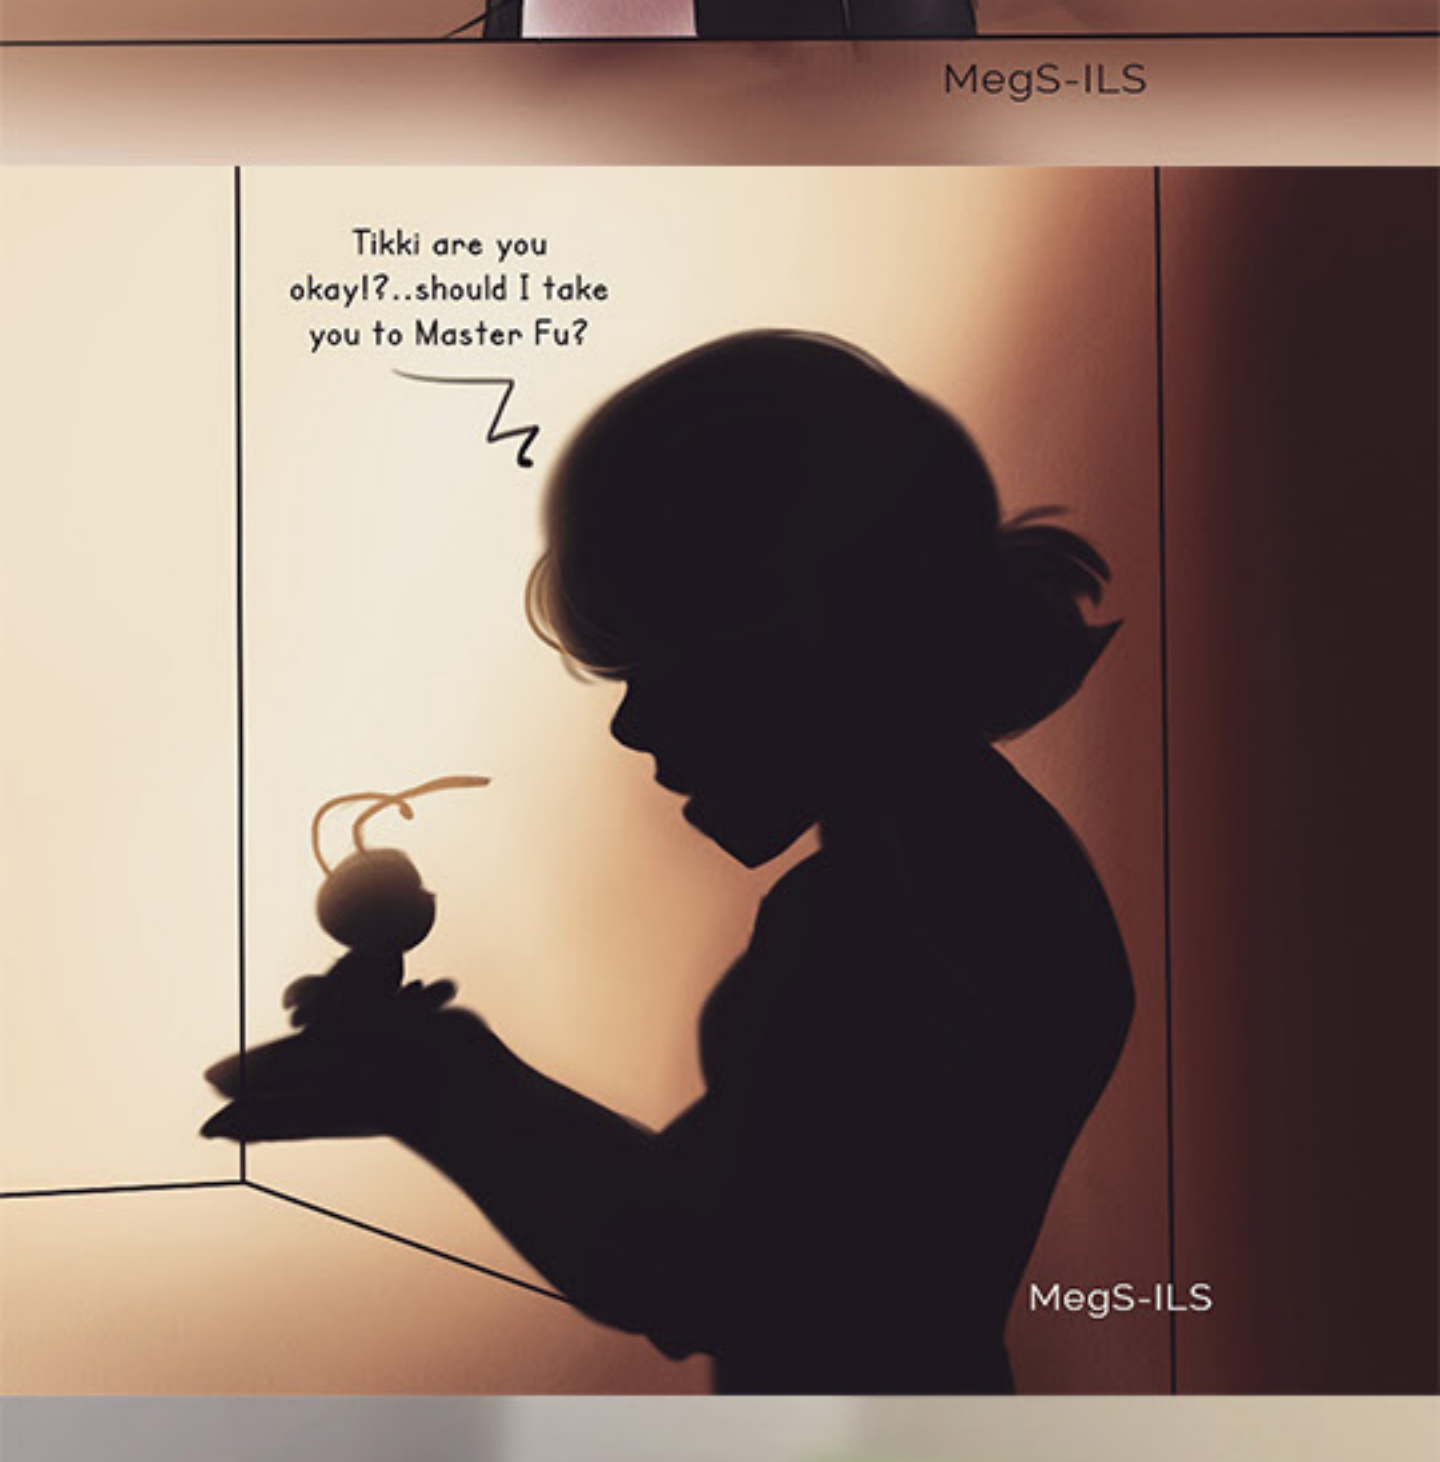

no

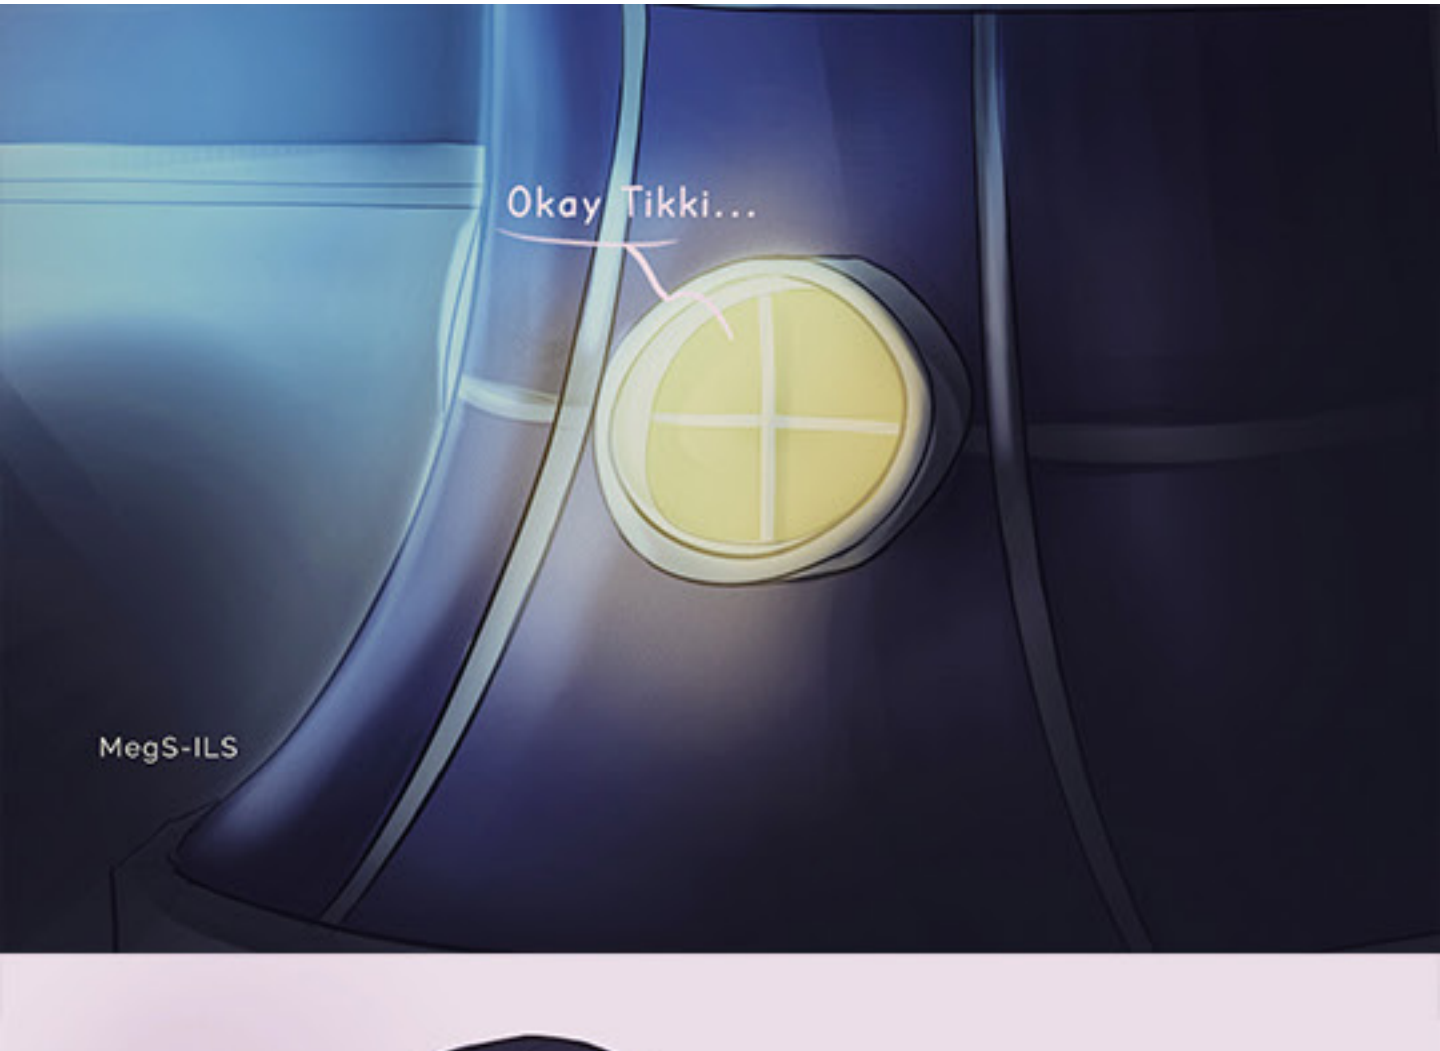

MegS-ILS

Miss Bustier!

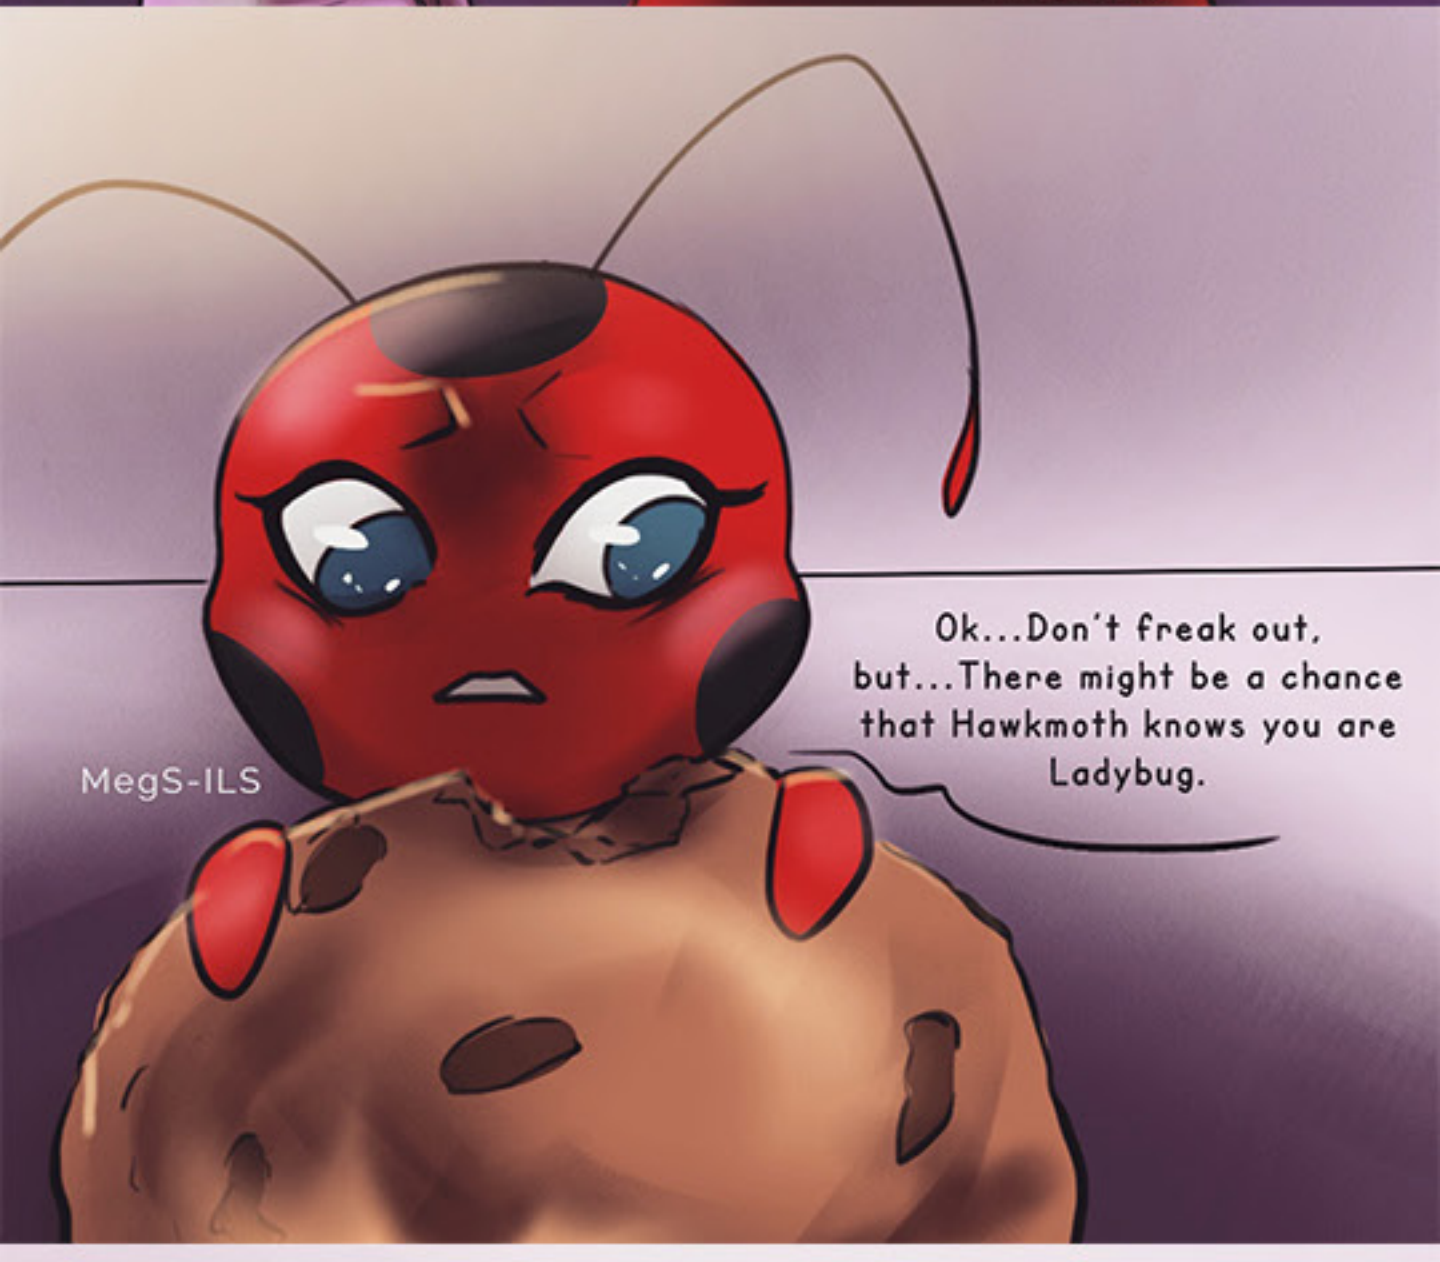

Okay Tikki...

MegS-ILS

Please, just tell me what is going on with you and why are the Akumas suddenly so 'dangerous'?!

MegS-ILS

Ok...Don't freak out, but...There might be a chance that Hawkmoth knows you are Ladybug.

MegS-ILS

WHAT!?...how could he know? Did I mess up something? Is everyone in danger now because of me!?

MegS-ILS

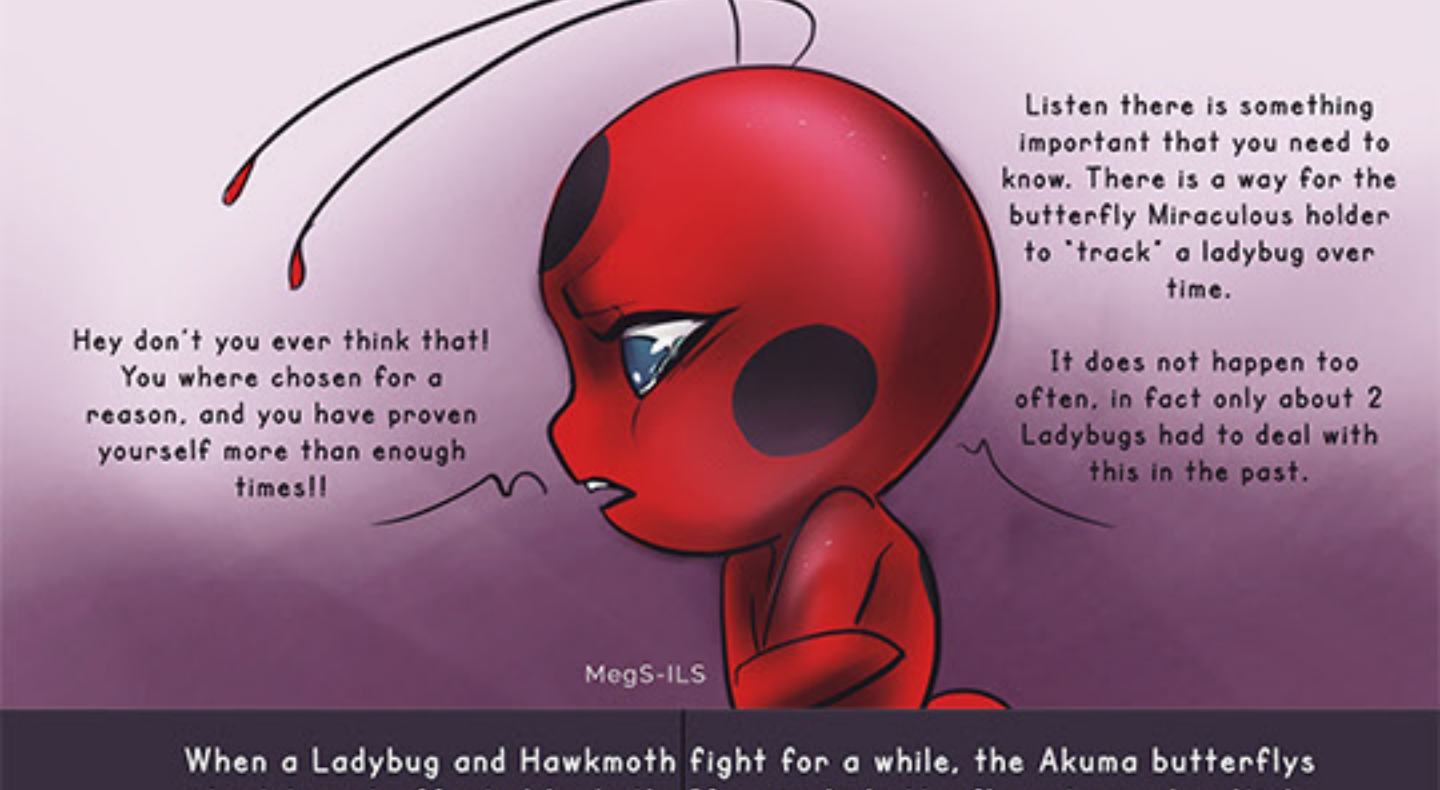

Marinette calm down! There is a chance that we don't have to worry too much yet..

MegS-ILS

I knew i was not cut out for this. I must be the WORST Ladybug ever.

MegS-ILS

Hey don't you ever think that! You were chosen for a reason, and you have proven yourself more than enough times!!

Listen there is something important that you need to know. There is a way for the butterfly Miraculous holder to 'track' a ladybug over time.

It does not happen too often, in fact only about 2 Ladybugs had to deal with this in the past.

MegS-ILS

When a Ladybug and Hawkmoth fight for a while, the Akuma butterflies start to get affected by both. If a single butterfly gets used multiple times, they start to get affected by the purification afterwards

MegS-ILS

The Ladybug starts to leave a mark on the butterfly therefore making it less effective for Hawkmoth to use, but Hawkmoths can start to sense or track the Ladybug as the mark on the butterfly gets stronger.

MegS-ILS

This might become a problem in the long run.

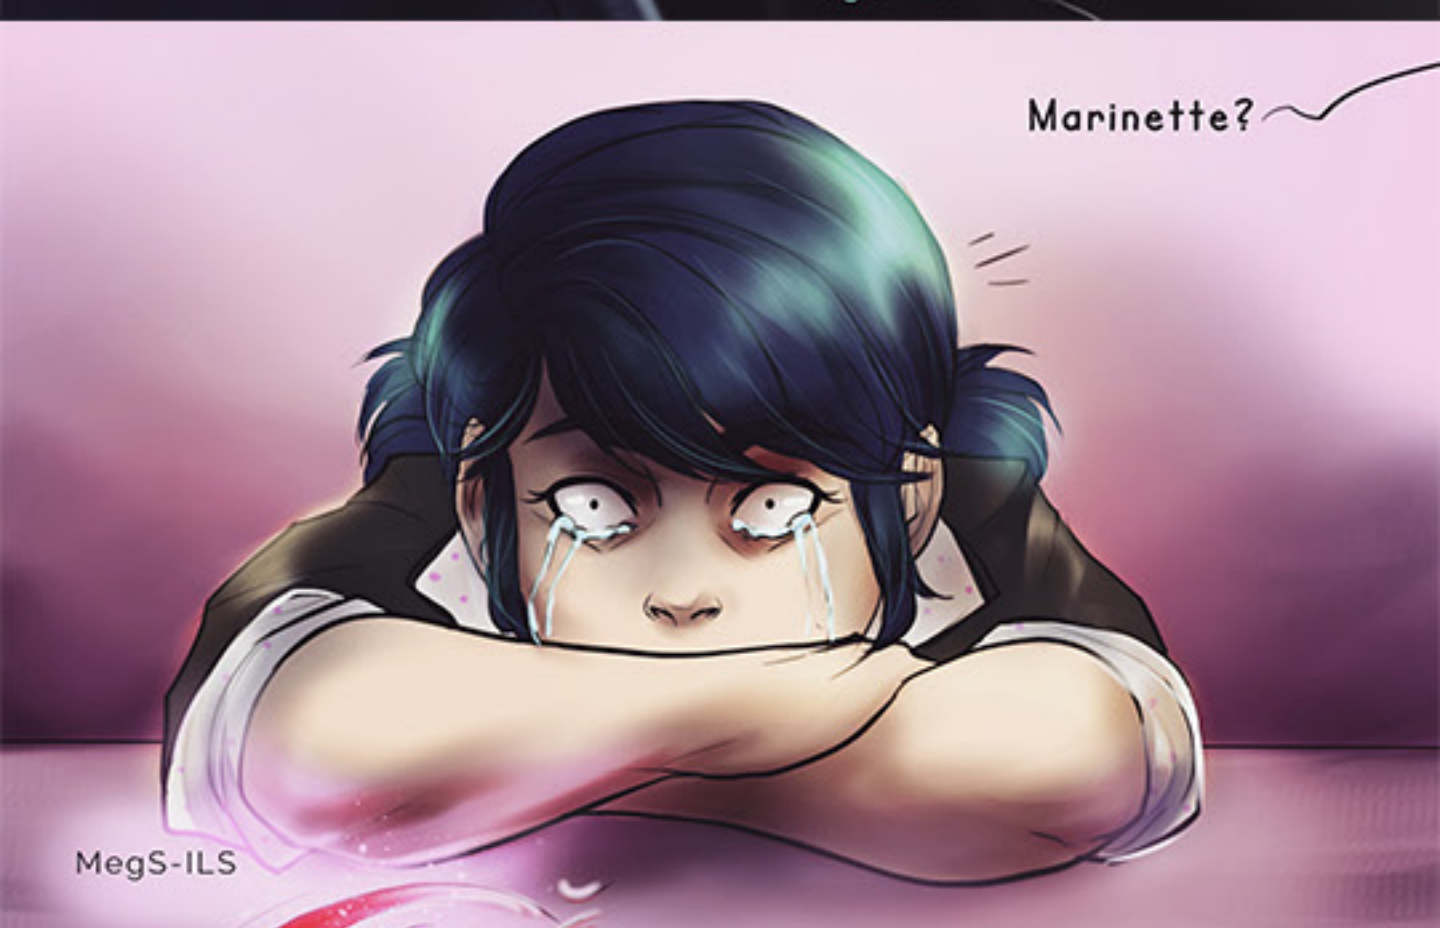

MegS-ILS

MegS-ILS

MegS-ILS

MegS-ILS

MegS-ILS

MegS-ILS

MegS-ILS

MegS-ILS

MegS-ILS

MegS-ILS

Heh, fine you win...

MegS-ILS

I'll talk..but not before we have some Hot Chocolate, to lighten the mood.

MegS-ILS

...so, If the Knight may ask again. What is troubling you, Princess?

MegS-ILS

sigh Honestly I have been under way more stress because of this weird week. Every day has been a gamble whether or not an Akuma will show up and take me somewhere for a reason I don't even know!

I guess I'm stressed with the thought of me being the reason someone will get hurt. Just because I'M the target. If something happened to my family or any of my friends or even just a random stranger because of me. I wouldn't forgive myself!

I just wish I knew what I did or at least why they are after me so that I can fix it.

MegS-ILS

Hey don't beat yourself up like that, I'm sure that if you knew what was wrong, you would fix it immediately. You care about others, sometimes more than your own well being.

But you don't have to worry too much ok. Me and Ladybug will not let anything happen to you or any other person involved in the chaos.

Try to remember that we will always be here to help.

MegS-ILS

Marinette?

Yes Chat?

Could you Promise me that you won't get Akumatized?.. That you will stay happy? It is selfish to ask but, I..I don't want to ever fight you.

Silly Kitty...

MegS-ILS

I promise...

Nuuru, are you certain this will work.. I do NOT have time for FAILURE.

I HIGHLY advise against this Master, but...this method has been successful in the past.

Excellent..that is all I need to know.

MegS-ILS

Enjoy your evening Ladybug, tomorrow will be a BIG day..

MegS-ILS

The Next Day..

@megs-ils

@megs-ils

@megs-ils

@megs-ils

Ah, but you look so tired..

@megs-ils

..why don't I take over while you rest.

@megs-ils

@megs-ils

@megs-ils

We need to find that Akuma before it can start any trouble. Are you ready Plagg?

@megs-ils

As much as I would love to just sleep instead, I have had this odd feeling all day for some reason, so maybe it would be best to catch this one as soon as possible.

@megs-ils
