

PART 3

“So this is my place, I know it’s kinda cramped but I live alone and I’m hardly ever home, so the size is perfect for me!” Katherine said with a smile as she held open the door to her apartment. It was a one-room studio with a bedroom and kitchen all in one large room. Only the bathroom was in a separate room to the left. Katherine could smell it as soon as she had opened the door, the odor of unwashed laundry, stale food, warm sitting air that had been brewing in her stink. Normally she would have cleaned her place up, but she had no idea she would be having company tonight! She turned to Kyle and smiled while blushing a bit with a smile.

“Sorry about how messy it is! Just make yourself at home!” Katherine walked in and used her toes to pry off each of her flats, kicking them beside the door and then plopping onto the couch at the foot of her bed. The couch was full of unwashed clothes and there was only enough room for one when she pushed it all aside! She could see Kyle standing at the door, blushing awkwardly as he surveyed the mess.

Katherine turned on Netflix and watched from the corners of her eyes as Kyle stepped closer and closer, taking huge strides over her piles of clothes and belongings, trying not to disturb anything. When he reached the couch he could see there was no room, but just stood there awkwardly. Katherine wanted to laugh but held it in as she looked at him with a smile.

“Right here, you’ll fit perfectly!” Katherine pointed to the ground in front of the couch with a smile... Kyle took a seat and right away she plopped her warm sweaty feet into his lap!

“Now you can massage my feet while I watch Netflix!” Katherine smiled as she wiggled her toes through the sweat-drenched black socks.

“Take my socks off, they feel so gross!” Katherine smiled as he slowly peeled them off! Her feet were visibly wet and she could smell them from where she was sitting, there was no doubt he could smell it, she could see the reaction on his face! She began wiggling her sweaty pale toes as she moaned in relief!

“It always feels so good to get your shoes and socks off after work! It’s like, my favorite thing!” Katherine smiled and patted his head like he was an animal.

“Uhhh, may I use the bathroom?” he asked a bit nervously

“Oh sure, it’s right there” Katherine smiled and pointed to the bathroom door. Kyle got up right away and walked to the bathroom closing the door behind him. For a second, Katherine wondered if she had been too rough on him this evening, to forward, was it her feet? She grabbed her foot and lifted it to her face taking a light sniff under her toes! It stunk, terribly, but nothing so bad that it would make him run! She lowered her foot and stretched her legs getting comfy.

Katherine waited a minute and watched T.v until she could hear him peeing. As soon as he began peeing, she got up and tiptoed to the front door, locking the bolt and chain, just in case he tried to make a run for it, she knew he wouldn't, but if he did... she could grab him and overpower him before he got out. She made it back to the couch just as he began washing his hands. When the door opened, she tried to hide her excitement while watching him walk over. She easily could have easily moved the dirty clothes on the couch and made room for him, but it was better to keep him on the floor, plus, he fit so perfectly down there! She smiled as he took a seat at the foot of the couch, Katherine immediately plopped her feet into his lap.

Less than five minutes into the show they were watching, Katherine could hear his stomach rumble incredibly loud! It growled for at least ten seconds before fading away in a light grumble! Katherine began to laugh as she hit him with her feet playfully!

"You sound hungry!" Katherine smiled!

"I'm starving!" Kyle said with an exhausted look on his face!

"**OH!** I know the **BEST** Chinese food place! It's right down the street! We can grab takeout!" Katherine smiled as she grabbed her phone and began dialing the number! She could see Kyle had an uneasy look on his face.

"Something wrong?" Katherine asked...

"I just, I don't have a lot of money and can't spend it eating out" Kyle said quietly!

"Don't worry, it's my treat, i'm hungry too! Plus, I'm sure you can find some other way to pay me back! We will think of something!" Katherine smiled as she wiggled her toes around signaling him to continue the massage.

"Oh hey! Yea, can i get the family dinner, uh huh, extra hot sauce and chilies! Yea! Uhhh just two sets of cutlery, and can you throw in some extra fortune cookies? Thanks! OH and also, 4 cans of pepsi! Yea, 475 52nd street, just call my cell when he is downstairs! Thanks!" Katherine hung up and smiled at Kyle!

"I hope you're hungry!" Katherine smiled, for the first time Kyle looked a bit relaxed, almost happy! She kicked her feet up and down in his lap lightly before giggling.

"You can start working off your food bill right now, get to work on my feet slave boy!" Katherine smiled as he began massaging immediately, he didn't even react to being called a slave! She already had her plans for the night, but maybe she could push it a bit further. He was so weak, so scrawny, even his massage was weak as shit, Katherine didn't care though, she just wanted him down there inhaling the odor of her stinky feet. This was all a power play!

“I got us the family meal for four! So there will be a lot of food!” Katherine said to him with a smile while crossing her legs in his lap. His massage was so weak, he wasn’t even hitting her muscles, just rubbing his fingers up and down her skin! She started to picture herself, throwing him down on the bed, lunging onto him and pinning him down! He was so weak, there would be no way he could wrestle her off! She could see herself, throwing her ass back onto his face and feeling him squirm between her cheeks. He wanted this, but she knew at a certain point it would be too much, she longed to find that point though, and push him way past that, over the edge! Katherine began laughing to herself as Kyle looked up in confusion, nothing funny had happened in the show they were watching. Katherine looked down to him while raising and dropping her feet in his lap.

“Hey, i’m not paying you to be a foot stool, keep massaging! And push harder!” She joked as he quickly followed her orders.

“God this is too easy” Katherine said out loud, Kyle did not respond.

Twenty minutes later Katherine’s phone rang. She picked it up and the delivery man was calling to notify that he was in the downstairs lobby of her apartment building. Share moved her feet from Kyle’s lap and dug into her purse pulling out \$50.

“Here! Give this to him, no change, the rest is for the tip!” Katherine ordered, Kyle bowed his head and took the money, heading to the front door. She watched him fumble with the lock and chain as she giggled to herself. Yea, she could take him down easily if he tried to escape! When he unlocked them both he quietly closed the door. Katherine wanted to scream she was so happy!

Kyle came back up five minutes later with two massive paper bags of Chinese takeout food in his arms! Katherine hadn't been starving but when she smelled the food her stomach instantly began rumbling. He brought the bags over to the couch as Katherine went into full domme mode.

“Lock the front door, lock and chain, then go to the kitchen, wash and clean two plates and forks for us, and get some paper towels too! And hurry, because your queen is hungry! **LETS GO! NOW!**” Katherine shouted as she clapped her hands twice signaling him! Kyle did not even flinch when she treated him like the help, he just ran to follow her orders. She could hear him working away, washing dishes, cleaning, maybe Katherine could even get him to straighten up her apartment in the morning, after she destroyed his mouth and nose of course. A small part of her began to fear he may not be conscious for the task though.

Kyle came back with two clean plates, forks and napkins putting them down on the coffee table that was in front of the couch.

“Unpack all the food, set all the dishes on the table nicely for me!” Katherine ordered as she watched him work. There were ten containers inside the paper bags, all steaming hot! Some of them were made of metal tinfoil and she could see it burning his finger tips, he never complained though. When it was all set out nicely, Katherine started to feel a rumble in her stomach, but not one of hunger! The watery bubbling pressure worked its way down through her stomach as a massive pressure built up at her rectum! With a smile she reached down and pulled down her leggings, pushing them off before turning over on the couch, sticking her ass out as far as she could! She had been wearing leggings all night and her ass was a swampy mess! She could feel how moist and disgusting it was between her cheeks, but that would just make this so much sweeter! Kyle was staring, his jaw practically hanging from his head as she giggled and shook her butt back and forth.

“Now, i have one last task for you, before we eat! If you want to **EARN** your food for the night, i'm gonna need a favour from you” Katherine smiled.

“Anything for you!” Kyle mumbled in a submissive manner.

“I have a big fart coming, and it's **REALLY** gonna stink, but i don't wanna ruin my appetite! I know this is alot to ask, but could you wrap your lips around my asshole and suck it down? I **KNOW** it's gonna taste like really bad, but the Chinese food will wash the flavor down after! I got extra spicy so it'll cover the flavor up!” Katherine smiled and wiggled her ass back and forth. She

could see the uneasy look on his face as he moved forward, his hands shaking as he reached forward.

Katherine felt a shiver of anticipation run down her spine when his soft hands made contact with her big ass cheeks. She felt his palms sink into the fat as they began spreading! The skin

peeled apart from how swampy and gross it was! She was not looking back, but she could imagine the look on his face.

“QUICK! IT’S ABOUT TO COME OUT!” Katherine said in a rush! He dug his face in between her ass cheeks as a huge smile crossed her face! She could feel his bare nose pressing to her anus with only a thin strip of fabric from her thong protecting it. She wiggled her hips back and forth as her stomach bubbled, the pressure becoming uncomfortable.

“Pull my panties aside, and suck on my asshole!” Katherine ordered. She felt his thin fingers pull the thong aside moments before his lips wrapped around her asshole! He gagged hard with his lips still on her anus and she couldn’t hold back the laughter!

**BBBBFRRTTT HAHAAHAA BFRRTTTTTspsspppppppprrttttt
HAHHAHAHA OH MY GOD BFRRTTTTTTpppsrtttt BFRRTTTTTTT
BFRRTTTTTTTVVVrrtttttsprt spprtttt
HAHAHA aweeeeeeeee!**

Katherine laughed hysterically as the fart erupted from her asshole! It was so wet and powerful, airy and watery, coming out in short disgusting blasts between fits of laughter. She could feel Kyle's lips practically stuck to her anus from how sticky and gross it was! He tried to pull his head back after the first methane filled blast, but Katherine reached back, easily holding him in place! The gas blew from her asshole filling his cheeks and popping out his nose as he choked, taking in the fumes by force! By the end of the gaseous release, Kyle was barely able to stand. Katherine kept his face pressed between her cheeks for a few moments, waiting for the gas to dissipate before letting him drop to the floor! As soon as he left her cheeks, he crumpled to the floor like a rag doll gagging and rubbing his mouth aggressively! Katherine was not surprised that she could smell the fart still, it was a thick cheesy eggy odor, one that made her eyes water! She began fanning her nose in disgust before letting out a deep throated gag! Kyle got up and ran to the bathroom, slamming the door behind him!

It was more than twenty minutes before Kyle came out of the bathroom, Katherine could hear the water running, she assumed he was washing his mouth, or puking, or both! There was a lot more gas that tried to push its way out of her asshole but she held it all in, she didn’t want to waste it on the fresh air! When he finally emerged, Katherine was already on her third plate of food!

“Are you still alive?” Katherine smiled as Kyle blushed and walked over to kneel by the table.

“Yea i’m fine” Kyle said softly...

“Excuse me?” Katherine sat up in surprise...

“Uhhh, i said i’m fine” Kyle looked up to her while blushing, unsure of what he had done wrong.

“Goddess!” Katherine said with a grimace.

“What?” Kyle asked in confusion...

“Yea, I’m fine... **GODDESS**” she said while staring him down.

“Yes , I'm fine Goddess, sorry” Kyle hung his head, Katherine wanted to scream with excitement right then and there, this guy was like a puddy!

Katherine took his plate and began placing tiny bits of food on it for him. A little bit of noodles, one tiny morsel of chicken, and a spoonful of rice. She pushed the plate back to Kyle and smiled upon seeing the shock on his face.

“My eyes watered from the smell of that last fart, and i had told you to **SWALLOW IT**, so i am reducing your food for the evening, you don’t have a problem with that, right?” She asked while glaring down at him.

“No... No Goddess!” Kyle quickly corrected himself as Katherine smiled and placed her feet back into his lap. She continued to scarf down her food while watching him slowly pick at his, trying to make it last! He finished his food in a few minutes and then just sat there, his mouth watering as he watched Katherine eat, filling up plate after plate after plate after plate, until the entire family feast was done! She sat back, groaning and moaning on the couch with her hands wrapped around her stomach!

“My god that was so god!” Katerine moaned. She could feel Kyle’s stomach still rumbling with her feet in his lap and she smiled. She looked Kyle up and down as he sat on the floor, he couldn’t even make eye contact with her!

They sat watching Netflix for another hour or so, all the while the Chinese feast was moving through Katherine’s belly! She felt the need to take a shit but held it in, knowing it would make her gas that much more nasty! Multiple times Kyle looked back upon hearing the roaring rumble in her stomach, Katherine would just smile at him though before returning her attention to the television. Her stomach became so bloated that she had to lay down, using the laundry pile as a pillow and removing her feet from Kyle’s lap. He almost seemed disappointed. After a few minutes Katherine reached for the remote and turned off the t.v

“Alright! Carry me to bed!” Katherine ordered like a princess while giggling! The bed was only ten feet from her couch just a bit across the room, but she knew it was going to be a struggle for him. She was not fat, a bit thick maybe, but Kyle was a skeleton, this was gonna be hilarious! He got to his feet and bent over at the couch, putting his thin shaking arms under her, one under her back and the other under her knees! Katherine put her arm around his neck lightly, making things a bit easier. She could see him counting down in his head, 3, 2, 1, before using all his strength, trying to lift! He barely got her a few inches from the couch before dropping her in exhaustion!

“You’re kidding me right?” Katherine asked.

He tried again right away, getting her body off of the couch and a foot into the air! Katherine did not help him at all, resting her full weight in his weak arms as he slowly began straightening his back! She wanted to moan, her pussy was dripping as she felt his body shake and tremble, it was like he was going to snap! Suddenly he shot up, snapping his legs straight as he got her up! She groaned a tiny bit in dissatisfaction.

“Finally, now bring me to bed!” Katherine ordered while hiding her smile.

He walked one step at a time, looking down to make sure he did not trip over any of her scattered belongings. When he reached the mattress, he started to bend, about to set her down as Katherine yelled!

“SOFTLY!”

Kyle stopped, slowing down, his entire body shaking as he lowered her to the bed sheets. She could see his red face about to start dripping with sweat as he exerted all of his strength trying to keep her happy. When she landed on the bed, Katherine rolled over and began taking off her clothes.

She watched as Kyle moved back to the couch, he looked down to her pile of dirty clothes a bit uncomfortable before turning back to a naked Katherine.

“May I move your clothes Goddess?” He asked softly.

“Why?” Katherine asked

“To sleep on the couch?” he asked...

“How are you gonna inhale my gas from over there? Come to bed!” Katherine ordered as he stood there like a statue! She wanted to laugh but held it in trying to keep her dominant act up.

Kyle came over to her bed, walking to the side and standing there while looking down at his feet. Katherine smiled as she looked him up and down.

“Take off your clothes, leave your boxers on, and lay down at the bottom of my bed with your head right by my ass!” Katherine ordered as she turned onto her side sticking out her butt! She pulled her knees up a bit to make her cheeks even larger! She looked back over her shoulder, watching him undress as he crawled into her bed, his face right behind her ass! He could smell it from there, she knew it! Her crack was still drenched in sweat and mustiness!

Katherine reached back and pulled the covers up, both sheets, the thin light one and the thick heavy comforter.

“Now, Goddess needs her beauty sleep, so it’s your job to make sure i sleep well, that way i can be productive when i’m at work! My gas **ALWAYS** wakes me up, so i need you to inhale it all, your nose, your mouth, i don’t care, just get the job done! Let’s consider this a training shift! If you do well, maybe i will let you move in so you can work full time! And yes, fulltime does me 24/7” Katherine laughed to herself while pushing and letting a vicious blast loose from between her ass cheeks! It exploded out with a wet pop and filled the space under the covers in stink!

BBBBBBFFVVVVVVVVVVrrrttttsspppr

Katherine felt Kyle push his face between her ass cheeks seconds after the fart had already blown loose! He pushed his nose to her anus taking one deep and aggressive sniff before choking and gagging wildly! Katherine laughed, this was only the beginning, and they were gonna get a lot worse! If he was choking now, he may be dead by the morning! He rubbed his nose up and down her naked asshole, it felt nice, almost like he was scratching her. She moaned and pushed her ass out further, spreading her cheeks a bit for him. Kyle let out another deep gag and Katherine laughed hard out loud, it was too funny hearing him choke even when she hadn’t farted!

Without her giving him any orders, he started licking her asshole! His soft warm tongue ran around the hairy dirty rim of her anus, cleaning before plunging deep inside! Katherine froze and moaned as her eyelids fluttered and closed softly!

vvvvvvrrttttttBBBBBBBBBBFFRRRRRTTTTTTTTTTTTTTTTTTTT

The fart was so powerful that the popping force actually blew his mouth off of her asshole! As his mouth left her anus the gas erupted around his face like a hurricane under the bed sheets! She smiled and reached back, grabbing his head through the sheets and forcing him back between her cheeks! Even while he was choking, he wrapped his mouth around her asshole, trying desperately to inhale the gas! She could feel it rushing down his throat, filling his chest cavity as he gagged! Her pussy was leaking so heavily that her thighs were drenched in juices!

Another surprise fart blew from her asshole and she felt the heat roll over his tongue! Kyle choked hard but kept his tongue at work, running around her sticky anus before pushing it deep inside and cleaning! Katherine couldn't hold back, with one hand she reached down and began fingering herself! She hadn't been with a guy in so long, it was her choice, so many men were just useless in bed, trying to impale her with their dick until they spray their jizz out, not giving a fuck about the woman they were with! But Kyle, he was so desperate to please her, he would do anything, at this point, she was sure she could take a shit right down his mouth! Katherine laughed to herself as she continued pushing her fingers deep into herself! Kyle's face was buried so deep in her ass that she could move him back and forth with just her cheeks. A cruel smile crossed her face as she panted in the heat of the moment. She hadn't planned to move this quick, but she couldn't hold back!

Katherine got up and grabbed Kyle, pulling him up the mattress a bit and pushing him down onto his back with all her strength. The weak guy had no time to react as she swung one of her thick thighs over him, **SLAMMING** her fat ass back onto his face! Katherine reached back, gripping her fingers into each fat cheek and spreading wide as she lifted and **SLAMMED** back down, wiggling back and forth to make sure his mouth was right over her asshole! She did not even need to give him instructions, he did just as she wanted, wrapping his quivering lips around her dirty asshole! Barely a second later, she let loose the monster brewing in her stomach.

Katherine continued fingering herself, rocking on his face at the same time as her gas filled his cheeks! It took only a moment for his mouth to fill before the gas popped from his mouth forcing its way out of his nose into her ass crack! She pushed hard, moaning as it filled the room! The gas was terrible, a wet cheesy Chinese food fueled mess! All of the food she had eaten blended together making the most terrible odor! She had let loose a lot of gross room clearing farts in her time on this planet, but this was up there with the top! Kyle reached up, trying to push her off of him to get a breath of fresh air, but she didn't even move a inch! She smiled at his weak grip as her fingers kept sliding in and out of her dripping pussy!

Katherine pushed out another short warm fart as Kyle choked terribly! His face kept rising and falling under her ass causing the pressure on her privates to increase! It was exhilarating!

"Where are you trying to go? Hmm?" Katherine asked rhetorically as she rocked on his face, her fat cheeks completely smothering him! He grabbed at her ass and tried lifting again, his entire body shaking!

"Aweee, you need some air!?" Katherine asked with a smile...

Tap my thigh three times if you need some air!" She instructed, he instantly began tapping her thigh over and over in intervals of three!

"Wow, you must be about to pass out huh, well, Let me give you some fresh cooked air!" Katherine smiled as she sat back hard on his mouth and pushed! She hadn't actually pushed hard this entire time, all of her gas had pretty much been leaking or forcing its way out, she wanted to give him something special though. She could feel her anus stretching his lips open as it pushed in and then out wide.

The fart was much bigger then Katherine had anticipated but the shock only brought more intensity to the orgasm she began having! Her asshole blew open in his mouth, fluttering and vibrating as it shook like an earthquake, blowing tiny bits of liquid feces over his tongue! She could feel him choking, gagging, she could feel him grasping, lifting, trying to move her ass cheeks from his face! She continued to push, feeling the gas flow into his body, filling his lungs, his chest, his stomach! There so much she worried that he may pop, but the feeling of her orgasm quickly wiped the thought from her mind! Her entire body shook with pleasure as she screamed and gasped, gas still rushing from her asshole and destroying the guy beneath her! Cum gushed from her pussy, covering her hand in sticky fluids as she tilted her head back screaming! She had never felt such pleasure!

Katherine sat for a minute, her entire body twitching, Kyle was shaking under her, vibrating he was choking so hard! She could feel him desperately trying to move her, but there was a little bit of gas left! She flexed her asshole and pushed as a soft little spurt came out! Katherine giggled to herself, she was just about to move as his arms dropped back, his entire body went limp.

She quickly got off and looked down at him, he was **COMPLETELY** out cold! Katherine giggled as she looked down at him, reaching down to wipe some of her cum off on his lips. That was when the odor hit her! It was so bad she nearly lost consciousness! His nose was covered in a slick brown slime that smelled like **DEATH!** Katherine used her feet to push his body off the bed making him land on the floor with a **THUD!** When she recovered from the cheesy deadly odor, she reached down checking he still had a pulse.... He did, perfect. Rolling over in her bed she smiled and pulled the bed sheets up to her neck.

She always dreamed of having a slave, a submissive, a fart sponge, and a human toilet! Kyle would be hers, for life! She would use him, terribly and relentlessly, every day worse then the next, and he would love her for it! She would make him!

The End?
