[Blue] = Noises

(Green) = Tone

You're home! I was starting to feel lonely waiting for you here. How was your day? Did you get everything done? I hope it wasn't too hot.

...

Sorry, am I talking too much? I just missed you a lot. I always miss you whenever you're not with me. Nnngh...why are you patting my head?

...

I'm acting cute? Well, I'll keep acting cute if you keep doing that. I like it when you pet me...it feels good...I always enjoy when you touch me.

[whimper] N-not the ears! Hah...don't touch me there...

...

Why? You know why...don't pretend like you don't...

...

(pouty) You need me to say it? You're teasing me, aren't you? You just like seeing me get flustered.

[whimper] Fine...if I say it, will you stop touching them? Yes? Fine...[low voice] (shy) I get excited when you touch me there.

Be more specific? But you know what I'm trying to say! [moan] Ok ok! I get...hard...when you touch my ears. Happy? (whiny) Can you please stop now?

H-hey! You said you'd stop touching them! Why are you...nngh...putting them in your mouth?

...

You're not touching them, you're licking them? You're being sneaky...hah...it's not fair...you know I'm weak to you.

[moan] If you're gonna mess with me...then at least t-touch me...in the front...please.

No? But...but why?

...

I've been disobedient? All I did was ask you to stop teasing me...I'm not disobeying you.

Don't look at me like that...I-I'm sorry...it's just...you know how embarrassed I get when I get turned on by the simplest things. You could barely touch me and I'd get hard because of it. Tell me how I can make it up to you? Please?

Ok...I'm on my knees...tell me what to do next.

...

(flustered) Of course I know what to call you...M...Master...I haven't forgotten. I'm just...embarrassed, that's all. It makes me feel like a maid.

...

I'm not a maid because I don't do what I'm told? That's not fair. I'm just...shy about this kind of stuff.

You're right...that's why you're training me...so, what can I do for you...Master? *[zipper sfx]*
Do...you want me to suck it? I can do that.

...

(Anytime it says *[wet sfx]* you won't be talking)

W-what? I'm not looking at it...hungrily...you're making things up. I just...like making you feel good. Can I?

[wet sfx] Hah...your cock is so pretty...*[wet sfx]* It fills my mouth up so nicely...*[wet sfx]* I love doing this with you.

[wet sfx] I can feel how hard you are in my mouth. You're practically pulsing.

[moan] M-my ears...that feels good...M-master...*[wet sfx]* Can I touch myself? Please?

...

No? *[whine]* Why not? I've been good...I waited for you all day. I behaved myself. I've been a good boy.

Make you cum first? Ok...fine...I'll make you feel amazing. Just you wait.

[wet sfx] I love hearing you moan, Master...I can feel you vibrating down here...*[wet sfx]* I'm happy that you like my mouth so much...*[wet sfx]* Am I making you feel good? I am? That makes me happy. *[wet sfx]*

[wet sfx] Can I take it deeper? Yes...you know I can. *[wet sfx and choking noises]* *[heavy breathing]* Fuck...*[whimper]* You keep playing with my ears...it feels good, but it's making me...lose focus. My brain is getting all fuzzy.

...

Open my mouth? Ok...like this? *[wet sfx and choking noises]* *[heavy breathing]* oh fuck...Master...I like when you pull my hair when you fuck my mouth...feels good...*[wet sfx and choking noises]* *[heavy breathing]* Keep going...please keep going...

[wet sfx and choking noises] Master...I feel weird...I feel like I'm floating...it feels amazing...I want more...can you give me more?

[wet sfx and choking noises] *[heavy breathing]* I'm a good boy? Yes...yes I'm only good for you. I'm Master's good boy. I'll do whatever you say.

[wet sfx and choking noises] *[heavy breathing]* Give me all you got, Master. I can take it. Fuck my mouth until you cum. I want it. I want you. Please.

[wet sfx and choking noises] *[coughing]* Did you...enjoy that? Did my mouth feel good, Master? I can't see straight...you fucked me so good.

S-sorry...I already came...it just felt so good having your cock down my throat...I couldn't help it. I can't...move my limbs, Master. I feel numb. Could you help your puppy?
