### MASK OF THE FLOATING HORROR

Wondrous Item, uncommon  
(requires attunement by a Creature of Evil Alignment)

This magical wooden mask has the face of a clown with a twisted smile on its face and a gleaming ruby stone on its forehead.

As a bonus action, you can expend a charge of this mask and look to a creature within 60 feet of you to awaken its deepest fears. A construct or an undead is immune to this effect. The target must succeed on a DC13 Wisdom saving throw or become frightened of you for 1 minute. The frightened target can repeat the saving throw at the end of each of its turns, ending the effect on itself on a success.

**As long as at least one creature within 60 feet is frightened of you, you gain a +1 bonus to attack and damage rolls.**

This mask has three charges and regains all its uses every day at dusk.
