

# THE RECEPTIONIST

As he was thinking about it a family came to check-in. Andy didn't even notice the wife and children, but when he saw the father he almost swoon and his cock immediately got hard. The first thing he noticed was the large, wide, long feet of the Big man wearing flip-flops. It wasn't a secret that Andy was obsessed with Big feet of sexy Dads. Looking up he admired the muscular, solid legs, a nice bulge, a beefy belly and chest. Finally a nice and smiling big face. Andy realized that maybe he was staring a little too much because the Big man winked at him while his wife blabbered things he couldn't understand with a high-pitched voice.

Andy had to work that summer. He found a job in a hotel downtown as a receptionist. It was a shitty job, even more because he continually received photos and videos of Billy fucking Daddies on the beach and Panny, who thanks to his work as a lawn mover was breeding all the sexiest husbands of Dilwood.

I HATE MY FRIENDS!  
Those filthy bastards!

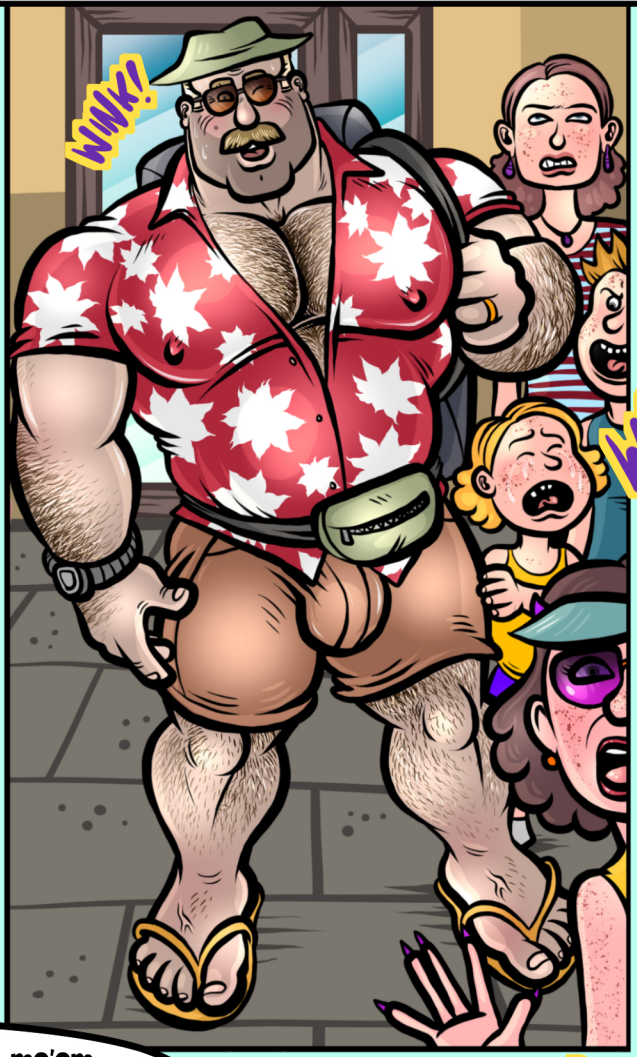

Hey, kid are you listening to me? Look at his hair, John! Did your boss hire you with this punk outfit? I'm shocked!

Leave him alone, Amanda.

Excuse me, ma'am, it's too hot today! I didn't understand what you asked me about the breakfast...

yes, Boy...it's really hot today!

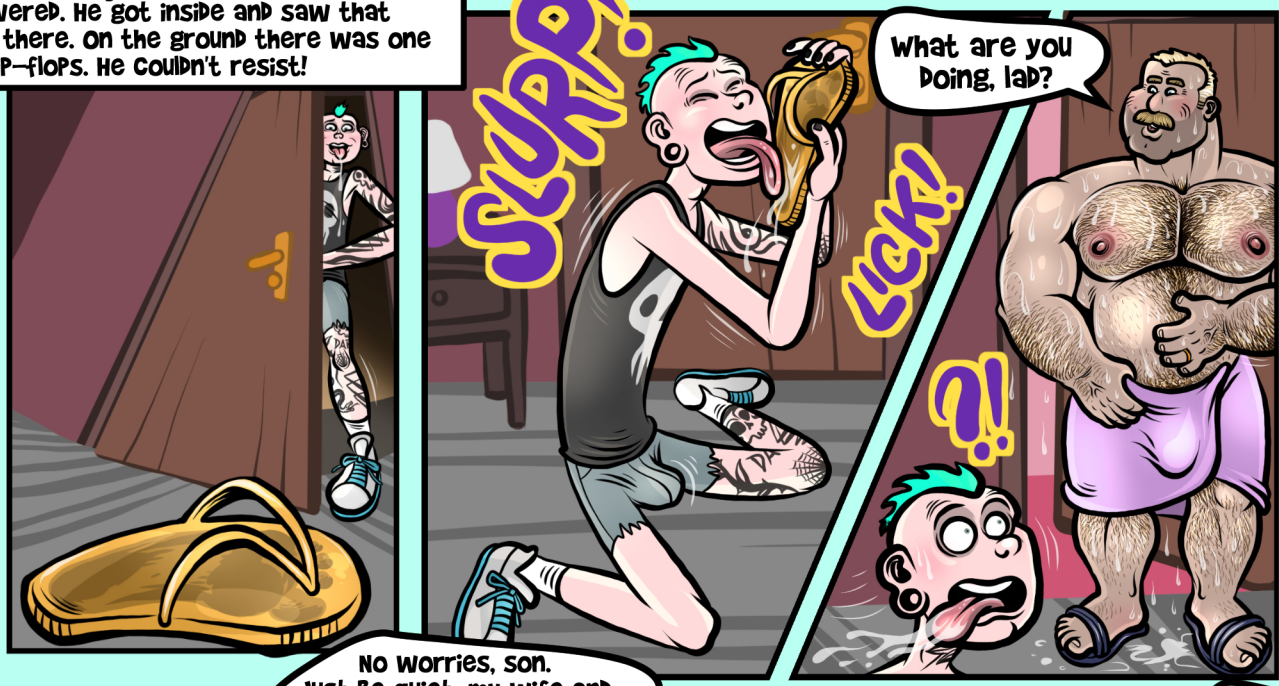

After the check-in, the family went to the room and Andy could admire the Big luscious ass of the Dad.

The next morning Andy saw the annoying wife going to the swimming pool with the Brats. He thought it was a good time to tidy up the room. Surely the hot Daddy had already left. Maybe Andy could find the man's flip-flops and steal them. The room door was ajar, Andy knocked and nobody answered. He got inside and saw that no one was there. On the ground there was one of Daddy's flip-flops. He couldn't resist!

Andy jumped on the floor, licking the flip-flop greedily.

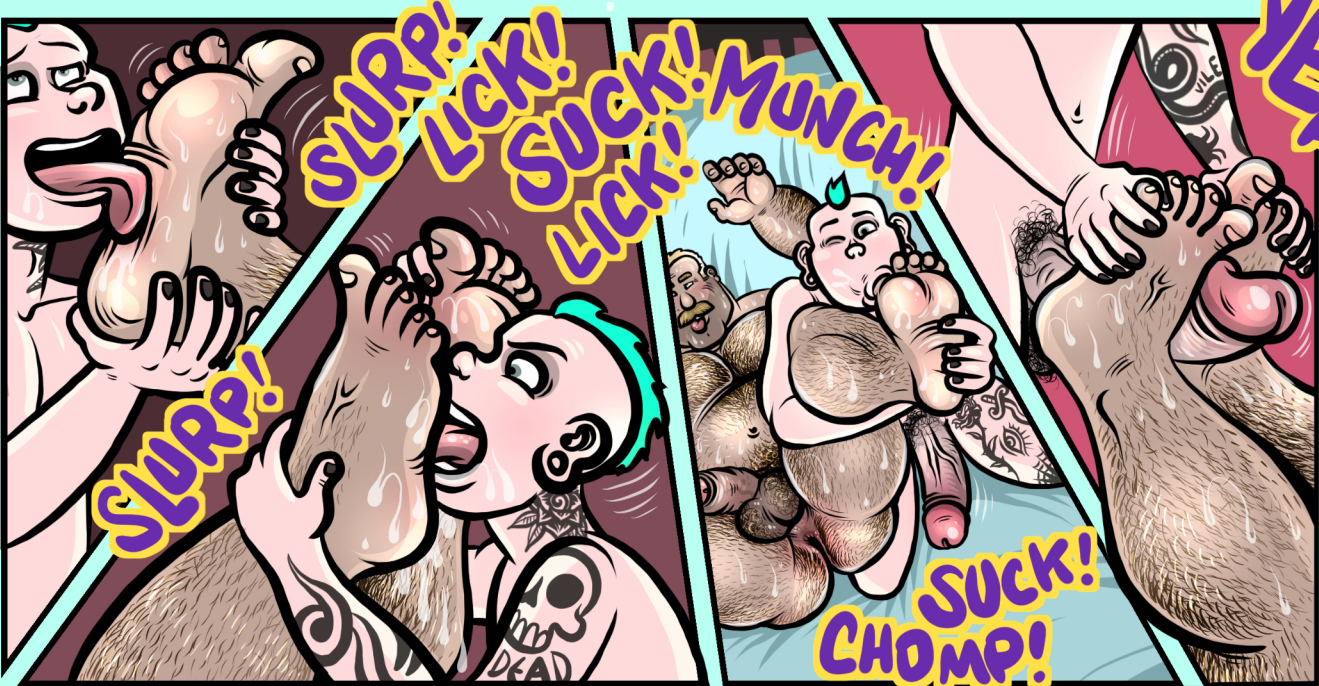

No worries, son. Just be quiet...my wife and the kids are at the pool, I took the opportunity to rest a bit. Why don't we lock the door and have some fun?

Now lick Dad's sore feet, Boy!

Andy couldn't believe it.

Andy made a complete tongue bath to those big, strong, tasty feet. He sucked, licked and munched them as they were lollipops. Then he stuck his cock between them and started fucking.

NOW lick my ass.  
You Boys are so good at it.  
If I'd only bare to ask my wife  
to eat my ass, she would  
Divorce me immediately!

The Big man got on Doggy Position  
on the Bed and Andy Buried his face  
Between those hairy globes, devouring  
the tender and warm hole.

SQUEEEZE

Don't worry,  
Daddy...I'll take  
care of your  
sexy ass!

WOAH!

Oh yes!!! Good Boy!  
Twirl that huge tongue  
inside my DadPussy!

MUNCH!  
SLURP!

FUCK! Your tongue  
is really long and  
wide, son!

CHOMP!  
SUCK!  
MUNCH!  
SLURP!

SUCK!  
SLURP!

Calm Down  
Boy, it's Been  
a long time! Dad's hole  
is really tight!

PLAP!  
PLAP!

SLAP!

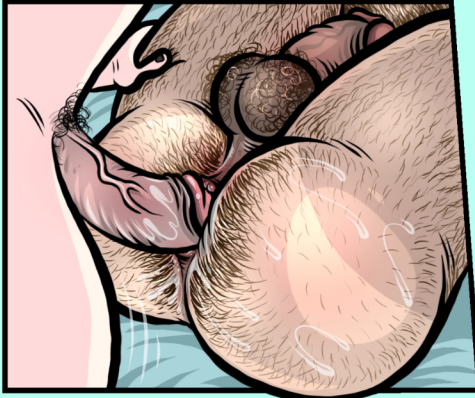

SLAP!  
PLAP!  
PLAP!  
PLAP!

Soon enough, Andy was fucking that  
sexy, married ass. His hard cock was  
Buried Deep in the man's Bowels, while  
the wide feet were on Andy's face. He  
just can't get enough of those juicy feet.

While Anby was fucking him, he sucked his rough heels, then his juicy Big toes, finally he thrust the top of one foot completely into his mouth and reached the orgasm, flooding the Big man's ass.

**SUCK!**

**Slurp!**

**GULP!**

**MMPH!!!**

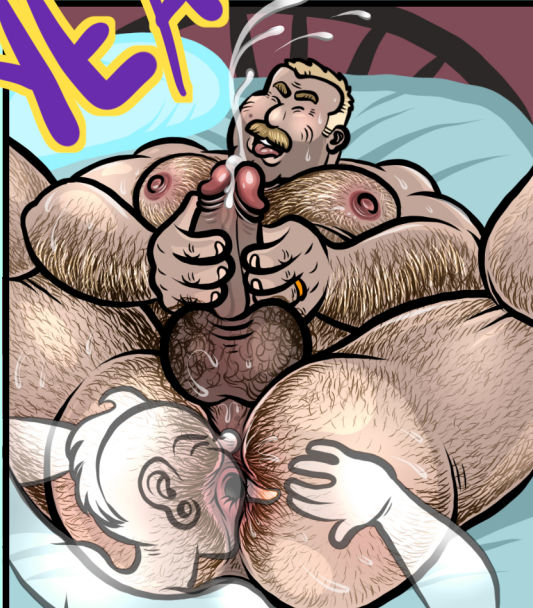

He looked at the man on the Bed, spreading his legs and his own cum dripping from the well-used asshole.

**MOAN!**

What a yummy CreamPie!

**YEAH!**

Good Boy ... look, in a while, my wife is going to come here and "throw me out of Bed", so how about getting Back tomorrow morning at the same time?

Of course! I'll Be here, Daddy!

The man was jerking off, and Anby helped him reaching the climax sticking his huge tongue deep inside him and sucking his cum.

Even this job can Be full of surprises, after all.

**THE END!**
