[Verse 2]

Destination unknown as we pull in for some gas
A freshly-pasted poster reveals a smile from the pack
Elephants and acrobats lions snakes money
Pele speaks righteous sister Zina says funky

[Pre-Chorus]

[Chorus]

[Verse 3]

Ringmaster steps out says the elephants left town
People jump and jive and the clowns have stuck around
T.V. News and cameras there's choppers in the sky
Marines police reporters ask wherefore and why
Pele yells we're outta here Zina says right on
Making moves and starting grooves before they knew we were gone
Jumped into the Chevy headin' for big lights
Wanna know the rest hey buy the rights

[Pre-Chorus]

[Chorus]
