

Are you sure he meant Hawthorn Lab?

This place's been abandoned for months now..

Hmm.. Yes, Im pretty sure!

He said he was going to be a little late..

I wonder what's so important that he needed to see both of us, here, in the middle of nowhere.

It is in their territory, too.

If I didn't know about you two, I'd say this is text book luring and murdering.

Come on, mom..

We've been in this district tons of times before.

Yeah, the Alliance has been working for over a year.

No reason why that would change now.

Oh, I wouldn't know about that~

How can I continue to honor the Alliance..

When you've been lying to me this entire time?

S-Sodam..? What's with these guys-

I thought you had something to discuss with us..?

Oh, babe I do..!

And these guys are here just in case things go South.

go South..?

Okay, kid. Cut the crap and tell us what's going on.

Alright~ I'll just say it now, then.

The alliance between Singco and Yunco is over.

WHAT?! Why?!

Why?!

Why?

Why don't you ask your wife about it, Mr.Anjel?

She IS the one that lied to all of us..

Isn't that right, Miss Colie?

Everything changed that day.

WHAT?! YOUR MOM??

She was a FED this entire time??

Yes.. She got recruited as soon as she graduated highschool..

Even my dad had no idea.
