# Notes from the artist

Thank you for reading!

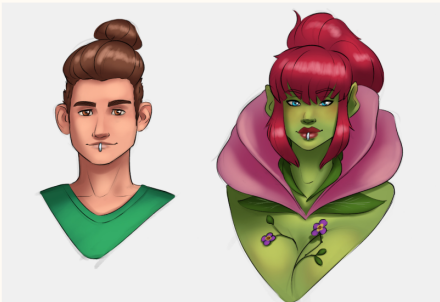

This comic was made to celebrate the 5-year anniversary of the #MarchNeedsMoms fad and as part of that anniversary 100% of the profits made during March 2022 will be donated in aid to Stonewall UK.\*

It means a lot to me personally to make this comic and to support LGBTQ activism across the globe. If you feel inclined to, I would also urge you to do anything within your means to continue our fight for trans rights where you live or elsewhere.

I also want to thank my friends Penny, Riley, Galli, Dee, and Hope for proof-reading this comic and a special thanks to Stonewall UK for their work!

Thanks to WrenZephyr2 for this awesome pinup!
