

PAGE TWO HUNDRED AND ONE(four panels)

Panel 4: Bon pokes his head out the pile of puffers. He's beat to shit, with one of them stabbed into his head. Humpy's dashing toward him, clutching a water bottle. Kern, Hen-Tie, and Max stand off to the side. Kern's got his arms crossed. Max is looking up toward Lucia, sad as anything.

KERN: This is what you get, Bon.

MAX: My puffers...

HUMPY: **Water?**

Panel 5: Bon ignores them, staring at Hen-Tie, hurt. She clutches Kern.

BON: Hen-Tie...how could you?

HEN-TIE: My old daddy's my **best** daddy.

Panel 6: Closeup of Bon's face as he grits his teeth, still hurt.

LUCIA(not shown): Bon!

PAGE TWO HUNDRED AND TWO(four panels)

Panel 1: We show Lucia high above him, floating just above a massive pufferfish, one as big as the ball of geeks from earlier. It's a *totally* badass shot.

Panel 2: Closeup of her face. She's isn't smirking, or cocky—instead she's focused, wanting to make this count.

LUCIA: You said I wasn't good enough...

Panel 3: Closeup of her cupping her fists together.

LUCIA: ...and yet...

Panel 4: Closeup of the butt of her panties ripping.

SFX: *Rip!*

LUCIA: ...here I am...

PAGE TWO HUNDRED AND THREE

Panel 1: Badass shot from behind Lucia as she spikes the puffer at Bon.

LUCIA: ...*About to finish you off!*

Panel 2: Similar shot, except this time the camera's on the floor, and Bon's running toward it. Humpy's behind him, and Kern, Hen-Tie, and Max are all dashing off to the side. The massive puffer is flying toward them.

KERN: Crap!

Panel 3: Wide shot of the arena as a massive burst of smoke fills it.

SFX: **Craaaaaaaaaaaaaaaaaash!**
