Toka..

A 3D-rendered office desk in a dimly lit room. On the desk, there is a computer monitor displaying a grid of data, a keyboard, a mouse, a pen holder with several pens, and a small orange fox-shaped object. A calendar is mounted on the wall to the right, showing dates from 1 to 30. A green plant is visible on the far right. A speech bubble is positioned on the left side of the desk.

..everyone..  
\*sob\*..

Director Katanashi..

That's right.. I need  
to find her.. But..

Did I.. do something wrong?

"Myself before was a countryside girl."

A person is sitting on a wooden bench, wearing a white long-sleeved shirt and light blue pants. Their legs are crossed at the ankles. To their right is a large, pink, multi-compartment suitcase with black straps and handles. A pink smartphone lies on the wooden surface of the bench in front of them. The background shows a green lawn and a brick wall. A speech bubble is positioned above the person's head.

"I came to city with  
a hope of changing  
life, and helping my  
parents at home."

"But.. everything was so expensive.. and I was unplemployed.."

Satoh? Are you doing alright?

I'm doing alright, Mom. I just got applied in a company!

"Not much money left, nowhere to stay, but whenever my Mom call.."

I will sure to be successful, so don't worry too much, Mom.

"I lied.. and lied.. over and over again with her."

Come home.. if you  
feel it's hard, alright?

"Somehow.. or  
maybe.. she knew  
that I was lying."

I know. It's late, and  
I have works tomorrow.  
Love you, Mom.

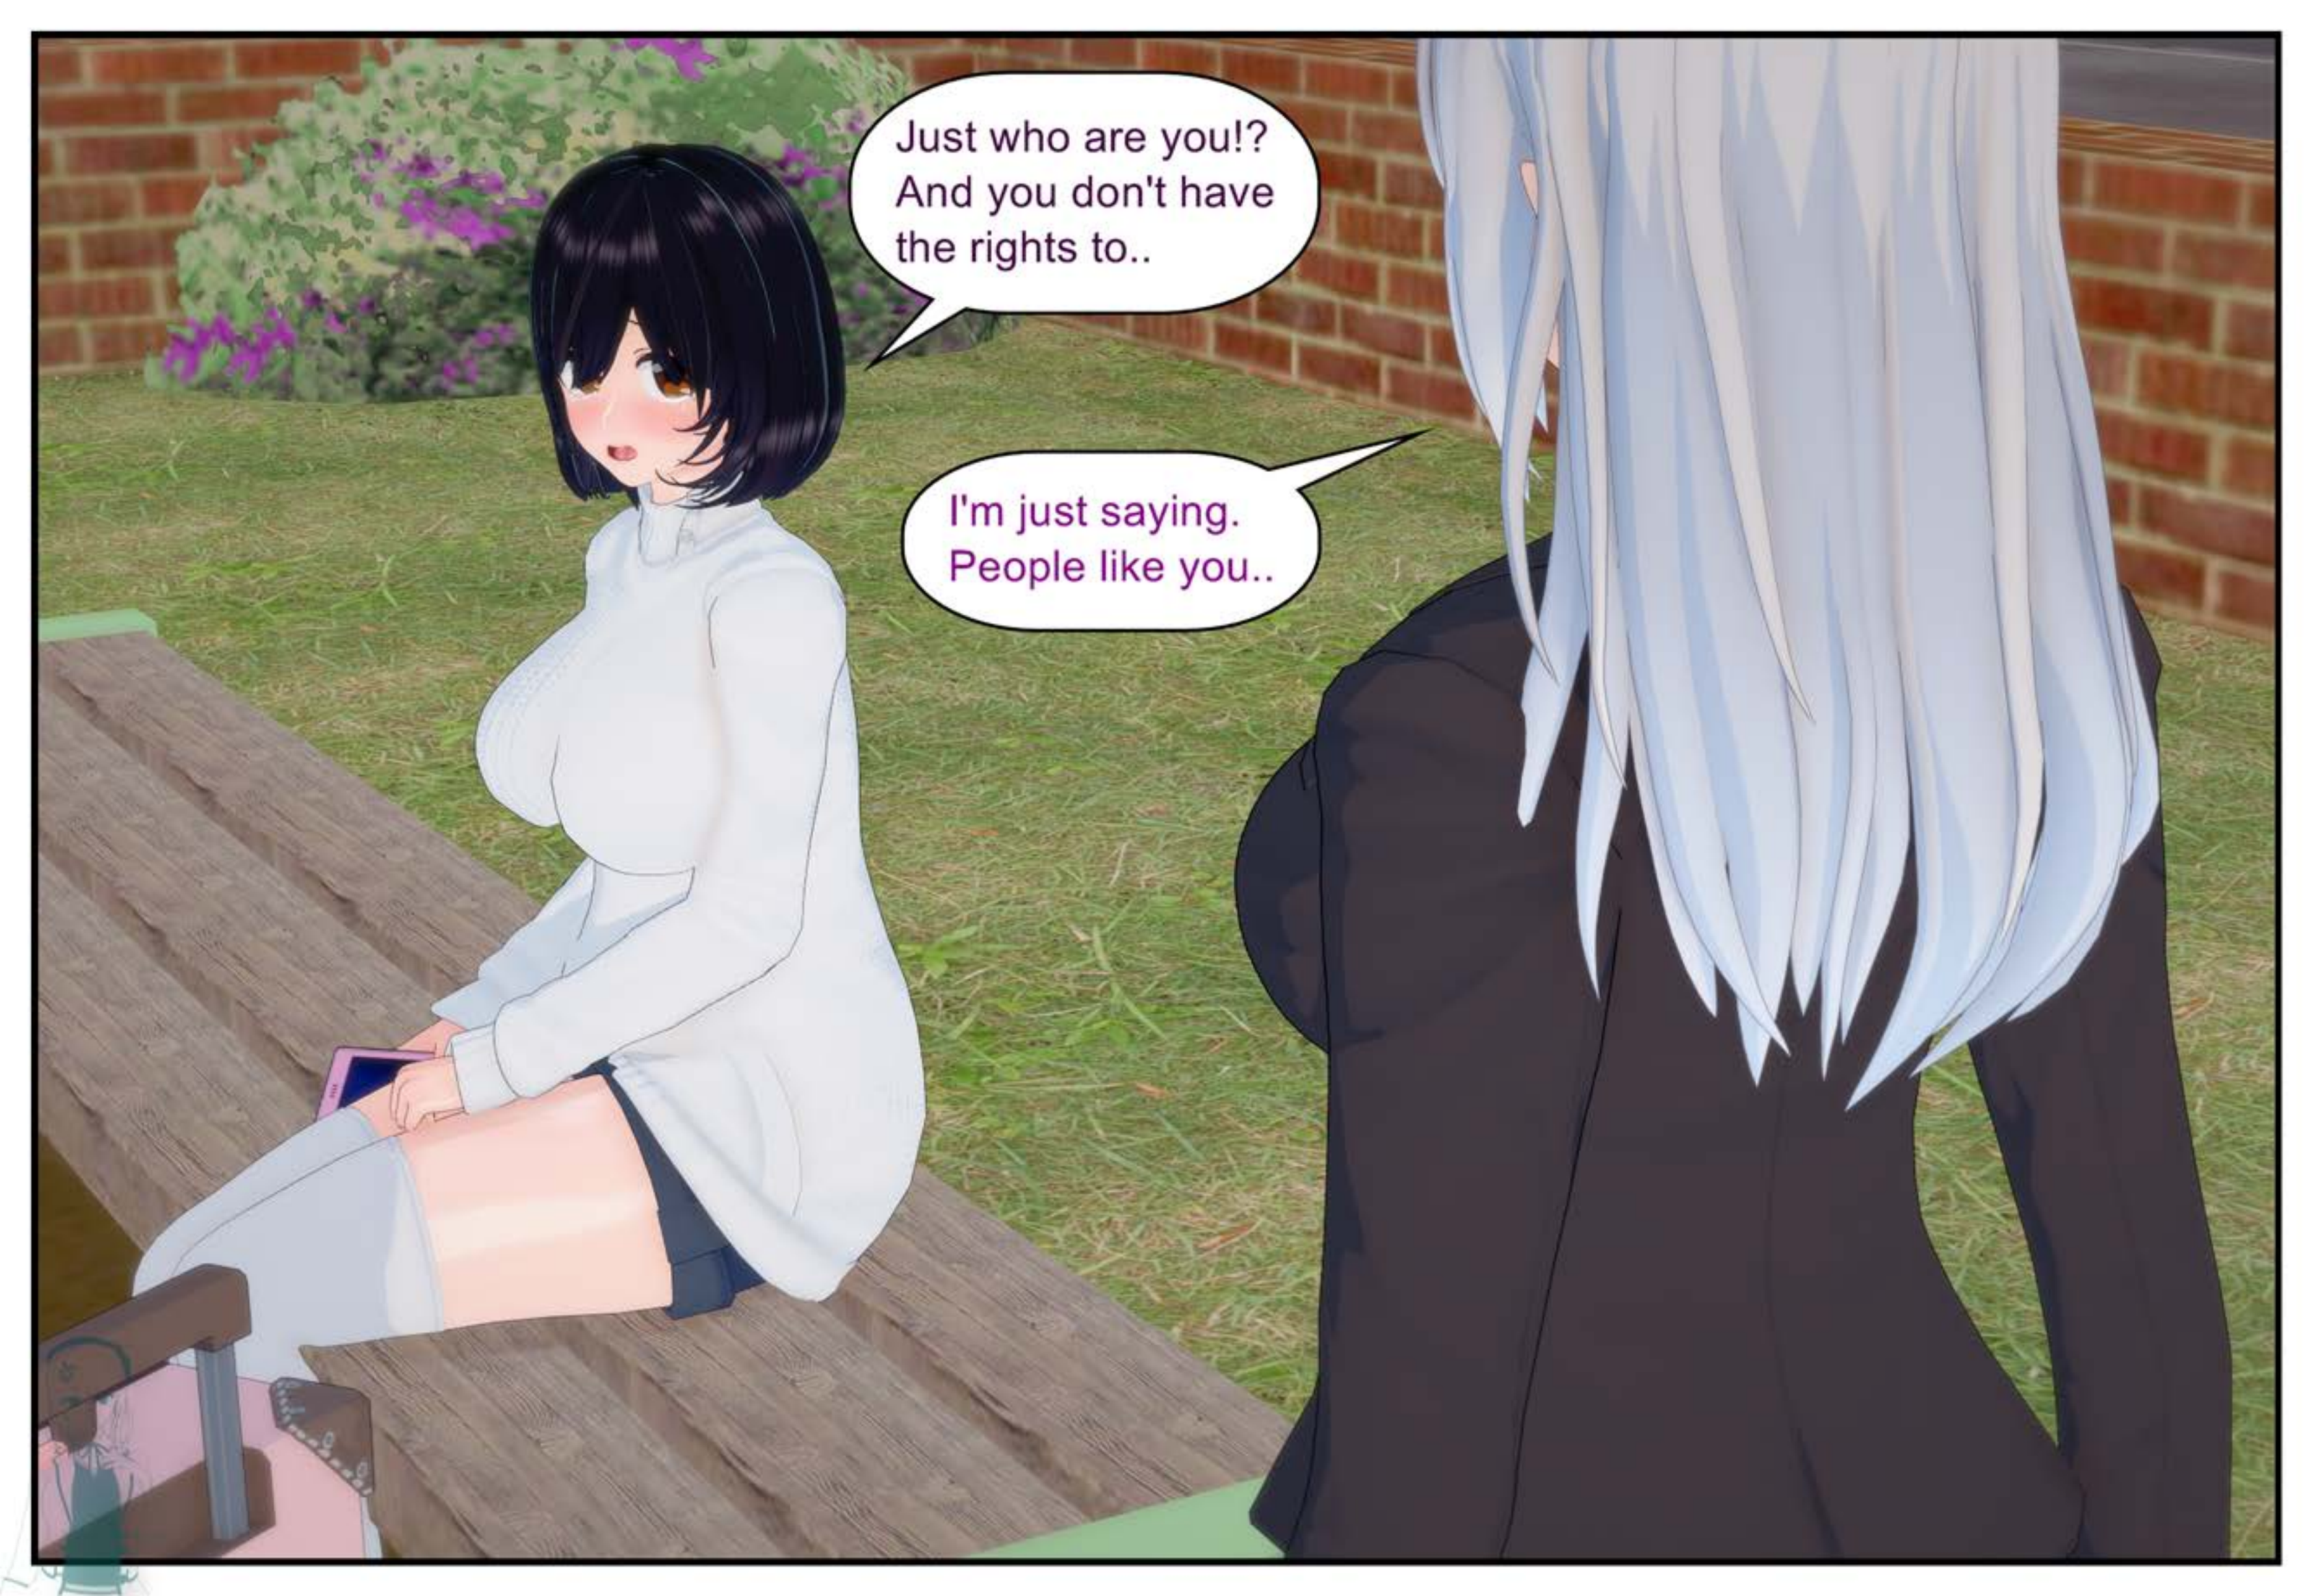

Typical people  
from countryside.

Stop lying and  
face the truth.

Just who are you!?  
And you don't have  
the rights to..

I'm just saying.  
People like you..

..this city can be very cruel with them.

I know.. I know!  
No place for loser!

Look like you haven't had anything in stomach today?

There's a convenience store nearby, come if you want.

Uhm..

Melon bread.. never  
been this delicious..

Are you looking for a job, correct?

No place.. accept  
my application..  
all rejected..

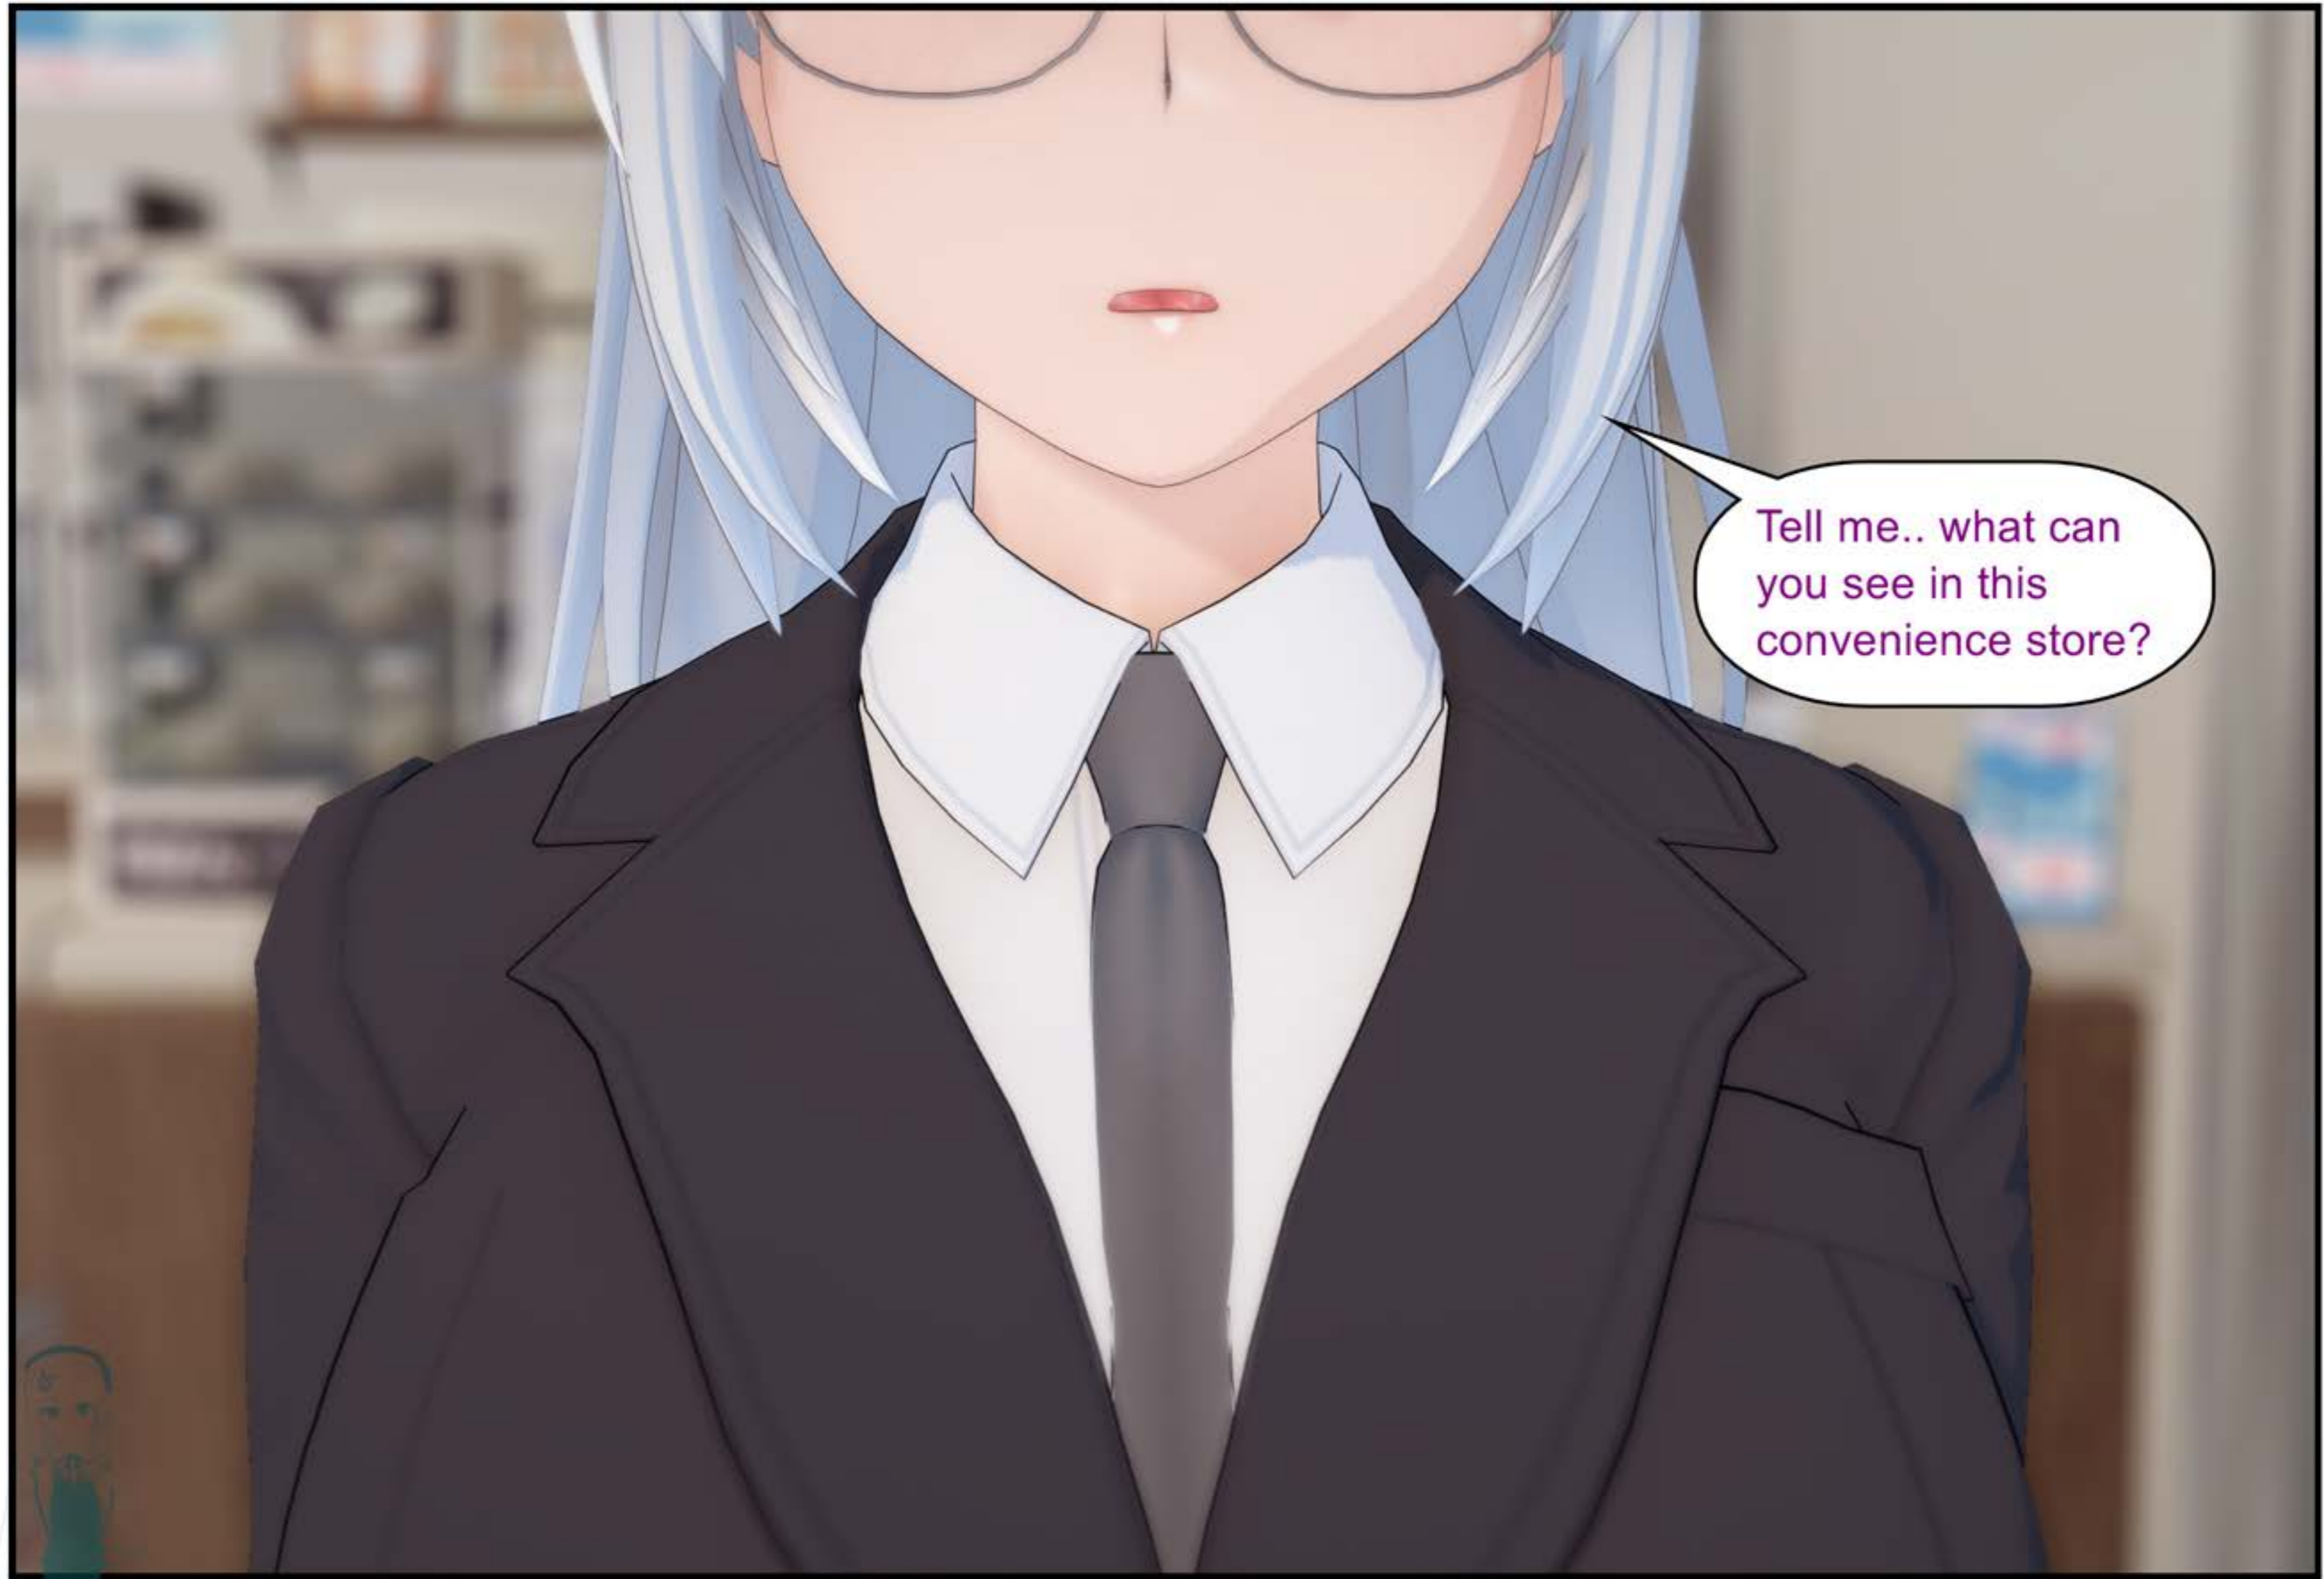

Am I truly..  
useless!?

Tell me.. what can you see in this convenience store?

Uh.. Uhm.. I can see that this store only specialize in melon bread.

And they don't have new type of the same product, here is bread.

If the store just keep focus only on melon bread, people will get bored very soon.

That's why.. with the current sale of this successful product..

The store should invest in a new and make variety of other bread products!

Not quite right,  
but it make sense.

Stay at my place  
tonight, and follow  
me tomorrow.

W-What do you mean..? Uhm..  
Can I stay..

I-I'm coming!

Are you coming or not?

"Sometimes..  
opportunity come."

My name is.. Satoh..  
I'm new here.. It's  
nice.. to meet you.

Then, you will  
work in Business  
Research..

Welcome and  
make yourself  
comfortable!

"This.. feels like.. my second home. Warm and friendly."

Hey! I have a new kouhai! Welcome you!

Don't mind her, Sachoh. She's a bit energetic.

Everyone is  
hypnotized..  
Even Toka..

And you are blaming yourself for that?

I could do something.. if I have more strength!

Then stop. And  
also, I apologise  
for slapping you.

N-No.. It because..  
I said something  
wrong to you..

Right now, we  
need to put a stop  
to this.

Yes, do you have any plan?

Let's go looking for help from outside.

W-Why..?

D-Director..  
Katanashi?

You are coming  
with me.

D-Director!?

No!! Let me  
go.. Stop!!  
Kyyyaaaaa!!!!

T-This is..

"Toka..!?"

"Kaori..  
and Miru..!?"

Director..  
Katanashi..

You didn't expect it, right?

That we would  
get the last rat  
cornered.

Well, I failed to hypnotized you once, but I got Toka instead.

A big and dirty  
mouth she is..

Soon, I will have  
this office in my  
total control!

Just do it  
already.

Heh, don't have  
to remind me.

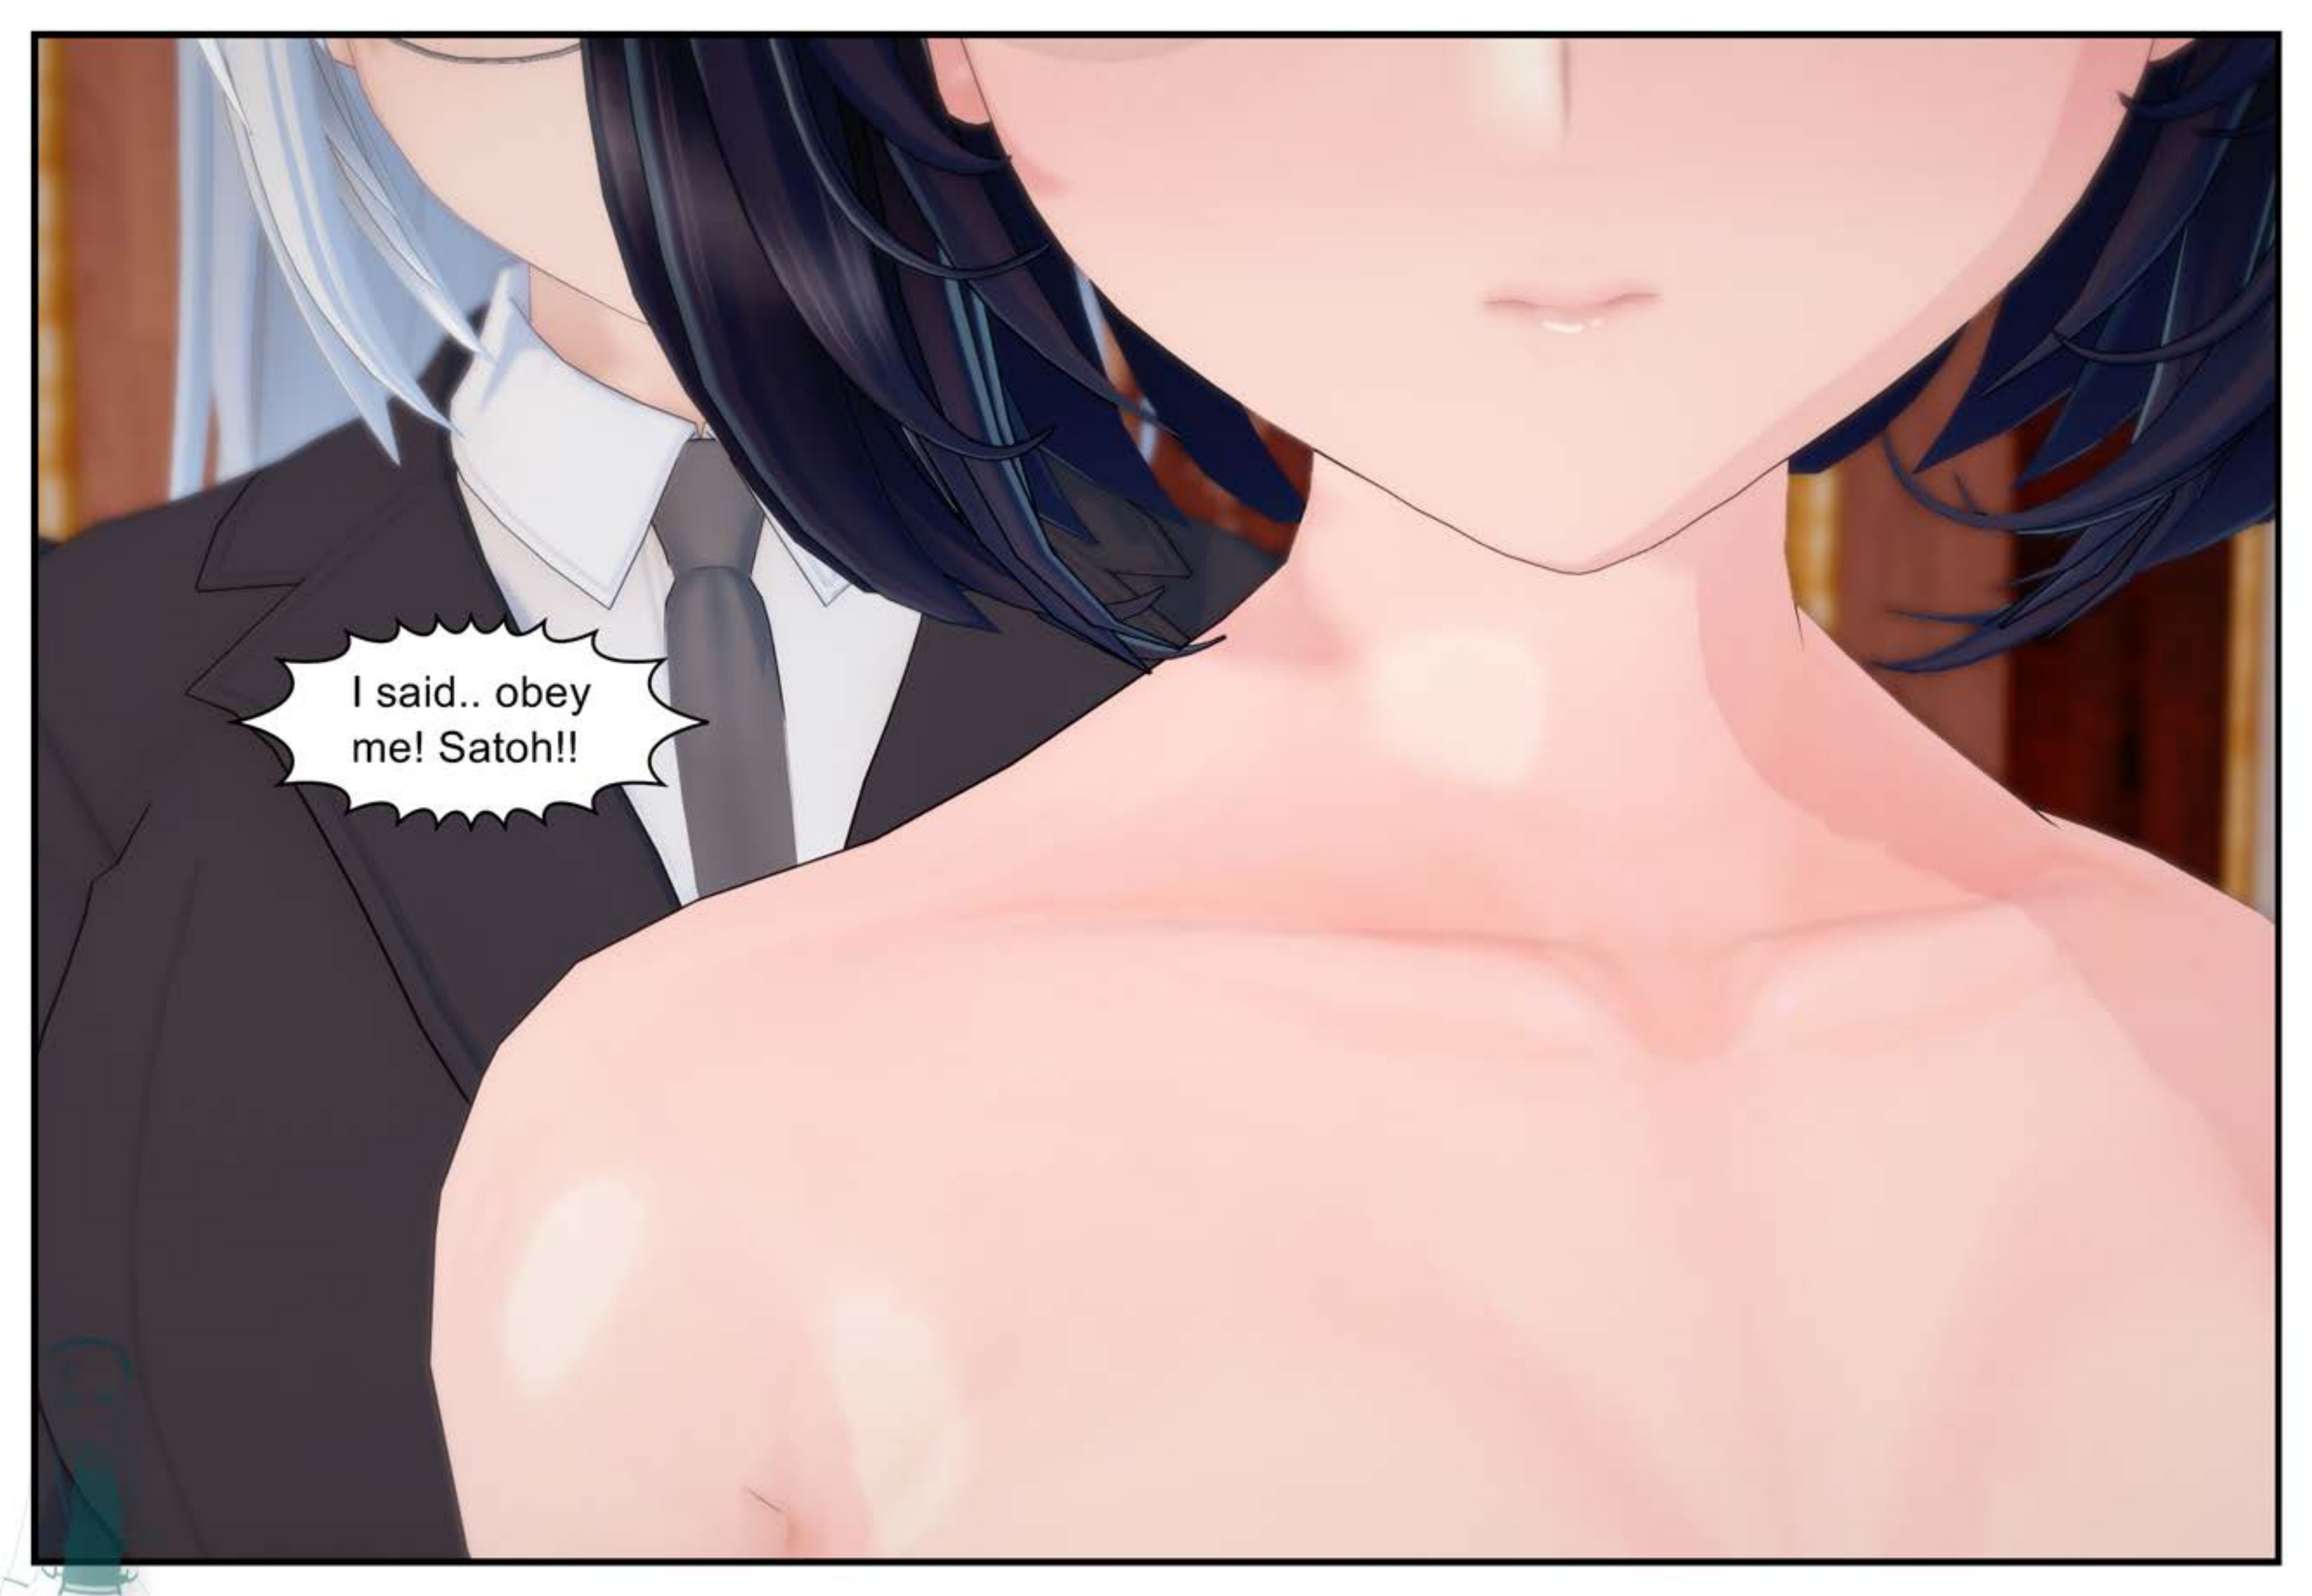

Obey me!  
Satoh!

I said.. obey  
me! Satoh!!

H-How come..!?  
Y-You.. bite your  
tongue..!!??

M-My technology..  
No way anyone could..

Damn you!  
What are you..

We are not only  
friends or partner..

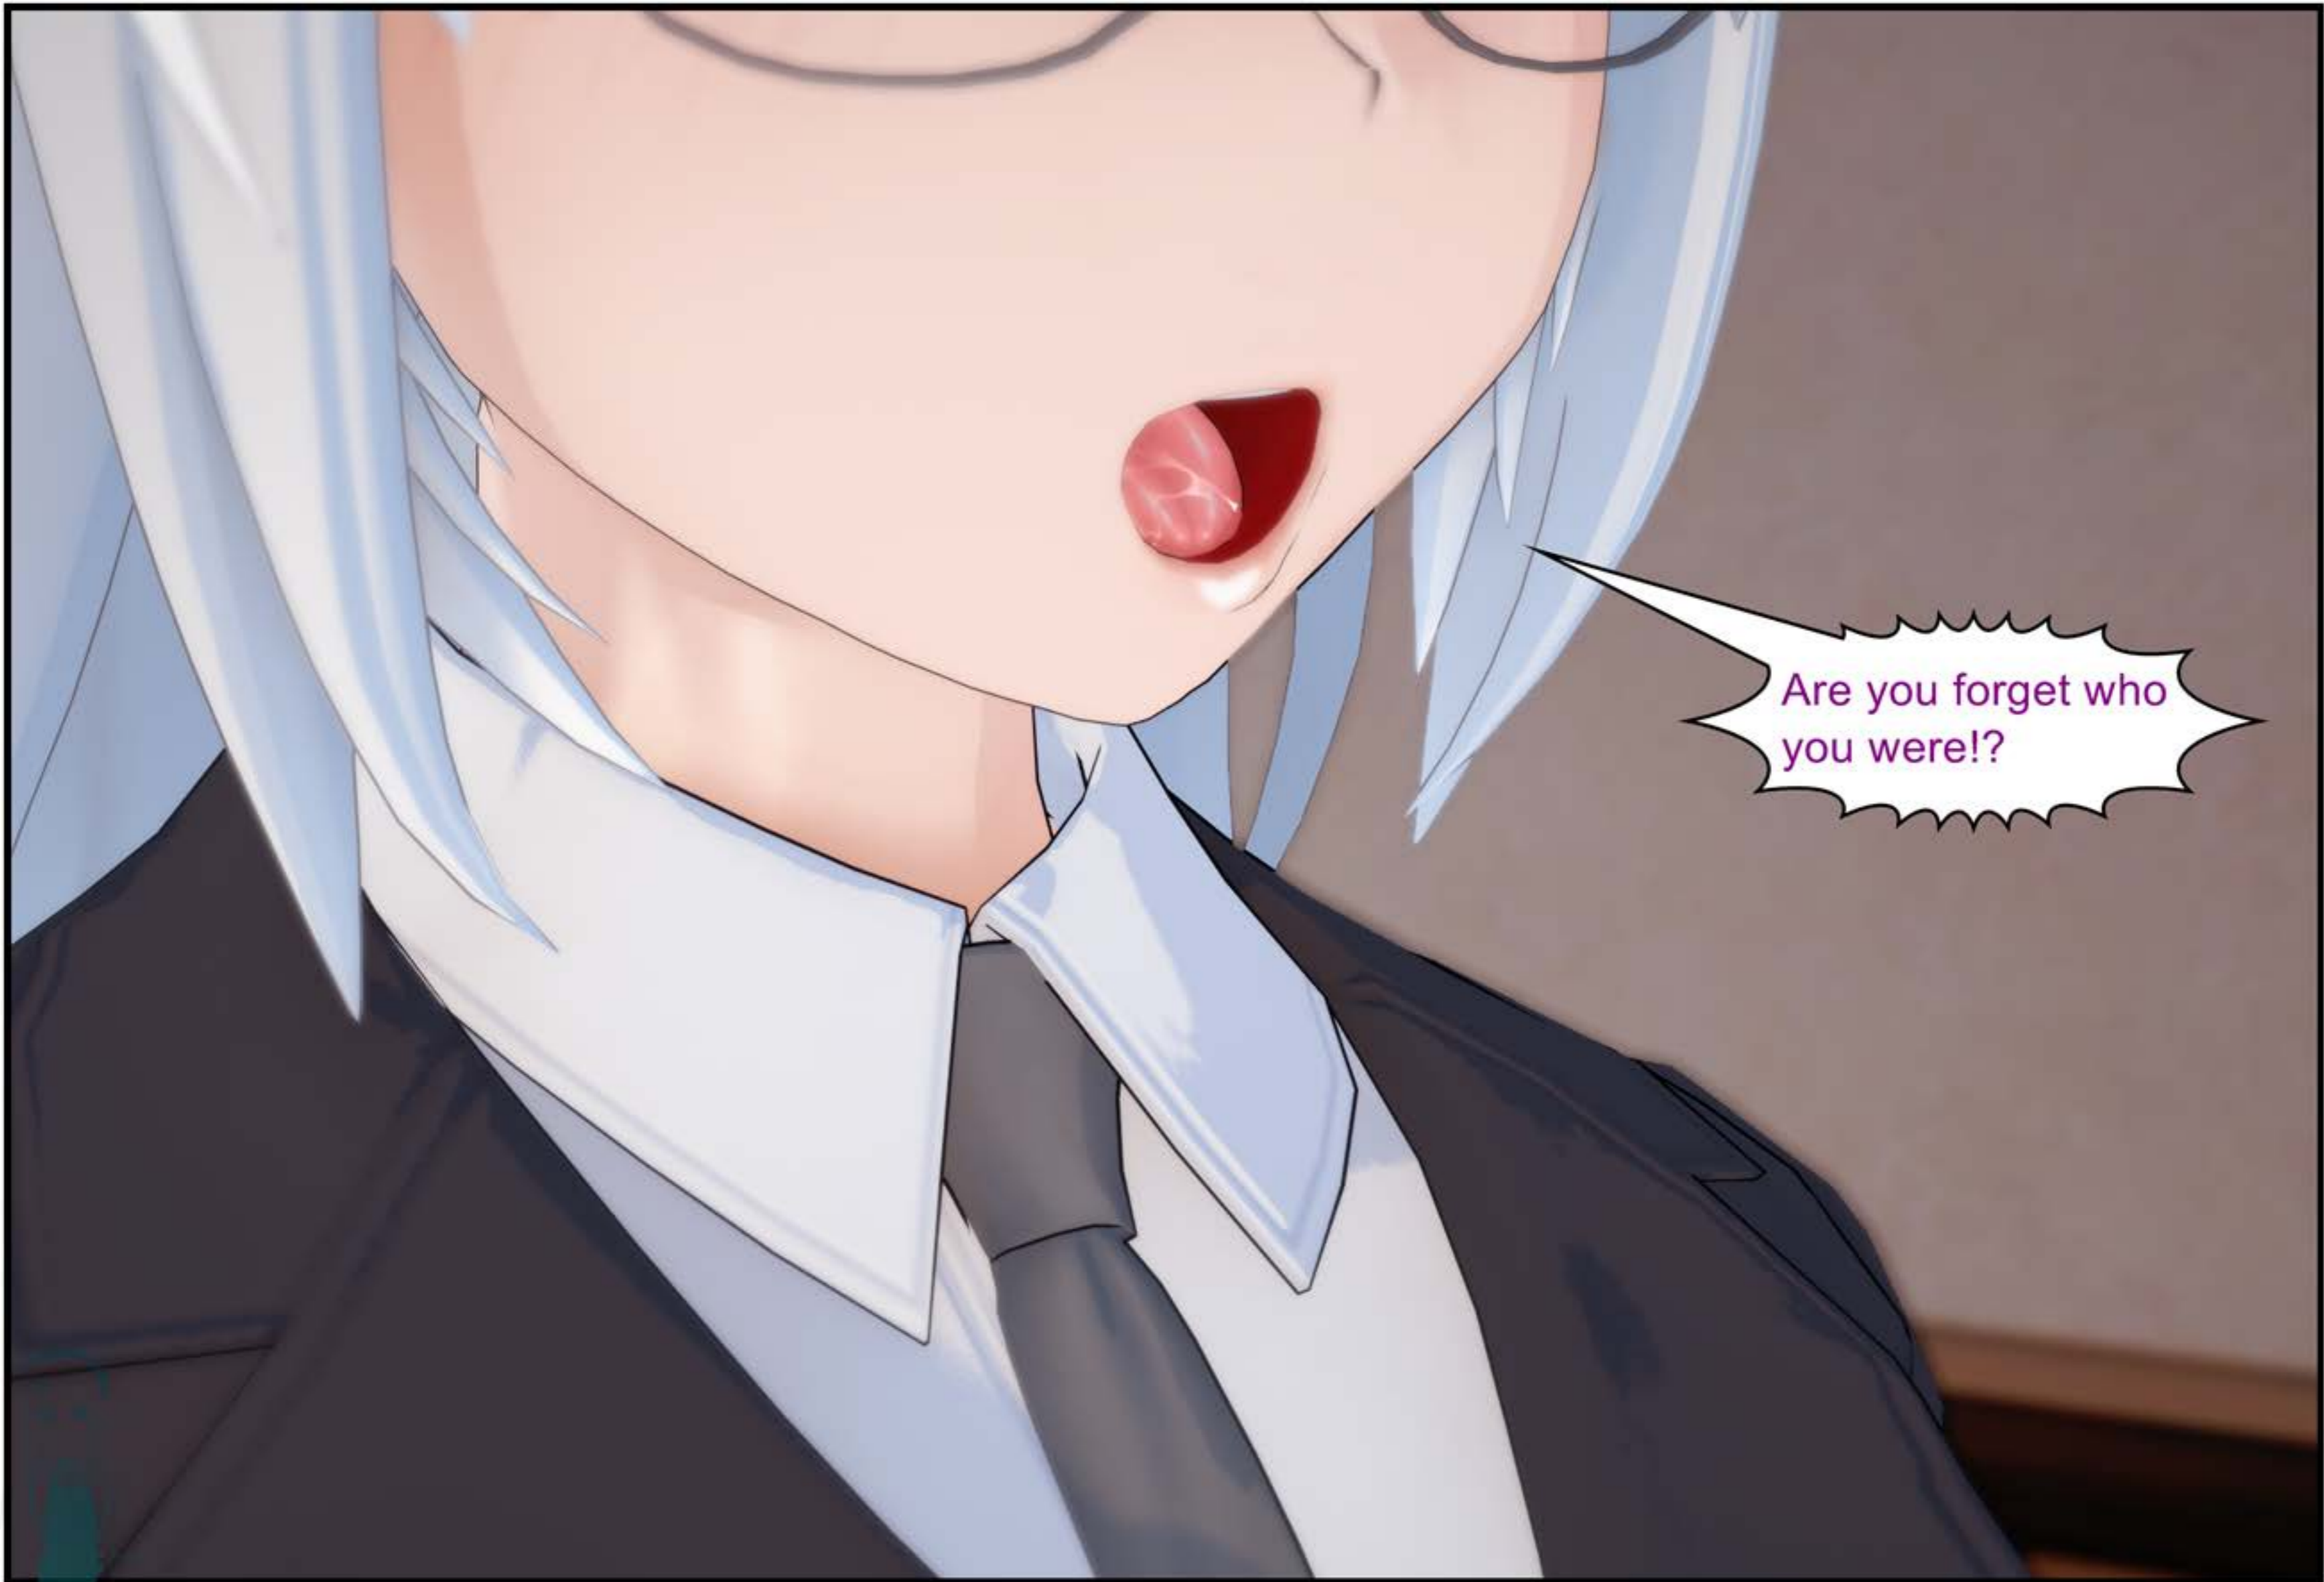

B-Bullsh\*t!! Get them for me!

Are you forget who  
you were!?

Remember the time  
and memories we  
had! Don't let this  
scum bag control us!

Remember who  
you were!

Kaori! Miru! You are my first ever employees!

You always hate each other, but a great pair when come to works!

Hah.. Wha!?  
You talked like  
we are couple!

Hey, I'm your and  
only secretary,  
Director!

Toka! Remember when we first met at the bar, where you work as a waitress!

Don't listen to them, Toka!

You said that job wasn't for you and come join me instead!

How could I forget..  
the time when you  
taught me everything?

Well, you did it,  
Satoh. Congrats.

N-No.. It's broken..

Enough of this  
female discrimination!

We won't fall for that dirty trick of yours again!

Wait!? What about our deal!?

Well, I give up.  
You won.

Whatever it is,  
talk it to the police.

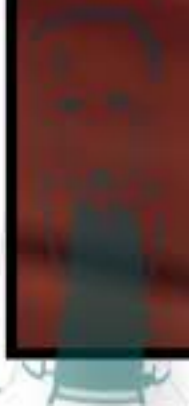

Workplace discrimination,  
uses of illegal tech,  
and abusing.

Several months later..

Yesterday's court  
was intense.. at  
least we won.

Surveillance cameras  
and evidence all over  
the place, that's why.

Satoh, I'm sorry  
for hitting you hard  
while being hypnotized..

It's fine, I'm glad  
things finally over.

We have been given quite amount of money, and were moved to a new company.

All of us..

Will you be our  
Director once more?

Before, I didn't think I could make it this far as an Office Director.

Thanks to everyone,  
we had a great time  
these years.

So.. please allow  
me to be your  
Director Katanashi  
one more time.
