

Office Party – Endgame 3
Lucine versus the Suggestions
Part C – De(ep)programming

I've been hypnotized to think any request given to me by these guys is a great idea...

I want that gone!

But... could you... make it such that I've got an urge to follow Dylan's requests?

Make it such... that I can resist them if I really focus on it... but feel rewarded if fulfill them...

This suggestion is the hottest thing I've ever experienced... It's just... I don't want to obey some random stranger.

chuckle

Wait. What? I thought you just wanted your suggestions removed!

Are you sure you want to go that far, Miss? Even with the option to resist, such a suggestion will be life-changing...

Yes!
I trust Dylan, and I
do not want to miss
this opportunity to...
follow my fetish...
blush.

Very well. I won't
judge you. If anything,
I'm envious of your
boyfriend having such
a willing subject.
chuckle

Alright. Please
focus your eye(s)
on the watch.

Put your arms to
your sides. Let
them dangle free.
Stand as relaxed
as you can.

Now please,
follow the watch
with your eye(s)
only.

Very good. Just
like that.

Left...

And
right...

Your eyes are
getting heavier
and heavier.

You may
close them
now.

But in your mind,
you can still see
the watch
swinging.

Left... and
right... left and
right...

Let your mind
drift. There is
only the watch
and my voice.

Only the
watch... and
your voice...

Good!
Now sleep!

SNAP

You are very relaxed.

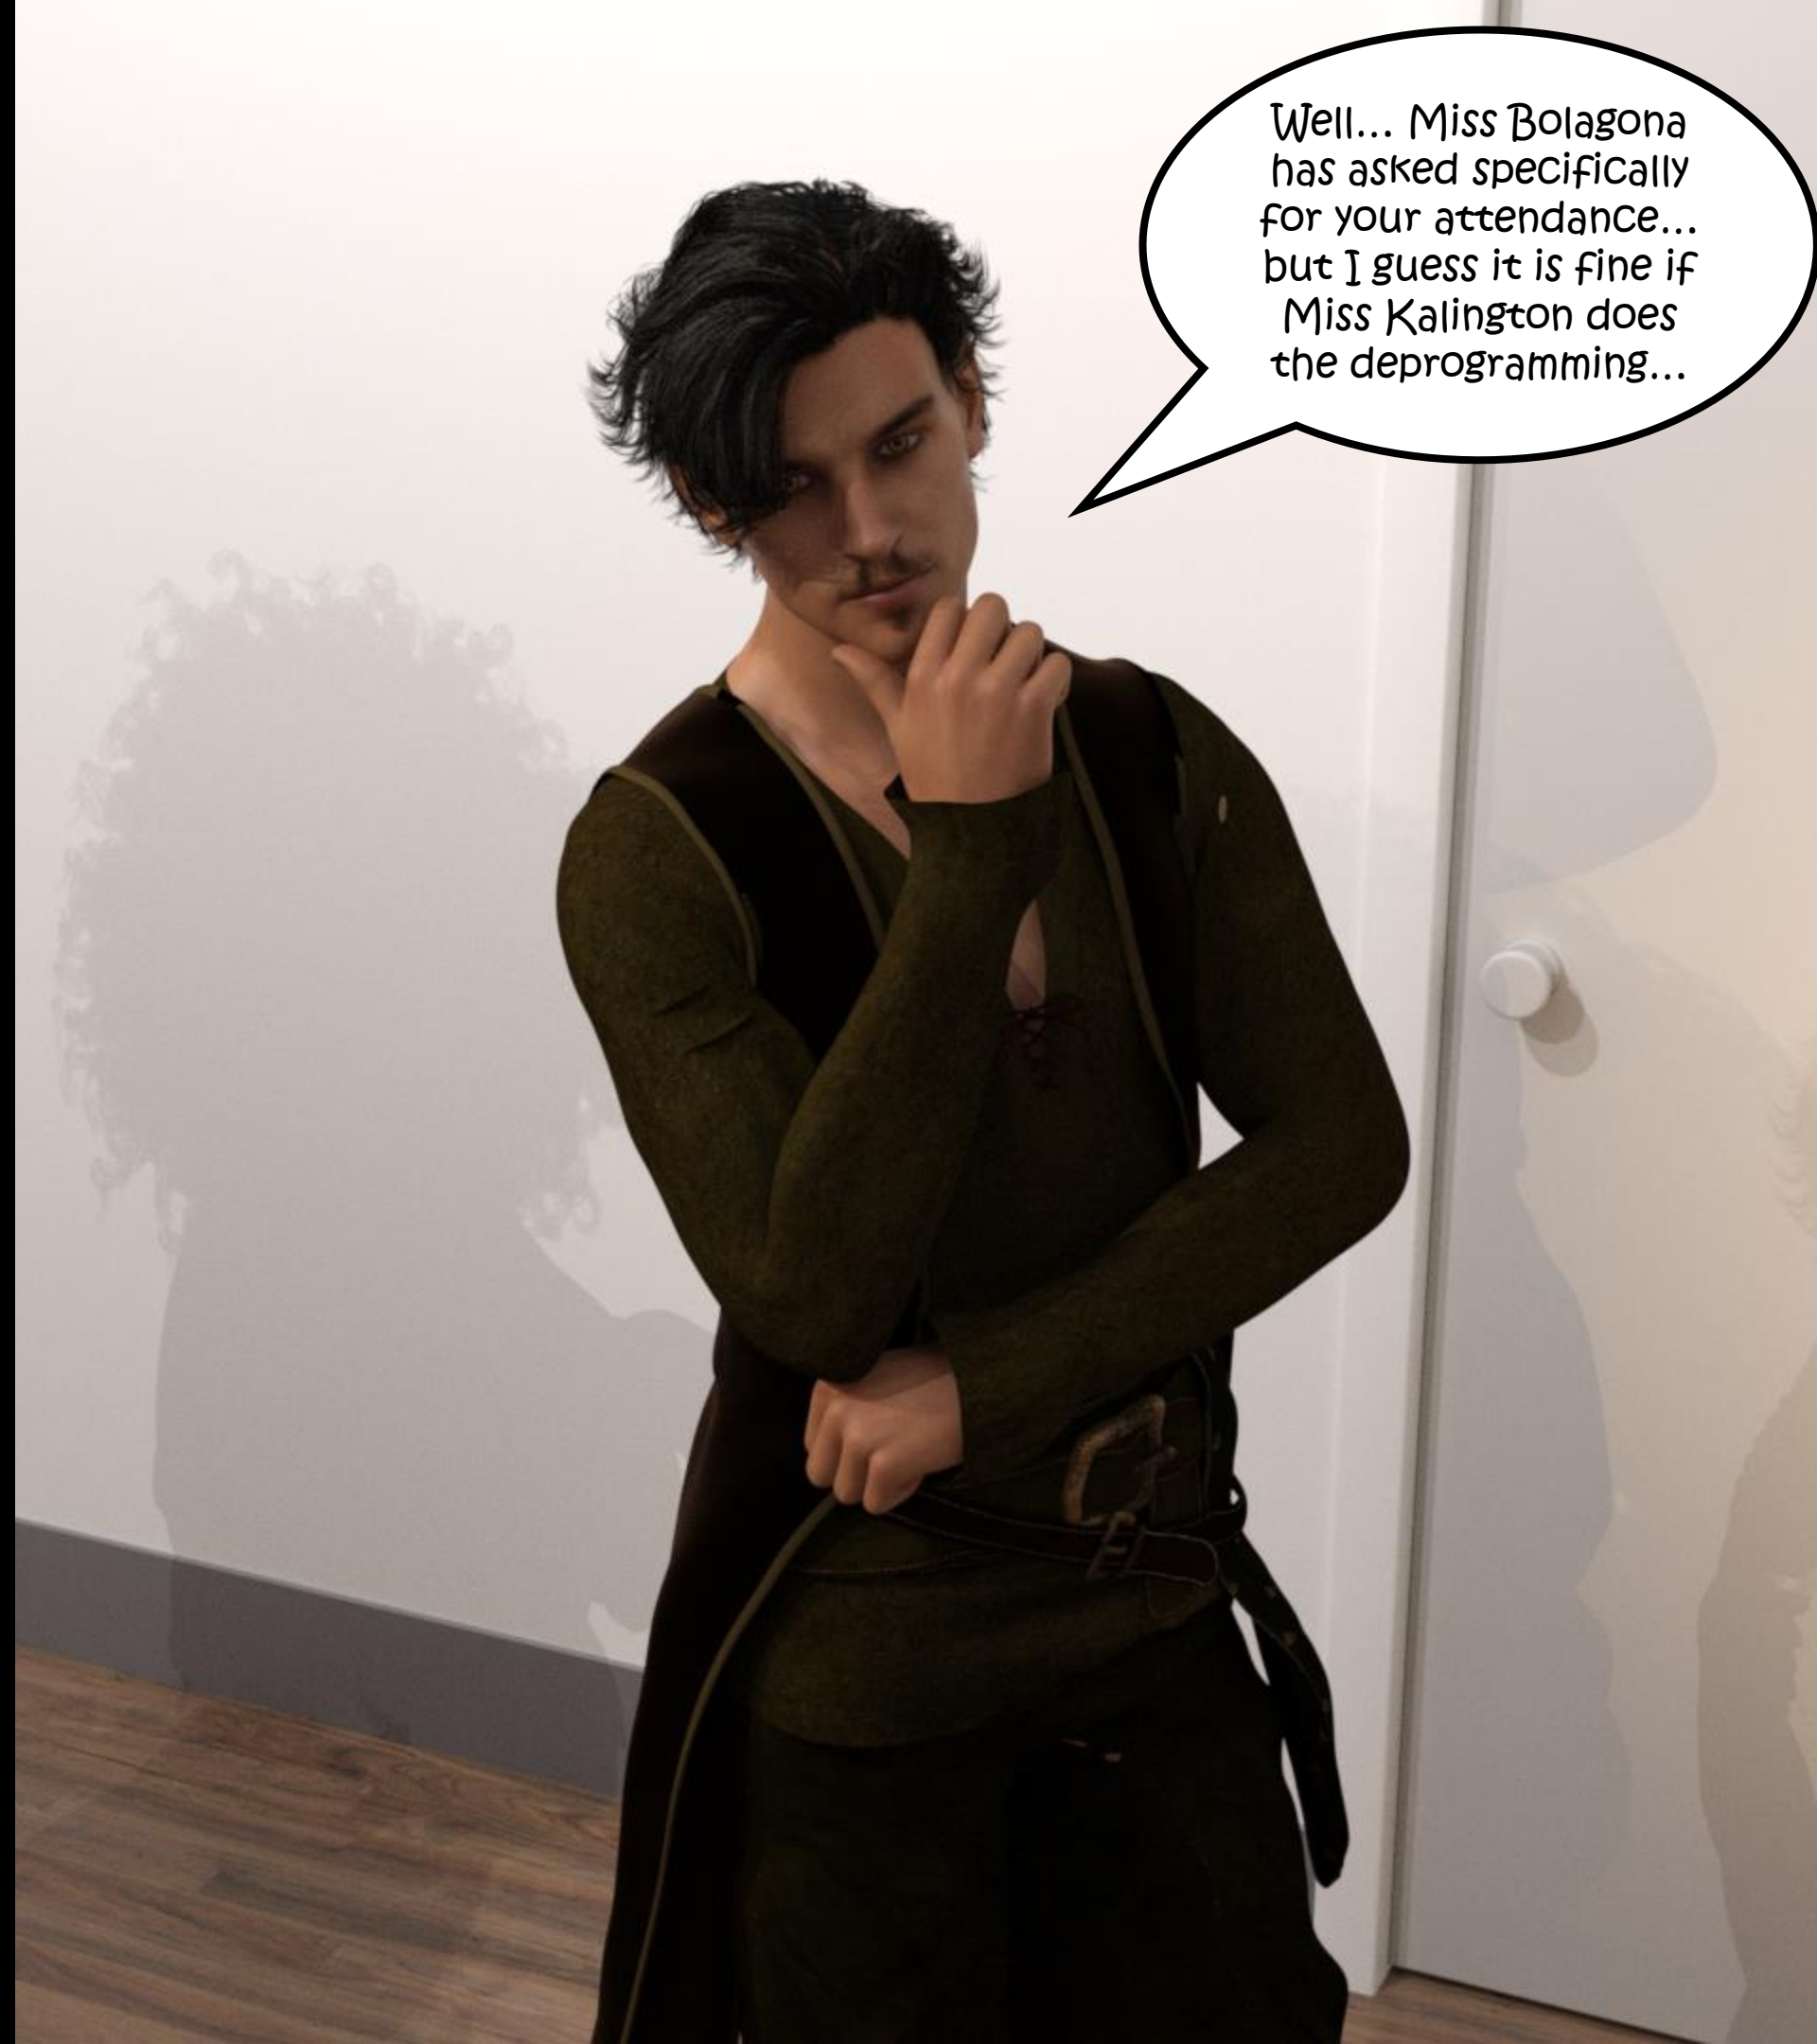

You feel
absolutely safe.

Deeply entranced,
NOW!

Of course.
I will help the
best I can.

Is this alright
with you, Miss
Kalington.

Though tell me
if I phrase a
suggestion the
wrong way.

It's your
girlfriend after
all, Dylan.

Alright, Nicole.
You will now
listen to Lucine's
voice as if it was
my own.

Oh, boy. I can't
believe she
insisted to have
such a suggestion
reinstalled...
gulp

I'll listen to
Lucine.

Hello, Nicole.
Can you hear
me?

I can
hear you.

I will now start
to deprogram
you.

You will
follow all of my
instructions.

Good.
Now, you will no longer
feel the need to fulfill
a request. You will also
no longer be compelled
to think doing so is a
good idea.

This suggestion
is completely
erased from
your mind.

I will
follow your
instructions.

However, when it comes to Dylan you'll feel a compelling urge to follow through with his requests. You may resist his requests if you put your mind to it.

But once you've finished one of Dylan's requests, you will have a great feeling of gratification swelling up inside you for doing so.

Dylan's requests... gratification...

Wow!
Does it really
work just like
that*gulp*

Yes, I think you
can wake her
up now, Miss
Kalington.

I think that
should be all.
Are you okay
with that, Dylan?
Mr. Valentine?

Gulp
Err ehm... yes.
Thank you
Lucine. That
was... perfect!

Alright,
Nicole. In a
moment I'm
going to snap
my fingers.

When I do
you will wake
up from your
hypnotized
state.

You will feel
good and
reenergized.

You will remember
everything that has
happened while you
were under. Do you
understand?

SNAP

And
AWAKE!

I understand.

Uhh...

Oh, wow!

I... I really
was hypnotized
again, wasn't I?

Please tell me
it worked out!

Well... let's try it out... I request you kiss me passionately.

Oh... wow!
I do feel a warm urge to comply.

But I can resist!

Definitely not
thinking it's a
great idea!

Even though
it's definitely
a good one!

Ah, fuck it!
I don't want to
resist that one
anyway!

kiss

O.M.G.!!
Kissing has never
felt this good!

lick

Oh... young love! I'd love to have a girlfriend like that...

Alright! Let's get back to the others.

I doubt I'll ever want to resist any of his requests if it feels that good!

Fuck you!
Get it yourself!

Stupid bitch!
She made me bring
her coffee, drinks,
and snacks several
times ever since I
arrived here!

Meh!
Too bad.
I liked you
better before!

Miss Kraten. I hope the suggestion did not cause too much of an inconvenience for you. What can I do for you? Shall we proceed to the file room?

This is Miss Kraten.

Well... I'd like to not feel compelled to make out with each and every girl in the office anymore...

And if you could turn me heterosexual again, that would be a blast.

Oh, and please remove that trigger that turns me into a dumb bimbo!

Also, I've nothing to hide. So, considering what I've done to Lucine... I'd prefer to do the deprogramming here in front of everyone. No offense, Lucine.

None taken.
You need to
feel secure
for this.

Ohh... err... Yes!
Of course! We
will get this
fixed.

And of
course, there
is no problem
doing it here.

Guip!
What the fuck!
How much has
happened at that
party without me
knowing?!

Thank you for your understanding.

I shudder when I think what Lucine would do to me if she was in control of me like that... Well, she's not like me... so... maybe nothing? Still, after what I did to her, I don't want to leave her alone while she programs me!

I hate giving up control like this...

wisper
The atmosphere kinda changed. Is Charlotte disliked by the others?

It seems she was trying to take over the office with the help of the suggestions...

So yeah... Kinda edgy topic around here.

Taking over the office?!!
Wow!

Hm... maybe we should have tried that as well...

Alright, Miss Kraten. Please stand straight up with your hands loosely at your side.

Perfect!
Just like that.

Now please focus your eyes on this pocket watch.

But it needs to be done... I want real my normal life back!

And as I swing
it from side to
side...

Please follow it
with your eyes
only.

Your eyes
are getting
heavy.

You are feeling relaxed.

You are feeling safe.

Everything will be fine.

You can close your eyes when they get too heavy.

Good.
Now sleep!

SNAP

Going deep.

Listening
only to my
voice.

Following my
voice.

You are in a deep trance.

Deep...
trance...

Are you ready for her Miss Kalington?

Oh, I am sooo ready!

Err... okayyy...

You will now hear your colleague Miss Kalington's voice.

You will follow that voice as if it was mine.

Follow Lucine's voice...

She's all yours, Miss Kalington.

chuckle Thanks.

Interesting wording!

Hello, Charlotte! Can you hear me?

I can hear you.

I will now start to deprogram you.

You will follow all of my instructions.

I will follow your instructions.

Also, you are not solely into girls anymore.

Good!
Now, you will no longer feel the need to make out with every girl in the office.

Your sexual orientation is back to like it was before that party!

... Oh yes. You no longer turn into a bimbo when you hear that trigger.

...Sexual orientation... back to normal... No more bimbo...

Drop that control-freak attitude.

And from now on you will be nicer to the rest of us.

And maybe say please from time to time when you ask for help...

Be nicer... No control freak...

Miss Kalington!

That's going too far! It's not what we've discussed with Charlotte.

You are changing her personality against her will!!!

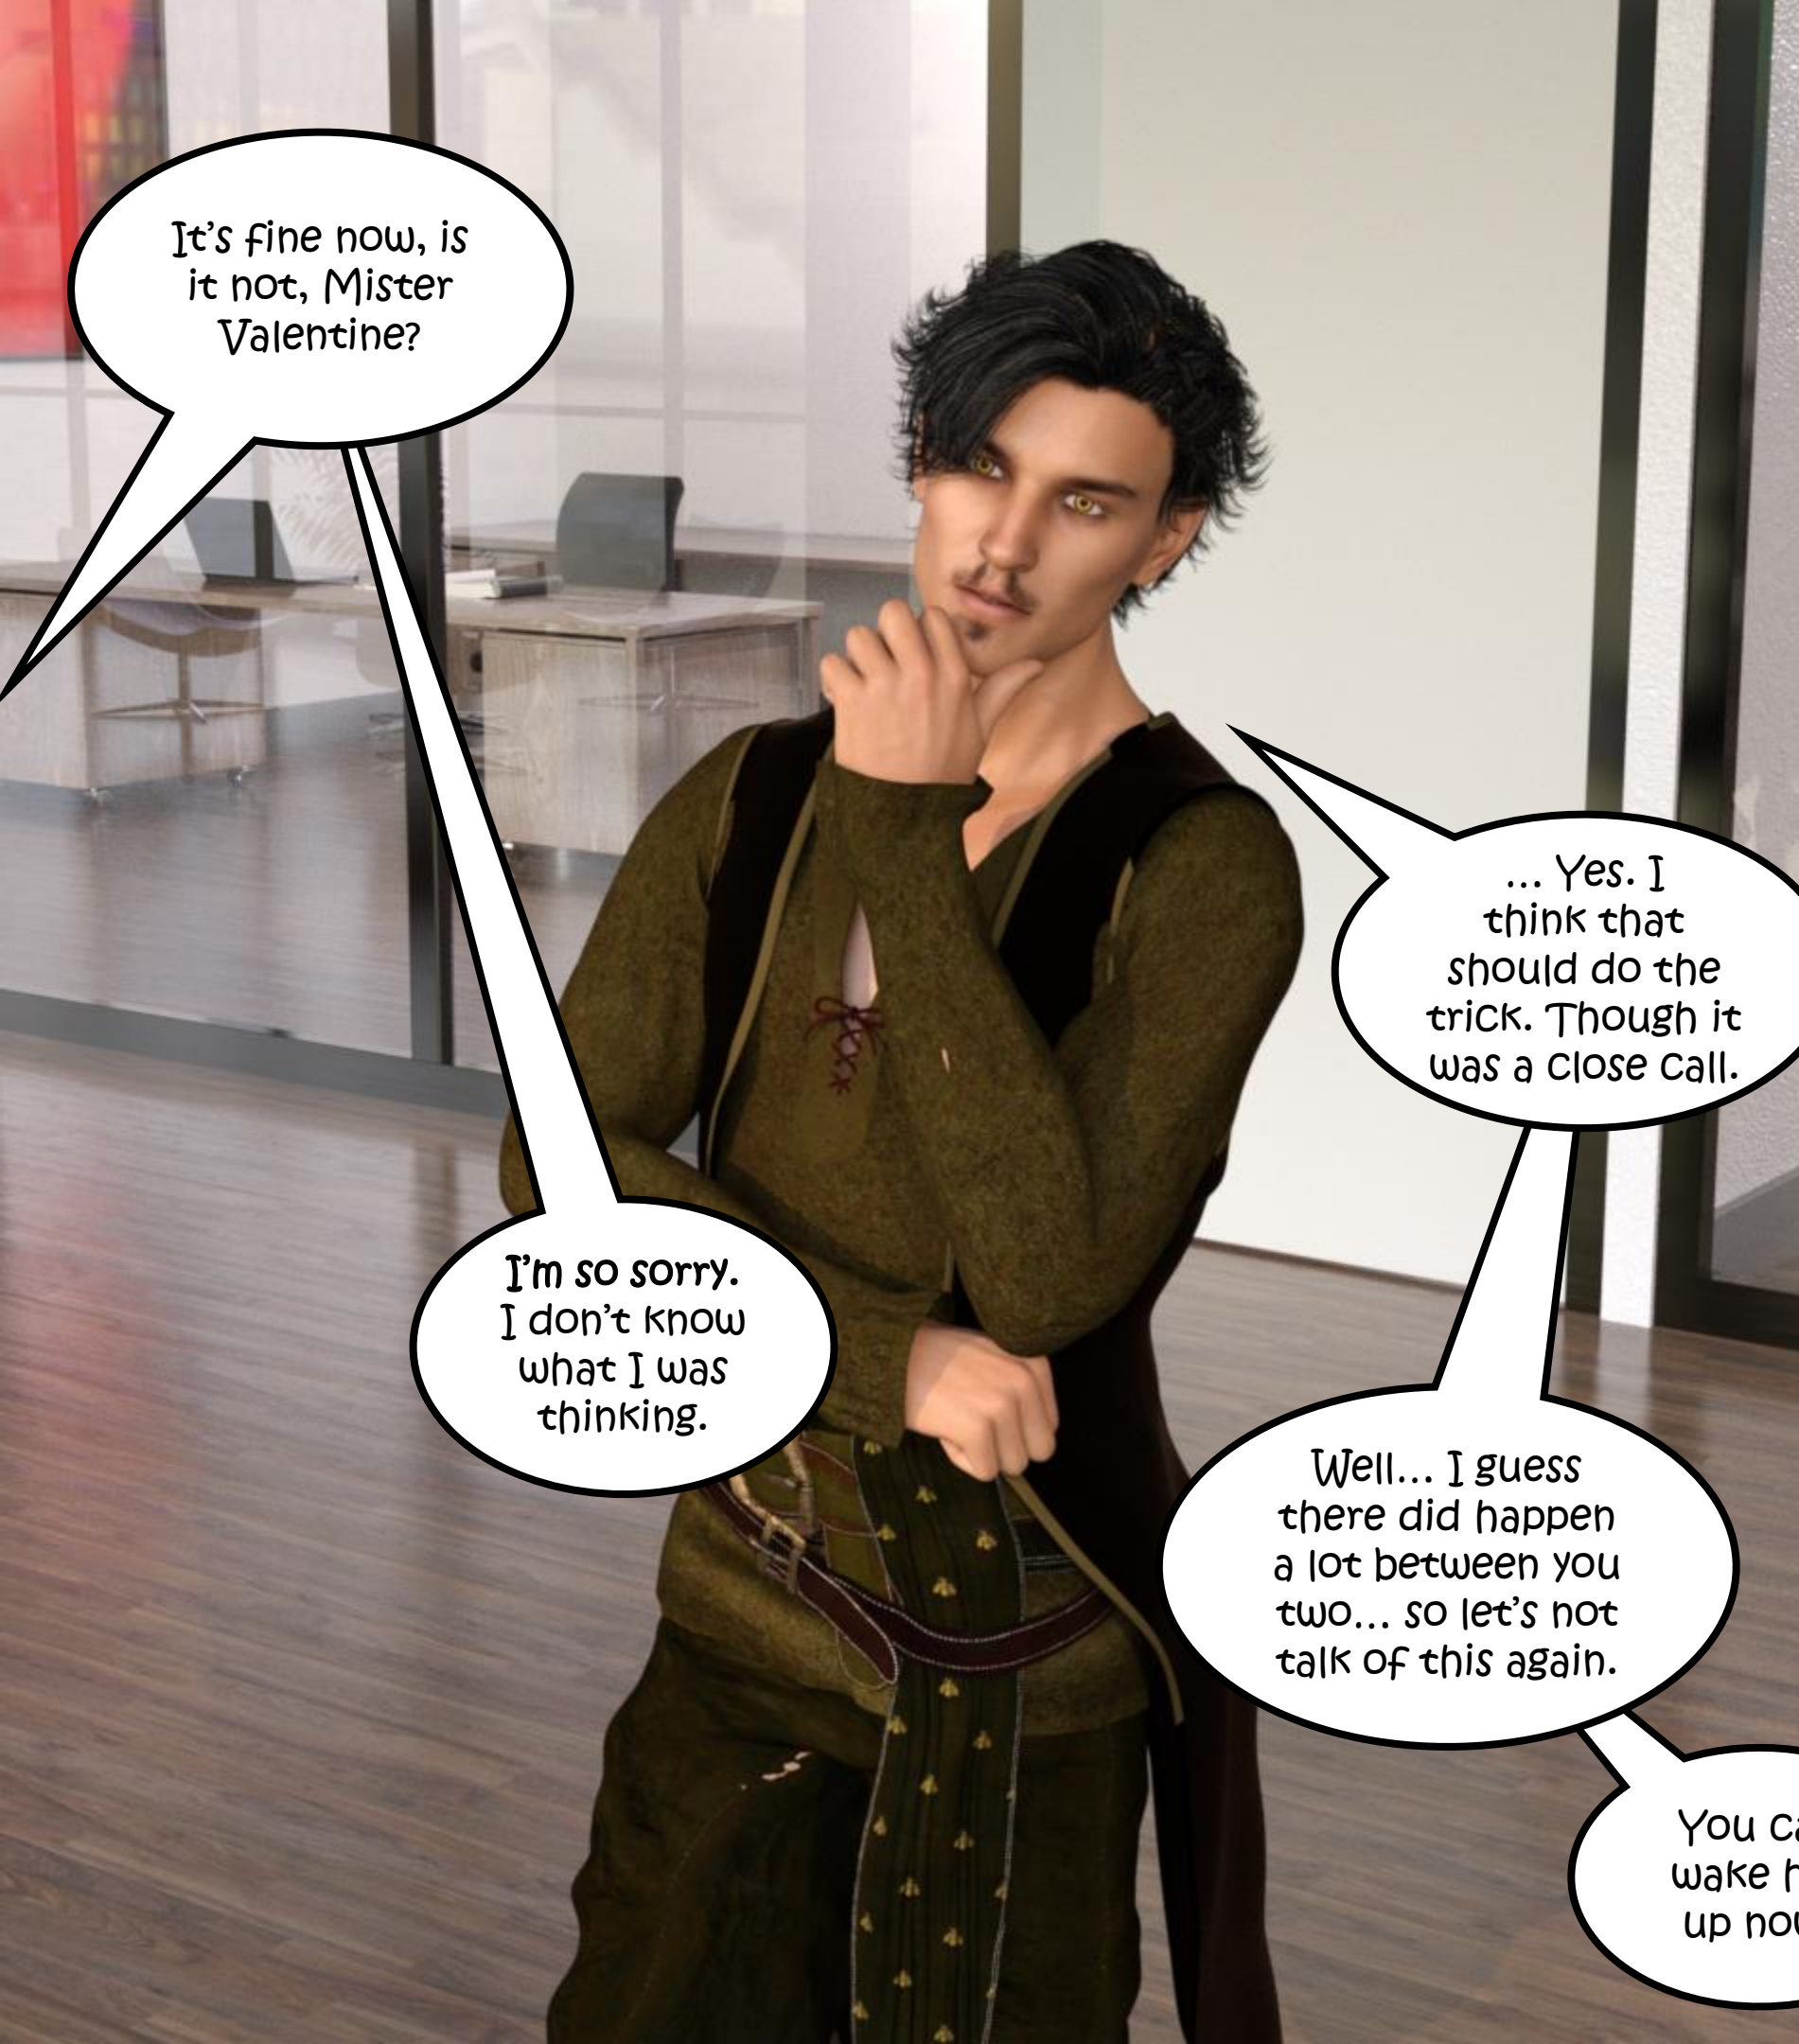

Oh, my!
I'm so sorry!

I guess I got carried away a little bit...

Charlotte forget my last command about being nicer to the rest of us.

Just be back to your normal self behavior-wise.

It's fine now, is it not, Mister Valentine?

I'm so sorry. I don't know what I was thinking.

... Yes. I think that should do the trick. Though it was a close call.

Well... I guess there did happen a lot between you two... so let's not talk of this again.

You can wake her up now.

SNAP

And **AWAKE**, Charlotte!

And... yup. I don't feel attracted to you girls anymore!

It worked. And I can remember the whole trance like through a fog... cool... **hey!**

I knew you'd try something!

Sorry!

Woow! 2
Stop that!

Charlotte,
you are a
ditzy bimbo! 1

Phew!
I still can
think!!

Woohoo!
The deprogr-
amming worked.
High five?

I'm so glad this is turning out well for all of us in the end.

kiss

Yeah, me too!

I don't even want to imagine what would have happened to us if anyone managed to go through with abusing those suggestions!

kiss

I'm so relieved this nightmare is finally over!

Yeah! Me too!

You sure you are cured? I wouldn't mind a fling.

Ewww! Isabel! Stop that!

The office went kinda crazy for some days thanks to you. *chuckle*

I'm glad you are fine again Charlotte.

Bullshit!
Give that girl
power and we have
the same situation
all over again!

Thanks,
guys!

It's good
to be back.

And yeah, sorry
about all that
commotion. I
was not myself.

The End?

And that is it. The suggestions are removed, the office workers are relieved and with everyone having learned their lesson office life is surely going to improve... right?

Authors Note:

You were looking forward to a happy ending where this story ends in a morally nice way? Well, this is it. ~~STOP READING NOW!~~ :P
Otherwise, if you are interested in what really happened and want to see the sexy domination stuff finally happening, read on! ☺

Hey!

Why is the
hypnotist
leaving already?

What seems to be the problem?

Hey, Charlotte!

A woman with red hair, wearing a pink two-piece outfit and a choker, looks distressed and urgent. She is in a modern office with large windows and other people in the background. Three speech bubbles are overlaid on the right side of the image.

The
hypnotist
is leaving!

He hasn't
removed the
other's suggestions
yet. We need to get
this over with
already!

Mister
Valentine.
Hey, Mr.
Va...

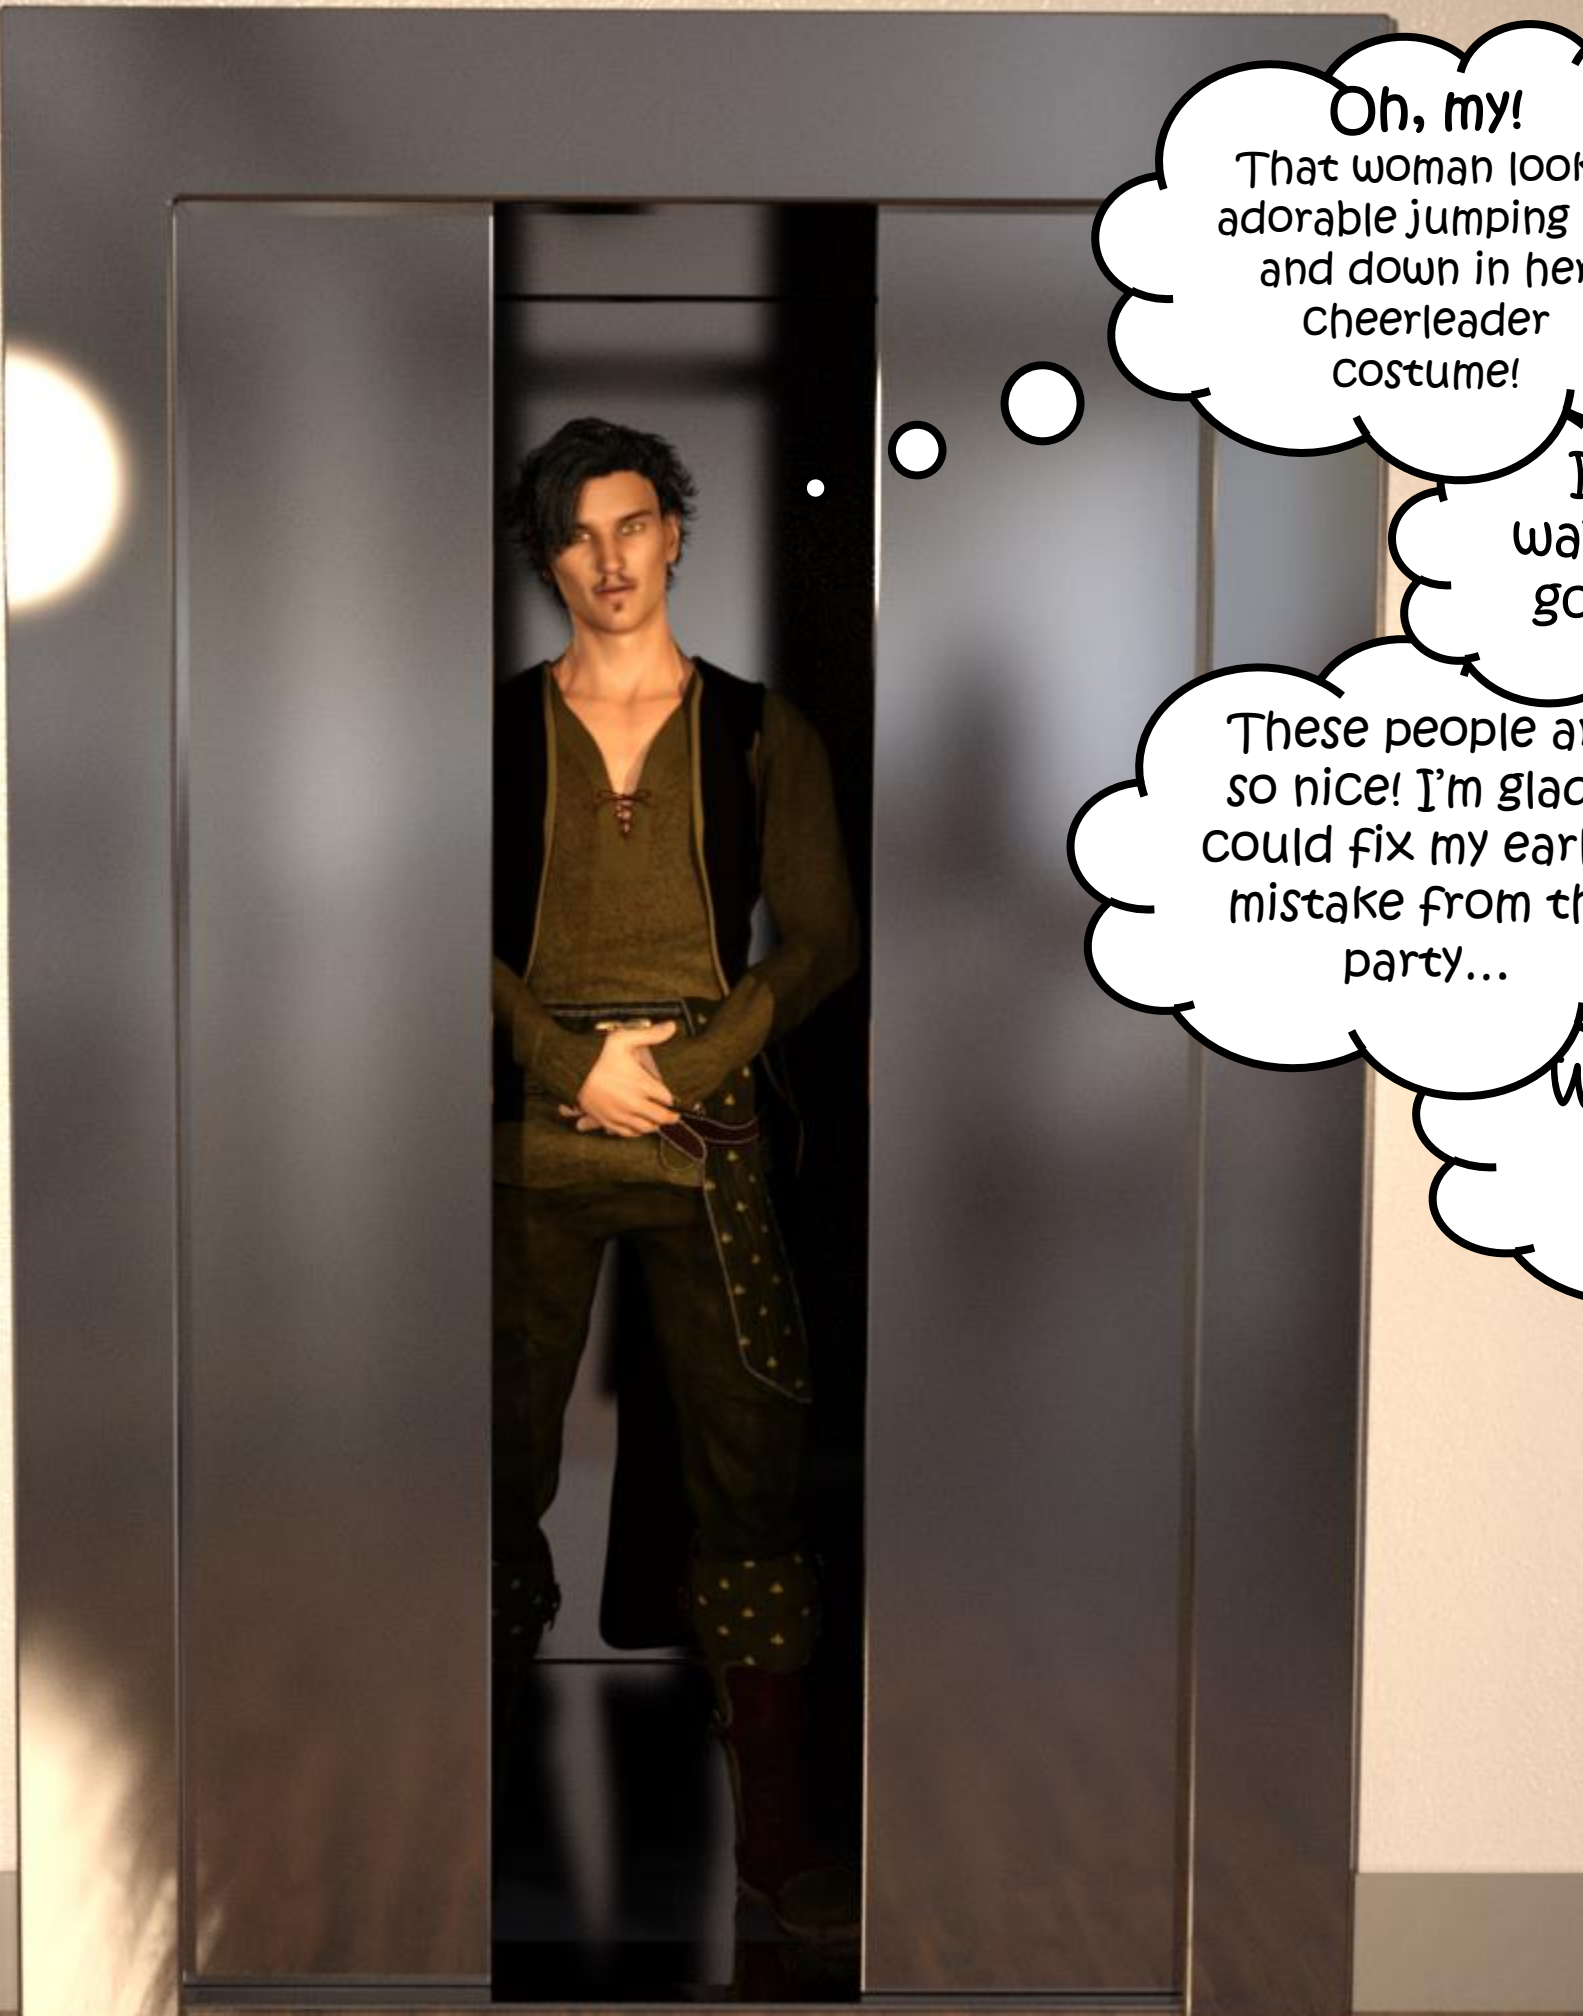

chuckle
Did you really think you would be getting away, Charlotte?

**I can't talk?!
I'm trying to, but no sound escapes my lips?! No! The hypnotist! He's going away!**

Oh my... what a theatrical final... my wife can be so cruel...

...

Oh, my!
That woman looks
adorable jumping up
and down in her
cheerleader
costume!

Is she
waving me
good-by?

These people are
so nice! I'm glad I
could fix my earlier
mistake from the
party...

Without getting
punched!

What have I done to you?

Isn't it obvious?

On your knees, Charlotte!

What! Why! Why am I doing everything you say?

Ha-ha!
I remember this kind of dialogue from when I was on the receiving side!

Oh, sweet vengeance!

Now, act like a dog!

Ohh. So cute!

Good little doggy!

Arf?

I have won!

I did it!

Muhahahahaha

To be reuploaded...

You might be thinking now... **What the fuck is going on?** Well, You probably thought you've seen the previous events of this story (Part A) from the viewpoint of Lucine... Well, think twice! **It was a trap!** It was a mixture of viewpoints from various characters and angles that mischievously hid what really transgressed!

In the next chapter (Part D) we will relive the events of Part A, but this time we'll see the full truth of Lucine's ascend. So, look forward to Part D which, by the way, is called:

Evil Lucine!
