Tiffany can find 3 men in need and choose to let them know about the Pharmacy. Later if she goes to check on them, she will find them fucking Vanessa against her will and can choose to watch or intervene...

## Sex Scenes: \*\*\*LISTEN TOPODCAST\*\*\*

1. Vanessa and 2 men (chance for impregnation)
2. Tiffany and 3 men (chance for impregnation)

## Original Submission:

“ I hope you understand the story, there is no sexual dialogue (you have to do it). And the dialogue at the beginning has to be polished.

If you want, you help me improve the story or you talk to me about what I have to change. but I will keep trying: D

remember that I have a bad English be patient

[] if they are between keys then that is what they are thinking

-Tiffany is in the casino and manages to see that there is a small house outside the casino.

-Tiffany enters the small house. Upon entering you can see 3 men.

[house] only has 3 beds, a broken desk, a box with repair kit and very little food.

-Tiffany [notes that 2 have big cocks, but (black man) (Kevin) stands out from the rest].

(black man) (Kevin) is the leader of the 3, height 1.85, muscular, has shoes and pants (no shirt).

(The white and ugly man) Raul, height 1.76, dressed in torn clothes.

(White man) skin colour of Carlos like terry. Carlos is 1,65, without pants, with a shirt very torn and barefoot (his penis is not big).

-Tiffany: Hi, my name is Tiffany and I'm a police officer, are you okay?

-Kevin: {what a good ass}

-Raul: {what good tits}

-Carlos: {what a beautiful woman and that mouth ...}

-Kevin: hello police woman we are very hungry and a little cold.

-Kevin: would not you have some food and a hot place where we could be?

- Raul: {I can not wait to fuck her}

Tiffany has 2 options

-1 tell them you have a safe place to go (pharmacy)

-2 don't help them

If you choose option 2, simply leave the house and continue the game.

Option 1 continues like this.

-Tiffany tells them about the pharmacy that Vanessa will wait there to help them.

- The 3 men react very grateful.

It's been a few minutes since Tiffany helped the men and decides to go back to the pharmacy to see how the 3 men are doing.

Upon returning the main door is closed and Tiffany looks for another way to enter. Obviously by the other door.

Upon entering, he hears some strange noises and sees Vanessa surrounded by the 3 men who are currently having sex with her.

Tiffany has 3 options.

-1 help Vanessa.

-2 offer herself.

-3 see how they rape Vanessa and then help.

1-help Vanessa

Tiffany intervenes and fights the 3 men.

- (win) Tiffany kills the 3 men (reward 2 repair kit or shotgun bullets)

- (lose) Tiffany is fucked.

Tiffany falls to the ground and starts to give blowjob to Raul and Carlos. similar to the first blowjob scene of the game.

then they take Tiffany to the desk or to the table. they lay her on the table

-Kevin now has his turn to take out his big dick (like Jebadiah) and start raping Tiffany in her vagina.

-Carlos sticks his cock inside Tiffany's mouth.

-something like that <http://www.thonimaraboutik.eu/image/unconscious-deep-throat-fuck-2.jpg>

-After a few minutes, Carlos decides to put his testicles inside Tiffany's mouth at the same time as his cock.

-Carlos unloads his sperm on Tiffany's stomach, while Kevin continues to have hard sex with Tiffany.

- Carlos moves leaving room for Raul
- Raul gets on top of Tiffany and starts fucking her tits.
- Raul and Kevin reach their limit.
- Kevin cums inside the vagina of Tiffany and Raul in front of Tiffany.
- Tiffany remains motionless on the table.
- The 3 men steal some things finish fucking Vanessa and leave. FINISH.

-2 If Tiffany offers her body instead of being defeated, she is also violated as explained above

-and the men steal some food and leave. But Vanessa is spared.

-3 Kevin and Raul violate Vanessa (-something like that)

<https://www.videospornogratis.xxx/wp-content/uploads/asa-akira-disfruta-de-una-doble-penetracion-interracial.jpg>

-The 2 cum inside her.

Then Tiffany can:

-1 Offer to have sex with them

-2 Fight

And it plays out the same as above.

In the battle.

Raul has a knife that has a normal health bar.

Carlos does not have a weapon and he has very little life.

Kevin has a lot of life and he has no weapon.

I lack the reaction of Vanessa and Tiffany after the events that happened.”

## Submission #2

### Jim's Synopsis:

Tiffany is sent by Terry to bring Sydney back to the Pharmacy. You will be able to play with one of Sydney's new 'pets' and get some more interactions and backstory surrounding Sydney.

### Sex Scenes:

1. Tiffany & one of Sydney's pet zombies. (Either an extended scene, OR:
2. Sydney gets some action as well...)

### Original Submission:

#### Sydney's Lair

"Terry suggests Tiffany attempt to locate Sydney and bring her to the pharmacy for safety (the poor fellow doesn't know what he'd be in for), advising Tiffany to start looking where she met the girl.

Tiffany returns to the East Alley (where she first encountered Sydney) and discovers that the grate can be lifted up, with a ladder leading down into a new part of the sewers (possibly disconnected from the parts already accessed); besides the usual wandering zombies (and anything else you might want to add), she finds a door that can be unlocked with the Civil Foreman's Access Key.

This door opens into a basement with stairs leading up into a building (perhaps the Civil Foreman's office) containing several rooms, one of which contains Sydney, who is initially surprised by Tiffany's presence but insults her defiantly, finishing with "Let me show you my new pet" and whistling.

The response to the whistle is the entrance of (in order of preference) the Zombie Giant \*or\* a Zombie Dog \*or\* a Double Dick Zombie, which promptly goes for Tiffany.

If Tiffany cannot kill the "pet", she is fucked (in both senses of the word) and finds afterwards that Sydney escaped during the interval.

If Tiffany can kill the "pet", she apprehends Sydney, who bitches and moans but reveals a cache which holds "the truth about what's happening in Ashton Lake", asking Tiffany to let her go in return. The cache (a chest or cabinet) is rigged with an alarm that sounds when opened, allowing Sydney to bolt when Tiffany is surprised, escaping (with a parting insult and a vow of "getting even") through a door that locks behind her. The cache proves to be Sydney's diary, primarily a luridly explicit record of her sexual exploits, but a nugget or two of useful information can be found (if the Zombie Giant hasn't been introduced, an account of Sydney's "close

encounter", suitably embellished and exaggerated; other possibilities are passing references to the casino or FWI or Ali that provide clues to access).

Exploring the building can yield various items, including food parcels and pharmaceuticals, but no weapons or ammunition. The building itself can be added to a planned expansion of the town (an area which can subsequently be reached by an alternate route)."

### **Jim's Synopsis:**

Tiffany retrieves a dead zombie corpse for Hitomi/Dr. Milburn's studies. But something goes wrong during the autopsy...

### **Sex Scenes:**

#### **(Depending on who you sided with charge)**

1. Tiffany has a 3 way with Hitomi & a Zombie's corpse.
2. Tiffany has a 3 way with Dr. Milburn & a Zombie's corpse.

### **Original Submission:**

“Scene 1: Hitomi or Dr. Milburn (whoever is a live and free) talks to Tiffany. He/She explains that for further studies about how the Virus works Tiffany would need to search for a Zombie and bring its dead body to the pharmacy for an autopsy.

Scene 2: Tiffany leaves the pharmacy and has to fight a zombie. It is important that she wins the fight and kills the zombie. After this she goes back the pharmacy to deliver the dead body.

Scene 3: During the autopsy Hitomi/Dr. Milburn cuts into a strange "bubble" inside the body of the Zombie. This releases a gas which has a strong aphrodisiac effect causing Dr. Milburn/Hitomi and Tiffany to become incredibly aroused and leading to them having sex. The zombie's corpse would also get involved. It's dead but it's cock is still rock hard somehow... So Tiffany can ride it while fucking the other person.”

# Submission #4

## Jim's Synopsis:

Tiffany saves a stray and brings it back to live at the Pharmacy...

## Sex Scenes:

(Depending on if Hitomi is free)

1. Hitomi gets knotted by the well hung stray in doggy style position.
2. Tiffany services the well hung stray with a blowjob and ballplay.

## Original Submission:

### Good Doggy

“The quest starts at some kind of alleyway. Dialogue is not the best but I will try to give you some sense of what I’m envisioning. This quest might just work if you have sided with Hitomi. If that is something you are okay with just leave it as is. Otherwise you are free to change it from Hitomi to Vanessa, if you want it to be accessible to people that have sided with the doctor.

\* Tiffany comes across a stray dog surrounded by a couple of zombies. 2x Normal Zombies and 1x Futa Zombie, if you want to do a group battle or some kind of gauntlet fight is up to you.

Tiffany saves the dog. (or is defeated and the zombies move on out of boredom? I dunno) The dog is some kind of mutt with short hair. He has bigger than average balls and you can always see the tip of his penis sticking out of his sheath. He is friendly towards Tiffany almost immediately. \*

Tiffany: “Are you ok boy? Did they hurt you? Let’s bring you back to the pharmacy.”

\* Tiffany guides the dog back to the pharmacy. There either Hitomi greets her. \*

Hitomi: “Well who is this cutie? Where did you find him?”

T: “He was about to be attacked by a couple of zombies, but I managed to fight them off. I thought it would be nice to have some kind of guard-dog at camp.”

H: “Good thinking, but this poor boy needs some food. He looks to be starving.”

\*Thinking\* Looking at the size of that dick it seems has a need for more than just food. <3.

T: “I’ll see what I can do about that. Maybe the farmer has some that he is willing to share.”

(I don’t know if Jebadiah has a dog already (I hope he does \*wink\*), but if he does not we could say that he used to have one that got infected and got loose. (Zombie Dog, yes please))

\* Tiffany heads to the farm and asks Jebadiah about dog-food. \*

T: "Might you have some dog-food that I could have? We have a poor stray staying at our place and he seems to be very hungry."

Jeb: "Sure, I might have some I can spare, but I would need you to \*ENTER FARMWORK HERE\*"

\* Tiffany helps out at the farm and gets a sack of dogfood \*

We now get a glimpse of what is happening back at the pharmacy.

\* Hitomi stands over her desk working on the doctors notes \*

\* The dog is slowly creeping up behind her and you can see that his penis is erect and ready to go. He then jumps on her and pins her down on the ground. She is laying on her stomach with the dog on top of her back. His cock ready to penetrate her from behind. \*

H: "Oh, you want to play? Go on then, gimme that doggy dick. Be a good boy and fuck me hard."

Sex scene: Dog x Hitomi Doggystyle.

The dog is massive in size, almost comically so. If he were to stand normally while fully engorged he would be able to lick the tip of his dick without bending too much. You would also be able to see his knot when looking from above, so great would his width be. He shoves his dick inside the girl and bot hare loving the experience. Hard and fast. The dog then finishes with knotting his bitch with his massive cock and then pulls out to reveal a gaping, cum-filled hole while still very swollen.

\* Tiffany then heads back to the pharmacy. \*

T: "I found you some food, boy! Where are you?"

\* Tiffany looks around and finds the dog laying in front of the couch. He is laying on his side and fully erect and engorged.\*

T: \*Thinking\* What is this!?! How is he so big? This must be some kind of experiment done by F.W.I. or something. Did he escape from one of their labs?

Tiffany the has these options:

1. Ignore his penis and just give him some food – this ends the quest and the boy gets no action \*sadface\*
2. Help the good boy out – sex scene

If she helps him with his lust:

\* Tiffany lays on her side with her face in just the right position to start sucking on his dick. \*

T: "Lets see what I can do to help you out here boy."

Sex scene: Dog x Tiffany Blowjob and ballplay. Tiffany starts sucking on his huge member. She goes all the way from the tip of his dick all the way down to the knot, taking his shaft deep in her throat, only stopped by the huge knot in the way. He is still big enough to satisfy her need to suck on huge, tasty things. She then starts massaging the dogs balls and squeezes them tightly. The dog is humping back into her throat in pleasure, but still letting Tiffany be in control. He then climaxes with a huge load down Tiffany's throat and all over her face.

This is the end of the scenario. The last scene could be repeatable.

New Models:

Dog – Short haired mutt with huge dick and balls. Comically huge dick, especially when knot is engorged."

## Submission #5

### Jim's Synopsis:

Tiffany rescues Vanessa's brother, "Billy" from Sydney's clutches and has the option to help him out with some problems he's been having since Sydney force fed him some F.W.I. experimental drugs...

### Sex Scenes:

1. Sydney fucks herself with Billy(who is chained up)'s giant cock from a doggystyle position.
2. Tiffany helps relieve a chained up Billy with a boobjob while sucking his glans.

### Original Submission:

#### **Chained up Billy**

"The quest starts with Vanessa. Dialogues will also not be the best, and I think you can polish them to the point you are satisfied with.

Vanessa: "Could I ask you for something?"

Tiffany: "Sure, whats on your mind?"

V: "I think I know where you might find some more survivors, and my brother might be among them. There is a clubhouse that my brother was always hanging out at with his friends. Could you please have a look?"

T: "No problem, ill check it out."

\* Tiffany gets to the building that Vanessa mentioned. Sydney is seen heading into the same building. \*

T: "This must be it, but why is Sydney here? She can't be up to any good... I need to get in there without being seen."

T: "There is a window on the side here. I might be able to sneak up on her if I go in that way."

\* Tiffany heads in the back way and sees Sydney talking to a person chained to a wall by his wrists. He is wearing nothing but a pair of severely stretched underwear, soaked through with precum. He seems to be just a teen, not very tall but quite handsome. His package is huge when compared to his size, about the size of Robert's member, but the rest of him is about half the size. He seems to be in quite the discomfort, almost pain.\*

Sydney: "So, how is my pet doing today? How much precum have you wasted today? Hope you didn't miss me \*too\* much. (She is laughing as she is taunting him.)

Billy: "Please, why are you doing this? It's starting to hurt!"

S: "Oh, I just love teasing pretty boys, gets me all hot and wet."

T: \*Thinking\* "What is she doing? What are all those pillbottles? Is she drugging this poor man?"

WHAT SHOULD TIFFANY DO?

1. Watch a bit more
2. Intervene

1. Watch a bit more  
(This part is "optional", and then continues as if you chose "Intervene")

\* Sydney rips off the pair of boxers barely containing the monster donger.

To explain his dick in more detail: about the same as Robert but maybe slightly smaller, he has MASSIVE balls and a BIG ROUND head at the end of his dick. Big pulsing veins going from his dick almost down to his balls. Imagine Bane from Batman while he is juiced up on his steroids. This dick is not normal, but a superdick enhanced by only the best chemicals you could find.

She licks her lips and gets very excited. \*

T: \*Thinking\* "Wow, he is huge! She must be forcing him to eat those pills."

S: "WOW, those drugs ARE effective! You must have grown at least a couple of inches since last time we played. This is going to be a challenge, but a fun one.

Sydney then takes off her panties and backs up on the huge member, having her fun, but not letting the boy finish.

Scene in more detail: Standing doggystyle. Male is chained to the wall with chains on his wrists. Sydney is standing in front of him facing away and bending over so that his dick is the right position for fucking her. Deep strokes, she really has to angle her legs so that she can take it from head to balls with every stroke. The male is humping wildly and Sydney is also throwing herself back on the dick. As Sydney climaxes she lets the dick rest on her back between her buttcheeks and squirts heavily on the ground. Several big globs of precum is leaking out of the monster that was inside Sydney. She has an explosive orgasm but leaving her partner unsatisfied.

B: "Please, I need to cum! This is torture!"

S: "Oh no, you can't cum yet, I'm going to have so much more fun with you before that ever happens.

## 2. Intervene

T: "Sydney! Let him go!"

S: "Oh shoot! Stupid Tiffany here to ruin my fun!

(Maybe add in a battle where you beat Sydney, but she gets away. Or maybe she just runs away as soon as Tiffany reveals herself)

T: "Are you okay? Did she hurt you?"

B: "Im fine, but she made me swallow so many pills it made my dick grow huge. My balls are so full it feels like they are going to burst! You have to help me!"

T: "Don't worry, ill get you out of these chains. Where does she keep the keys?"

B: "There is no time! I need help in other ways first. I don't know how much longer I can take it! It feels like my dick is about to explode!"

## WHAT SHOULD TIFFANY DO?

1. Tell him to hold out just a bit longer
2. Help him out with his problem (Boobjob with head of dick in her mouth)

### 1. Tell him to hold out just a bit longer

T: "Just hold out for a little bit longer! Ill find the keys."

\* Tiffany then searches the place and finds some supplies and the key to the chains. She can then choose between these options\*  
Get him out of the chains

\*Lie\* I can't find them. Help him with his problem

Get him out of the chains:

T: "I found the keys!"

B: "Please hurry, I need to cum"

\* Tiffany releases Billy and he immediately starts jacking off and spurting huge loads all over the place (And maybe on Tiffany \*wink\*)

T: "Wow, that was a huge load! What did she make you take?"

B: "Some F.W.I. concoction. It made me huge and my balls always feel like they are full. Thanks for saving me."

T: "No problems. We are a group of survivors holed up in the pharmacy, do you want to come?"

B: (This is where I would add him as a repeatable fuck back at the Pharmacy. Helping him empty his balls etc. This would be up to you. Could be the same Boobjob with sucking the head, or something else. Your choice! Otherwise use something like this dialogue.) "

\*Lie\* T: "I can't find them". - Help him with his problem (This is the same as if you chose "Help with his problem" below:)

Help him out with his problem (Boobjob with head of dick in her mouth)

T: "You are right we really need to take care of that monster before anything else."

Tiffany gets on her knees and takes the boys member between her tits, licking her lips and prepares to service his dick the best she can. She is quite impressed by the size compared to the rest of his body, but his dick is just her type: Huge and Hard

Sex Scene in more detail: The male is still chained up to the wall as before. Tiffany is kneeling before the male with his dick right up between her tits. The head of his dick is right in front of her face, rubbing up and down at a rapid pace. The glands of his huge penis is rubbing all over Tiffany's face and is leaking precum all over her. She then takes the big round head of his dick in her mouth. Both Tiffany and the male is loving what is happening and then he explodes in her mouth with such force that she is taken back by the huge load. Cum spraying all over her face and chest as she licks her lips with delight.

T: "Wow, that was some load there, you were really backed up."

B: "Thank you! I really needed that. She only let me cum twice a week, and my balls fill up in about 15 minutes again. Those F.W.I. drugs are way too strong."

T: "Ill see if I can find those keys now."

\* Tiffany then finds the keys and some supplies and frees Bobby. She asks him to join the others at the pharmacy. Billy heads there.

New Models:

Billy– Short muscular red/maroon haired guy. Penis is huge compared to the rest of his body because of being drugged by Sydney. When designing his penis make sure to have these three things in mind:

1. The head of his dick is abnormally big compared to the rest of his penis (mushroom like).
2. His dick is very vascular. His dick looks like it does bodybuilding
3. He has big balls. Slightly bigger than grapefruits.”

## Jim's Synopsis:

Tiffany stumbles across Queen Alice, a survivor who is a dedicated BDSM Mistress and appears to have survived by enslaving the zombies who try to mess with her... In anycase, will Tiffany become her new plaything?

## Sex Scenes:

1. Tiffany is whipped by Alice & fucked by here zombie slave while bound in pigeonholes.  
OR
2. Tiffany servers her new mistress and is bound to an x-cross and fucked by Alice using a huge dildo.

## Original Submission:

### **Queen of Zlaves**

“Tiffany walks through the town and suddenly sees a zombie who enters the house through the opened door.

Tiffany

*That's strange... I swear, this zombie was collared and ball-gagged!  
I must find out what's going on.*

Tiffany comes to the house, opens the door... and finds herself in the dark Dungeon full of strange BDSM devices like X-crosses and other.

Moreover, there are several zombies locked up in big cages. These zombies are collared and ball-gagged.

And finally, a big part of the Dungeon is separated with a transparent wall made of armored glass. Behind this wall there is a big black throne and a woman in a black Dominatrix outfit sitting on it.

Suddenly the woman stands up from her throne. A hidden door in the glass wall opens, and the woman leaves her protected area and approaches Tiffany.

The woman has long dark hair and big (but not giant) boobs. She is wearing a classic Dominatrix outfit made of black leather straps. Her leather panties have a zipper on her crotch. The woman holds a big whip and smiles dangerous and seductive at the same time.

Queen Alice

*Well-well, a little girl came to my dungeon willingly... Nice to meet you, birdie.*

Tiffany

*Who are you?*

Queen Alice

*I am Queen Alice. And what's your name?*

Tiffany

*My name is Tiffany. I'm here to investigate this zombie epidemic.*

Queen Alice

*Oh, so you are a brave little girl. I like it. Selfless girls like you always make the best slaves.*

Tiffany

*I am not...*

Queen Alice

*Shhh! No rush! I see you have a question that you can't wait to ask.*

Tiffany

*Yes, I have one. What's going on here?*

Queen Alice

*I am the Mistress, and this is my Dungeon.*

*What for these collared guys, they are my slaves... at least, they were before epidemic.*

*But I am kind of nostalgic for good old times, so I still keep my slaves with me, and even let them go for a walk sometimes.*

*I think this makes me a real good Mistress, don't you think? So you are very lucky, cause now you can serve me.*

Tiffany

*Serve you?*

Queen Alice

*Yes. My slaves are cute, but brainless, so they can't follow my orders. That's why I'm looking for a person who will obey me... and get all the cruel punishments and sweet rewards. My perfect slave. And I see you can become one.*

*So, do you want to prove your loyalty to Queen Alice?*

Tiffany can choose: "No, I'm not your slave" or "Yes, Mistress!"

### **1) If Tiffany chooses "No, I'm not your slave"**

Tiffany

*No, I'm not your slave!*

Queen Alice

*What a pity... But it's your decision. You can go now...  
... but first, we'll have some fun!  
Go get her!*  
- says Queen Alice, pointing at Tiffany.

Queen Alice returns to her protected area, and the door in glass wall closes.  
And a moment later 2 zombies' cages are opened, and Tiffany is attacked by two  
Slave Zombies.  
They are regular male zombies, but gagged, collared and wearing leather straps.

***a) If Tiffany kills zombies,***

Queen Alice approaches our heroine again.

Queen Alice  
*You crazy bitch! You killed my slaves!  
But you were really, really good at it... Too bad you don't want to be my slave.  
It's lucky that I have several more. And now - go away and never come back... birdie!*

Tiffany appears in the city outside the house, but now the door is closed.

***b) If Tiffany is defeated or submits to zombies,***

there is a sex scene.

Tiffany is bound in pidgeonholes with her ass up in the air (like this  
[https://cs9.pikabu.ru/post\\_img/big/2017/05/06/10/1494092340117163970.jpg](https://cs9.pikabu.ru/post_img/big/2017/05/06/10/1494092340117163970.jpg)),  
and gagged with giant ball-gag, that barely fits into her mouth.

Queen Alice whips her with her whip, and we can see Tiffany's thoughts:

Tiffany  
*Mmm!*  
*(And you call this whipping? Huh! Can you whip me harder, bitch?)*

Tiffany  
*Mmmph!*  
*(Ouch! This was painful!)*

Tiffany  
*Mmmmm...*  
*(Pretty please, can I be your pain-slave, Mistress of Whips?)*

Then Queen Alice stops whipping, and a zombie slave appears.

Queen Alice

*Fuck this slut and make her a zombie too!*

Zombie fucks Tiffany from behind, in 3 stages (slow, fast and cumming)

Tiffany

*Mmmm...*

*(Oh hi big boy... or should i call you Master? Oh yeah, I definitely should, or you will punish me with your cock)*

Tiffany

*Mmmpfh!*

*(Yes, Master, fuck your dumb slave! My cunt is your property. I am your property!)*

Tiffany

*MMMMMM!*

*(Master, don't punish your whore with non-cumming! Please, fill your cumslut with your hot jizz!)*

After this sex scene slaves return to the cages, and Tiffany has another dialogue with Queen Alice.

Queen Alice

*So you are immune, slut? Lucky you! Now get away from my dungeon!*

Tiffany appears in the city outside the house, but now the door is closed.

## **2) If Tiffany chooses "Yes, Mistress!"**

Tiffany

*Yes, Mistress! What can I do for you?*

Queen Alice

*Good girl! I was not mistaken in you.*

*Now listen to me very carefully.*

*Bring me a big black case, it's in my house in the east of the town.*

Tiffany

*What is in this case?*

Queen Alice

*Does it matter for a good slave?*

Tiffany

*No, Mistress, sorry!*

Queen Alice  
*Now go on!*

Tiffany leaves the Dungeon.

[If Tiffany returns without the case, Queen Alice is angry.

Queen Alice  
*Where is a case, slave? Go find it now!]*

So Tiffany goes to the house in the east of the town - it is just an ordinary flat. In one of the rooms she finds a long black case. But there is zombie near it, and Tiffany has to kill it.

Then Tiffany comes back to the Dungeon.

Queen Alice  
*Have you find it? Good. Give it to me.*

Tiffany gives a case to Queen Alice.

Queen Alice  
*You were wondering what is in this case. So what do you think?*

Tiffany  
*I don't know, Mistress. It is something long... a weapon may be? Like a rifle?*

Queen Alice  
(with a devilish smile)  
*A weapon? Yeah, kind of...*

Now we see what was in this case - it is a giant black strap-on, and now it is attached to the Queen Alice's panties.

Tiffany's face expression goes surprised and aroused.

Queen Alice  
*... and I'm gonna test this weapon on you.  
Because a good slave like you deserves some stimulation...*

And then there is a sex scene.

Queen Alice fastens Tiffany to the big X-cross, face forward, and gags her with a big ball-gag.

Then Queen takes a candle and drips a candle wax on Tiffany's giant boobs.

Queen Alice  
*First, let's warm you up, slave.*

Tiffany  
*Mmm!*  
*(It's hot! And SHE is even more hotter)*

Tiffany  
*Mmpfh!*  
*(Ouch! She treats me like a real slave... hell I love it)*

Tiffany  
*Mmmmm....*  
*(I'm such a painslut... And she's my Queen of Pain)*

Then Queen Alice stops waxing and approaches Tiffany with her big strap-on.

Queen Alice  
*Time for your reward, little slavegirl... you found this cock for me, and now you'll be the first to feel it inside!*

Queen Alice fucks Tiffany in 3 stages (slow, fast and cumming)

Tiffany  
*Mmm!*  
*(Wow! It's really big... Mistress wants to tear her slave apart... please do it Mistress)*

Tiffany  
*Mmmmm!*  
*(Yes, Mistress! Your slave is happy to serve you as a fuckhole!)*

Tiffany  
*Mmmmmm!!*  
*(Mistress, let your slut cum for you... please... let me cum Mistress)*

After this sex scene we have another dialogue with Queen Alice.

Queen Alice  
*Good slave... so tender and obedient...*

Tiffany  
*Thanks, Mistress...*

Queen Alice  
*And now it's time for you to go.*

Tiffany  
*But Mistress...*

Queen Alice  
*Don't worry, girl. I will contact you if I need your help. And now fly, birdie, and find a cure for this epidemic.*

Tiffany appears in the city outside the house.  
The door is closed (if it was a single encounter with Queen Alice) or it can be opened for future quests from Mistress.”

When Tiffany enters the gun shop, a dialogue between her and George starts (his face color is very pale).

T: Hello George, can we ... oh you really don't look very healthy today. Are you ok big boy?

G: It's just a little cold Tiffany, nothing that could kill me. What do you want?

T (thinking): Hmm as always he's coming directly to business. I have to make him trust me more, so I can influence him. Maybe I can handle out an advantageous deal for me and the girls in the Pharmacy.

T: Never mind what I wanted, it can wait. Right now I'm just really concerned about your well being. Nowadays every illness or injury should be taken seriously. Since I don't want to lose you as my friend I would like to help you. Recently I got to know someone with medical training who could help with your cold and give you a quick all round health checkup. Doesn't this sound like a good plan?

G: Well, I guess you are right, but...

T: Please let me do this for you, I don't want you to end up like Robert. I really liked your brother.

G: Okay Tiffany, you got me with that, bring me the medic and I will see what I can do for you!

- quest text changes: Get back to the pharmacy and tell Hitomi about George's health status.

Tiffany enters the pharmacy basement.

T: Hi Hitomi, how are you doing?

H: Hello Tiffany, everything is fine, I'm just doing some tests for my current analysis.

T: Listen Hitomi, I need your help.

H: Since you protected me from getting impregnated by Dr. Milburn, I would do anything for you - tell me how I can help you.

T: There's the owner of a weapon shop nearby, called George. We need his help to gear up our weapon arsenal and defend us from attacking zombies or any of these freaks running around outside.

But George has a very strong cold and I'm afraid it could get worse or even kill him if he doesn't get the right medicine and a proper all round checkup by an experienced nurse like you.

H: Okay this will be no problem, I know exactly what he needs. I'm going to make him my Vita-smooth-X shake.

You just have to bring me the following ingredients. Fresh fruits from the farm and the cold blocker pills under the desk in my house. Then I'll mix the smoothie and we're ready to bring it to George.

- quest text changes: Get fresh fruits from Jebediah's farm and the cold blocker pills from Hitomi's house. Bring it back to Hitomi.

Tiffany gets fresh fruits from the farm (implicating that Jebediah's and her relationship is great, so he doesn't care if Tiffany gets 3 random fruits without telling him - or start existing fruit farming event/task) and the cold blocker pills from Hitomi's house. Then she returns to the pharmacy basement.

T: Here you go Hitomi, I got everything.

H: Perfect, just wait a Second.

Hitomi goes to a table (mixer sound maybe)

T: It is really important that you absolutely do everything to get him back to his full strength. We need him as a loyal weapon supplier!

H: Ok I will do my very best for George ... so, just adding the pills, and done! Let's visit my patient.

- quest text changes: Lead Hitomi the way to George's gun shop.

Tiffany and Hitomi go to George's gun shop, he already opens the door. (He can't believe his eyes when seeing Hitomi's tits) 0

G: Well hello there my little Asian nurse. You can already get inside and make yourself comfortable, I will be with you in a second.

Hitomi goes inside, George talks to Tiffany.

G: Hi Tiffany, I think I know what you're doing here, and I'm not an idiot. It wasn't my idea to get medical help from you, so this won't make me owe you anything! However, I just laid eyes on something that I'll gladly enter your debt for. I want those juicy, fat tits of your friend, in exchange for better prices from my store...

T (thinking): Oh damn, this didn't work out quite as intended. He instantly understood what I was trying to do. How should I handle this?

Choice tab opens:

- Refuse his offer
- Accept his offer

Refuse:

T: I won't sell Hitomi's body to you. We'll have to make another deal, another time! You can have the vitamin shake but we're leaving now!

Tiffany enters the shop and talks to Hitomi.

T: Come on Hitomi, this guy doesn't want our help. Leave the shake on the table and come with me.

H: Uhm okay ... ?!?! (blushes, while watching the huge bulge in George's pants) [+1 Hitomi love for big cocks]

Tiffany and Hitomi are again in front of George's gun shop, quest will be finished.

Accept:

T: Damn you George, I could really use that discount. Isn't there another way we can handle this?

G: No. For now this is the only deal I'll give you. Perhaps we can become good trade partners, depends on how things will go with your nurse.

T: Fine if that's my only chance... you can do with her what you want.

G: Deal! And Tiffany ... one more thing. I don't need you inside, you can wait in front of the door. I promise that I won't hurt her, at least not that much.

George slams the door and locks it!

H: Hello big guy, my name is Hitomi.

G: I'm George, nice to meet you.

H: Tiffany told me about your cold, so I prepared my Vita-smooth-X shake for you. Drink it and you should feel better right away.

George drinks the shake (his pale face color disappears)

G: Oh wow, I didn't expect that, I'm already feeling much better. Like my complete power came back in an instant.

H: Just as I expected, you are already looking much better and even stronger.

H (thinking): I'm really not looking forward to the next part. This guy is super fat and ugly. And what's up with his left leg? It looks really swollen.

But Tiffany said that he is an important supplier and I should do anything to keep him healthy, so I guess there's no way around it - let's get it over with.

H: Okay so Tiffany said I should do some all round checkup. Let me start with your legs.

Now Hitomi knees in front of George. 1

H: Let me help to get you out of your pants.

She removes his pants and immediately falls into shock rigid by the sight of this. George's huge cock hanging out of his boxers beneath his left leg, reaching already the ground. His balls completely stretching out his boxers. 2

H (thinking): Oh my god... I thought he has a swollen leg... is this really his cock?? This is just enormous! [+3 Hitomi love for big cocks] These huge balls probably produce the strongest and best sperms ever. I bet if he ejaculates inside of me there's a 100% chance to get pregnant. If I want to satisfy my desire to have children I must use this chance. Who knows how much men with superior genes are still alive out there. And he also seems to be a nice guy... dear lord this horse cock just outweighs his ugliness by miles!!

G: So it seems you like what you discovered. This will make things easier.

George makes Hitomi stand up and turns her around (he is standing right next behind her now). As he moves her bra besides, making her tits fall out, his half erected cock is sticking already between Hitomi's legs touching her pussy. 3

G: If you want that weapon deal to work, do as I say and don't resist!

H: Uhm.. okay big guy, are you going to fuck me now?

H (thinking): I'm beginning to like this.

G: Not yet, at first I want to have some fun with your big tits!

George(still behind, same pose) slaps Hitomi's Tits from underneath to make them bounce. 4

Then he squeezes them. Hitomi blushes, sticks her tongue out and drools full of excitement. 5

H: Oh Yeah I love that strong grip on my tits!

With this sentence George's cock is fully erected between Hitomi's legs, pressing hard against her pussy and lifting her fully up from the ground. 6

G: Grab that dick with both of your hands.

Hitomi grabs his cock with both her hands, making her arms pressing her tits together. Her pussy fluids flowing all over George's cock. 7

G: Now suck my dick while you sit on it!

Still lifted up, sitting on his dick, Hitomi bends over, (her tits hanging down left and right beneath his cock) and starts sucking on the tip of his cock. 8

H (thinking): Holy fuck that cock has so much power, it is carrying me without any problems.

G: Oh Yeah you horny little nurse, now take my load and swallow all of it!

A little more sucking ...

As George starts to cum in her mouth he again squeezes her tits and holds them tight so Hitomi can't move away. Hitomi starts swallowing. But it is too much, so Hitomi opens her mouth and the rest of the load covers all of her face and tits. 9

G: I said swallow it all!

H (coughing): I couldn't take it anymore, it was just too much cum ...

G: Girls who don't listen, need to be punished!

George takes Hitomi off his dick, then makes her bend over on the desk, pressing her

tits (still covered in cum) against it and holding both of her arms behind her back. 10

G: I'm gonna fuck that wet pussy of yours really hard.

H: Oh my god please wait George your cock is too huge I don't think my tight pussy can take it.

G: We'll see about that, no more waiting.

George holds Hitomi in the last pose and pushes his dick deep inside her, fucking her really hard 12

H (full of excitement): Oh holy fuck it's so deep inside of me, stretching my pussy so wide.

Please keep fucking me with that monster cock of yours and fill me up with your hot cum!

After some hard fucking, George starts pumping his cum into her pussy, completely overflowing it (belly extension seeable) 13.

Hitomi got a lucky expression in her face, being exhausted and now her arms are released of George's grip. 14

H: Wow George this was insane, I love your huge cock and how you fuck me with it.

G: Pheww I call this a good start for business relationship. You can leave now, slut.

Hitomi puts her clothes over her cum covered body and leaves the gun shop. Hitomi is back outside with Tiffany.

T: Dear lord Hitomi what did he do to you?

H: I was just negotiating our trade terms. We should be receiving an increased discount from now on!

T (amazed): Wow I never thought you could satisfy a guy like him. Great job Hitomi!

- quest closed."

### Original Submission:

#### Fool me Once

"Hitomi has a quest marker above her head.

Hitomi: *There you are, Tiffany! Quick! We need to hurry. I heard some cries for help from the direction of that shop you always go to! You know... the one with that shameless brute as an owner.*

Tiffany: *Someone is in trouble? You are right! We should run off and help them immediately! And just so you know: George is a very considerate, nice and humble man.*

Hitomi: *If you say so...*

Tiffany and Hitomi walk towards Georges shop (enter the zone – preferably one behind the shop or to the side like a garden/workshop/back alley/etc. The only important thing is that there has to be a huge window from which we can see into the shop – see later – and a door into the shop). In the back of the area is one or more lifeless form/s lying on the ground. They walk towards it/them. When they reach it – Tiffany first and behind her Hitomi – they suddenly hear a loud crash, and the exit is now sealed.

Sydney appears in the door to the shop.

Sydney: *HAHAHA! You big dope! You fell into my trap again?! Get it? Trap?! HAHA Ahhhh... just you wait... In a second you will get it. How does it feel to get bamboozled TWO times with the exact same trick? And I see you even brought another big-titty-bimbo for the party. Well... I wish you a lot of fun with your trap hahaha!*

Sydney then vanishes into the shop.

Tiffany: *HEY! Stop right there! \*whispers\* oh... I have a bad feeling about this...*

The lifeless form on the ground suddenly jumps up and runs towards Tiffany: It is a Futa Zombie ('trap'... god I am hilarious... -.-``).

Hitomi: *OH MY GOD!!!*

Tiffany now may choose if she wants to:

- a) Tiffany fights the zombie and Hitomi follows Sydney into the shop (2 scenes: George-Sydney and George-Hitomi)
  - b) Tiffany and Hitomi fight the zombie together (1 scene: George-Sydney [same scene as above]). They then enter the room together at the end.
- a) Tiffany: *Hitomi, I will fight this Zombie. You need to follow that girl and catch her - I still have to settle a score with her. Fool me once, shame on me. Fool me twice, get a huge dick shoved in your pussy!*

Hitomi: *Are you sure that is how the saying goes? And where do you get that 'huge dick' from?*

Tiffany: *Yeah... I am pretty sure. HA! Just wait ;)*

Hitomi does as she is told and follows Sydney. Tiffany and the Zombie fight.

This is where the sex scenes starts. The room is a basic living room with the huge window on one side. Sydney is entering the room and watches with glee as Tiffany fights. Then George enters.

George: *Now what do we have here? Such a cute little thing. You wouldn't happen to know the rules of trespassing around here, would you? Here... Let me show you.*

Sydney: *W...What? No! Whatever gave you that idea? I was just... I was just... Hey! What are you doi... WHAT IS THAT THING?!?!?!?! \*scream\**

Her face turns to shock. I would like to really point out that the following scenes are on the rough side of things.

Georges gigantic cock is already out and he picks Sydney up. He simply rips her clothes off and starts to align his cock with her pussy.

George: *That is what you get for trying to enter my shop without my permission, you little slut!*

Sydney: *NO! Wait... Please it is too big... It is waaaaaaaay too big! AHHHHHH!*

The sex starts and George really plows Sydney's poor little pussy. (I would like George to fill Sydney's pussy with a gigantic load if possible even though he is still not done. But I think he would have no problem going two rounds – the next one with Hitomi=)

Hitomi enters the room and stares in shock at the display in front of her. As she sees just how huge Georges cock is and how hard he fucks Sydney she screams.

Hitomi: *AHHHHH! What are you doing?! Release the poor girl at once you hung brute!*

George notices her and turns towards her.

George: *As you wish, nurse!*

A manic grin appears on his face. He slides Sydney off his cock and walks towards Hitomi who tries to run away – towards the window.

George: *Two trespassers right after another? This must be my lucky day =D But don't think for a second that just because I fucked one slut I am done for the day. She was just warm-up.*

Hitomi: *NO!!! Get away from me!!*

George walks towards the window, rips off her clothes, simply turns Hitomi around, bends her a bit over, presses her against the window, ready to fuck her doggystyle while she is pressed against the glass. He aligns his cock with her ass hole.

George: *Since you like entering through the backdoor I think I should return the favour, slut!*

Hitomi: *You can't be serious?! Stop! It will never-ever-ever-ever-ever filllllllTTTT... \*scream\**

George: *You still won't shut up, will you? You little cunt! You are so fucking tight!*

Hitomi: *Please... Stop... Too much... I can't... It's just so big... How is this even possible...?*

George has shoved it in – balls deep. He is now fucking her against the window and Hitomi is absolutely losing it. Her face is a mixture of total bliss and pain (Eyes rolled back, tongue sticking out).

We see Hitomi's huge tits and the bulge from Georges cock sticking out between them from the outside. George shoots a massive load in her ass and cums for quite some time.

Tiffany, who has finally finished her fight comes inside.

Tiffany: *Hello George! Oh I see you met my friend Hitomi =) And I hope you punished this little slut over there! She has tried to trap me twice now!*

George: *So this lovely nurse is a friend of yours? Well... had I known that I would have been a bit less rough. Not that I regret it hahaha*

Tiffany: *Hahaha. I think I should get her back to the pharmacy. Thanks for catching the girl.*

Sydney suddenly jumps up.

Sydney: *You big dopes! This will have an aftermath! Just you wait!*

She runs away with cum still dripping from her pussy.”
