

The Game

of Magical Transformation

A Transformation Fetish Comic
By **Pixels of Passion**

Disclaimer

Mature content: Adults only...

What you're about to read is a complete work of fiction and the mature nature of the story can be offensive to some.

All characters are completely made up, above the age of consent, and any similarities to existing people is merely coincidence.

There will be themes throughout this story depicting magical transformations of both body and mind, and those themes may be ideologically insensitive.

Read at your own disgression, and I hope you enjoy my first comic.

In an antiquated living room, a young college student is lost in thought as the rain falls heavily outside.

Hmm...

Can you believe this storm?

Wild, isn't it? How's Ms. Jones?

Took her meds and now she's napping. You clean out her attic?

Yeah.

Yeah, it blows. But I found something we can do when I was cleaning out the attic.

(Sigh) So, our work's done, and now we're stuck inside.

Just great...

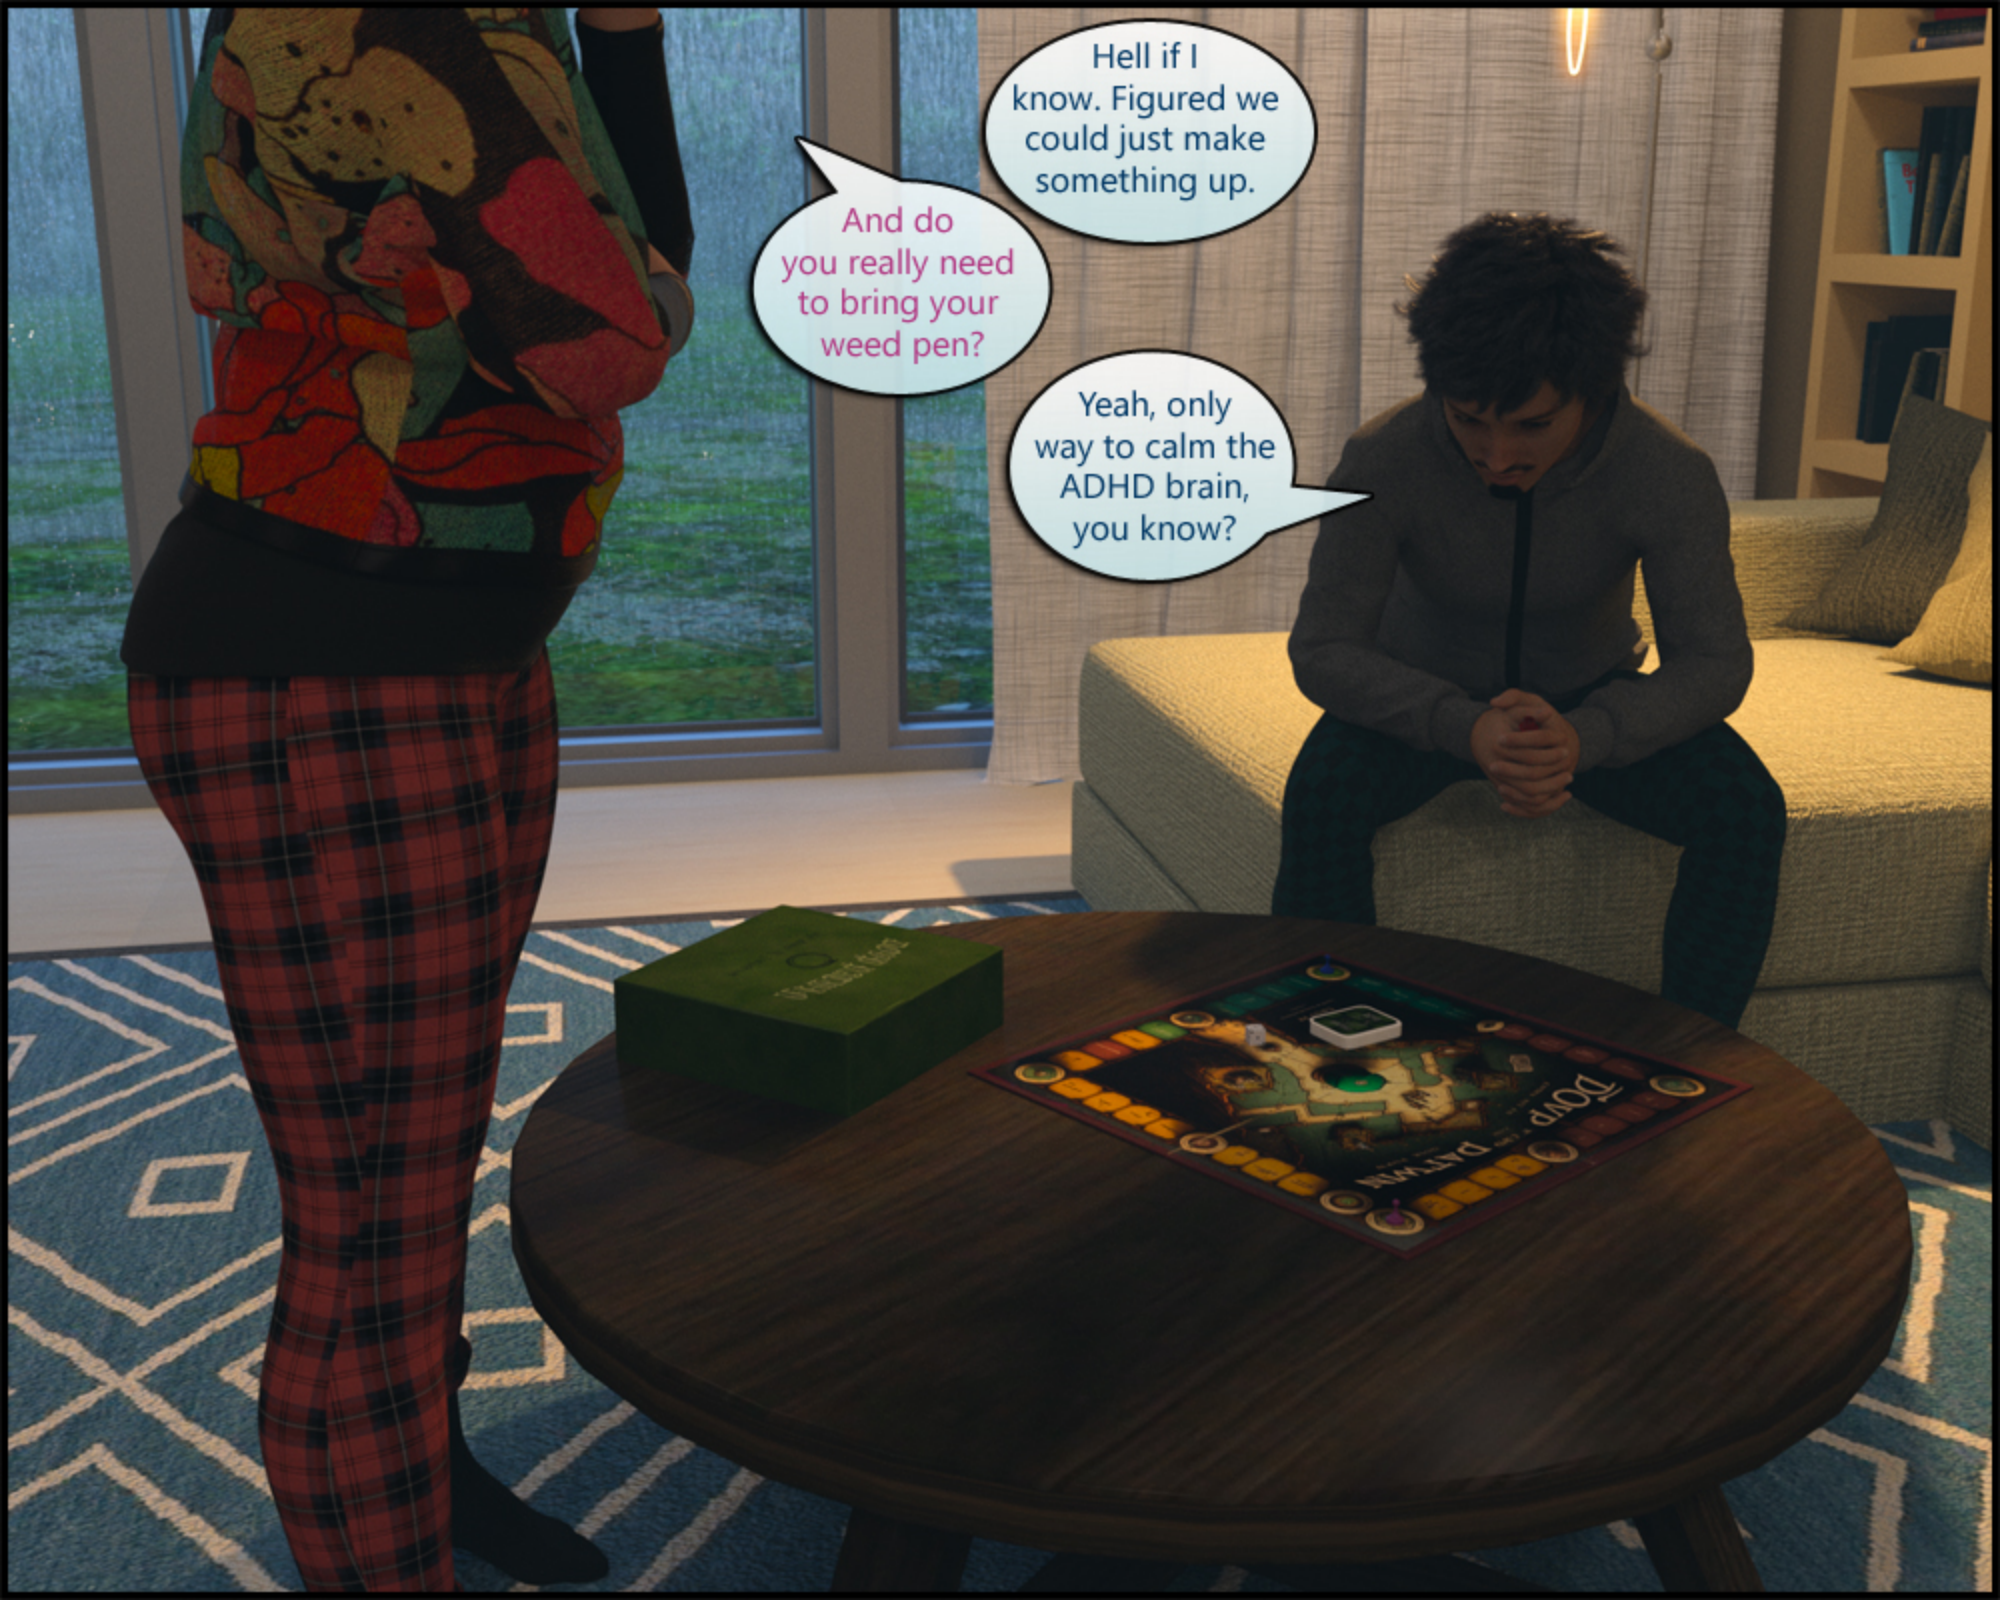

You found an old-ass board game?

(exhale)
Pretty cool, right?

I guess...

What language is it even in?

Hell if I know. Figured we could just make something up.

And do you really need to bring your weed pen?

Yeah, only way to calm the ADHD brain, you know?

Want a
hit? It's peach
flavored.

No...
I'm good.
Thanks.

Bet.
More for
me.

Whatever.
So, how do we
play this dumb
game?

Well, the service here sucks. So trying to translate it is out...

And all the cards are blank for some reason. Maybe they're meant to be points?

Let's get a point for every circle space we land on...

All right... First to seven points wins?

Yeah,
I like that.
(exhale)

So, that's
your pawn and
this is mine.

If we land
on the other's
space...

Whoa!

(gasp)
What the
hell!?

Oh, neat!

I wonder how it's doing that. Maybe magnets?

No way! The piece was super light! This is spooky.

Hey, you're right. And it's still glowing. That's cool as fuck.

Don't touch it you **idiot!**

Ksssht
Two players
have started a
new game!

Holy
shit!

(gasp)

Oh! This is awesome!

The rules of the game: At the start of each player's turn, the player must roll the cube of fates.

How is it doing that?

The numeral on the cube will determine which space their totem occupies.

I don't know, but I'm loving this thing.

Following movement, the player will then be dealt a card that corresponds with their new space.

The boon will be granted and the next player's turn will begin.

The game cannot end until both players reach the climax.

Heh...

Dude, grow up.

Lastly, any attempts to cheat will result in a bane card.

Good luck and may the gods be in your favor.

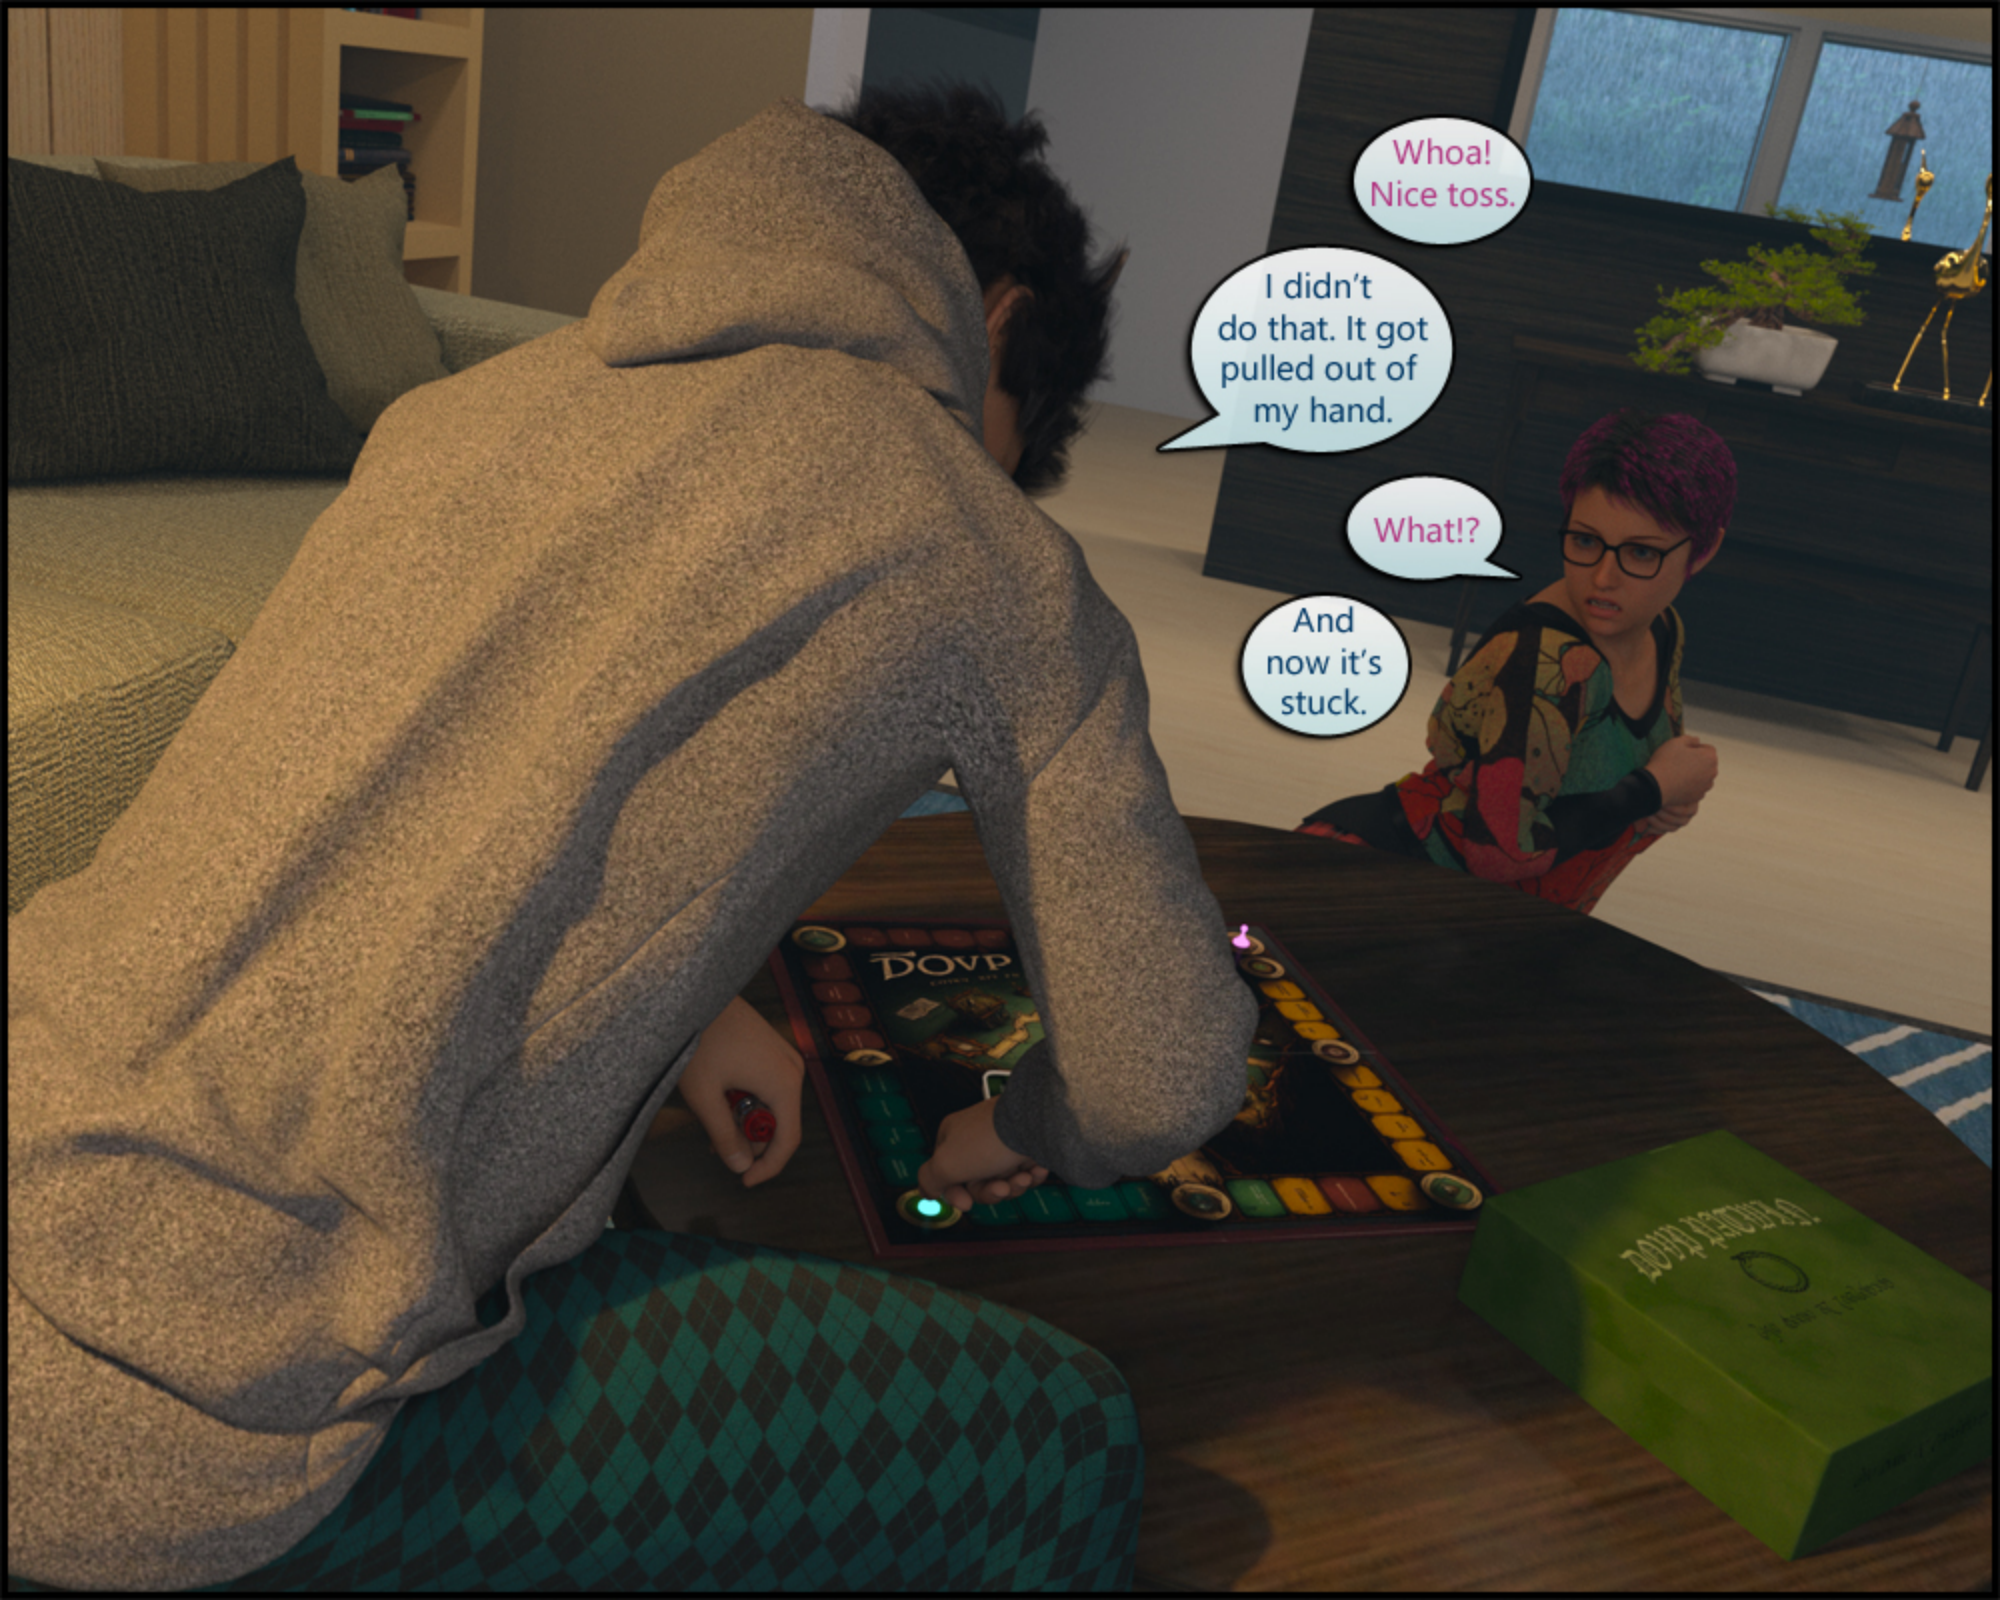

Wait. Did it
just say...?

Whoa!

CLACK

Whoa!
Nice toss.

I didn't
do that. It got
pulled out of
my hand.

What!?

And
now it's
stuck.

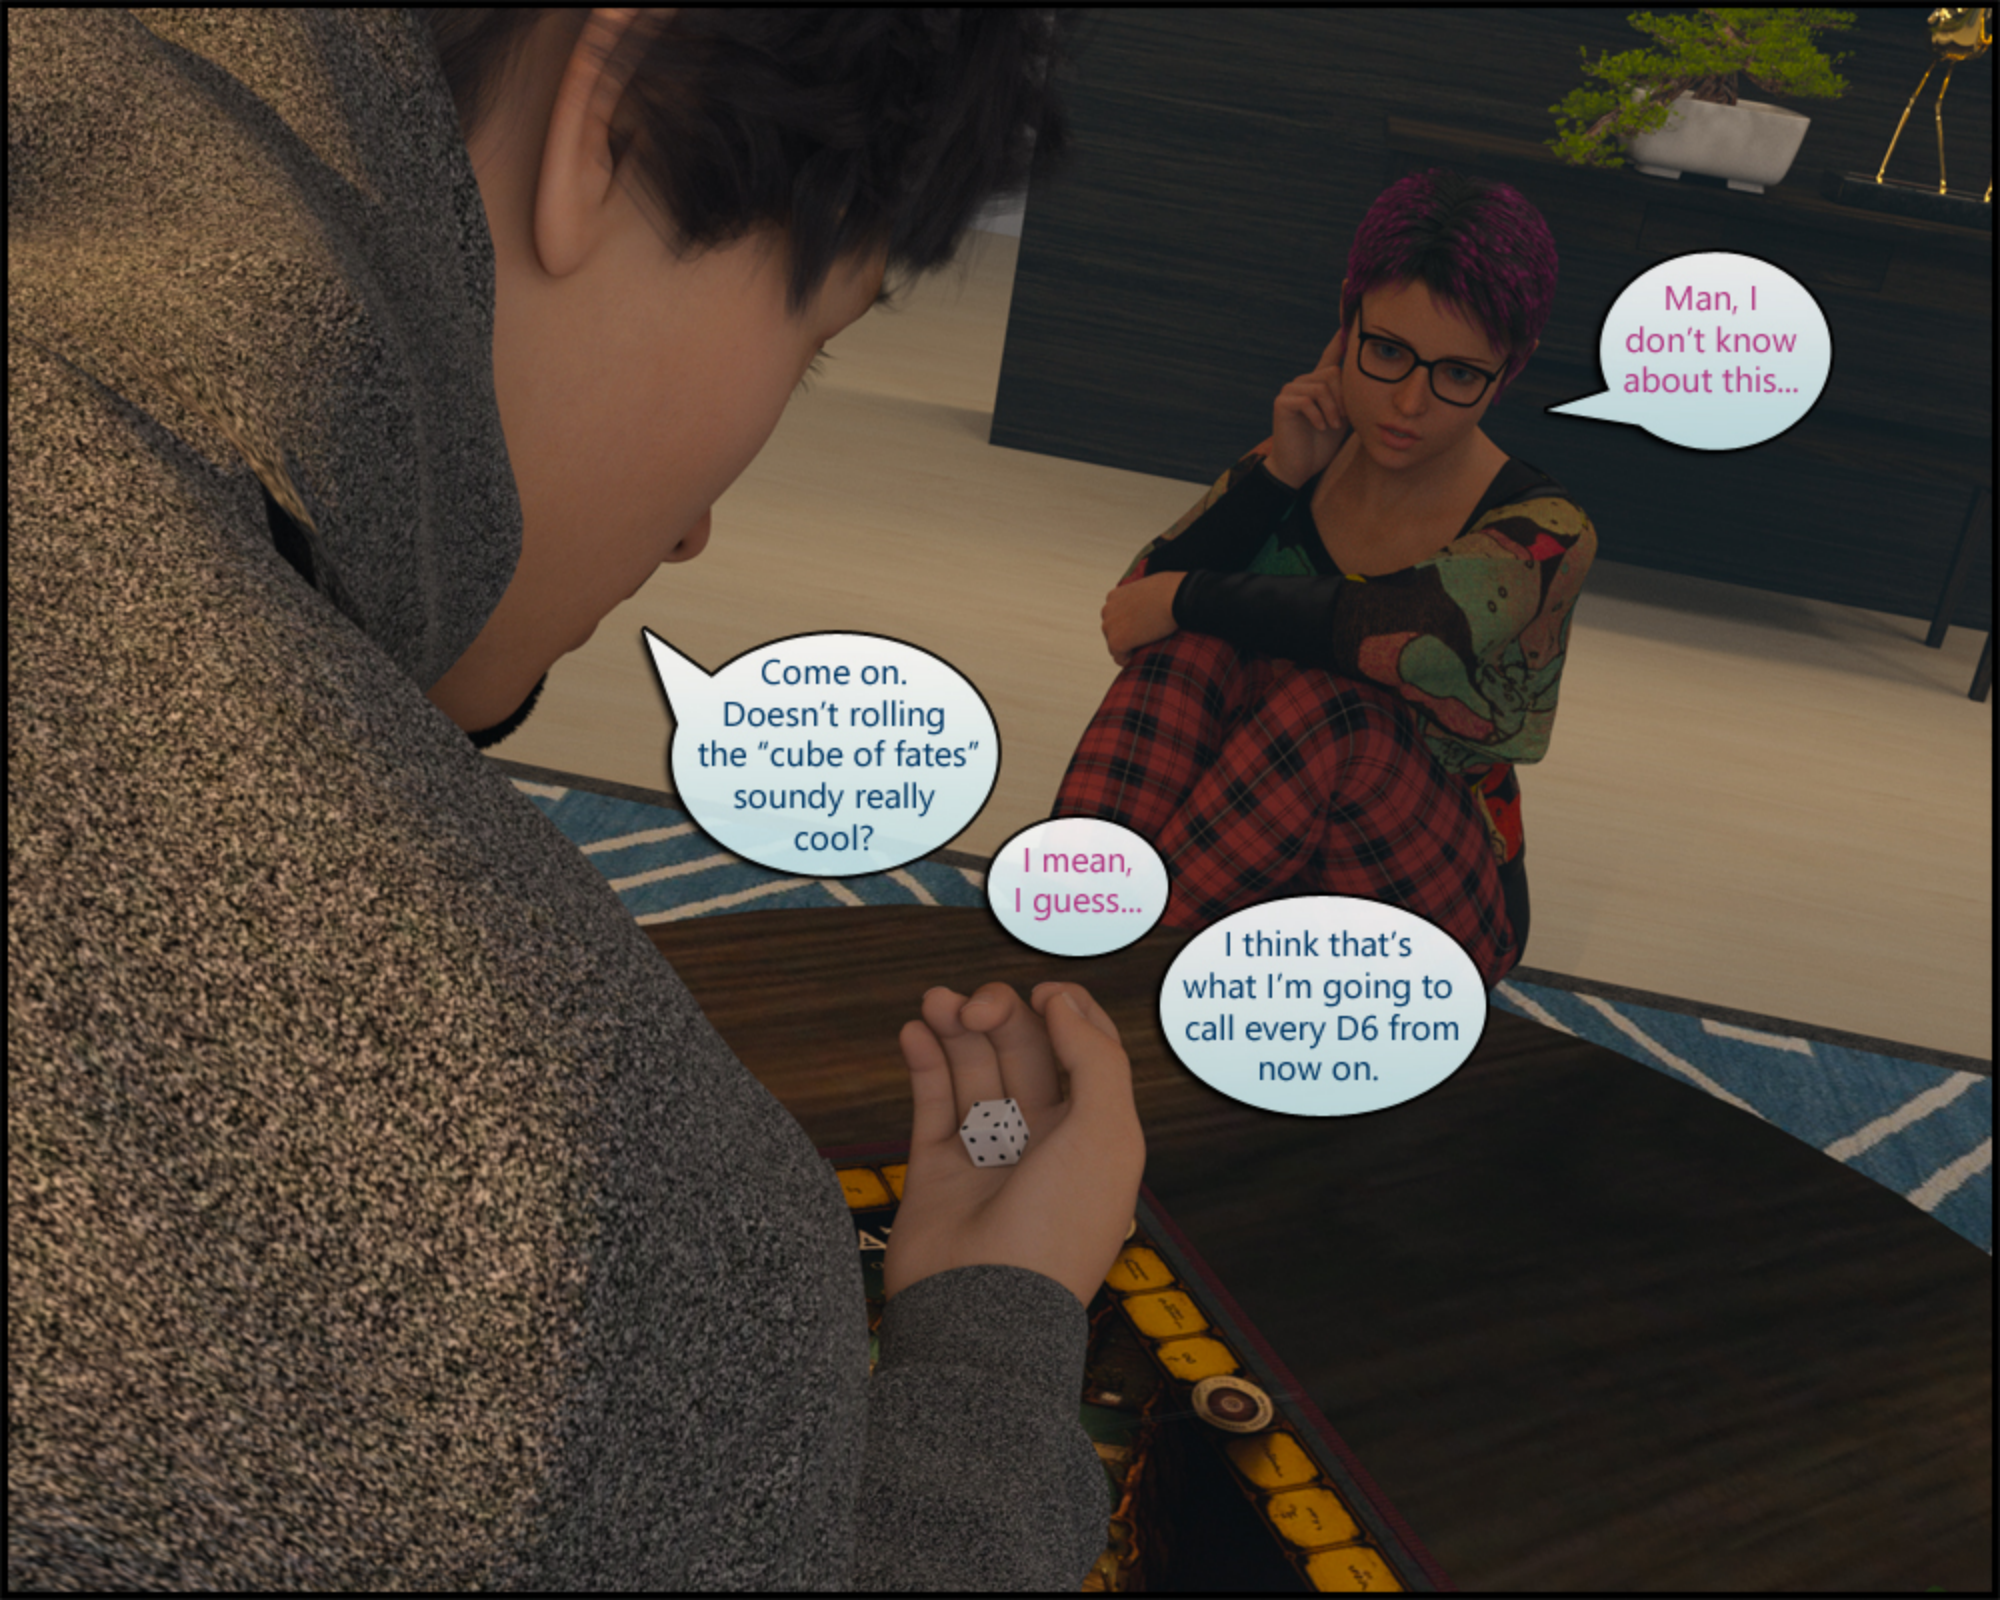

DOVP
THE BOARD GAME
BY TONY
HARRIS

The player
closest to the cube
of fates will now
take their turn.

I guess
that means
I go first?

Or we can just put this
creepy thing away and
play something else.

Come on.
Doesn't rolling
the "cube of fates"
sound really
cool?

I mean,
I guess...

I think that's
what I'm going to
call every D6 from
now on.

Man, I
don't know
about this...

A man with dark hair and a goatee, wearing a grey hoodie, is sitting on a light-colored couch. He is leaning forward, gesturing with his hands as if explaining something. In front of him is a table with a board game, including a red die, a blue die, and a tray of colorful markers. The room has wood-paneled walls, a large decorative sunburst on the wall, and a framed picture of a yellow flower. A lamp with a yellow shade is visible in the background.

It's just a board game, dude.

Ms. Jones just must'a had this room built around it, or something.

(sigh) She did have the money...

Who would've guessed that someone who spent their whole life banging rich dudes, would be this into board games?

I mean, she's still a human. Lady probably needed a hobby. Can't imagine she put a lot of hours into working.

Yeah, I'd probably just play video games all day or something.

Hey, it's never too late for a career change. You haven't graduated yet.

**CLACK
CLACK**

Very funny...

A three. Wonder if I can even move my...

SLIDE

Okay then.

This thing still creeps me out.

How's it even doing that?

I don't know. So, now I just draw a card?

Yeah, I think so.

(chuckle)
Hmm...

What? Didn't
you say they
were all blank?

They were....
Unless I missed
this one.

What does
it say? Can you
even read it?

Yeah. It's in
English, and I think
it's roasting me...
(reads card)

Challenge

You will grow more and
more aroused.

Last three rounds with-
out touching yourself
and gain a reward.
Fail and you will gain a
punishment.

Yeah, like
what even is
this game?

(Snort)
Does it really
say that?

It's creepy
and funny, just
like you!

You think
I'm funny?

Yeah,
sometimes...
Anyway, it's my
turn. What happens
if I get a six?

I don't know.
Most board games
have you take another
turn, right?

Yeah,
that's why
I asked.

Come
on, six!

Bah, ha
ha ha!

Shut up
and hand me
a card.

Sure, but
it's going to
be blank.

I must'a just
missed the
last one.

Hmm...?

Change

The seer's eye carries you to
a change anew.

Those orbs of green will help
you see true.

Seems, you
missed this one,
as well.

No way.
What does
it say?

Change

The seer's eye carries you to
a change area.

These cubes of green will help
you see true.

It says the
seer's eye...
Whoa...

What is it?
You all right?

Yeah, I think
so. Everything
just got really
blurry.

*Change

Holy crap!
I can see without
my glasses.

I thought
you said you were
practically blind
without them.

I am! I
mean, I was...
What the
shit?

Yo, don't take this the wrong way. I know I'm not really your type...

But your eyes are super pretty without glasses.

Uh, thanks?

I'm a sucker for bright green eyes.

Dude. Maybe **you** need glasses, 'cause my eyes are blue.

They are absolutely green right now.

Dude,
you're freaking
me out. No
they're not!

Yeah,
they totally
are.

You're
trolling me,
right?

Holy crap!
This doesn't make
any sense!

**CLACK
CLACK**

I'm not joking, man! My eyes literally changed!

That's crazy. I guess I just suck at paying attention to stuff...

I literally found a third card that has writing on it. How many of these did I miss?

Style Shuffle
When it comes to fashion, you should try something new.
From now on you may only wear what the other player is into.
This Card Affects Both Players

DEFENDER OF THE

Dude,
something really
strange is going
on right now.

It's probably
just the weather
or the lighting or
something.

The weather
didn't just fix
my vision.

Yeah,
that is pretty
weird...

Hey, um...?
W-what exactly
did your card say?

[reads card]
I'm not sure
what this even
means...

Because,
you, uh, just, uh...
I don't know what
I just saw...!

What are
you talking
about?

My card
said eyes and
my eyes... Your
clothes...

They
look like...

Something I'd... (gasp)!

Holy fuck!
What the fuck!
**WHAT THE
FUCK!**

K-Kristen...?

Did I just...? How the hell did you...?

It's this game! It can fucking change us! I... We need to get rid of it!

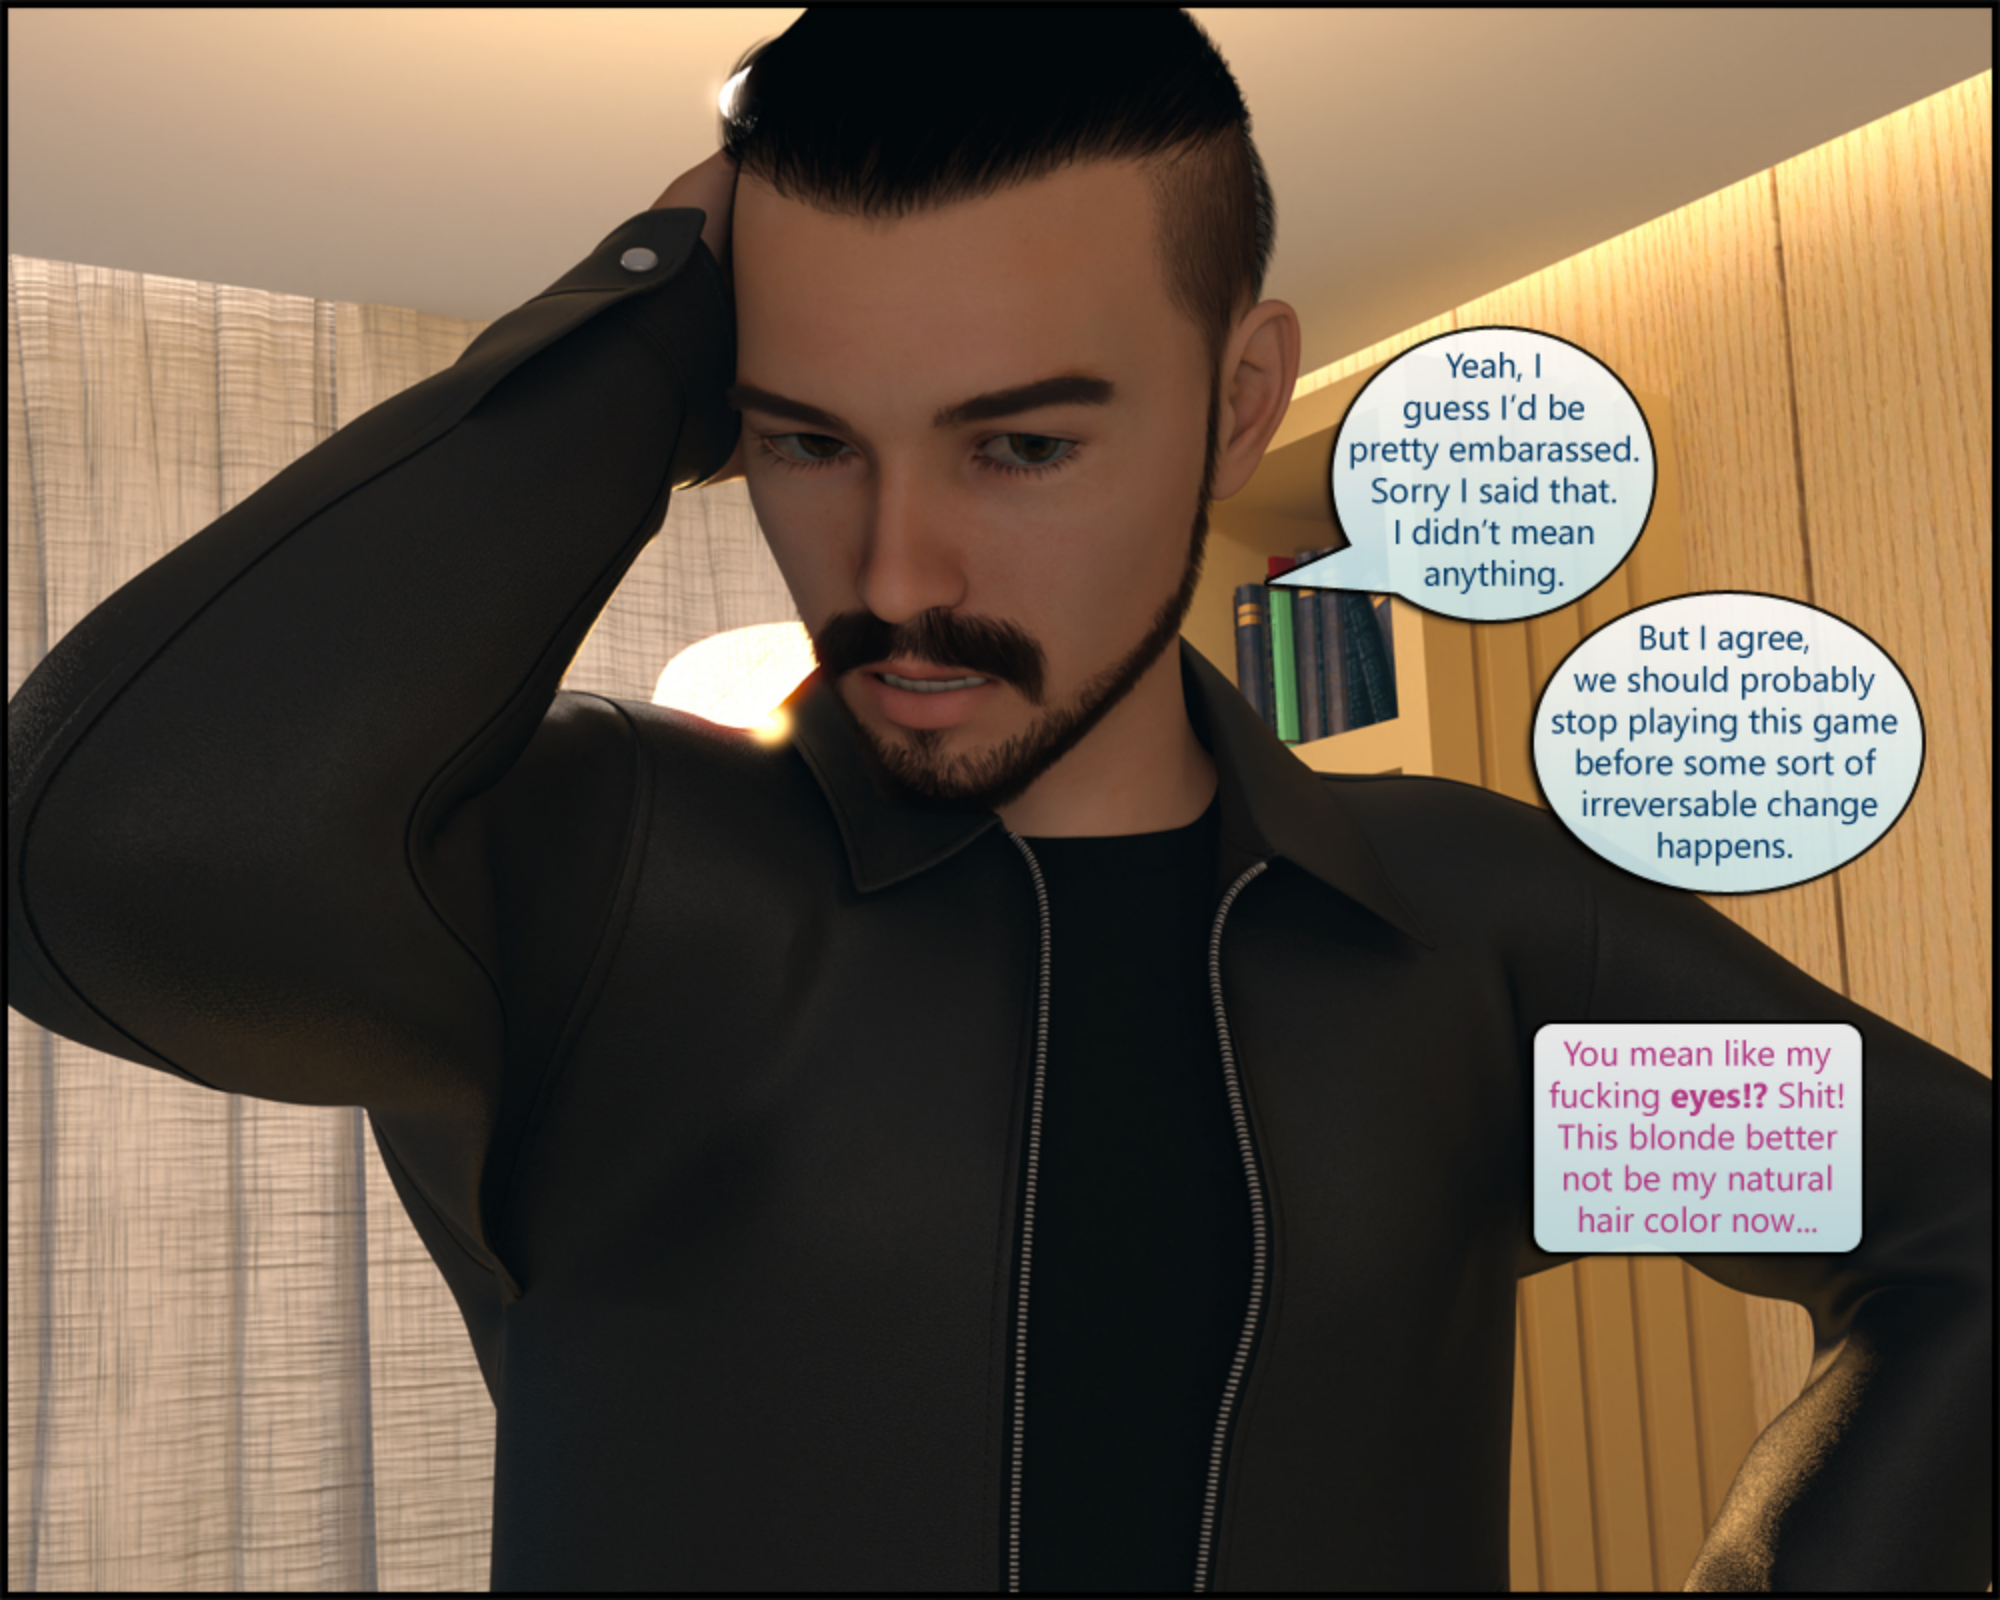

(whimper)
This is so humiliating.

Don't take this the wrong way, but that's actually a really good look for you...

Dude, what the fuck? I look like some sort of preppy, ditzy **slut!**

And also, my pronouns are they and them! How would **you** feel wearing this girly shit?

Yeah, I guess I'd be pretty embarrassed. Sorry I said that. I didn't mean anything.

But I agree, we should probably stop playing this game before some sort of irreversable change happens.

You mean like my fucking **eyes!?** Shit! This blonde better not be my natural hair color now...

KSSHT!

Once a game has started it may not end until a winner has been decided.

Attempting to leave the game prematurely will be recognized as an attempt to cheat.

Well, crap...
So much for that. I guess it wants us to keep playing...

No fucking way. I am done with this creepy-ass game.

I **knew** something was wrong with it. I **never** should've started playing to begin with.

But the thing
just said...

I don't care
what it said, I'm
out. Have fun playing
by yourself if you
want.

What are you going to do?

Seeing if Ms. Jones has any spare clothes that'll fit that aren't friggen trashy.

Then I'm probably going to call my therapist.

Both players have been warned. The game is still in session.

Fuck
off! I'm
done.

Player two's
turn will be taken
by the game until
the player is willing
to continue.

Go ahead.
Let him play
against a NPC or
something. I
don't care.

HYMN BOOK

(grunt)

WUMP

Waah!
What the
hell!?

Oh my
god!

The game
will now take
player two's turn
for them.

*I can't believe
I'm thinking these
things about...
Kristen?*

What, uh,
what are you
doing...?

I don't
know! My
body is moving
on its own! I
can't stop.

The way you're moving is kinda, uh... Shit! Sorry. I don't know what's happening to me.

Stop looking at me like that! I can't help it!

The game made **me** the NPC!

I don't
want to play
anymore!

What
the fuck!?

This is all your fault!

Try to fight it!

I am you moron!

SHHHHHHEK

I'm sorry!
I didn't know
a game could
ever do this!

No. No
fucking way!
It can't...

What is it?
Is it bad?

Stretch...

Holy
fucking
shit!

AAAAAAAAAAH!

Oh my god!

You...
Your chest!
They just...!
Wow!

It gave
me huge fake
boobs!

What the
fuck!?

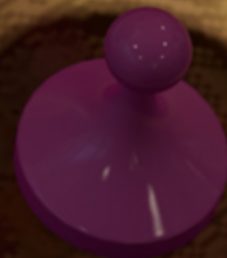

Filling Cups

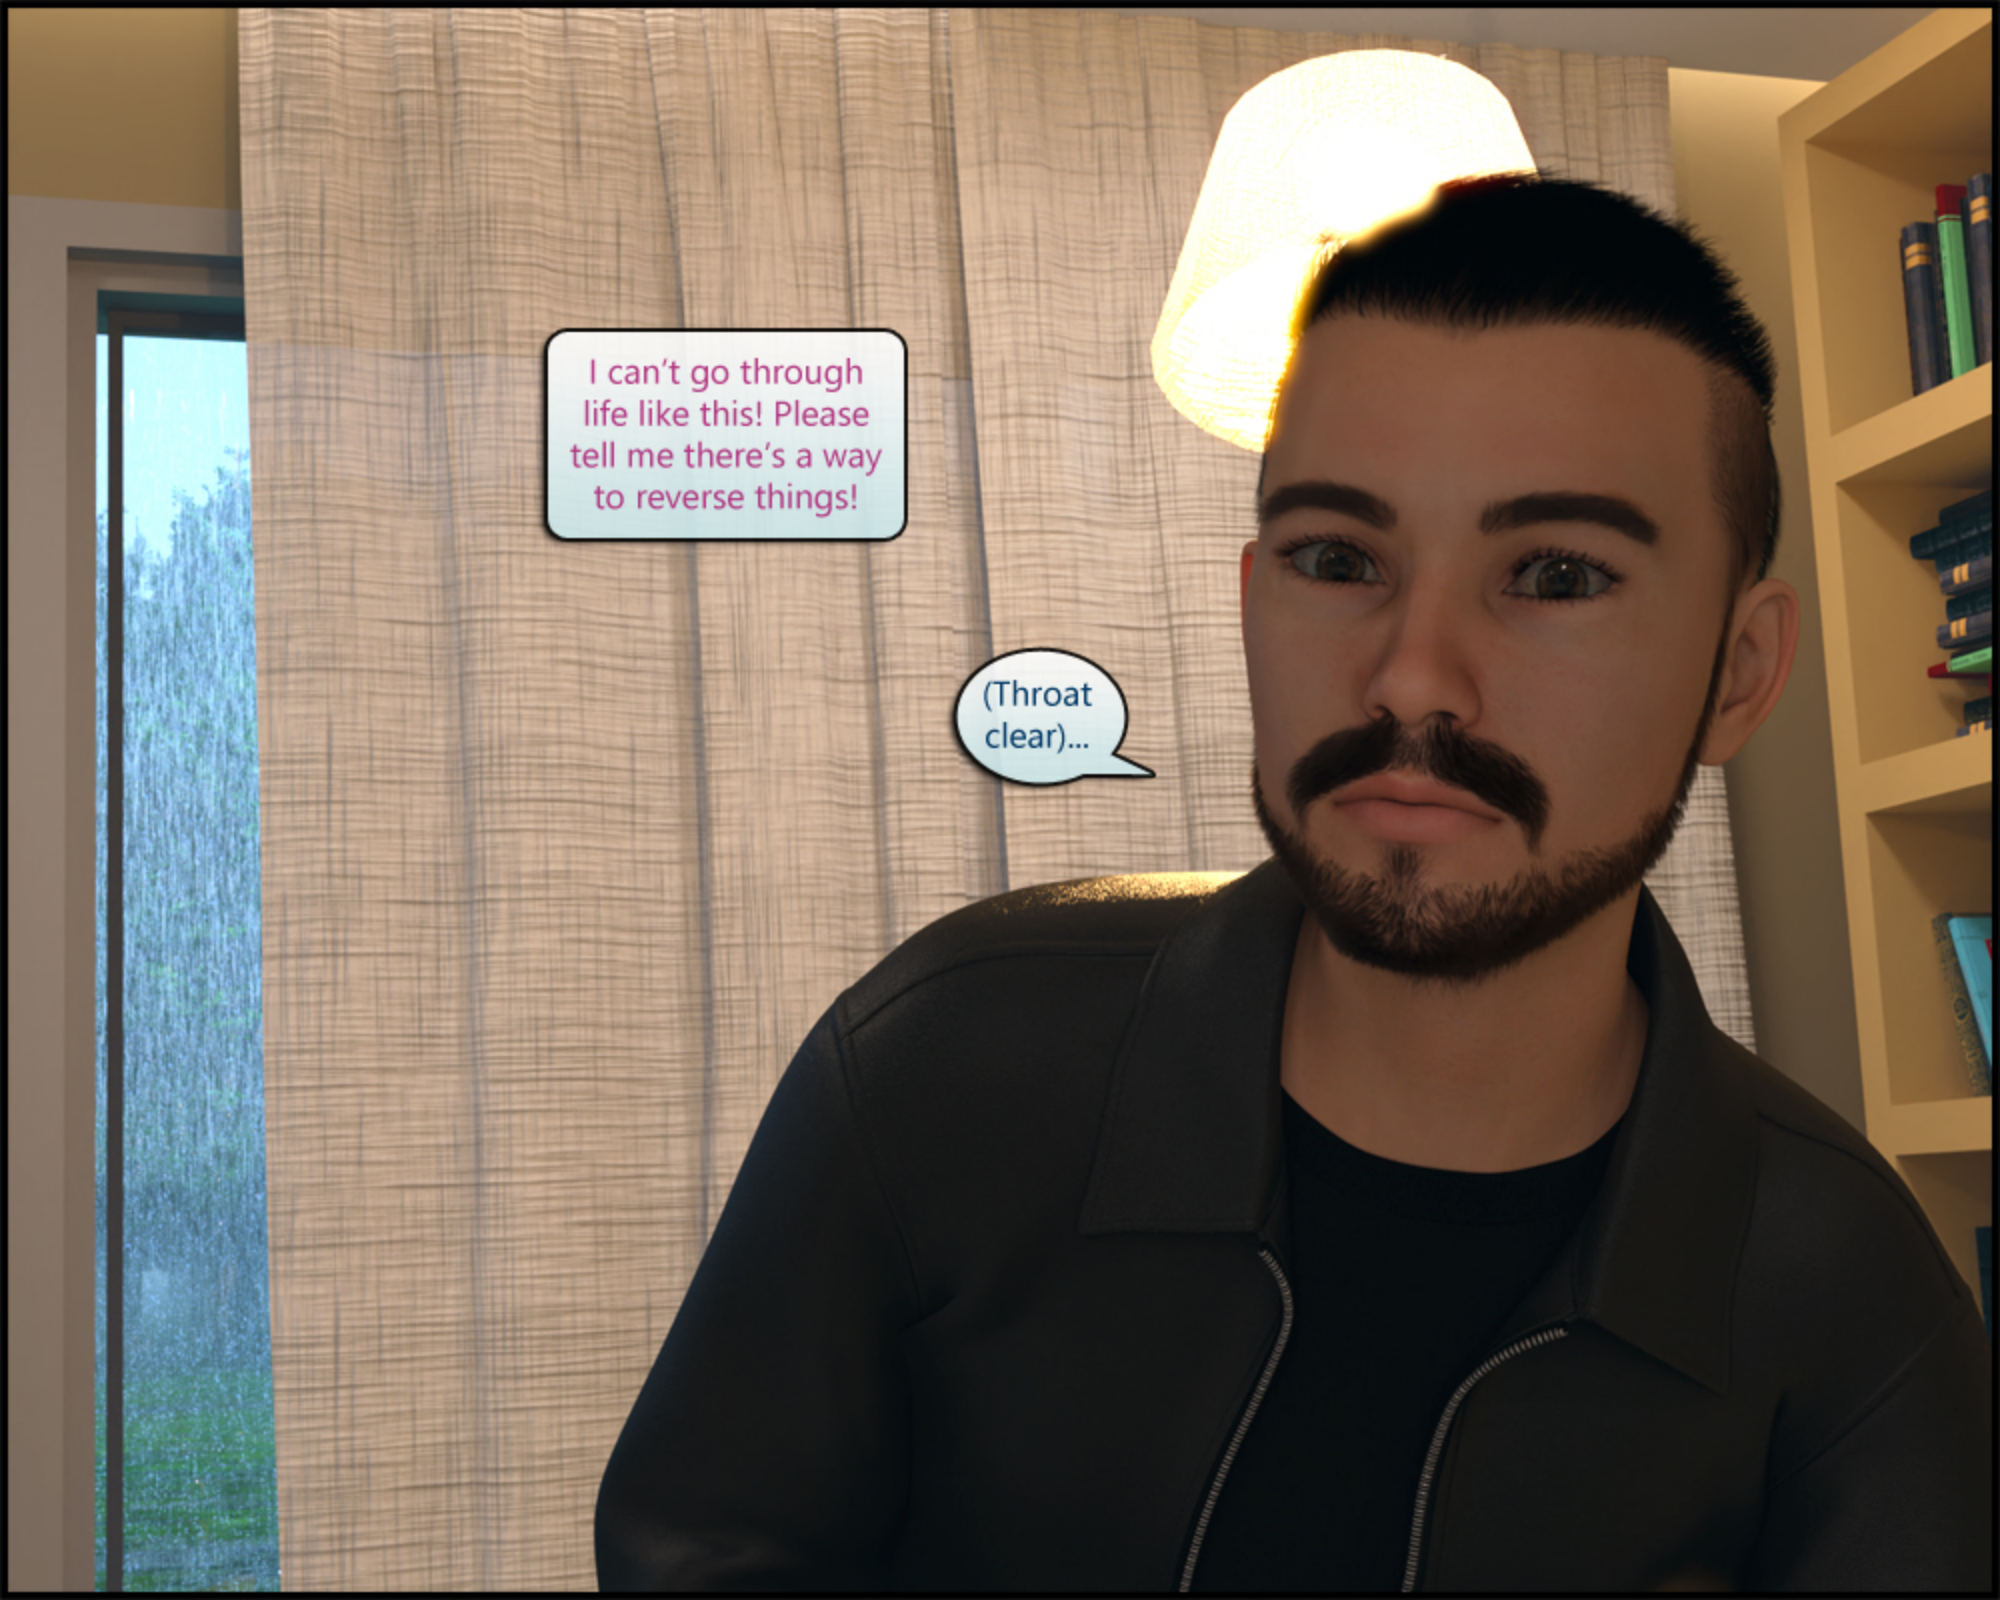

The game is still going, it's too early to be tired. And your itty bitty titties leave some more to be desired.

You should have a rack that may give your back trouble.

And for refusing to continue let's make it double.

I'll never be able to get these in my binder!

A man with a dark beard and mustache, wearing a black leather jacket over a black t-shirt, is shown from the chest up. He has a wide-eyed, distressed expression. The background features a textured beige curtain, a glowing yellow lampshade above his head, and a bookshelf with several books on the right. A window on the left shows a view of greenery.

I can't go through
life like this! Please
tell me there's a way
to reverse things!

(Throat
clear)...

I... I'm not! I just... Christ...!

Stop staring at them!

Yes you are! I can see you touching yourself as you objectify me!

I thought you were better than that.

It's not like that. It just feels uncomfortable in these tight jeans.

A man with short dark hair, wearing a black zip-up jacket and blue jeans, is sitting on a light-colored couch. He is looking down and to his left. A speech bubble is positioned near his head. In the background, there is a window with sheer curtains and a view of greenery outside. The lighting is warm, suggesting an indoor setting.

Whatever,
dude. Just stay
away from me.

For real!
This does not
feel good.

This is a nightmare! Why give me porn star tits?

I'll have no choice but to get top surgery.

Whew. That's a little better...

(Crackle)

(gasp)
What the
hell...?

Player one
has failed his first
challenge, bringing
that round's card
back into play.

What? I was just trying to adjust myself because of these stupid jeans!

Challenge

You will grow more and more aroused.

Last three rounds without touching yourself and gain a reward.
Fail and you will gain a punishment.

Challenge: You will grow more and more aroused. Last three rounds without touching yourself and gain a reward. Fail and you will gain a punishment.

What does that mean?

FWOOSH!

Punishment

You failed the test to behave your best, as your idle hands have betrayed you.

A disciplinary action will be the reaction, and all words you speak must be true.

Holy shit!
The card just changed!

(sigh)
She's out for a
while with those
meds.

That's why
she pays us to
be here.

But even if
we could wake her
up, the game won't
let us leave.

Hmm...
Then I guess
we have no choice
but to keep
playing.

How friggin' long do we have to do this, before the end?

It said we have to reach the... climax, was it?

How the hell do we even get there?

I'm not really sure how the game works.

But with how you look right now, I could reach a climax pretty quick.

God, I
love big
boobs...

And yours
are just so
perfect...

I... didn't
mean to say
all of that out
loud...

What the fuck, you pig!?

God, all guys really are the same. You're disgusting.

It's all true and I couldn't stop saying it, I swear!

And now I feel bad that you're angry at me!

Because you're, like, really attractive, and I want to know what your boobs feel like.

That is **never**
going to happen.

Why are you
saying all of this?
I thought we
were friends.

We are! I
really like your
personality and
everything,
too.

But I can't
stop saying the
truth, no matter
how much I don't
want to.

And this
game made me
super horny from
the start.

That's no
excuse! You
just...

You
shouldn't be
thinking of me
like a piece of
meat.

I don't think it's
fair that you're
angry at me for
something I have
no control over.

Yeah?
Well maybe the
game will make your
body look like some
teenager's weird
sex fantasy.

You might not be too far off...

Why, what's it say this time?

You're not going to like it, but here it goes...

(Reads card)

Muscle Up

You're small for a man, no
mass to be found. Yet you
desire the female whose chest
is quite round.

Sex with her is what you truly
desire. To claim such a prize,
a strong flex you will require.

There is no way we're ever going to...

STRETCH

Gah!

Jake!

A woman with blonde hair in pigtails, wearing a white dress, is looking towards a man in a black shirt who is standing in a living room. The man is holding a dark object, possibly a bag or a piece of clothing. The woman has a speech bubble above her head, and the man has a speech bubble below his head. The room has a wooden wall, a mirror, and a potted plant.

What's happening?
Are you all right?

(huff)
Everything is getting so tight!

God, my muscles feel so tense right now...

I just really need to flex them so bad!

Oh, yeah! God, that feels good.

Oh my god...!

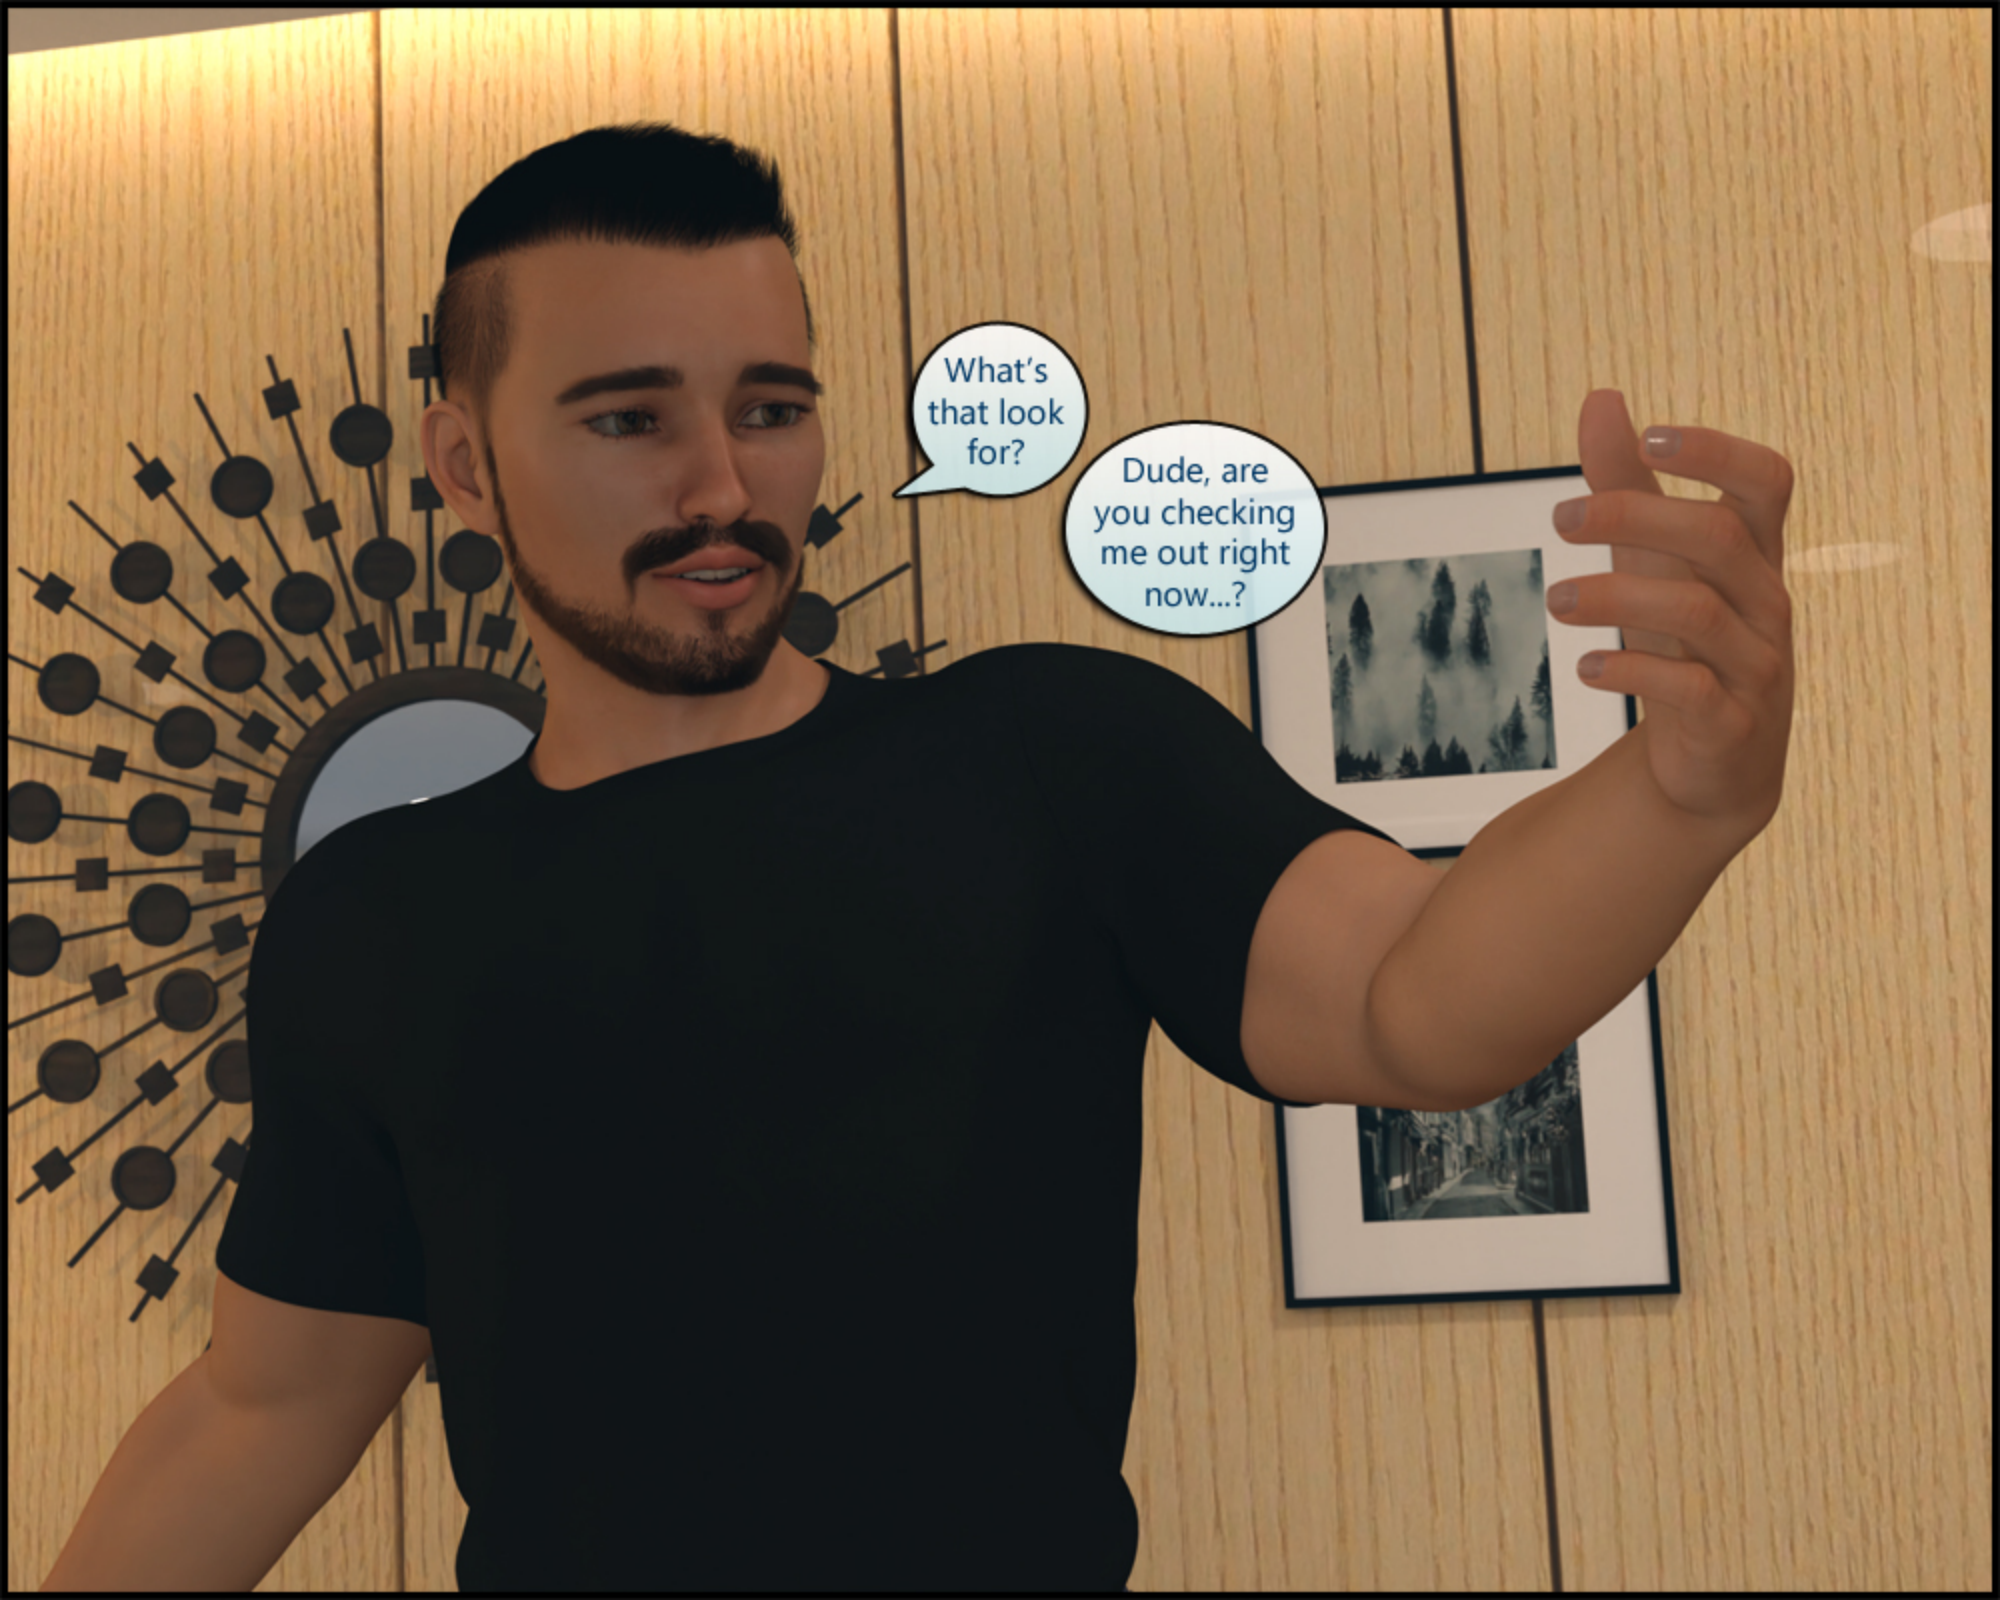

Wow!
I mean, uh...
how do you,
uh, feel?

That, um...
That looked
like it hurt.

I feel
great. Like
I just had the
best workout of
my life.

What's that look for?

Dude, are you checking me out right now...?

What?
Uh, no. No way! You, uh, it was just...

Watching your muscles grow was weird. That's all...

I know exactly what you mean.

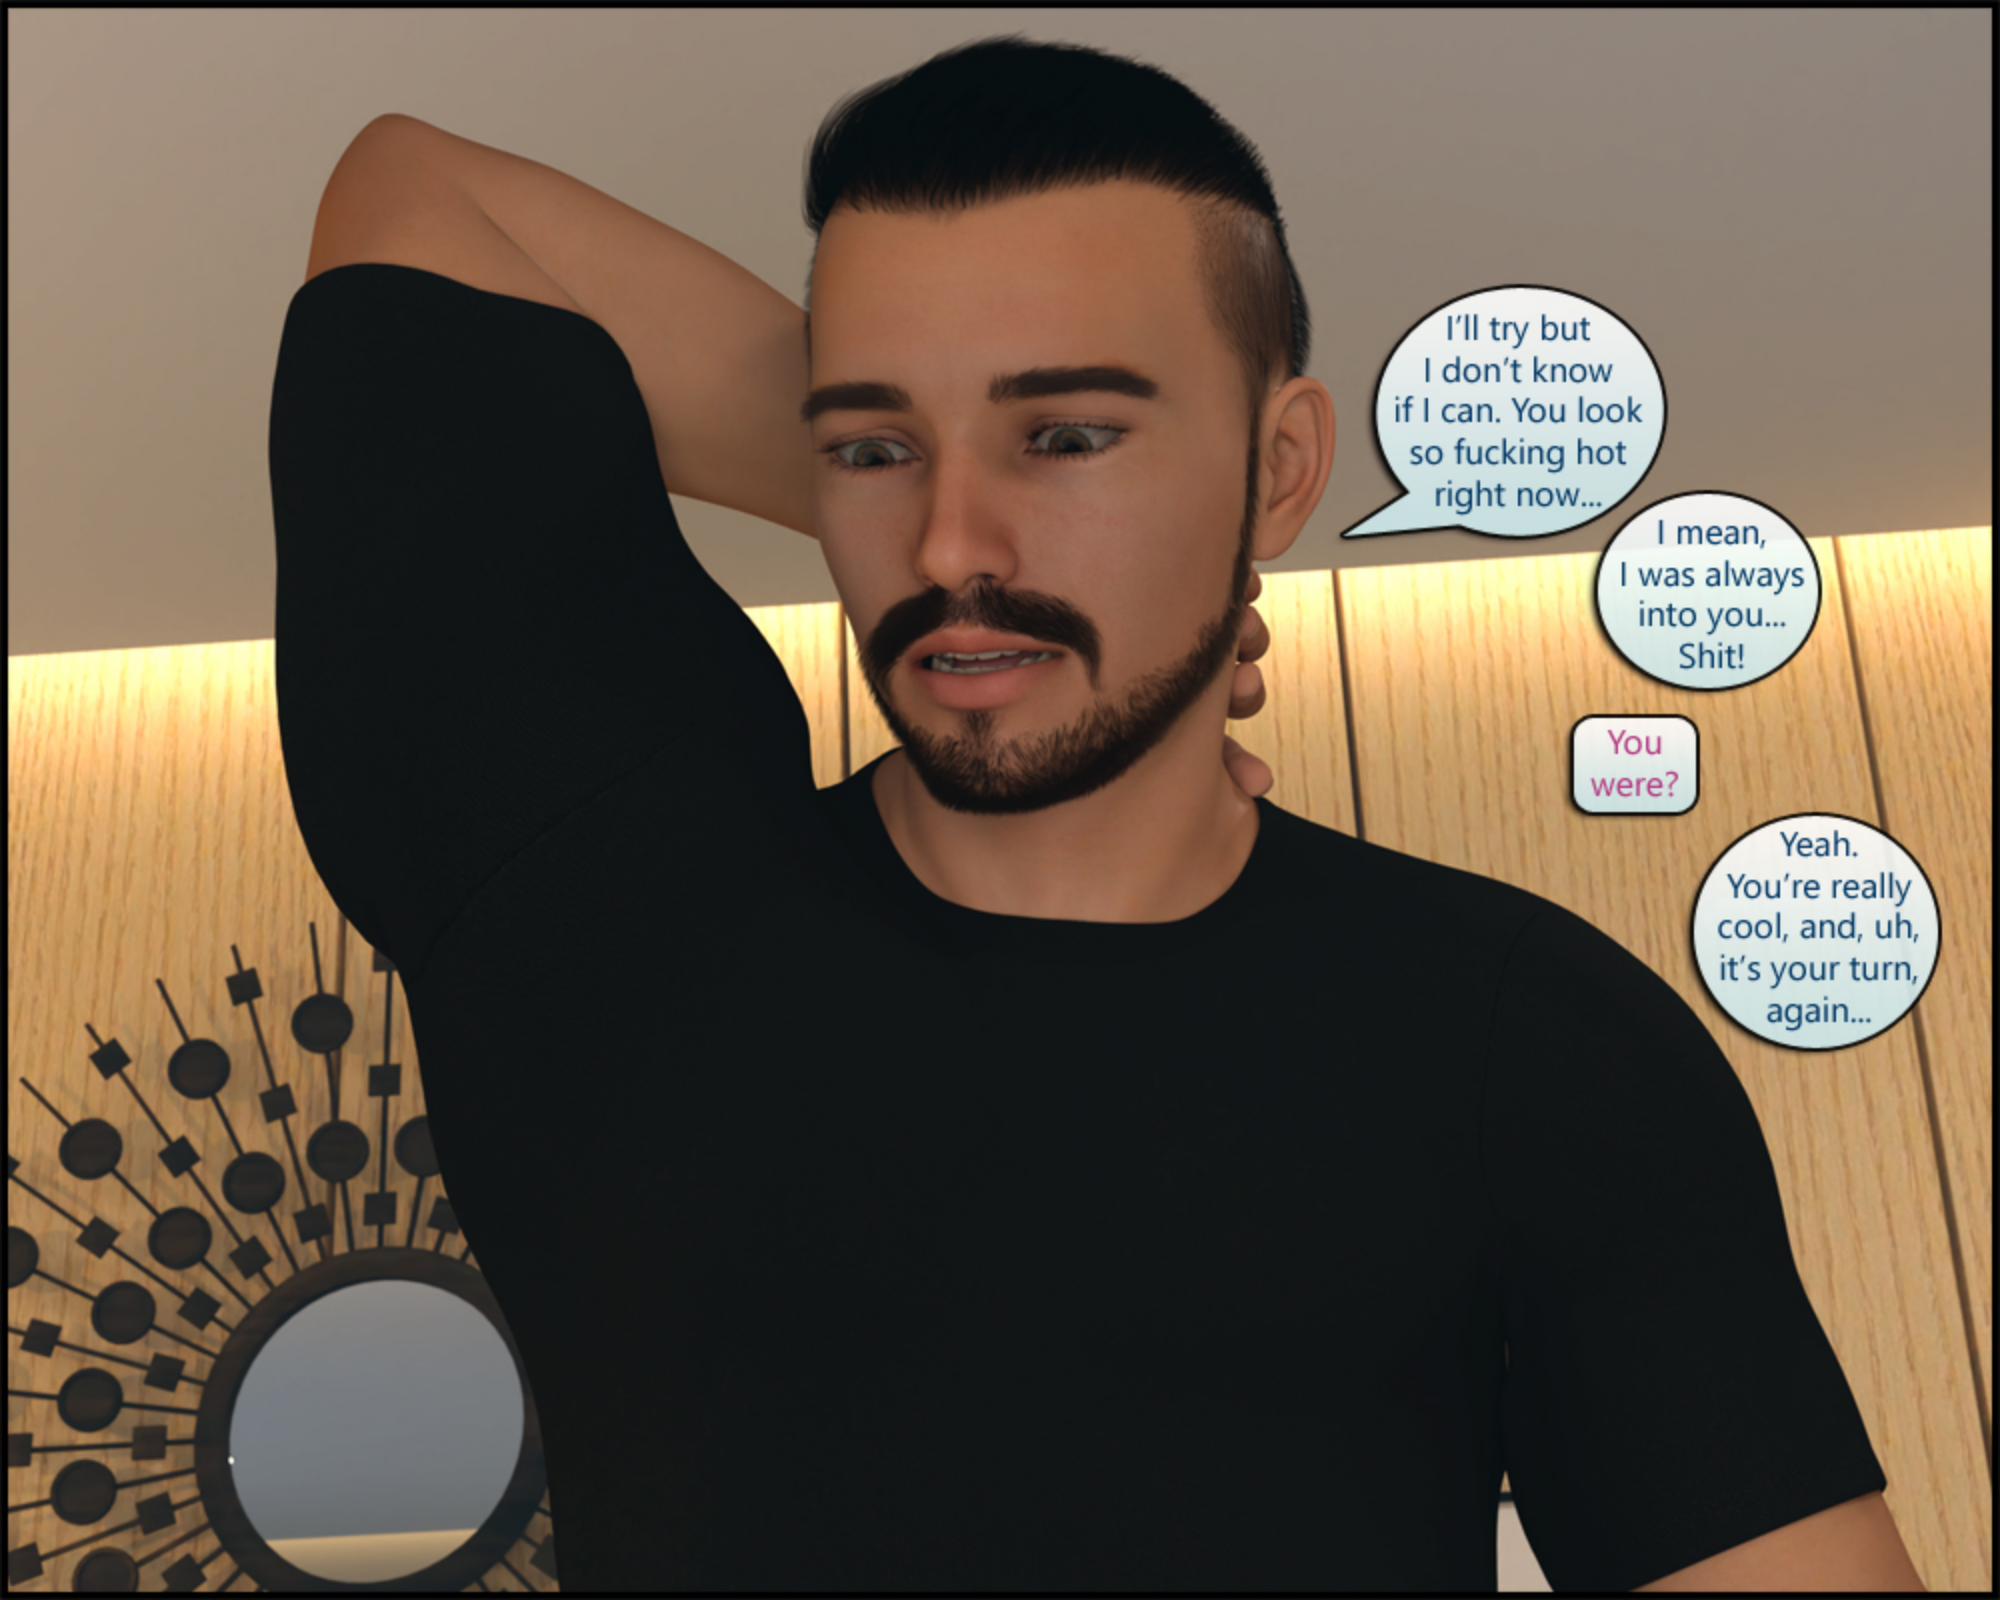

Watching your boobs grow made me so hard...

Jake!

Sorry!
It happened
again.

I... Just,
try to think
about something
else, okay?

I'll try but I don't know if I can. You look so fucking hot right now...

I mean, I was always into you...
Shit!

You were?

Yeah. You're really cool, and, uh, it's your turn, again...

I don't suggest trying to run away from this one.

(sigh)
Yeah. No shit...

I'm just worried about what it's going to do to me next...

This is obviously some sort of cursed sexual fantasy game...

Oh crap.
You don't
think...?

What if
it forces
us to...?

It seems like it could if it wanted to. I don't honestly know...

Maybe the only way to end the game is to have sex. I'm cool either way...

Well I'm not. God, is that how you really feel?

Yeah, but I can't help it! I have to say everything.

But I bet if this happened to you, you wouldn't be any better.

I mean, look at how you're trying to tease me with your boobs.

I'm not doing this for your entertainment, jerk-face.

These things weigh a friggen' ton and they're killing my back.

Oh...

Yeah. The least this shitty game could've done was give me some support.

Fuck,
I really don't
want to do this
again...

I know.
But now we
both know what
happens if you
don't.

Yeah, I know. It still sucks either way. You might be enjoying all of this, but to me this is **so** fucking humiliating.

But why? I think we both look great. I'm sorry your back hurts though...

You just don't get it...

(sigh)
Goddamn!
I hate this game
so much...

Can't you
do something
that'll make me
happy this
time?

Here goes nothing. Come on breast reduction...

What?
That's not
what I...

What
is it?

Act Happy

After all you were given, you choose to walk with a frown. Turn that sad body language all upside down!

You should match your cute and bubbly style. From now on you'll be lively and speak with a smile!

(giggle)
Oh...

What
did you get?
Something
funny?

ZOWIE
DAYMAN

No. I
just can't
stop smiling!
(giggle)

Yeah, but why?

Because of the card I just got, silly!

What? Why are you looking at me like that?

Hold on.
Did the card
say you had to act
like a cheerleader
or something?

Bingo!
No matter
what I do, it comes
out like this!
(giggle)

I sound
like such a
ditz!

And it seems like it's not just how you talk...

So, how am I supposed to know how you actually feel, now?

Dude, you have to be hating this so much!

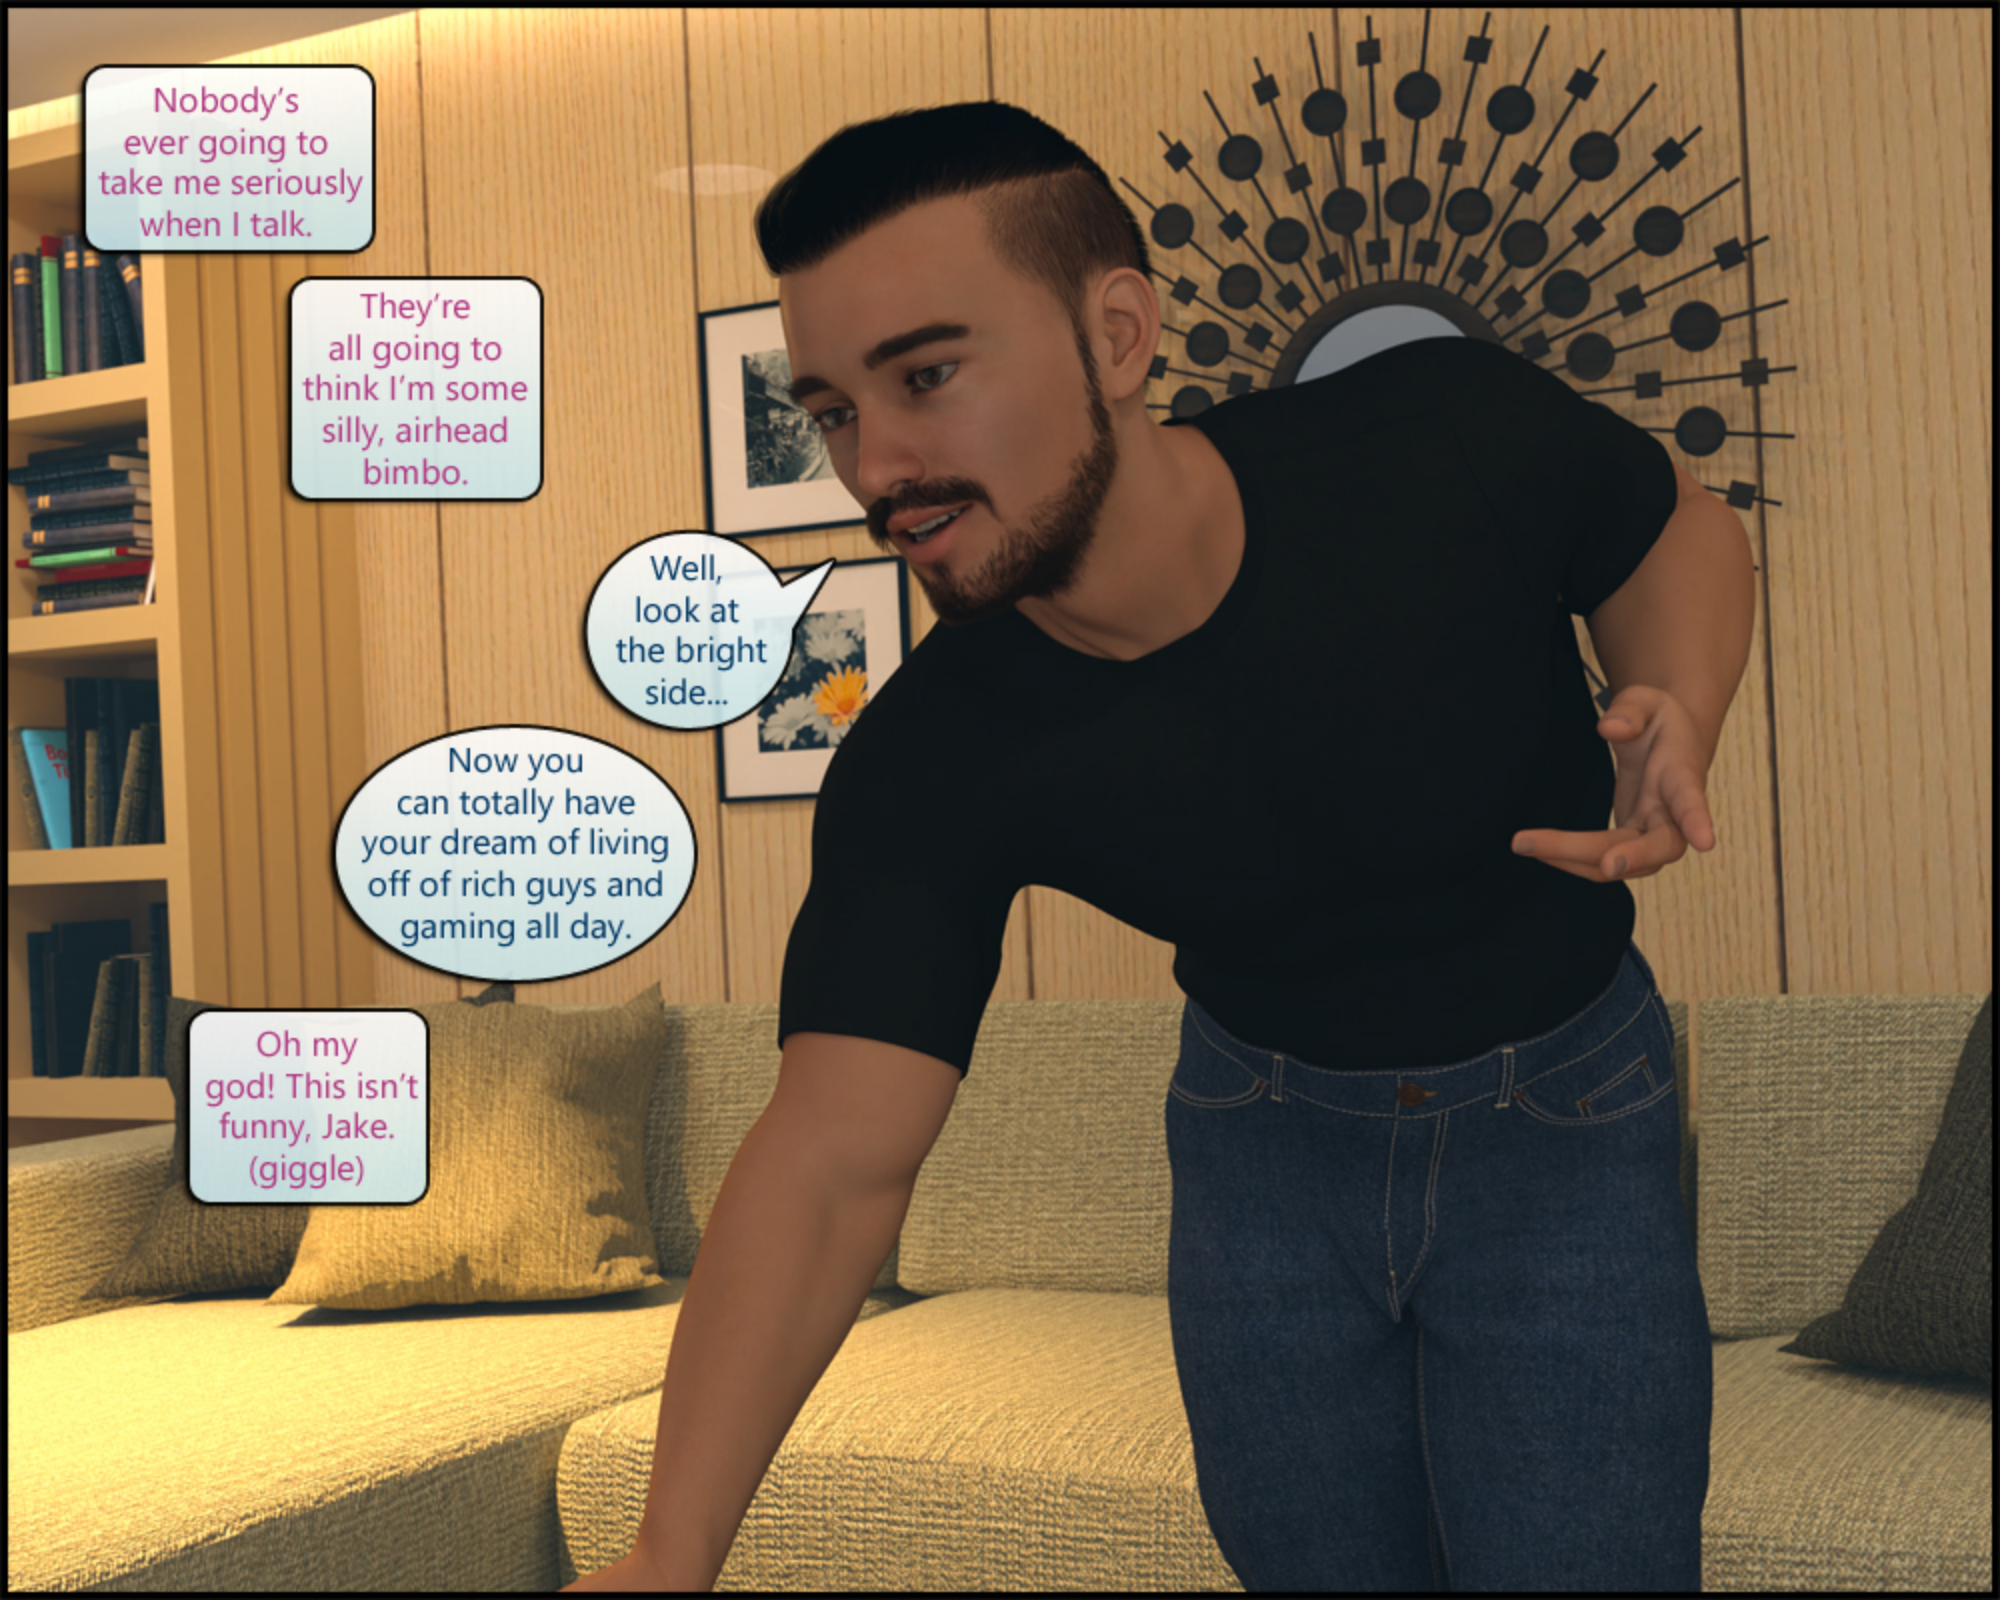

Mm-hmm!

I don't know! But what if I'm stuck like this forever?

It sucks for you, but I actually like it.

(gasp)
You jerk!
(giggle)

Nobody's ever going to take me seriously when I talk.

They're all going to think I'm some silly, airhead bimbo.

Well, look at the bright side...

Now you can totally have your dream of living off of rich guys and gaming all day.

Oh my god! This isn't funny, Jake.
(giggle)

But it is true.
In fact, I'm a
little jealous.

I wish I could
use my body as
a meal ticket
through life.

Well, maybe
you'll get lucky,
and the game will
let us trade
places

Damn...

SLIDE

(gasp)
Oh my god!
Were you just
staring at my
ass?

What can
I say? You've
always had a
nice ass.

Aaand
I'm digging
myself a deeper
hole...

Oh, hey!
I got a six.
