

-pew-
I don't usually
eat this much at
once.

I'm glad
you did try everything
though. I don't get a lot of
chances to test my non-
enchanted food.

-glorp-

-groan-

Though
I hope my usual
taste-tester
is ready
soon.

Ooouugh...

Are you
sure you don't
want any
more?

No thanks.
It was all delicious,
but I couldn't eat
another bite.

I'm glad
you enjoyed the
food then.

Mmm-

Glad to see you enjoy my tea. The mousey bard enjoys it too. She made such adorable, happy squeaks.

-sip-

Sorry, but a foxy hatter like me doesn't squeak and especially doesn't do anything adorable.

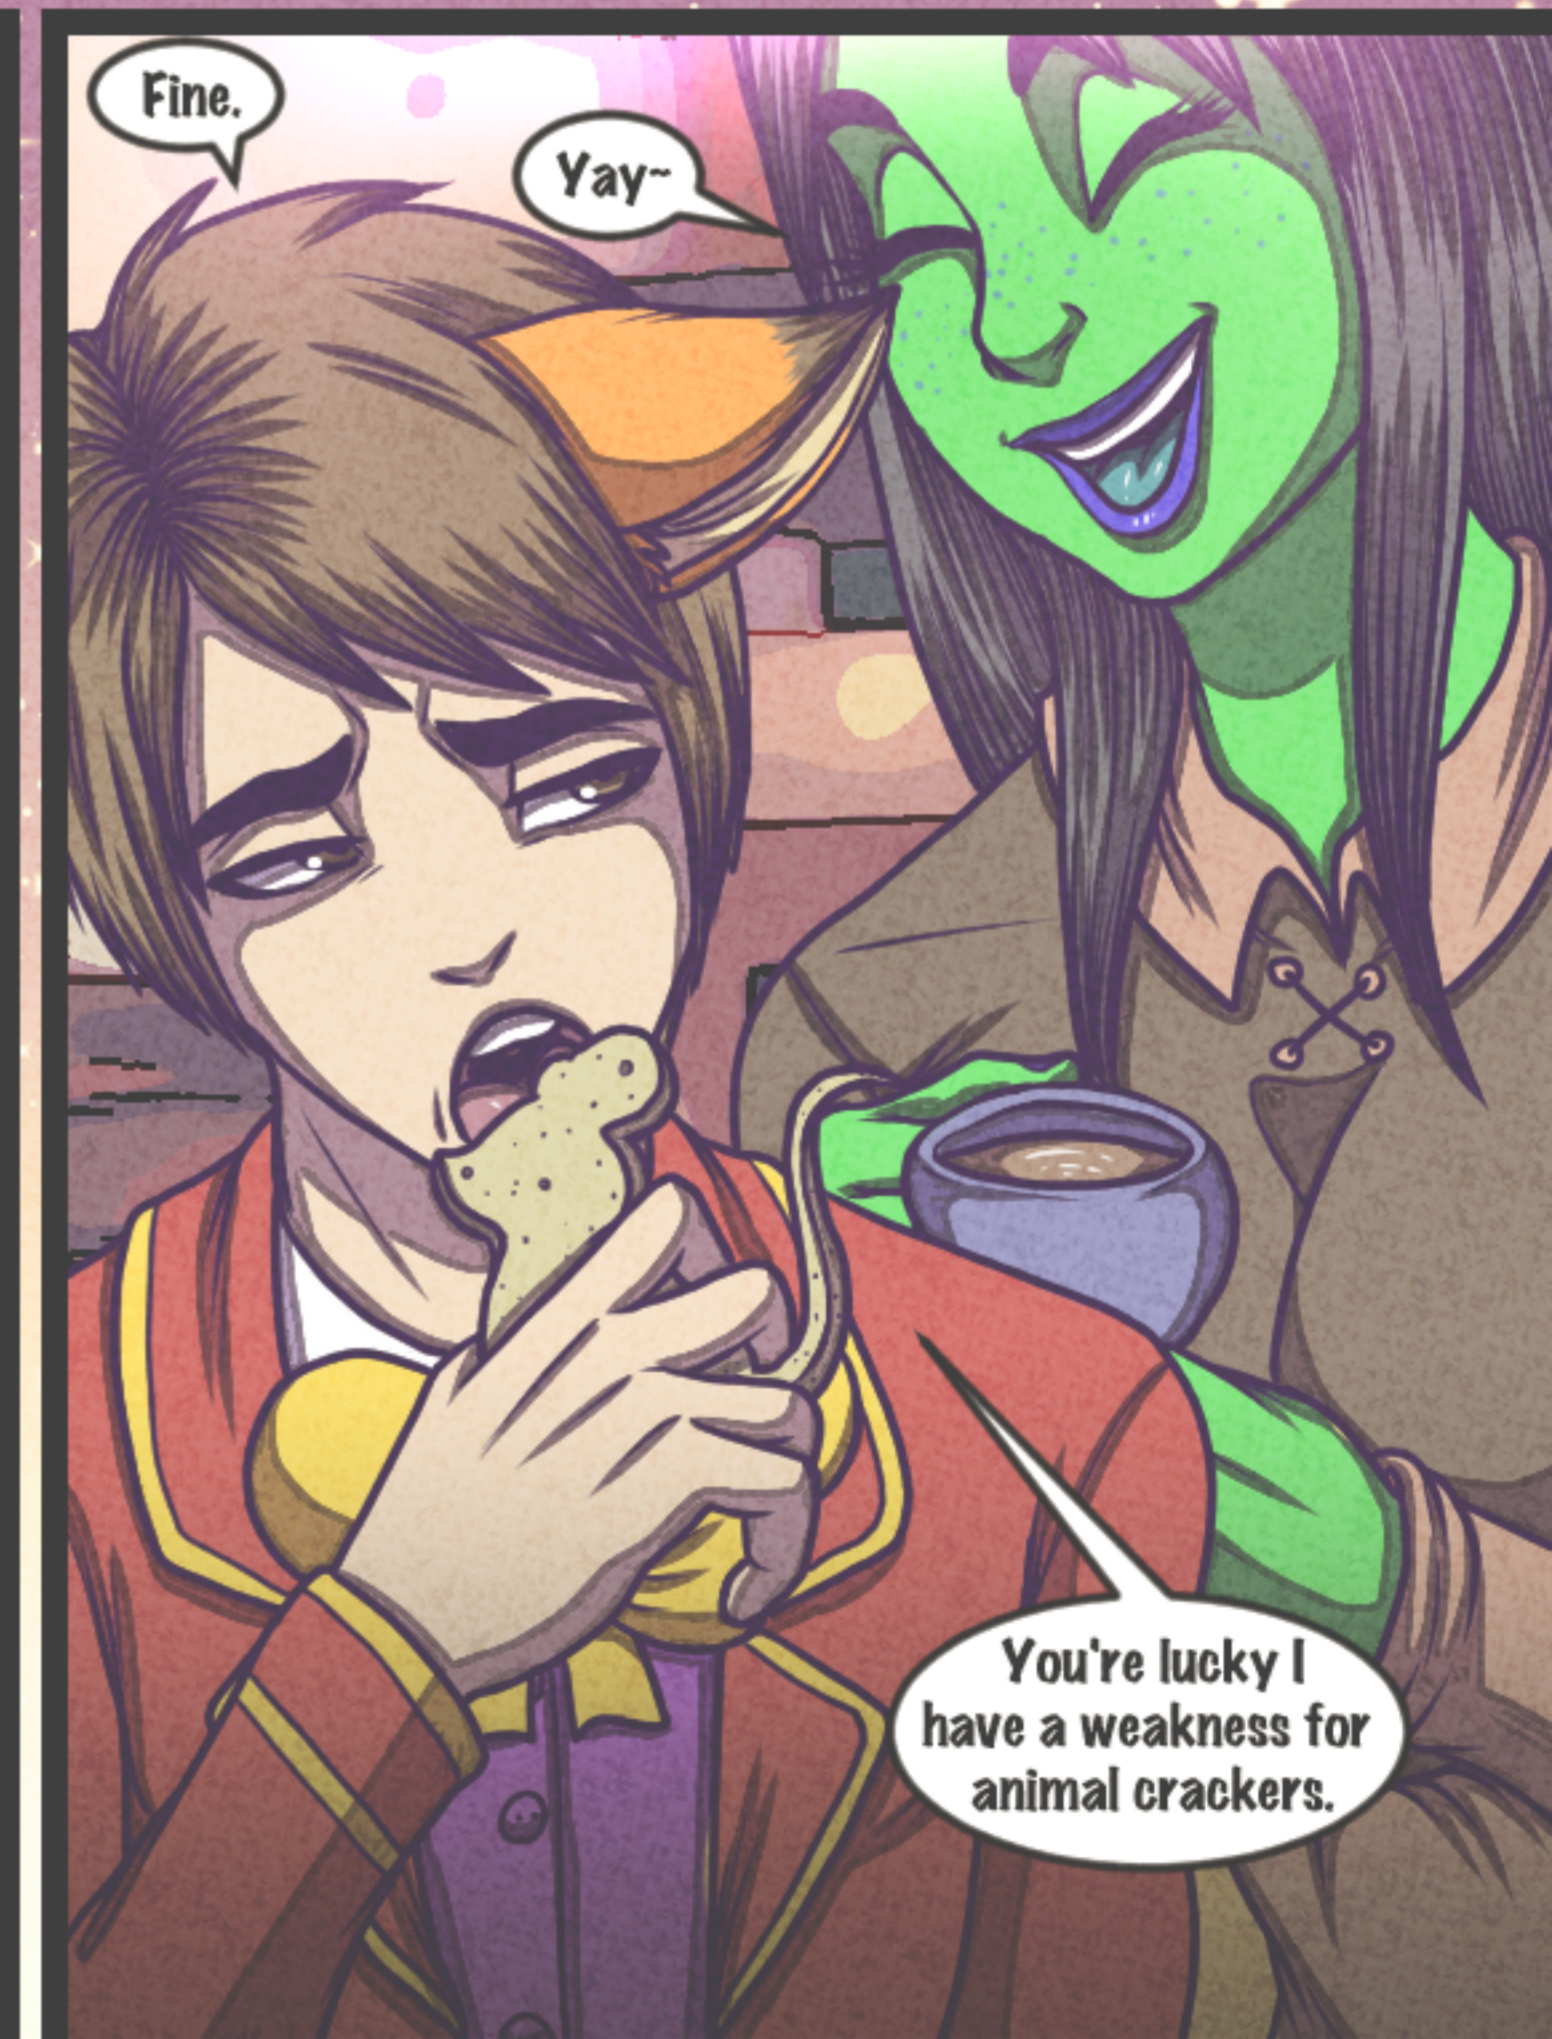

...Uh-huh.

Before you go, can you at least try one of my treats?

Sweets, I really can't. I feel way too-

Pleeease~? It's just one, small, waifer-thin cookie.

Fine.

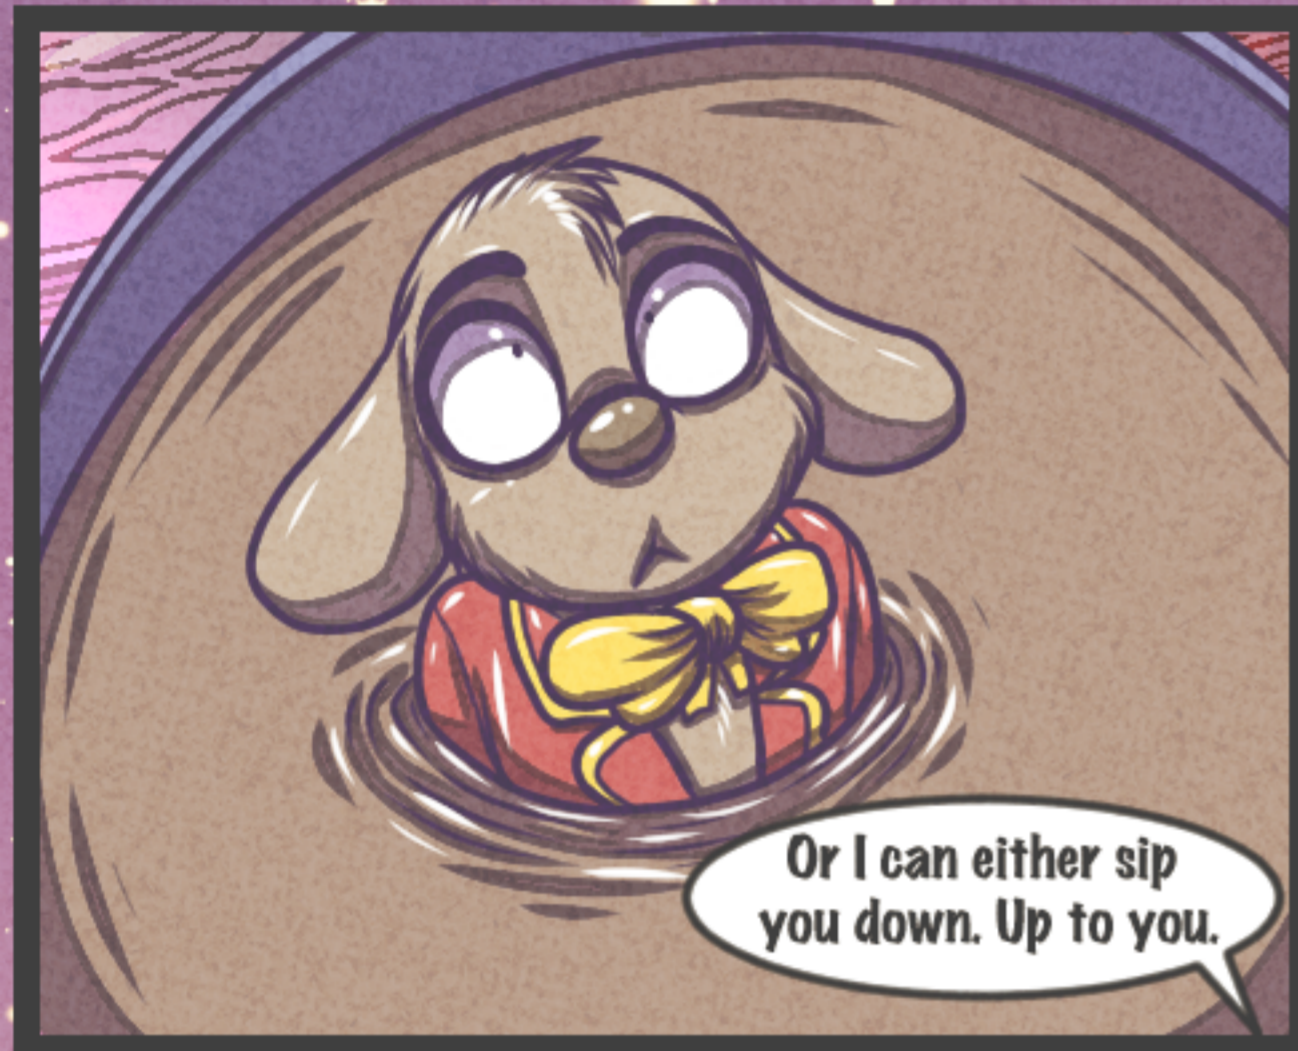

Yay-

You're lucky I have a weakness for animal crackers.

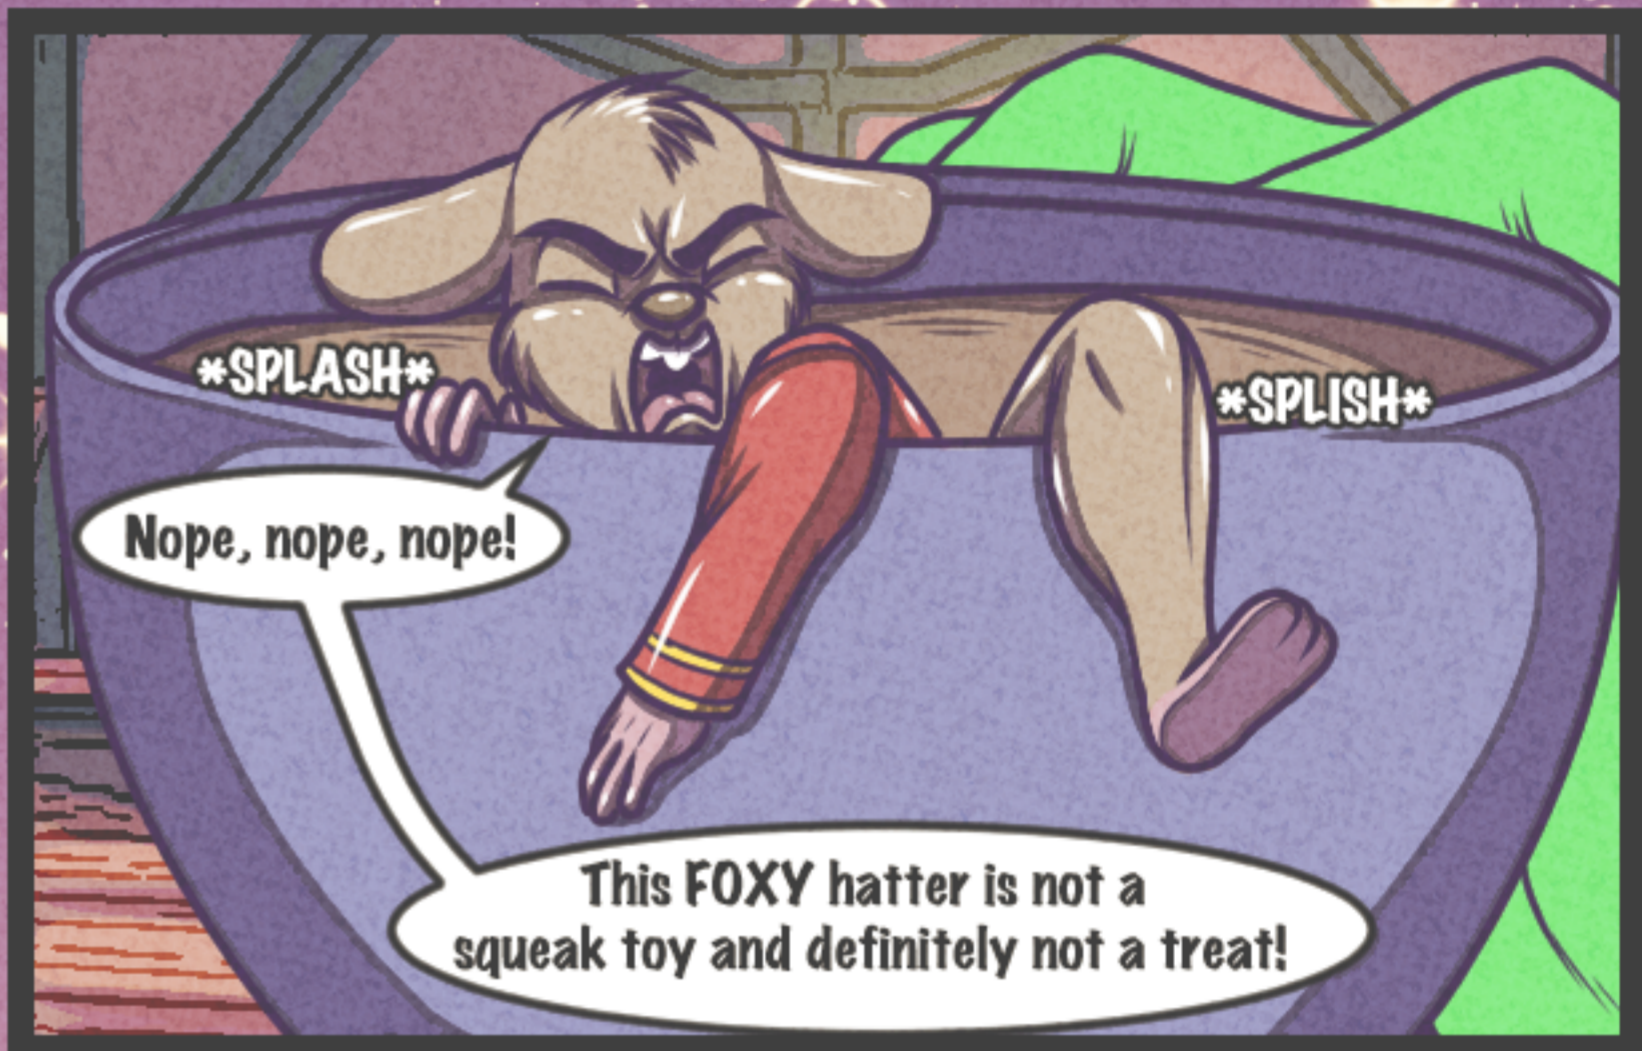

Either you can lemme hear one adorable mousey squeak.

Or I can either sip you down. Up to you.

Nope, nope, nope!

This FOXY hatter is not a squeak toy and definitely not a treat!

A treat it is then~

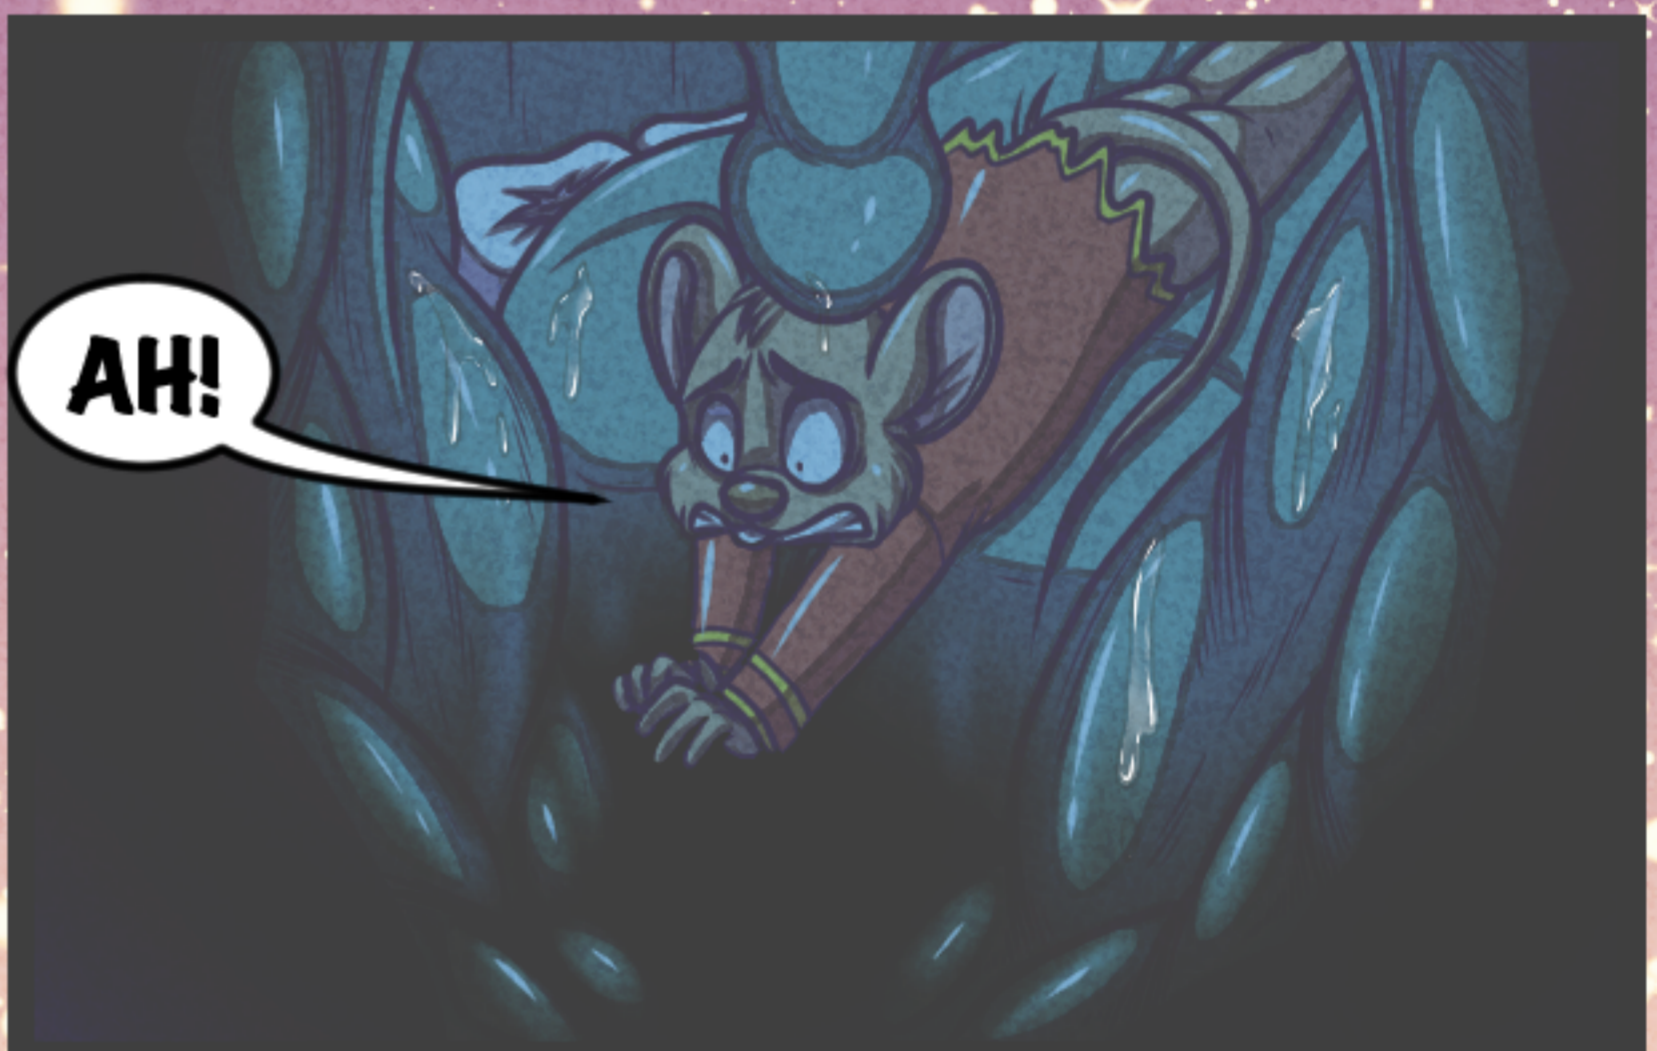

No no no no no no!

-FWOOOOOOSH-

Mmm-

-slurp-

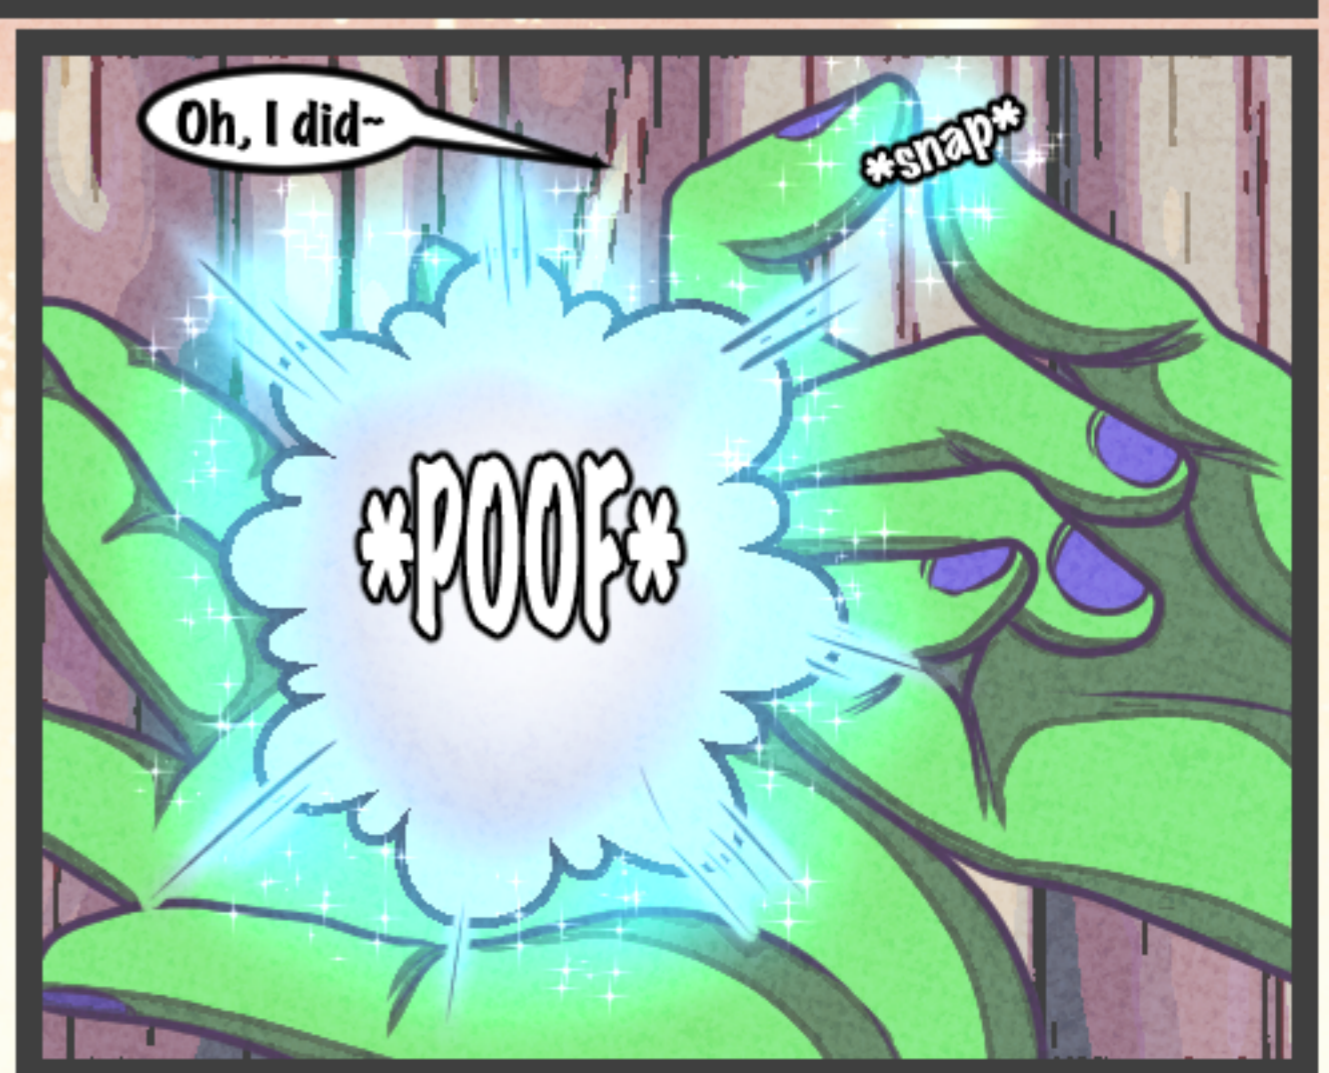

AH!

SQUEAK

...No one heard that!

-gulp-

Oh, I did-

snap

POOF

See? That wasn't so difficult~

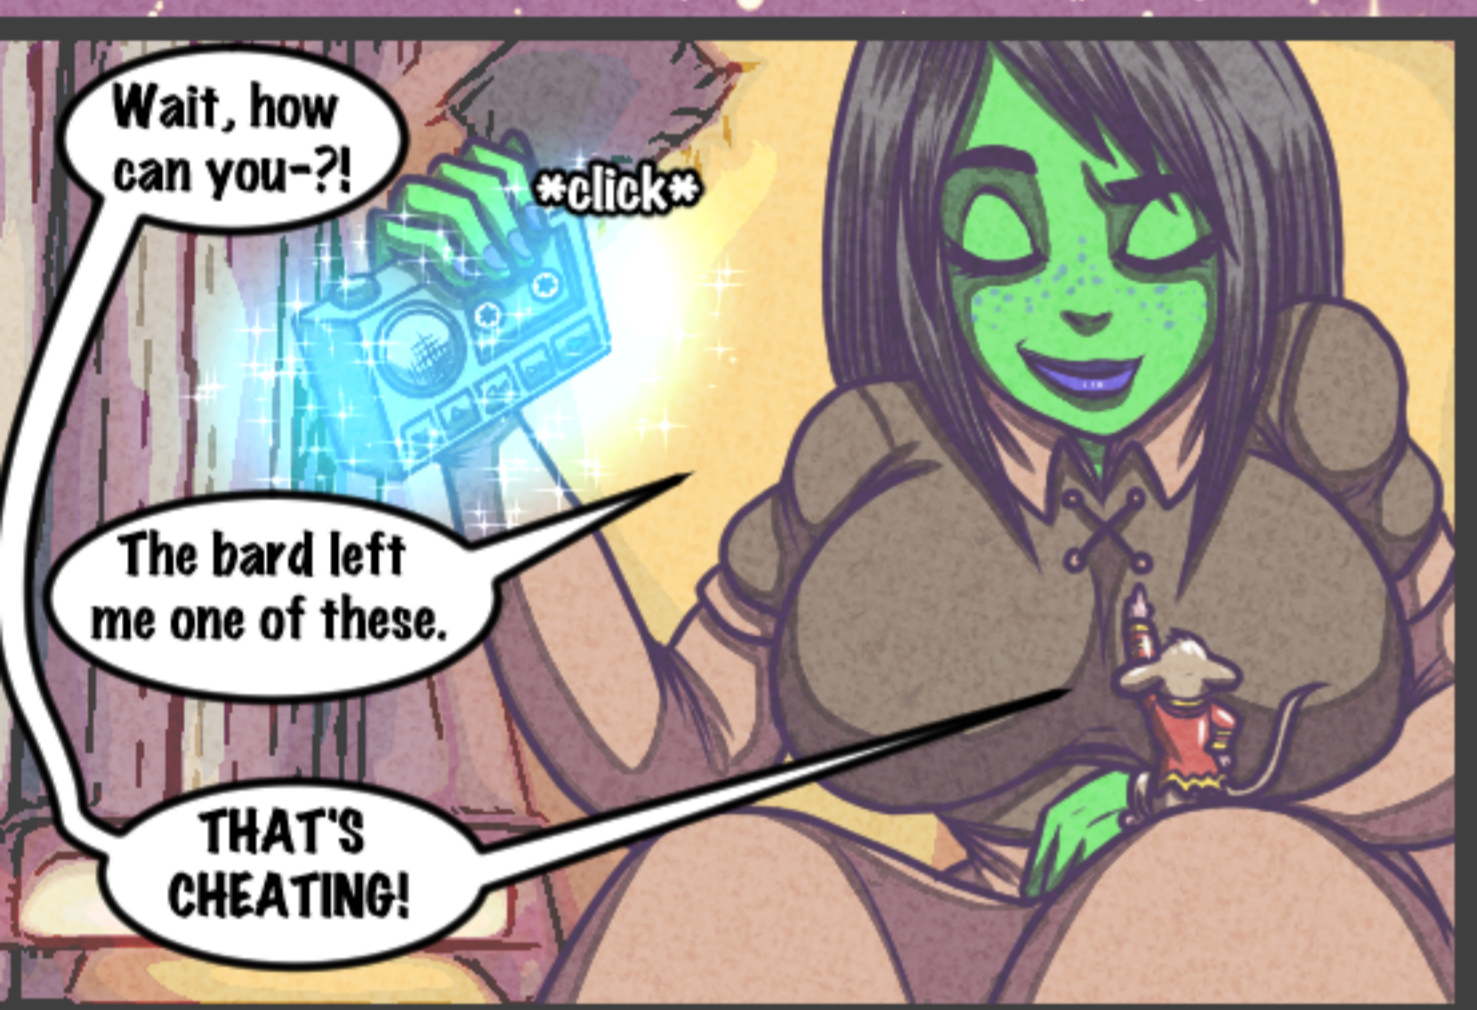

I am not a squeakers. And you have no proof.

Do I have to eat you again and again while I record you?

Or will you just say you squeaked?

Wait, how can you-?!

The bard left me one of these.

THAT'S CHEATING!

Still, I didn't squeak and I never will.

We shall see, won't we?

pluck

Hey! No! That's-

Eep!

-swish-
-slosh-

Tha-that doesn't count!

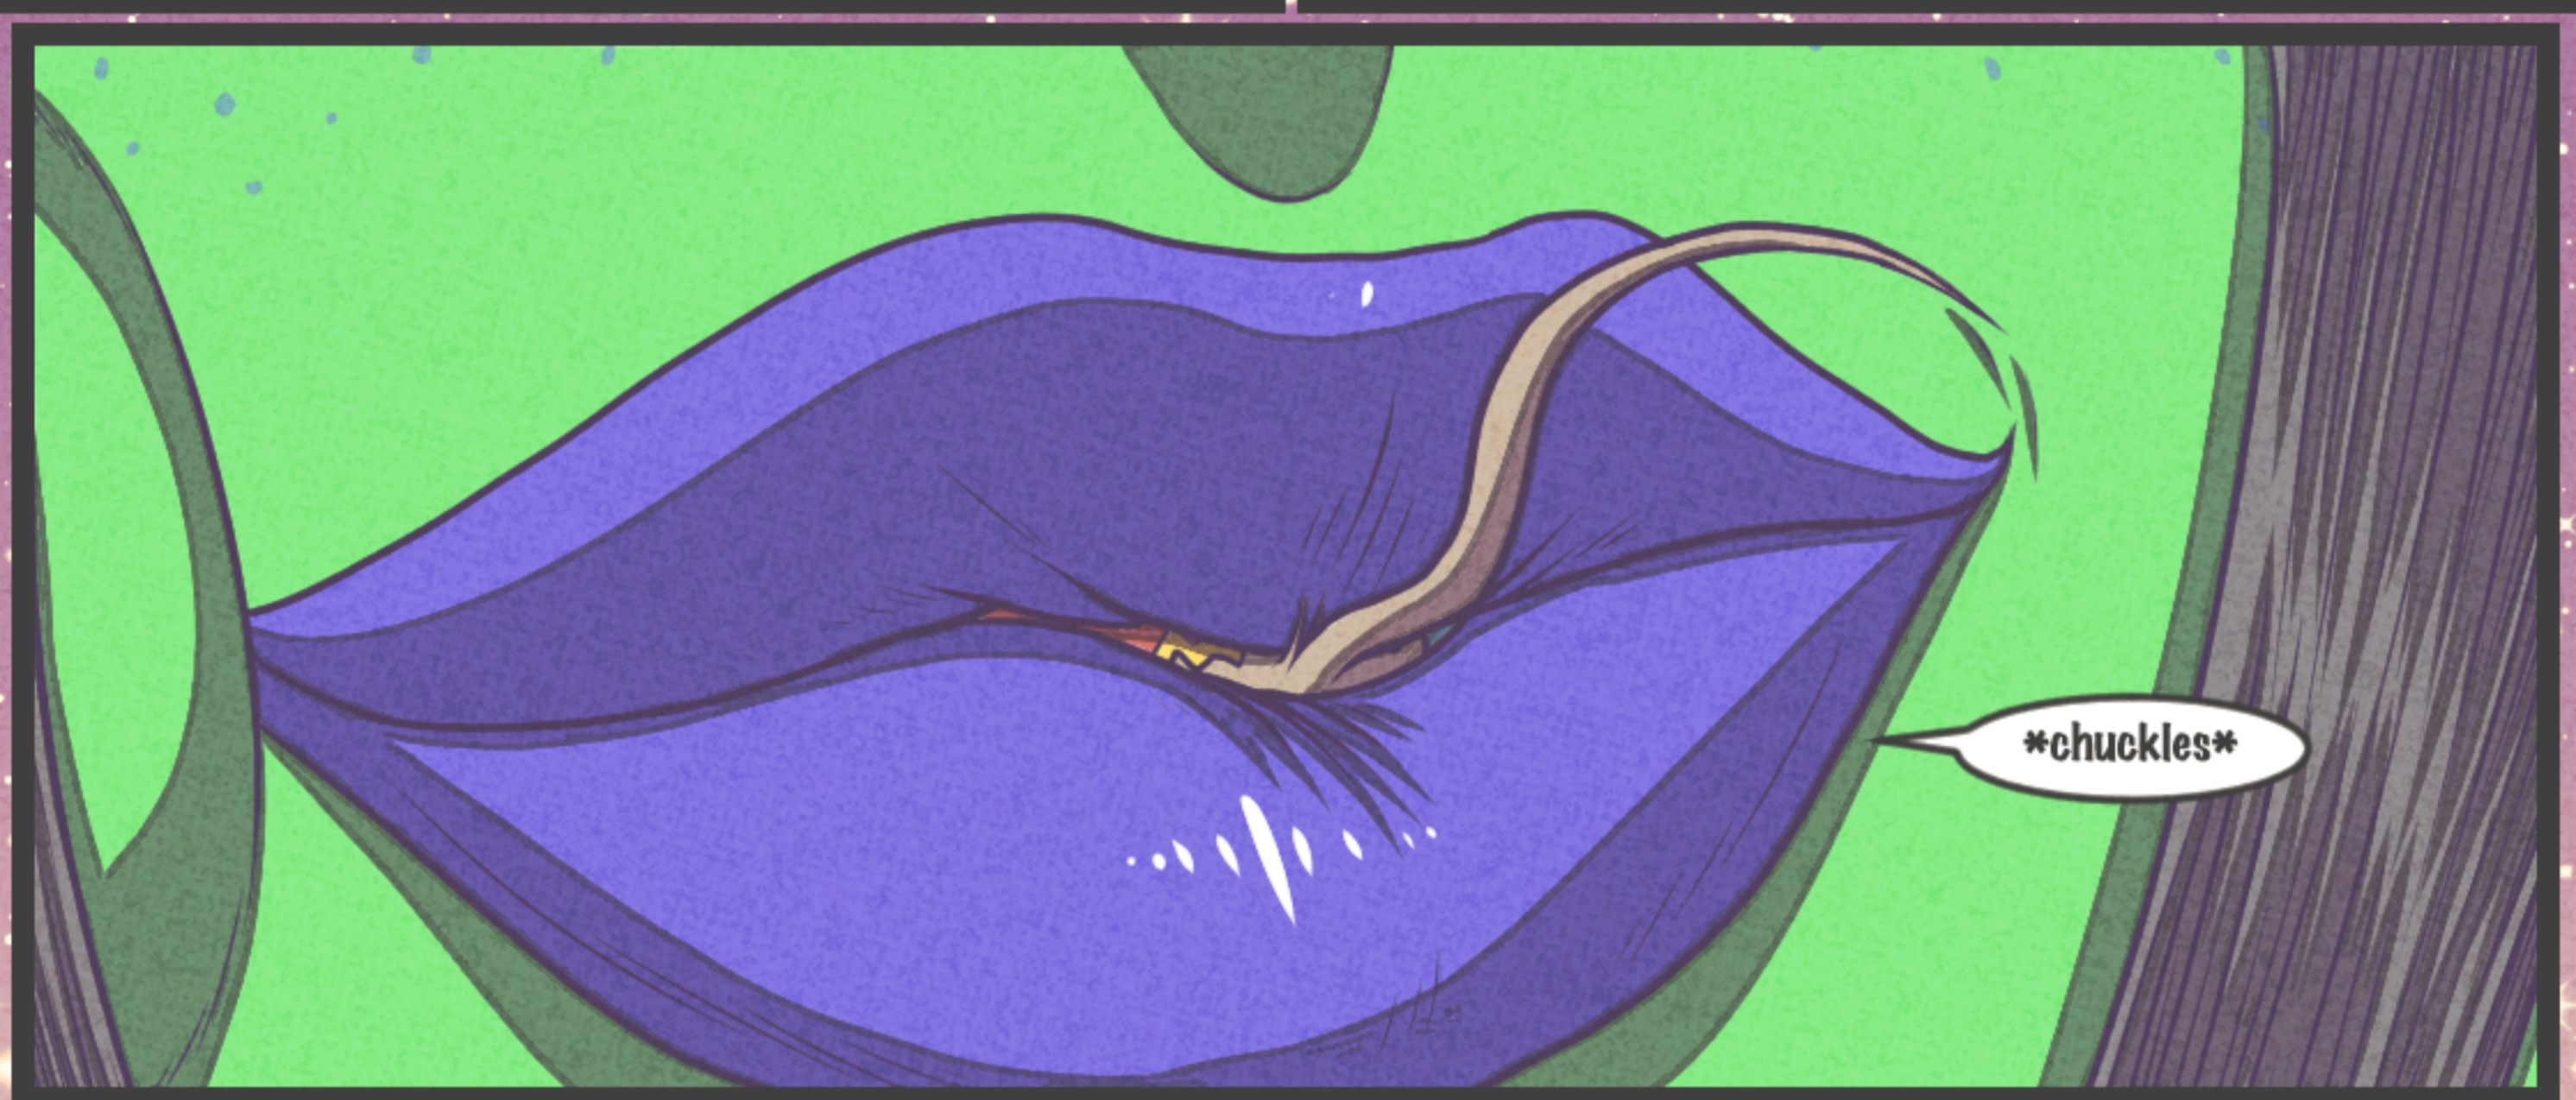

-rub-

I know, sweet one.

-SLOSH-

Just relax, you sweet little thing. I shall let you out when work is over.

A witch has a lot to do whether people believe it or not.
