**The lost Temple**  
**Chapter 03**  
**Scio**

Previously on „The lost Temple“:

*Prof. Harrison has found a stone tablet speaking of an old evil called **Zermankai** which can be assumed to be a rivaling cult of the **Adepts of Temptation** back in the day - a group said to have magical and healing powers in some old scriptures.*

*Mikael – a young archeology student of Prof. Harrison is thrilled to take part in this new discovery but is soon met by Kessy, a girl claiming to be a Zermankai. After some shenanigans with his roommate Barbara, being confronted with real magic and Kessy's demon form Mika believes her and becomes her apprentice.*

*Left with a booklet about the basics of magic, his task is to locate and get a magical artifact hidden by the Tadepts. He has one week, otherwise, demon-girl will probably rip him apart...*

Mika has withdrawn to his room studying the booklet Kessy left him.

So... the Ether is an invisible energy that surrounds us and can be found within any matter...

Ether is stored in a wielder's body and attuned to him or her for later use...

**Author's Note:** If you are interested to dig a bit deeper into the magic system of TIT, there will be a separate PDF simulating this booklet.

And thanks to whatever Kessy did... I can actually feel those Ether Threads around me...

So... all I need to do is draw that Ether into my body...

And then I can use it to influence the Ether around me by using spells?

Two hours of meditation, drawing in Ether, and visualization later...

I got it!

The Scio spell is used to analyze entities. Push your Ether into a target and withdraw it once again...

*Scio!*

Okay...  
that's kinda  
unimpressive. I  
mean... I bought  
it... of course, I'd  
know...

**Wait a second!**  
There is no way I'd  
remember that Crappy  
name! Or know its  
exact weight! Heck! I  
don't know what wood  
that table is made of...

**This is actually  
working!**

Name: IKA Topstar XIG43  
Age: 2  
Usage: You can sit on it.  
Weight: 6.3 kg  
Material: Oak...  
...

**Unbelievable!**  
Magic really exists! And I'm learning it!

I guess it could be a bit flashier... but this is just the first step. I'm gonna be a real fucking magician!

But I really should get some sleep in...  
**It's late!**

About half an hour later, Mikael finally managed to fall asleep.

Zzzzzzzzz

But his thoughts soon drift to a certain „topic“...

...You won't wake up until tomorrow's sunrise...

ZZZZZZZZ

Barbara!

There she was. Lying in her bed... with nothing on but her panties, those big breasts, that I had just seen in action some hours ago, out in the open...

Those big, jiggly  
globes of  
pleasure...

grope

As I licked over those delicious breasts...

Barbara's nipples grew while she stayed deep asleep...

Until they were big and pointy...

lick  
lick  
lick

And ready for me to suck on...

Oh,  
wow!

I did not cum  
that much in a  
very long time!

I've covered  
those...

Big...

Round...

Massive...

Ring  
Ring

Boobies!

Oh, shit.  
Drooled on  
myself there.  
That was... an  
intense dream...

I mean... it  
was a dream,  
right?

Ring  
Ring

swish

Well. At least **that** was not a dream. It's still working!

Whether the previous sequence was a dream or if Mika really stood up to pay Barbara a visit during the night is up to the reader. 😊

Which means I better find that artifact before my time is up...

Hey, are you  
okay? You  
look pale.

I... yeah.  
Sure... I'm  
fine...

Just some...  
weird dream...  
I guess.

*gulp*

You slept well?  
Any strange  
dreams?

I... yeah.  
No, dreams.  
Thanks.

*gulp*

So, he had weird dreams too...

But they couldn't have been as weird as mine...

Barbara remembers fragments of her „dream“.

Why'd I dream about something like that.

Doing topless jumping jacks in front of my childhood friend/roommate?

**Knock**  
**Knock**

And then... this girl...

Yes, yes!  
I'm coming.

**Hey!**  
You can't  
just waltz  
in here!

**\*giggle\***  
Don't you  
worry.

I'm not  
here for  
you.

Who are you?

Don't worry about that.

Just look into my eyes and relax.

Wha... Your eyes! **What** are you?!

I am your Mistress.

**Ocavum!**

No... I will never... I...

Yes, you will. My little thrall.

There is nothing you can do, little girl.

Right now, you are nothing but my toy, do you understand?

I felt my  
mind slip  
away...

All I wanted  
to do... was  
to obey her.

Yes,  
Mistress.

I understand.

I will  
obey.

Good girl.

I fear I'll have a bit of waiting ahead of me.

You humans are so damn slow.

So, why don't you entertain me for a while... Until he arrives.

Yes,  
Mistress.

I will  
entertain  
you.

Do you like  
this thrall's  
body?

Kneel, and  
get to work  
slave.

I sank to  
the floor.

Not a spark  
of resistance  
inside of me.

Anticipating  
the moment I  
could taste  
her juices on  
my tongue...

Yes,  
Mistress.

I will  
worship  
you.

That was... so hot...

Damn it! Am I into being dominated?

I could do nothing to resist her...

I was so helpless.

Meanwhile, Mikael has made his way over to the university where we join him.

**Name:** Gina Emmerik  
**Age:** 20  
**Relationship:** Single  
**„Job“:** Sports Student / Cheerleader

**Trivia:**

Gina has no real ambitions in life, but she loves doing sports. She's been following Stephany around since high school and doesn't mind following her lead as long as she's having fun.

Gina loves sexual intercourse a lot but has trouble keeping any deep relationships. So she has gone through multiple boy toys already and masturbates at least 5 times a week.

While she has only dated guys so far Gina is very Bi-curious.

**Cup Size:** B

**Height:** 165 cm

**Weight:** 54 kg

**Name:** Stephany Stevens  
**Age:** 21  
**Relationship:** Boyfriend  
**„Job“:** Psychology Student  
**Hobby:** Cheerleader-Captain

**Trivia:**

Stephany is the only child of rich parents. With her father being out of the country most of the time and her mother focusing on her hobbies, she developed a mean attitude and likes to pick on weaker targets.

Stephany hates having small breasts, but even though her parents would pay for it, she has not yet decided on an operation. But she is still playing with the thought.

She's together with Trevor cause she thinks the football captain is a prestigious catch. Also, she is into strong muscular men. She masturbates about once a week.

**Urgh!**  
Spare me the sob story. She's still a bitch!

Oh, and there is Miss Hendriks the librarian.

I'm in the library quite often... but I still know nothing about her... let's change that.

*Scio!*

**Name:** Norah Hendriks  
**Age:** 41  
**Relationship:** Widow  
**Job:** Librarian  
**Hobbies:** reading

**Trivia:**  
Norah's husband died 5 years ago in a car crash. Ever since she's a widow and she plans to stay that way - focusing on helping students and younger folk, as she has no children of her own.

Oh, man!  
I just wanted  
some fun with the  
magic spell... Poor  
woman!

Mikael sits down in the Auditorium where the lecture is supposed to start.

Guess I can sneak one more in before the lecture... Always wanted to know what's **her** deal.

*Scio!*

Huh?  
Mika looks cheery. What's up with him?

I love Runes and Translations. Miss Fortune is a great teacher.

**Name:** Elizabeth Rosto  
**Age:** 19  
**Relationship:** Single  
**„Job“:** Archeology Student  
**Hobby:** Archeology, history, reading

**Trivia:**  
Elizabeth is trying her best at studying, as, with her father leaving some years ago, her mother is working her ass off to pay for her education. Elizabeth does not want to waste her mother's investment in her and aims for the best grades in everything she does.

All of those efforts have left her with little free time and no friends.

What she fears most is that her book smarts might not be able to prevail in life...

So that's why she is so eager in class. I guess it fits.

Wha...?  
Gabriel!

Yo, buddy,  
what are ya'  
doing?

Staring at  
little know-  
it-all?

Guess, I was  
just wondering  
what makes  
her tick the  
way she is.

Ah, whatever.  
Some people are  
just like that. They  
need that feeling of  
knowing it better  
than you so they  
can rub it in your  
face.

Alright, you folks. Let's continue where we left off last time.

So, who knows what these runes stand for?

Hey, that first one looks like the Scio glyph!

She is a great professor. But why does she dress so provocatively all the time...

Err... you okay, dude?

H...Headache. Give me... a moment...

Zzzzzzzzz

Hey there,  
Mika.

There is something different about you, today.

You look so... powerful.

Like what  
you see?

Oh, yeah.  
I like that you  
like looking at  
me.

Come here, love.

Kiss me!

KISS

Oh,  
Velia!

tap

chuckle

Dude!  
Wake up.

You've  
been sleeping  
through the  
whole lecture!

I'm awake!

What?  
No, way.

Urgh!

Nope...

She's cute...

Dreaming about a certain girl?

Dude! You talk in your sleep!

You still haven't talked to her, have you?

**LOL!**  
You are hopeless. Still can't understand how you can fall for somebody just by looking.

FUCK! That was a nasty headache. Did I run out of juice already? The book said to not overdo it...

I... just didn't get any sleep tonight...

And thanks, but no. I really dig into that new assignment... of... Prof. Harrision. Yes, that's it!

Anyway. You wanna join Jessica and me tonight at the pub?

That is, if you haven't drunk enough already. Falling asleep mid-lecture...

Dude, I could learn something from you. \*chuckle\*

Oh, it might  
very well do  
just that...

Sorry, Gabe.  
I really need to  
focus now on this.  
As long as the  
motivation sticks,  
you know.

Really, dude?  
I'm telling you  
you need to live  
a little.

Slacking off for  
a day on the  
assignment  
won't kill ya.

Nah, I actually don't  
understand. Got no  
such ambitions.  
*\*chuckle\**

Ah, whatever. See  
you around. If you  
change your mind  
give me a holler.

After saying goodbye to his best friend Gabriel, Mikael contemplates the situation. Afraid to use the Scio spell again too soon, he settles to go after the clue Kessy or rather... Archibald... has left him... And so he found himself walking over to the local museum...

Where, as an archeology student, he is a known visitor.

Hi,  
Amara!

I was told there  
was some new  
artifact from  
Prof. Harrison  
on display.

But I could  
not find it in  
the local town  
section.

Heya.

Oh, yeah.  
We put it in  
the Egyptian  
wing.

Errr... why?  
It's a local  
discovery.

Yeah.  
But Prof.  
Harrison  
insisted.

He wants max  
exposure. And the  
Egyptian wing is  
frequented the  
most by tourists.

Okay.  
Thanks for  
the info.

Don't worry. It's  
just standing  
there. It's labeled  
correctly. I made  
sure of it!

It does not take long for Mika to find the display case in question. To an archeologist, it's poking out like a sore thumb in the Egypt section.

So, that's it...  
Incredibly well  
preserved.

Hm... there  
are some runes  
engraved at  
the side...

Can't read  
any of that,  
of course.

But the  
plaque says  
it's speaking  
of an orb of  
power.

Guess that's  
what the orb  
in the middle  
is supposed to  
be...

Well... it's the best clue I have. I know it's not allowed to take pictures... But I need a visualization aid for the ritual spell... and I can't very well do it here... Alright... Nobody around...

Click

Having found his first clue, Mika is in good spirits and since he feels okay again he dares to try the Scio spell again – and it works without nausea.

Found it?

Yeah, Thanks a lot.

Scio!

See you around.

**Job:** Museum Guide

**Trivia:**  
Amara is an advanced Archeology Student and assistant of Prof. Harrison. To earn some money on the side she works at the museum.

Amara gets male attention for her big bottom from time to time, but she hates that and turns any suitors down, as she is in a healthy relationship with her boyfriend.

Amara does not masturbate but she has sex on a regular basis with her boyfriend, about twice a week.

# Thanks for reading!

Hello, Hexxet here.

So... Mikael got some private details on several girls in his vicinity. Would you like to be able to do that? Walking around and using Scio to learn some private details on the people around you? Like a sexy co-worker, or the girl next door? Or do you prefer to do it old school by talking to people? 😊 Mikael sure was enjoying himself there while leveling that Scio spell. 😊

And of course, he also found his first clue! Let's hope he'll be able to master the Secus Ritual (Level II of the Scio Spell) in time to track down that artifact before his time is up.

A big thanks to all my supporters on Patreon who enable me to write this! 😊
