Find yourself watching more closely as you begin to wonder about all of the wonderful things that women experience that you never will as a boring and uncomfortable man.

2. Body

Watch as the projector shows you pictures of beautiful women in bikinis. Stare as you become more and more envious of them naturally having bodies that everybody desires to stare at. Look down at how disgusting and hairy and masculine your own body is. Think about how much happier and more confident you would be if you could slowly change your body into the body of attractive and popular and fuckable girls on the screen in front of you.

3. Clothing

Look at pictures of elegant and fashionable women. Become envious of the beautiful and sexy and fashionable clothing that women are allowed to wear without judgment from the world around them. 4. Makeup

Watch a beautiful woman apply makeup in order to make herself even more attractive to the world around her. Become jealous that you can never put makeup on your face as a man without having to deal with the uncomfortable stares from the people around you. Find yourself wishing that you had big, kissable lips and adorable perky dimples and a cute jaw like woman in front of you instead of the gross masculine face that you were born with.

5. Emotions

See a woman who is able to express her joy and sadness and emotions in public without being judged. Know that as a man, you can never be carefree enough to be yourself without being made fun of and ridiculed by the people around you.

6. **Friendships (Slut Exclusive)**

A woman can be close friends with another woman without having the relationship considered creepy or sexual. Learn as you are shown all of the fun and kinky things that women love doing together, that you could never hope to do as an untrustworthy man.

7. **Fucking (Slut Exclusive)**

A woman does not have to worry whenever she is in the bedroom. All she needs to be worried about is looking sexy and fuckable to those that desire to use her. Find yourself wishing that you could be fucked in all of the same ways that a woman is fucked, and come to realize that taking charge of any situation in the bedroom is completely gross and masculine and inappropriate for the girl that you desperately desire to become.

8. **Light**

The projector turns off and the lights come on, leaving you thinking about all of the pleasurable and arousing experiences women have each and every day that you will never be able to have as a man. Find yourself transforming your life completely so that you can more perfectly experience every euphoric aspect of being a beautiful and seductive woman.
