Switch complete!

Hm.. What should I do with the King?

Well, I will figure it out once I met ohter servants.

Coming!

Hm? What are you doing here?

Artoria Lancer?

I'm looking for something to do.

Is that so? Then,
join us making
surprise for Master!

Uh.. Surprise..?

We will prepare a dishes for him, want to help us a hand, Artoria?

It was Tamamo Vitch's idea.

And more help is needed.

What kind of dishes that Master like?

Maybe seafood?
But we don't have enough ingredients.

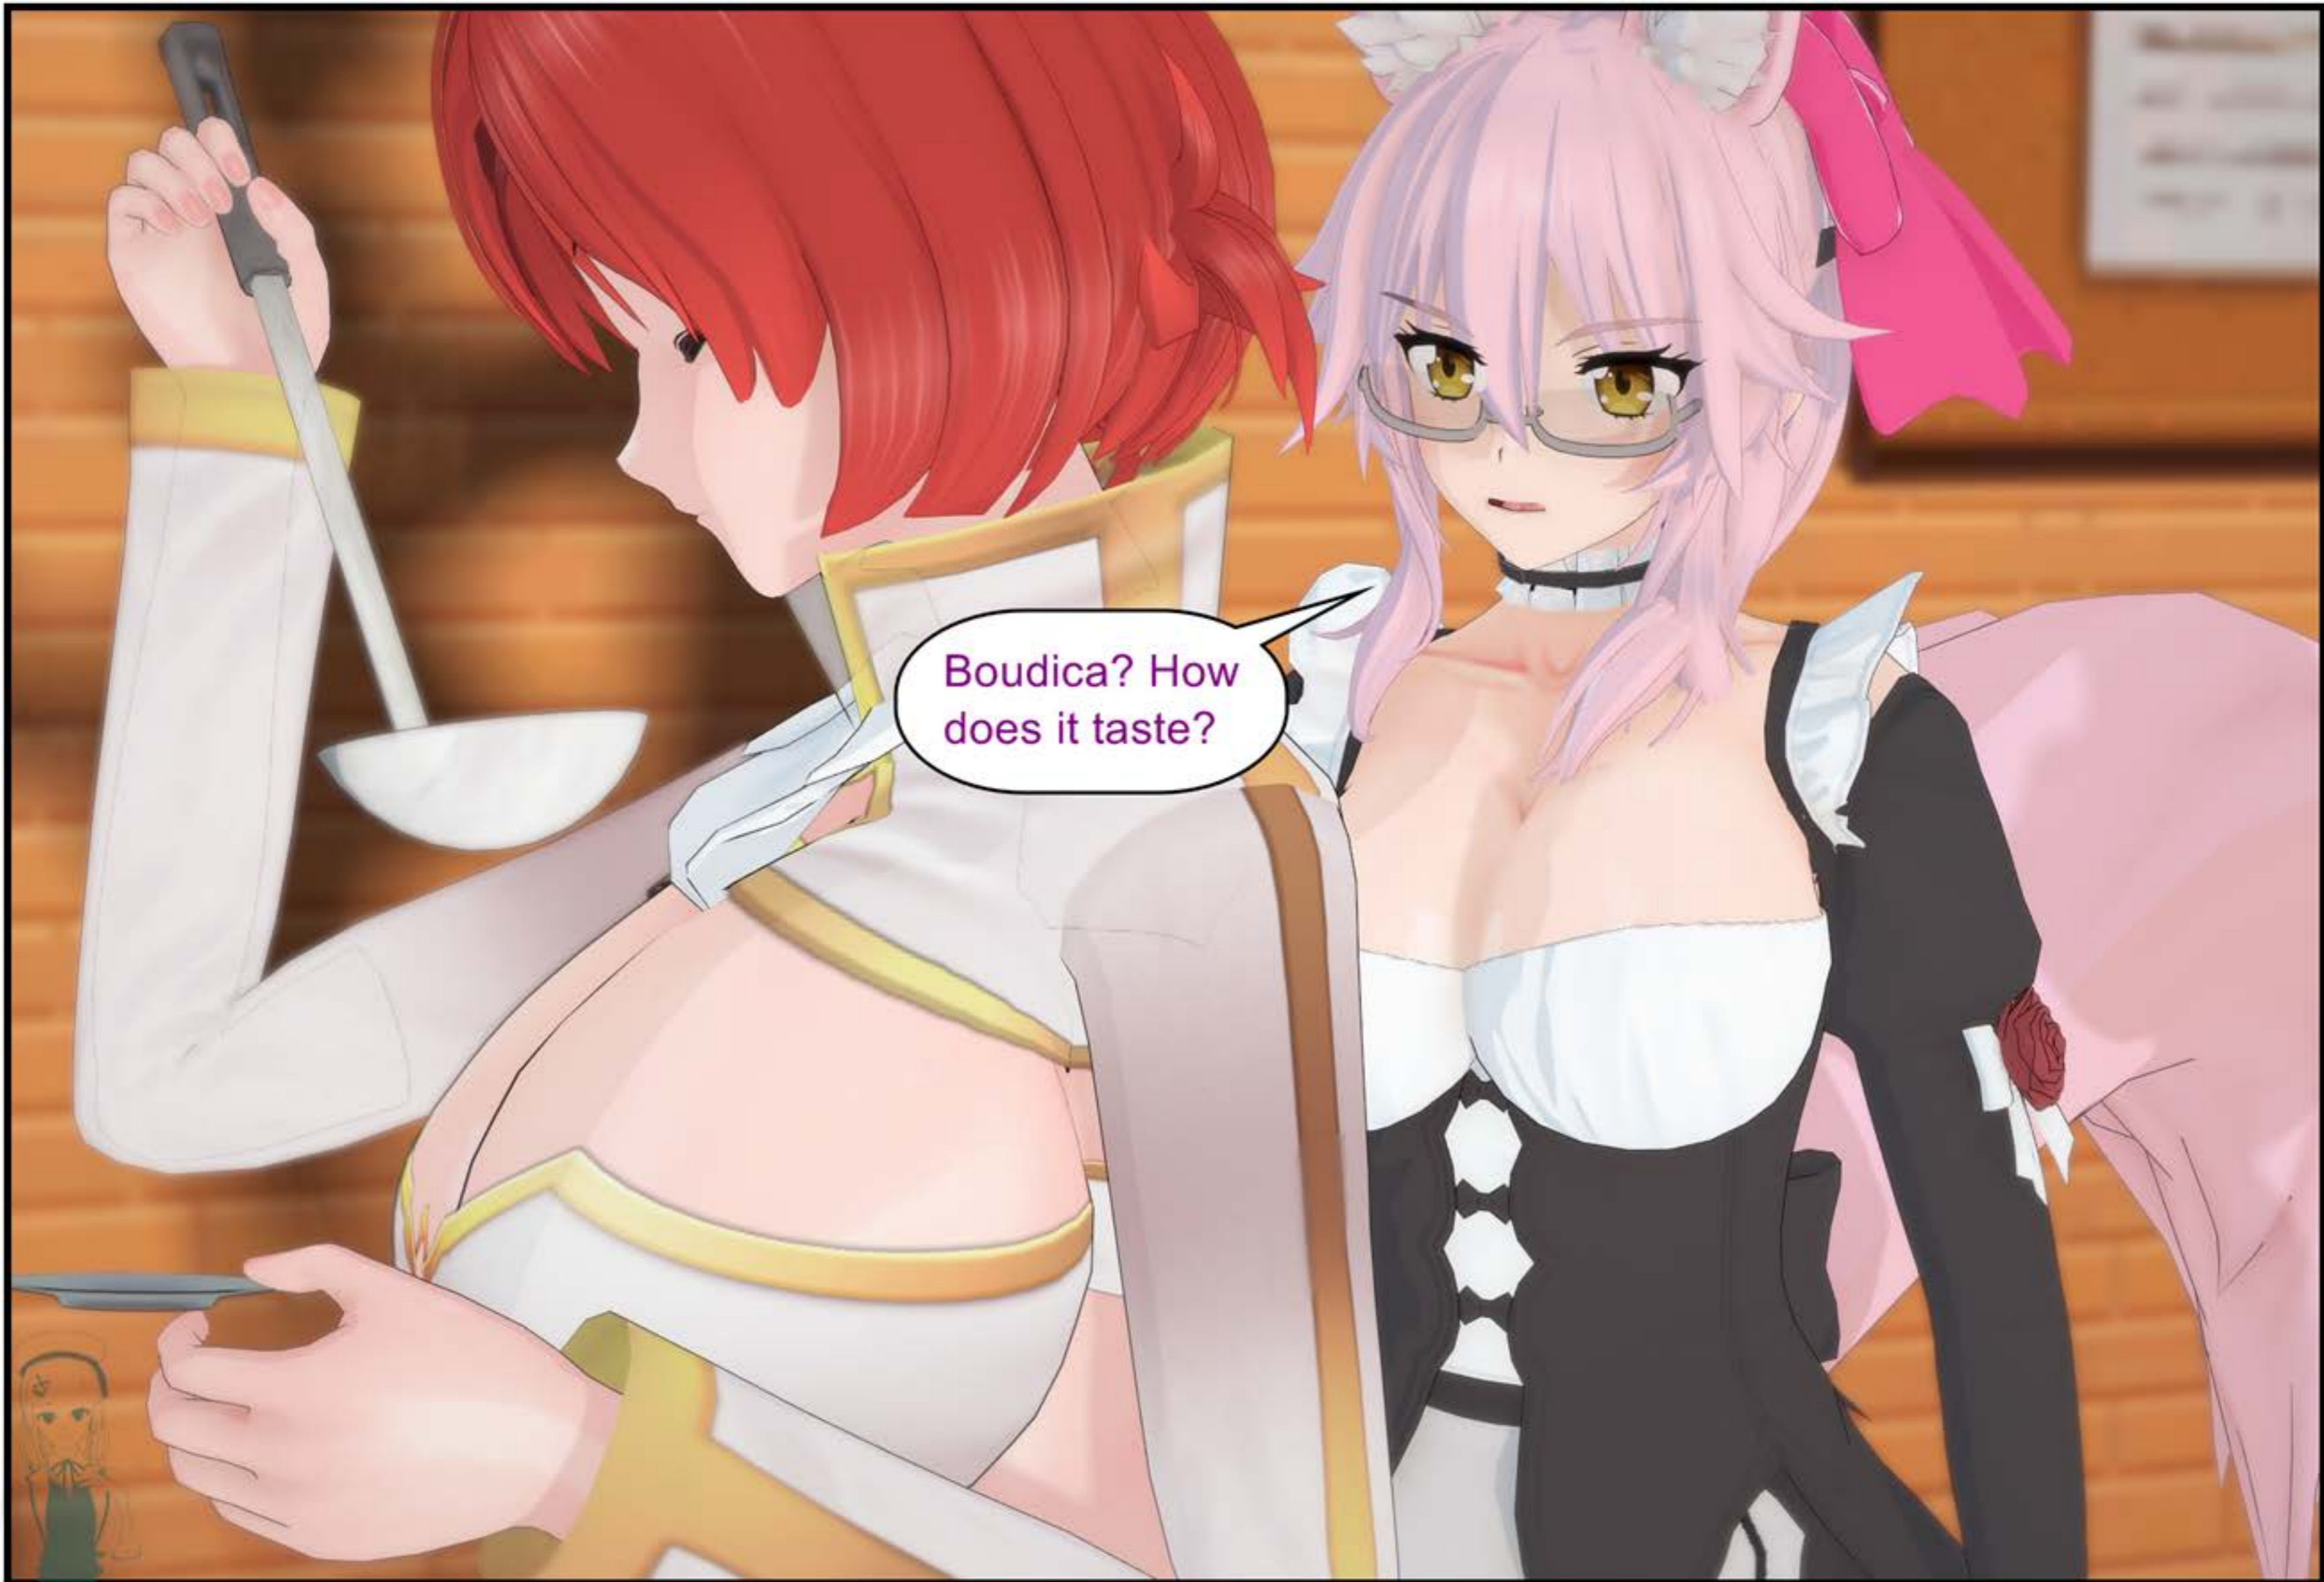

How about we made him a cake?

Let's find out what do we have in the kitchen..

After a while, they decided to make curry due to not enough ingredients.

Boudica? How does it taste?

A bit bland, but
it's great overall.

Leave everything here for me, you two go and get change first.

Alright, count on you, Boudica.

I'm sure that
curry will be great.

Hey.. Artoria?
I was wondering..

A manga-style illustration of a character with short, wavy purple hair and grey-rimmed glasses. She is wearing a black bikini with pink ribbons and a black choker with a large black circular pendant. She is shown from the chest up, with her hands resting on her breasts. The background consists of red lockers on the left and a yellow wall with a wooden railing on the right. A speech bubble is positioned to the left of her head.

..that you always
close your eyes
ever since we met.

Ah, that.. My eyes were a bit hurt..

Is that so?
You probably should go check it out.

Anyway, let's get change, and bring that surprise to our Master.

You got point,
then I will wait
outside.

I think.. Master also has surprise for you, Tamamo.

Really? Then I can't wait.

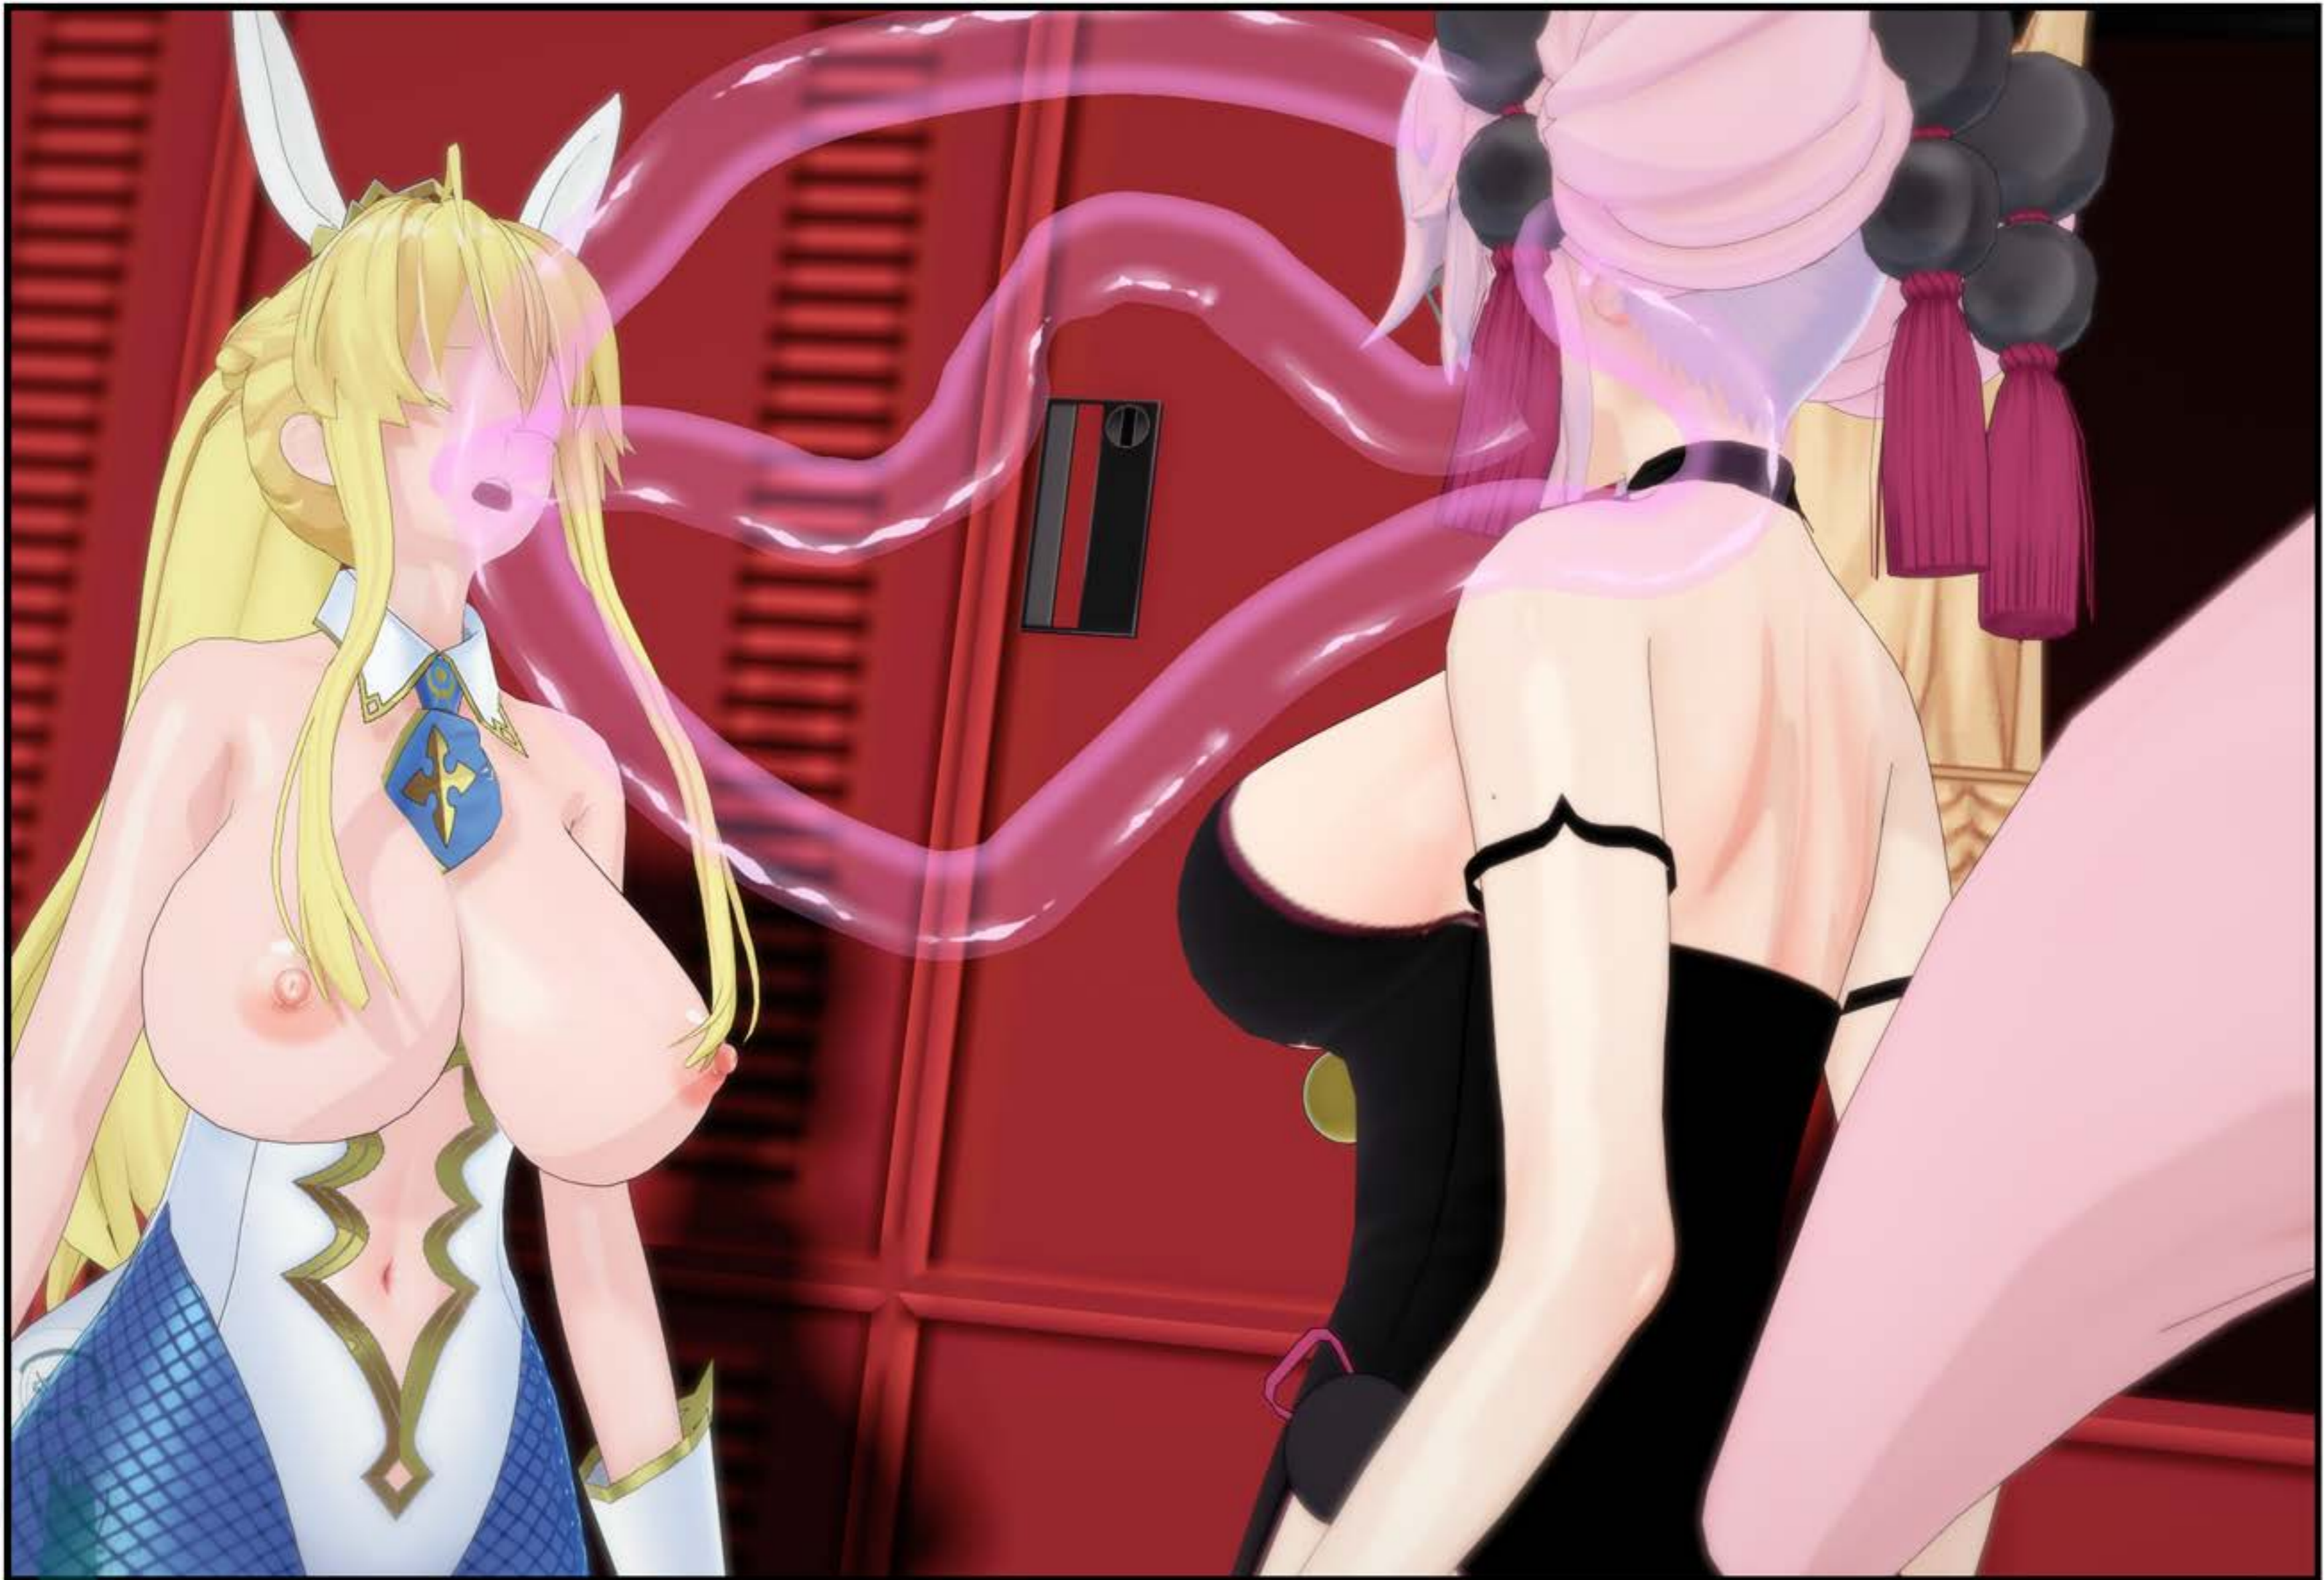

Artoria!?
What are you..!?

"It's.. keep..
getting.. into
my mouth.."

"No..!! I must..
resist it!!"

Kuku..

A character with short, light pink hair and purple eyes, wearing glasses and a black and pink outfit. She has a black choker with a circular pendant and a yellow circular pendant on her chest. She is standing in a room with red lockers and wooden paneling. A speech bubble is next to her.

Possession complete..

Switching body to body is so fun!

Let's have
some fun, shall we?

Ah.. Y-Yes..
It feels great!

I'm going.. to climax soon..

Meanwhile..

You did what I
told you to, Medea?

Yes, Mama.
The preperation
is completed.

Everything from giving Master the possession spell.

You did a great job in luring Master.

Yes.. Mama.

I'm proud of you, my puppet.

Hm? Are you broken? Don't you see your new Master?

Of course not.
I'm happy to serve
you, Mama.

"Heh.. Just how I manipulated Medea, used Master to spread the strings."

"And I'm able to control these the way I liked."

To be continued?

Soon, you will belong to me, Master.
