Notes for VA:

Sarah - Neighbor, Belle (Short for Annabelle) - Younger Sister, John - A guy

The girls can control their growth, so if they're referring to it happening naturally, or growth spurts, they're teasing.

[Narrator]

John's eating his breakfast at the table, as his younger sister Annabelle comes down the stairs~

[Belle]

Morning Bro~

[John]

Morning Belle... Wait, aren't you a bit, uh?

[Belle]

What's up?

[Narrator]

John had a strange thought that Belle looked taller than normal, but he pushed it aside.

[John]

Sorry, probably nothing.

[Belle]

Okay~ Anyway, Sarah is coming over today.

[John]

Don't worry, I remember~

[Belle]

Good, good~

[Narrator]

Getting herself some cereal, his sister joined him at the table. With her sitting down, John was sure now, she was definitely taller.

[John]

Are you a bit, taller?

[Belle]

Am I? Ahaha~ I guess I might be, I am a growing girl after all.

[John]

You are?

[Belle]

Yep~ But don't worry, you'll always be my big bro, even if I keep growing~

[John]

Yeah, right.

[Narrator]

Belle had always had some strange fascination with being tall. Perhaps it had developed from her fascination with the height chart she'd had on the wall when they were younger, but who could really say. After the two had finished breakfast and went their separate ways, the doorbell rang.

[Belle]

I'll get it~

[Sarah] (*goes to say [working then] but gets interrupted*)

Hiya Belle! Ooh, so it's been- [working then?]

[Belle]

Shhhh~

[Sarah]

Oh, ahaha~ Sorry~

[Belle]

Anyway, come in come in~ Let's go up to my room!

[Sarah]

Sure.

[Narrator]

Sarah removed her shoes and walked through the lounge where John was relaxing on the Sofa.

[Sarah]

Hiya John,

[John]

Oh, Sarah, hi!

[Narrator]

Perhaps it was just his position on the sofa, but for a moment, John thought that Sarah looked a bit taller today too.

[Belle]

We're going up to my room for a bit.

[John]

Oh, uh, Sure! see you a bit later~

[Sarah]

See you John~

[Narrator]

Up in her room, away from John, the two girls talked.

[Sarah]

So, it worked for you too then~

[Belle]

It more than worked, that stuff is amazing!

[Sarah]

I know! Did John notice anything?

[Belle]

Oh yeah, he noticed this morning, it was so cute, ahaha~

[Sarah]

Aww. should we tell him?

[Belle]

No~ Not yet, I wanna tease him some more first! Anyway, measure me~

[Narrator]

Belle stepped up against the height chart on her wall, and Sarah read off her height.

[Sarah]

5 foot 6, not bad~

[Belle]

But, could be better~ *m* Oh yeah, just like that *m* Ahh, how about now?

[Sarah]

5 foot... 8, nice~ Those clothes are starting to look a bit tight on you though.

[Belle]

It's okay, I don't mind. Your turn?

[Sarah]

Sure~ What am I at?

[Belle]

You're... 5'7.

[Sarah]

Well, not for long. *m* Oh wow, I forgot how awesome this feels *m* Oh yeah, one more for the road *m* there we go. What am I at now?

[Belle]

You're just below 5'11, almost 6 foot.

[Sarah]

Well it'll do for now. Let's go show John.

[Belle]

Ehehe, yes, let's!

[Narrator]

And so the two now taller girls headed back out to the lounge.

[Belle]

Hey there bro~

[Sarah]

Hiya John~

[John]

Hi, what's... uh... You both got taller again, didn't you?

[Sarah]

Nothing gets passed you, John.

[Belle]

I did say, I'm a growing girl, ehehe~ and in fact, still *m* growing~

[John]

Whoaa.

[Sarah]

And it's not just her. We've both been *m* plagued by growth spurts lately, ahaha~

[Belle]

Yeah, just so many *m* growth spurts~ In fact, they're getting a bit *m* crazy~

[Narrator]

With her latest growth, Annabelle's skirt snapped and fell away leaving her in her straining top which had been pulled up above her belly button, and panties.

[John]

Whoaa, seriously, what's going on here?

[Belle]

I don't know what you mean, Bro~

[John]

I mean why are you almost as tall as me all of a sudden?

[Belle]

It's like we said, we've been having these *m* growth spurts recently. And I'm not sure it's 'almost' as tall *m* anymore, ehehe~ You coming up, Sarah?

[Sarah]

Oh yeah! *m* with all these growth spurts, I think I'll be *m* up with you in no time, ahaha *m* there we are~ Looks like my Jeans didn't quite make it though, oh well.

[Narrator]

Both girls were now in their panties which were just about holding, and their tops were looking pretty stretched already as they stood eye to eye with John.

[John]

No, this is impossible~ Seriously, what's going on?

[Belle]

Aww, I'd hoped you'd let us tease you some more.

[Sarah]

We found a growth chemical online, so we ordered some!

[Belle]

And now, we can grow ourselves whenever we like.

[John]

Okay... and that's good?

[Belle]

Good? It's awesome! Finally I can just *m* grow bigger to my heart's content *m*, and now, I'm taller than you bro~ Ehehe.

[Narrator]

She reached over and patted John on the head cutely.

[Sarah]

m and not just you, because now *m* I'm taller than you too~

[John]

W-whoa...

[Belle]

And there's no point to stop here! I'm gonna really show you *m* what I can do with this growth *m*

[Narrator]

As he watched, Belle began to grow larger and larger. Her top finally gave away revealing her entire chest, and a few spurts later her panties too snapped leaving her completely naked, but still she just grinned and kept rising up and away.

[Belle]

m Ahh, now those pesky clothes are out of the way *m* I can really start to grow~ *m*

[Belle]

growth moans to go under narration

[Narrator]

Her breasts passed by John's head and continued to rise away as Belle pushed herself bigger and bigger. Her growth was incredible to witness, her flesh swelling out at such speed. Even Sarah looked surprised as Belle reached up to touch the ceiling, her waistline almost as tall as John when she finally stopped growing.

[Belle]

m Ahh, that'll do for now~ Awww, you got so small, bro~

[Narrator]

Now level with her waist, Belle patted the much smaller John on the head once more.

[Belle]

And you're so short now too Sarah, you coming up?

[Sarah]

Oh you just try and stop me~ *m*

[Sarah]

growth moans to go under narration

[Narrator]

Just like Belle had done, Sarah now began to push herself taller and taller without hesitation. Her top too quickly became too strained and tore away. Another couple of spurts later, her panties too snapped and fell away to the ground, and now both big girls were completely clothless leaving John gaping. He had to crane his neck back to watch as Sarah's head continued to rise up and up towards Belle's. She stretched up into the air dramatically as she grew, as if pulling herself physically taller, and continued to grin down at John as her head rose up and away. Soon, she was the same towering height as Belle, but instead of stopping her growth she winked and continued to stretch and swell taller, watching Belle's incredible height descend beneath her own. When she was a head taller than even the huge Belle, she did eventually stop growing.

[Sarah]

m Ahhh, that was incredible!

[Narrator]

John was now well and truly dwarfed by the two huge naged girls beside him. He stood there in stunned silence and stared up at them.

[Belle]

Aww, little big bro is looking super red~

[Sarah]

Are you not used to seeing such big attractive girls, John? Ahaha~

[Belle]

Well you better get used to the sight bro, because I think I feel another growth spurt coming on, don't you Sarah?

[Sarah]

Oh yess, and this one feels pretty big~

[Belle]

You ready?

[Sarah]

Oh yeah~

[Narrator]

Both girls began to grow once again, both of them quickly sitting to avoid the ceiling. They both grinned and giggled at each-other as their legs extended along the carpeted floor, their feet swelling bigger along with the rest of them. John noticed that Sarah had, deliberately or not, sat in-front of the door, and her swelling form seemed to cover any form of exit. He stood there as his sister's foot grew towards him, now half his height alone, and still swelling as the rest of her was. Both girls were leaning forward now, their bodies very quickly beginning to fill the room, leaving John very little space left to stand. Before he realised it, Belle's foot had pinned him up against the wall as both girls continued to grow and grow. As their masses increased, the room began to creak and groan as the structure of the house began to give way.

[Sarah]

It looks like this is it...

[Belle]

Here goes~

[Belle]

big moan

[Sarah]

big moan

[Narrator]

And with one huge surge of growth, the building collapsed around them, freeing the two giantesses. John found he couldn't make anything out after the foot had moved away, but felt rumbles as the ground vibrated with a loud thump. Then there was another, and another. The dust still hadn't cleared, and he couldn't make out what was happening. Just then, some giant fingered plucked him up and swiftly out of the remains of the house. Facing him was the huge faces of Sarah and Belle, grinning down at him eagerly.

[Belle]

There you are, little bro~ I was worried we'd lost you.

[John]

A-Are you two f-finally done?

[Narrator]

The two huge girls exchanged a look.

[Sarah]

I don't know~

[Belle]

We are growing girls, after all~

[Sarah]

Ahaha~

[Belle]

Ehehe~
