

# Kamil's Route

This guide assumes you have read the first/general simple guide. If you haven't already, please read that guide and pay attention to Connor's Affection and Liam's Hatred as they are important to this route. For Liam, getting a high Liam's Hatred will cause harsher things to happen to him, but it will also give bad outcomes for certain scenes. That said, your level of Liam's Hatred doesn't affect what ending you get in this route. Connor's Affection does however.

## Getting On Kamil's Route

### Day 1

1. **["I'll meet you over at the practice field."]**
  2. ["I'll just wait for you in the courtyard."]
- 
1. **["Alright, fine. I'm sorry about earlier."]**
  2. ["Alright, fine. But I'm not gonna like it."]

## Best Route

Note that this guide might change in the future due to how not all the stat distributions have been planned so far. Regardless, following the current guide should allow you to get the best ending.

### Day 1

1. ["Eh, don't really see anyone here that's my type."]
  2. **["I'm good just hanging out with you, man."]**
- 
1. ["I'll stand watch, I guess."]
  2. **["I gotta go, too."]**

### Day 2

This choice only appears if you have a high enough affection with Owen. Otherwise you will automatically go see Kamil and see the next choice.

1. **["Come on, please?"]**
  2. ["Actually, there's someone else I wanna check on, too."]
- 
1. [I stayed quiet.]
  2. **[I spoke up.]**
- 
1. **[I could spend much more time with Kamil.]**

2. [I could see what happened in the locker room.]

**1. [Not every day I get roped into joining a professional sports team.]**

2. [Not every day I get roped into a murder investigation.]

1. [You said it yourself, right?]

**2. [We'll figure it out.]**

## Vlad's Affection

Vlad isn't as involved in Kamil's route as say Owen is in Brendan's route, but he does take a role in the route. Similar to Owen in Brendan's route, getting Vlad to like you isn't necessary in getting a good ending for Kamil's route, but there are several benefits that happen if his affection is high while you're on Kamil's route, some of these benefits are particularly attractive if you like Vlad. Follow this guide so that you can get Vlad to like you.

### Day 1

**1. ["Dunno, sounds like fun."]**

2. [I just stayed quiet.]

**1. [I gave him a shrug of my own and took it.]**

2. [I held up a hand and shook my head, apologetic.]

### Day 2

Note: There is one (possibly two) choice(s) you get after this one. These don't affect Vlad's affection whatsoever, just choose whatever you want.

1. [I went to follow the elk and bunny.]

**2. [I went to talk to Vlad.]**
