

JUNE RELEASE: LUXURY PENTHOUSE Required CC:
(same link as freely available on my blog)

<https://we.tl/t-nnmRacxVBm>

How to install my Patreon Lots:

Please place the tray files in your Tray folder. And all the CC in your mod folder. (Including my Patreon CC and required CC by other creators).

Please enable bb.moveobject cheats before placing the lots, everything will show up properly.

Learn more about Installation here:
