(Nudity, sexual activities and other R18 stuff)

*All events in the story are fiction.
I hope everyone will enjoy and
like my works~*

Thank you very much for your support!

The background is a dark, blurry photograph of an interior space. On the left, there is a window with a white frame, and below it, a dark door. The rest of the image is indistinct due to low light and motion blur.

I heard that this
experiment will be served
for the Government's purpose.

It's better that we should keep our nose away...

I feel like... we are working for a shadow cooperation.

Well, we were paid to get this done, also our leader...

This was mainly his research, we only helped him as much as we could.

About that, we were
developing a form
of creature from an
alien pieces...

Excuse me...
You two?

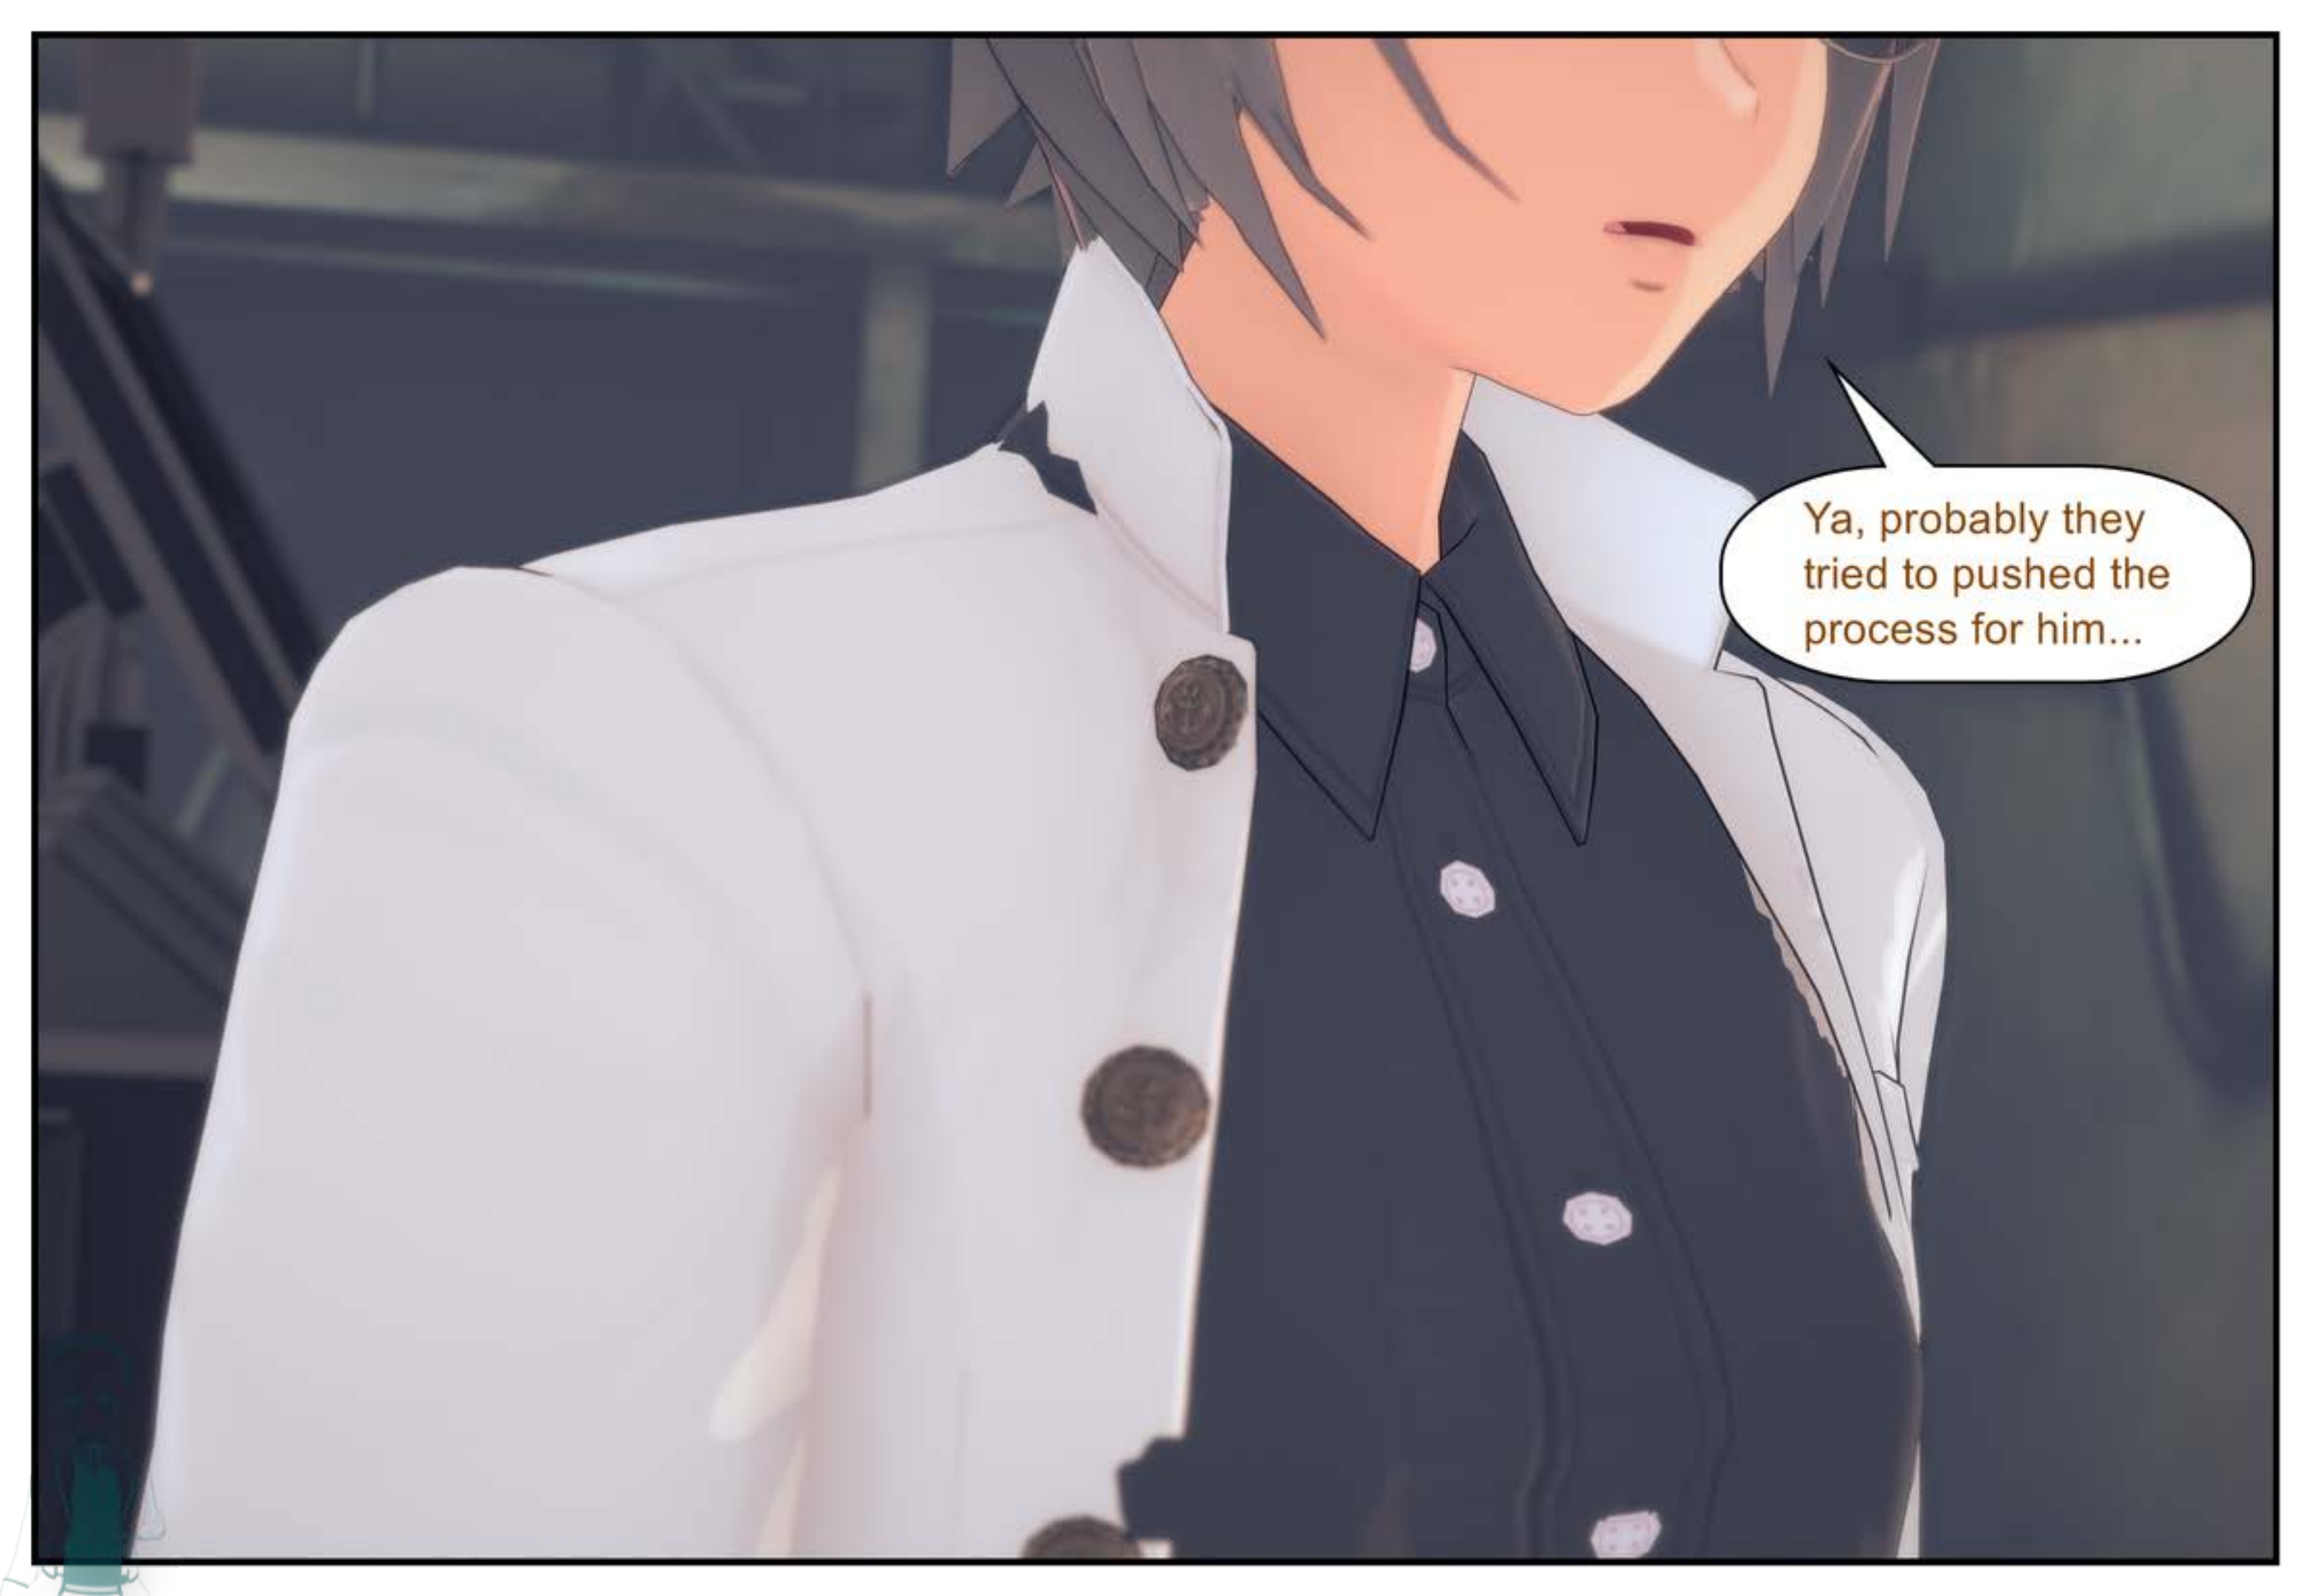

Mr. S will arrive a bit late, he has a meeting with the authorities...

Ah... Must be those who was behind this operation...

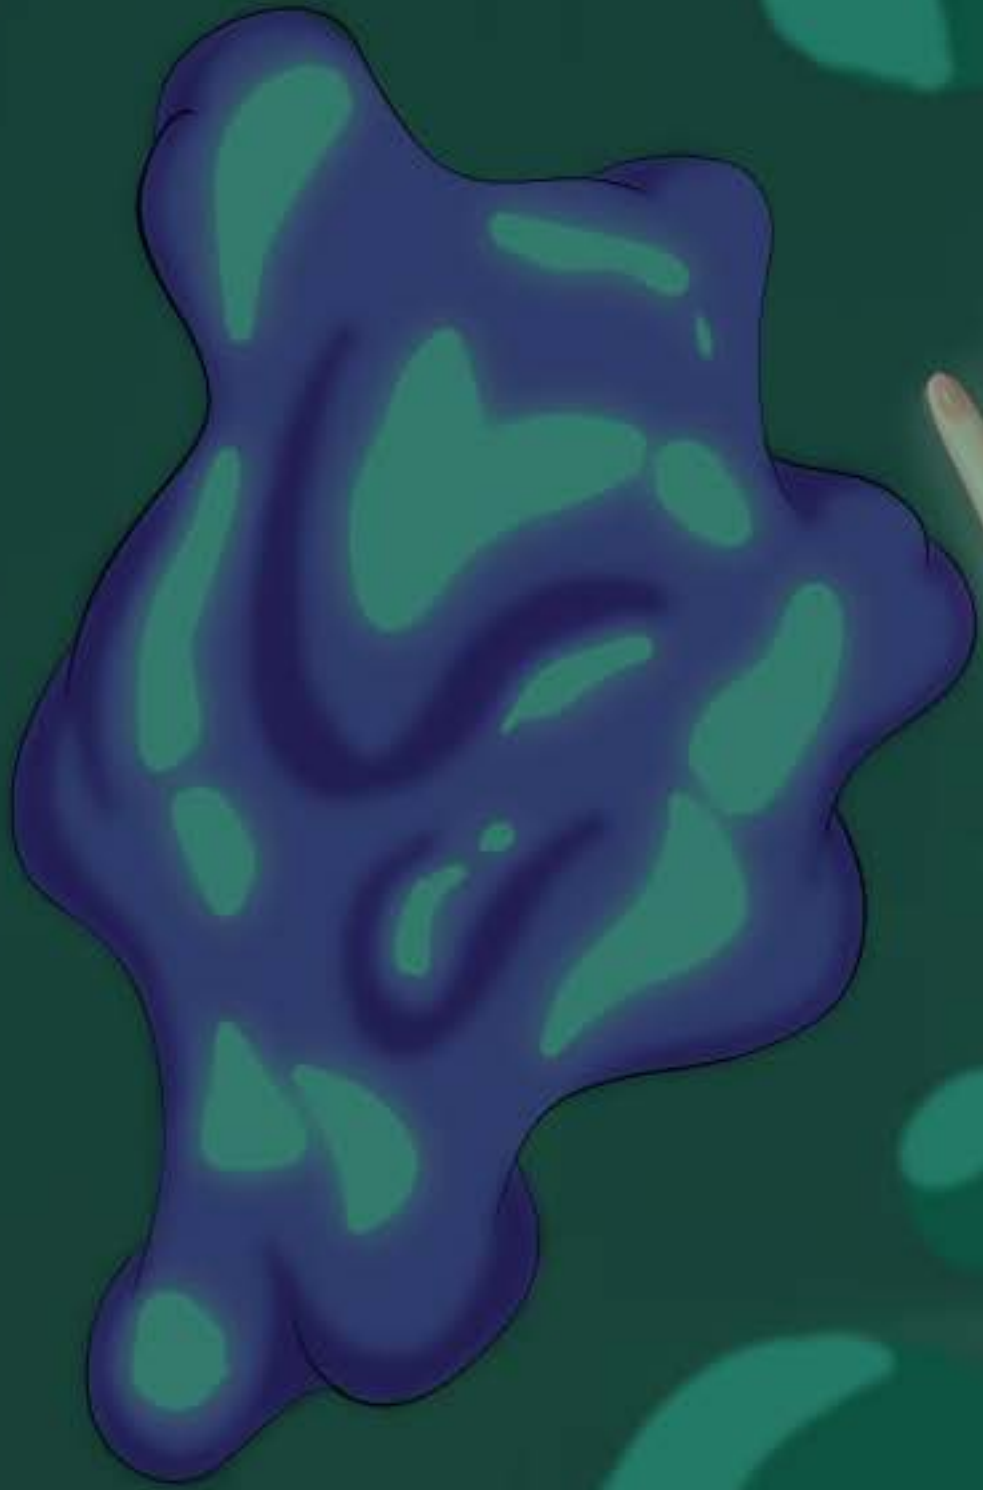

Recently, he seem to
recieve a heavy load
on his head. I'm worried.

Ya, probably they
tried to pushed the
process for him...

Still, this experiment
can't be fast forward.

It need more time
to fully grow...

They rushed, but we will do it slowly.

So there's nothing
to worry about me,
my private nurse.

Of course, we will
be here if you need
us, leader.

Yes, let's get back
to work everyone.

Ah...

"What was that dream all about?"

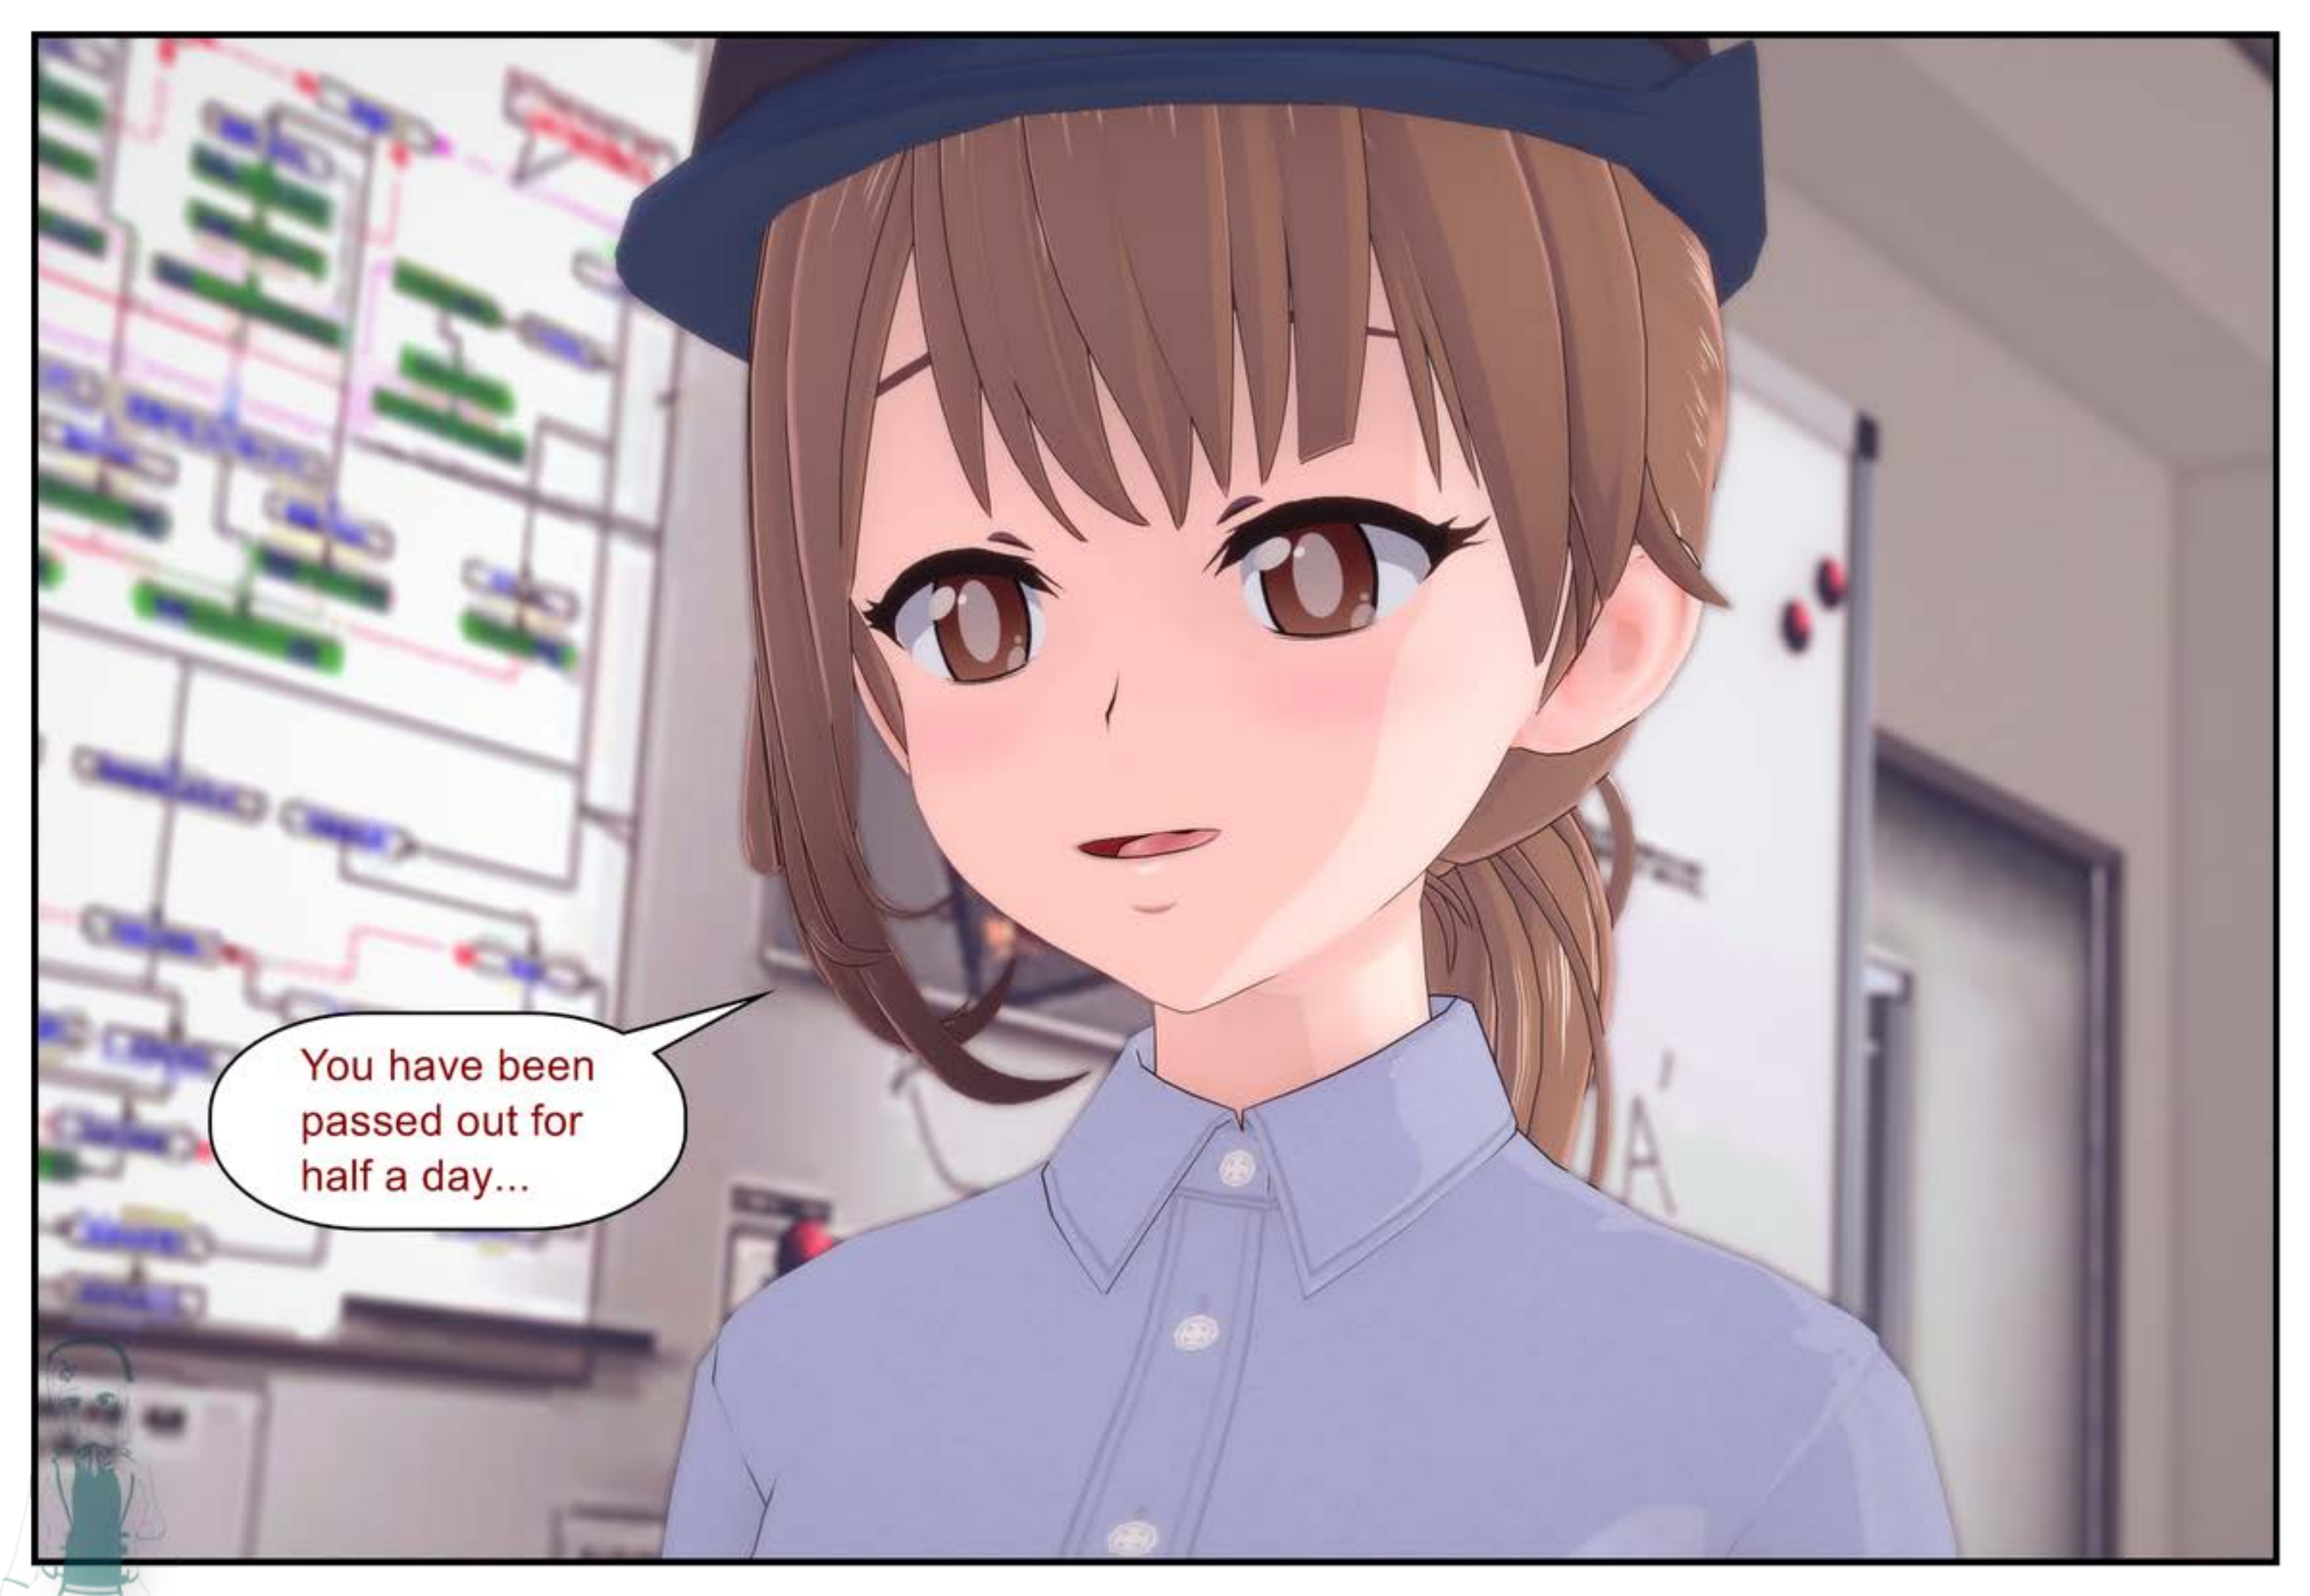

You awake! How do you feel now, Yuka?

I feel... a little bit headache.

You have been
passed out for
half a day...

Oh... Must be a lot work waiting for me, right?

It's alright, you just need to rest. I will do everything, Yuka.

Are you really...
Can I help?

I finished my part,
so yours won't be
a problem!

Hyyaaaaa!!!

Pfft...

委員

Anyway, just leave everything to me, Yuka.

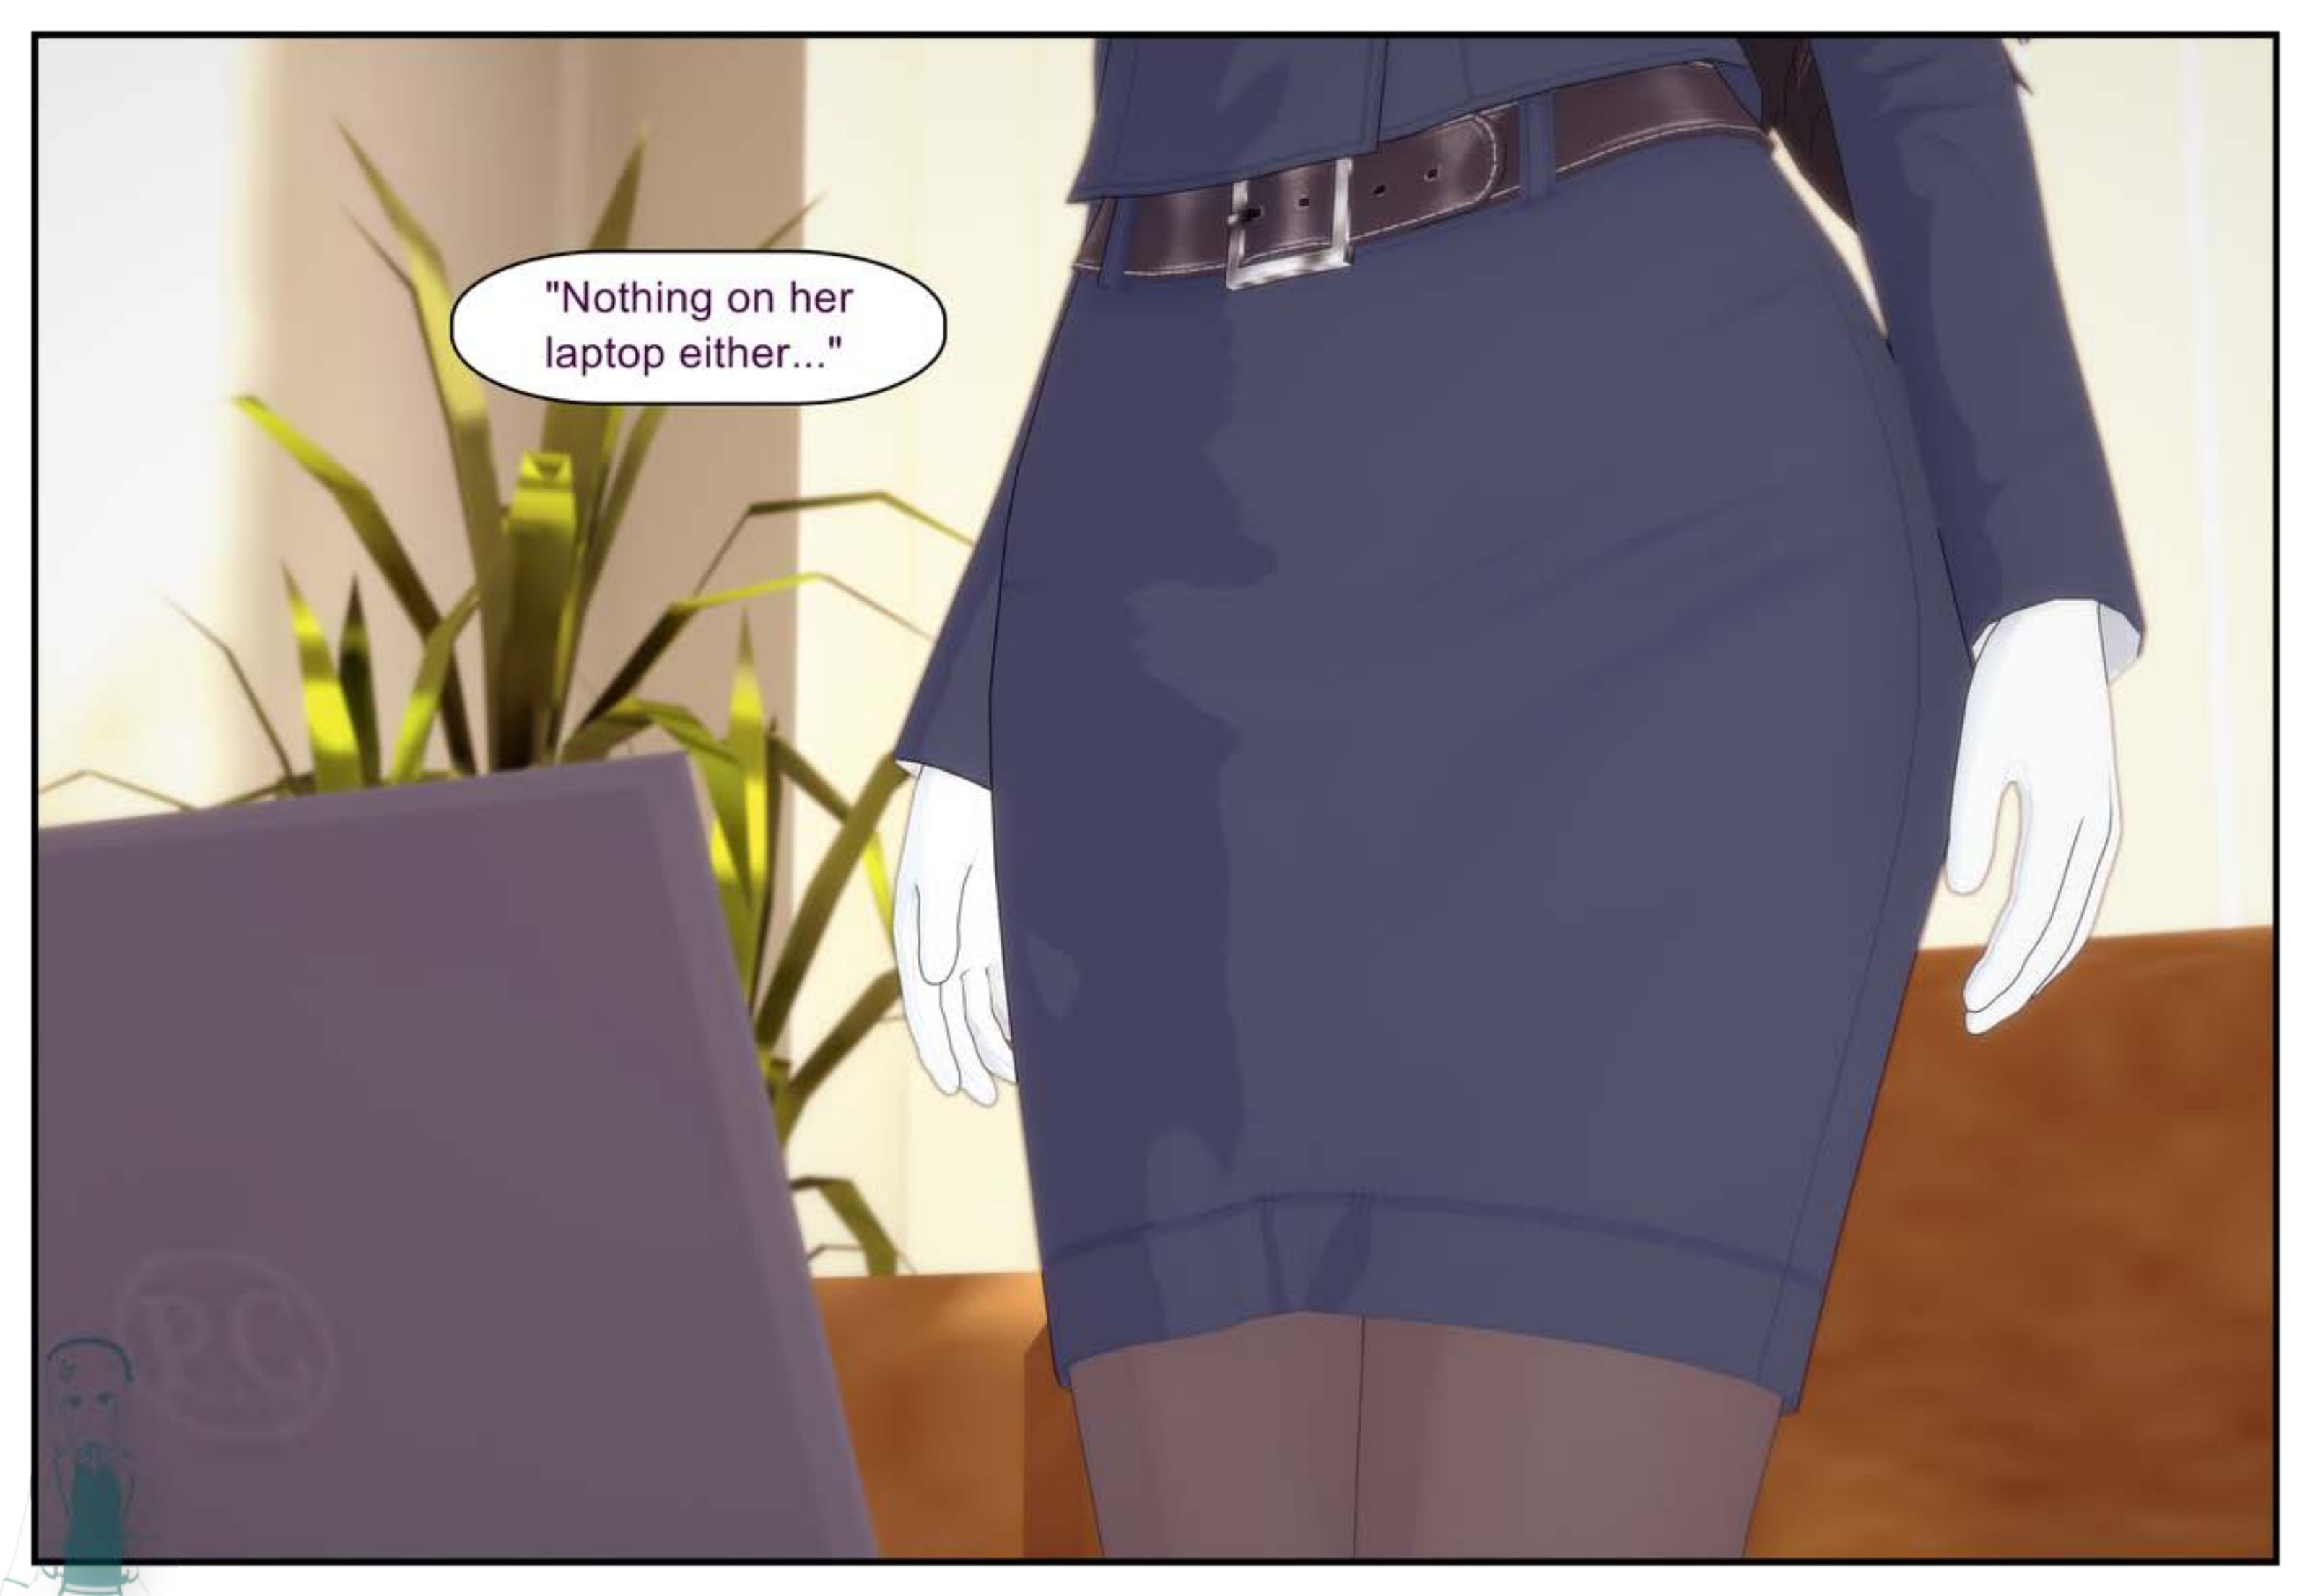

Thank you, Karina.

"I'm sorry, Yuka.
It was my fault."

"That creature...
I wonder what is
he doing now."

A woman in a dark blue suit with a brown belt is standing next to a purple laptop. The scene is set indoors with a potted plant in the background. A speech bubble is positioned above the laptop.

"Nothing on her
laptop either..."

"Is there another way for me to find someone's information?"

"It's strange that I
can't get access
to this body's memories."

"Should I find
someone more
suitable?"

"A person that know
to find information..."

"...about one person
whom I only remember."

A character with long, straight black hair and large, translucent purple wings is shown from the back, looking towards a wooden door. The door has three small rectangular windows and a brass handle. The character is wearing a dark blue garment. The scene is set in a room with light-colored walls.

Chief? May I
come in?

knock

"Someone's here."

Shizuko, reporting in.

There are some stuff
that I need access to.

Hm? What do you mean?

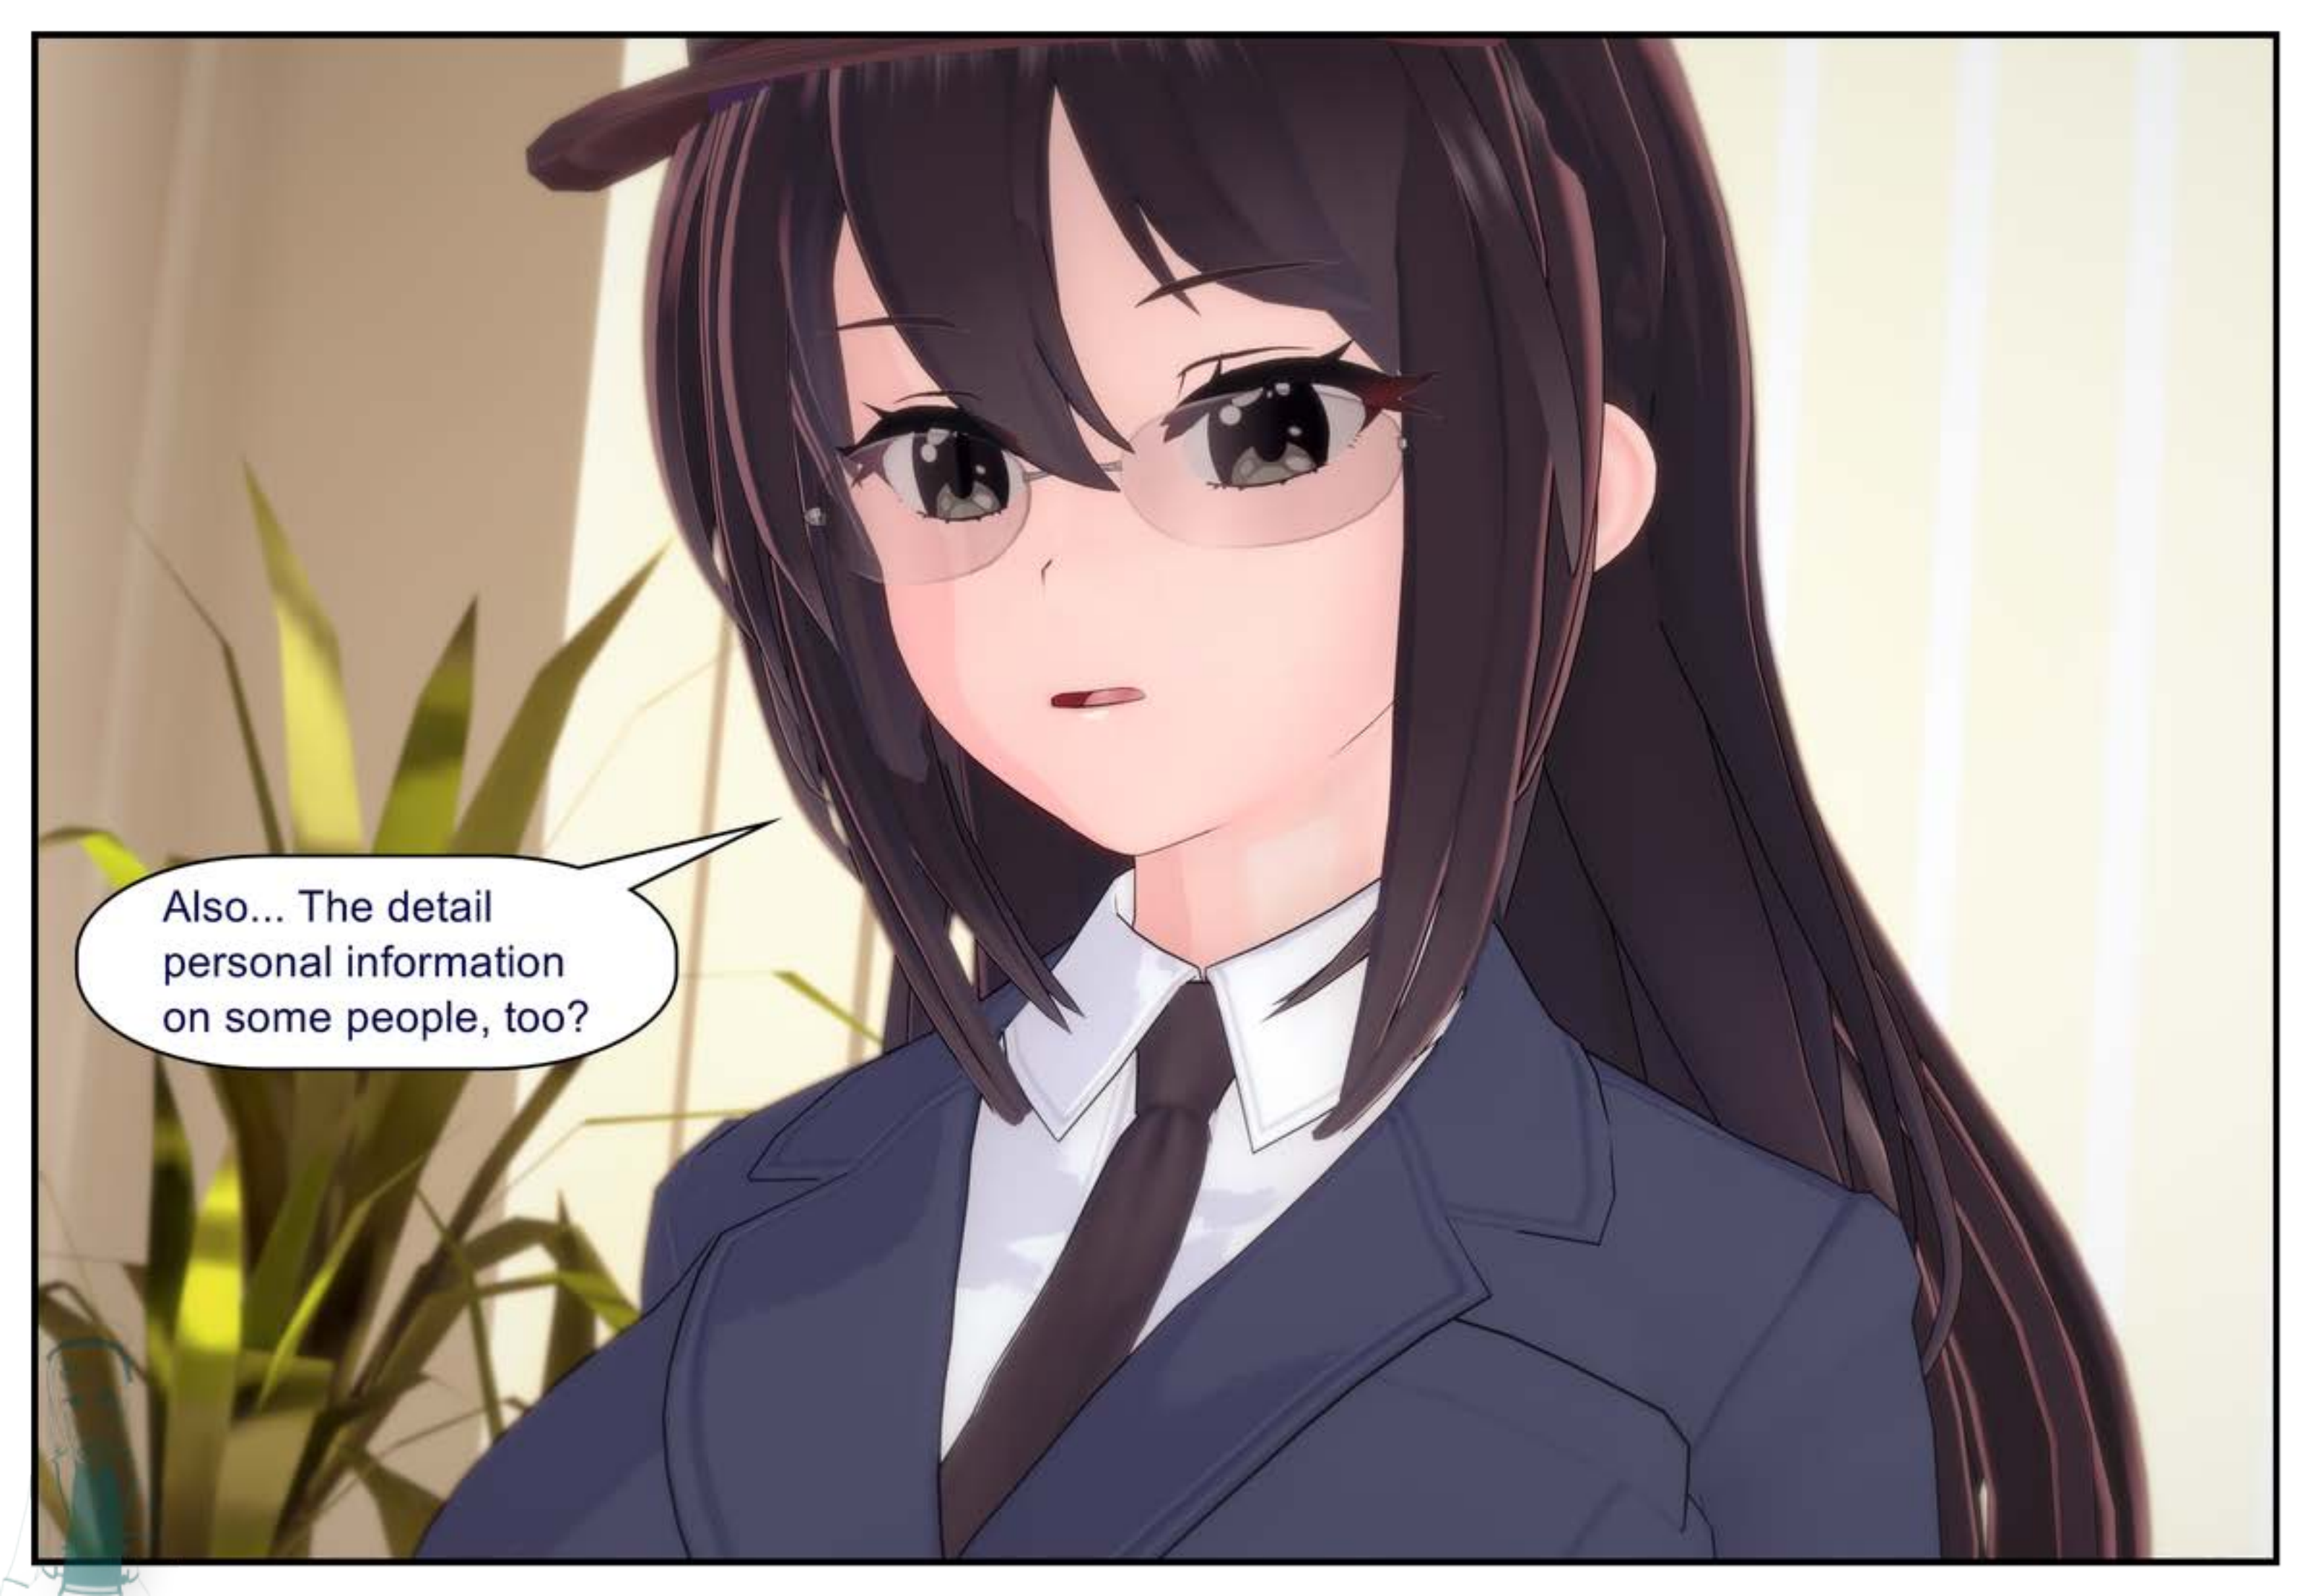

The archive room...
What were you thinking?

Oh right... I'm
sorry. I was a bit
spacing out.

Because there is an old case that I need to look into...

Also... The detail
personal information
on some people, too?

You are strange today. Just give me a clearance already.

Okay... You
are clear to...

Alright, don't just
spacing out like
that again, Chief.

"The archive room...
Worth to take a look into."

"I need to contact
that person before..."

"W-What is happening to me...!?"

"Should I care
about that parasitic
creature?"

"But... I worried that he is planning some evil plot."

"Anyway, I need to finish Yuka's work as soon possible."

"After that, maybe..."

The subject tend to gather more energy from female source...

W-Who's there?

It able to absord
from sexual activities...

"No one here... But
those voice..."

"Wha... My head..."

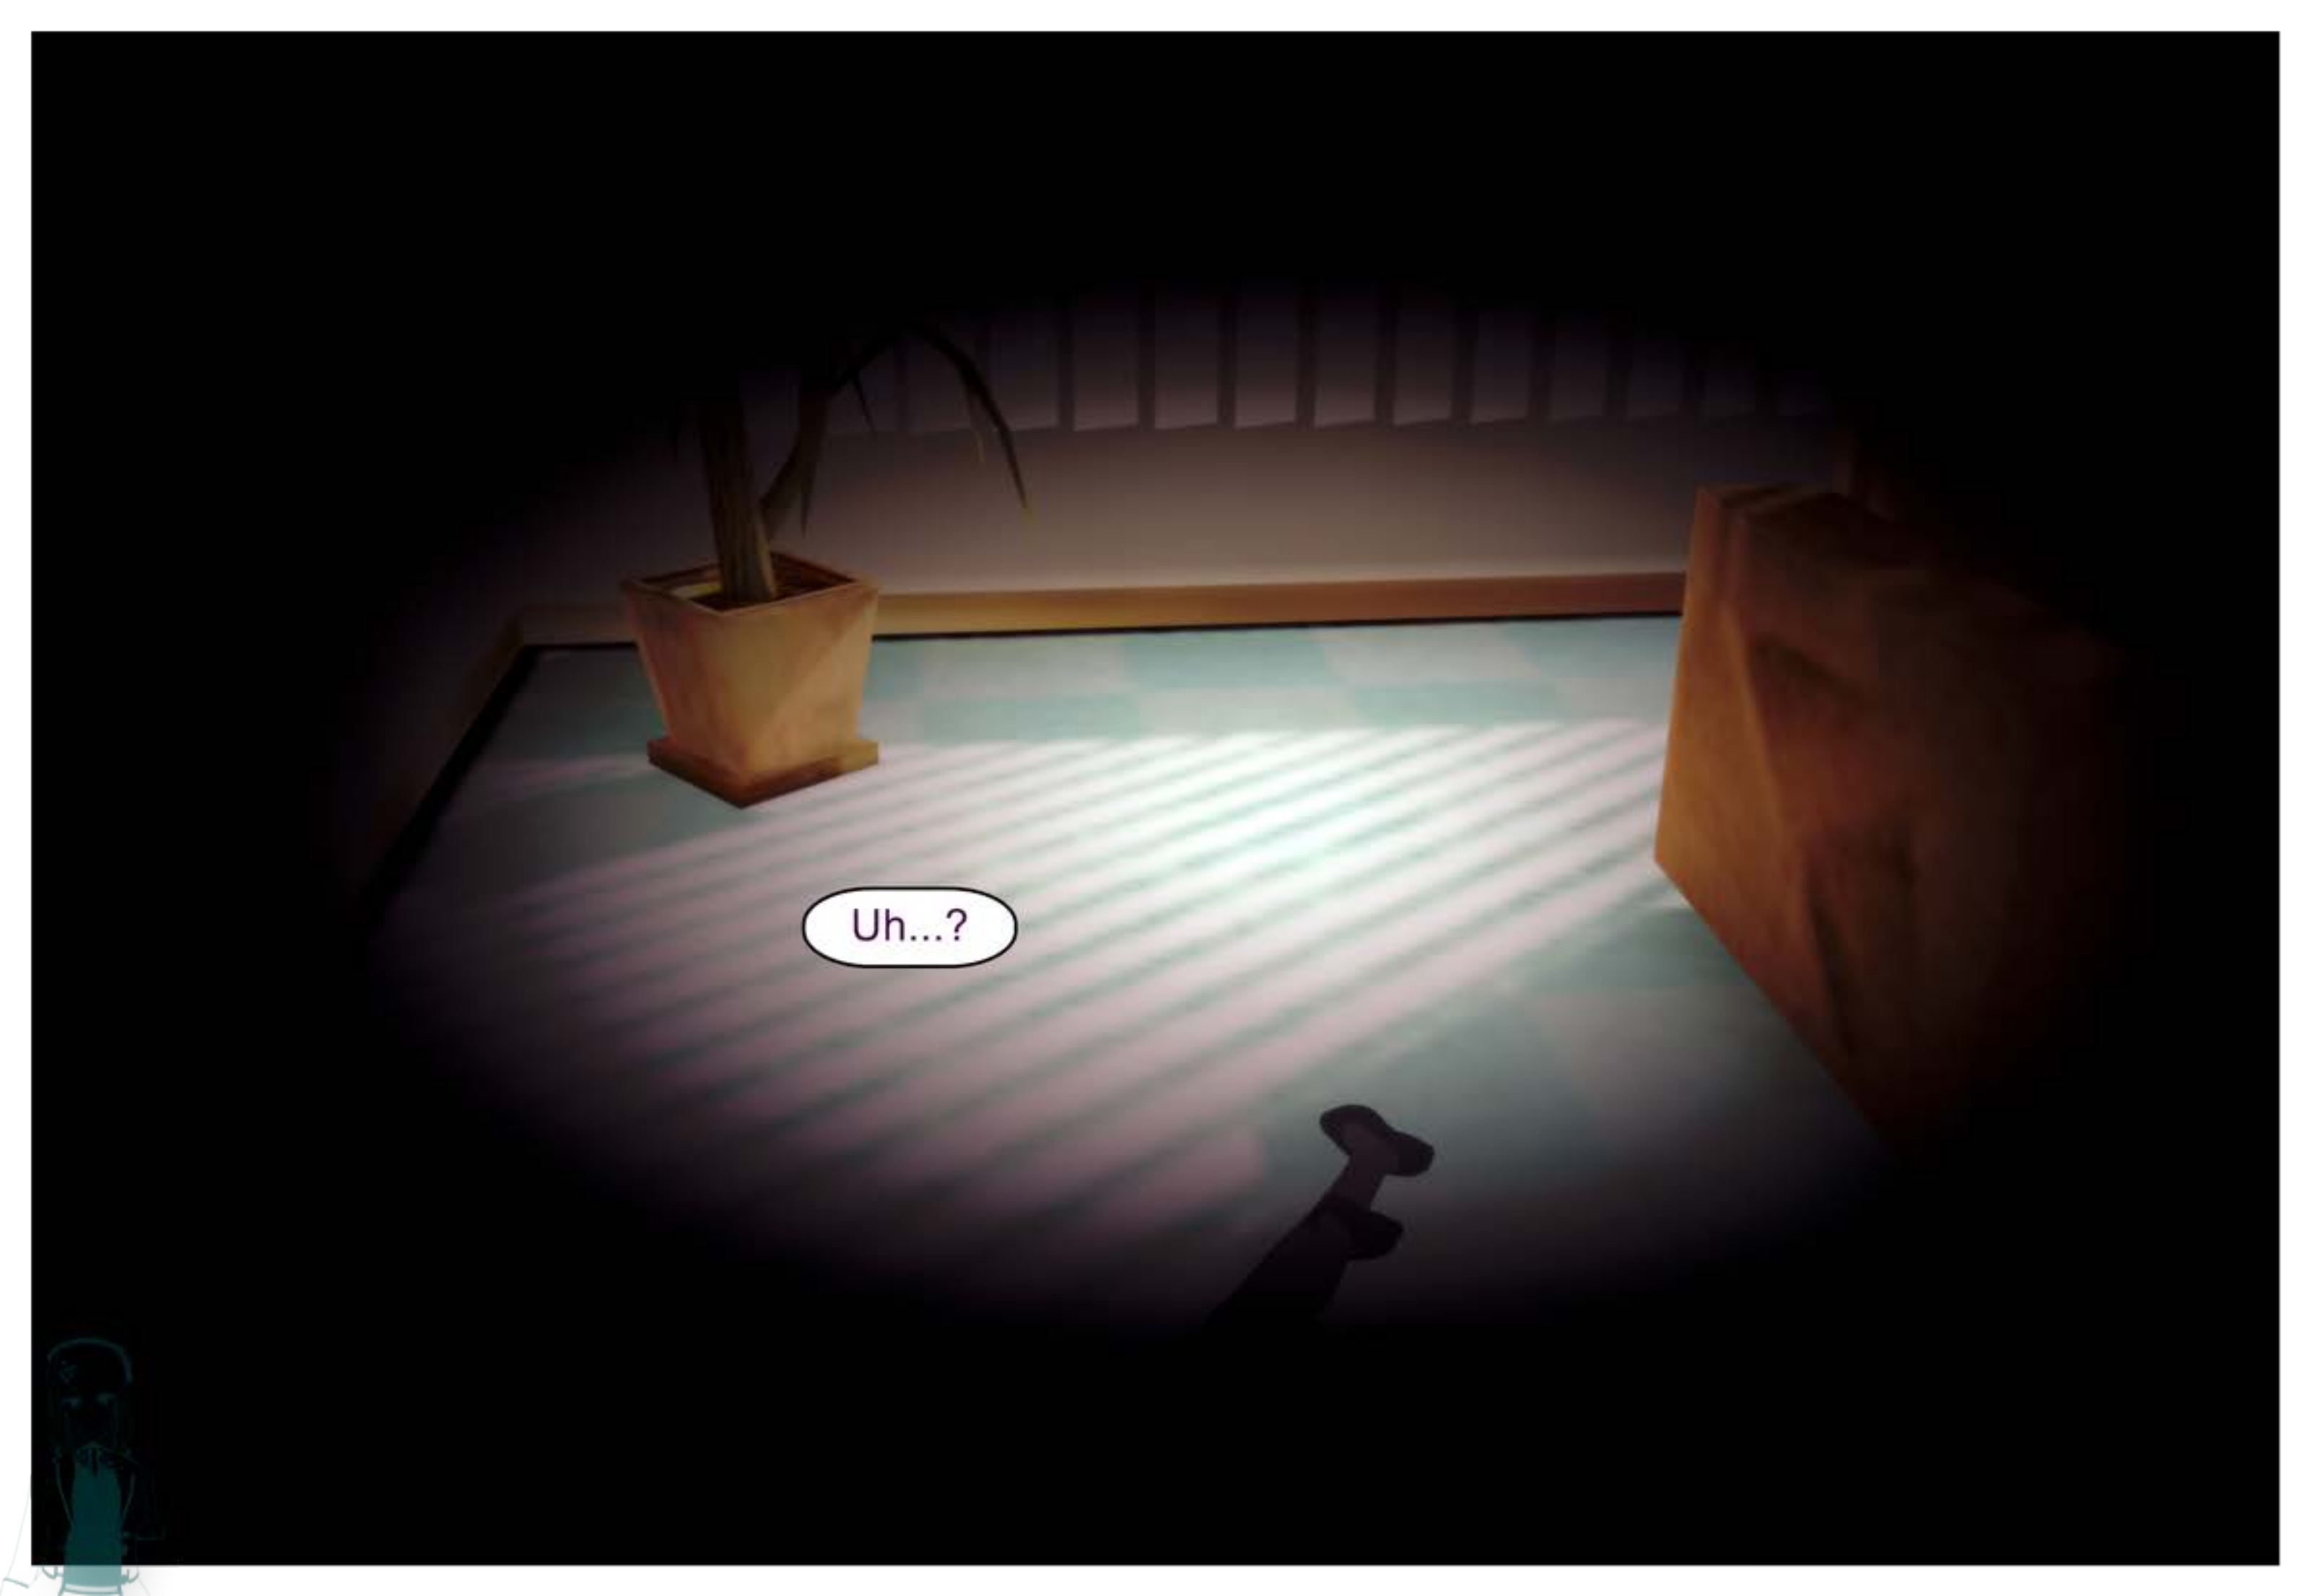

"It very hurt... Flash
through my head..."

"Is this... pain...
relate to that creature?"

A dark, dimly lit room. In the center, a potted plant sits on a light-colored floor. To the right, a large, dark, rectangular object is partially visible. A shadow of a hand is cast on the floor in the foreground. A speech bubble is positioned in the middle of the scene.

Uh...?

What is...?

These hands...
What is going on...

I... this form...
Does it mean...

"The pain... I can't...
It hurt a lot..."

W-Who are you...!?

Stay away!!! Don't
come any closer!

W-Wait... I...

Yuu

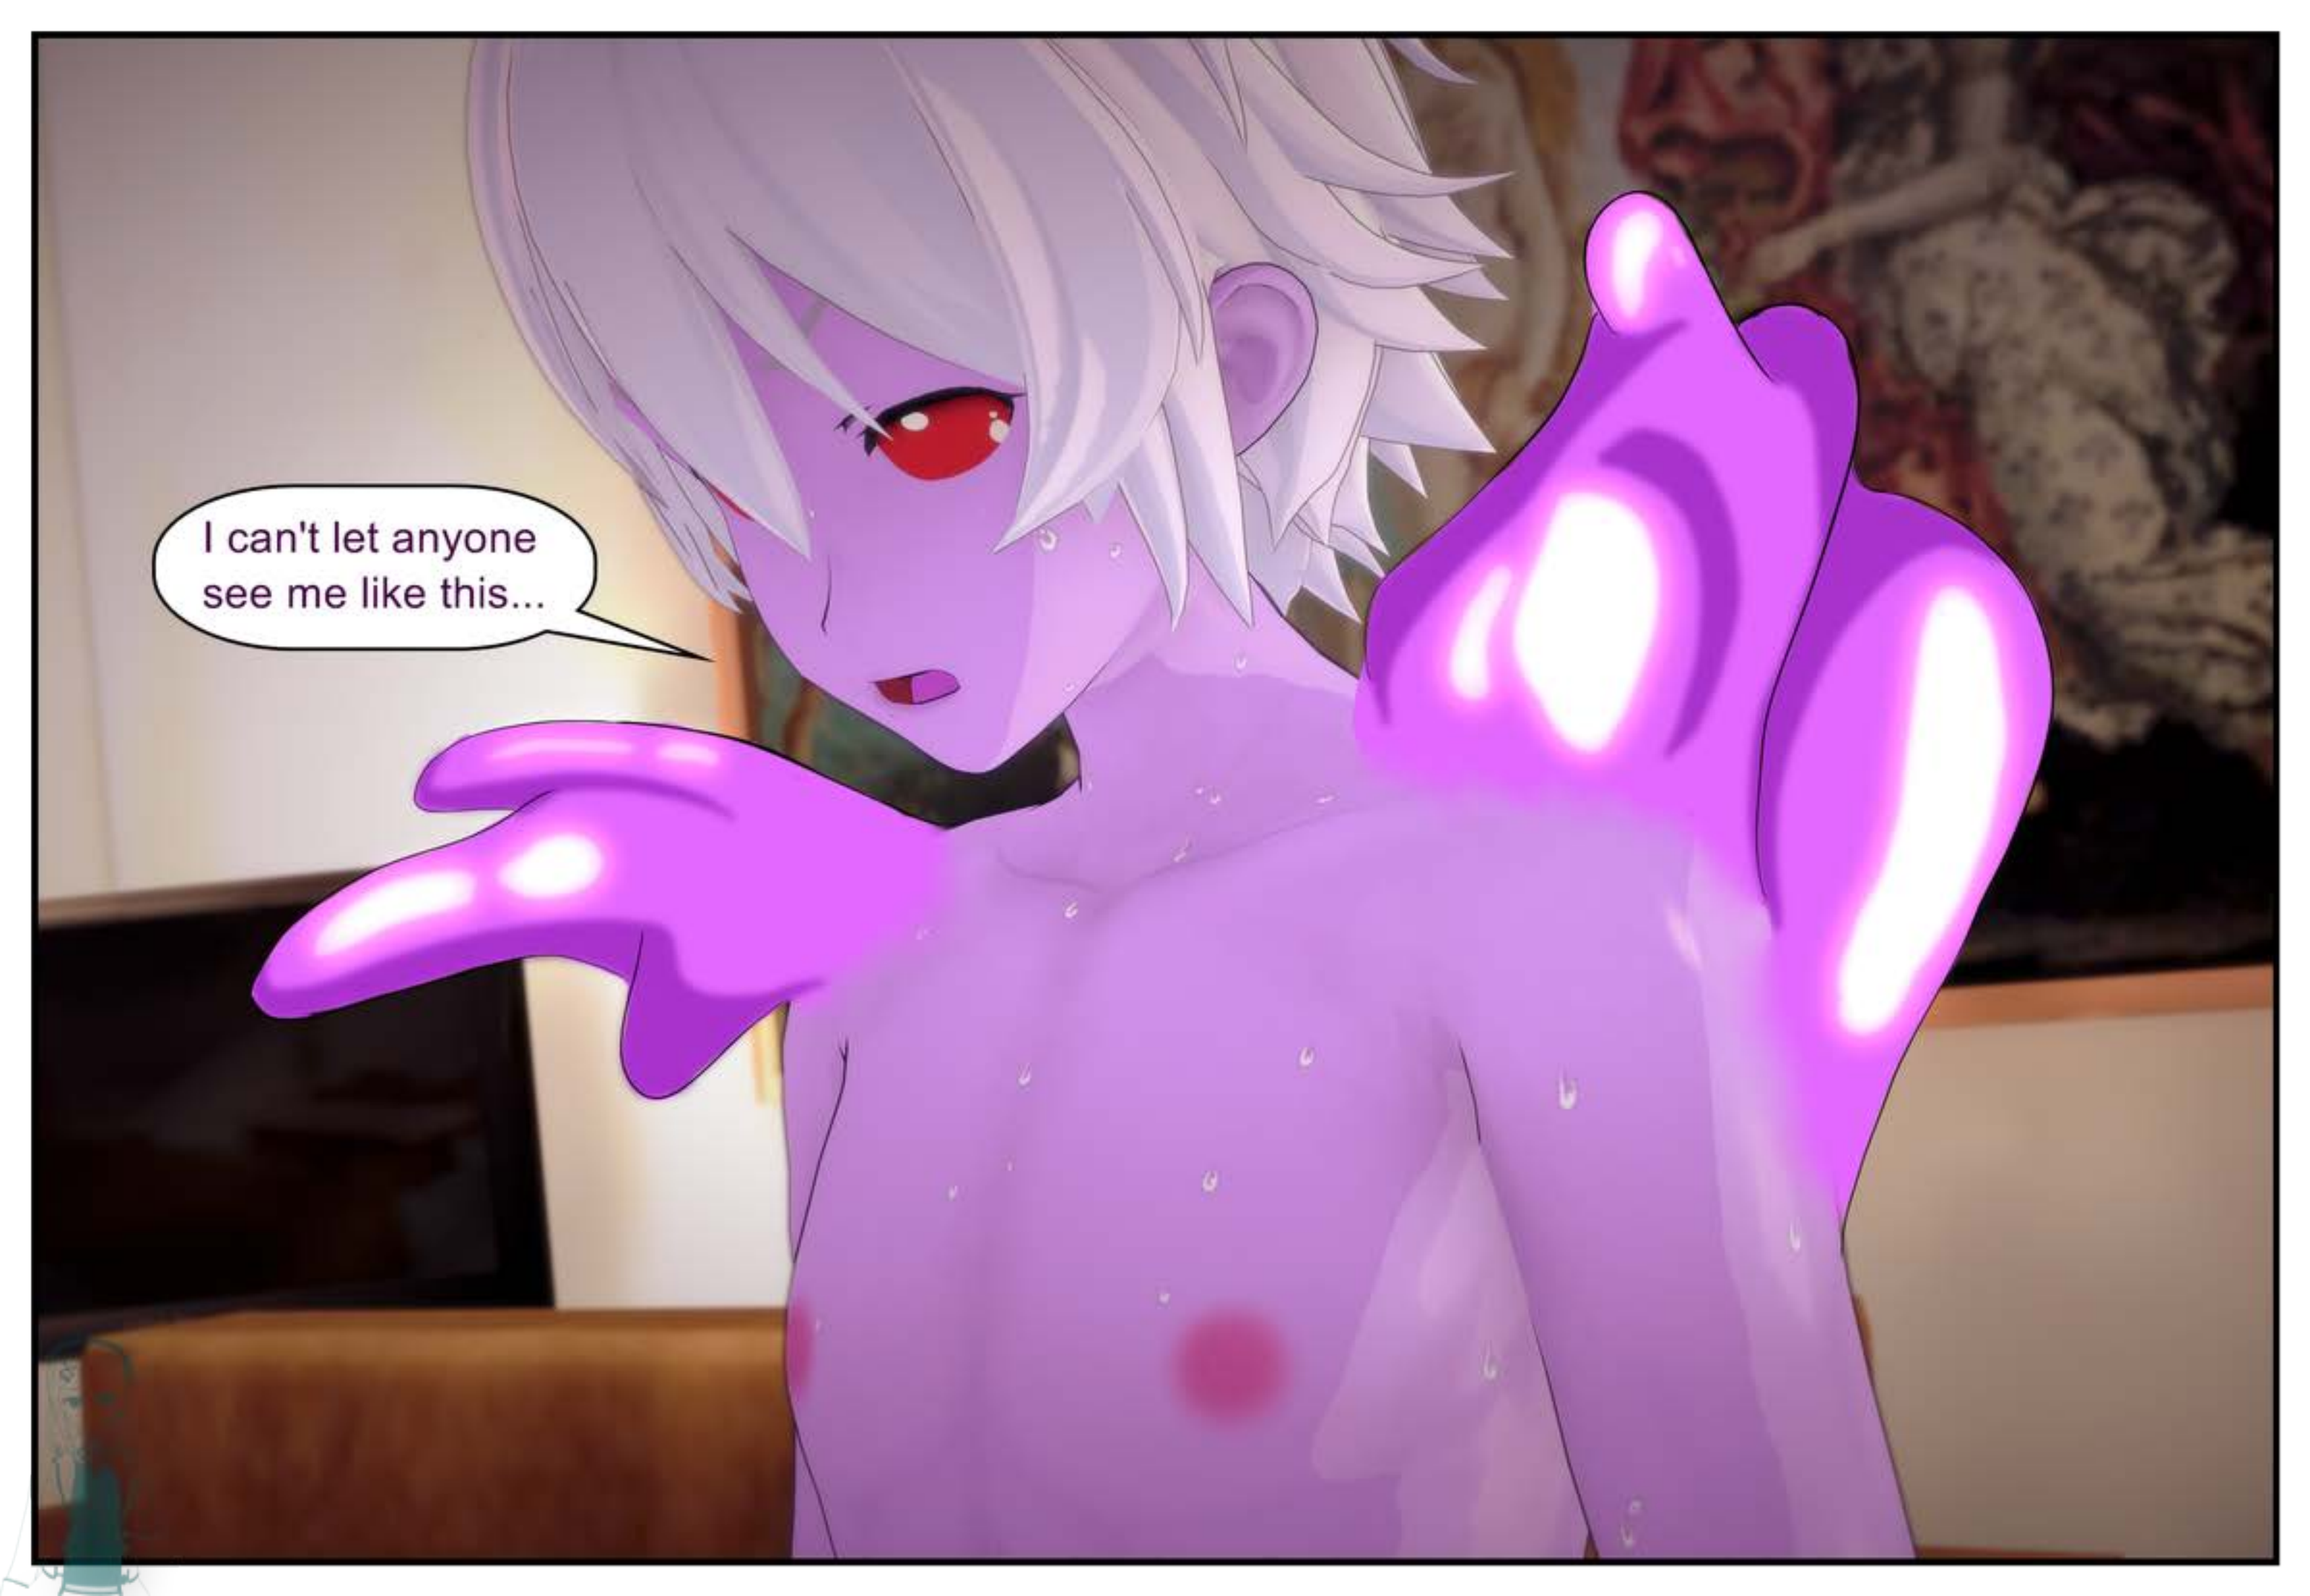

Chief? What was that sound?

Hey! I'm in here... There's a creature...

"No... She will warn the people outside!"

I can't let anyone
see me like this...

Chief? I heard you
shouted in here.
What happened?

Are you...
doing alright?

I'm... okay...
N-No... N...ot...

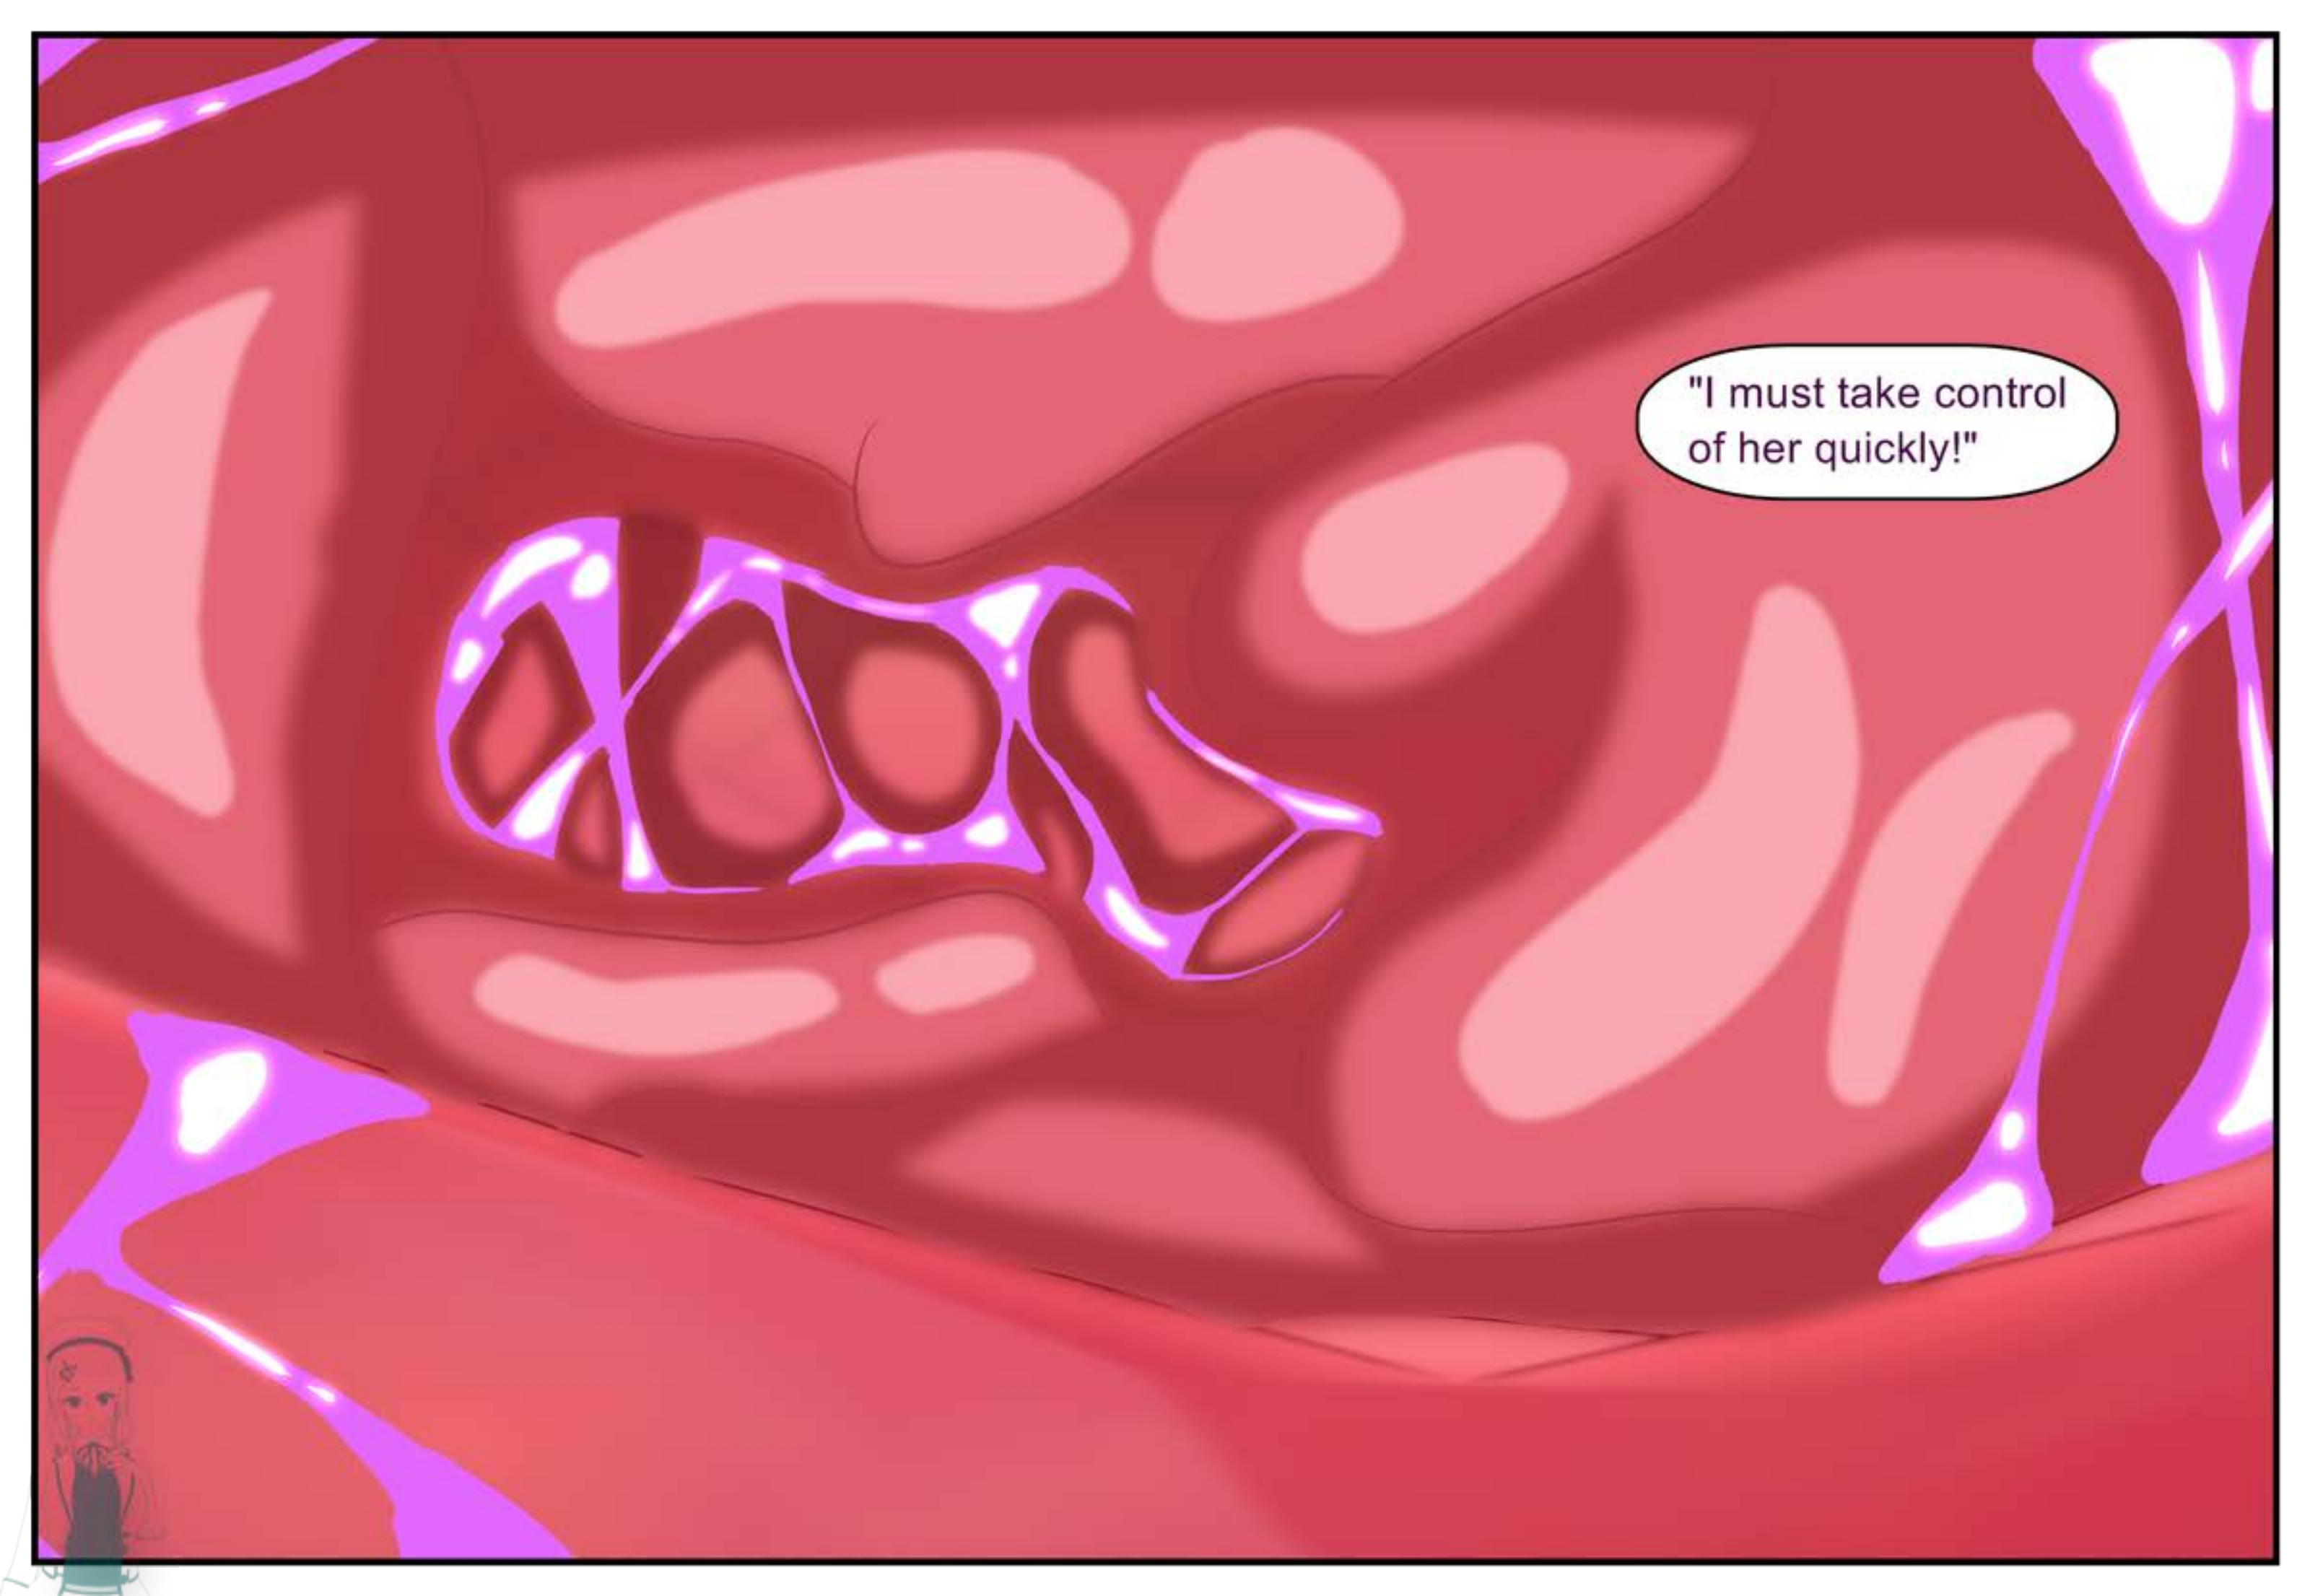

A creature... he...
inside me...

"The host... She
is resisting me!?"

"I must take control
of her quickly!"

Hey... What were you talking about?

I'm fine, Shizuko.

But you were just...

Didn't you hear
what I just said?

I'm doing just fine!
I was only have
headache solving
an important case.

A woman with short black hair, wearing a dark blue suit jacket and a matching wide-brimmed hat, is shown in profile, looking towards a painting of the Mona Lisa. She has yellow eyes and is wearing a small, teardrop-shaped earring. The background is a wooden wall with a small window. Two speech bubbles are present: one from the painting and one from the woman.

Please leave
me alone!

Jeez... What it
with you, Chief?

"That was close..."

"Strange... I got pushed out, and then she resisted."

"And it seem that
I well-attached to
her body than before."

As well as her memories...

Excuse me?
I'm coming in.

Ah... Is that...
your true form?

I don't know... But
what are you
doing here?

To tell you about the pain that I felt earlier. Was it... you?

Hold on... Can you tell me more?

I heard voice, and
then a headache
flash through.

That's weird... I have the same symptoms. And I got pushed out.

Is this... your evil plan, right? I have to know!

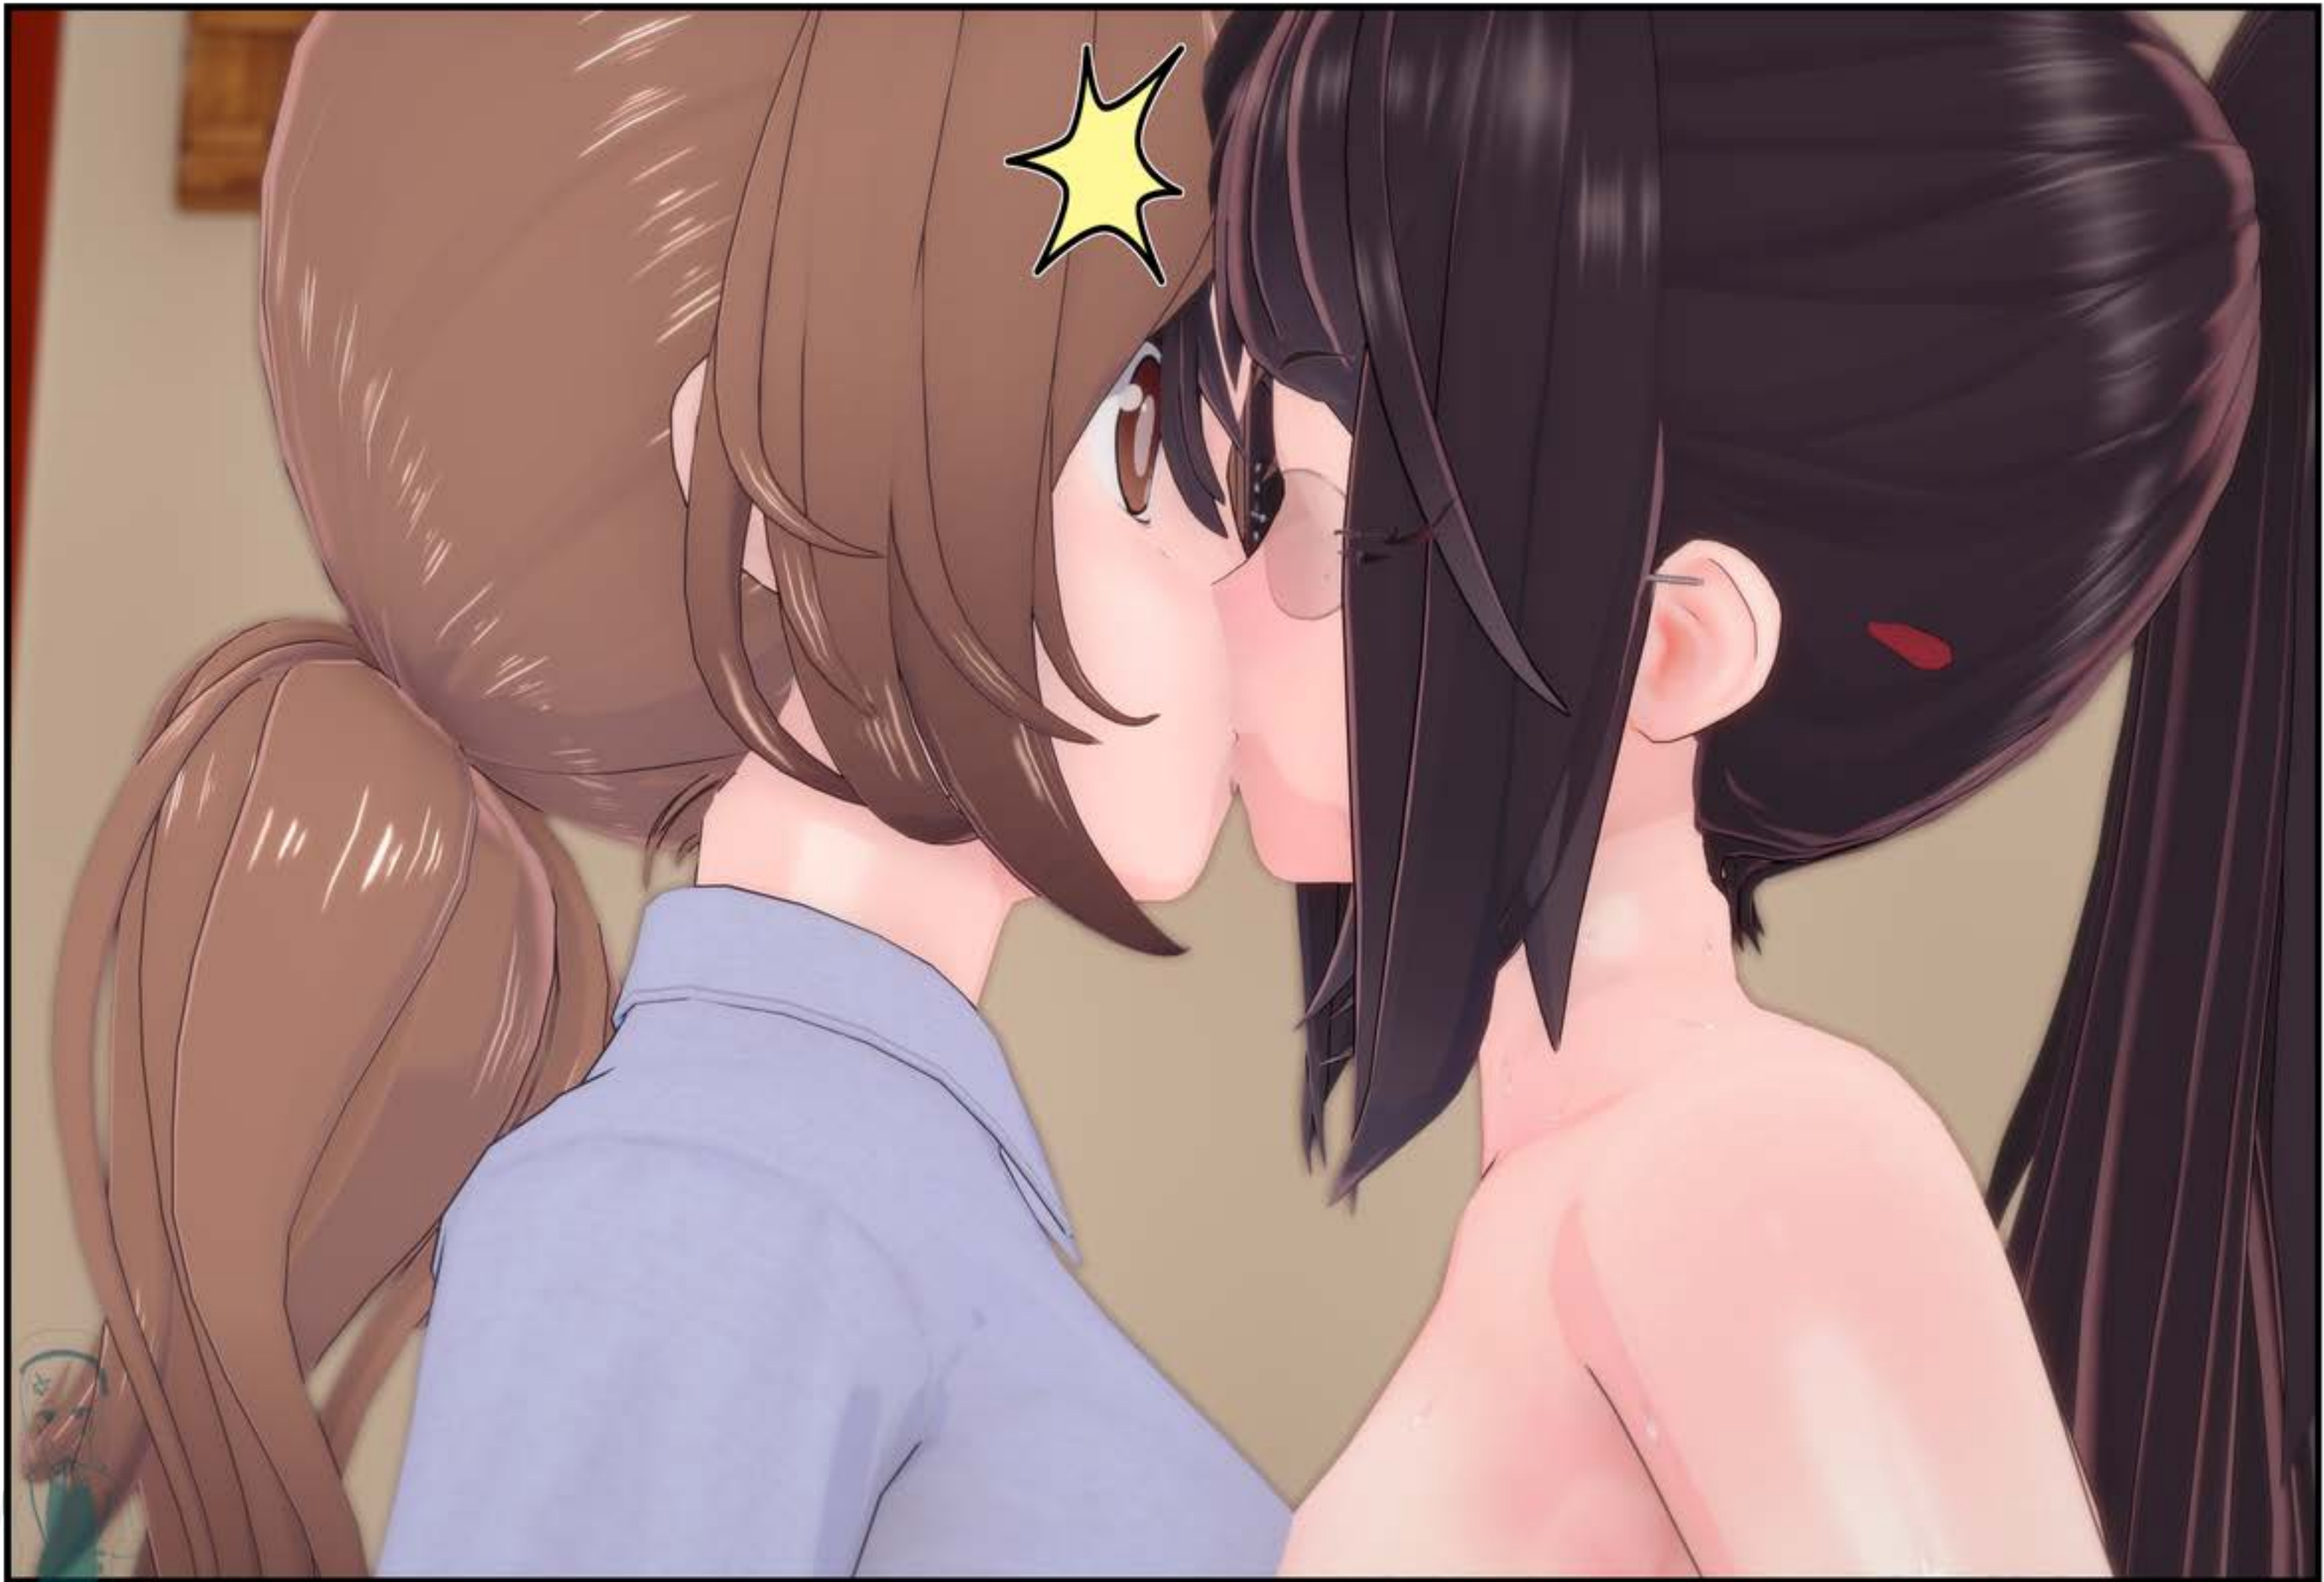

It's not... I
wasn't to...

Ah... I don't want to
get involved... But you...

Un... Nn... Mm...
Chu... Um...

Slurp... Mm... Nn...
Um... Slurp... Mn...

Un... Mm... Slurp...
Nn... Mm... Nn...

W-Why did you...
all of sudden...

Because if you keep shouting, someone might come in again.

B-But... That...

I told you already.

Just stay out if
you didn't want
to get involved.

You won't ever see me again soon.

A-Are you...

No worries. I only use her body for a while more.

Meanwhile...

Captain, we recieved some intel...

Is that someone
we are looking for?

No, it's from the
device we planted
at the police station.

The one that in our control? What is it?

Seem like... there was an existence of a creature, Madam.

Like in the file that
we were briefed, there
were no trace of the
experiment... So...

Your order, Madam?

Tell the other two.
Make it quiet.

I'm going to ask the one
who participated in that
operation.

A character with long, dark hair is shown from a high-angle, over-the-shoulder perspective. They are wearing a dark blue jacket over a white shirt. They are looking towards a row of server racks in a dimly lit room. The server racks are white with blue accents and have small blue screens on their front panels. The floor is a light-colored, polished surface. The background is dark and out of focus.

"Nothing in these files, too..."

"Am I getting into
dead end...?"

"Why... Why do I
only remember that I
have to save her?"

Not what you were looking for in those old archives?

I didn't think you
have an important
case to investigate either.

Moreover, a Chief
like you don't know
what an archive room is...

Who are you? A thief in disguise?

Or... an alien who
in Chief's form?

Oh? You gave out
many evidences.
So what's your point?

I will tell you.
Put your hands up.

I recieved information
from an annonymous.
Along with my evidences...

...something is blending
in between us. And you
are the most suspicious one.

W-Wait...Do you
believe those theories...

Then, show me proof that you are our Chief...

S-Shizuko...!!!

Karina!? This is not the place for Rookie...

This is... not like
what you think...

What are you
talking about!?
Get out the here!

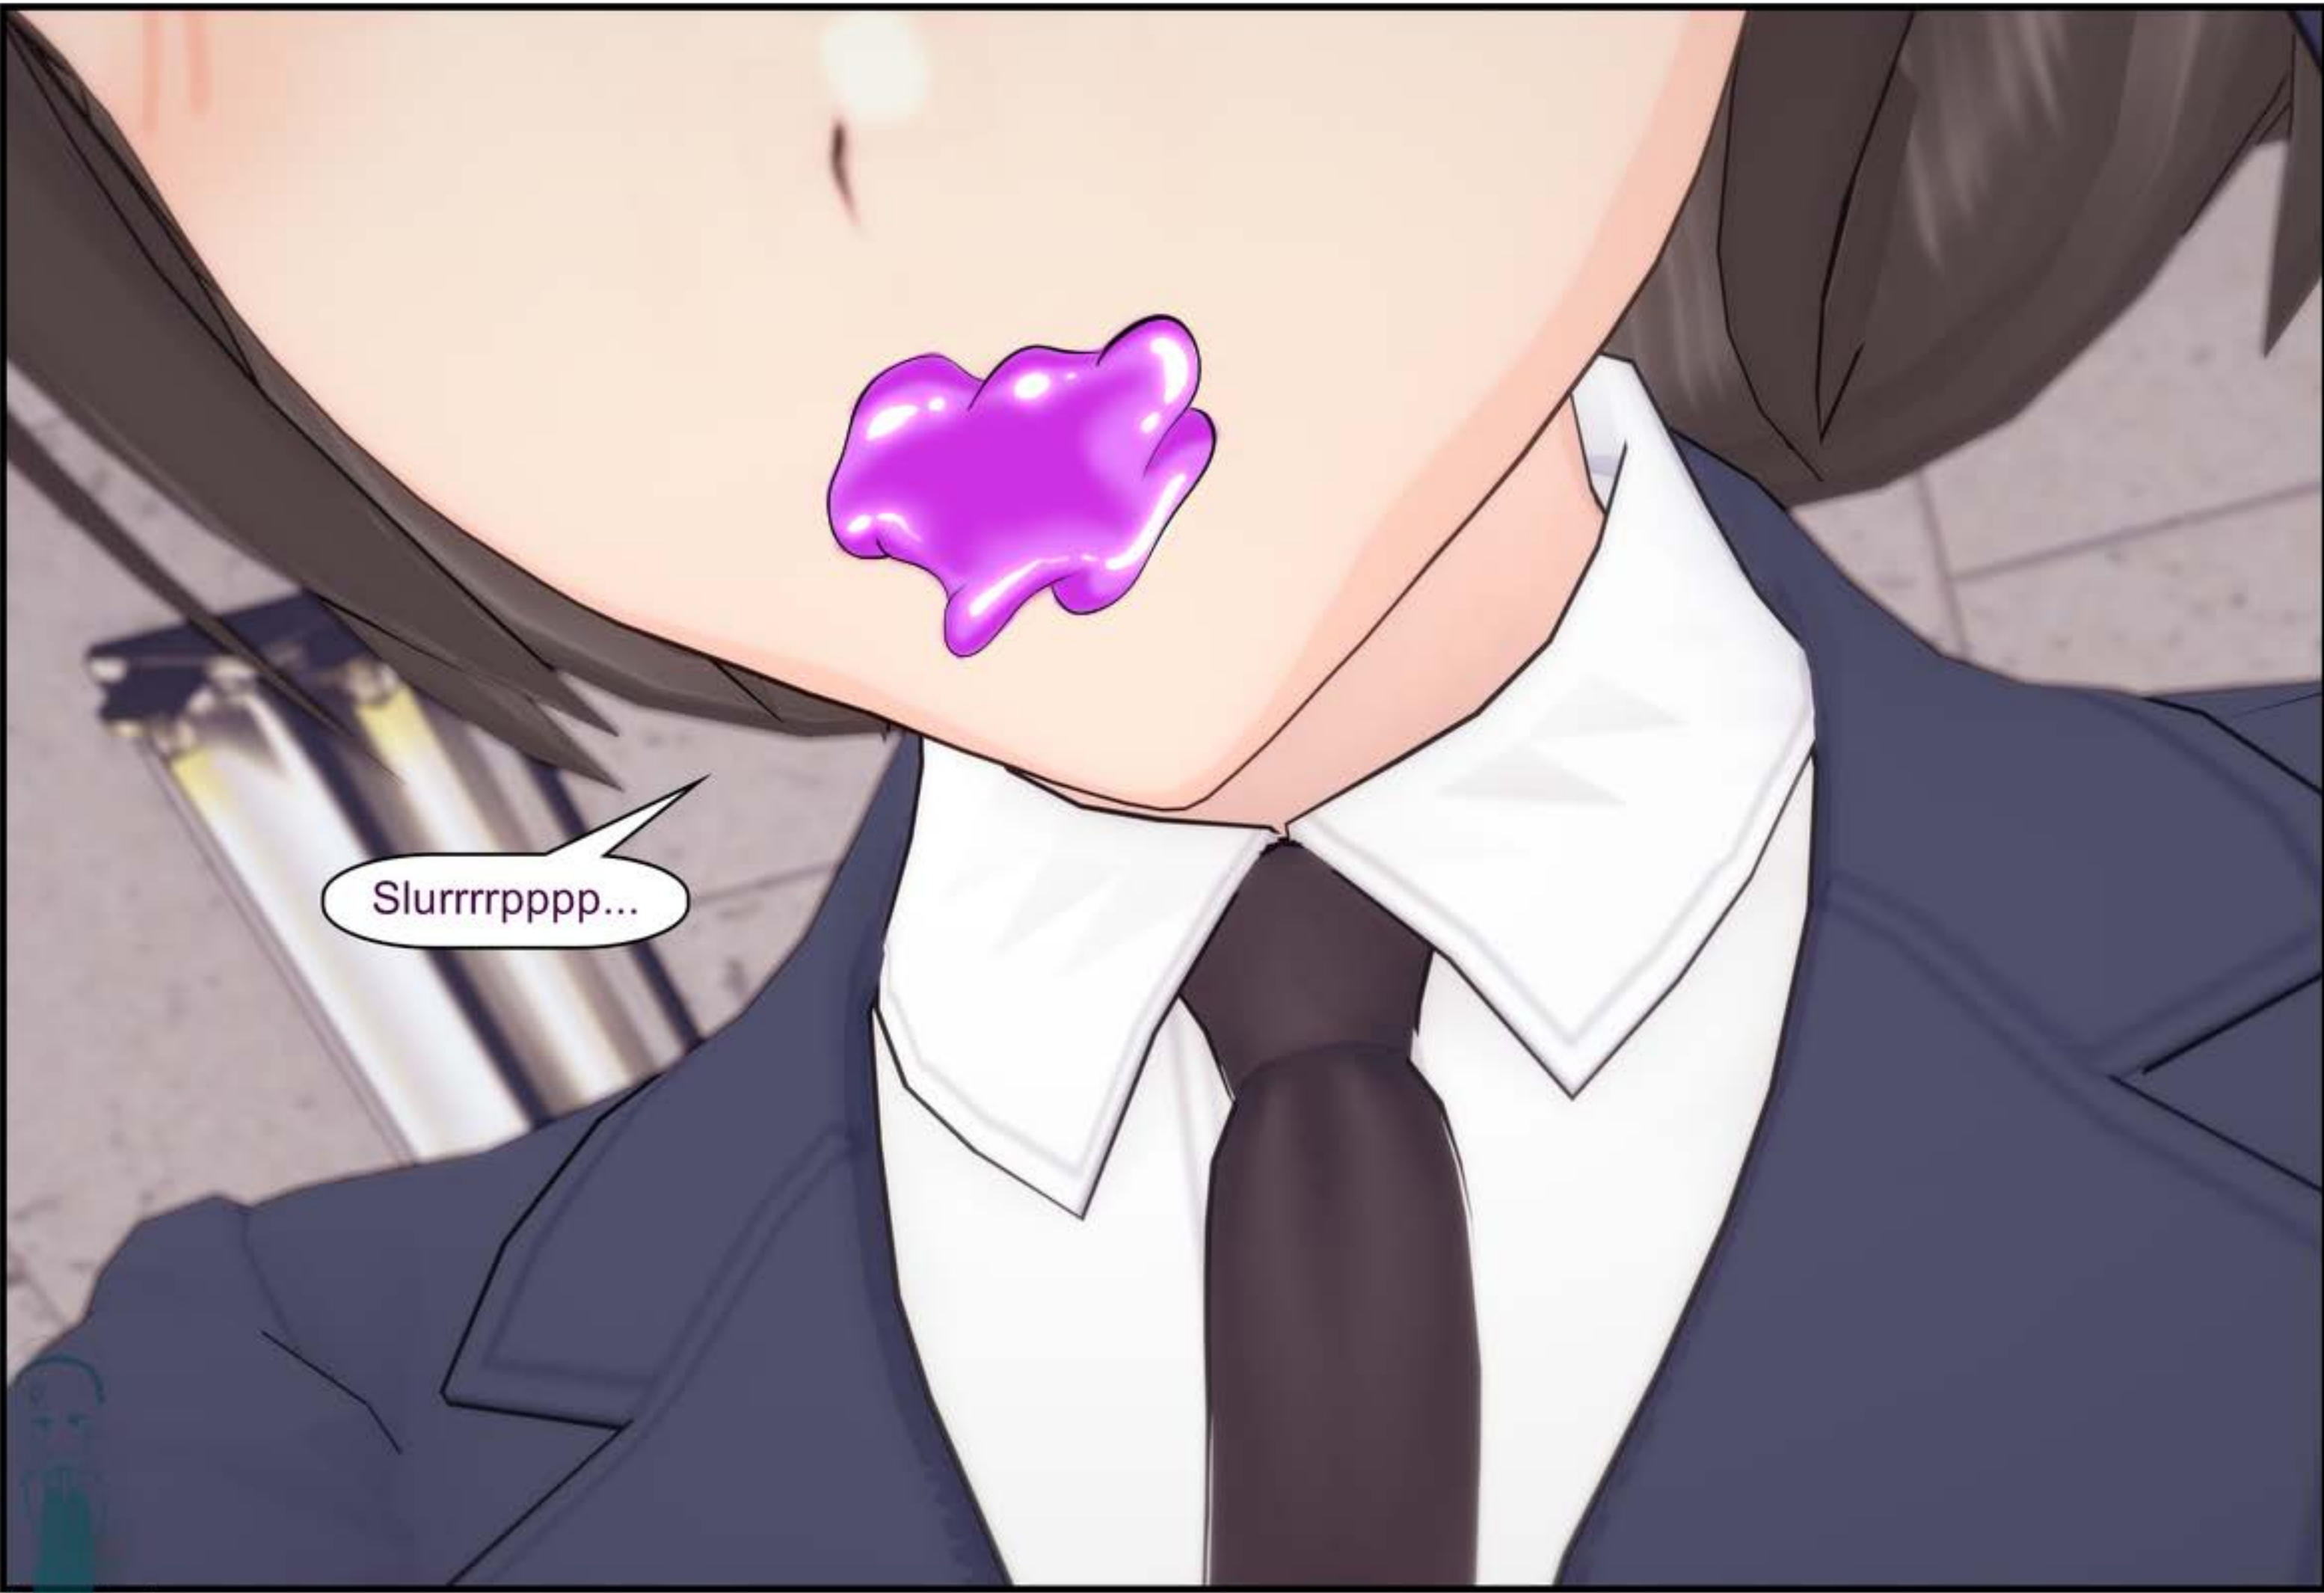

Slurrrppppp...

Shizuko...?

A person wearing a dark blue suit jacket and a matching skirt, cinched with a thin brown belt. They are holding a black handgun in their right hand. The background is a plain, light-colored wall with a window featuring horizontal blinds on the right side. A speech bubble is positioned above the person's right arm.

Phew... I didn't think...

...it would be
this way...

To be continued...?
