Thank you very much for your support!

A few weeks before..

I and Kirito did a funny job in the Underworld lately..

Oh? Could you tell me more, Shino?

W-Well.. Kirito felt into an illusion and he acted weird.

Coffee
everyday

Really!? Ahaha!
I want to see his
face back there.

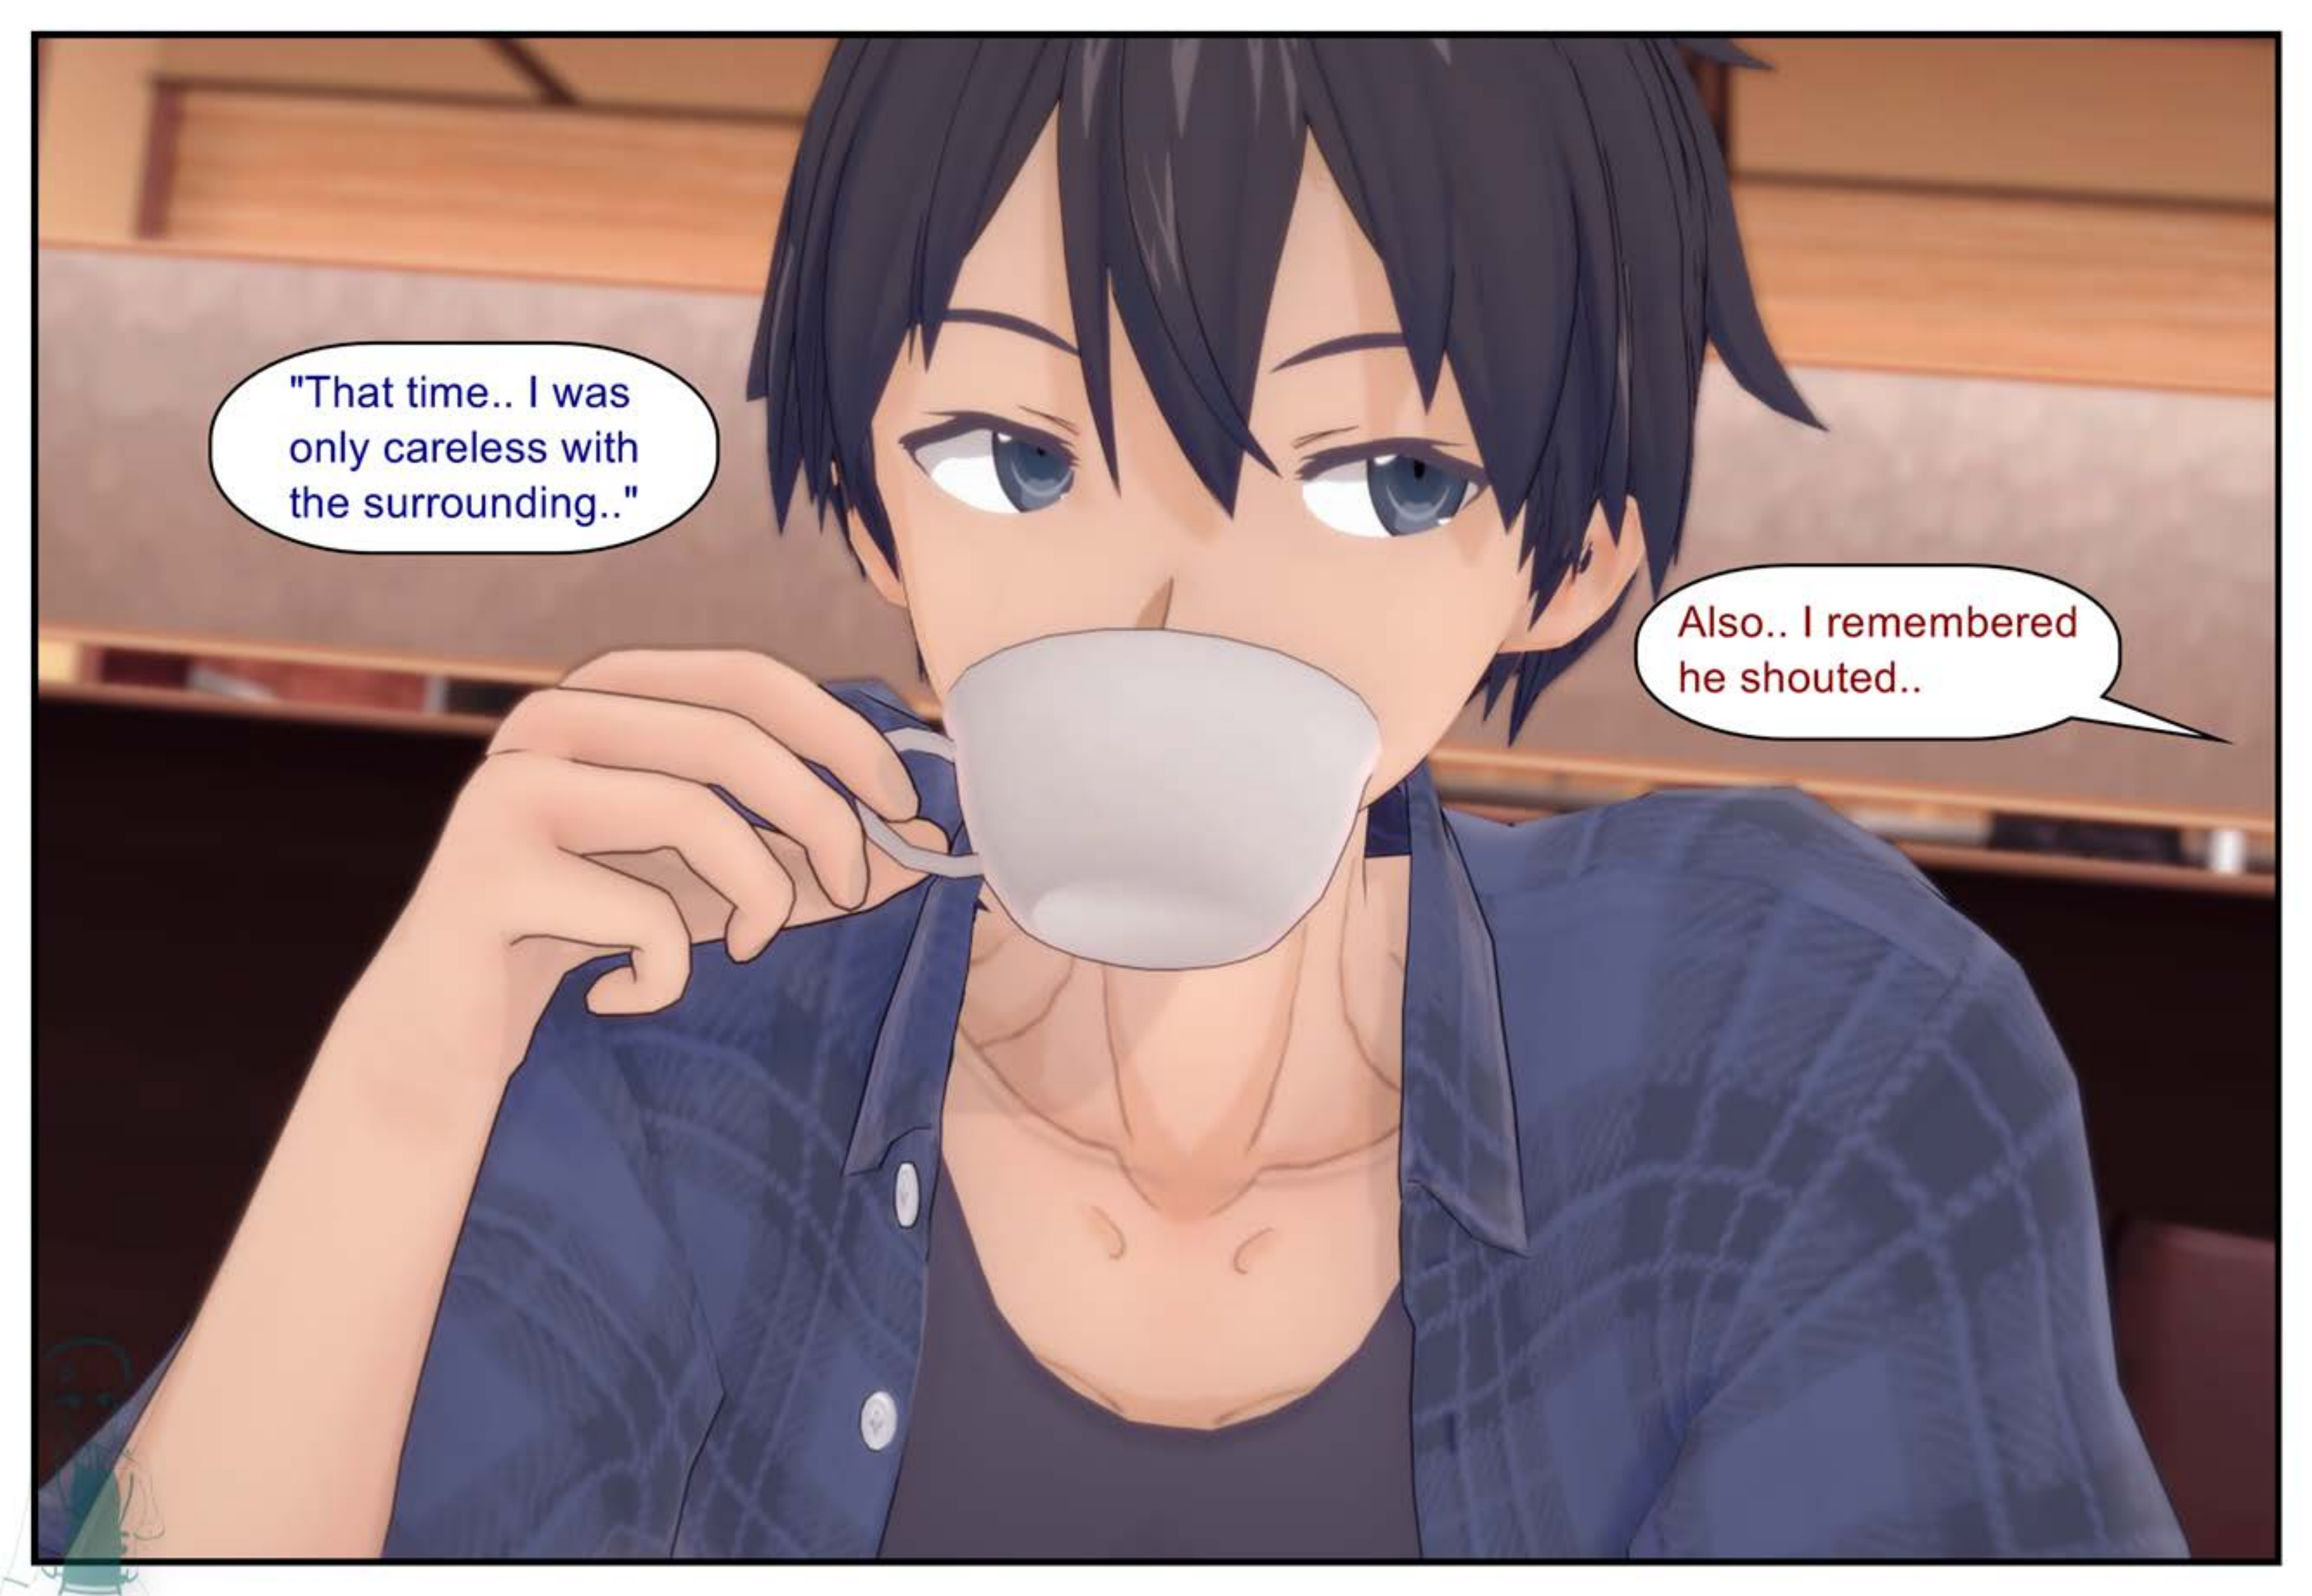

Moreover, Asuna..
Kirito said this..

"I am the legendary
black swordman!"

Pfft.. Ahahaha!!!

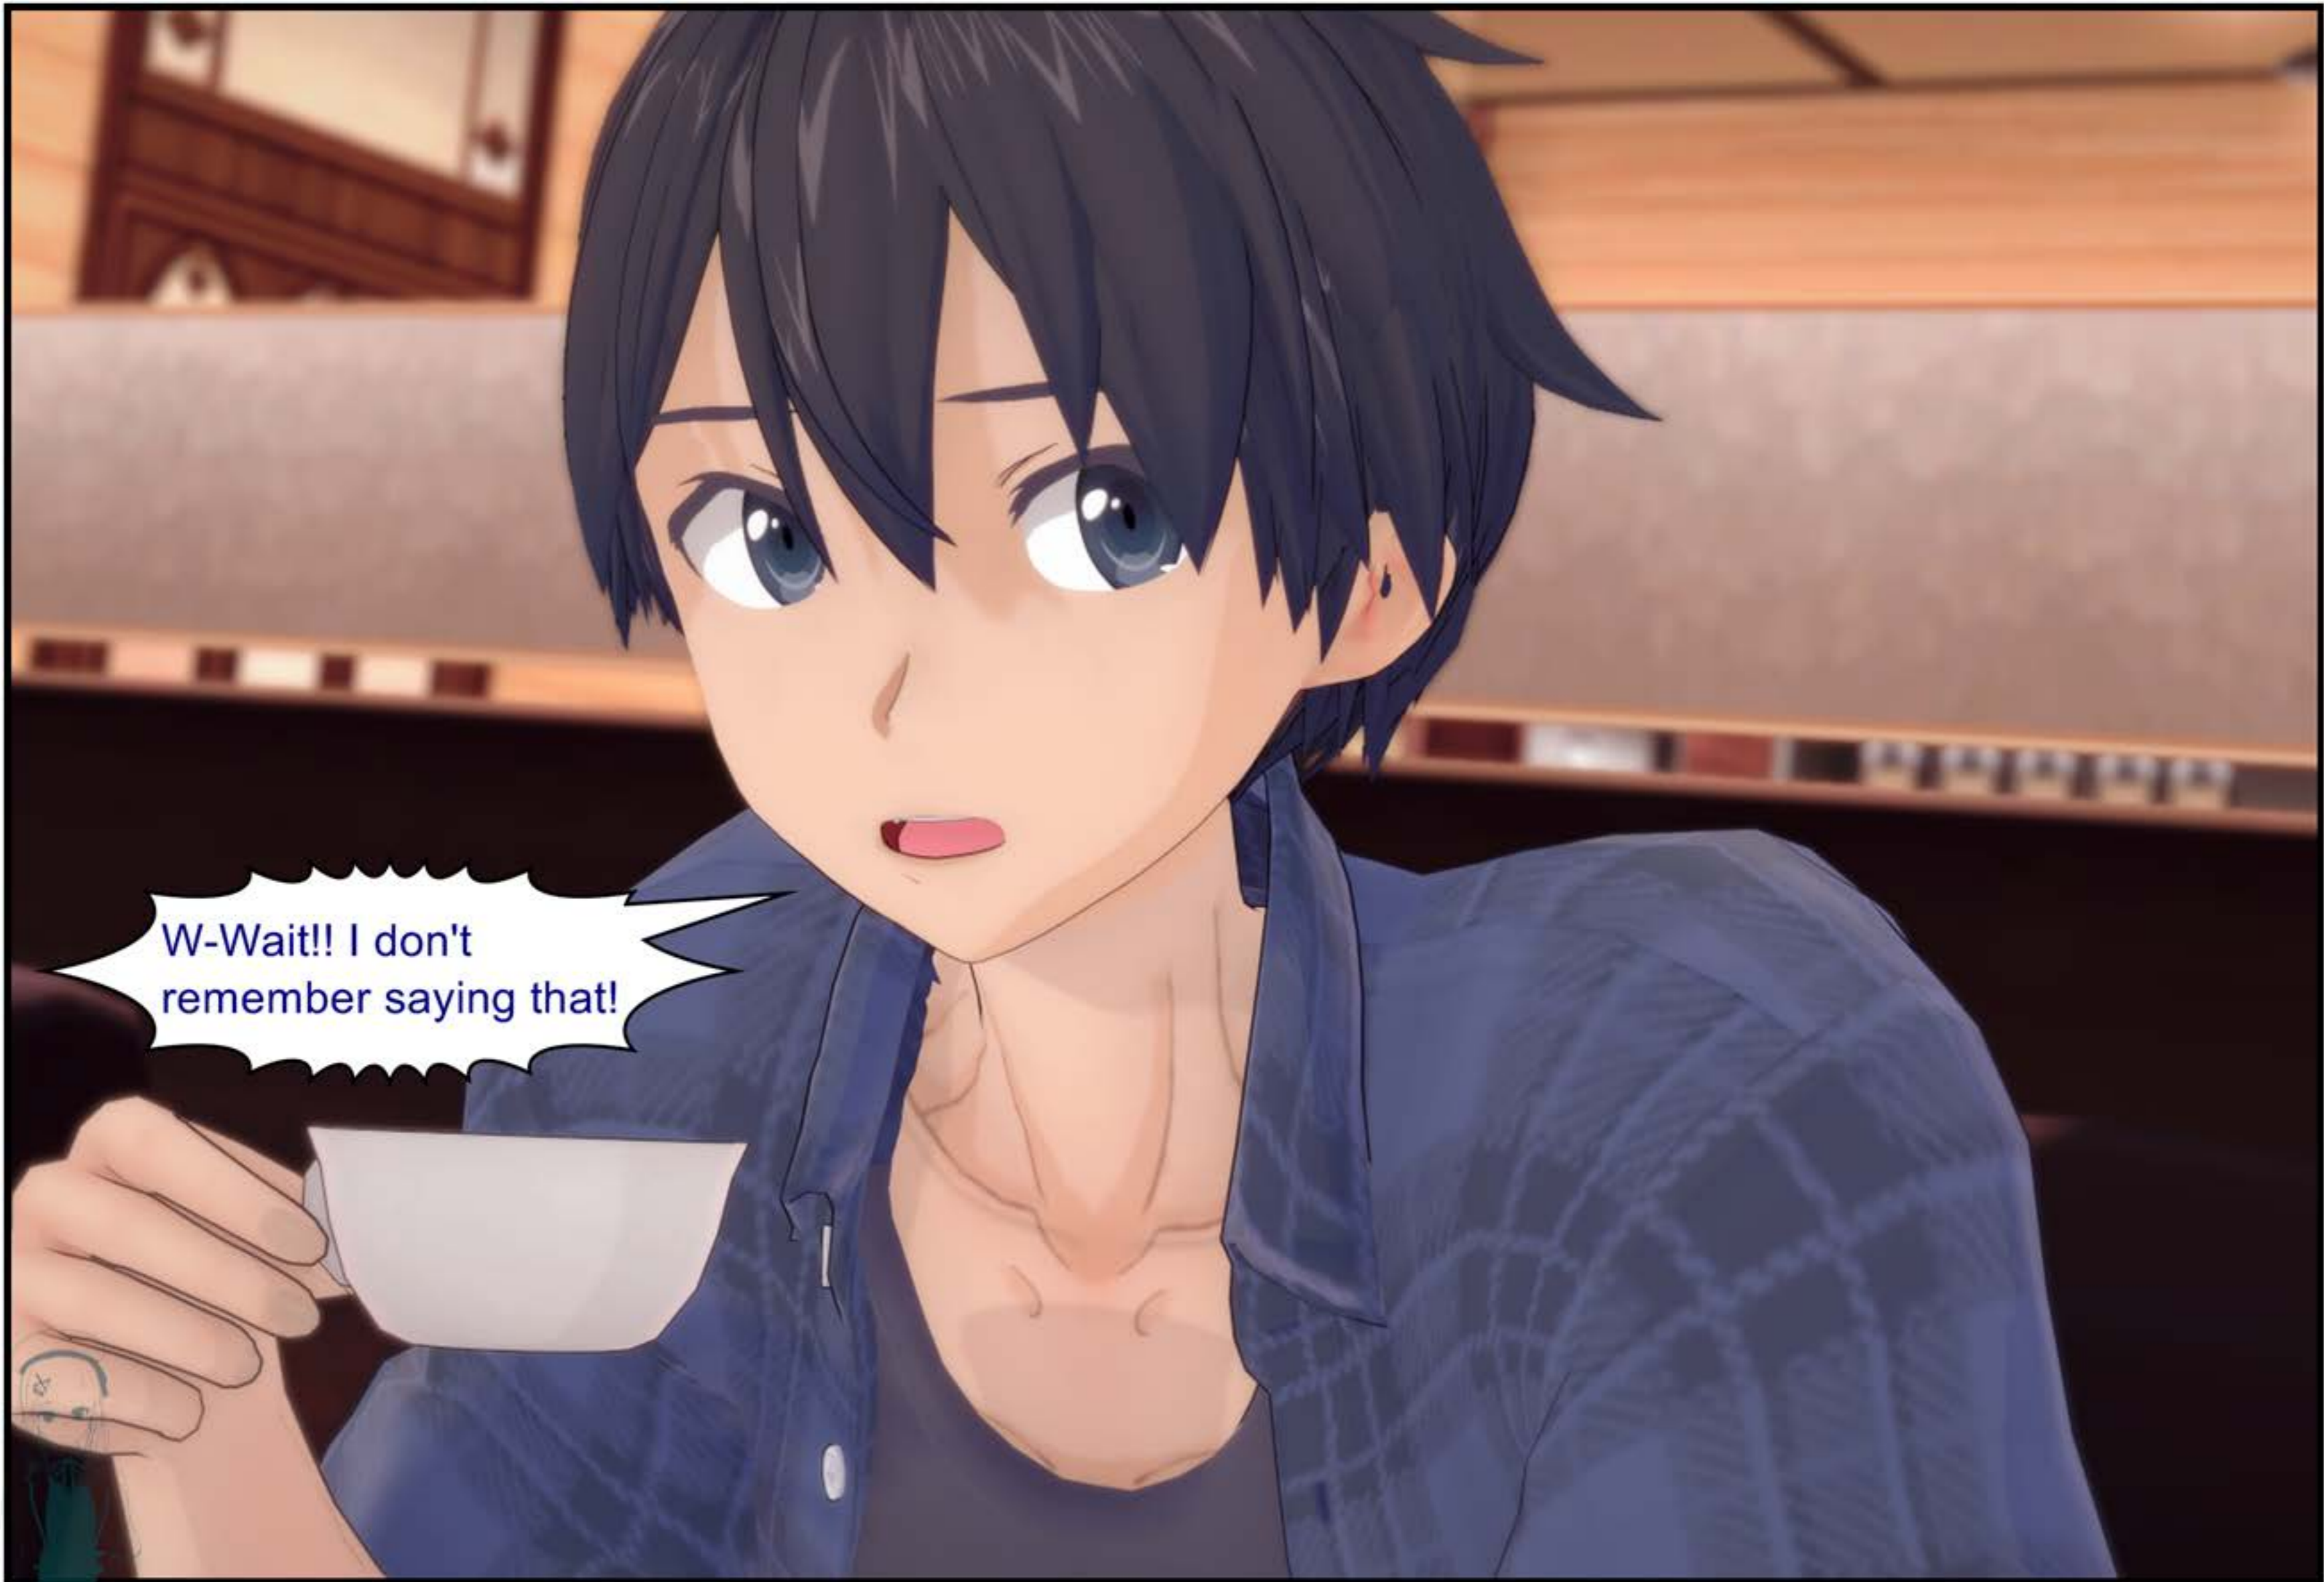

"That time.. I was
only careless with
the surrounding.."

Also.. I remembered
he shouted..

"Lady Asuna!! Please
let me become your shield!!!"

W-Wait!! I don't
remember saying that!

Uhm..? Then you don't want to be my shield?

N-No!! Not like that.. I was being halluciated!

Hm..? What is it, Shino?

Sorry, I was mess with you a bit. Also, Kirito..

The reason that I called you here but not Agil's place?

Today a few years
back, I met you in
Gun Gale Online.

I played GGO in order to overcome the fear of firearms..

Then, I met Kirito..
a player who only
choose a photon sword
instead of a gun.

..We then became partner
in the Bullet of Bullet
Tournament, after that,
I met everyone else..

Each moment being
with everyone is my
best memories ever!

It's okay, you don't have to be that formal..

Oh, I just free my schedule lately, how about we go to later on?

"Kirito.. Shino..
Enjoy your last
peaceful moment.."

"Kuku.. The stage
has been prepared.."

"All of you.. are
going to witness
the fear of the
Laughing Coffin.."

KIRITO!!!
Watch out!!!

A character with short blonde hair, wearing a purple bucket hat and a bright yellow jacket, is holding a large, black, futuristic-looking rifle. The character has a slightly disappointed or frustrated expression. The background shows a blurred outdoor setting with green foliage and a grey structure.

"Tch.. I missed the shot.."

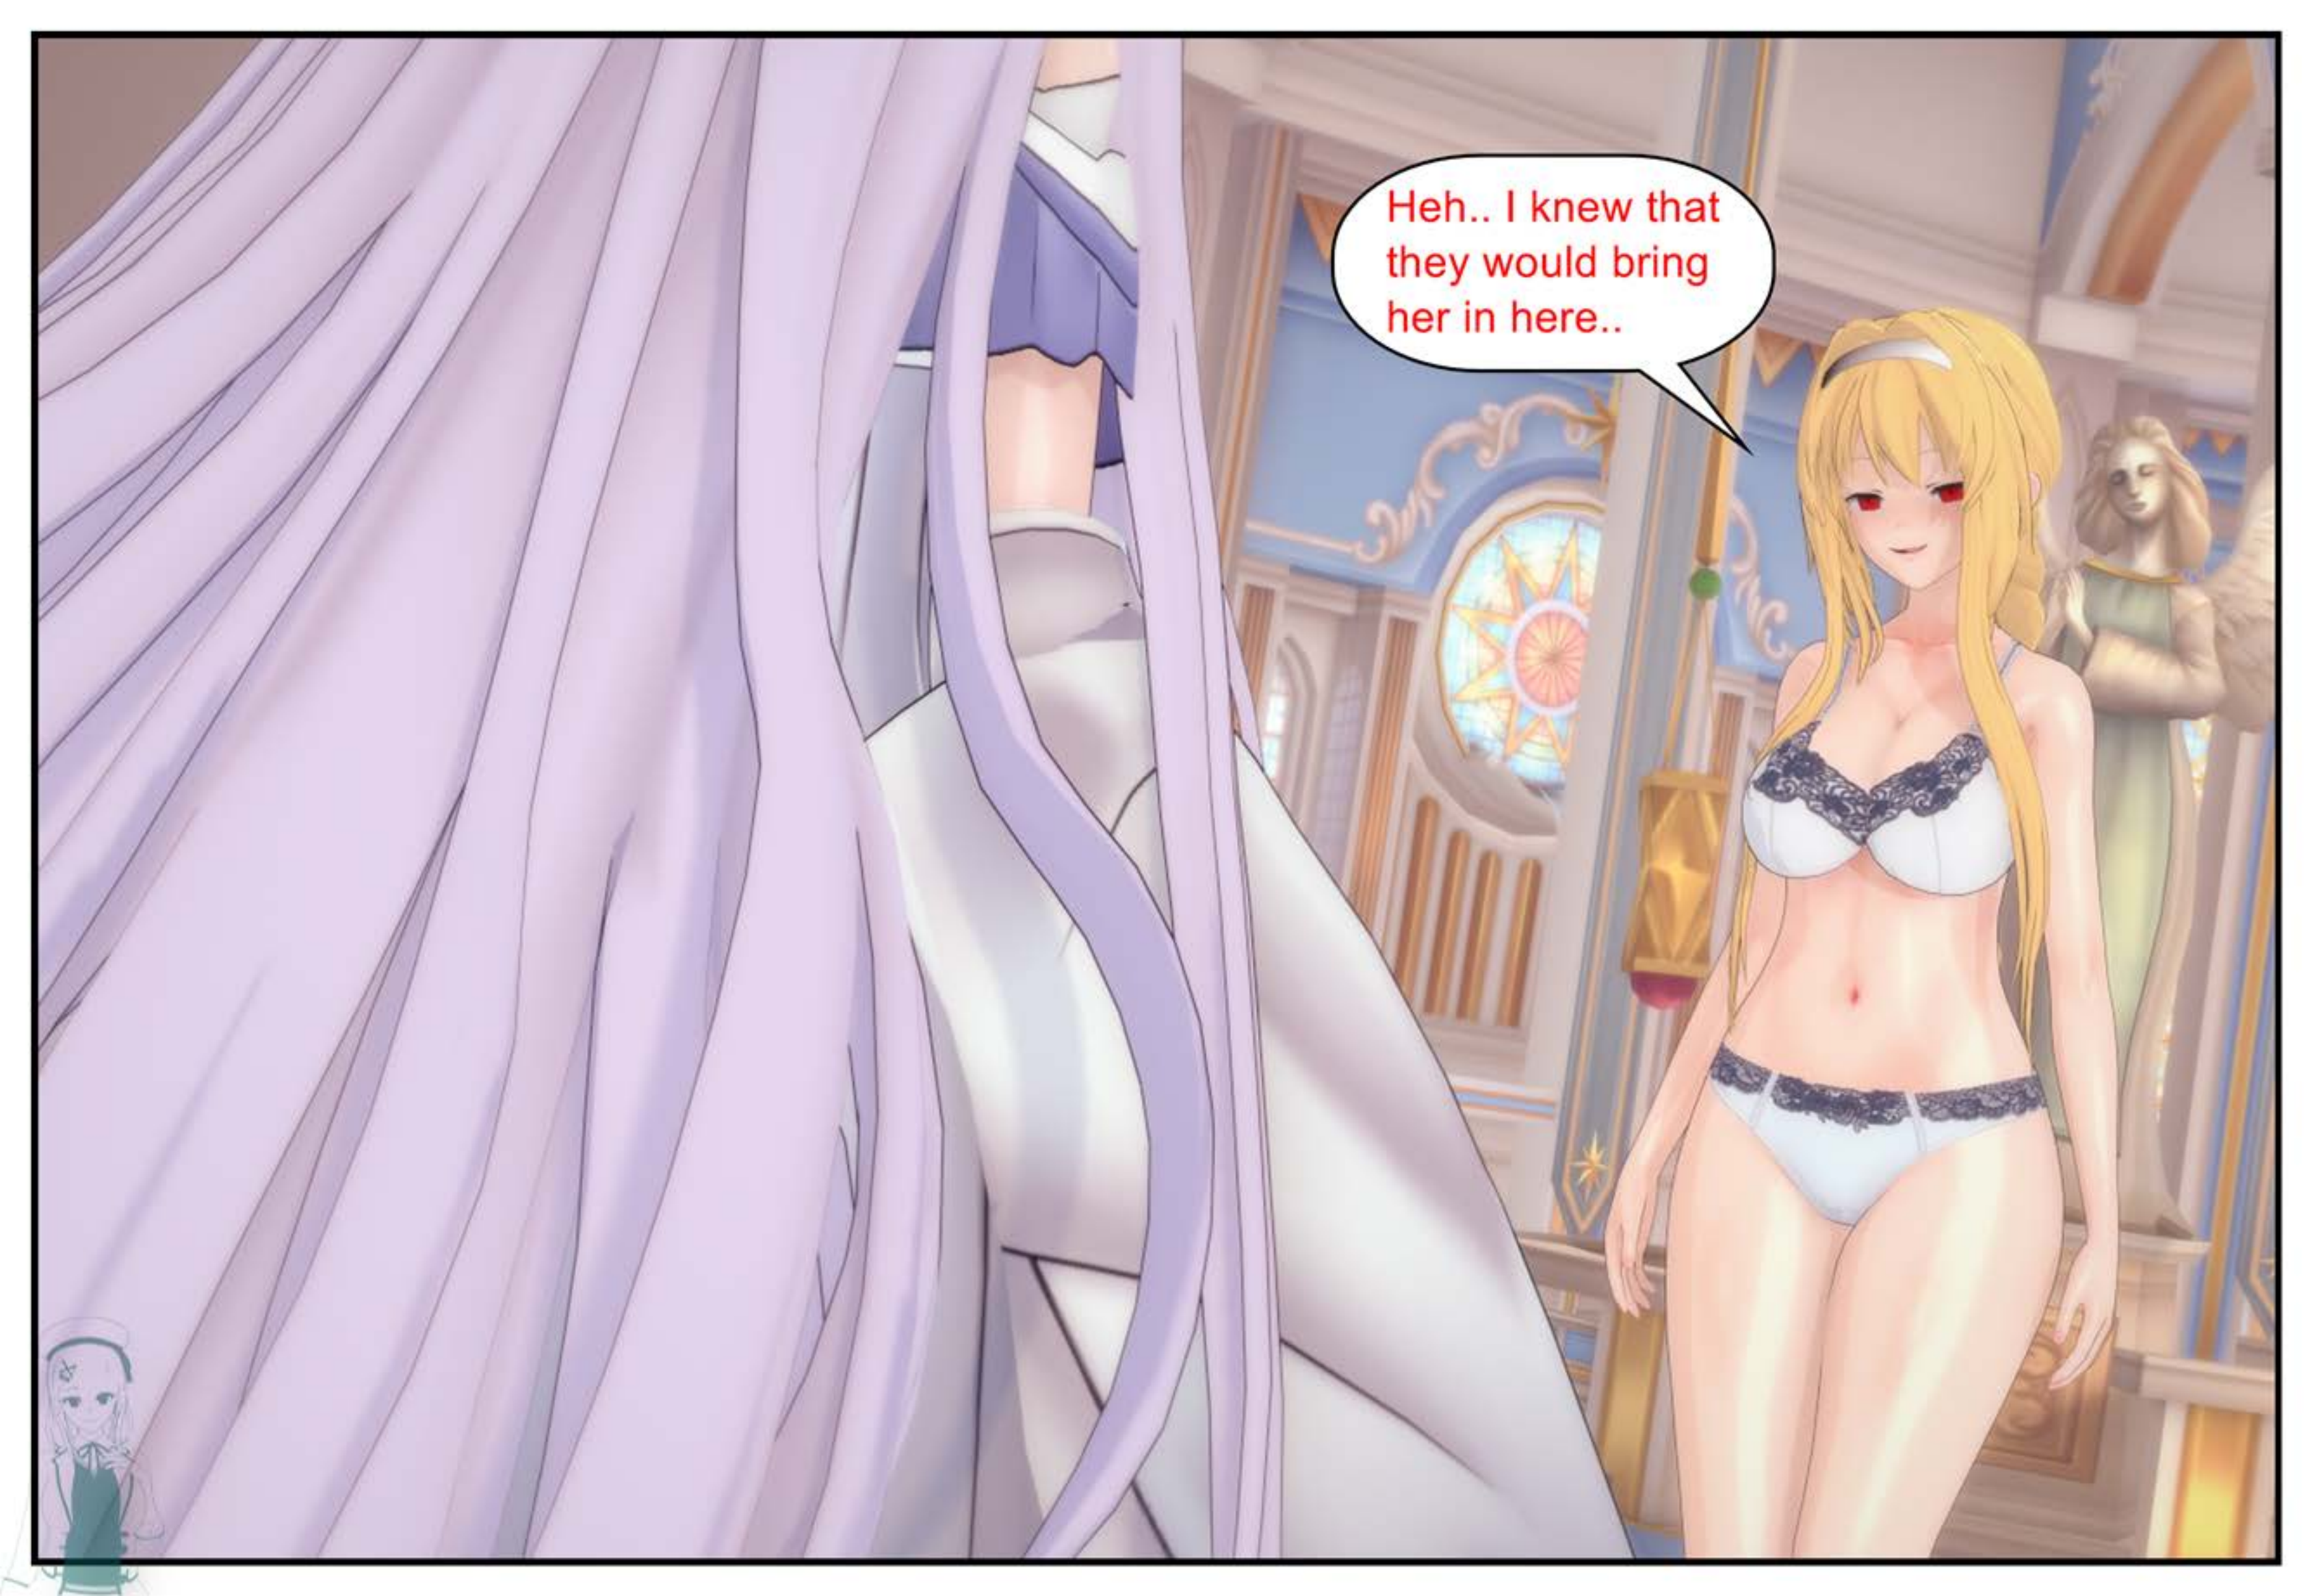

Shino..!!

SHINNNOOOOO!!!

The Administrator
of the Underworld..

Heh.. I knew that they would bring her in here..

I wonder.. how could someone like you to be told to do something such as protection?

Why do you care?
Also, what I concern
now is you..

..an intruder who came in and possess my knight, Alice.

This is my Cathedral,
and you are merely
trespassing.

Okay, calm down
now, Ms. Administrator.

Give me a reason
before I lose my interest.

I'm not here to fight, as well as looking to cooperate with you.

That swordman,
Kirigaya Kazuto,
is just the pain
for you, right?

Think, we put him
out and the others out,
the Underworld is yours
again. Also, I will leave.

Unless, you want him
to order you around
like this?

Mrs. Administrator,
with your power..

Kirito is a good
and interesting
boy to me.

About your offer,
I refuse to do so.
It's not a win-win
situation for me.

Now, I may ask you to leave Alice and get out of my place, would you?

Meanwhile..

Asuna.. Please
hear me out! That
wasn't me..

My head was
blank that time..
I didn't remember
anything with Alice..

Believe me, Asuna.
It's a misunderstanding..

We could ask Alice to clarify..

That's enough, Kirigaya Kazuto!

Please don't come
any closer!!

I don't want to hear
it anymore.. for what
I saw back then..

Is that all.. what you did behind my back!?

N-No.. I didn't..
Asuna..

How long.. are you
keep lying to me!?

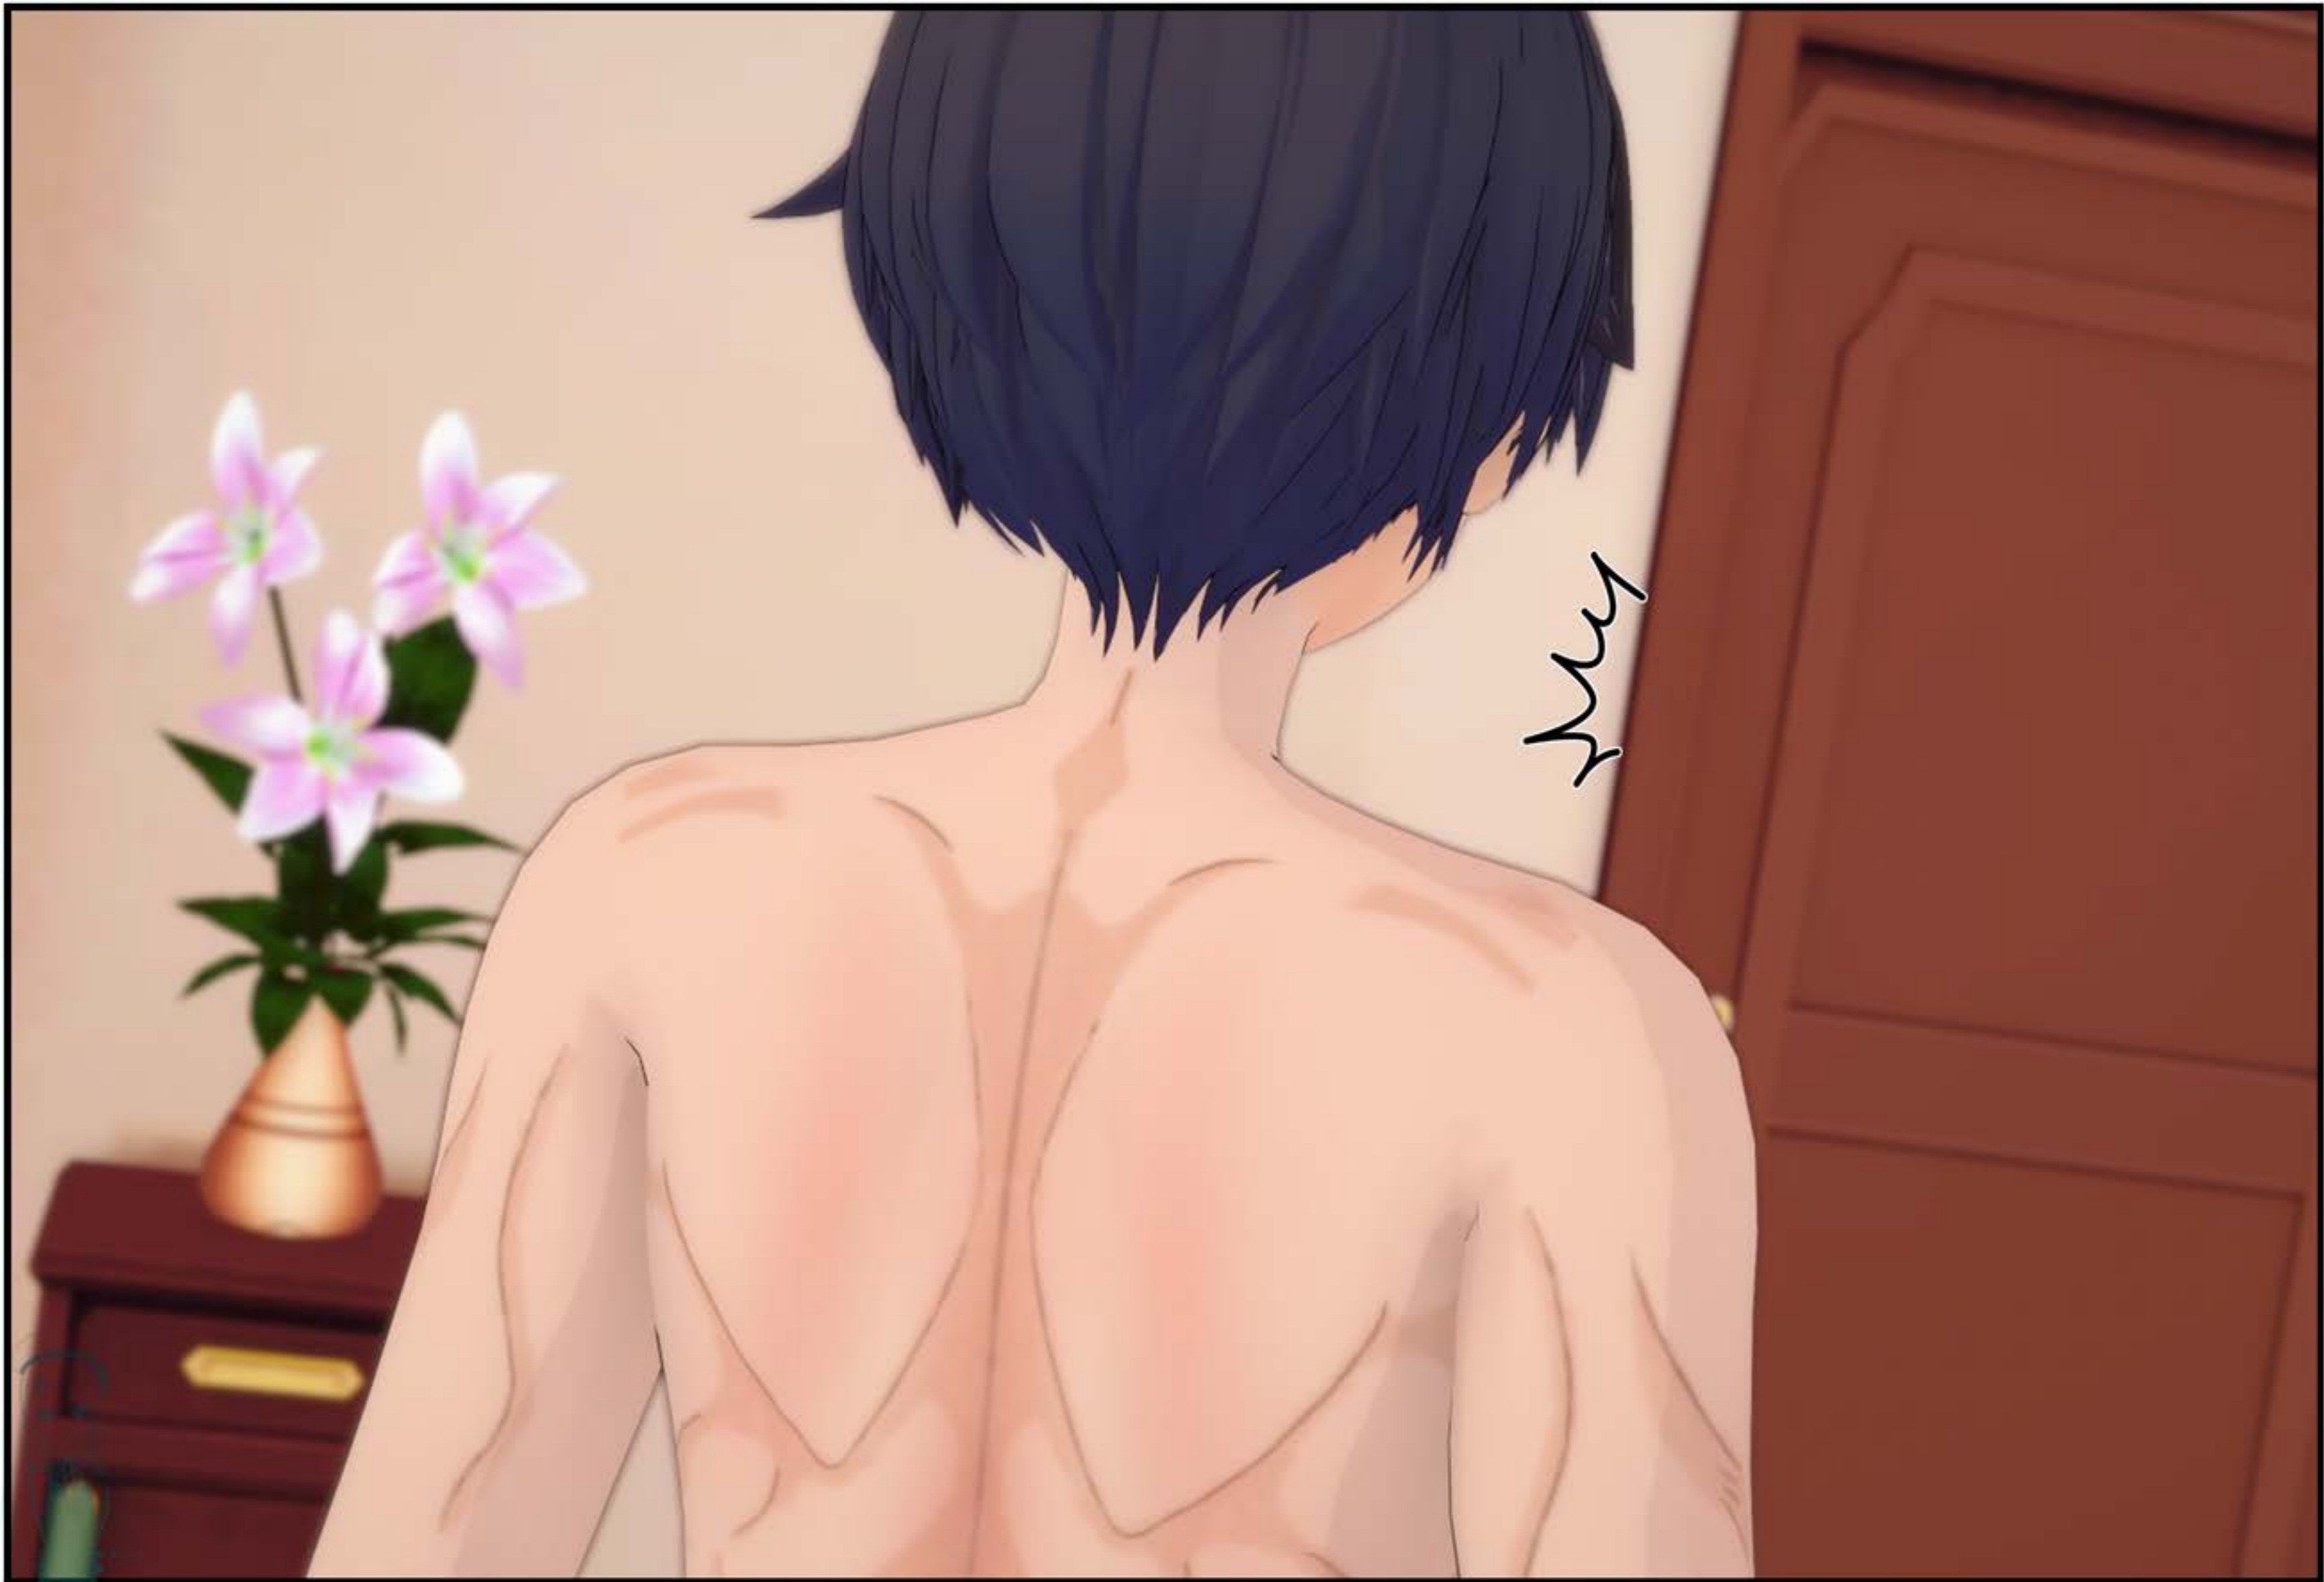

I'm sorry.. I need to be alone..

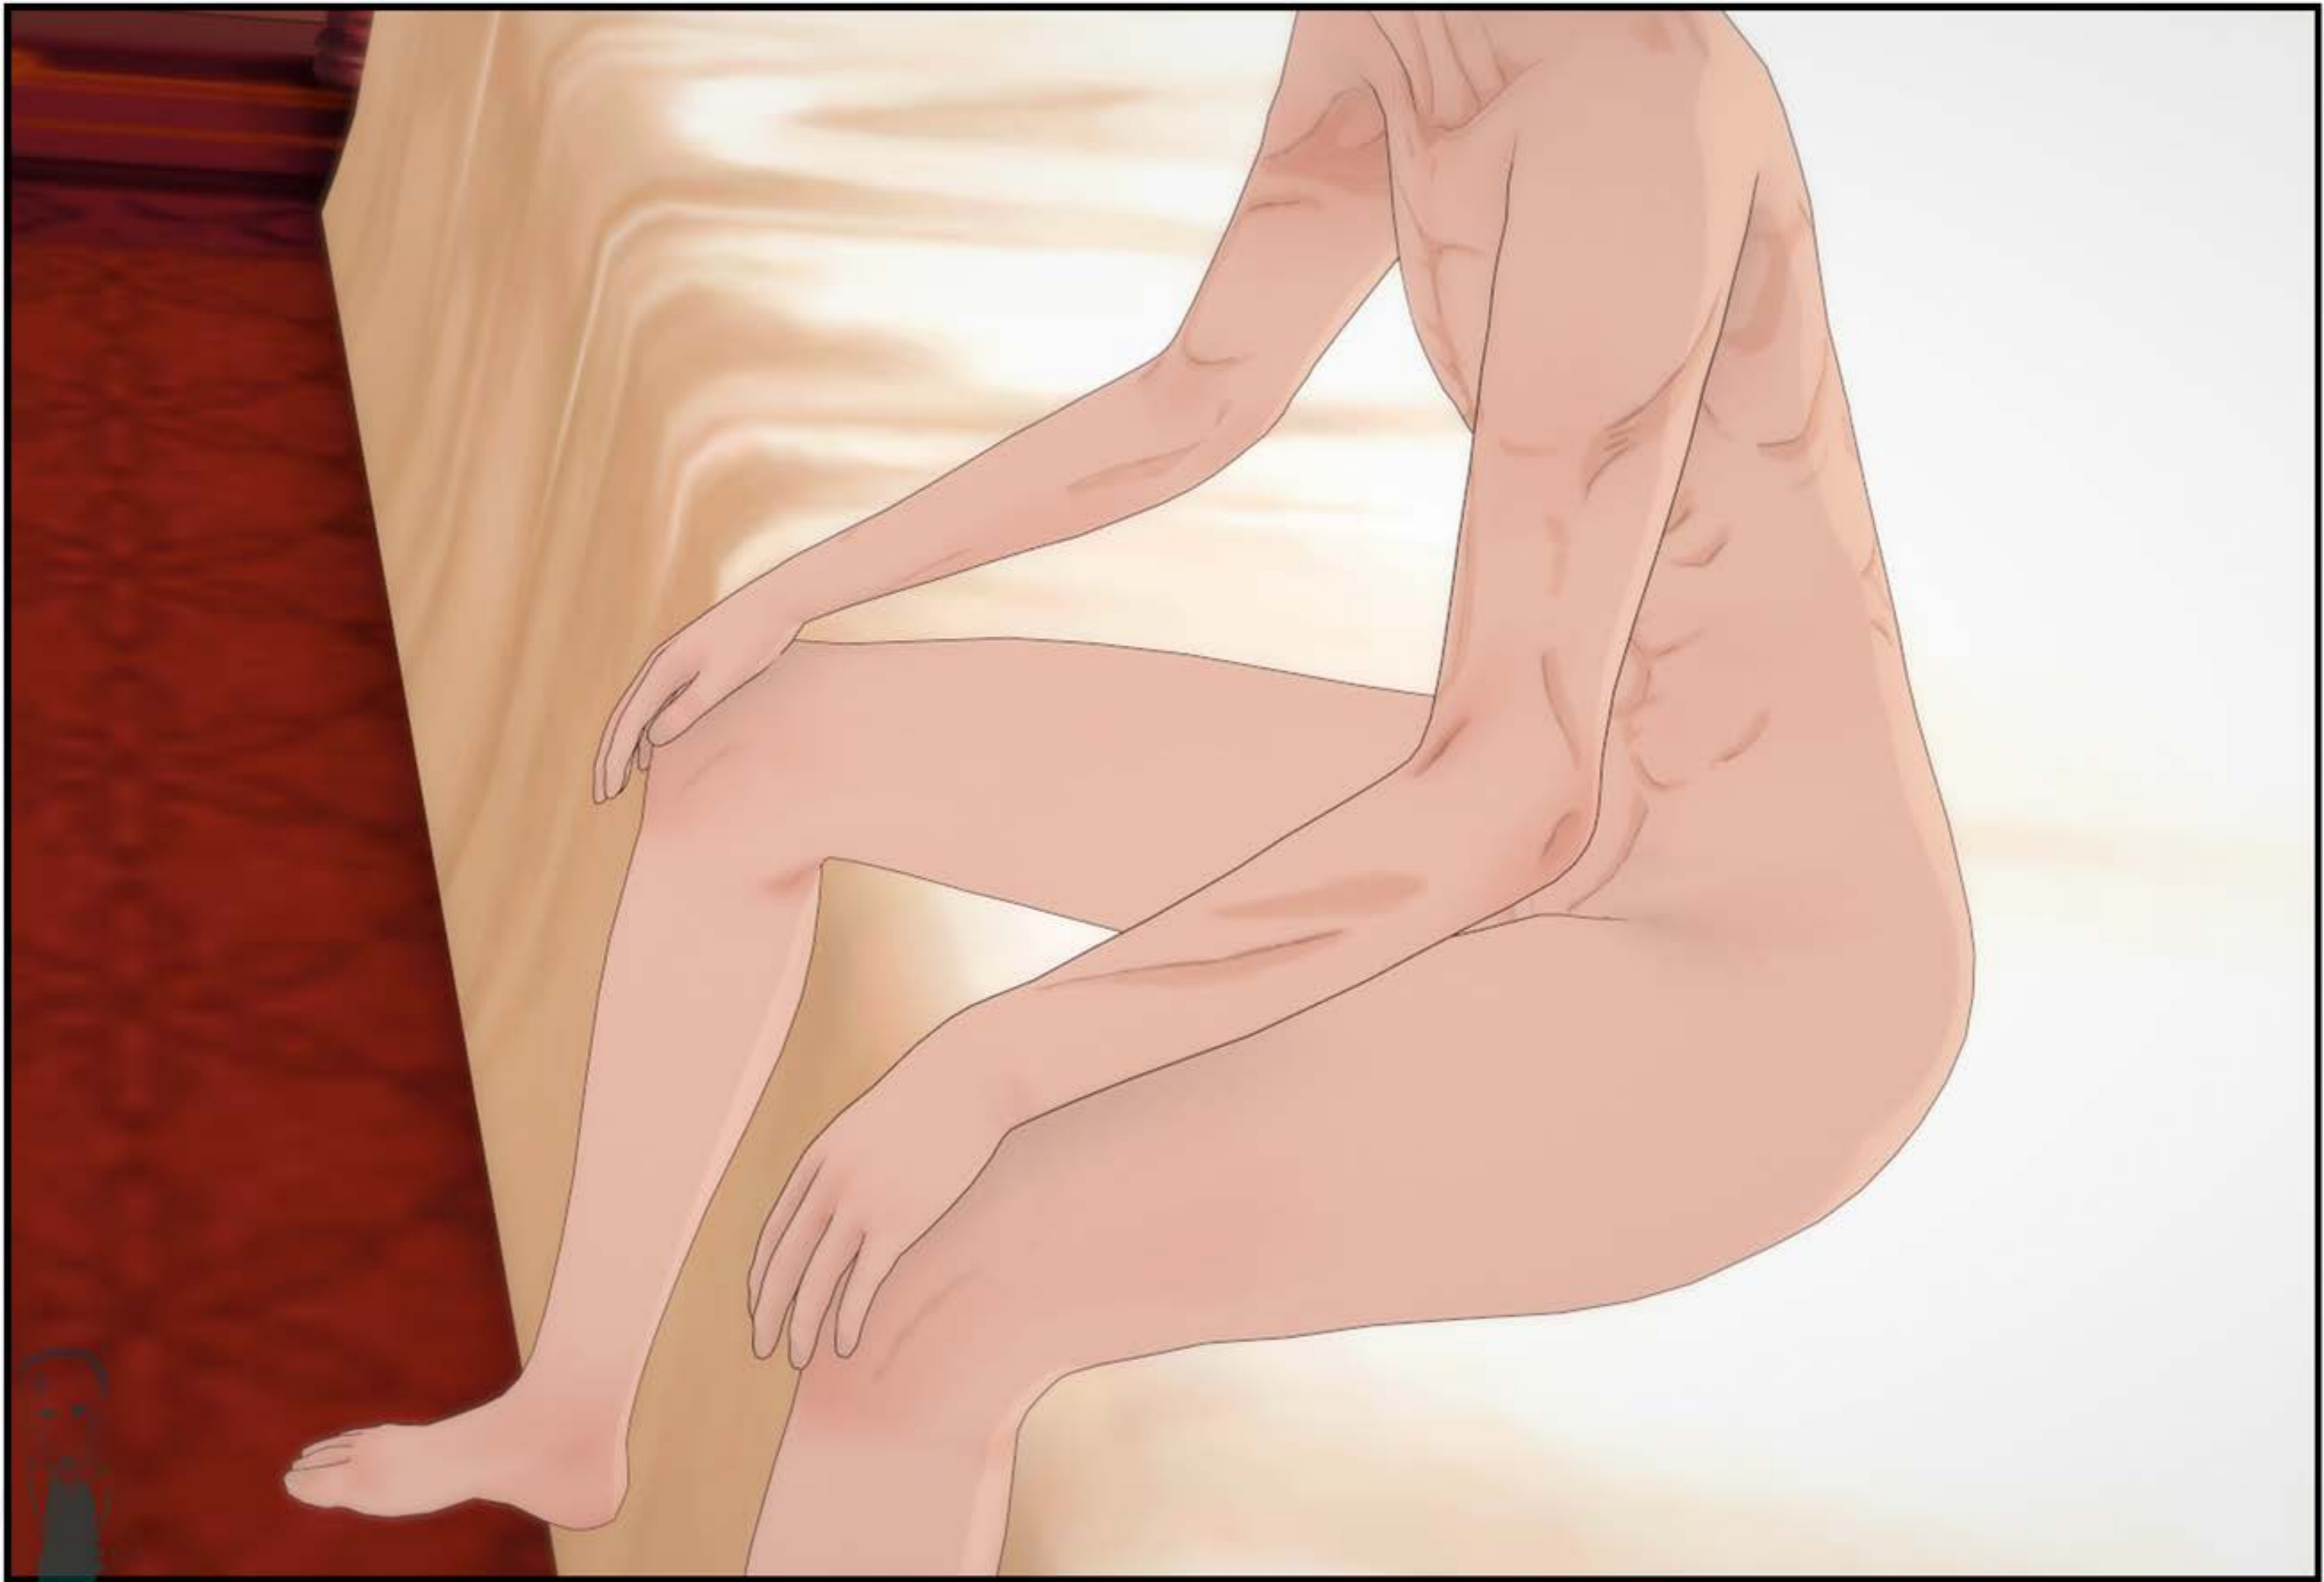

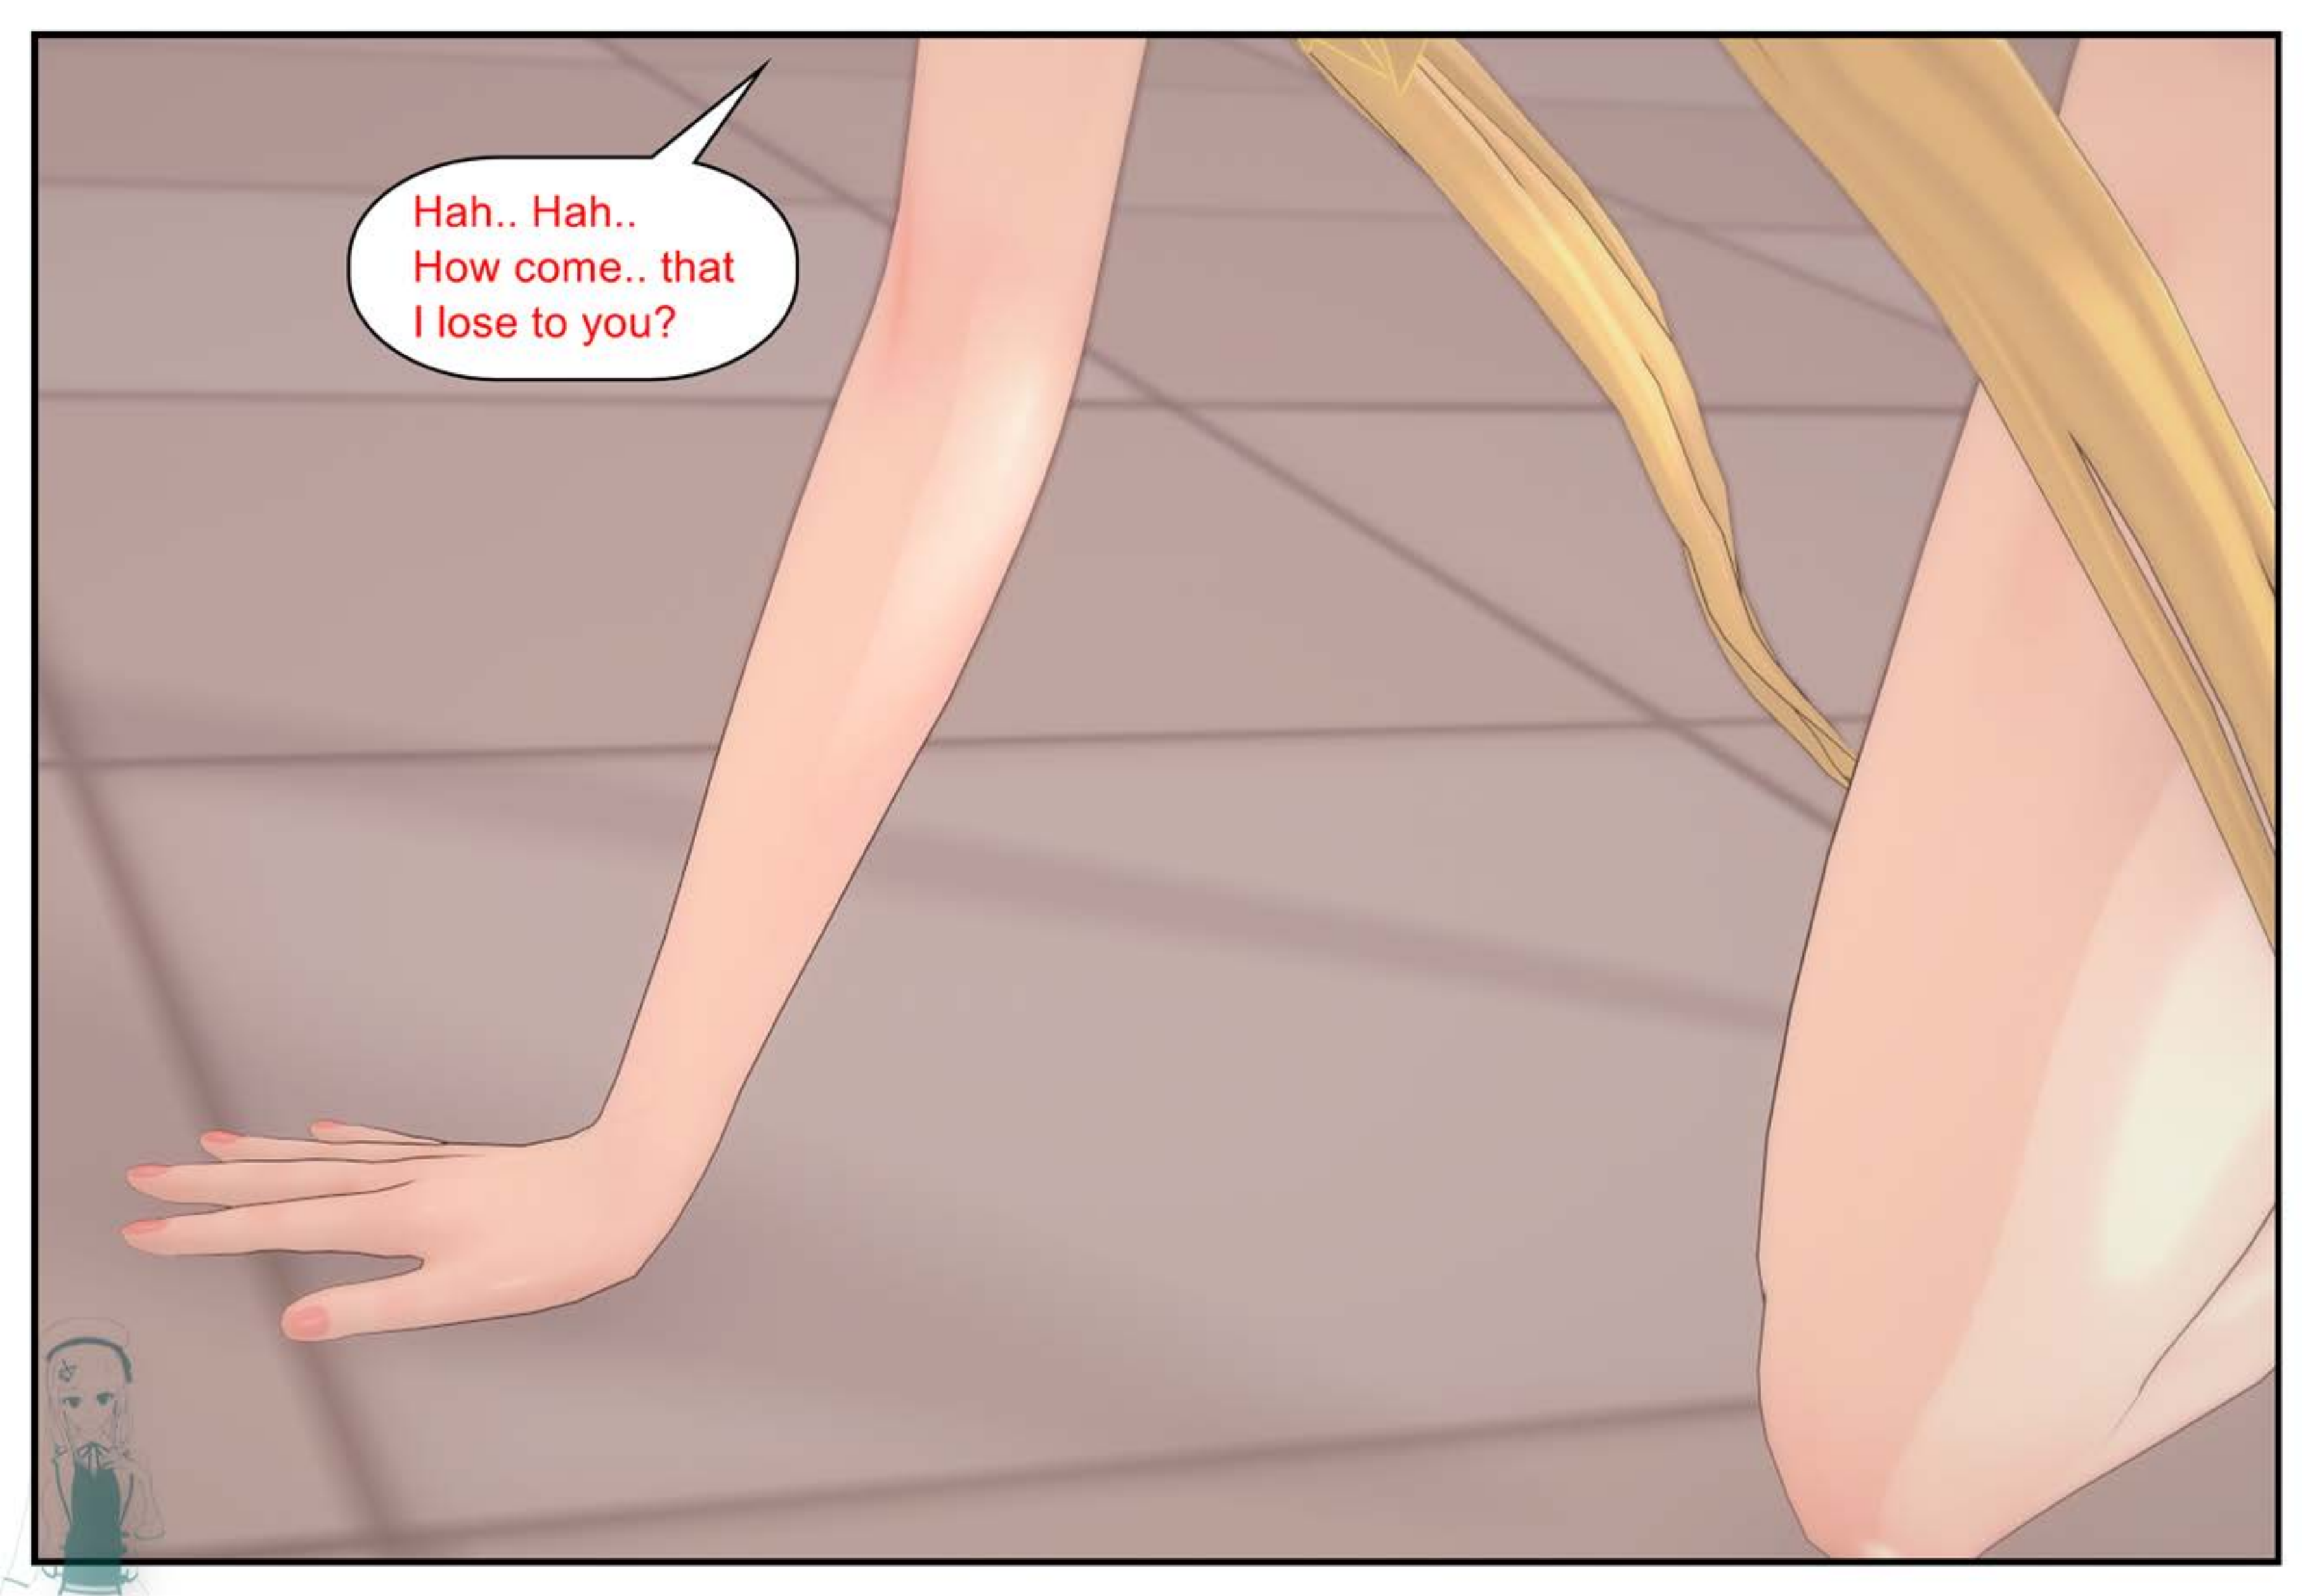

Asuna!! WAIT!!!

A close-up illustration of a person's hand and arm, rendered in a soft, painterly style. The hand is positioned at the bottom left, with fingers slightly spread. The arm extends upwards and to the right. In the upper left corner, a white speech bubble with a black outline contains red text. The background is a muted, greyish-brown color with faint, horizontal lines, suggesting a wall or a tiled surface. The overall mood is contemplative or questioning.

Hah.. Hah..
How come.. that
I lose to you?

You can take a
body, but you don't
have any skills.

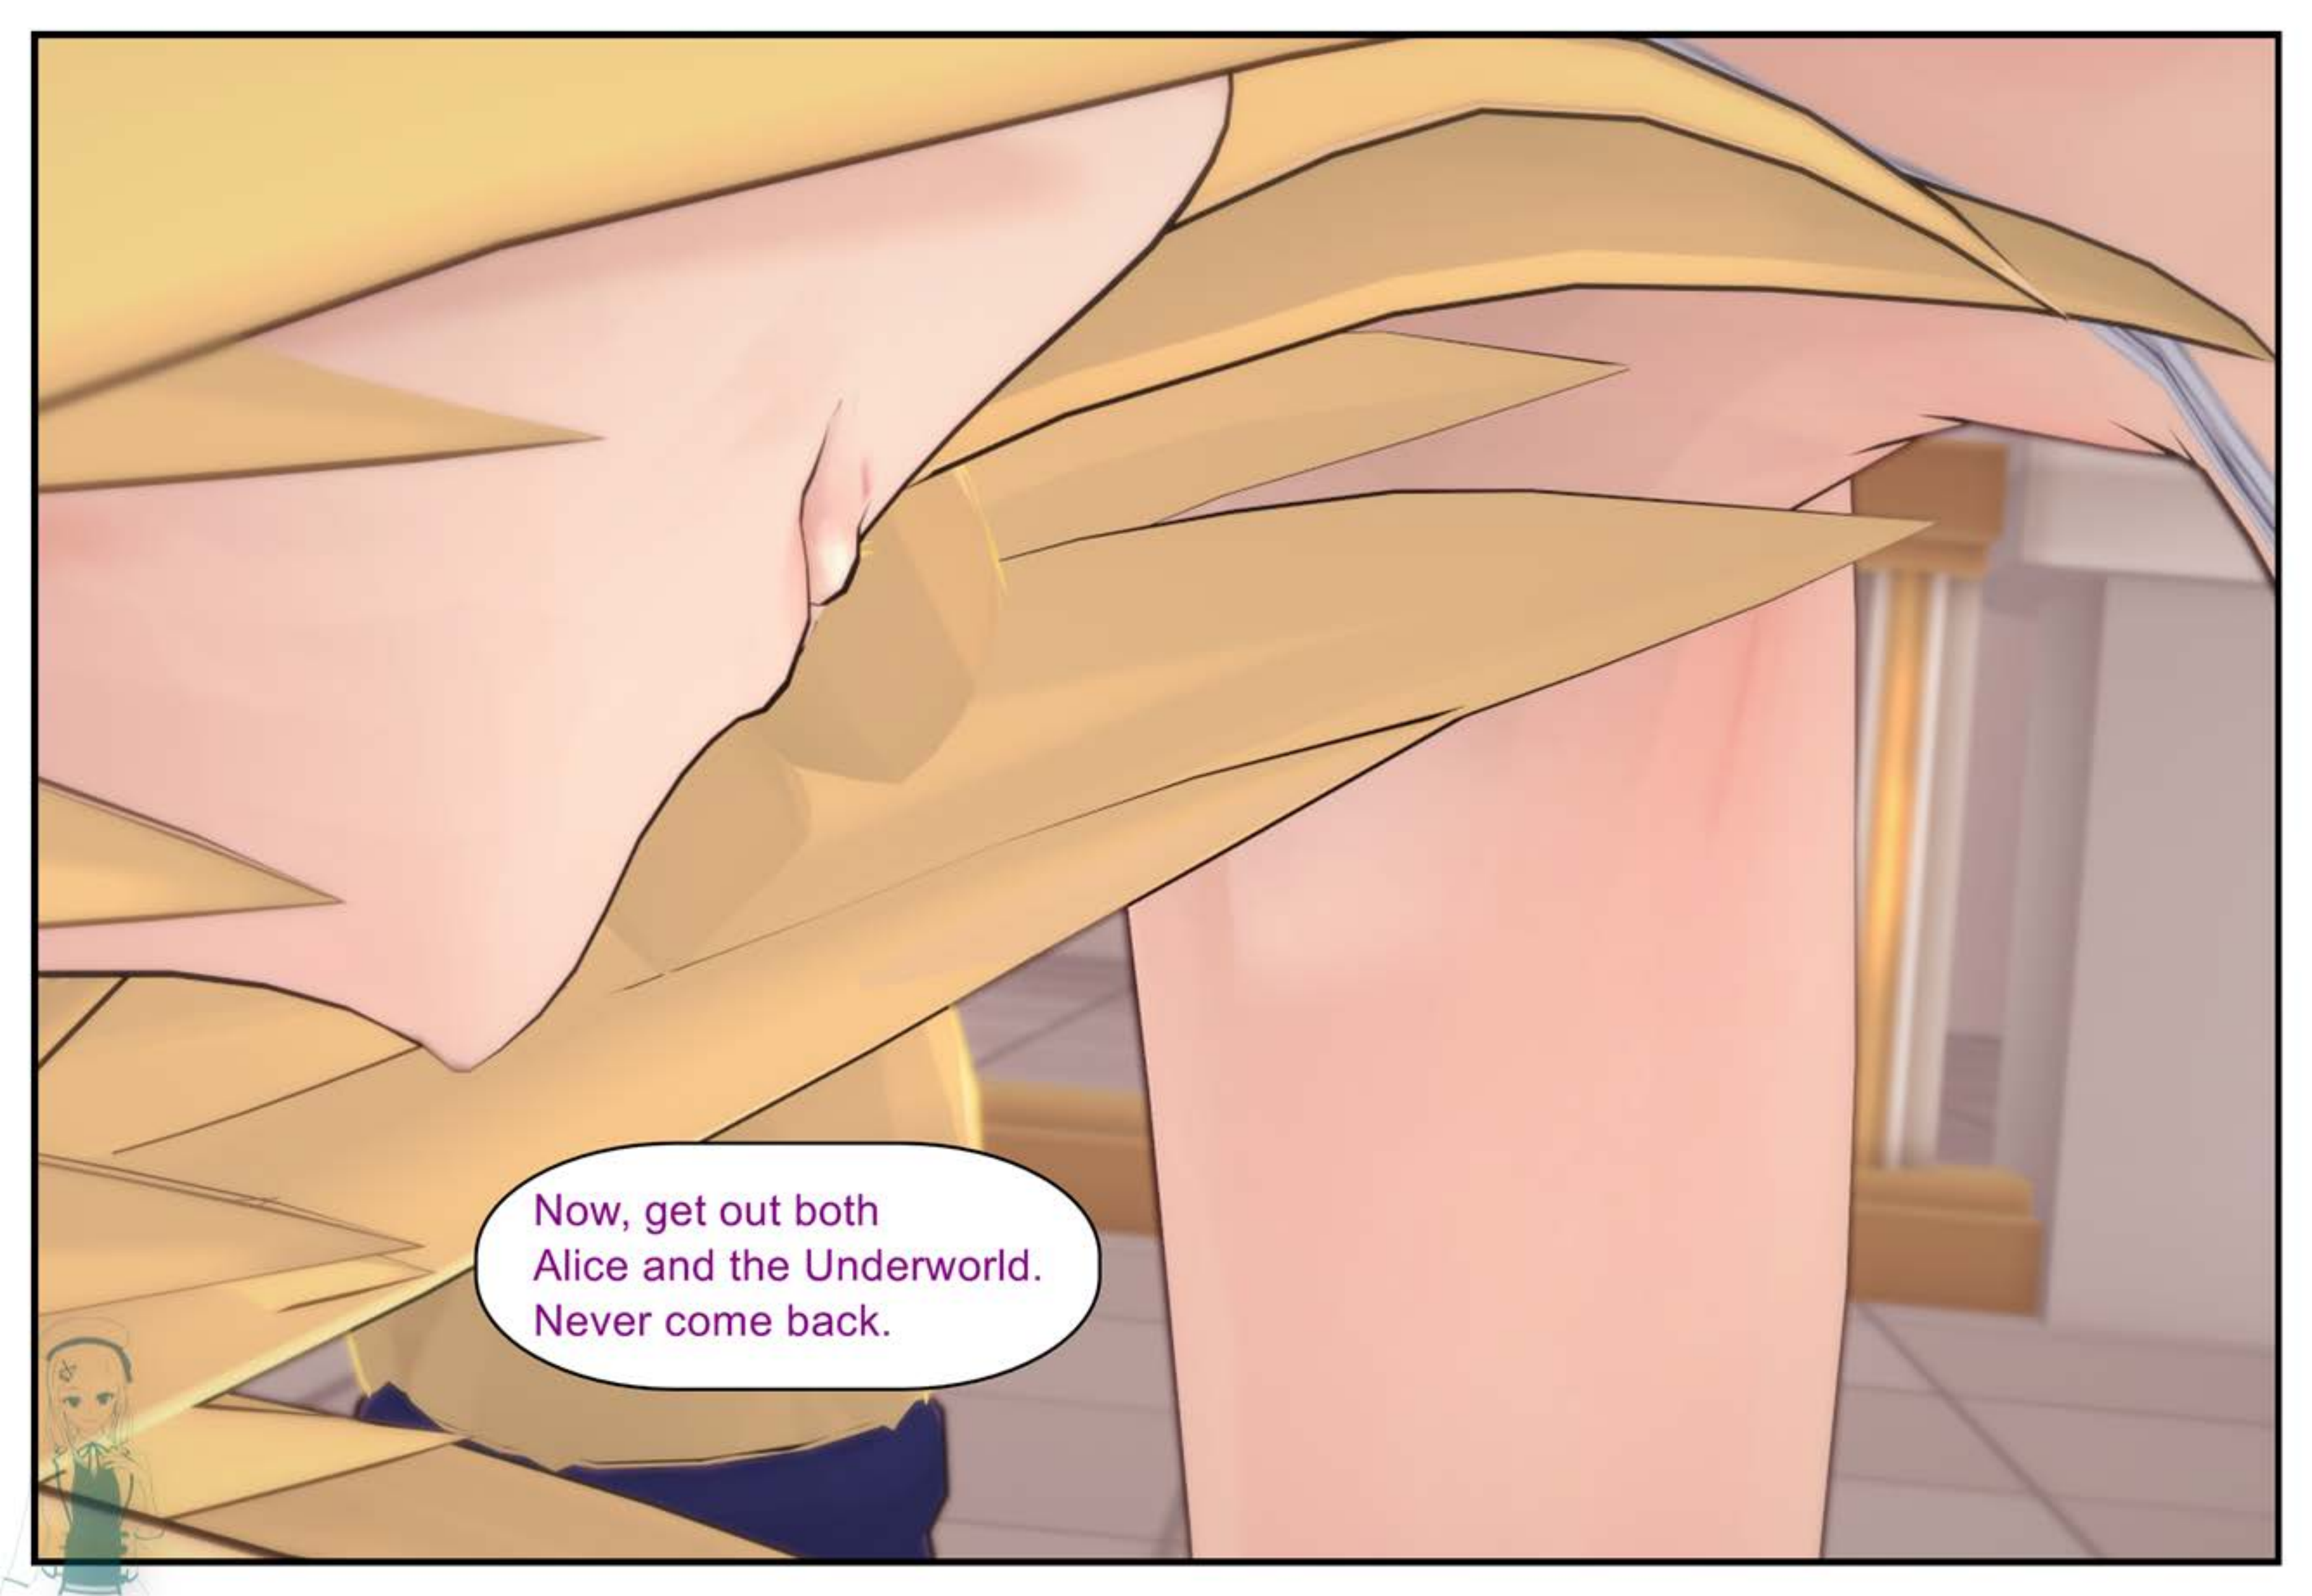

You just too naive, intruder.

I don't have to use much strength to deal with you.

Now, get out both
Alice and the Underworld.
Never come back.

Heh.. I have all the
needed preparation
for my stage..

Administrator..
This is for not
accept my offer.

A manga-style illustration featuring two characters. On the left, a character with long, flowing purple hair and purple eyes is shown in a close-up, wearing a blue and white striped bikini top. On the right, a blonde character with red eyes and a black headband is shown in a similar blue and white bikini, sitting on the floor. The background is a light pink tiled floor. Two speech bubbles are present: one with purple text and one with red text.

Override and cheating,
huh? Seem like you
have back-up outside.

Last chance for
you, Administrator.

My answer still stand. Don't think that you have won.

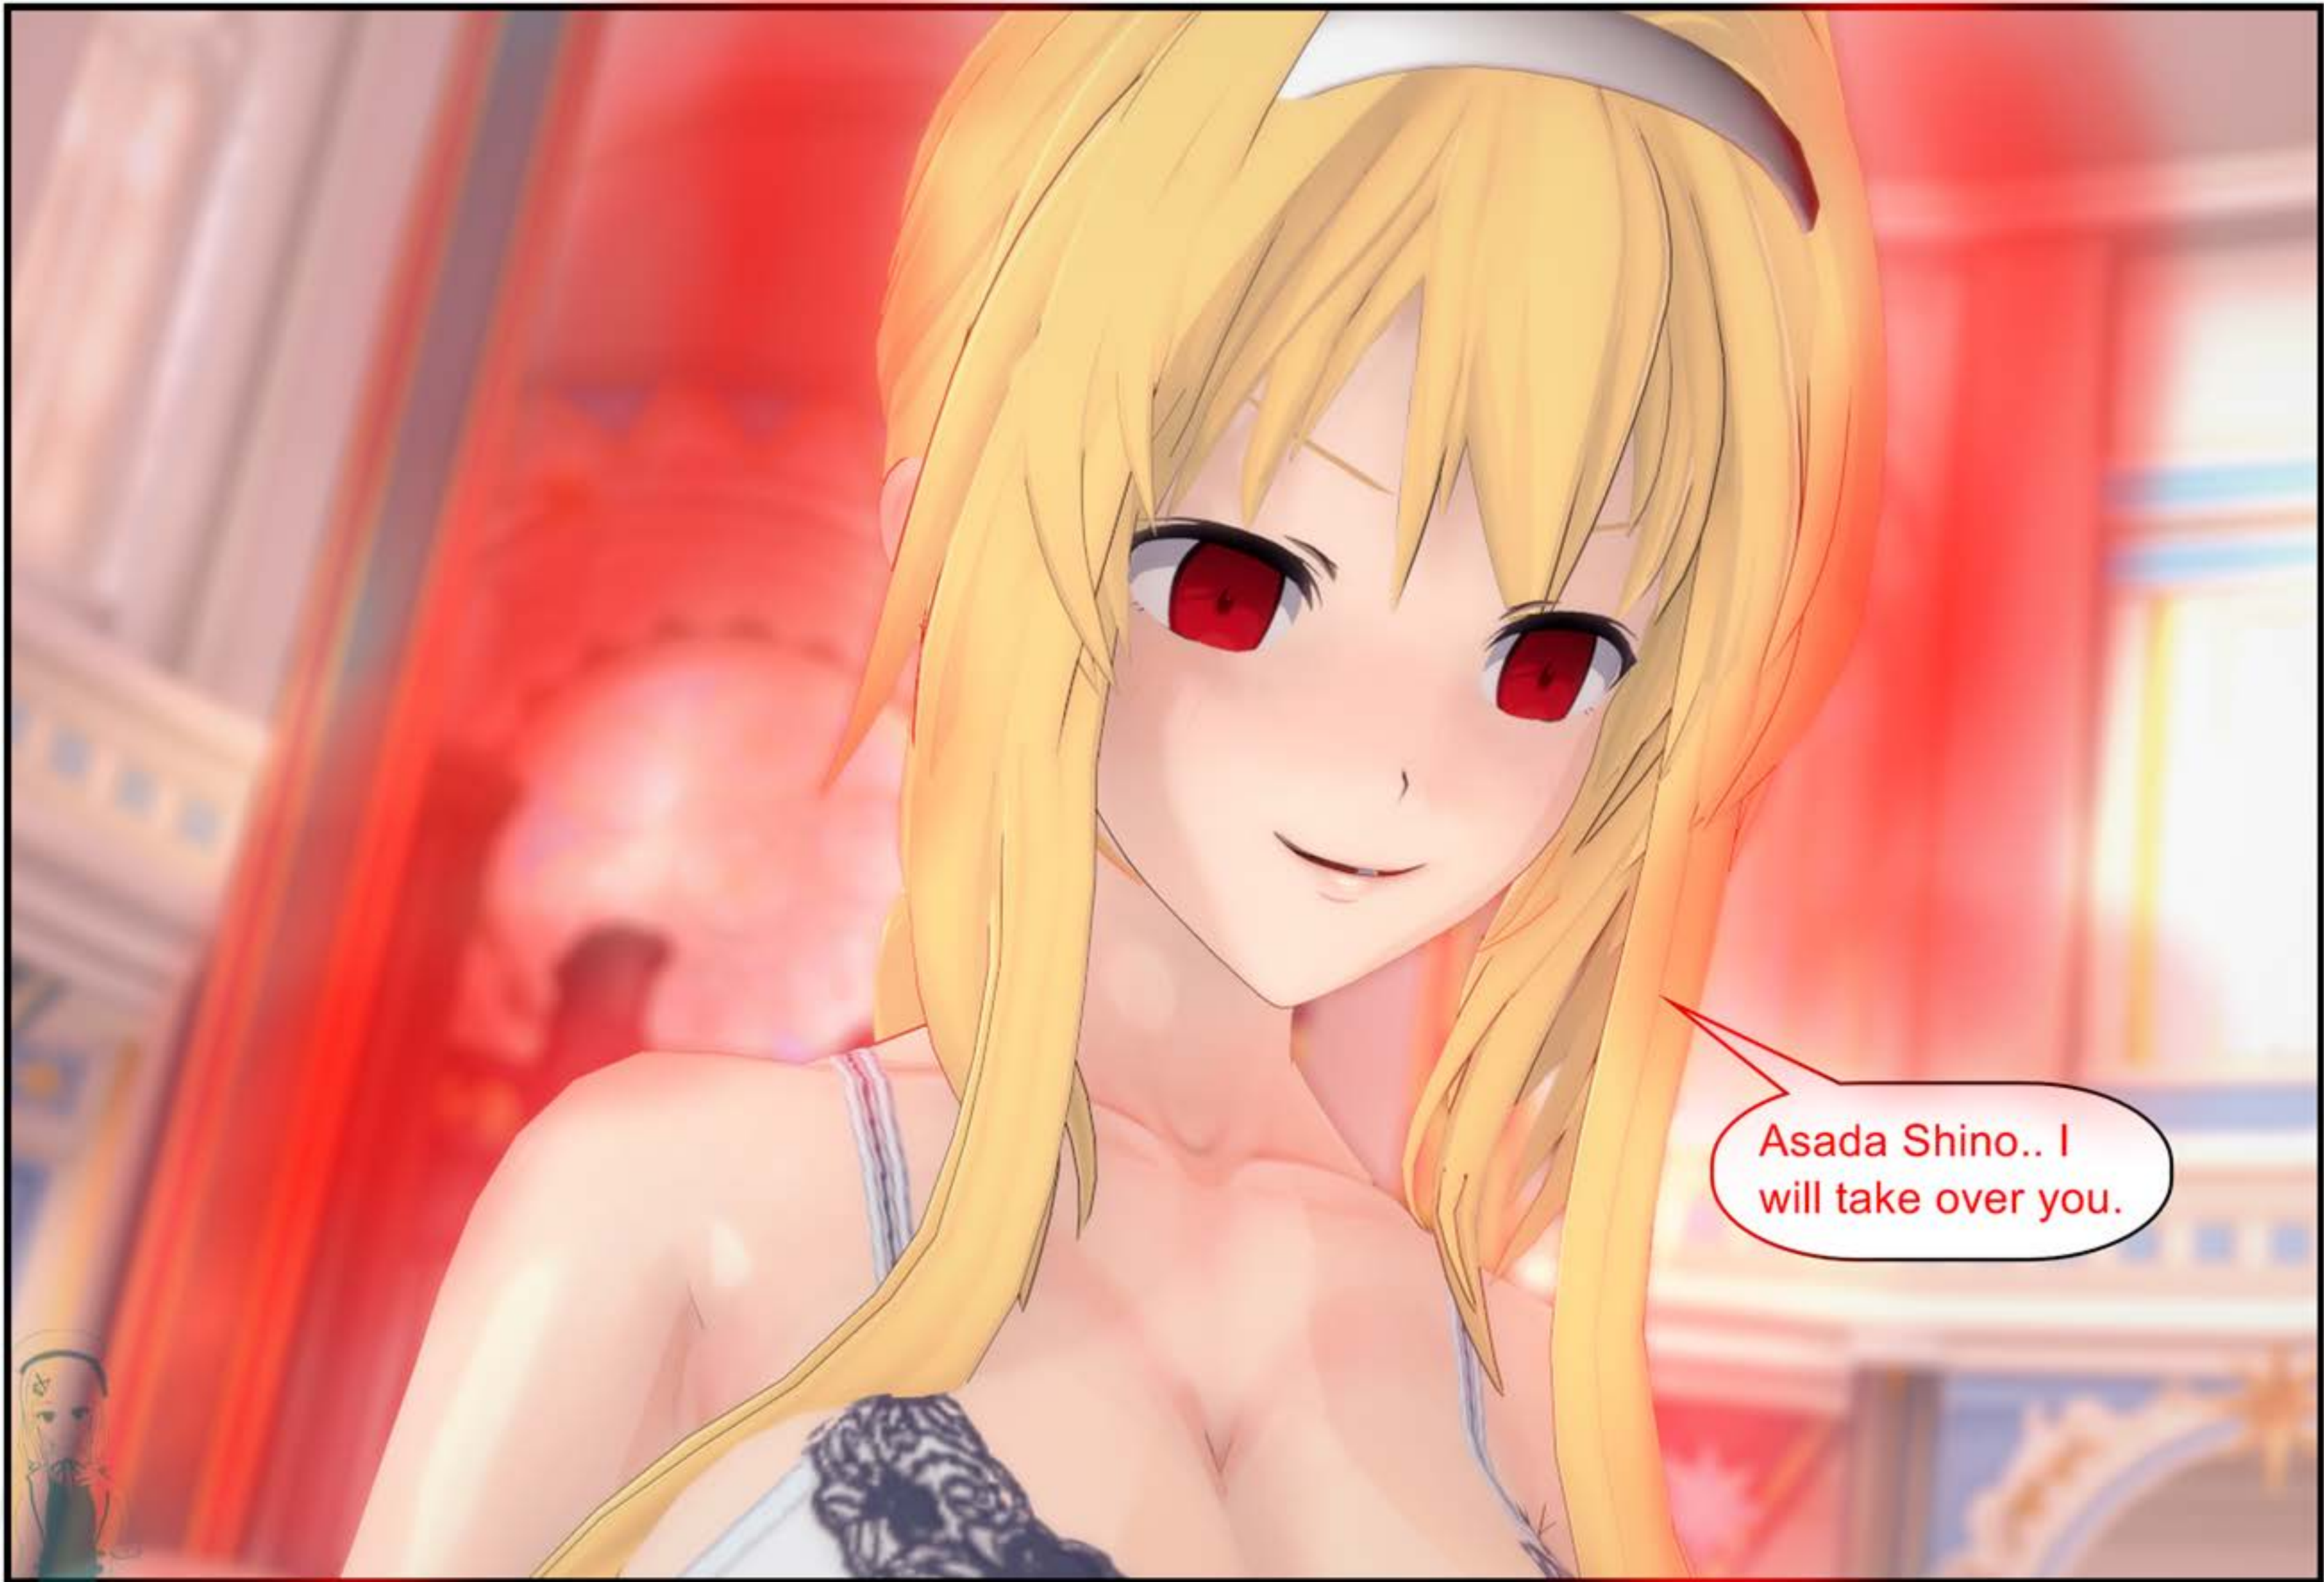

If you had cooperate with me, this wouldn't have been your end.

Now then, time to perform the next step.

Asada Shino.. I
will take over you.

Shino.. Hear
my command.

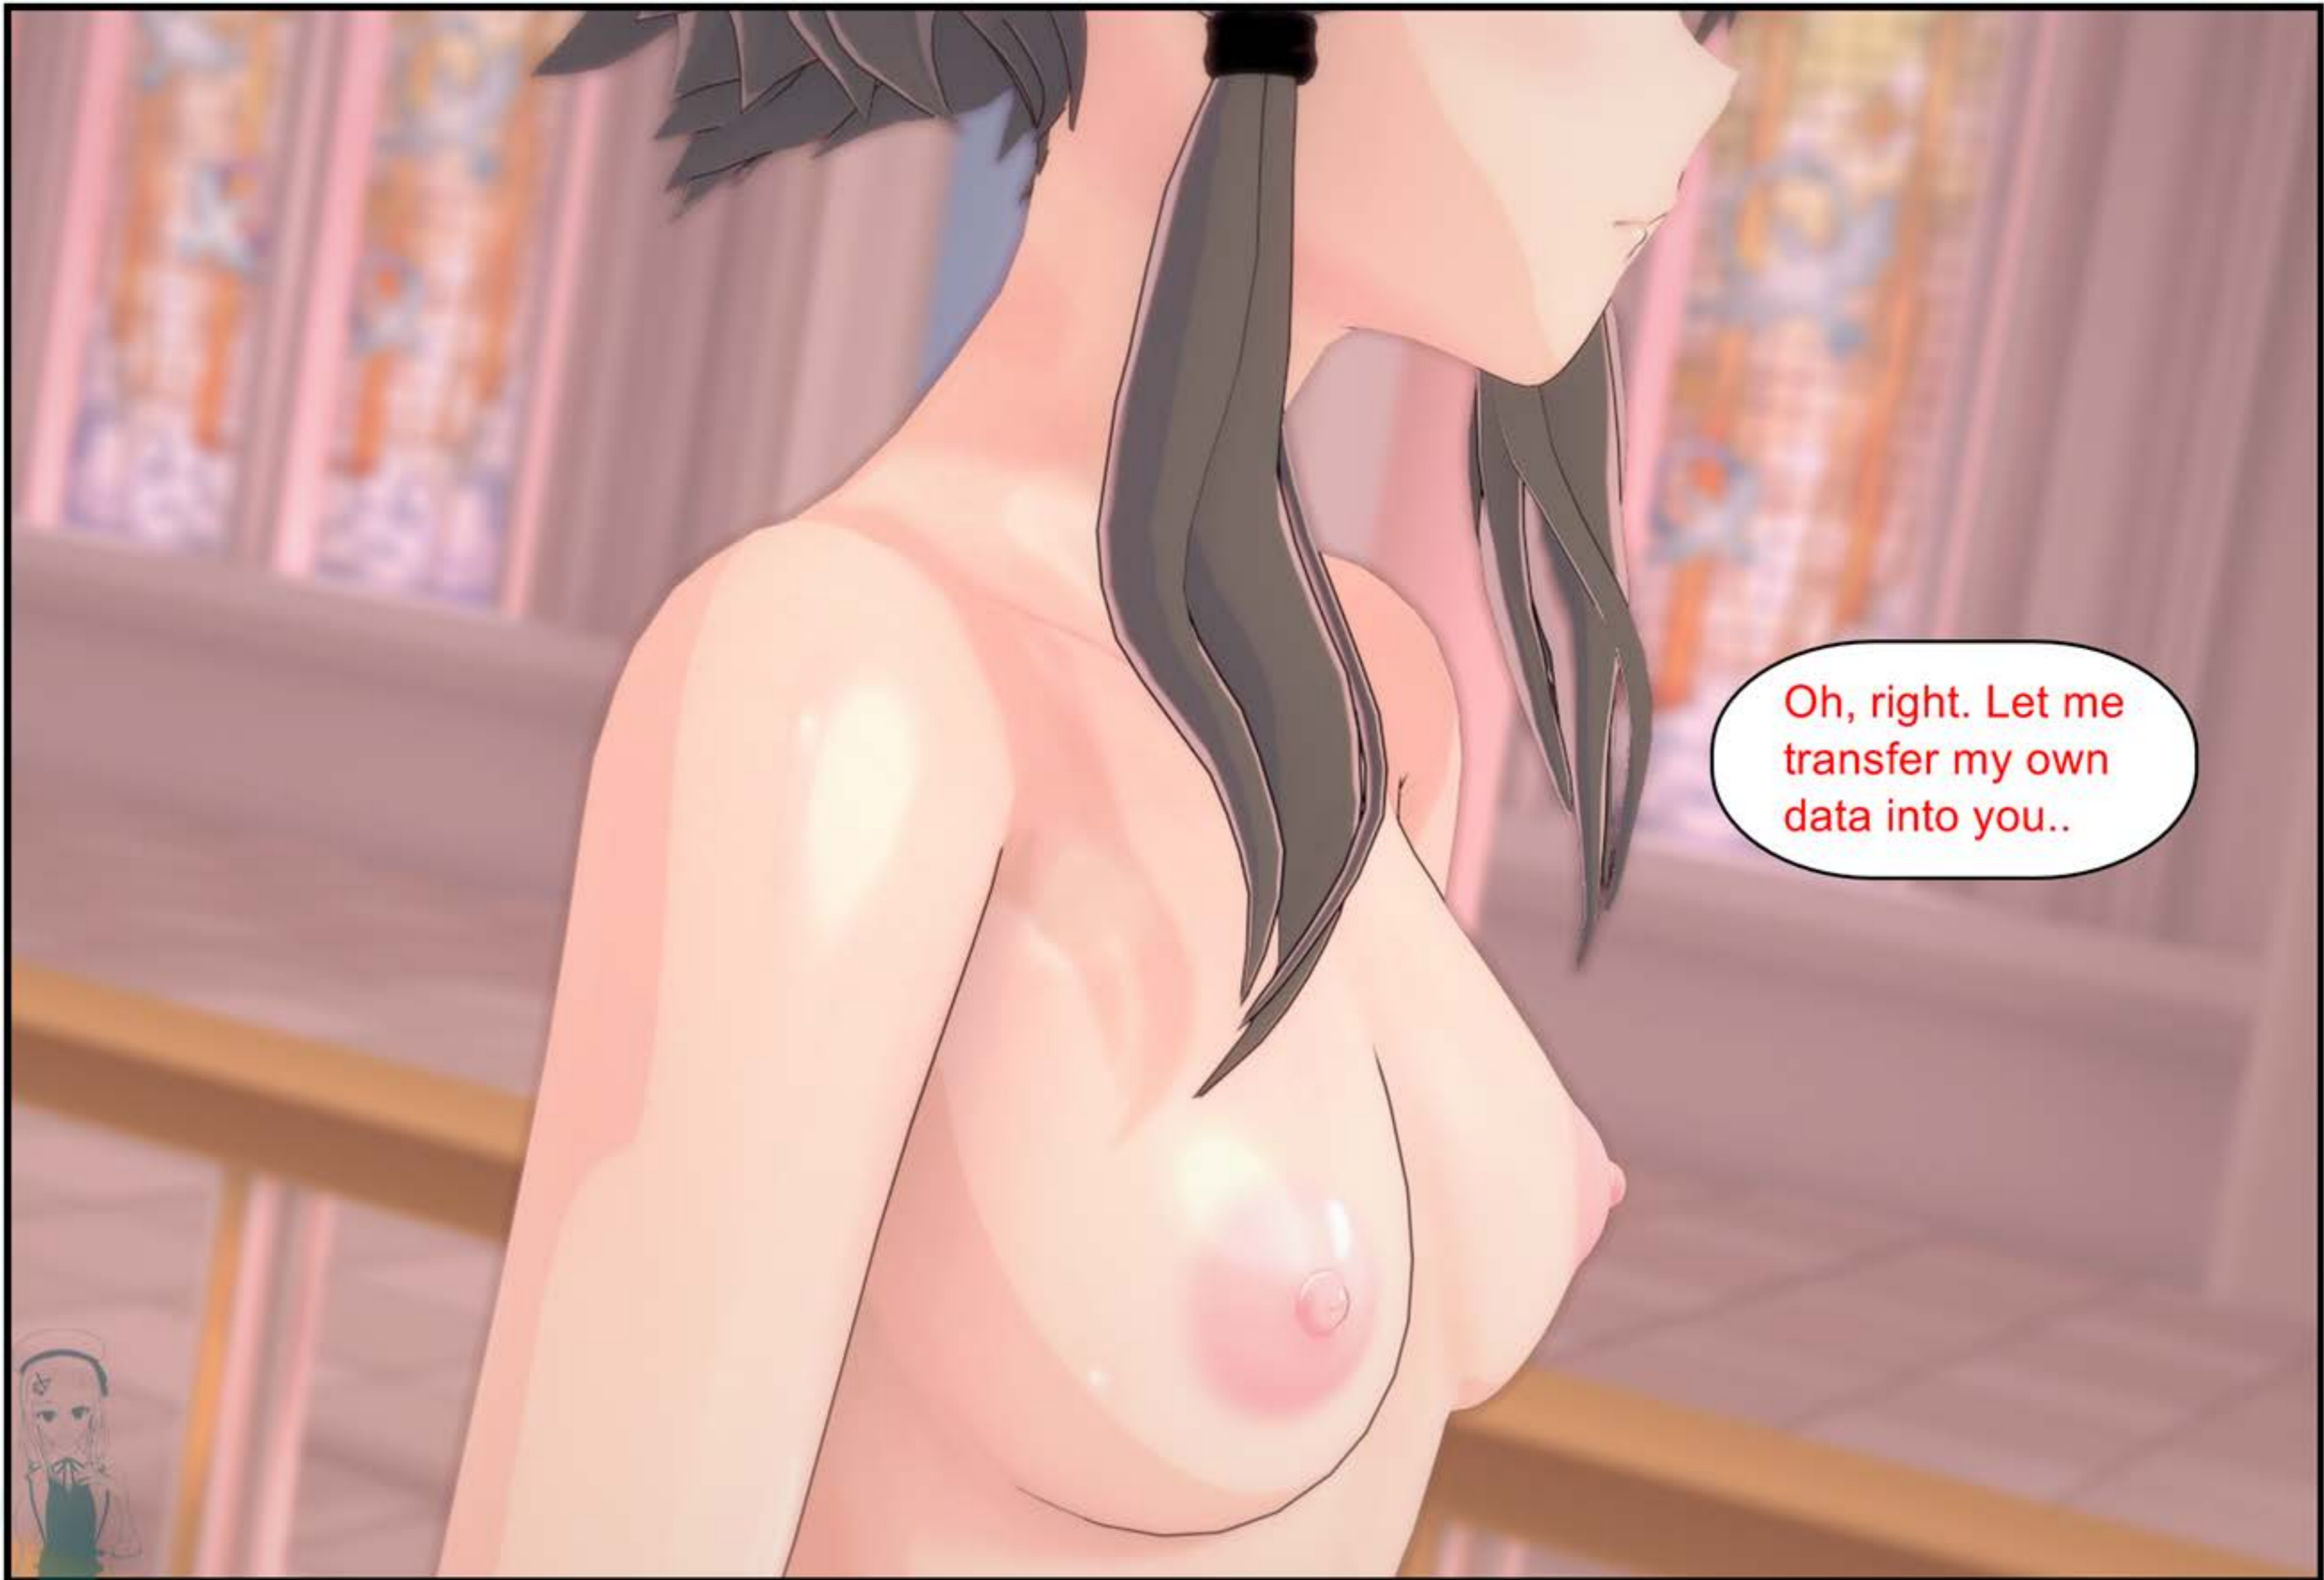

Wake up..

I don't think.. your avatar in here same as you in real life.

Oh, right. Let me transfer my own data into you..

Which allow me
to take control of
your avatar directly.

Thanks to you,
Alice. The key to
start my plan.

I wonder how
Kirito with Asuna
doing..

Well, I guess time
for a little fun..
