

# Eternal dream

## Chapter 5

By Ron512 and Kamil

Now Zero  
Two won't take you  
away from me,  
Hina-chan.

Not her, not  
anyone else and  
especially not  
any boy.

I know  
I shouldn't.

But I can't  
help it just feels  
too good.

My first kiss.

Who would have  
thought that my first kiss would be  
taken from me by a girl who thinks  
I'm a girl myself.

She is mine  
and only mine.

And  
whatever happens  
now, we will be  
together.

Even if...

Hm?

What's that?

I don't think  
that's... No, that  
can't be it.

**\*Shocked\***

What happened Saki-chan?

Can you tell me what it is?

I don't think she's going to...

Please let it be a hamster, anything but that!

But what do you mean?

What do I mean?

I mean this!  
What is that?

**\*Mad\***

Oh, no, not that.

Saki-chan,  
I'm sorry, I wanted to tell you about this earlier.

What did you want to tell me and what's with your voice?

You see, the truth is... I'm a guy.

What!?

You're a  
guy!?

Do you really  
think a simple "I'm sorry"  
is going to make up for  
who you think I am?

You lied  
to me!

**\*Mad\***

**\*Shocked\***

Yeah, I'm sorry  
I lied to you.

I'm sorry

What's that screaming?

I can hear you downstairs.

Ms. Principal, what is this?

Hina-chan...  
Hina-chan,  
it's a guy!

Sorry.

All according to plan.

I knew that Saki-chan would discover that Hina-chan was a guy.

But I wanted it to happen while I was around. And it worked.

Okay, come with me downstairs and I'll explain what's going on.

Okay.

Hina-chan,  
you're forbidden to  
leave your room as  
punishment.

But auntie,  
I didn't do  
anything.

It was an  
accident.

I don't  
care, you're supposed  
to sit in your room  
and think about your  
behavior.

Besides, I said  
something about  
your voice.

Let's go Saki-chan,  
I'll make us some  
coffee and explain  
everything to you.

I'll just get  
my shoes.

\*Sigh\* Great  
it just can't get  
any better.

I'm sure she  
hates me now.

Now she'll  
probably never speak  
to me again.

I wanted  
Saki-chan to be my  
girlfriend.

I should have  
told her who I was  
right away.

Meanwhile, in the kitchen, Sora explained everything to Saki-chan.

Exactly, I decided to punish him that way for what he did.

So, can I count on you not to tell anyone about what you saw here?

So that's why Hina... I mean Hiro dresses up and goes to a girls-only school.

Yes, I won't tell anyone. But only because you ask me to, Sora-san.

It doesn't matter anymore, Hina-chan tricked me, she's not a girl

But what do you mean?

Um... I have to think about it.

What if she was a girl?

What I said. What if what Hina-chan said wasn't a lie?

What if she really was a girl?

The next day  
at school...

I can't  
believe I lost my  
phone again.

But the  
worst thing is that  
Saki-chan found out my  
secret.

And I was  
hoping she'd  
become my  
girlfriend.

Now Aunt  
Sora definitely won't  
give it back to me so  
soon.

Aunt Sora  
told her not to tell anyone  
about it, but she hates me  
now.

No, we don't have any crisis, it's something else.

Ohayo, Darling!

What happened, you two were so in love yesterday, and today you don't speak to each other anymore.

What, are you having a marriage crisis, hehe?

I see, well it doesn't bother me there, I like you the way you are.

A 3D-rendered scene of two anime-style girls in school uniforms standing in a hallway. The girl on the left has short dark hair and is looking at the girl on the right. The girl on the right has long pink hair with red devil horns and is looking down with a slight smile. They are both wearing dark blue jackets with pink trim, white shirts, and red neckties. The hallway has green walls, a red brick floor, and rows of lockers on both sides. A doorway in the background shows a glimpse of the outdoors.

Really?

Well, I may have failed with Saki-chan, but 02 still likes me.

And most importantly, she knows I'm a guy so I don't have to hide anything from her.

Of course. You're funny.

And don't worry about Saki-chan. She'll get over it in a few days and act normal again.

I wonder if you'll still like him when you find out ....

Wait a minute did she call him "Darling"?

But she's called him that before. Unbelievable from the start she knew he was a guy.

I don't  
really care.

He's  
just a pervert  
who cheated  
on me.

What if  
she really was  
a girl?

Then  
what she said  
wouldn't be  
a lie.

And  
I'd get my  
Hina-chan  
back.

That means  
all is not lost yet.

But first I have  
to think of a plan to  
do it.

But I'm sure  
Aunt Hina-chan will  
help me.

Wait, Hina-chan,  
we'll be together again soon.  
In the meantime, I have  
to get rid of 02.

Later on the school's roof....

What?  
You're giving me  
a second chance,  
really?

She really  
said that?

Yeah,  
after all, I judged  
you a little harshly  
yesterday.

Your aunt explained  
to me why you were  
doing it and that you  
weren't a pervert.

Yeah, she said you have  
to pretend you're a girl for a while  
until everyone forgets about what  
you did at your last school.

If I'm not mistaken, she said something about three months.

Yes, but until then we have to make sure no one else finds out your secret.

Three months, I'm supposed to pretend to be a girl, an awfully long time.

But now at least I know how long I'll be here.

We? You mean you're going to help me?

A 3D-rendered scene of two anime-style girls in school uniforms standing on a tennis court. The girl on the left has long black hair with purple highlights and is seen from behind. The girl on the right has short brown hair and is facing her. They are surrounded by a chain-link fence. The ground is green, and the sky is blue with white clouds.

Of course,  
after all, your aunt  
asked me to take  
care of you.

And since I  
know you're not a  
pervert, I'm going to  
fulfill her request.

You mean  
02 knows you're  
a guy.

Great,  
there's just one  
problem.

Yeah, how do  
you know that?

A scene from an anime-style game or comic. Two girls in dark blue school uniforms with pink trim and white skirts are standing on a green tennis court. The girl on the left has long black hair and is looking towards the girl on the right, who has short dark hair and is seen from the back. They are surrounded by tennis court equipment like a water tower and a fence. Several speech bubbles contain their dialogue.

I figured.

Anyway, from now on, you'll do whatever I tell you so no one else finds out about your secret.

It's in the past.

It wasn't easy but it worked out, now I just have to watch out for 02.

Sure, and again, I'm sorry I didn't tell you right away.

Great, looks like Saki-chan forgave me after all.

A few days later...

\*Sigh\*

Finally Saturday, I can finally stop pretending to be a girl.

I thought this week was going to kill me.

I never thought pretending to be a girl would be so tiring.

Although I have no choice if I want my phone and laptop back.

The beginning of their relationship didn't seem too interesting, but eventually they both liked me.

So I'm sure that in three months when I'm no longer pretending to be a girl we'll still be friends.

On the plus side, just as I planned, I met two nice girls.

And they both know that I'm really a guy.

Hina-chan,  
come down ,  
I have something  
for you.

Be right  
there!

I wonder  
what it is?

Did Auntie  
want to give me  
the phone back  
so soon?

No, that's  
impossible, it must  
be something else,  
but what?

But back to  
the girls, if I had to  
choose, I would definitely  
choose 02.

Although  
I actually feel like I've  
met 02 before.

Because Saki-chan  
has been acting weird  
ever since she found  
out I'm a guy.

Or maybe it's just  
my impression.

After a while in the living room....

I was hoping Aunt Sora would give me back my phone.

I didn't expect something like this.

**\*confused\***

Thank you for the gift...?

Uh... What is this?

It looks a bit like panties.

You guessed it, they're special panties for tra...  
For people like you.

Yeah,  
you know, not all guys  
want a big bulge in their  
pants.

That's what these  
pants are for.

Like me?

Well... a boner  
can be problematic, but  
I didn't know they made  
panties to hide it.

But these are definitely men's panties, because they seem kind of weird?

Really?

They seem a little weird but it's better than wearing women's underwear.

Yeah, besides, if you wear them, you won't have to wear those female panties.

Yeah.

Actually, they're transvestite panties but luckily Hina-chan doesn't know that. hehe

In the bathroom...

**\*embarrassed\***

Gosh, these  
panties are tight!

I mean,  
auntie said they were  
men's panties.

Luckily it's  
only for three months  
until everyone forgets what  
happened.

Are they  
really the right size?  
Besides, why am I so  
embarrassed?

Maybe it's because  
they look similar to  
women's.

Although it is humiliating  
to have to pretend to be a  
girl until then.

Just a minute!

And on top of all that, I'll have to work as a girl.

And without money, I can't buy any normal clothes.

Hina-chan, how much longer? We have to go now!

Hurry up!

But I don't have any other choice either, after what happened between me and Saki-chan, Aunt Sora definitely won't give me pocket money.

While they' re driving...

Yes.

Did you tell  
her I'm a guy?

Hina-chan a  
little request.

When we  
get there, try  
to behave  
properly.

Even though my  
friend knows you're really a  
guy, I don't want to have to  
be ashamed of you.

Her daughter?

I got it.

I had to, besides, her daughter will also know you're a guy.

Yes, she will help you hide the fact that you are a guy.

But apart from those two people no one, I repeat absolutely no one can know that you are a guy.

I hope so, because lately I'm starting to doubt if you understand what I'm saying to you.

I guess Aunt Sora's is still mad at me for letting Saki-chan find out my secret.

What's the job going to be anyway?

Really?

What is this work and why is aunt Sora laughing?

It's a little surprise, but I'm sure you'll like it.

Yes, I'm sure you will. hehe

After a while at the restaurant...

Remember what I said, you have to wear them everywhere except at school and at home.

Besides, don't complain. You're doing pretty well with them already.

No, it's not.

Auntie, do I really have to wear these stupid heels everywhere?

*\*embarrassed\**

Yeah, but it's humiliating to wear them in public.

We'll talk more about this later, now remember you have to behave well.

And don't bring shame on me.

I hope so.

I know.

Don't worry, I know how to behave.

I can't believe Auntie really thinks I don't know how to behave.

Hm. So this is the boy Mom was talking about.

Mom forbade me to use magic, but I still got her permission to teach him a lesson about treating girls right.

You're finally here. I've been waiting for you.

So this is your niece you've been telling me so much about?

Strange, that boy doesn't seem like some kind of pervert.

Maybe it was just a misunderstanding?

Yes, that's her,  
and thanks again  
that you agreed  
to hire her.

When  
did Saki-chan  
cut her hair?

No problem,  
I was just looking for  
new employees.

Hina-chan,  
where are your  
manners? Introduce  
yourself.

No, it's definitely not  
possible for that boy  
to do something like  
that.

Sora's  
overreacting as usual, I'll  
try to convince her to give  
him another chance.

Ara Ara

At least ask me out instead of taking off my skirt right away.

Are you okay?

Yes, I'm fine.

Aunt Sora will kill me.

He?

When we get home, I'll kill him.

Sorry, Mayumi.

Hina-chan, what are you waiting for? Get up and apologize for what you did!

Really,  
I can?

I'll just get  
dressed.

*\*Angry\**

Yuki, would  
you help Hina-chan  
get ready for  
work?

Yes, do whatever  
you want, except  
of course what we  
talked about.

I thought Sora  
was wrong about that  
boy, but I was.

But he really is a  
pervert without any  
inhibitions.

We'll be right back!

Hey! A little slower, I can't run in heels.

Then learn.

Yes, Mom, I'll remember!

Sorry about Hi... Hina-chan

Don't forget what I said!

No need to apologize, it's not your fault.

Don't worry,  
Yuki-chan is generally  
quite obedient, he  
won't hurt her.

I don't think  
that's possible.  
hehe

Would you  
like something  
to drink?

By the way,  
aren't you afraid  
to leave them  
alone?

*\*confused\**

Uh... Yuki? I mean,  
aren't you worried that  
Hina-chan will hurt her  
after  
what you saw?

Yes, coffee  
if possible.

Meanwhile, in the locker room...

He's so  
cute!

Of course it's  
our uniform all the  
girls who work  
here wear one.

Why does this  
skirt have to be so  
short?

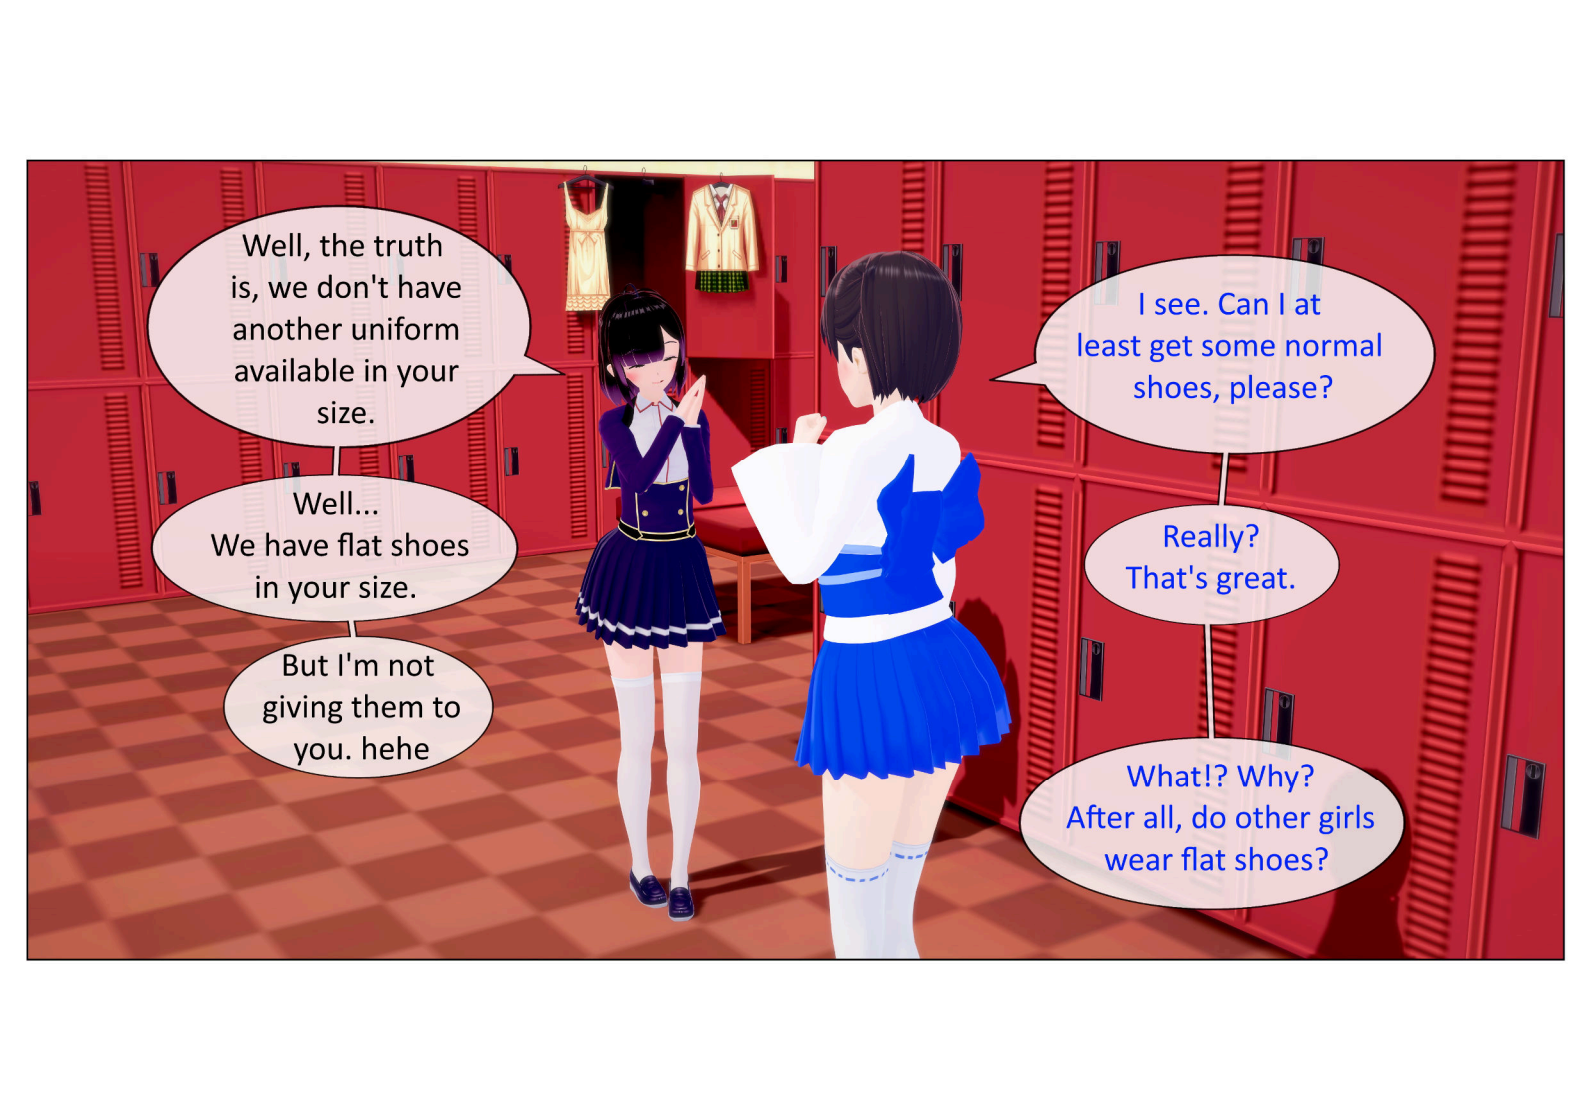

*\*embarrassed\**

Do I really have  
to wear that stupid  
Miko outfit?

Really? But mine looks  
completely different from the others  
and why did I get high heels and not  
flat shoes like the others?

Well, the truth is, we don't have another uniform available in your size.

Well...  
We have flat shoes in your size.

But I'm not giving them to you. hehe

I see. Can I at least get some normal shoes, please?

Really?  
That's great.

What!? Why?  
After all, do other girls wear flat shoes?

Let's go.  
Everybody's  
waiting for us.

We'll talk  
about it later.

Later.  
hehe

What about  
my request?

When?

I just hope no one  
I know sees me in this outfit.  
It's even worse than pretending  
to be a girl.

A moment later...

We're back now. How do you like it?

How humiliating. It can't get any worse than this.

It's really nice. The old outfit suits her.

What do you think, Sora?

I like it too.

I like  
it too.

Interesting. I've heard  
rumors that a new employee  
is coming, but I never thought  
it would be you...  
Darling.

I can't wait to  
work together.  
hehe

Did Zero Two  
just call Hina-chan  
"Darling"?

Hina-chan  
is there something  
you forgot to tell  
me.

Zero  
Two, just not  
that, what is she  
doing here?

Besides,  
she called me "Darling"  
in front of everyone now Auntie  
definitely knows that Zero Two  
has discovered my  
secret.

Well... The  
truth is...

That  
Hina-chan is blushing  
terribly when someone  
calls her that.

The truth,  
Darling~

I don't know either.

I guess she didn't figure out our little secret after all.

Okay, thanks for the coffee, but I can't sit here all day.

What time should I pick up Hina-chan?

If you don't mind, I can take her home later.

And that won't be a problem for you?

No, it's no problem, it's on the way to my house.

And if he wants, she can even ride to work with me.

Yeah, after all, why should you come here every day when Hina-chan can come with me.

She'll just reimburse me for part of the cost.

That's great, then it's settled.

Of course.

I see you already know Zero Two, so I'll introduce you to the other girls.

I think you have me confused with someone, my name is Yuki not Saki.

It's okay. hehe

Thanks Saki-chan.

*\*embarrassed\**

Sorry

I was sure it was Saki-chan. That means I got naked in front of a total stranger, what a shame!

Let's start with  
Mei-chan

Nice to meet you.  
I'm Mei Chihara.

Nice to meet you  
too. I'm Hina Suzuki.

Mei-chan will  
youshow Hina-chan  
how to operate the  
cash register well  
later.

Of course.

Hi , I'm  
Miu Amae

The first  
one is Miu

Now let's  
introduce you to  
the rest.

Nice to  
meet you,  
I'm Sakura  
Tanizaki.

Next is  
Sakura.

Next we  
have Harune.

Finally, we  
have Ayane.

So you're  
the new one, nice  
to meet you.

Hi.

And that would be all the girls who work here.

There's one other girl, Naomi, but she's gone for now.

Yeah, she's pretty nice, I think you'll like her too.

Naomi?

Is it her?  
No, it can't be.

What if it is?

Oh, there are two other things.

The first is I'd like you to wear this.

It's not a collar, it's a choker.

What's that, a collar?

You gotta be kidding me.

And why do I need this thing?

When you  
give a customer an  
order, you have to say  
a magic spell.

It's just a  
game.

There are two. One is  
"Oishikuna-re" and the other  
is "Moe, Moe, Kyun!"

Okay and what's  
the other thing?

A spell? Magic  
doesn't exist.

I see, so what  
are these spells.

And as you say it you have to make a heart sign.

The whole thing should look more or less like this.

Moe, Moe,  
Kyun

Don't even try.  
She's mine.

Now  
I have, right  
Chika-chan?

Say, do you have  
a boyfriend?

Since when  
didn't you have a  
girlfriend?

You guys are really nice but I already have a boyfriend.

Sorry~

It's okay. You're my favorite waitress anyway.

Mine too.

Really, that's great.

You want me to do what she does?

*\*embarrassed\**

You guessed it. So good luck.

If you need anything, ask one of the girls to help you.

And remember, the happier the customer is with you, the bigger the tip you get.

At work...

Yes, I'm  
fine.

Sure,  
thanks.

Are you  
okay?

Tell Mai-chan  
what happened  
and ask for  
another pie.

And don't  
worry, everyone  
stumbles.

A 3D-rendered scene of a restaurant. A waitress in a white long-sleeved shirt and a blue skirt with a white belt stands in the center, holding a tray with two plates of food. She has a surprised expression. Two pink silhouettes of people are seated at a wooden table in the foreground. The person on the left is looking towards the waitress, and the person on the right is looking towards the person on the left. In the background, there are large windows showing an outdoor patio area with wooden chairs and tables. A blue silhouette of a person is visible at another table outside. The scene is brightly lit, suggesting daytime.

Please your  
order Two vegetarian  
salads.

Yes, we  
ordered two ice  
cream sundaes.

*\*Angry\**

What!  
Are you saying  
we're fat?

But we didn't  
order any salads.

Or  
is that some  
kind of suggestion  
that we should  
lose weight?

No.

Sorry,  
I'll bring the  
right order right  
away.

That's  
better.

As it turned out,  
working as a waitress isn't  
as easy as Hiro thought.

I think she is slowly learning how to work here. hehe

Maybe she's just embarrassed to wear cute clothes in public.

I could watch this all day. But if he keeps this up, he's gonna get fired.

If she doesn't learn sooner, she'll scare away all our customers.

Not to mention that she already broke a whole set of plates.

Could be.

Of course, he's a guy after all.

I guess  
I have to help him  
out a bit.

Maybe we  
should help her  
a little.

I have an  
idea, but I'm gonna  
need one thing from  
the stash.

Thanks. I'll be  
right back.

There  
weren't that  
many problems  
with Mi-chan.

But how?

If it helps  
her, sure, take  
whatever you  
want.

To be continued...
