A dark blue wooden roof with a small purple figure on a ridge. The roof is made of horizontal wooden planks. A small purple figure is perched on a ridge of the roof. The background is a dark blue sky with some light blue clouds.

She jumped
down!

Quick!
Find her!

"Tch.. What a bunch of useless."

A character with white hair and cat ears, wearing a white and gold dress with a black cape, stands on a rooftop at night. The background features a full moon and dark blue clouds. A speech bubble is positioned to the right of the character.

"Look like I have to deal with her myself.."

I'm not going to let her deliver that letter at all cost.

Hey there,
little buddy.

Ningguang..

A close-up illustration of a young woman with vibrant, spiky blue hair. She has her eyes closed and a slightly distressed or sad expression. She is wearing a black, strapless top. Her hands are clasped together in front of her chest. The background consists of tall, green grass. A speech bubble is positioned to her right, containing text.

"N-Nothing..
Calm down.. It just
a nightmare.."

"But.. what
is this place..?"

"Hm? *Sniff*
Sniff What
is this smell?"

"Ah.. Someone was cooking something."

"Ah.. Like one of
Xianglin's soup.."

You awake.
How do you feel?

Y-You are..

Liyue's citizen..
But I have never
seen you before..

Me either, you
were in a wet and
weird outfit when
I found you.

Anyway! Liyue is
a dangerous place
right now! You mustn't..

I left long time
ago.. it's no longer
where I belong.

You mean..
Liyue? But why?

I couldn't just
sit back and
wait for him..

Oh, my name is Xing-Wei. Mind to seat back with me and have soup?

A Demon.. it
took over Ningguang..

Hm.. Ganyu? Why
did you say Liyue
is dangerous?

Demon? Well..
It could make
you run away
from Liyue..

Liyue is no longer
itself.. And it's
going to..

..Nevermind.. I was just being sacracstic.

A manga-style illustration of a character with long, wavy blue hair tied in a ponytail with a red and black ribbon. She is wearing a black, sleeveless dress and is looking down with a sad expression. Her right hand is resting on the dark blue, vertically-pleated skirt of another person whose white dress is partially visible above. The background is a green field of grass. A white speech bubble with a black border is positioned to the left of the character.

But.. I couldn't
do anything at all!
To save Ningguang..
To save Liyue!

A white speech bubble with a black border, containing text. It is positioned to the right of the character's hand.

Me too..
I couldn't do
anything..

I could only watch his back.. as he left for battlefield..

He was a charming Millelith.. always talk about the future of Liyue.

He said that..
one day he and I
would start a family.

A Millelith.. out
for battlefield..?

Anyway, let's
eat first before
it gets cold.

Oh.. Okay.

Ah.. Thank you
for the meal!
Your cooking was
really good!

It's nothing. I used
what I found in
the nature.

I don't mean to ask.. but that ring.. was it from him?

Yes, he gave it
to me before went
to the Chasm.

T-The Chasm!?
Battlefield.. which
you mentioned..

The Catalysm,
500 years ago..
He hasn't returned
since then.

That was a really
long time ago..
A normal human
can't live that..

Who actually are you, Xing-Wei?

Who am I doesn't matter, Ganyu.

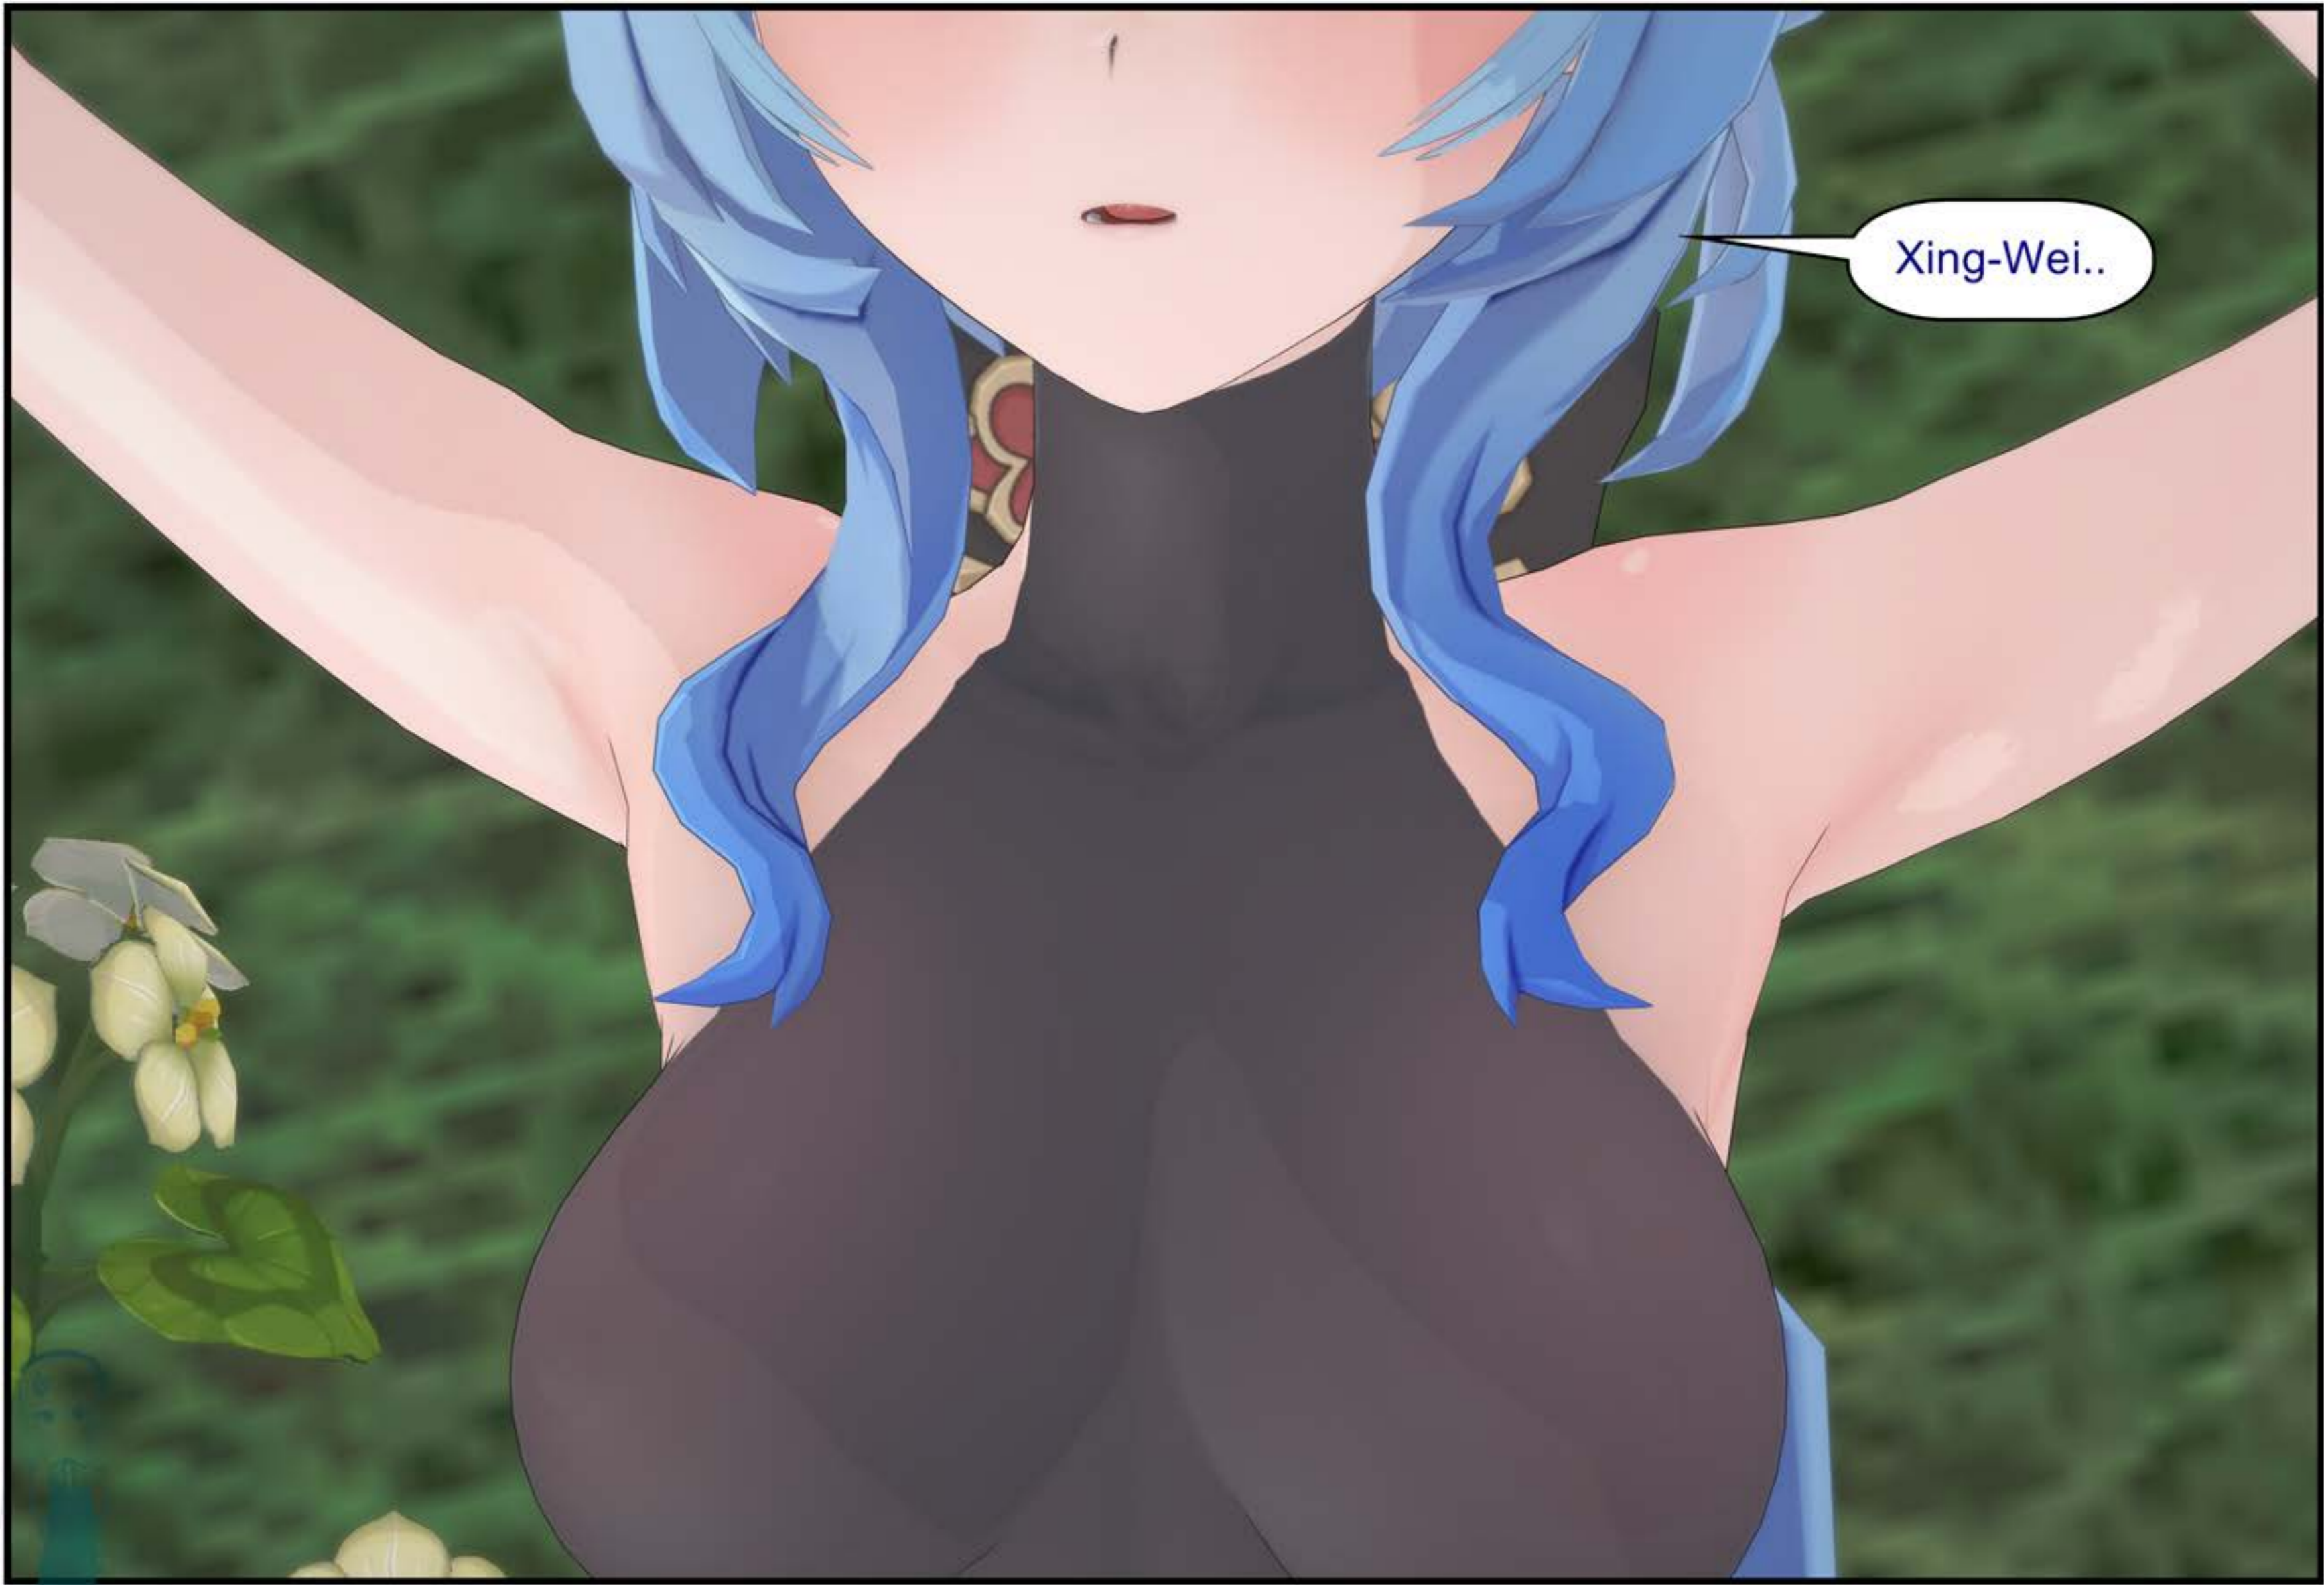

I'm nobody,
but Liyue..
it's still there.

I'm sure Ningguang trusted you with that letter, Ganyu.

I left Liyue.. to find
him.. my lover..

Xing-Wei..

She's right.. I just
couldn't sit back!

"Hah.. So it must be you.."

A character with light blue, wavy hair and purple eyes stands in a green field under a starry night sky. She wears a white and gold outfit with a dark grey top and blue shoulder guards. A large golden bell hangs from her neck, and a red tassel with a blue gem is attached to her waist. A speech bubble is positioned to her left.

"I will face to face
that Demon and
free Ningguang!"

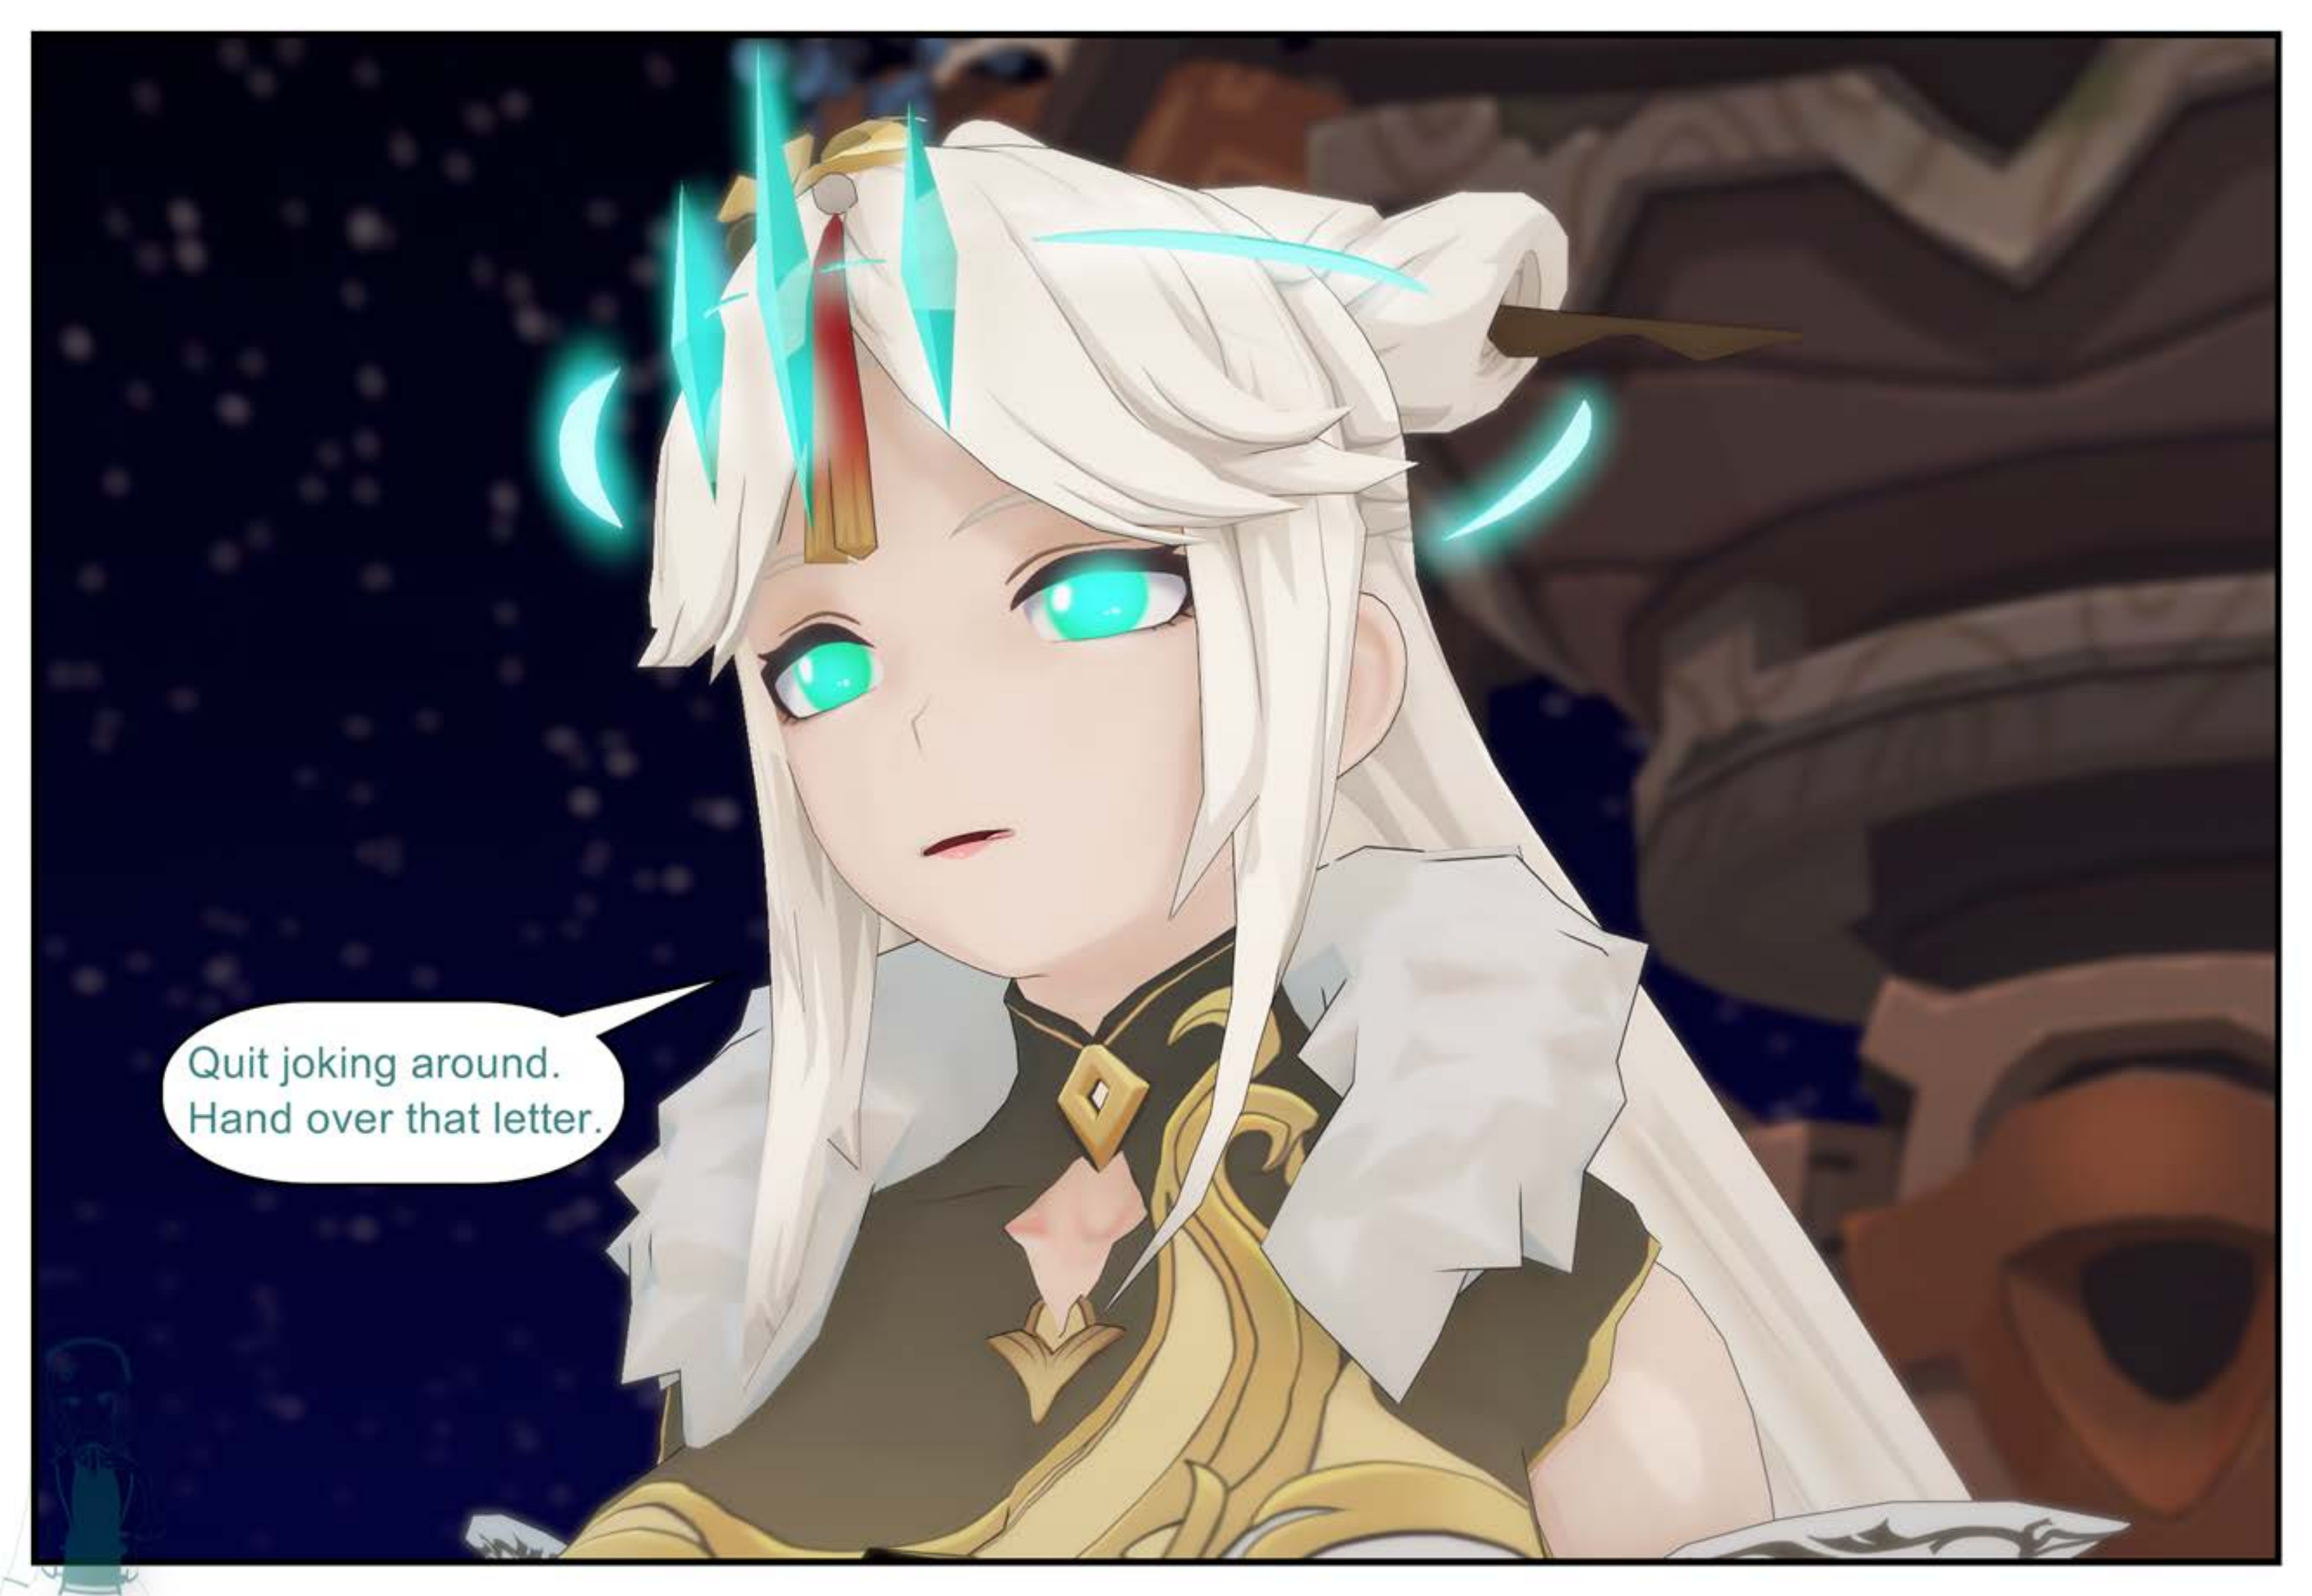

There you are,
no need to look
elsewhere.

No wonder how
can you find me..

Hm? What with that face?

A character with long, flowing white hair styled in a bun. They have glowing cyan eyes and several glowing cyan hair ornaments, including a crescent moon and a red tassel. They are wearing a black and gold outfit with a white ruffled collar. The background is dark with a starry pattern and some stone structures.

Quit joking around.
Hand over that letter.

Then force me
to, Demon!

I see..
Not that simple.

Then it's okay
if I kill you, right?

Allow me to show you my new toy!

A character with long, flowing blue hair is shown from the chest up. She is wearing a white and blue armor-like outfit with intricate designs. She is holding a sword with a dark hilt. The background is a dark blue sky with stars and a green field. A speech bubble is positioned to the left of her head.

Even you got
control of a
Ruin Guard..

Liyue is a land of contract, and a home for everyone.

I won't let Liyue fall
into your hand!

Ugh.. This piece of junk!

This is
the end!!

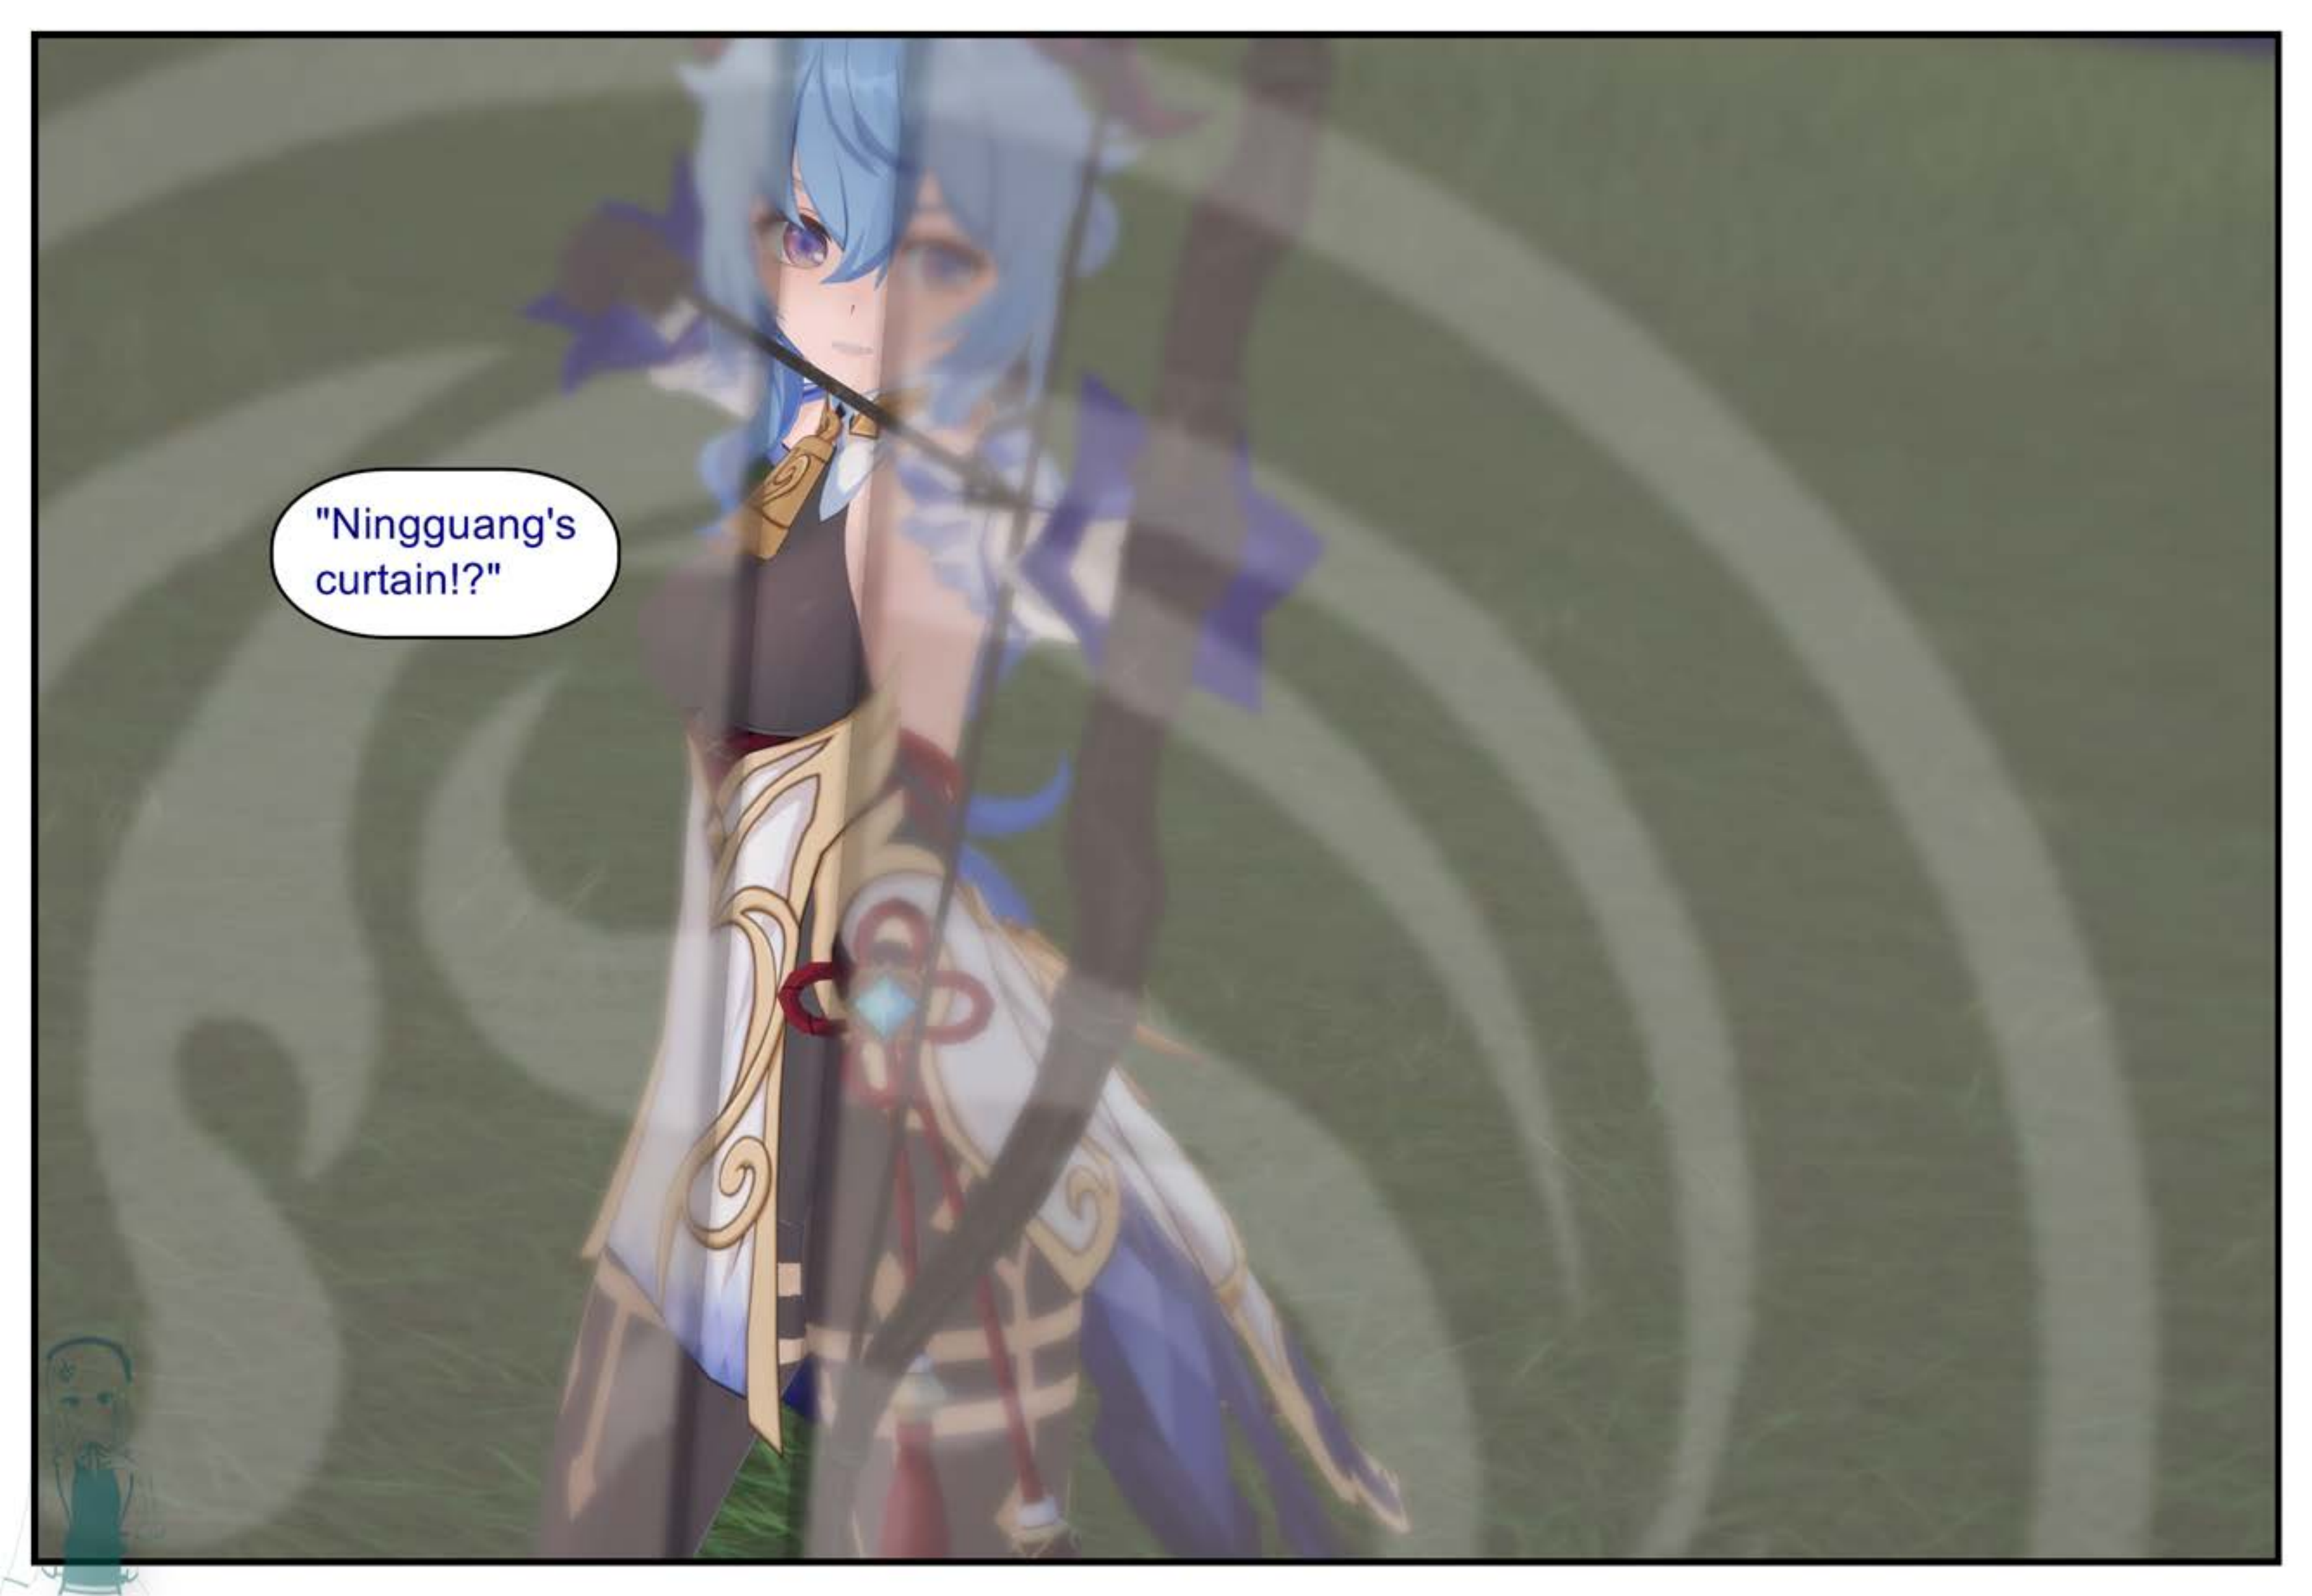

Hah.. I should
have taken
someone else.

But nevermind
then, I will handle
you myself.

And take that
body of yours!

A character with short, light blue hair and purple eyes is shown from the chest up. They are wearing a white and gold ornate outfit with a red ring and a blue gem. They are holding a sword with a blue star-shaped hilt. The background is a dark green wall with a large, faint, circular pattern. A speech bubble is on the left side of the image.

"Ningguang's
curtain!?"

And of course,
it just a bait!

You are too
slow, Ganyu..

Leave it
to you..

Hmph.. How lame is this.

I'm getting tired
of ruling Liyue alone.

Wait.. It can't be!?
The letter is gone!

"She hasn't delivered it to the Traveler.."

"I couldn't get anything from her memory.."

But if that blond hair girl come, I will wait for her.

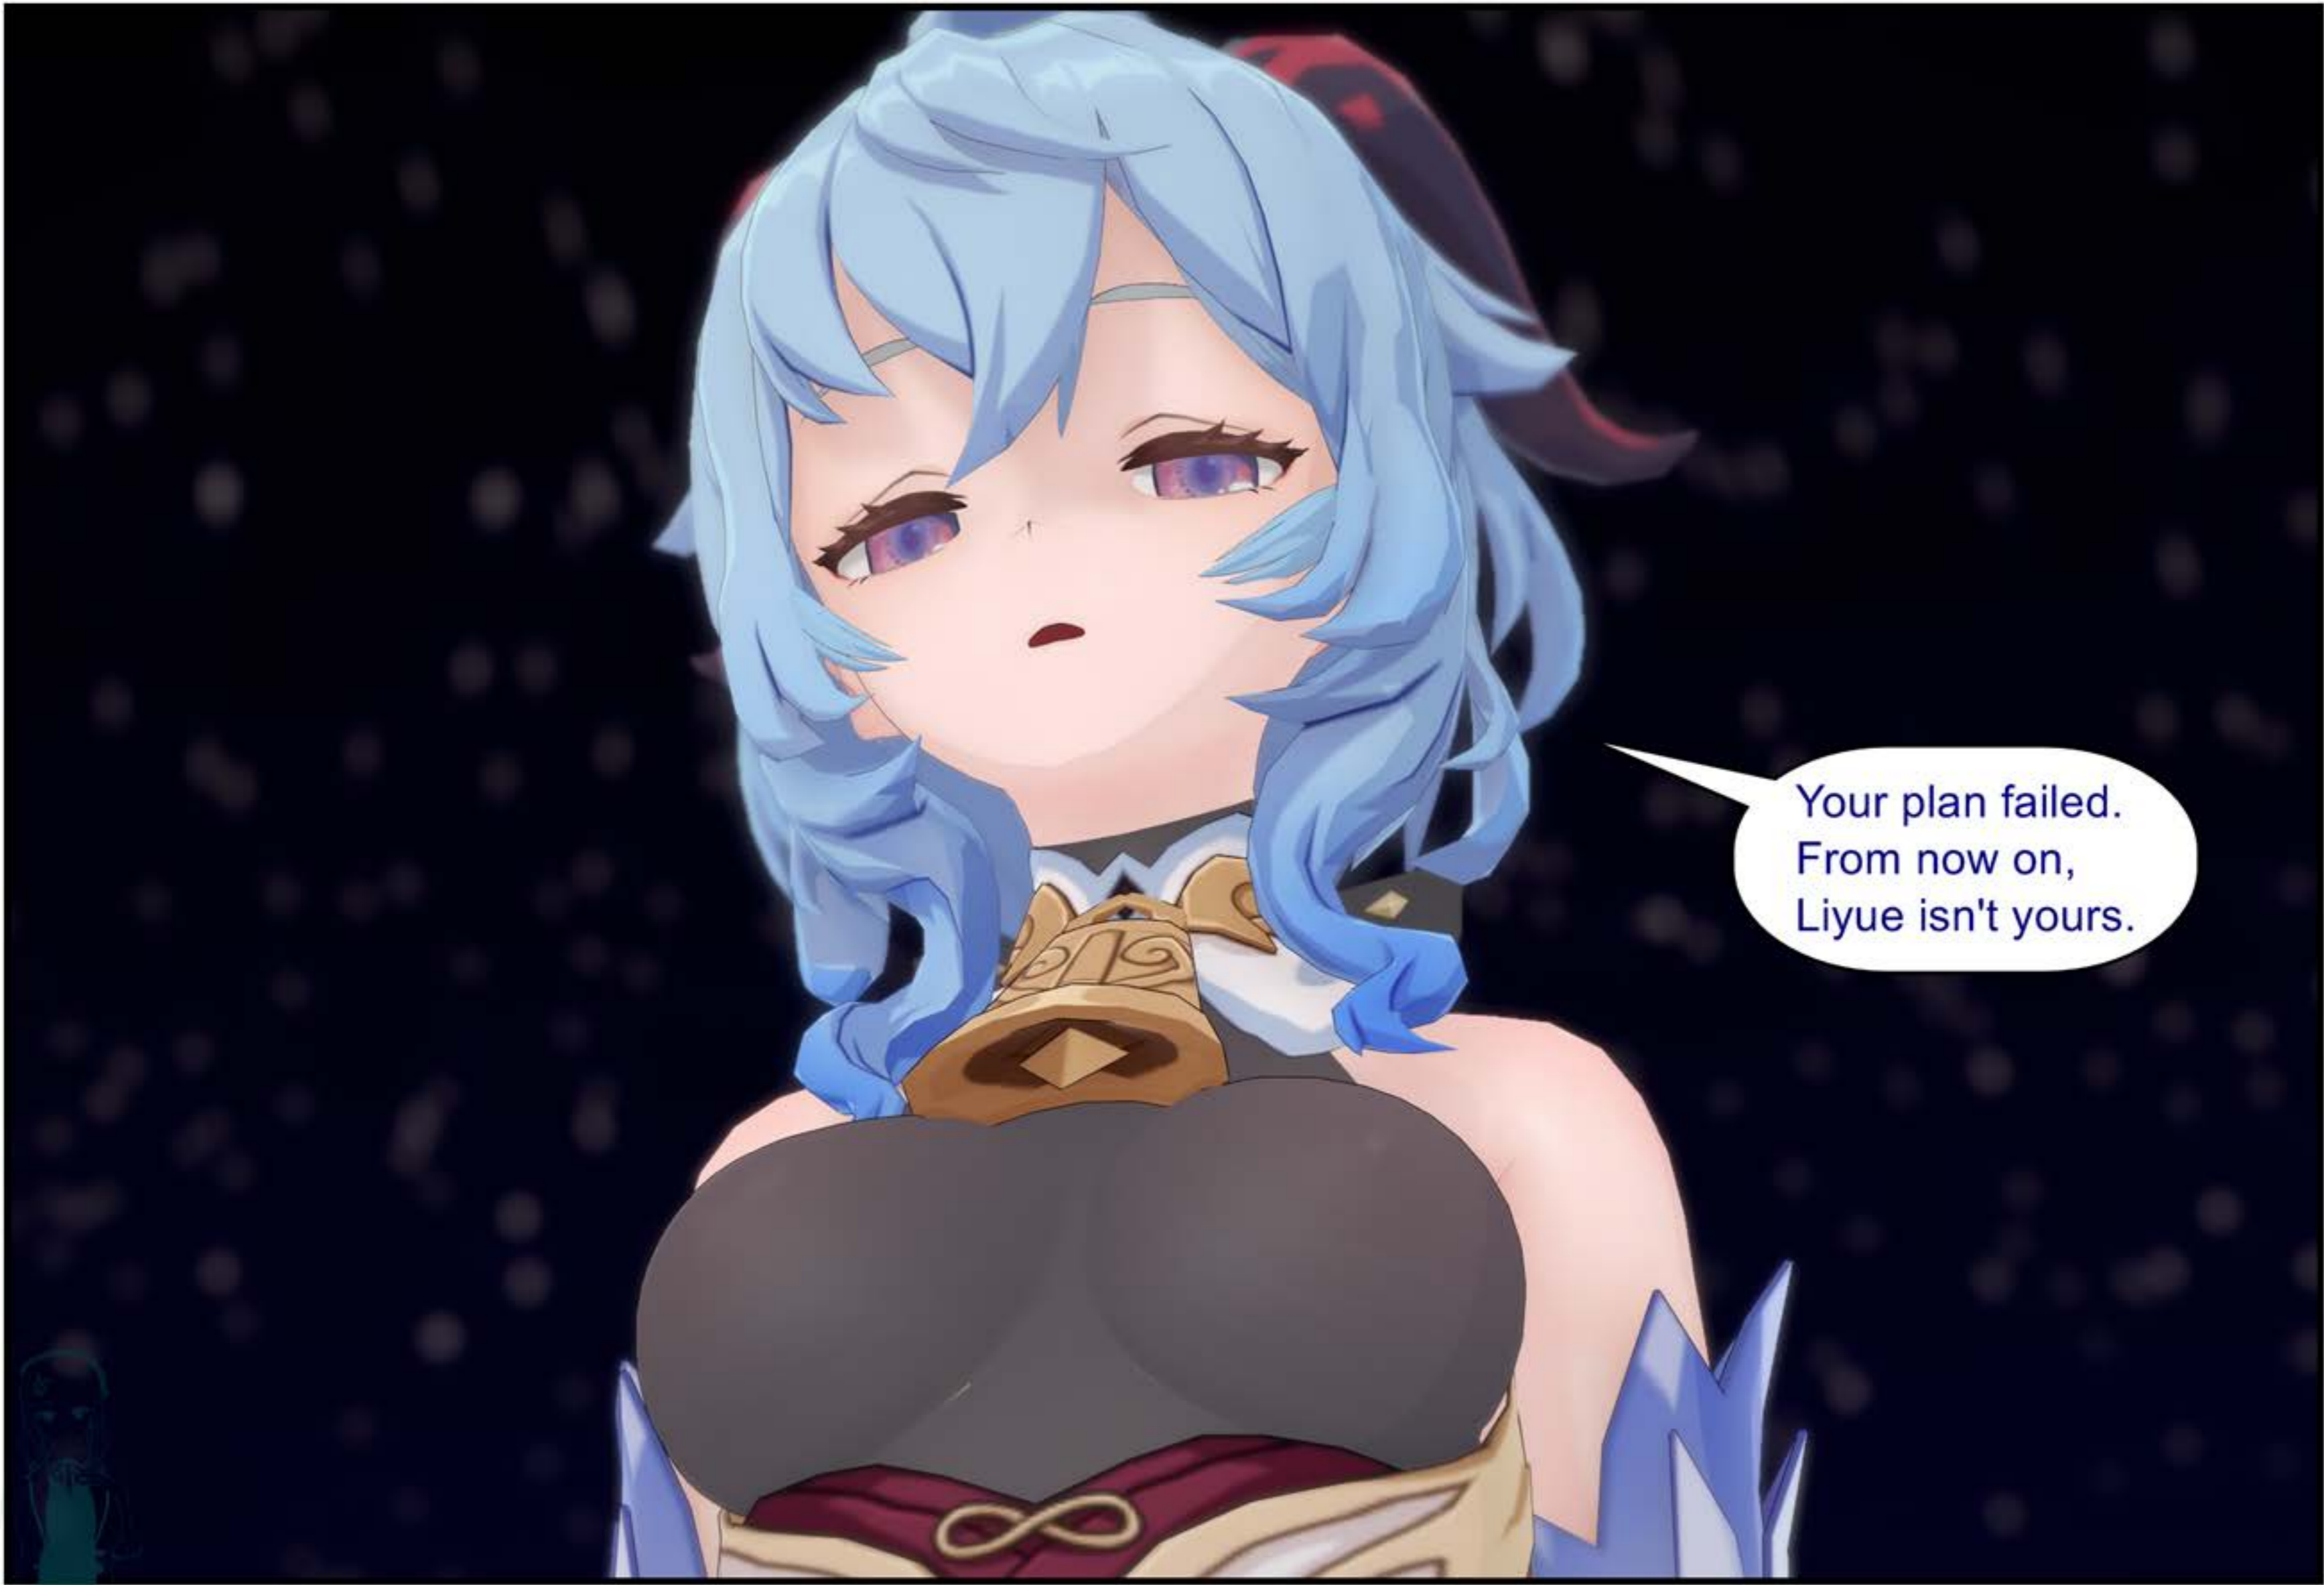

Ganyu..? What are you..

Know your place,
Ningguang.

Your plan failed.
From now on,
Liyue isn't yours.

Of course, in
case you resist..

I have many..
many thoughts..

..That I can burn
the whole country
to the ground.

Serve me or
watch it burn..

As a Tianquan of
Liyue Qixing..

..I would rather
to see you burn,
Demon.

Very well then..

Feels good,
huh, Ningguang?

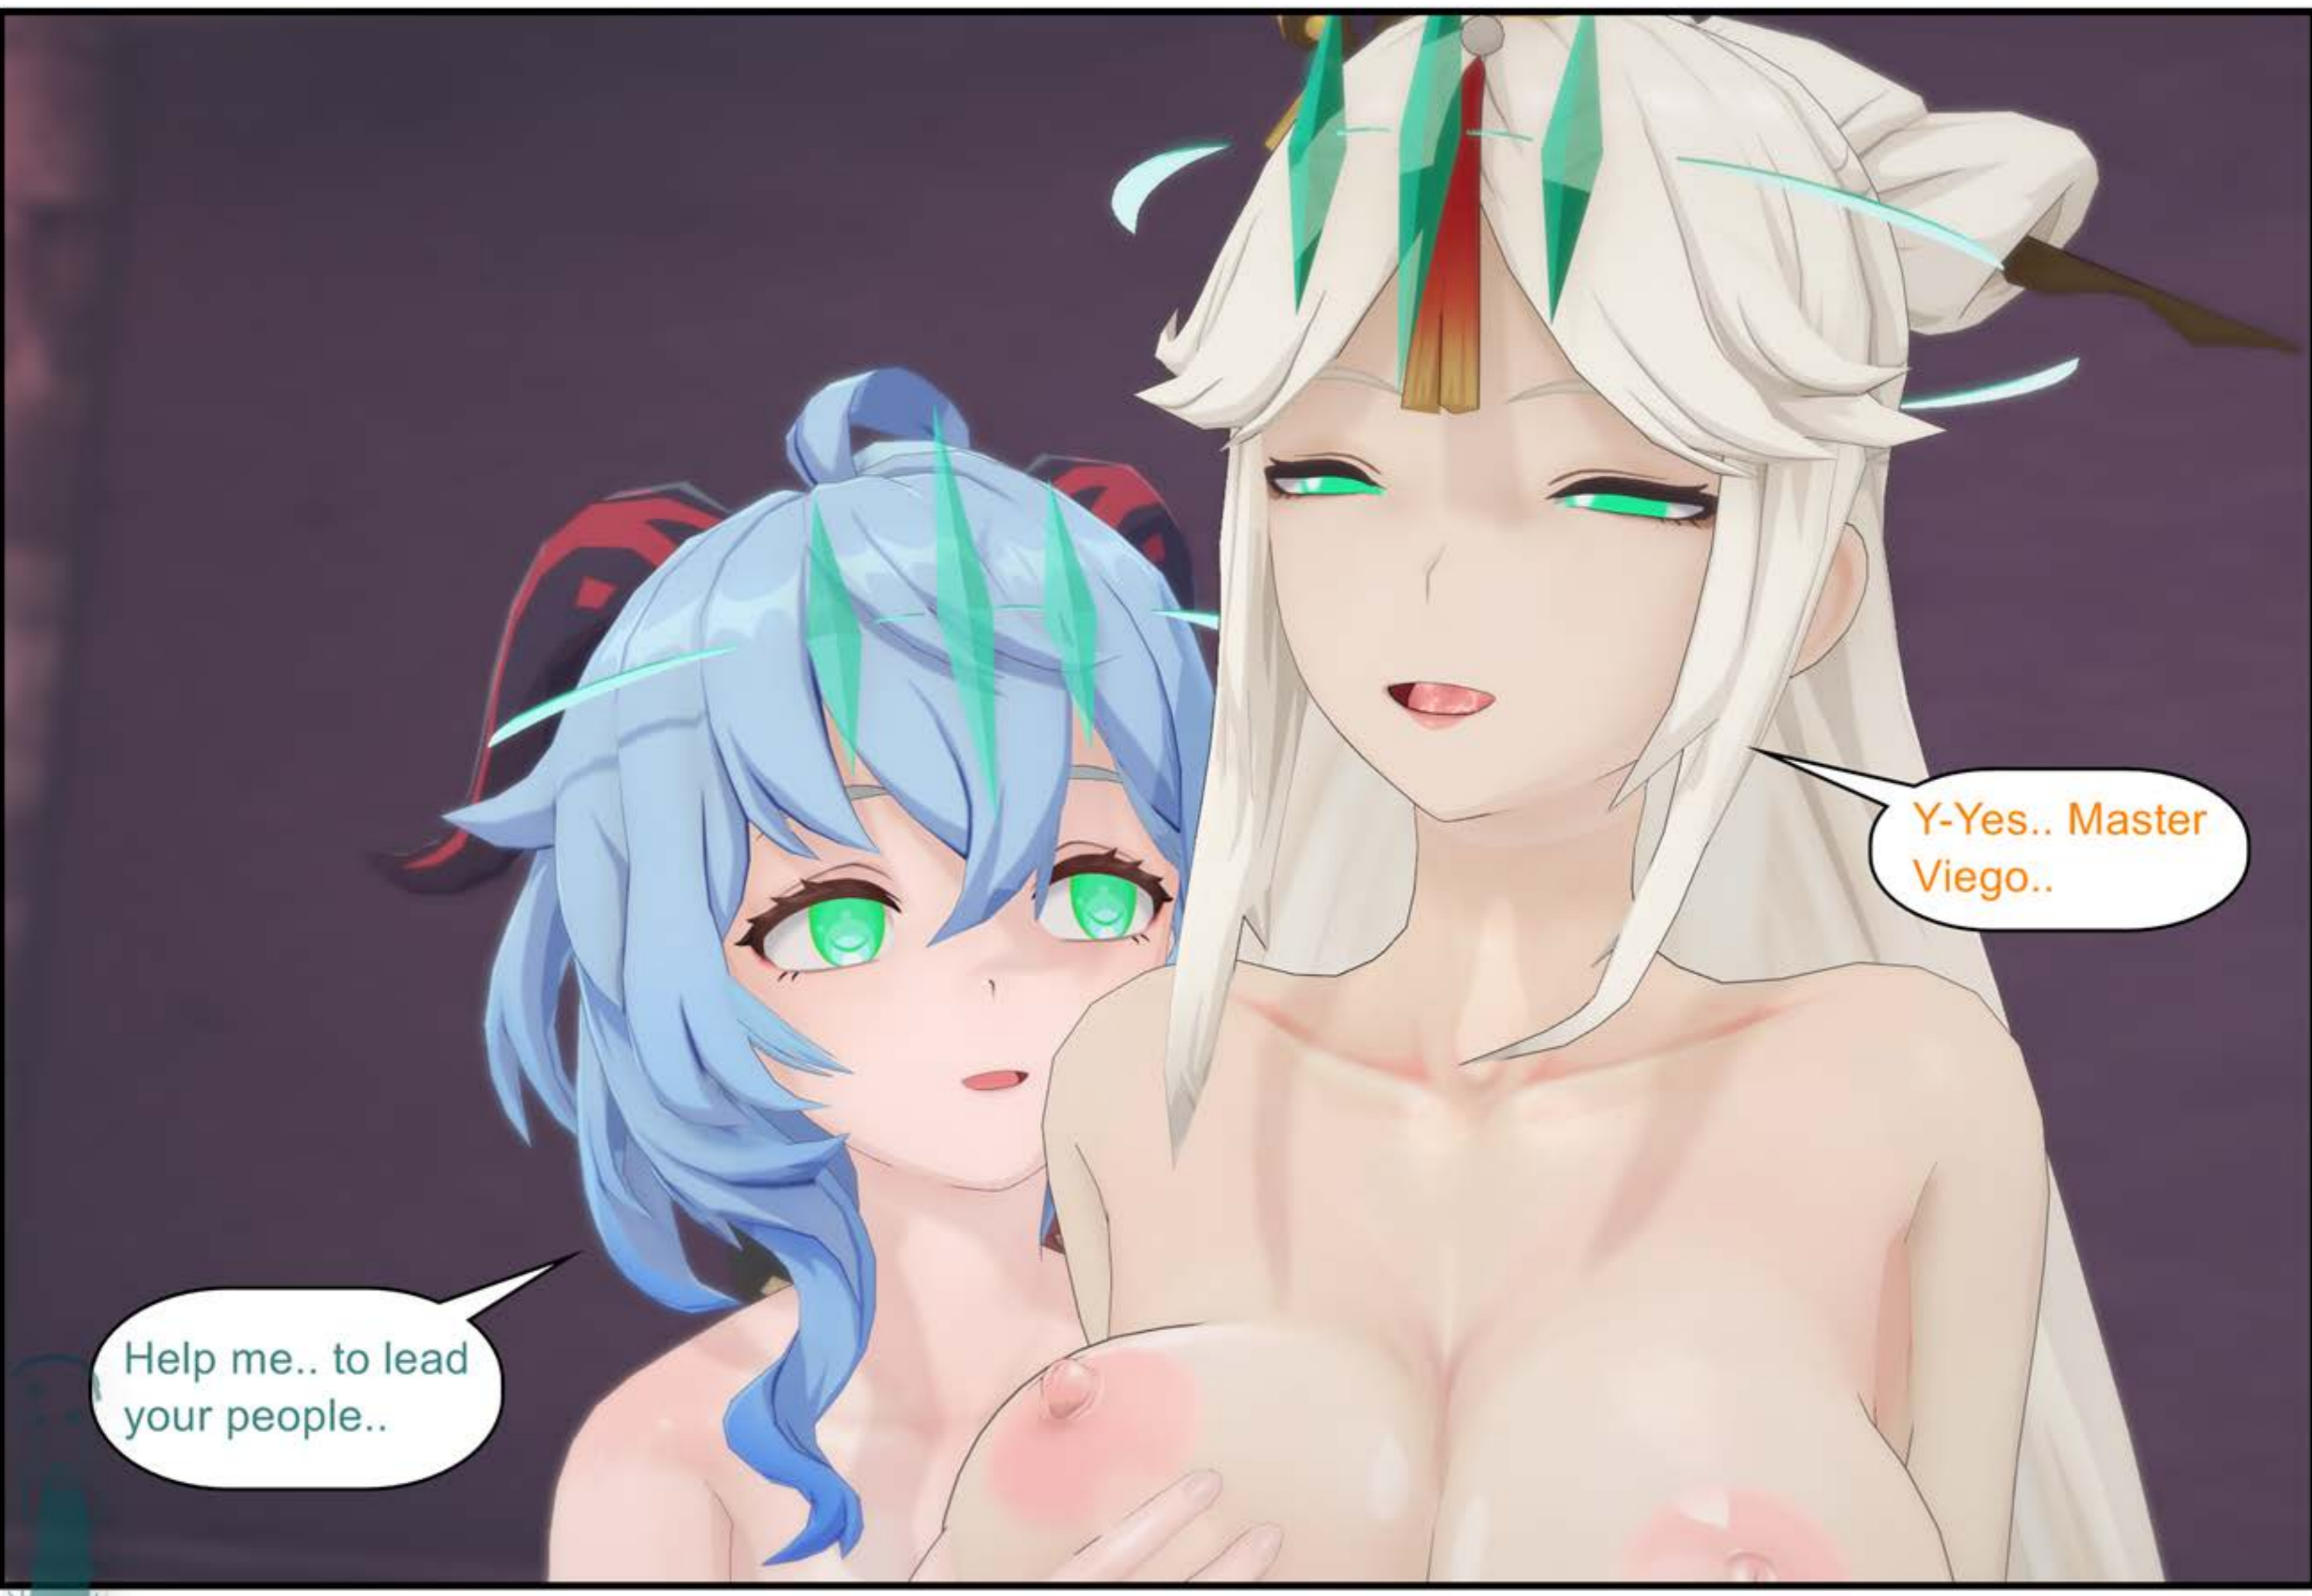

Oh, you will.

I won't.. obey
to you..

Help me.. to lead
your people..

Y-Yes.. Master
Viego..

Is this.. even
real, Shenhe?

At this rate..
Liyue would be..

I suppose so..
Both Ningguang,
Keqing, Ganyu..

Then what can we do now?

Of course, by front door.

To be continued?
