HARADA

It's getting late.
I should get
going now.

You really took my spotlight at English today, Kaori.

Since you moved here, I always your shadow..

But the final
English test
tomorrow..

I won't ever.. be
your shadow. Not
anymore, Kaori.

A man in a dark suit is walking on a rooftop. He is wearing a dark blue or black suit jacket with three buttons, dark trousers, and black shoes. He is walking towards the right. In the background, there is a building with a balcony and a window. The sky is a pale, hazy color. A speech bubble is positioned above the man's head, containing the text "S-sorry, am I late?".

S-sorry, am I late?

No, you are just in time. Ready to return to our normal life?

Everything.. seem like a dream, right?

Hm..? You just say.. "gloves"?

Yeah.. Your boss also a weird person. Especially her gloves..

Y-Yes.. She was about to show..

Oh? Both of you are here already.

Well? I guess
you two are
having good time?

And is that.. my school's uniform?

Quit asking around and get to work, okay?

Y-You have wings!?

Good to hear.

Yes, we are ready to swap back.

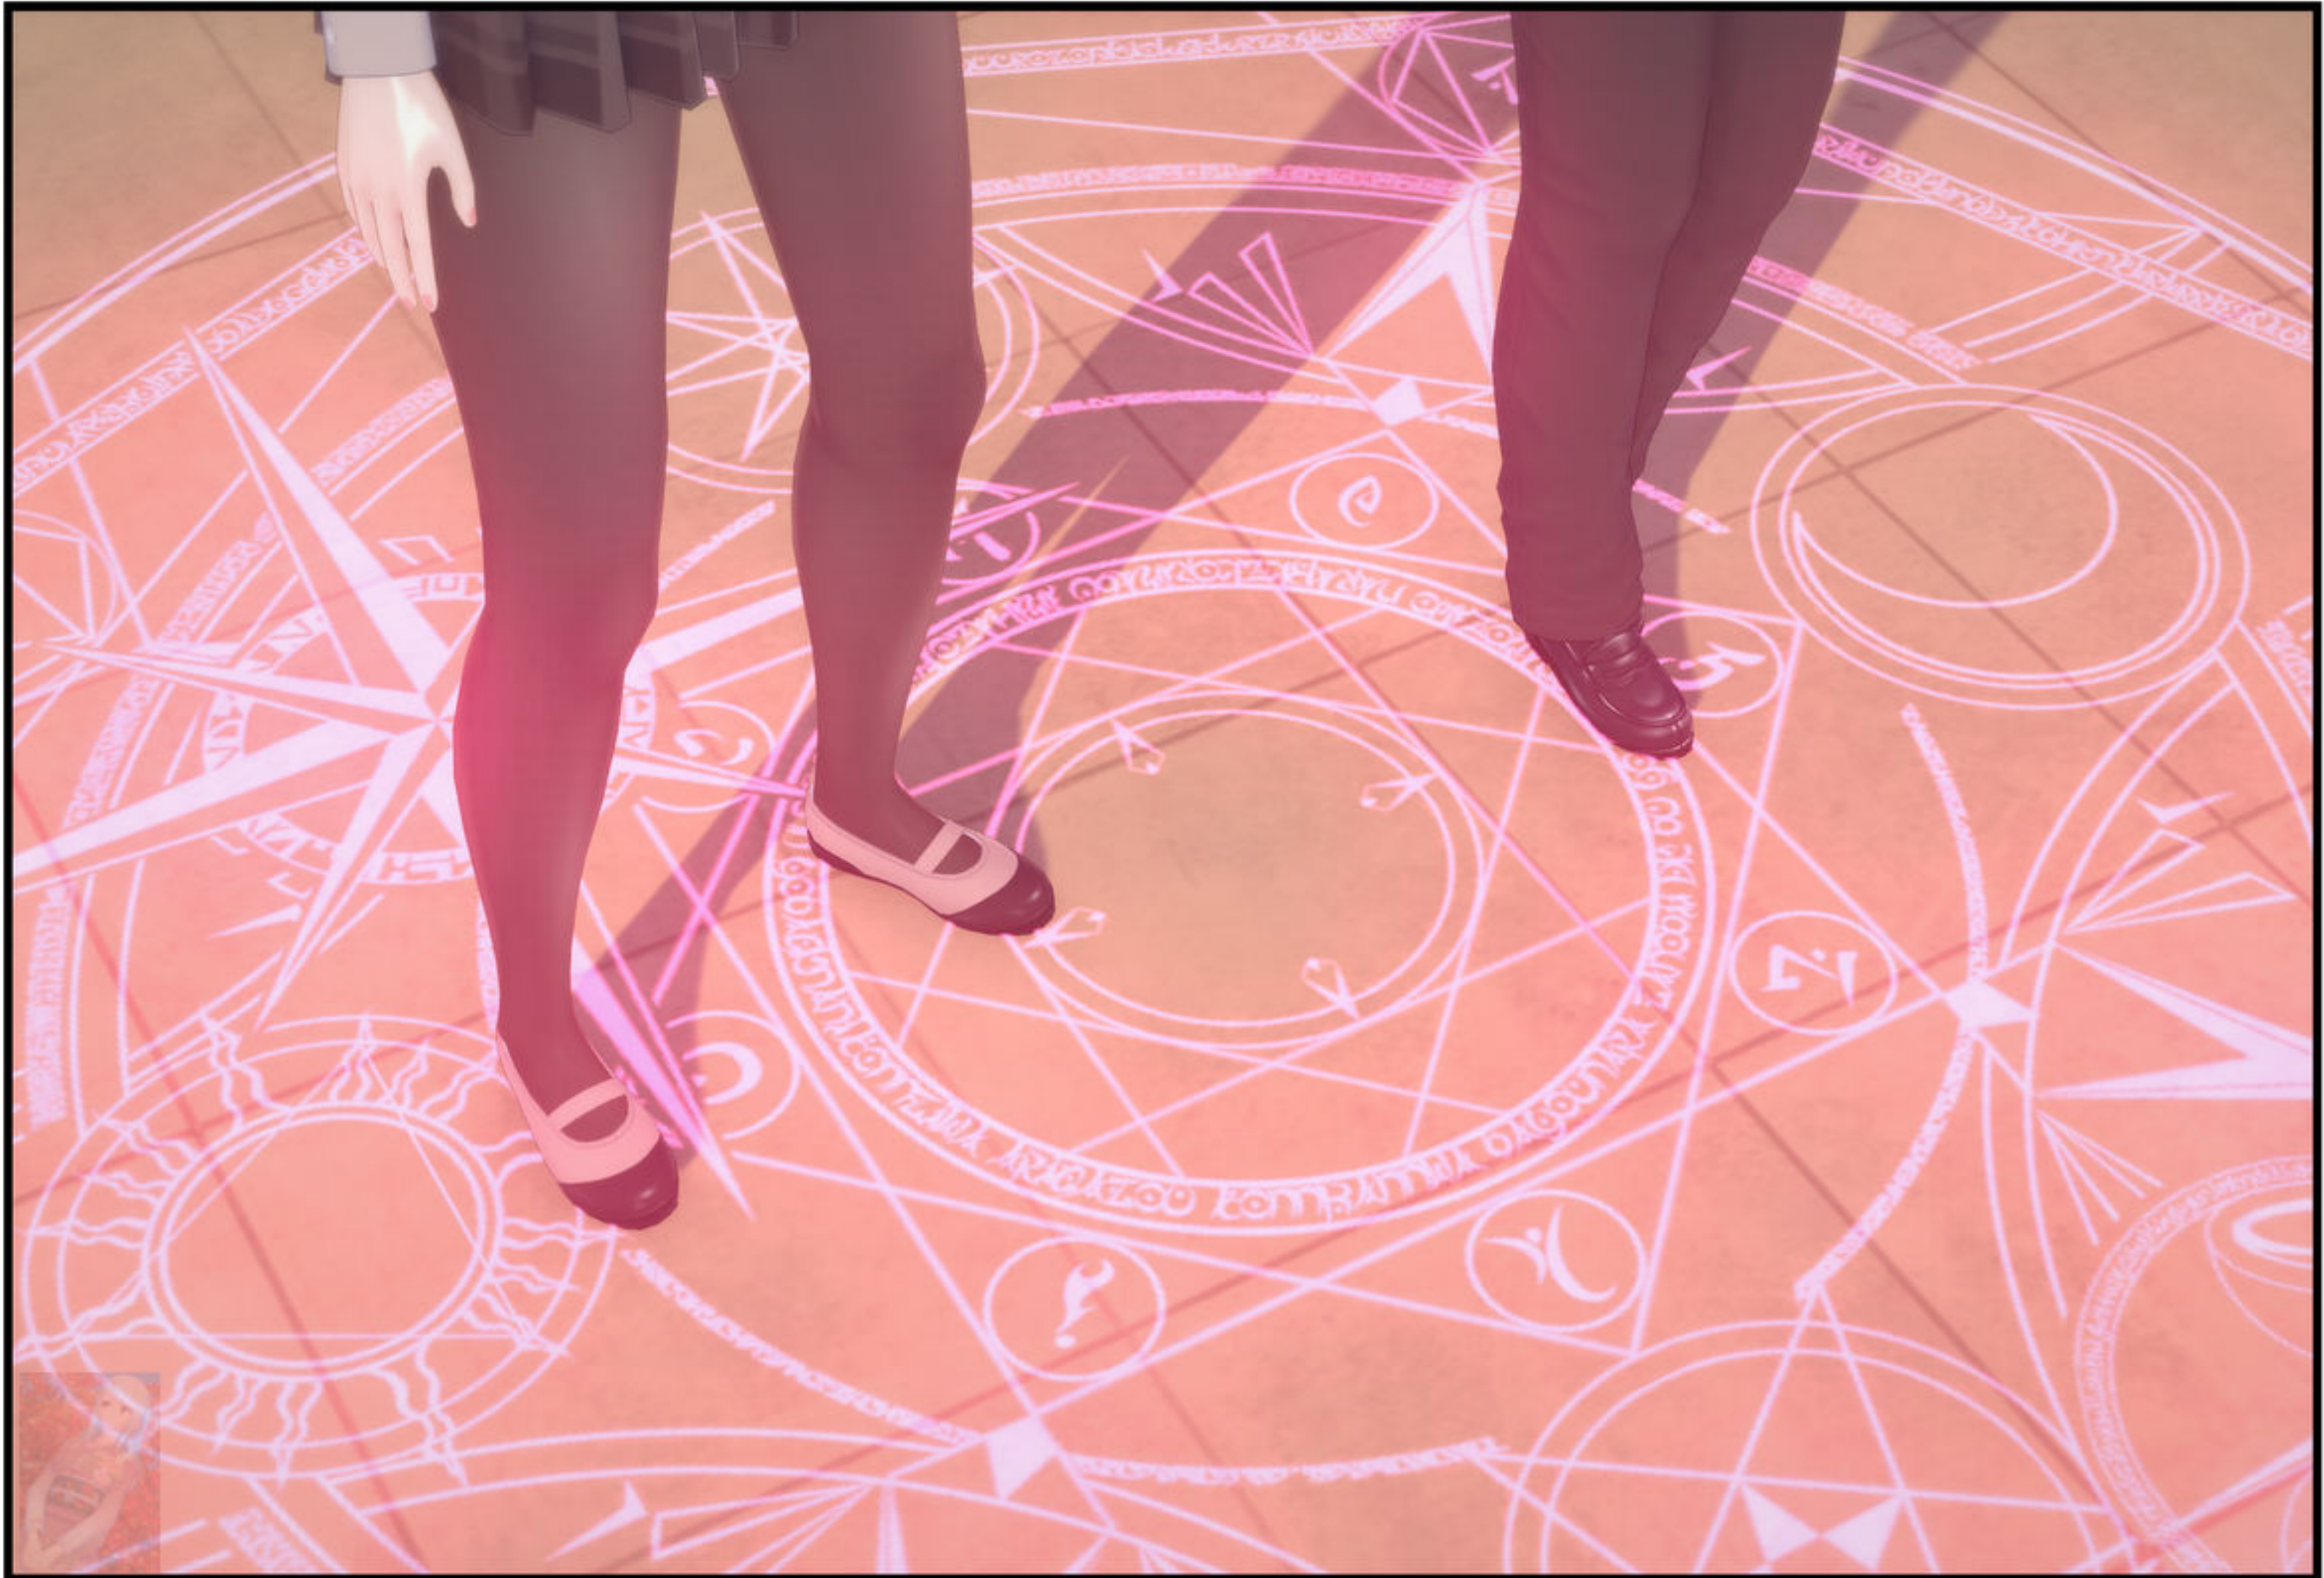

Now, close your eyes and do not open it until I said so.

Kaori and Hoshino.
Two souls will be
returned to its bodies.

"Ah.. I really enjoyed
the student life.."

A character with short, straight black hair and black-rimmed glasses. They are wearing a dark grey suit jacket over a light blue collared shirt and a grey necktie. Their eyes are closed, and they have a slight, serene smile. The background is a soft, warm-toned gradient with a chain-link fence visible at the bottom.

"If I have one
more day.. maybe..
I could see what is
under that gloves?"

Kyyyyyaaaaaaa!!!
Someone!! Help!!!

It's Naomi's
voice!!

H-Hey!! Do not
open your eyes!!

"It's no use.. I
can't.. feel.. my

Ah right.. Girl always so weak, can't even give out a punch.

The weak can never defeat the strong!!

You are wrong..

sometimes.. stand
better.. than the
strong.. They can
become stronger..

Let's see.. who will last to the end.

Give me all you

To be continued?
