Told you he'd come running in!

All right. Am here!

Hey!

Finally! Thank you for accepting our request, babe.

Yeah... about that... explain!

The meaning of Maya's texts are very clear to Chris, and who can resist the call of booty? He rushes into the women's locker room, not even worrying if somebody is watching or not. The trio of busty and bountiful bimbos stands arrayed before him as he enters.

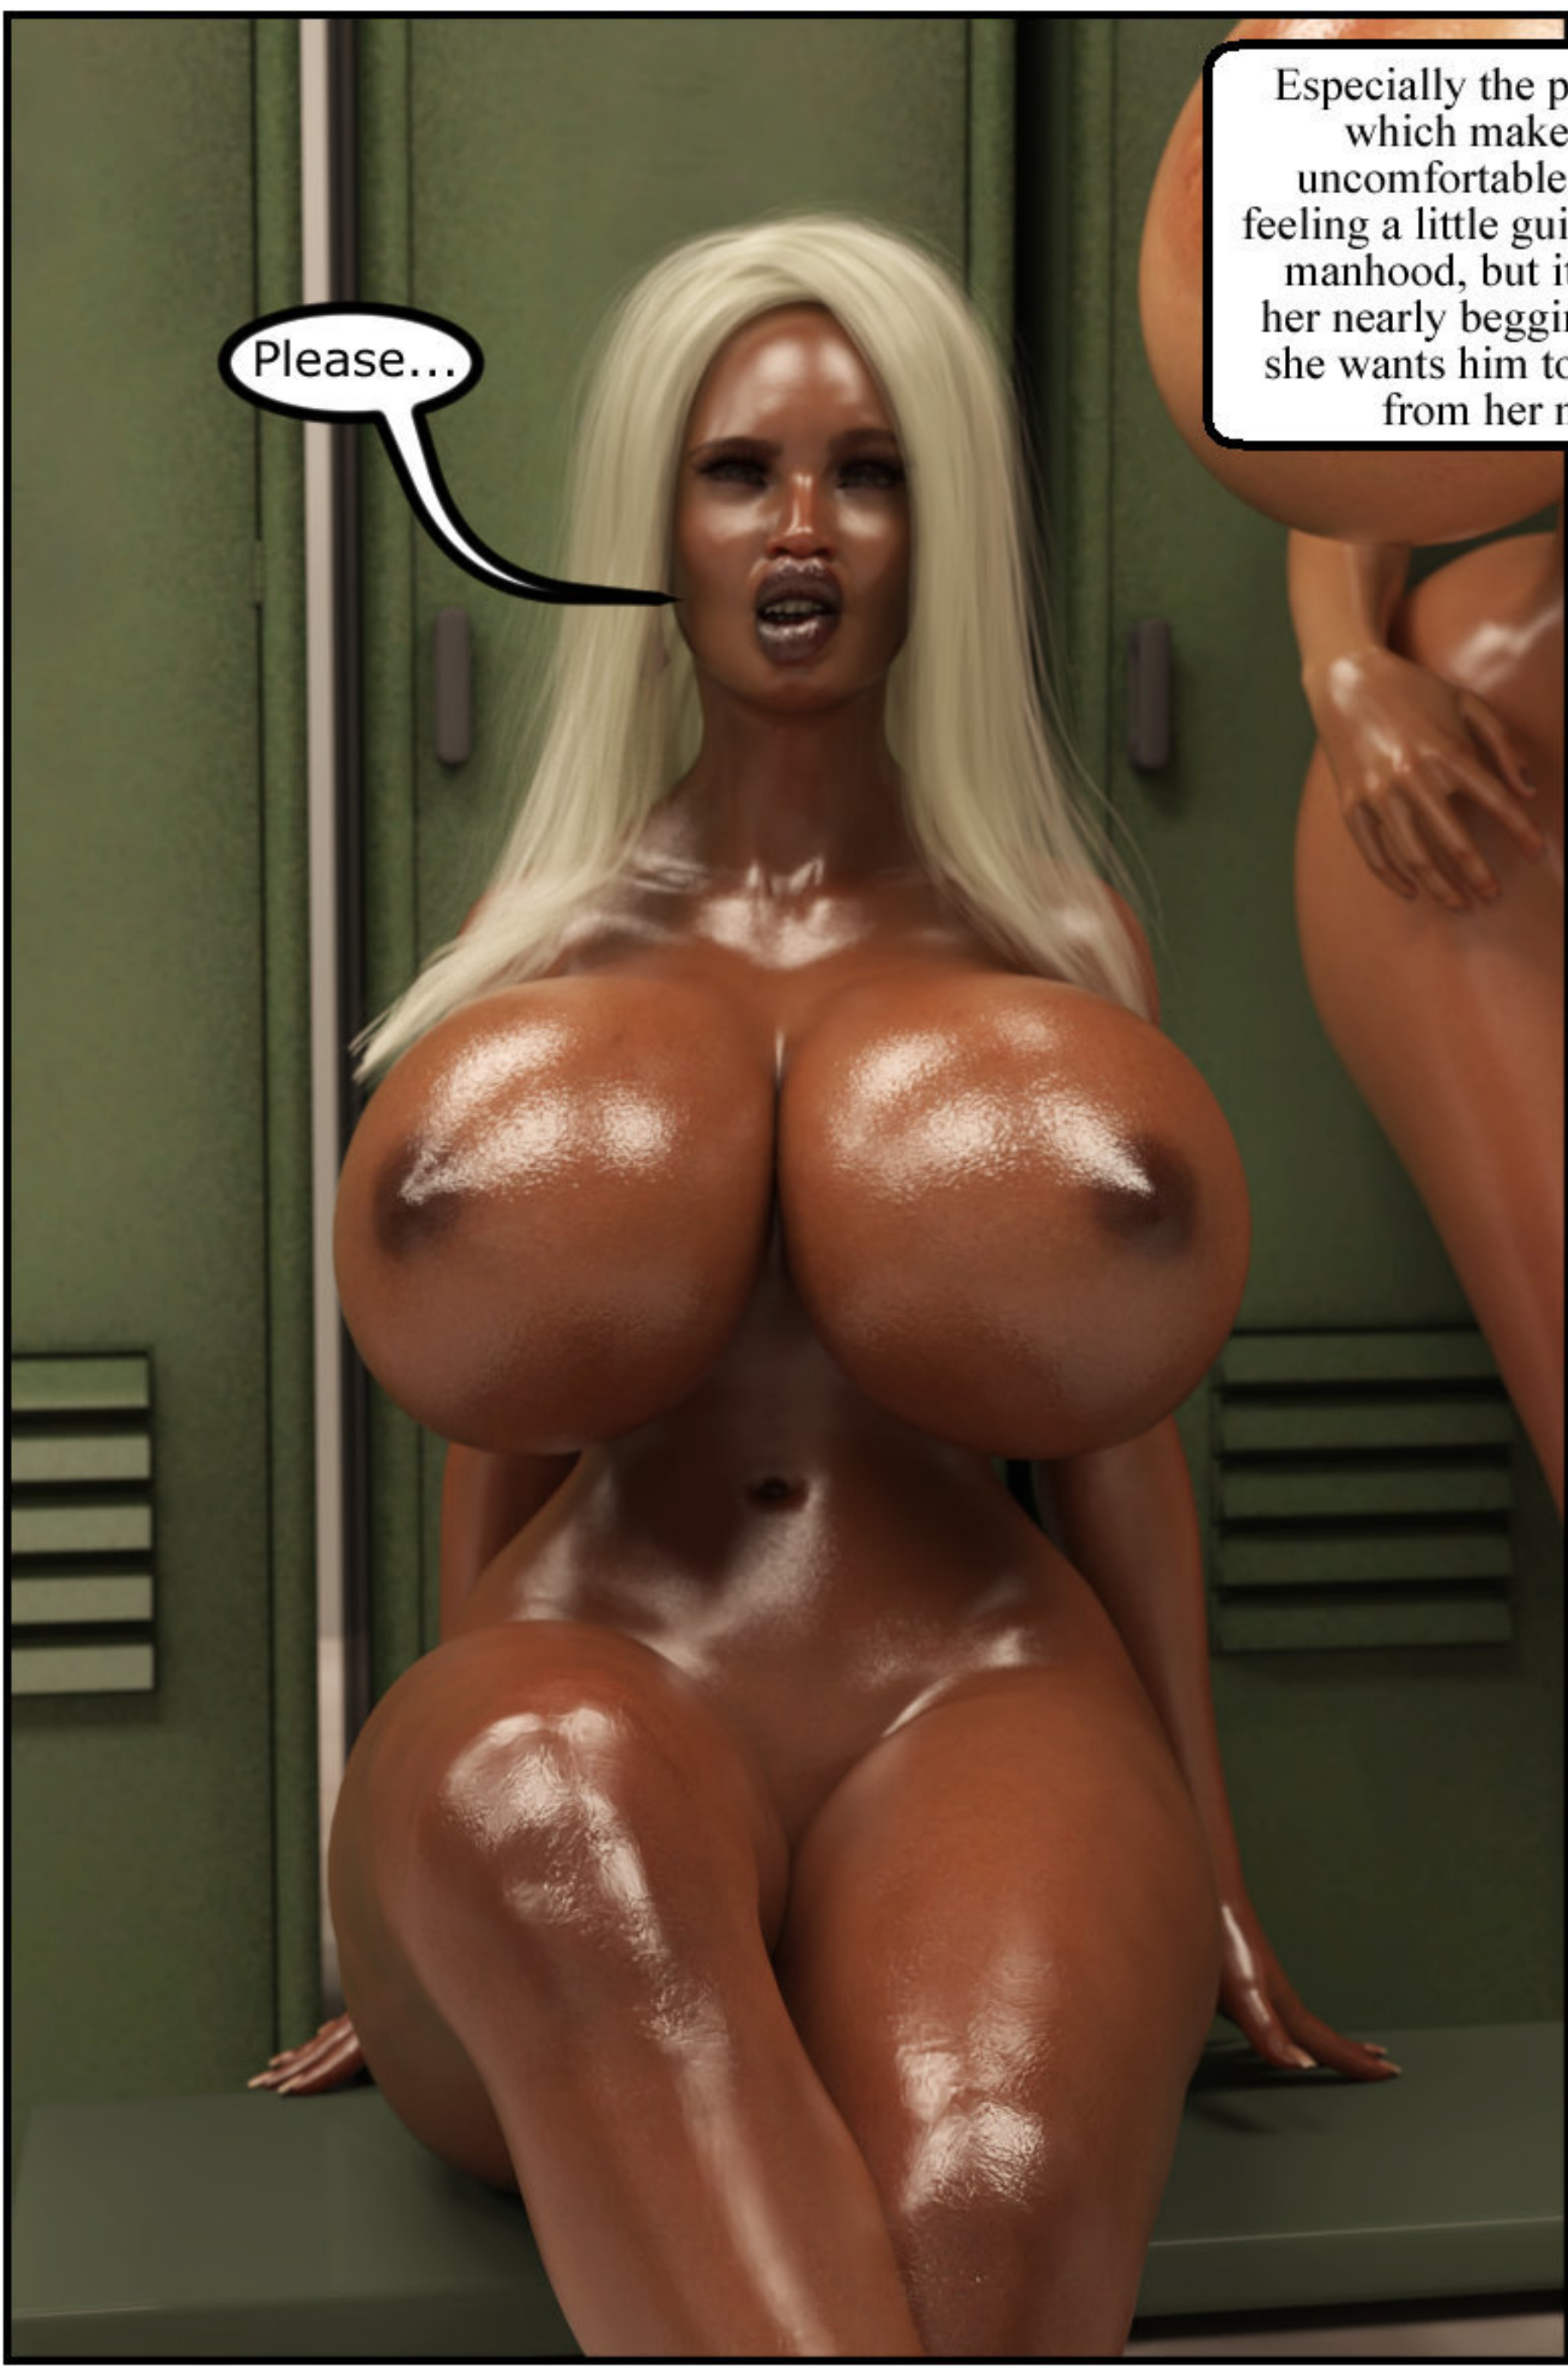

Well,
Honey, thanks
to yesterday's bizarre
incident, I am two sexually
charged women in one body.
I've never felt both Josephine
and Robyn so eager to have their
holes stuffed, and, frankly, it's
quite mockingly stimulating to
think about - to the point
I want to feel
invigorated
by it.

And it
seems my lustful
urges have rubbed
off on our new colleague
here. Tamsi has been asking
about you since last night, and
concerning Maya's status with you.
I told Tamsi everything you did
with Josephine and Maya last
Friday evening. Seems that
made our "little" bimbo here
more curious about what's
under your hood, if
you catch my
drift!

So I
figured if
anyone can make
her experience her first
time as a woman, it
would be you, Chris!
What do you
say?

...

Chris stops cold, as this was not quite what he was expecting. He wasn't really sure what the ladies were up to, but a nearly public gang bang wasn't on his list. Josyn takes the opportunity of the stunned silence to better explain.

Please...

Especially the presence of Tamsi, which makes Chris a little uncomfortable. He was already feeling a little guilty about taking her manhood, but it seems, based on her nearly begging expression, that she wants him to take her virginity from her now as well!

...make me feel like a woman!

All right, but if am going to give you all high expectations of my so-called skills...

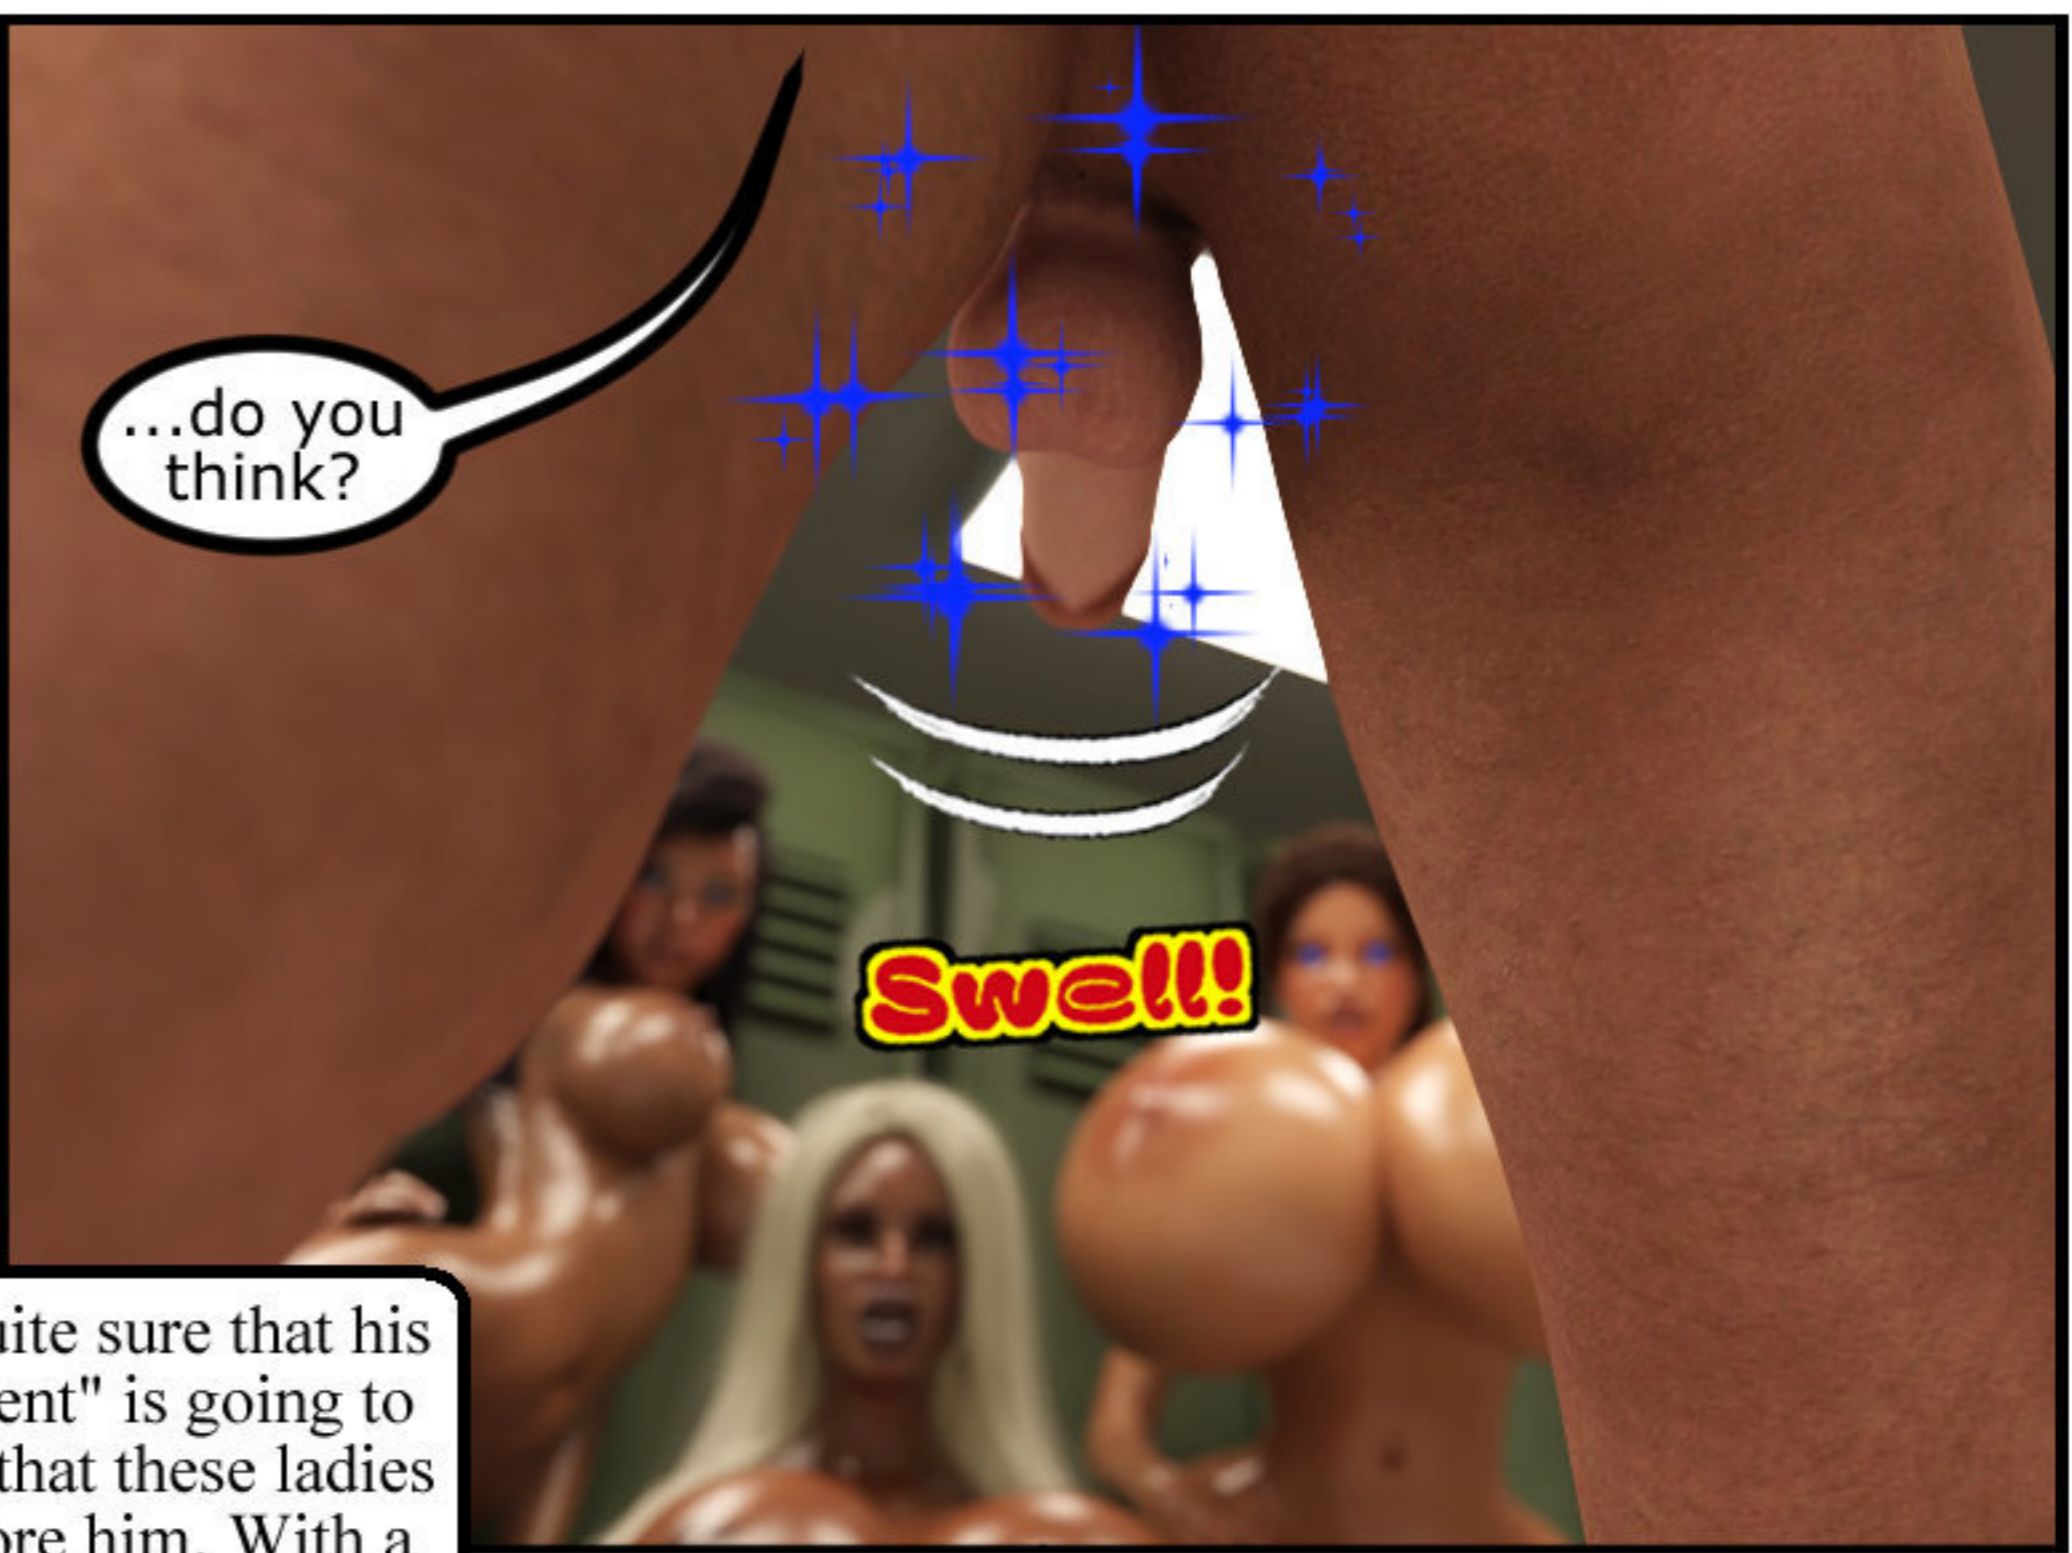

He thinks about refusing for a moment, but then realizes that there really isn't any way that the girls have pressured Tamsi into this. And they would honestly know her better than he would at this point. Shrugging, he begins to strip out of his clothes.

...am gonna need a bit of assistance.

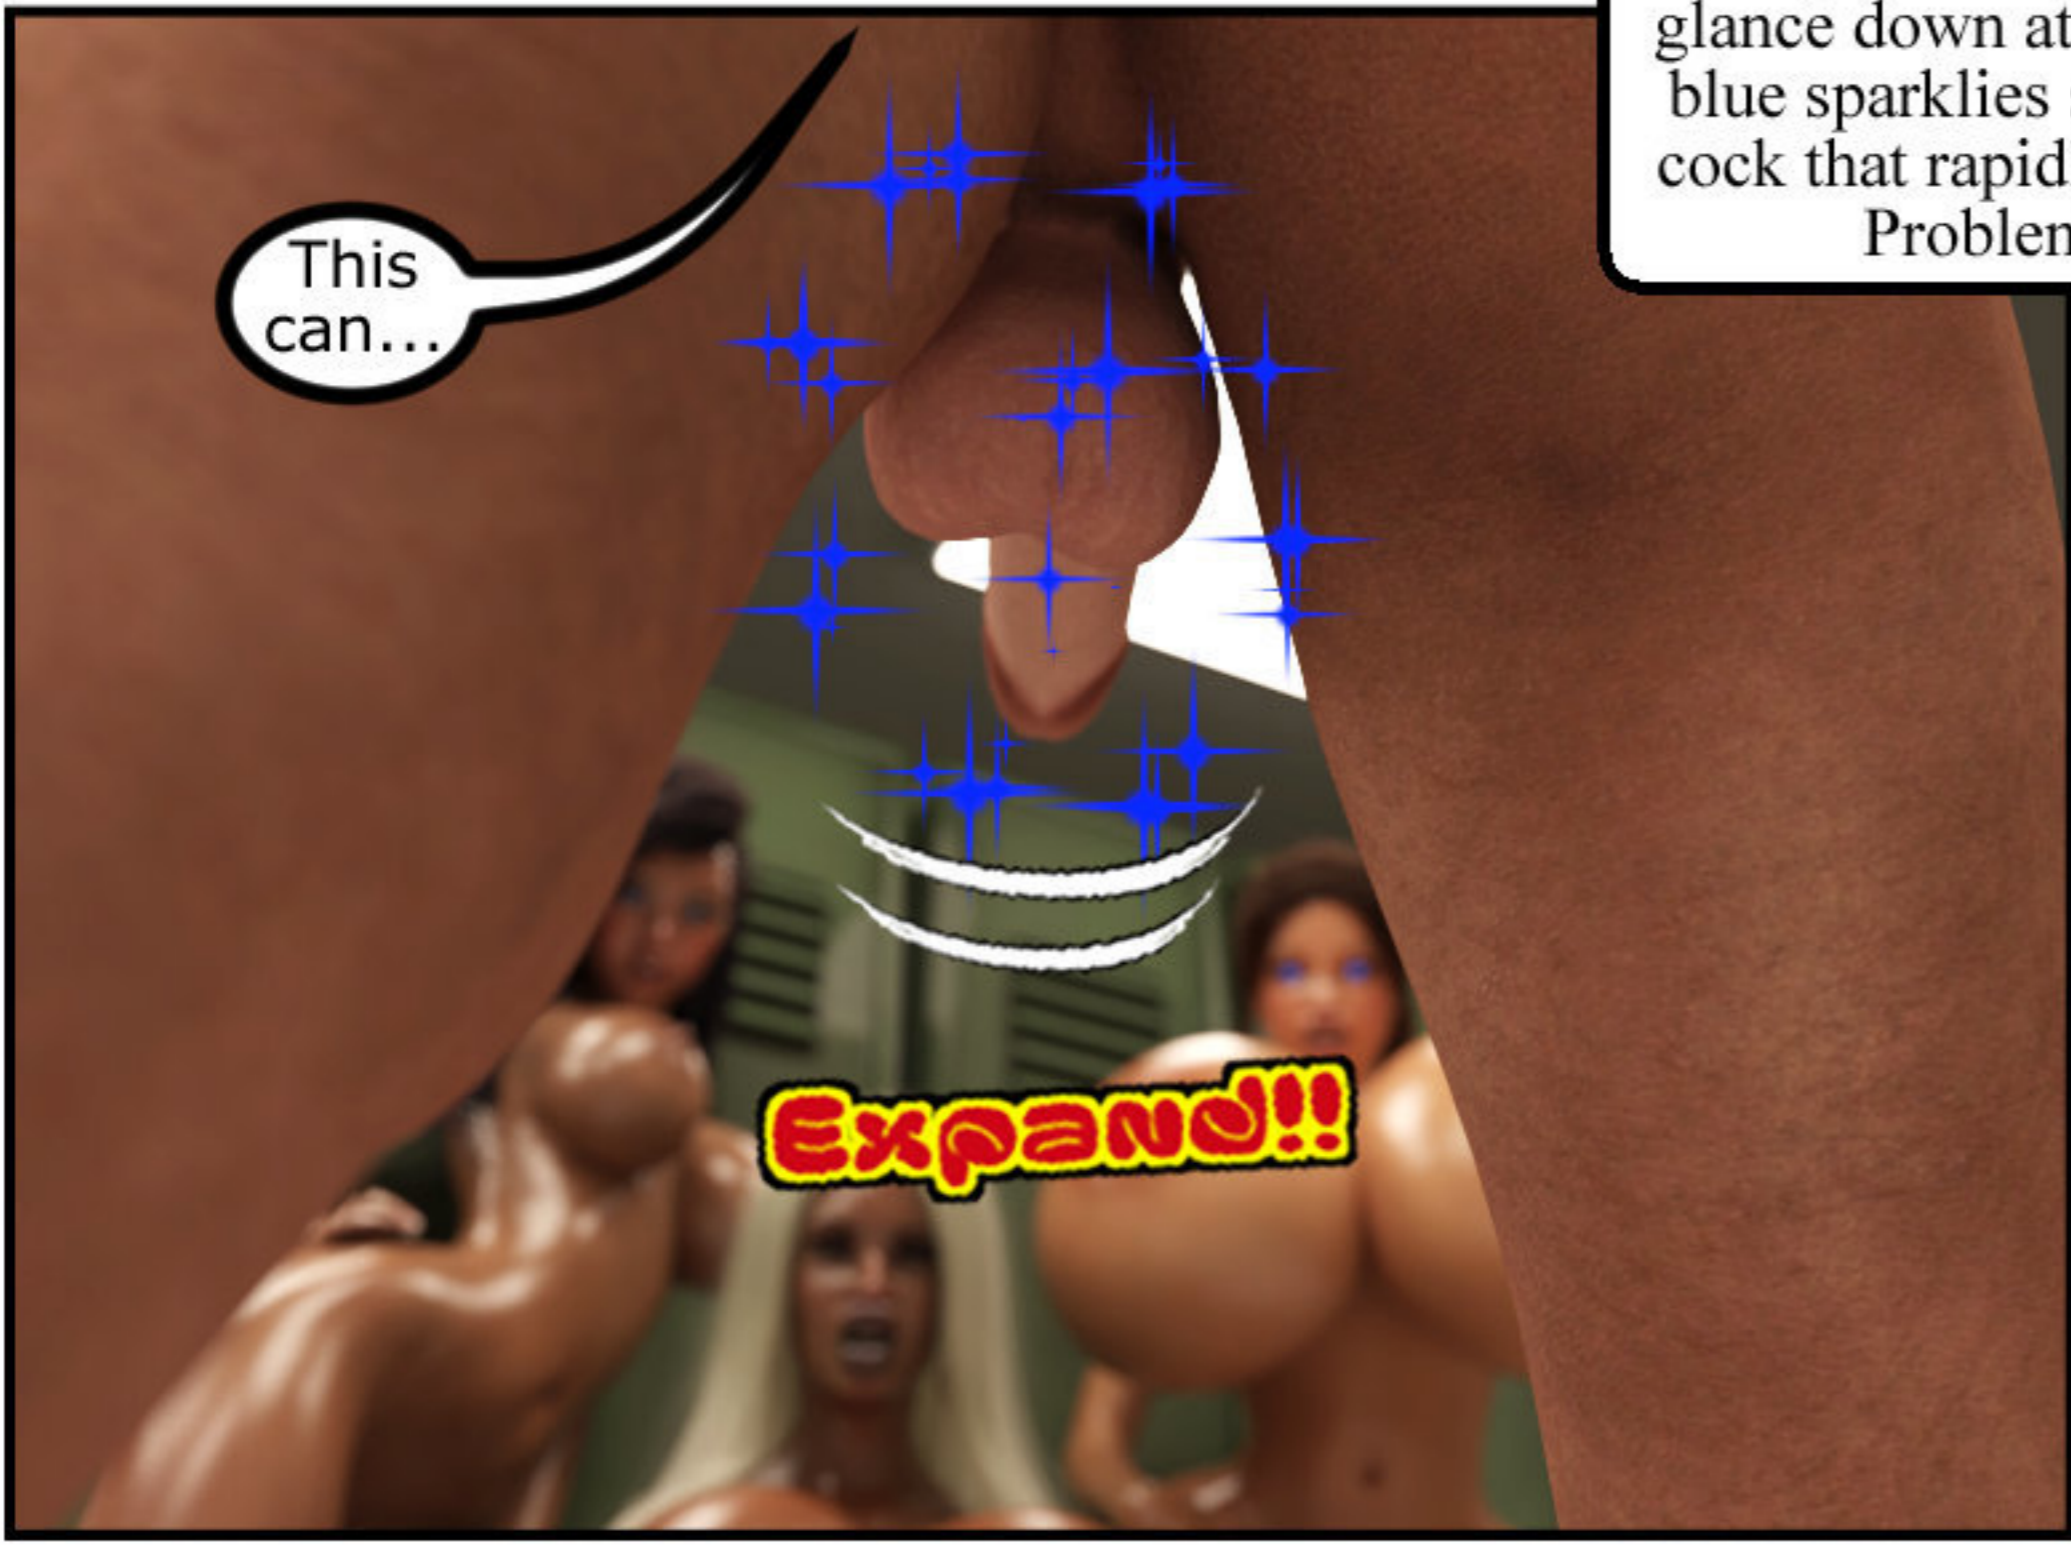

So girls...

...do you think?

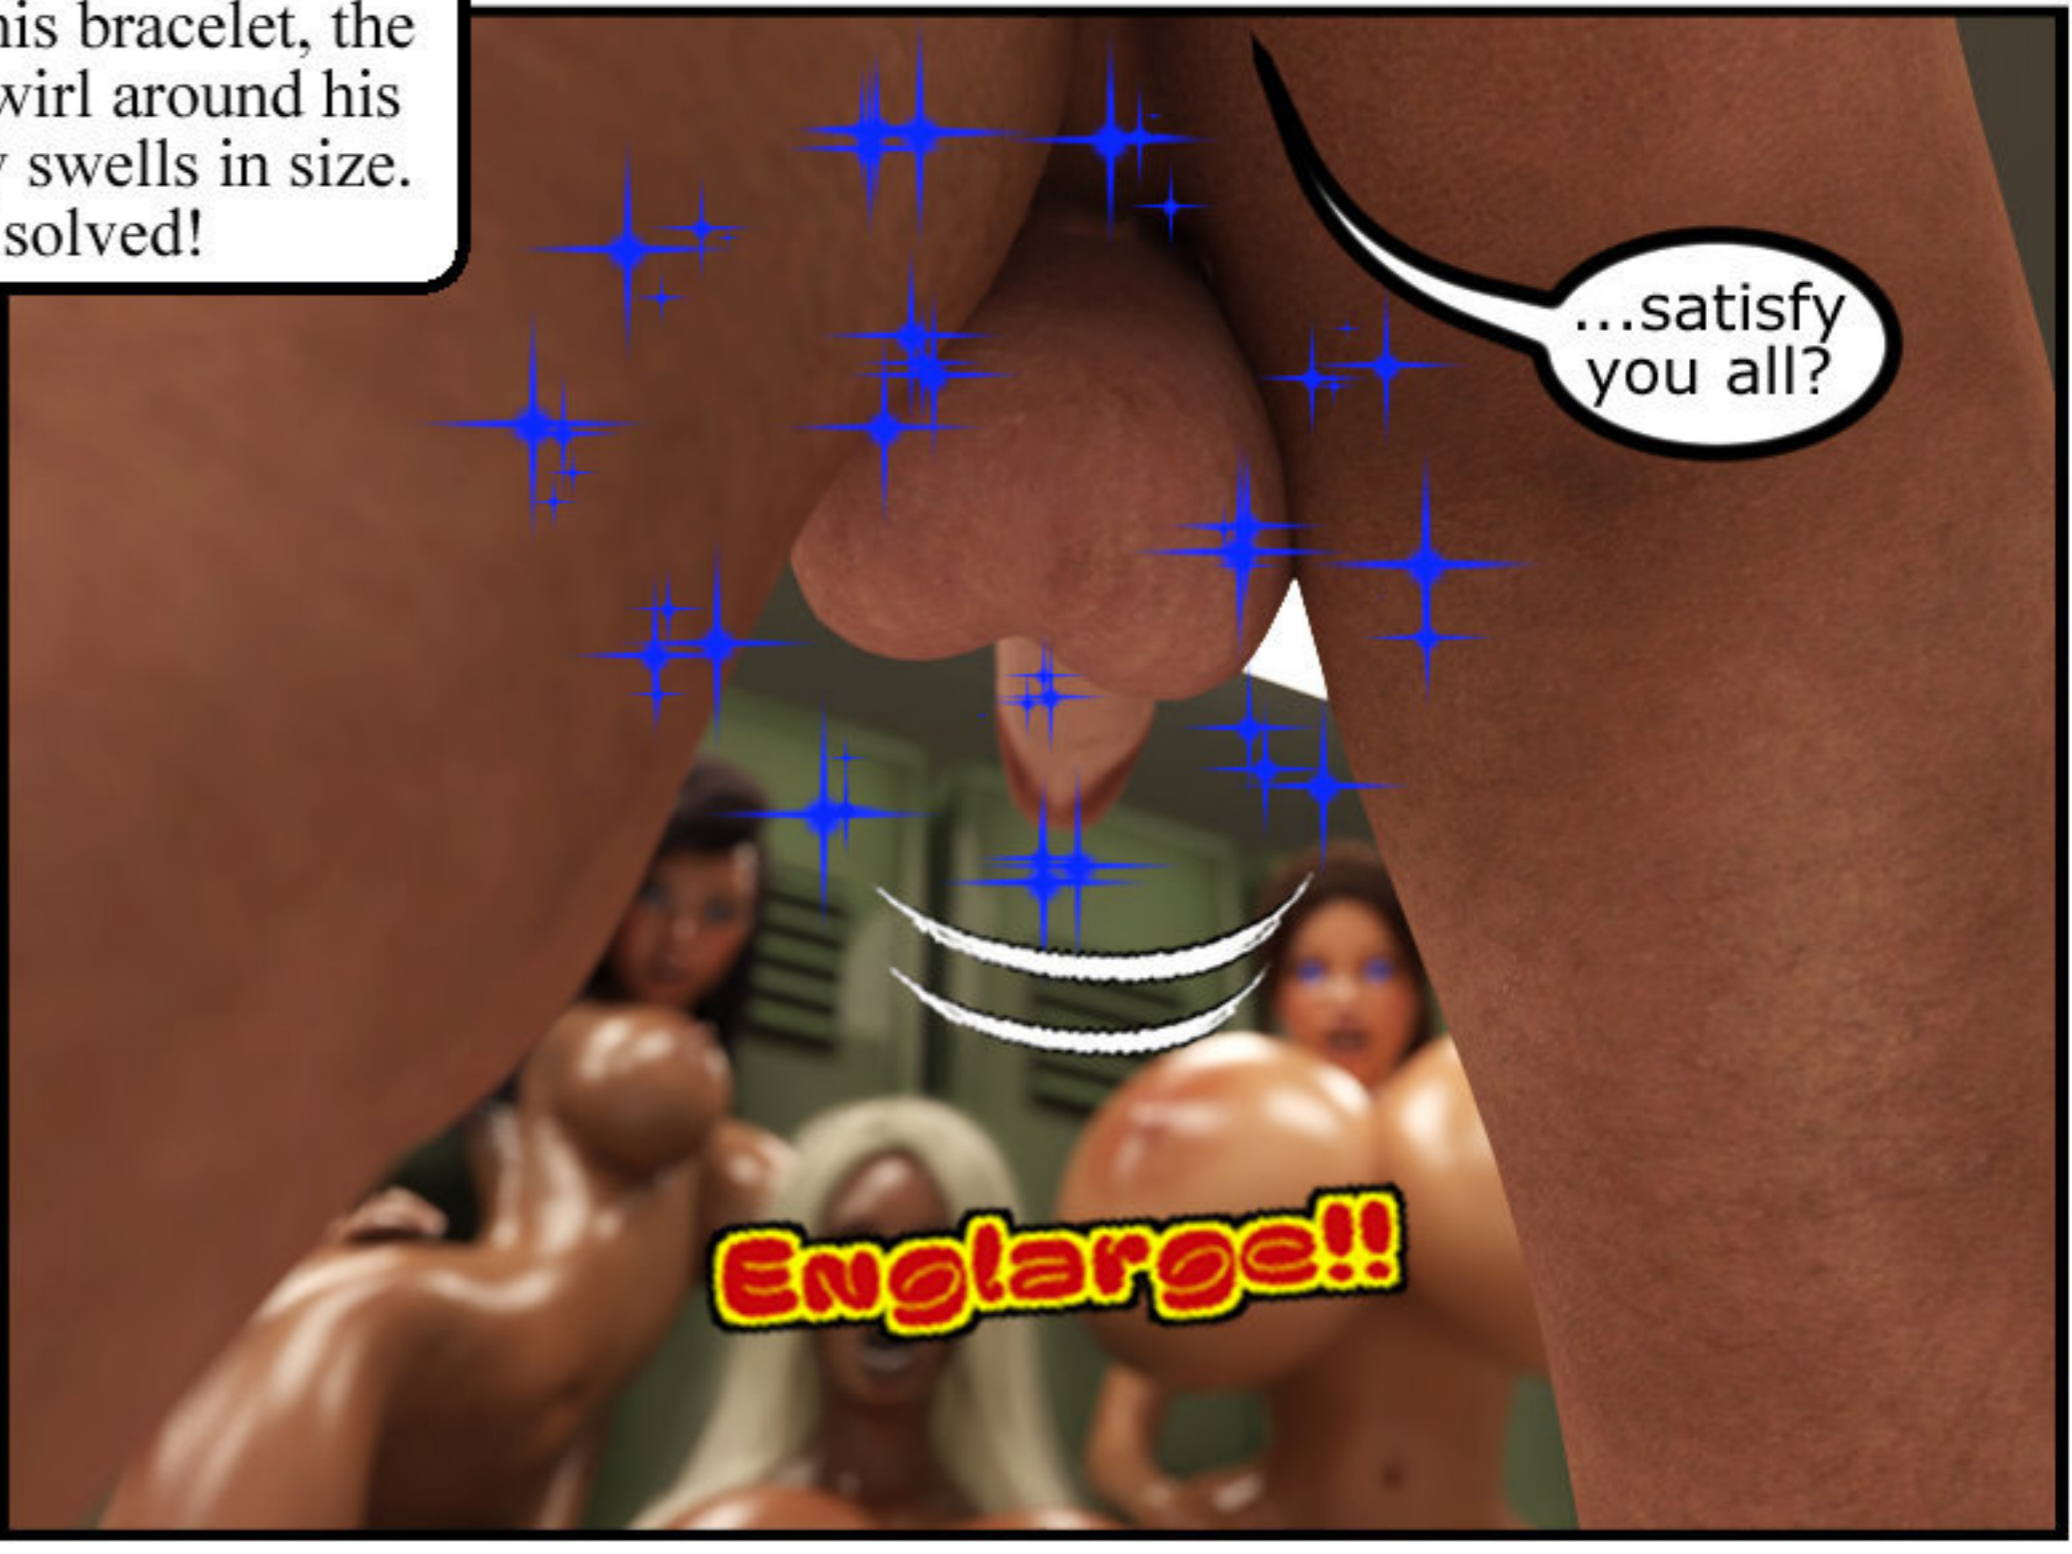

Swell!!

But Chris isn't quite sure that his current "equipment" is going to be up to the task that these ladies have placed before him. With a glance down at his bracelet, the blue sparklies swirl around his cock that rapidly swells in size. Problem solved!

This can...

Expand!!

...satisfy you all?

Englarge!!

Are you sure about this, Tamsi? May I touch you?

Now that Chris is good and ready, it's time to help Tamsi with her "problem" of not quite feeling like a full woman. Chris walks up like a true gentleman and starts slow with light touching of her face and kissing on her neck.

Yes. Please, Chris. You don't know... how badly I need it...

Wow!
It's going
in so easy, and so
deep! You're
so wet!

Here,
Tamsi. Lie
down. Trust me,
it will be more
comfortable
for you.

Listening to her nearly desperate pleas reassures him that he is doing the right thing and instantly makes him rock hard. Josyn helps position her so that Chris can enter her as easily and enjoyably as possible. Maya just looks on approvingly, knowing that her man will help Tamsi out.

Oh gawd! That feels even better than I'd dreamed of. My whole body is on fire. It feels electric!

Grope!

MpOoAaanNn!!!

Well I'm glad you're enjoying yourself! What if I pick up the pace a bit?

Slide!

Chris starts off slow and easy, but finds that Tamsi's body is very ready for a good fucking. He begins to pick up his pace, and accelerate his pounding of her pussy, until she is practically melting into a moaning pile of sexual satisfaction.

Pretty soon he is pumping into her with all his might, her juices coating his fat cock in delicious wetness. Tamsi is quickly thrust over the edge into an explosive orgasm. Her first of many, as a series of them rocks her body.

FffuUuGgKk!!

YyyeEeeSsss!!

Chris barely has time to climb off of Tamsi and catch a breath, before Josyn climbs up into his lap and starts grinding her massive booty against his throbbing schlong that is still leaking a little cum.

That was really hot to watch! We can't wait any longer, but we better make sure you're ready to go!

You don't need to worry about that, but am not gonna stop you.

Rub!

Rub!

Though her excuse is to get Chris hard again, Josyn really just wants him to enjoy her merged and hyper-voluptuous body to the absolute fullest. After she rubs her booty all over his crotch for a while, she spins around and buries his face and hands into her monster-sized tits!

Tamsi is a lucky girl. She ended up very "gifted", but I'd like to know what you think of these babies?

Mmmph!

Squeeze!

They, and the two of you, are very impressive, merged or otherwise. But am interested to see how much they can bounce.

QqQpphhHhh!!!

Pump!

Pump!

Keep in mind that Chris's erection has not flagged at all during any of this. Hurray for magic penises, and it's time to give Josyn a taste. He spins her around and thrusts into her with a little bit of teasing vengeance, then jumps right to bouncing her up and down on his thick rod with powerful thrusts.

Josyn's mind goes nearly blank from the powerful pounding. They change positions a couple of times, until they end up on the floor with Josyn practically jumping up and down on his fat cock. Her huge jugs bounce all over the place, and her bulging booty slaps loudly against him on every downstroke.

CcfcuYummmMmmMmmmiHinnngGgg!

Wow! They look even better in motion! It seems you really like pumping up and down on things.

Pound!

Pound!

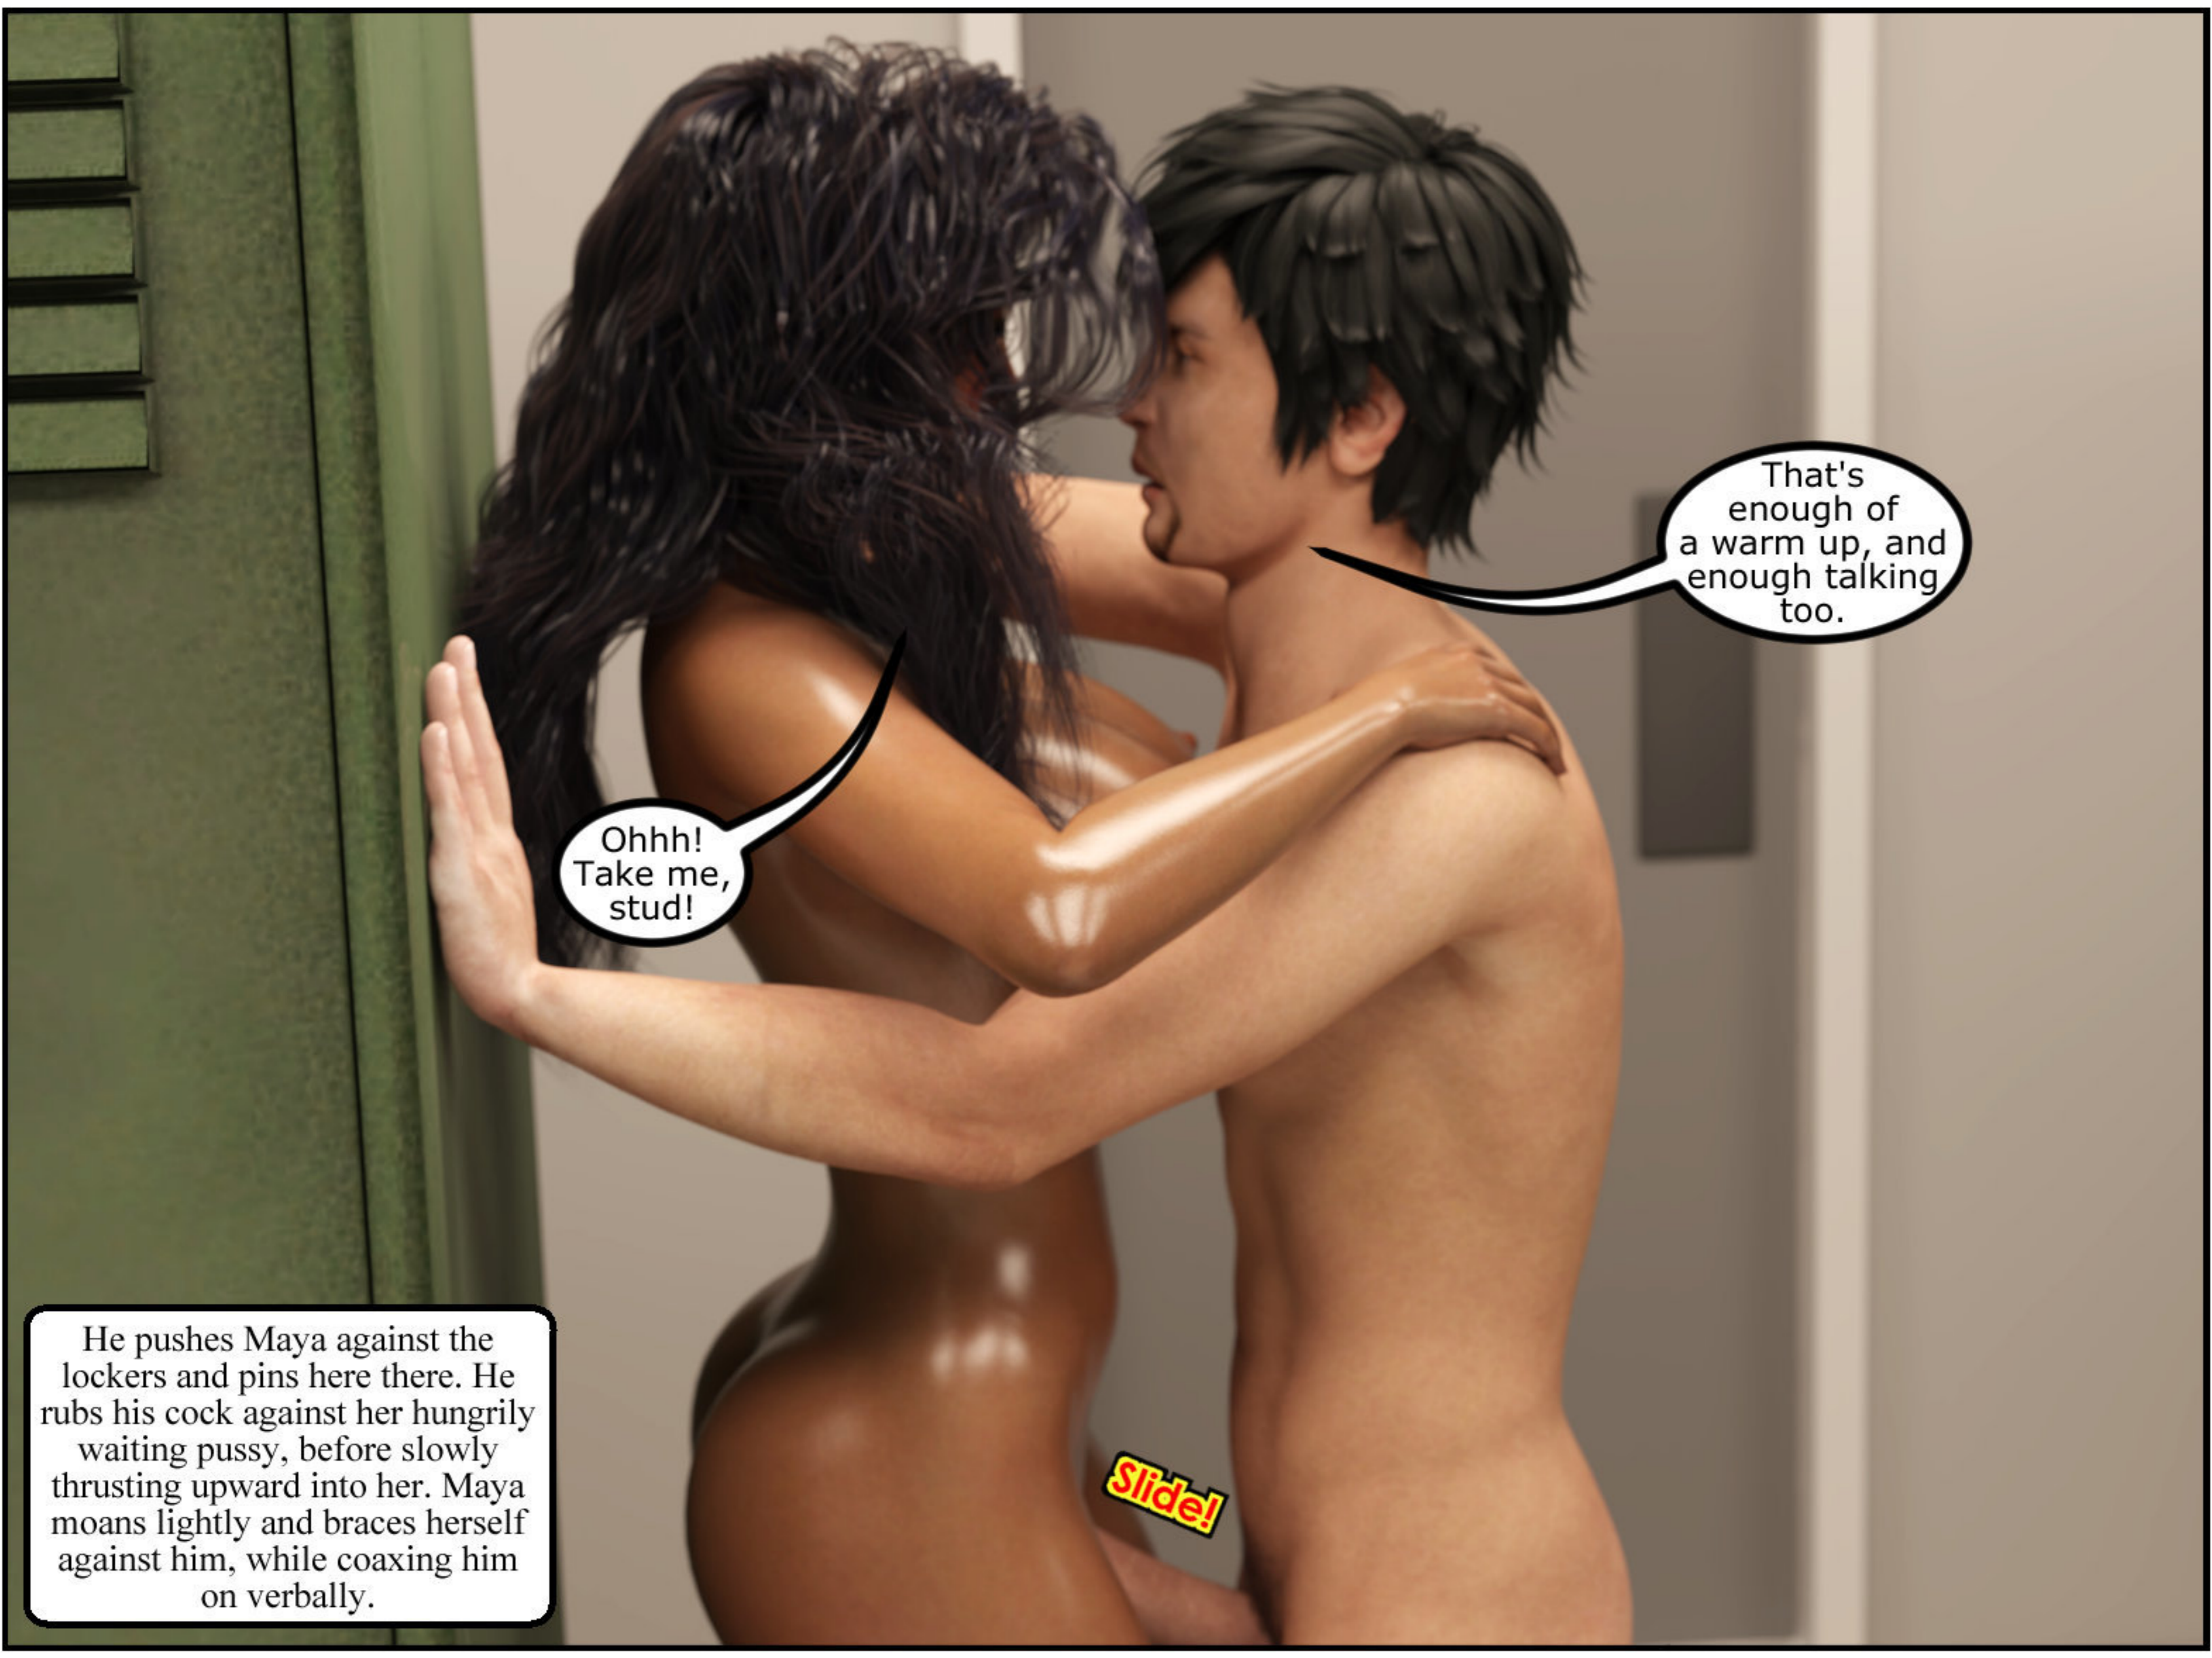

All warmed up now, Chrissy-poo? I hope you had fun, 'cause now the serious "work" starts.

Am ready, but I don't think I'd call being with you, "Work". Maybe another four letter word.

Stroke!

Josyn finds her cataclysm-level orgasm and practically crumples to the ground. Chris pops up, fresh as a daisy, and slowly walks his way over to the patiently waiting Maya. His hard rod is still fully erect, and he slowly strokes it in teasing anticipation.

Ohhh!
Take me,
stud!

That's
enough of
a warm up, and
enough talking
too.

Slide!

He pushes Maya against the lockers and pins her there. He rubs his cock against her hungrily waiting pussy, before slowly thrusting upward into her. Maya moans lightly and braces herself against him, while coaxing him on verbally.

Maya relaxes into his slow and steady thrusting. She leans back into the lockers, enjoying the rhythmic motions of Chris sliding in and out of her. Her breasts jiggle sexily with the movement, but Maya notices that it's not as... impressive as the other two.

If you want to feel them bounce like that, then there's an easy fix.

Fuck! That feels so good, Chris. Mmmm... my boobs don't quite bounce like the other two though, do they?

Thrust!

FLASH!

A close-up photograph of a woman's chest. A speech bubble originates from the left side of the frame.

I wish you had the perfect tits of your dreams.

Chris is more than happy to accomodate his girlfriend's wishes. If she wants some serious jiggle, then who is he to refuse such a sexy request. With barely a snap of his fingers, the blue sparklies surround her rapidly ripening bustline.

Balloon!

How is that for jiggle, babe?

Rub!

Rub!

Maya's perky breasts triple in size so fast that they bump right into his chest. Her moans, and her pleasure, triple right along with the surging size of her fat titties! Chris takes "full" advantage of Maya's melting mind and her even fuller breasts.

QpQpohhHhh!!!

Chris moves Maya through a sexy selection of pulse pounding positions. She said she wanted jiggle, and he makes choices that maximize the bounce and bound of her bountiful bust and bulging booty. Maya's mind goes nearly blank and she just enjoys the ride.

GgAawWwdPd!!!

Pump!

Pound!

Piston!

With the orgy coming to a close, Maya positions herself to beg for one last massive load from Chris. She wants her jumbo jugs coated before this is all over. He stands over the trio of ladies, surveying the sexual devastation he has wrought in the girl's locker room.

That... was... incredible! I may have to postpone changing you back until tomorrow... or later...

MooOoAaaaNn!!!

And one of the few thoughts he is capable of putting together in his spent, tiredness is, "Could we do this all again tomorrow?" He isn't even fully aware that he actually said it outloud. The question lingers in the air above the bevy of busty bimbos.

What are your thoughts on a foursome? Hmmm?

The story will
continue in the
