Then... how did you prevent it from happening? because, trust me, you don't look concerned -at all- when we're "slamming the ham"...

Al is sitting sideways on the couch. Arms forward and up, palms up, looking at Fel with a "cmon you never noticed my effort?!" face going on. Fel is on the foreground, but keep the attention on Al's body expression.

AL:

What are you talking about!? I always wear condoms! We spend -a lot of money- every month on those you know?--

Wou wou wou, wait a second, are you saying that-- CONDOMS PREVENT BABIES?

AL:

Y...yes? They also prevent some sexual transmitted diseases... What else could they do?

## FRAME 4

Fel has a shameful but disappointed face, Al is just disappointed, head deep between his shoulders. Feet on the table.

FEL:

I thought they were {tiny penis
