GROW

**Will I really be able
to see my friends again?**

For sure!

GROW

**...but they are so tiny inside me.
In fact, all of reality itself is!**

You'll just have to let me
use some of your energy.

**Alright, I'll trust you.
Let's make this deal.**

GROW

Alright, a deal is a deal.

A 3D anime-style character with long black hair and green eyes, wearing a dark red kimono with a green pattern. She is looking down and to the left, with her right hand raised in a gesture. A large, smooth, light orange shape is in the foreground, partially obscuring her. The background is dark blue with some faint, stylized elements. A white speech bubble is positioned above her head.

Oho, this is by far the best result yet!

*Shit! If I can't have her powers
then I better try her friends first.*

They should atleast have a tiny fraction of this...

**What are you planning?!!
Leave my friends alone!**

**Shit, why do you have
to be so damn tiny ?!**

GROW

Just trying to maintain a size to be able to communicate with her drained eons of me...

...and now this. Biggest failure ever!

How does she keep on growing?
What is this insane desire?

ugh, I better find the right universe inside
this endless expanding space fast...

What do you mean with "you have no more of this material"?

Is it really that special?

Yeah the strongest devices have
all a special core as base.

My supplier called them fragments...

She is a mysterious eye patched lady but I lost contact with her. She vanished without a trace.

It's so lonely out here...

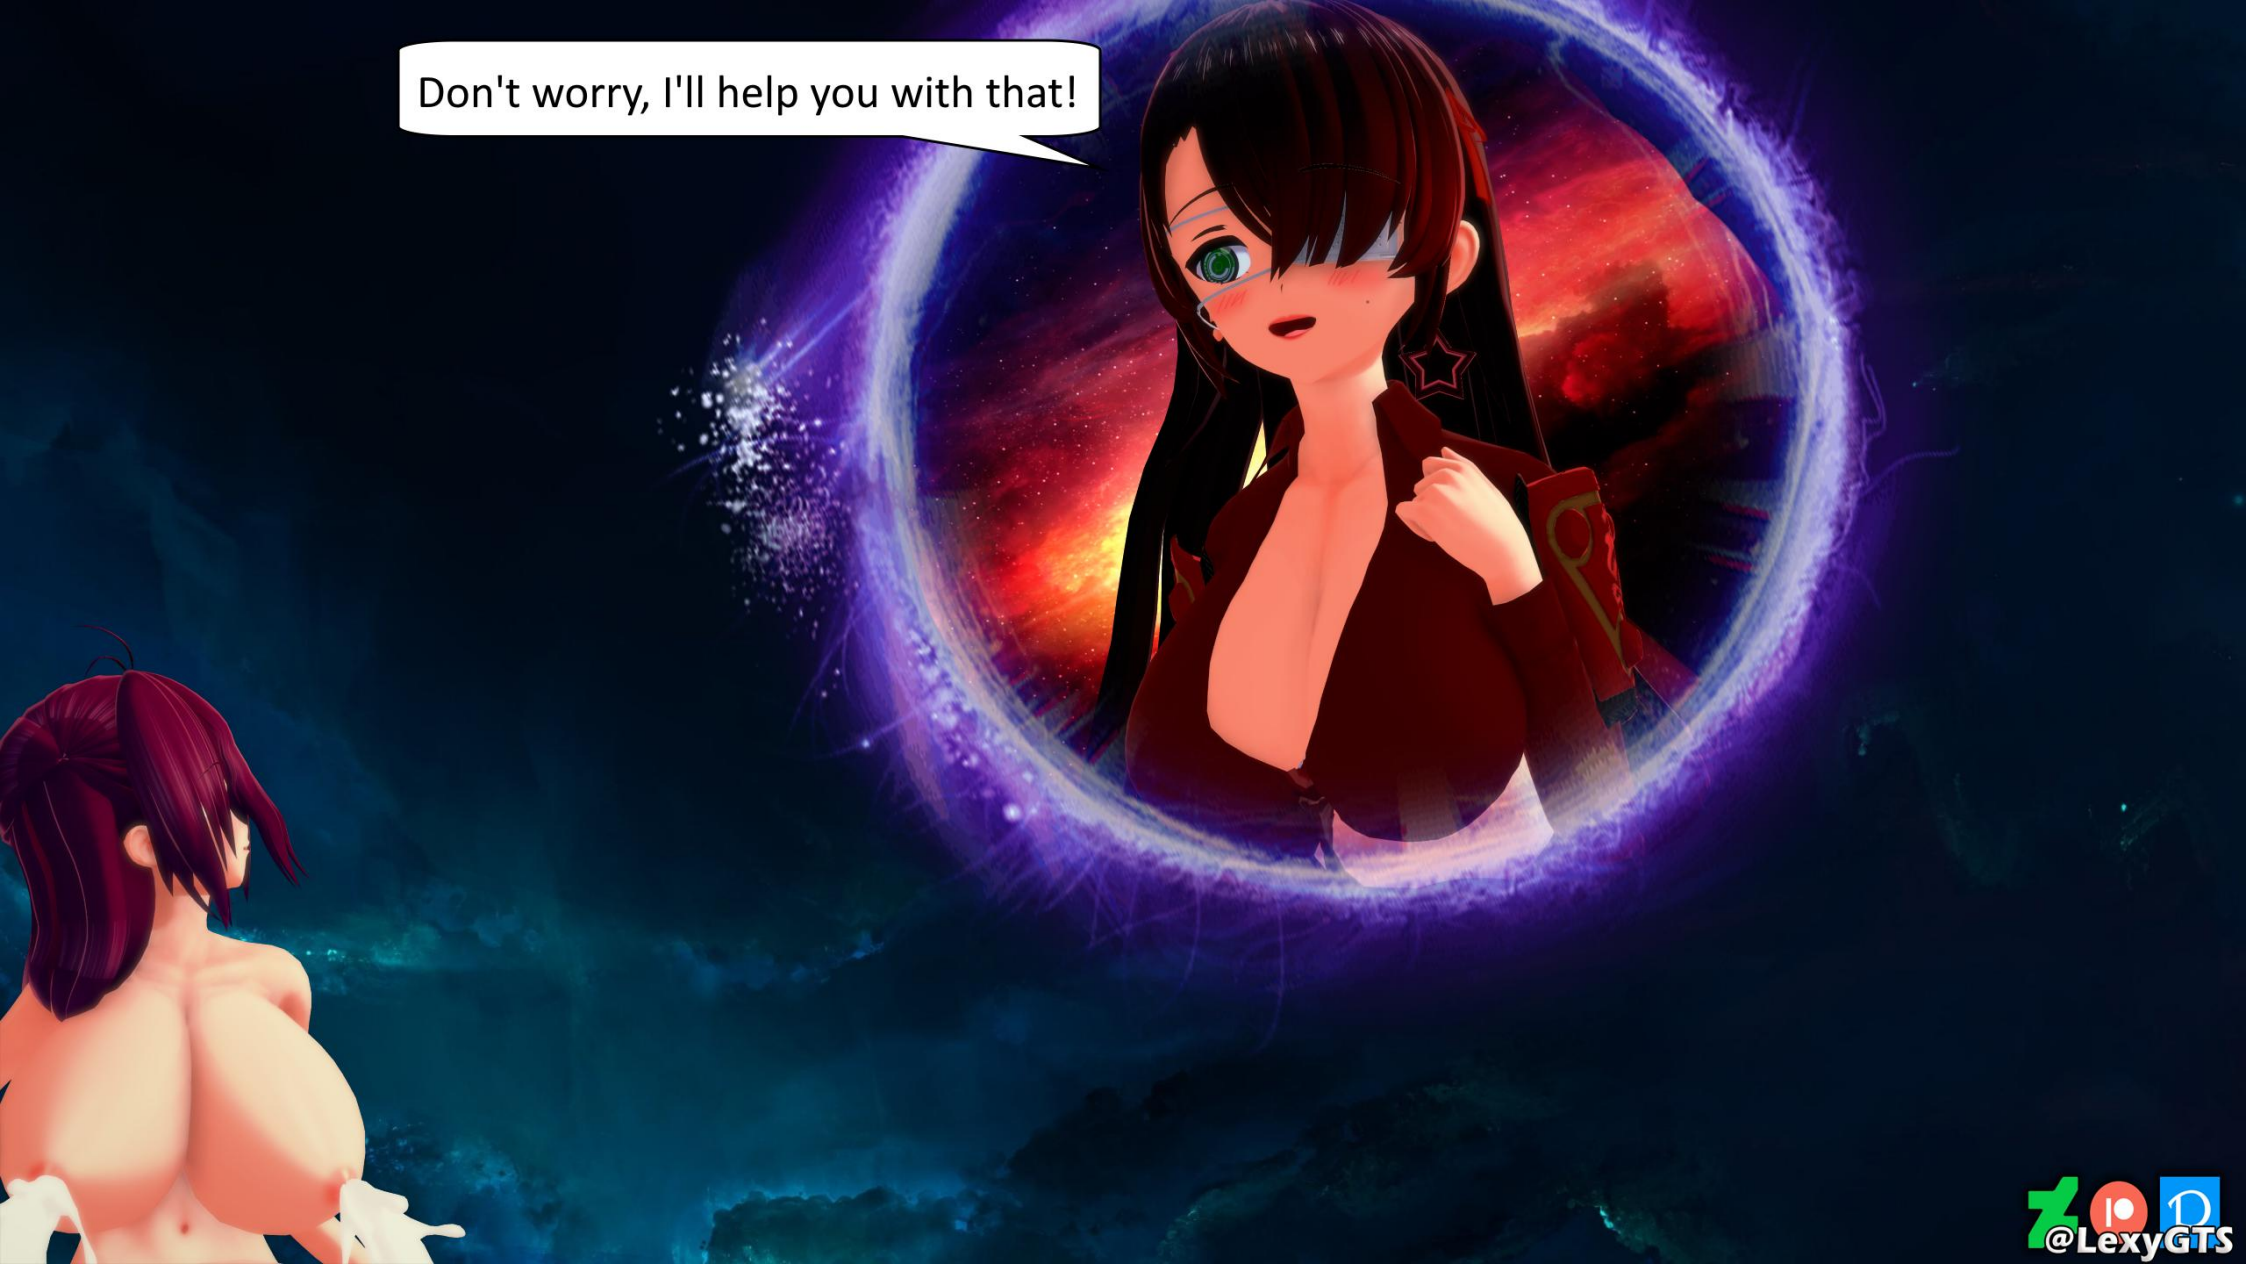

...nobody to talk to...

I just want to see my friends again...

Don't worry, I'll help you with that!

Ah, a person!

Just hold still there!

I'll send your friends
over to you aswell.

Oh thank you, that was
faster than I imagined.

Hm? What are you talking about?

Didn't you just bring them over?

A close-up of a character's face, likely from an anime or video game. The character has dark brown hair with a red ribbon, a blue gem earring, and a star-shaped earring. The background is a warm, orange-red gradient. A speech bubble is positioned to the right of the character's head.

No? I haven't actually started yet.

**GALAXY WIPING
PINKY FLICK**

Respect though. You have way more energy stored in that size than I would have imagined.

Is that why you are lactat-

AGH

MY EYE, YOU BASTARD! AHHH, IT HURTS

**I TOLD YOU TO
LEAVE THEM ALONE!**

AHH FINE, HAVE IT YOUR WAY!

**REALITY
RIFT!**

W- what's happening?

M-mom? What is this?

I have no idea...

Wow. Are you feeling this? Someone is tearing up a rift between dimensions.

So she is alive then?...

Her hair is tied with a white ribbon that has red stripes. She is wearing a light-colored, possibly white, top. The background is a simple, dark grey wall.

Yeah, I can only think of one person besides me who could do that...

Thud

did I create here...**

**That should have been me
GOD DAMN IT.**

You are not trying to insert me again, right?

I mean look at you.
You have gotten much bigger!

I'm too small for that.
Don't you want a friend?

A large, close-up illustration of a woman's face with long, dark brown hair and closed eyes. On her right cheek, a tiny, nude female avatar with short purple hair is standing, holding a red pen. The background is a soft, warm orange-red color.

**AH This small size? Nono,
this is just a tiny avatar
I created to find you.**

I'm actually all around us...

Uh, what do you mean by that?

**Ah, I've never stopped growing.
I still am as we speak...**

**...and I might have inserted
the universe - and a couple
of trillion more...**

**I've realized that it can
happen as long as I want it to
Wait let me come down to you...**
